Newark will go on the air soon with a half-hour duilty program devoted exclusively to things of interest to the community, it plans of local retailers headed by George Wigdon, are carried through.

Virtually 70 per cent of Newarks merchants have already been lined un helind the project, and enough finds are assured to finance a 12-week series of daily programs.

Final details on the selection of a station and fixing a broadcast schedule will be considered at a meeting next week of the 8-man planning groun under Mr Wiggins. Before then, a few more individual contracts with merchants here must be signed.

The show, Wiggins said, will be aired over either WILM or WTUX and will probably be a variety program.

Highlight will be the audience participation events and man-on-the-street interviews. The former will probably be recordings of special shows at the State Theatre and later transcribed over the Newark program. Meets Slated For Old Grads

All had little effect on the general sentiment at the session. Council turned down the permit without a dissentiment by Joseph M. McVey, president of the association.

Syram: at the banquet whic' will close the day's formal program will be Vice-Chancellor Collins J. Seitz, a graduate of the university in 1937. His topic will be "The Judge at Work." The dinner will be at 6:30 p. m. in Kent Hall.

John E. H. Lafferty, chairman of the association's reunion committee, said that some 300 alumni are expected to crowd the campus during the day for the exercises. These will begin at 11 a. m., with conducted tours of numerous points of interest on the campus and the University Farm.

At 12:30 p. m., a buffet luncheon will assist Neeson in a supervisory capacity and work requiring the services of a

and the University Farm.

At 12:30 p. m., a buffer luncheon will be served on the lawn in front of Old College. This is expected to be a gathering place for many of the reunion classes. At 3 p. m. on Frazer Field, the alumni will see the Delaware baseball team play P. M. C., and at the same time the Dlue Hen tennis team will engage Franklin & Marshall.

The Alumni Association's annual business meeting will be held at 5:15 p. m. Day sale to be held here May 20, 21 and 22 have been completed by Mrs. Paul D. Lovett, poppy chairman for the J. A. O'Daniel Unit, No. 10, Ameritant Lorden Appellication.

PLAN AGAIN BLOCKED AT TOWN MEET

Objections By Residents Near Site Kills Half Million Project

Protests by testevnts have again acquaded rians for the \$500,000 aportment house proposed fo Nework.

Application for a provisional building permit was turned down by the Town Council at a special session. Tuesday night, when about 18 property owners, most from the Beverly. Winstown and Townsond Road sections were on hand to register objections. It was much the same story as in the Dallam Road case, where the project was originally proposed. Most of the Beverly Road residents, while claiming they did not oppose the apartment house, said they abjected to the rengested and overcrowded conditions it would cause in the neighborhoad. A few did not oppose the site but wanted the plans revised to establish all entranceways to the project on Elkton Road.

A lone plea in favor of the propert

Road.

A lone plea in favor of the project from a resident in the section was made by Miss Mary Hayes, Delaware Avenue. In view of the serious housing shortage here, she felt the 70-family project should be welcomed. If residents continually object, she said, the badly needed project will never be established here. Dr. Carl J. Rees and Mrs. Anna Owens made pleas for the case of renters, Dr. Rees saying he knew of a number of young married students who gravely need housing.

All had little effect on the general sentiment at the session. Council turned down the permit without a dissent-

pany was to have been notified later this month of the termination, effec-tive November 1948, the purpose being to negotiate for lower rates. Discussion with officials of the Com-pany the past week brought out the fact

that the town could probably secure concessions more readily by entering on negotiations before terminating the

CONCERT ON SUNDAY BY U. OF D. BAND

The University Symphonic Band will present its second campus concert Sunday at 4:30 p. m. on the north steps of the Memorial Library. The ground will be under the direction of J. R. King of the Music Department. In case of rain, the concert will be given in Mitchell Hall.

That advice comes from Ernest C. Crocker, who makes his living by snifting out the truth about various odoes. "Sound," Crocker said, "is dominant over odor. It's nature's way of telling to the Music Department. In case of rain, the concert will be given in Mitchell Hall.

The program will leature classical and semi-classical compositions, including the well-known "Donkey Serenade"

included on the program.

There is no admission charge to these concerts. The public is cordially invited to attend.

THAT'S your Betholine-Sinclair Dealer talking! A fleet of modern ocean-going tankers is just part of the modern equipment that stands behind him. Sherwood Brothers, who supply him with top-quality Betholine-Sinclair Products, back him with the petroleum industry's most modern equipment.

Right here in Maryland, almost in his backyard, Sherwood operates a giant storage and blending plant where 29 million gallons of petroleum products can be stored for the exclusive use of Maryland motorists and homeowners.

Not only tankers, but cross-country pipelines bring millions of gallons of petroleum products direct to this Sherwood Point Terminal for Maryland home-state consumption. All these tremendous facilities are important reasons why you can count on Sherwood and your Betholine-Sinclair Dealer to keep you supplied with the finest petroleum products.

Sherwood Brothers are marketers of Betholine Motor Fuel, Sinclair Petroleum Products, Sherwood Oil Burners and Fuel Oil ... Goodyear Tires, Tubes, Batteries ... and many other quality products for the car, farm, home and industry.

Back to the Arena in Philadelphia this Friday night come Jack Kramer and Bobby Rings for another match in their pro termis tour which has taken them all the way across the country and back. Before the tour begar Kranner, the U. S. amatour singles title holder in 1946 and 1947 and reainstat of the U. S. Davis Cup teams in the same years, avowed as how he would blast the defending pro champ from the court.

the court.
During the early matches of the four Riggs made it appear that Rig Jack would be living on a diet of ill-chosen words. But Kramen, who is neither an introvert nor a Casper Milquetoas, soon evened the rount. Then followed a period in which Bobby and "Jake" alternated in winning with such regularity that the paying public began to view the entire affair with a skeptical eye.

After six months, however, the un After ax mouns, nowever the un-hind insinuations of the cynics that this was an Alphonse and Geston af-fair have nearly been forgotten. And the reason for the charged attitude and renewal of faith is that the fiery and almost faultless Kramer has come

and almost faultless Kramer has come mighty close to fulfilling his pre-tour boasts. In about eighty court contests between these two masters of racquet wielding Jack has averaged about three wins in every four matches. In a sport which has never been known for its large spectator attendance, the tour is doing much better than all right. For example, there were 9,600 cash customers at a Kramer-Riggs tussle up in Montreal one night last week. As a correlary to the crowds last week. As a correlary to the crowds who are pushing their way into the contests it scarcely needs to be said that the leading lads in this extended tour are also doing very well financially, thank you.

As an inducement to get Kramer to As an inducement to get Riamer beleave the ranks of those who play only for fun and glory, Promoter Jack Harris promised him a minimum of \$50,000. But ex-GI Kramer displayed commendable business acumen. He obtained an option which enabled him to take the fifty thousand or a certain to take the first thousand of a creating the first percentage of the gate. With the tour not yet completed, the gate has been such that Jack already has scrapped the specific sum for the option—and some estimate that his total take for taking Bobby may reach the hundred ground made.

taking Bobby may reach the hundred grand mark. Riggs? Well, he's doing OK, too, with a guarantee of \$33,000. But this may be the last year for such big stakes for him. The margin by which Kramer is taking his measure is sure to relegate Bobby to a comparatively minor financial role next year.

if we may expect history to continue to repeat itself, Kramer will be well advised to make as much as he can as soon as he can from his top-ranking tennis ability. If "Big Jake" wants to be clipping coupons a few years hence instead of continuing to try to place a little white hall in an apoint. place a little white ball in an appointplace a little white bad in an appoint ed place within certain white-striped areas by striking it with some tightly stretched cat gut or nylon, he'll do his court covering and ball chasing now, The records show that since pro ten-

nis got underway in earnest some twenty-odd years ago even the best of the tennists have been able to stay on the top of the heap only a relative-ly short time. Vinnie Richards found the going to tough after only a space of two years. In 1929 a Czech named Karel Kozeluh ruled the court roost-but he too lasted only two years. Then William Tatum Tilden II, usually ac-claimed as the greatest tennis player of them all, left the amateur ranks and held sway as the top pro. But even "Big Bill" stayed there only three "Big Bill" stayed there only three years, for a young Californian named Ellsworth Vines came out of the west. Vines set a record by remaining the champ for five years. Then he met his master in another Californian named Don Budge. On tour the carrot-topped Budge beat Vines 32 matches to 27, and also withstood the challenge of that great Britisher, Fred Perry, After four years in the Air Forces, Don returned to the business of tennis, Awaiting him was Riggs That was in 1945, Robert took a 13-1 lead over the lanky red-

took a 13-1 lead over the lanky red-head—but ultimately nudged Budge out only by a 24 to 22 margin.

So the question is, how long can Kramer stay on ton? And who is the one who will some day topple him?

Hottest thing in baseball circles at he moment—the amazing Athletics with the lean leader known to all as Connie Mack and to a few as Cornelius McGillicudy. Within a few days after the Mackmen stopped the Cleveland Indians and supplanted them on the top rung in the American League ladprognosticators hopping on the A's bandwagon. The majority of those who only a few short weeks ago picked the Athletics for fifth, white conceding that they might stretch it to fourth, were very busy indeed poilting a hedge around their predictions and explaining how and why the Macka are a strong pennact contender. This Robin Roberts, pride of the Wilmington Blue Rocks pitching corps, has the fans talking to themselves and anyone olse who will listen. In three starts thus for he has gone the entire route thus far he has gone the entire roote each time and has struck out 17, 14 and 12 batters . . .
