9 Fraternities Gain 149 Pledges At Close Of Recent Rushing Season

Over 50 Per Cent Of Freshmen Sign Up In Dean Hocutt's Office

The fraternity rushing period ended this week, and the Dean of Students, John E. Hocutt, has announced the candidates for the various fraternities, in accordance with the charter of the Inter-Fraternity Council. A total of 149 men were accepted as pledges; they represent over 50 per cent of the enrollment of men in the freshman class, which stands at approximately 250.

The Office of the Dean of Students has the task of correlating the choices of the prospective pledges to the lists prepared by the fraternities of those whom they desire as candidates, under a co-operative plan with the Inter-Fraternity Council. Dean expressed his approval of the plan as giving all pledges equal status in their initial contact with the fraternities.

The following is a list of the candidates and the fraternities to which they will pledge:

Alpha Epsilon Pi: Gerald Berkowitz, Thomas Katman, Aaron Paul, David Paul, Richard Paul, Gordon Pliser, James Schonberger, Ronald Sere, John Strassburger, Marvin Strom, William Welson.

Alpha Tau Omega: Albert Bacon, Joseph Camp, George Graham, Harold Heinbach, James Myers, Richard Perry, Clarence Sapp, Alec Steele, Kenneth Whittington.

Delta Tau Delta: William Brown, Karl Buretz, Richard Chilcutt, John Davidson, Ralph Graves, Charles Heckert, Walter Jebens, John Long, Lawrence Lore, Joseph McCafferty, Rob McDonald, John Richter, John Trowill.

Kappa Alpha: Bernard Andrews, Ennalls Berl, Ralph Bingham, Edward Brnalecki, George Cavey, William Collings, William Correll, Raymond DeVries, John Farley, Oliver Farrow, Frederick Freibott, Donald Goodridge, Douglas Graham, William Hamaker, George Hudson, Paul Hyland, James Knox, Stanley Lowicki, William Mackay, John McCool, Lawrence McManus, Thomas Metz, Edward Mortlock, Jarden Nolde, Dale Penrod, Robert Short, John Simpson, John Sipple, Harry Tetlow, Blaine Tilghman, John Waddington, William Willin, William Wood, Robert Wynn.

Phi Kappa Tau: Howard Anderson, Wallace Cook, David Ewing, Robert Ferguson, David Hastings, James Kosowsky, John Martin, Gordon Pfeiffer, Donald Rau, Mitchell Russell, Alfred Schmal-fuhs, Phillip Stewart.

Pi Kappa Alpha: Pierson Bailey, Donald Learn, Richard Singley, Robert Staib.

Sigma Phi Epsilon: John Carson, Harold Dean, James Koulk, Edward Gearhart, Edward Hobbs, William Karau, James Kinch, Harry Riggan, Richard Ross, Howard

Creative Writing Contest Announced This Week

The eighth annual Creative Writing contest, sponsored by the English Department of the University of Delaware for all undergraduates at the University, opens this week. All entries in the contest must be submitted to the contest committee on or before Friday, March 27.

Any undergraduate student enrolled at the University may submit material. Prizes will be awarded for the best works in each of three fields: poetry, fiction, and essay. Each student may submit as many manuscripts as he wishes, but is eligible to receive only one

"Bloomer Girl" Has Much More Music!

The E-52 Players are into the last weeks of rehearsals for their fifth annual musical comedy, "Bloomer Girl," which will be presented on March 10-15 in Mitchell Hall. Many students have already seen a "sneak preview" of several of the hit songs from the show which were presented last Tuesday night between plays in the Women's Playbill.

Jane Banks will be featured in the show as the comedy lead, "Daisy," who is most sympathetic

JANE BANKS

to the new "bloomer fashion" designed by Aunt Dolly Bloomer, who will be played by Mary Lou Conover. The romantic lady, Evalina, who is also sympathetic to her Aunt Dolly and her "bloomer" fad, much against her father's (Harvey Porter) wishes, because he happens to be a large manufacturer of "hoop" skirts. Obviously, the musical has a romantic element which will be supplied by Howard Seebach, who will portray Jefferson Calhoun.

The E-52 Players are sponsoring a "Theatre Party" program which they hope to extend to all of the various organizations throughout the Delaware area. This will provide cut-rate prices for large groups which intend to see E-52 productions. This program will extend to the various Lions Club's Rotary Clubs, Kiwanis Clubs, etc., and they wish that our student readers will remind their parents of this plan.

Tickets for "Bloomer Girl" go on sale Monday, March 1, at the Mitchell Hall box-office and student tickets are accepted.

Sommer Announces Lecture Series On Colonial America

Dr. Frank H. Sommer, coordinator of the Winterthur Museum program in Early American Culture, has announced a spring lecture series on the subject, "Colonial America," which began on February 24, in Brown Laboratory Auditorium. Six distinguished scholars will be presented in the program which will be offered on Tuesday evenings at 8:15.

The first three lecturers, Dr. Michael Kraus, Dr. Perry Miller, and Dr. Thomas Wertenbaker, have already been announced. All are distinguished scholars of early American life and culture.

Three other speakers have also been scheduled. On April 14, John M. Phillips, Director of the Yale University Art Gallery and a trustee of the Winterthur Museum will discuss the topic, "The Craftsman as a Mirror of His Time." Mr. Phillips is a member of the Antiquarian and Landmark Society, the Pennsylvania Historical Society, the Chester County Historical Society and a number of other historical organizations. He is the author of three books: "Early Connecticut Silver, 1700-1830," "Masterpieces of New England Silver, 1650-1800," and "American Silver."

Miss Louisa Dresser, curator of the Worcester Art Museum, is the

Women Commuters Plan Organization

At a luncheon meeting on Monday, February 23, in the Commuters' Room, the Women Commuters began organizational plans for being recognized as an organized campus group. The purpose of the organization is to enable commuters to become more active and also represented in campus affairs. Once the women's group has been organized, it is hoped to stimulate enough interest so that a men's group may also be formed.

Kay Knighton and Lois Wittchen were in charge of many of the details previous to the meeting, while Cynthia Flery was in charge of the details previous to the meeting.

Nominations for officers were made at this meeting and will be voted upon during the next meeting Monday, March 2. All women commuters are urged to attend. Those nominated by the committee were: Senior Representative, Marcia Boone; Junior, Gunvor Thureson; Sophomore, Kay Knighton; and Freshman, Milmo Fox. Those nominated for the offices of president and vice-president were: Dot Pierson and Lois Wittchen. Nominated for the position of secretary were: Delores Heffner and Peggy Warner. The nominations were not final and may be extended to include other names, if so desired. This will be taken up in the meeting before the casting of ballots.

Engineers' Annual Ball Features Delmelodians

BILL LEVIS, general chairman of the Engineers' Ball.

Tonight's the night of the Annual Engineers' Ball. This year the ball is being held during "Engineers' Week," a nationwide commemoration of the birthday anniversary of George Washington, the patron saint of American Engineers. Bill Levis, senior Mechanical Engineer, is general chairman of the dance.

This year's Engineers' Ball promises to be the best yet, for the entire School of Engineering has gone all-out in the preparations for this affair. Students in the other schools of the University are especially invited to attend. The Delmelodians will play in Carpenter Field House from 9 till 1. The dance is to be informal; tickets are \$2.00 per couple.

Each of the separate societies, the American Society of Mechanical Engineers, the American Society of Civil Engineers, the American Institute of Electrical Engineers, and the American Institute of Chemical Engineers will have displays.

The Engineers have invited as guests of this affair the President of the University, the Deans of the Schools of the University, the Engineering faculty, and all the members of the Delaware Engineering Association.

Chairmen of the dance are Chip Coleman, tickets; George Gronde, decorations; Charles Hyde, invitations; Barry Seidel, publicity.

Plans Begin For Student Car Pool

Final plans are being made for the formation of a Commuter Car Pool. It is expected to begin functioning within the next two weeks.

The purposes of this service are: (1) to help with the problem of getting commuters active on campus by finding rides for them; (2) to help people on campus get rides home and to Wilmington; (3) to help drivers with their car expenses.

The committee responsible for the organization consists of: chairman—Lois Wittchen; members—Kay Knighton, Cynthia Flery, Marcia Boone, Betty Togue, Betty Tatnall, Delores Heffner, Claire Lilley, and Gunvor Thureson; faculty members—Dean Hocutt, Dean Collins, Mrs. Blackand and Mr. Bohning.

An appropriation has been set aside by the S. G. A. for this project. The service consists of a record of all drivers and their tentative schedules, and possibly the establishment of a pick-up station at a convenient place on campus.

The committee realizes the importance of drivers' cooperation in this project. Their returning all the necessary information requested of them is essential for the functioning of the Car Pool.

Cello And Piano Duo Appear In Artist Series Performance

Nikolai and Joanna Graudan who appeared in Mitchell Hall on February 25 form an unusual musical duo with their combination of 'cello and piano respectively. The Graudans married two years after they established their musical partnership and ever since the couple has been charming audiences all over the world with their playing. Their concert tours have taken them through the Far East, Europe, and across the United States. Each is an established artist in his own right and both have been guest soloists with orchestras including the London Philharmonic, the BBC Symphony, and the Minneapolis Symphony. Their varied concert

programs display both the Graudans' solo virtuosity and ensemble excellence.

For their Mitchell Hall concert the Graudans chose the following program:

- I
Sonata in G Minor C. P. E. Bach
Allegro moderato
Larghetto
Allegro assai
- II
"Arpeggione" Sonata in A Minor, Schubert
Allegro moderato
Adagio
Allegretto
- INTERMISSION
- III
Sonata Debussy
Prologue
Serenade
Finale
(played without pause)
- IV
Sonata in D major, Opus 56, Mendelssohn
Allegro assai vivace
Allegretto scherzando
Adagio
Molto allegro e vivace

Guest Editorial

Student Publications

An Opportunity Presented

By SARA B. RODGERS

When given the opportunity, so generously offered by the Review, to write a guest editorial, it is natural, I suppose, to discuss the subject closest to one's own interest. I should like to run true to pattern, therefore, and consider a subject of great concern to me — student interest in student publications.

Students at the University of Delaware are fortunate in having four publications to speak for them: the Review, the campus newspaper, which is published nearly every week during the school year; the Blue Hen, the university yearbook, which is published every Spring; the Needle and Haystack, a magazine published jointly by Home Economics and Agriculture students once each year; and the Cauldron, the campus literary magazine, published once a year, during the Spring term.

Each of these publications, supported wholly or in part by the student body, has a special function in serving the University undergraduates. The Review, under the present able leadership of Neal Robbins and Alfred Isaacs, offers a weekly record of the main events of campus life — cultural, social, and academic. Its popularity is attested by the number of its constant readers. What would Friday morning be without the Review?

The Blue Hen, always an important publication event, is going to be an unusually fine issue in 1953, as a result of the efficient management of David Sheehan and Henri Bertuch. Not only will the Senior class find a comprehensive record of its history in the annual's pages, but all students will discover an interesting summary of university events. It will be a volume well worth keeping, and its advance sales—now over a thousand copies—indicate the large number of readers awaiting its publication.

The Needle and Haystack, which is being competently edited and managed by Arthur Arnell, Jane Sherman, and George Simpson, is unique among the publications in its work of representing the university to the many high school student readers throughout the state, who find this magazine on their school library shelves and see through its pages an inspiring glimpse of student activities in the schools of Agriculture and Home Economics. We are grateful to this magazine for interesting so many future farmers and home economists in our university.

Finally, there is the Cauldron, whose present capable leaders, Marlene Feinglass and Ralph Schwab, are publishing a compact, forty-page, illustrated magazine, representing, on a very slim budget, all the literary interests of the university. This Spring's issue, now at the printer's, will have a special guest feature which should make it a collector's item. We feel sure that you are going to be proud of it.

All four of these publications represent work on the part of many students — students so dedicated to the interests of their particular publication that they give unsparingly of their time, their abilities, and their energies. Their rewards are not material ones, and they are entirely of their own creation—the learning of certain editorial and business skills, the forming of lasting friendships, the giving of service to an institution they love.

The publications are now in good order. They are thriving and solvent. They have talented staffs at present and able members in line for next year's positions, but they can all use additional staff members. By the nature of things, the key people leave each year. Others take their places; so new positions are open each year. There are many responsibilities to be met, the editorial duties of writing, copy-reading, headlining, illustration, and composition, and the business ones of financing, awarding contracts, and advertising. No matter what a student's publication interest may be, a job can be found for him if he will come forward and introduce himself. These staffs are not closed corporations; they are glad to receive new members. It is not too late to be of help this Spring and prepare for a position next year. All you have to do is put in an appearance and offer your services. You will receive, I am sure, a warm welcome.

Letters To Editor

To the Editor:

I am a member of the political science class which was fortunate enough to hear Dr. Ebenstein during his recent visit to the University of Delaware.

I think that I speak for my classmates as well as for myself when I say that I enjoyed his discussions immensely. Of particular interest was the address that he delivered on Marx, Lenin, and Stalin on Thursday in Brown Hall. His knowledge on this, as well as political science and many other fields, made his visit well worthwhile.

Possibly an indication of his capability is the fact that he has been acknowledged by student vote as an outstanding professor at Princeton University for the last few years, despite the fact that his courses have the reputation of being anything but easy.

I want to thank those who made it possible for Dr. Ebenstein to visit Delaware. If such men can be secured in the future, we will all benefit very much.

Sid Balick

My dear Mr. Robbins:

I am pleased to learn from the February 20 issue of The Review that you and others are interested in a Student Union. It would be a great thing if the students should start a movement which would, as Runkle said, enlist the interest of students, alumni, faculty, administration, and citizens and which would lead eventually to so handsome and useful a building as was contemplated in 1946. Why not have a talk with Dr. Perkins about the possibilities?

In the Library is a fairly large amount of material on Student Unions which was assembled in 1946 and 1947. I passed the package on to Dr. Colburn some time ago.

I enclose a clipping from the N. Y. Times (Feb. 8) about Wells College.

Yours Sincerely,
W. G. Sypherd

We all know that our "Scrounge Lounge" is inadequate as far as size is concerned, but it is the only suitable spot available at the present time. It has come to the attention of Mrs. Josephine Hewes, the manager, and the Student Union Committee that certain undesirable (to put it mildly) practices are taking place daily in the Lounge. In the first place, little bonfires are springing up at various places in the area of the tables. It seems that characters of questionable intelligence are taking great delight in heaping piles of waste paper in ashtrays and setting fire to them. If the heat is insufficient, let the proper authorities know about it, and we are sure immediate action will be taken to remedy the situation. All kidding aside, these small fires are very serious and could lead to grave consequences, maybe even expulsion from the library basement. Another occurrence of a disturbing nature is the repeated disappearances of silverware. This is running into quite an expensive bill every month, and the Student Union operating expenses are certainly enough without this permanent borrowing of Union property. If we are ever to have our own Student Union building, this sort of thing must cease; for it is a continual strain upon the possibility of just such a student center. On behalf of the Student Union Committee and your fellow students, we make a sincere plea to the responsible individuals to make a bad situation better, not worse, by complying with this request.

The Student Union Committee

NOTICE

Women commuters will have an important meeting to elect officers and W.A.C. representatives on Monday at 12 noon in the commuters lounge. Bring your own lunch.

Of This 'n' That

By NEAL ROBBINS

They say you never miss the water 'till the well runs dry. Well, this week the Review is missing something no man should be without — women. We never exactly realized just how important they were until they departed.

Personally, we take it as a direct challenge that the Playbill was scheduled for Monday and Tuesday nights. Obviously an insidious plot by the Women's Affairs Committee (a rumored subversive group) to disrupt the REVIEW.

Gone are our typists, copy-readers, headline writers and associate editors. Also the decorative scheme of the office is sadly lacking in a vital something. Only a faithful few remain to serve as a reminder of how much we have lost.

Come home, girls, and all will be forgiven.

A lot of interest has been stirred by Marv Balick's challenge of the walk to Wilmington. This will be put on the honor system, long advocated by many for other events at the University of Delaware.

In case you want to paper your walls, we have several hundred free Reviews left over from this week. No, we aren't wasting student funds.

Last week's issue, as you know, was sent out to all "Alums" of the University. Since it was published in such numbers, the Star Printing Co. ran it off on the large rotary press. Printing in such large numbers makes the cost of a few hundred more practically negligible, so we were given those.

And in case you wondered, as many have, why the Review was not as "sharp" last week, it was also due to the different press. This week, as you see, is a return to normal.

Don't forget the deadline for nominations for Cherry Blossom Princess is today (Friday). Get 'em up!

Here is an interesting article on the honor system at U. of Texas.

TEXAS, A SUMMIT OF HONESTY . . . Students at the University of Texas this year will compile their best record of scholastic integrity in more than a decade, according to Arno Nowotny, dean of students there.

Last year 148 students were found guilty by the discipline committee of cheating on quizzes, selling another person's books and other acts of dishonesty.

The dean adds that about 30 students will probably receive penalties after January mid-semester. "Something is bound to go wrong when 600,000 exams are given," he says.

See this column for more on the subject next week.

We don't want to milk it, but this is that time of year — Get off the grass! Big Brother is watching you!

S.G.A. Minutes

Treasury

The SGA Fund contains \$1,732.15; the Sinking Fund, \$9,629.68; and the Social Fund, \$5,599.99. Junior Prom expenses amounted to \$1,034.80. This included orchestra, \$850; tickets, \$7.50; decorations, \$39.32; programs, \$130.98; band refreshments, \$8.

Women's Affairs

Women's Weekend will be March 20, 21, 22. The semi-formal dance will be on Friday evening. The Delmelodians will play. Tickets will be \$2 which includes refreshments, programs, and bontonnières. Jackie Hackett and Elsa Milby are in charge of decorations, Carrie Weimer and Mary Kaleel, of publicity.

Ann Colona, Nancy Goynes, and Trudy Gilgenast are to be chairmen of the May Day program.

During the spring term of 1952, a plaque was presented to Warner (Continued On Page 6)

Shorts From Other Colleges

By NANCY PROCIOS

DREXEL CITED . . .

Drexel received a citation from Dalton-Wanzel Post No. 646, American Legion, in recognition of the scholarships presented to the children of the Drexel Alumni killed in the Second World War and the Korean War. Dean Meyer accepted the citation at the Eastern Section Meeting of the American Legion of Pennsylvania.

MOUNT ST. MARY'S COLLEGE

Chesterfields Guess The Score . . . In accord with the student cigarette program, Chesterfield will continue to sponsor "Guess-the-Score" contests for Mount's home basketball games. Chesterfield gives a carton of cigarettes to the student who most correctly guesses the score of the Mount games. The entry is made on a Chesterfield wrapper and the earliest correct entry wins.

Reviewing

The REVIEW

By PAULINE PEPPER

TEN YEARS AGO:

No Finals For Seniors . . . Once again motions were taken by the student body to exempt the Seniors from final examinations. The Student Council took the initiative, and the movement rapidly gained ground. The Review heartily supported the Student Council in regard to this matter. A large percentage of the colleges in the country exempt Seniors with good averages from final examinations all the time. As a matter of fact, the Engineering School and the Military Department of the U. of D. follow this principle. Other Headlines . . .

Dr. Carl V. Confer replaces Dr. Squire in history department.

The Radio Guild of the U. of D. holds debate over WDEL.

Mr. John Monroe selected as Alumni Secretary.

Blue Hen Wrestlers gain conference title with four firsts.

FOUR YEARS AGO:

Armstrong Resigns As Education Dean . . . Announcement has been made of the resignation of Dr. W. Earl Armstrong as Dean of the School of Education. He became associate chief for teacher education on the staff of the Division of Higher Education, Office of Education in the Federal Security Agency, succeeding the late Dr. Benjamin W. Frazier.

ALUMNI NOTES

By
Martha
Phillips

Items from the Pike Platoon, (dubbed by Bill Keyser as "The Pie-Eyed Knights of Alcohol"):

Bill Thompson has been promoted to the rank of First Looie. He is stationed in Baltimore where his wife is helping him wile away the off hours.

Don Shannon, class of '52 and former IFC Prexy, is working for the Bell Telephone Company and is also a Captain in the Nat'l Guard by virtue of his World War II service. He and his wife, former nurse Jeannette Wilson, are living at Prices Corner. Report also has it that Slim-Trim is gaining weight. Take it easy, Boy, let's not lose that fetching figure.

Stan Alexander is preparing to take over the management of the DuPont Company. Impossible? Well, we can dream, can't we? He is studying the processes of the entire plant in a program called "Executive Study" in New Brunswick. The ex-Pike Prexy of '52 is married to his classmate, the former Charlotte Whaley.

Ted Barrell, an Army man via ROTC, is soon to make tracks for Germany. He has been stationed outside College Park where he was ready to "give his all in the defense of Washington." By the way, the wife of this '52 Udel will soon follow him across the water.

Joe Sarapulski, a grad of '50, is still running the "Pike's Haven," more commonly known as the Turf Club. Maybe that's where Bill K. got the idea for his little sobriquet.

The Scrounge had a visitor the other day. Robert Clerc, class of '51 and now a free man after two years in the Navy, just couldn't keep away from good ole Del. Bob was aboard the C. K. Bonson, traveling from the States to Cuba. Sorry we can't tell you more about his experiences but he won't tell us any more. Could it be that the lad has some deep, dark secret?

Theta Chi has a graduate of

M. E. BULL and DAVE ALLEN

In Passing: Washington Birthday celebrities — Jane Good gracing the campus; Bill Utt practicing with the varsity; Al Jones visiting Fergie; John Ferguson in Modern Germany class with Crispin and Park Perine saying "Hi" to the crowd... Ron Speakman, ineligible... Topsy and their car for 10 girls — two flats in one day... Kay Valentine down at the U. of Va. getting the scoop on William and Mary's social life... nine fraternities all great but check your local Greek Column... Fresh's birthday bunny... Fay Meredith, Jerry Dye, Julie Richardson, and others parading in the M&M in their costumes... Ann Holland at the b-ball game Saturday night...

Pinned: Cynthia Fiery and Bob Swain, Marjorie Shank and Bill Cann.

... seems that Peggy Brenner can't read letters correctly to Mick Paxton... at Chadds Ford — Bob Stout and Mary Lou Conover, Howard (the actor) Seebach and Mary Little... a very charming visitor from West Chester S. T. C. in the person of Kathleen Casey. The Sig Ep brothers went mad... Rex Barber and Malissa seen at the B&O station Sat. night... Beebe and Co. made quite a hit at the Sig Ep house Sat. night... ATO's advertised seven dancing girls and only five costumes — must have been quite a party!

Selected Drama Students Are Guests "At Bloomer Girl"

Two students from each public high school and private secondary school in the state will be the guests of the E-52 Players at the opening performance of "Bloomer Girl" on March 10. Invitations have been sent out to Directors of Dramatics this far in advance of the production to give them the time to select their best dramatic students for this privilege. The Players are anxious to make the opportunity to see their productions as widely available to high school students as possible. In addition they have inaugurated a Theatre Party Plan for high school students which provides special rates on tickets for parties of 12 or more together with a complimentary ticket for the teacher sponsoring the party.

Some fifty actors, singers, and dancers have already been in rehearsal for over two weeks for the musical, which is being offered five nights, beginning March 10. "Bloomer Girl" is the fifth annual musical to be offered by the E-52 Players and the Department of Dramatic Arts and Speech, in cooperation with the Music Department. Words and music are by Harburg and Saldy, composers of "Finian's Rainbow," produced by the Players two years ago. Among the songs in the show are "Evelina," once prominent on the Hit Parade, "The Eagle and Me," and "Right You Are."

The production is under the direction of Mr. Thomas B. Pegg, who is responsible for the supervision of the last two musicals given by the Players. Technical director and designer is Mr. Herman Middleton. Mr. Marvin Fennema of the Music Department is in charge of the singing chorus and Miss Crook, also of the Music Department, is choreographer and dance director.

Student Union Conf. Discusses Controls

Syracuse, N. Y. (I.P.)—At Syracuse University the Student Union is theoretically under the control of both student government and the University social committee, which enacts certain general rules, according to James F. Carr, president of the Hill Student Union. Government representatives are members of the Student Union board, he added.

Commenting here on the consensus at the fourth annual regional Student Union conference, held at Colgate University, concerning student government and student unions, Carr said that delegates felt that unions would benefit if they were "not under the direct control of government but cooperated with them."

Cornell University delegates pointed out that members of the board of Willard Straight hall there have government members on their board and vice-versa. At the University of Buffalo, the board of the Norton Student Union and of student government is the same group.

Petitions Accepted For May Day Court

May Day Court petitions are now being accepted, the deadline being Monday, March 9, at 7 p. m. This year's rules follow the same as last year's:

Each student (male and female) may sign only one petition for their class court members. An exception is that seniors may sign two petitions for senior girls since they are the only ones allowed to petition for queen. All senior candidates are eligible for queen and senior court. These petitions must have 25 names signed to them and are to be sent via college mail to Trudy Gilgenast, Box 497.

All of these candidates will be presented to the student body during College Hour on March 12, and voting will take place Thursday afternoon and all day Friday. Each class will be represented by a duchess and two attendants. The senior class, in addition to these, will have the queen and her maid of honor.

Students Receive Challenge - Accept It!

By MARV BALICK

In last week's Review this reporter wrote an article concerning a walking contest from Newark to Wilmington via the commuters highway. A brief recapitulation follows:

This event, which was initiated in 1903 by Mr. Charles Bush, now Dean of Admissions here at Delaware, was revived in 1943 by two members of the class of '43, Leon Heck and Howard Smith.

Mr. Bush began from the gate in front of Old College, and made the trip to the B & O Station in Wilmington—in 2 hours and 45 minutes. This "record" stood for 40 years, until just ten years ago. In 1943, Heck and Smith attempted the walk, and made it in a record breaking 2 hours and 23 minutes, bettering Mr. Bush's record by 23 minutes.

Last week's article on this event asked if there were any challengers to the present record of 2 hours and 23 minutes. Before last Friday was over two challengers appeared in the Review office—Juniors Char-

lie Sullivan and Marty Apostolico. The line of challengers has lengthened, and now includes such strong men as Bill Colona, Sid Balick, Joe Miller, Bill Reed, and Ralph Schwab.

Who else is willing to prove that present day college students are not softies? All those interested please see either Neal Robbins, editor of the Review, or Marv Balick, feature editor, anytime between today and Saturday, March 7, at 10 a.m. when the event will once again take place.

The starting and finishing lines will be as they were stated above. Neal Robbins, editor of the Review, the undergraduate weekly of the University of Delaware, will be the official starter. A picture of all the starters will appear in the Review, the two winners will have front page pictures and their story of success! Since there will be no judges to follow the participants along the way, all runners will be on their honor to abide by the rules of the contest.

See you all at Old College gate Saturday, March 7 at 10 a. m.

Chick 'n' Chat

By VIRGINIA WELLS

Basketball is all ready to start off with a bang! Eight teams are out to win that coveted championship, and the race looks like it is going to be a close and thrilling one from beginning to end. Eton, Windsor, Boletus, New Castle, Cannon, Hanover, and Warner have all placed a team in the tournament. In fact, Warner has even put in two teams. Looks like the seniors are really "on the ball" and out to win one way or another this year!! A couple of dorms haven't even one team, so it looks like the seniors are still as interested in W.A.A. activities as they were in their freshman year. Games started yesterday, so good luck to all!! Remember that you must have three practices in order to play in tournament games.

Attention!! Bowling starts on March 2!! You can either sign up as an individual contestant or as a team of four players. Lou Keene, bowling manager, wants everyone interested to sign up as soon as possible on the chart placed on the W.A.A. bulletin board in the locker room. Each team or bowler will play twice a week for six weeks on Monday and Tuesday at four o'clock at the Newark Bowling Alley. The cost is 20 cents a game, and all players will set up their own pins. Anyone can sign up. If you've only bowled once in your life and liked it, then sign up and really enjoy yourself thoroughly. You don't have to be a "professional" to have fun! If there are any additional questions, contact Lou Keene at Box 720 or Cannon Hall.

Mary Clark is the 1953 table tennis — or shall we be low brow and say ping-pong—manager. Sign up now for the tournament, which will start very soon. Only two people had signed up as of Monday, so get busy!! You'll have a great time in an exciting tournament. There will be more news about this tournament in Chick 'n' Chat next week.

Badminton is still with us, but soon it will be drawing its final gasping breath for the 1953 season. All finalists are urged to finish their scheduled games as soon as possible!! So far Lois McKay leads in the singles race, while Joan Greenfield and Nancy Goynne head the doubles tournament.

Guess that is about all for this week, and it sure sounds like there is plenty going on down at womens' gym. There must be something that you are interested in from all of these activities, so join up now and have an enjoyable spring season.

Drexel Freshmen Bow To Blue Chicks

The Frosh basketball team walloped Drexel, 73-52, last Saturday night as they gained their seventh consecutive victory and their ninth win in this season's play. The bantam Blue Hens trounced Swarthmore the previous Wednesday, 101-38. It marked the second consecutive game in which the frosh went over the century mark.

In the Drexel contest the Chicks started out as though they would again break 100 points. They led 26-12 at the end of the initial period. However, the Drexel five held them to 11 points in the second frame.

Bob Hart led the Delaware attack with nine field goals and three fouls for a total of twenty-one counters. Bill Harley tallied seventeen points to lead the Drexel scorers. Jim Kinch scored thirteen points for Delaware.

In the 101-38 decision over Swarthmore, five players shared scoring honors. Kinch and Hart tallied 19 and 18 points respectively. Others with double figures were Dick Messick, Dallas Green and Vince Grande.

Tomorrow night the bantam Hens meet P. M. C. in the preliminary game at 6:45 in Carpenter Field House.

There will be a meeting of all candidates for the 1953 football squad including all of the 1952 freshman and varsity team on March 10, 1953, in Room 26, Recitation Hall at 4:00 p. m.

Cadets Invade For Mid-Atlantic Fray

The P. M. C. Cadets, led by high-scoring Eagle Earl Wentzel, engage Delaware in a Middle Atlantic League fray tomorrow evening in the Carpenter Field House. At the present time P. M. C. is tied for second place in the league with 4 and 3. Delaware is still the kingpin with 7 and 0. Overall, the Cadets' mark is 6 and 5. One of these defeats was administered by Delaware a few weeks ago in Chester by a score of 88-82.

For several years now, Delaware has had trouble winning on P. M. C.'s court; so in light of their victory there, it is safe to assume a win here. The Cadets have the fourth leading scorer in the Philadelphia area in Wentzel, who has an average of 25.7. Earl will be remembered for his scoring feats of last year when he racked up 48 against us in Chester. Lending a helping hand to Wentzel are Larry Rusiewicz and Jack Henry, who have averages of 13.2 and 12.1 respectively.

Mule Matmen Kick Crippled Hens 18-16

Riddled by key injuries, Delaware's fighting Blue Hen wrestling team couldn't quite overcome a 5-15 deficit and had their five match winning streak severed by a hustling Muhlenberg outfit 18-16.

A six-stitch gash kept 147 pounder Jerry Angulo off the mat and a broken nose suffered in the Ursinus match didn't help Gene Holland any as he dropped a shut-out decision. Veterans Don Rumer and Vince "the mattress" Stallone both scored convincing first period pins.

Muhlenberg got a quick start as their Les Paul pinned Hen newcomer Nell Thomas and after the improving Rumer scored his pin, Bob Collingwood fell victim to a surprise pin.

The Mules' Al Billy was awarded a forfeit as the badly gashed Angulo was unable to meet him, to bring the score to 15-5 Muhlenberg. Charlie Rodriguez scored a decision in the next bout after dealing out a good bit of physical punishment, but the injury which hampered Gene Holland was decided to bring the Mules to a 18-8 lead.

Spectacularly Stallone came through with his third straight pin, but Jerry Hargrove, husky football fullback, literally ran away from Tom Schultz to avoid being pinned. The best Schultz could do with his unwilling opponent was a decision, but this wasn't quite enough as the Mules won 18-16. The Hens travel to Lewisburg, Pa., to tangle with Bucknell tomorrow.

The summaries follow:

123—L. Paul, Muhlenberg, pinned N. Thomas, 2:28.
130—D. Rumer, Delaware, pinned E. Druckenmiller, 1:29.8.
137—J. Thomas, Muhlenberg, pinned B. Collingwood, 5:06.
147—A. Billy, Muhlenberg, won on forfeit from Angulo.
157—C. Rodriguez, Delaware, decision D. Haynes, 4-3.
167—M. Creesman, Muhlenberg, decision E. Holland, 5-0.
177—V. Stallone, Delaware, pinned N. Koppenhaver, 1:57.
UNLIMITED—T. Schultz, Delaware, decision J. Hargrove, 6-0.

Hen Mermen Face Lafayette In Last Home Meet Of This Season

TWO CHAMPS . . . Charlie Presnell and Art Mayer — Blue Hens who have taken well to water — show a winning smile after helping Delaware defeat Temple. The two swimmers share team captain honors.

This Saturday afternoon at 2:30 will be the site of the last Blue Hen mermen encounter for the year 1952-53 in Taylor Pool. The meet, with Lafayette, will be the last time three of Delaware's greatest swimmers will participate in a dual meet for the Blue and Gold. Charlie Presnell, Art Mayer and George Ester will make their final bow filling their usual key positions on the team. All three are expected to be in fine condition to take that last crack at the numerous records each hold and have broken many times.

The first race of the afternoon should prove very interesting. The Leopards' 300-yd. medley relay team of Phil Quinn, Bill Montague, and Angelo Paleologos has been clocked in 3:09. This is seventenths of a second under the winning time at the Middle Atlantics last year. However, Coach Rawstrom believes Art Mayer, Bob Wagner and George Ester will prove a match as our boys go for the record of 3:07.

Another interesting event will be the 200 yard breast stroke. Bill Montague, Lafayette's breast stroker, and last year's Middle Atlantic breast stroke champion, will be paired off with Delaware's Bob Wagner. This race will be a rehearsal for the Middle Atlantics to be held at F&M next Saturday, March 7. George Ester, Delaware's great freestyler, will prove a great match for Phil Quinn, who usually posts a 56 sec. in the 100-yd. freestyle.

The freshman 300-yard medley relay team set a new freshman Delaware record by swimming the distance in 3:11.3. The previous record was 3:15, set by the same trio, Bruce Stewart, Tom Duff and

(Continued on Page 5)

The Armchair Umpire

By CHARLES WILLIS

Returning alumni and University guests were treated to victories in basketball, swimming, and a practice track meet last week for the third athletic sweep this winter.

Tomorrow, Coach Harry Rawstrom's mermen, victorious in seven of eight meets, will seek victory number eight against Lafayette. In the evening, Coach Emmerson's cagers encounter Earl Wentzel and his P.M.C. mates in pursuing their 19th straight home conquest. Coach Milt Roberts' lacrosse team is host to Swarthmore tomorrow afternoon in the field house and they hope to avenge a 16-6 drubbing administered last Saturday at Swarthmore.

While much praise and comment has been given to the starting five of the basketball team, little has been known until recently of the substitutes who practice night after night with the starters. Jack Ryan and Pete Kelleher, who were bench warmers much of the time during the first semester, are now included in the opening lineup. They have played more in the past four games than during all of the other 17 contests. Both have performed very well from the scoring standpoint with Pete hitting for 46 markers and Jack swishing an even 60 points as of this writing. Their big night's were against Ursinus when Ryan dropped 19 points and Kelleher caged 13 points. Don Miller is another starter this semester who was a reserve earlier in the season. His clever floor work and canny jump shots have been very instrumental in recent victories. Tim Chilton, 6'3" forward has proved to be a valuable spot player. He has hit on six of nine shots attempted for the highest average on the squad, and he also grabbed a number of rebounds in the Ursinus game. Tom Oves, Jim Money-maker, and John Tuley, all new-comers to the squad, have formed a valuable reserve trio. Oves made five vital points in the close win over Swarthmore, and Tuley gathered in eight rebounds against Ursinus. Jim Money-maker has displayed fine floor work and an accurate two-handed set shot.

Coach Bob Sieman's baseball aspirants are presently working out in Carpenter Field House. Approximately thirty-five candidates are bidding for starting positions. After the basketball season is over, Matt Lamkin, Ed Morrow, and Don Miller will be bidding for jobs on the Blue Hen nine. Charlie Rodriguez, who is now a wrestler, also will be a candidate. Capt. Chuck Abrahams, Jim Moyenkaker, Frank Serpico, Jim Meyer, and Lew Wright are among the returning veterans from last year's nine. Pitching hopefuls include Dave Woodward, Bill Jones and Duke Evans, along with several others. An ambitious twenty-three game schedule is set for this year, including games with Navy, Villanova and several outstanding service squads.

Rebounds: Tom Schultz, undefeated heavyweight wrestler, needs only a decision against his Bucknell opponent tomorrow to break Jim Michael's record of 33 points for one season. Dick Saunders set a new Carpenter Field House high jump mark with a leap of 5'10". Art Mayer established a new pool record for the 100 yd. back stroke with a clocking of 1:03.

Trackmen Down Teachers, 59-54

The hard-working Blue and Gold harriers turned in an excellent performance by downing the teachers of West Chester in a practice meet to the tune of 59-54. Both teams performed particularly well, but Delaware completely outshone the Pennsylvania teachers in the shot event as Butcher, Hunter and Graham placed respectively.

The mile relay team consisting of Holcomb, Flynn, Mulcohy, and anchor man Baylis came out of a nip-and-tuck battle with an impressive five points; this win coupled with the nine points received from the iron ball event gave us an impressive fourteen points to their none. However, W. C. had managed to come in first in a few other events, resulting in a nearly even score at the time of the final event, pole vaulting. The Hens needed a man to place at least second to win. In answer to the need were both Harper and Miller with some fine vaulting.

Box Lacrosse Team Meets Swarthmore Here This Saturday

Delaware's unofficial box lacrosse season got underway last Saturday, February 21, when Coach Milt Roberts and his Blue Hen stickmen journeyed to Swarthmore where All-American Bunky Blake & Co. gave them a rather unpleasant welcome. As events turned out the Henmen were handed a sound drubbing, 16-6. However, all should not be chalked up to loss because the box-lacrosse season will act as a regular season warm-up for the Robertsmen, who are working out in the dirt-floor field house on Tuesday and Thursday evenings.

Headed by Capt. Jack Kinter and 1952 All-American Honorable Mention Goalie Pat Morris, the Hens will present a strong lineup for this spring's regular campaign. Varsity men will include Dick Thomas, Wayne Kirklin, John Fernandez, Frank Goeakler, Flrk Banks, John Pedersen, Fred Brown, Larry Ottman, Dick Garrett, Hugh Martin, Jim Schaubel, and Norm Williams. In addition, the squad will be strengthened by the return of Boyd Cook, defenseman of 1950's fine team, and Bill Gurney, ineligible last year. Coach Roberts will be assisted this season by Henry (Penny) Morris, 3-time winner of 1950, '51, and '52 lacrosse teams.

For those of you who have never had the pleasure of seeing a box-lacrosse game, there is a special treat on Saturday, February 28, when Swarthmore invades the dirt-floor hangar for a return engagement. They say this Blake is a terror; so be sure not to miss a great All-American in action. Game time is 2:30, chairs will be provided.

Blue Hen Of The Week

Charlie Presnell, Delaware's Middle Atlantic diving champion, put on another one of his classic performances on the Taylor Pool spring board last Saturday afternoon to thrill the campus swimming fans who turned out to see the Hens swamp Temple, 65-19. The chunky Junior from Pennsylvania, N. J. once again grabbed top place among the divers by running up a total of 83.3 points. Because Charlie has been reeling off first places in the diving department with almost monotonous regularity all season long for Hen coach, Harry Rawstrom, most recently against the Owls last week, this agile athlete draws our vote for BLUE HEN OF THE WEEK.

There's a unique twist behind the Presnell story. Although diving ever since he can remember, he never competed in either that event or swimming while in high school, picking most of it up instead during the summer. Upon coming to Delaware, he became the number one diver on the Frosh squad, winding up as the most outstanding freshman diver in the Middle Atlantics that year. He finished second or runnerup as a sophomore in league championship competition, just barely being nosed out by a collegian whom he'd beaten during the regular season. But last year Presnell emerged as king pin among MACSA divers and appears likely to repeat again at the conclusion of this campaign. Since he will be ineligible next winter after finishing out this sea-

son's meets, Charlie may serve as sort of a coaching aide to Rawstrom in his final year at Delaware. A switch from a major in Physics to Mechanical Engineering will necessitate an additional two terms of college for this diving ace, who originally was enrolled in Class of '53. Charlie's a member of Sigma Nu, A.S.M.E. and is a representative to the Engineering Council. He is also Head Waiter at Commons Dining Hall. During the summer, Charlie and Jerry Dodgen, a swimmer friend from Rutgers, stage exhibitions of clown diving at summer resorts. All of which goes to prove that diving isn't always a serious business to Charlie Presnell, diver extraordinaire and this week's BLUE HEN.

New Castle Wins

(Continued From Page 1)

schoolhouse was portrayed in song received the applause of all. Sussex Hall, sharer of third position, won credit for their musical characterization of the four seasons of the year, plus a one-act play. The other third place contestant, Warner Hall, was the sole participant to receive distinction on the basis of drama.

Bobbie Baker, Margie Woodward, and Roberta Sloman served as co-chairmen for this, the fourth annual playbill. The 1953 Intermid Playbill, as evidenced by the large attendance and the spirited competition, is acknowledged as being among the finest of those yet presented.

Hens Cop Thriller In 17th Home Win

Delaware tripped up the Drexel Dragons last Saturday evening to the tune, 63-61. The contest which was played at the Field House was a thriller from start to finish.

With Ray "Skip" Crawford providing the old spark with 24 points, the Blue Hens hung up their 17th straight win on our courts. The triumph gave the Blue and Gold at least a tie for the Middle Atlantic Conference, Southern Division basketball title.

The home team held a 14-13 edge at the end of the first quarter; however, the Dragons managed to grab the lead by halftime 33-29. In the third period, Crawford dumped 13 pointers, and the Hens were out in front 52-45. Matt Lamkin put the game on ice for Delaware when he converted a foul in the last few seconds of the contest. The Hens also made a good showing for themselves on February 18 when they downed Swarthmore College 60-56. With Skip Crawford again taking scoring honors with 23 points, Delaware proved they had the stuff in the third quarter by coming from behind to gain the lead and hold it. Delaware faces PMC tomorrow evening at the Field House. Game time is 6:45. Let's get out and cheer our Hens on to the Conference title!

Hen Mermen Face

(Continued from Page 4)

Fred Freibott. They swam the distance in exhibition last Saturday during the meet with Temple.

In that meet, Delaware took every first place to defeat Temple 65-19. Lorin Krusberg took two firsts in the 220 and 440 yd. freestyle with times of 2:24.9 and 5:28.2, respectively. Jack McDaniel upheld the final leg of the 300-yd.

medley relay and won the 150-yd. individual medley in a great race. Bob Wagner and Art Mayer turned in the usual good times leading up to the Middle Atlantics.

While swimming in the 300-yd. relay, Art Mayer broke the Delaware pool and Delaware team record in the 100-yd. back stroke with a 1:03.7.

300-Yard Medley Relay—1. Delaware (Art Mayer, Bob Wagner, Jack McDaniel); 2. Temple (Lou McFadden, Lou Lavar, Martin Hoffman). 3:20.8.
220 Freestyle—1. Lorin Krusberg, Delaware; 2. Malcolm Scott, Temple; 3. Bill Reynolds, Delaware. 2:24.9.
50 Yd. Freestyle—1. Dick Goodley, Delaware; 2. Ed Torsa, Temple; 3. Ted Zut, Delaware. 0:25.4.

150 Yd. Individual Medley—1. McDaniel, Delaware; 2. Bob Bernhoff, Temple; 3. Bill Perkins, Temple. 1:59.7.

Diving—1. Charles Presnell, Delaware; 2. Howat, Temple; 3. Bill McKinley, Delaware. Points 83.3.

100 Yd. Freestyle—1. McKinley, Delaware; 2. Goodley, Delaware; 3. Torsa, Temple. 0:59.2.

220 Yd. Backstroke—1. Mayer, Delaware; 2. Zut, Delaware; 3. McFadden, Temple. 2:23.7.

200 Yd. Breaststroke—1. Wagner, Delaware; 2. Tony DiMaio, Delaware; 3. Lavar, Temple. 2:23.3.

440 Yd. Freestyle—1. Krusberg, Delaware; 2. Reynolds, Delaware; 3. Scott, Temple. 5:28.2.

400 Yd. Freestyle Relay—1. Delaware (Goodley, McKinley, DiMaio, Presnell); 2. Temple. 4:07.5.

Intramural Highlights

By FRED BROWN

The intramural basketball season was prolonged another week as the round-robin playoff series ended in a deadlock. Play was resumed Monday night with Brown Hall and Sigma Nu meeting each other. The winner of this game played P. B. C. surprise winners over Sigma Nu, in the final games on Friday.

In last week's encounters, Sigma Nu dumped a very stubborn Brown Hall team 60-44. The score hardly indicates the closeness of the game. Brown Hall led 28-24 at half-time, and it wasn't until midway in the fourth quarter that Sigma Nu managed to pull away.

Rebounding on Tuesday, Brown Hall downed P. B. C. in a thriller by a 43-41 count. But the P. B. C. aggregation upset Sigma Nu in a rough and tumble affair by a 42-39 score to throw the tournament into a three-way tie.

Intramural swimming is now entering the picture. All teams or individuals who desire to enter the swimming this year must attend a "scratch" meeting to be held in Recitation Hall, Room 20, at 6 p. m. on March 3. The swimming meet will be held at 7:30 p. m. the same night.

NOTICE

Found: A pair of ladies gloves. Can be obtained at room 313, Hullihen Hall.

Only Time will Tell...

Only time will tell about a promising singer! And only time will tell about a cigarette! Take your time...

Test
CAMELS
for 30 days
for **MILDNESS**
and **FLAVOR!**

THERE MUST BE A REASON WHY Camel is America's most popular cigarette—leading all other brands by billions! Camels have the two things smokers want most—rich, full flavor and cool, cool mildness...pack after pack! Try Camels for 30 days and see how mild, how flavorful, how thoroughly enjoyable they are as your steady smoke!

More People Smoke Camels THAN ANY OTHER CIGARETTE!

Campus capers call for Coke

He's a "heavy" in the play,
but short on time.
Busy students need quick
refreshment. That's
where Coca-Cola comes in.

When Grover talks to his dreamboat—something clicks

A call from Dreamboat always clicks with Grover. And an Automatic Message Accounting machine has been clicking too—down in the telephone office—busily punching impressions on a paper tape.

You may be interested in what this ingenious recorder does. It keeps track of what telephone number you called, how long you talked, and records this information in such a way that another machine can automatically prepare a monthly bill.

The development of this new automatic accounting machine is the result of team-

work by Bell Telephone Laboratories, Western Electric and the telephone companies. Telephone people working on this and other interesting and important projects were in college just a short time ago. Perhaps you'd like to join them.

Your Placement Officer can give you details about employment opportunities in the Bell System. Or write to American Telephone & Telegraph Company, College Relations Section, 195 Broadway, New York 7, N. Y., for a copy of the booklet, "Looking Ahead."

Bell Telephone System

SHOCKING! By BATTERY

Well, vacation is over—almost over my dead body. Most people became sack out artists—I know I did. I hit that bed for many a long hour after many longer hours out with... well, never mind who I was with, just pass me the bromo. I enjoyed every minute of the few quick days—until Saturday morning that is... I needed a doc then—That punk, I had an A average on tests, a B average on quizzes, and an A average in lab, and all I get out of the course is a B. He doesn't give a darn who passes and who does A work. I'll never take another course from him. "Hey, Joe!! What kind of Index did you get?" "Oh, I choked up in a few courses but I managed to get a 3.56."

"Dad, give me a dime."
"Not today, sonny, not today."
"Dad, if you'll give me a dime, I'll tell you what the iceman said to mama this morning."
"Here son, quick—what did he say?"
"He said, 'Lady, how much ice do you want this morning?'"

He: Only a mother could love a face like that.
She: I'm about to inherit a fortune.
He: I'm about to become a mother.

"Did you hear about the big dinner party?"
"No, what happened?"
"The hostess chose a cerise dinner dress with a low oval neckline for entertaining."

"And another thing," shouted Mr. Buller, "you led me to believe that you were a young chick when we were courting, you old hen!"
"Well, you certainly got to give me credit for getting a worm," she retorted.

She stepped out of the tub and onto the bathroom scales. Hubby came in the back door, walked past the bathroom door, observed what she was doing and inquired: "How many pounds this morning, honey?" Without bothering to look around she answered: "Fifty, and be sure you don't leave those tongs on the back porch!"

A gold-digger had died and all her worldly possessions, including a parrot, were being auctioned off. "What am I offered for this beautiful bird?" said the auctioneer.

"One bean," bid a bystander.
"Two bucks," roared another.
"Make it five, Daddy," croaked the parrot, "an' I'll give you a kiss."

A Scrounge tip—
"Can't play the uke,
But I'm a whiz at the juke."

Creative Writing Contest

(Continued from Page 1)

prize. The contest committee reserves the right to withhold awards in any field where no entries meet the standards of the judges. The prizes, books bearing plates with the seal of the University and the student's name, will be presented at the annual Honors Day program in May.

Rules for the contest are as follows: (1) Manuscripts must be typed in triplicate on regular 8½ by 11 inch paper; (2) manuscripts must be accompanied by a title page bearing the title of the work, the author's name, and the author's post office box number; but the other pages of the manuscript must be left unsigned; (3) manuscripts must be received by the contest committee on or before March 27; (4) manuscripts must be delivered to Room 314 Hullahen Hall.

The contest committee is comprised of Mrs. Sara B. Rogers, Mr. David Green, and Mr. Edward Hungerford, all of the English Department. Judges for the contest will be announced soon.

Sommer Announces

(Continued from Page 1)

only woman lecturer in the series. Miss Dresser is considered the leading authority on 17th and 18th century New England painting. Her topic, scheduled for April 28, is "Painters and Their Patrons in Colonial America."

The final speaker in the spring series is Minor Wine Thomas, Jr., director of craft shops at colonial Williamsburg. His subject will be "The Archaeology of Colonial Williamsburg."

Mr. Thomas was born in the Shenandoah Valley of Virginia in 1917 and came to Williamsburg when he was a year old. He attended Williamsburg schools and was graduated from the College of William and Mary in 1938 with a degree in chemistry. He joined the staff of colonial Williamsburg as archaeological assistant, to develop procedures for the cleaning and preservation of materials discovered through excavation.

In his present position as supervisor of the craft shops, Mr. Thomas is in charge of the development of new shops, interpretative techniques, and display items. A special assignment turned over to him was the purchasing, furnishing, assembling, and cataloging of the gear for the Powder Magazine, the octagonal arsenal which has stood on Market Square since 1715. Among his other responsibilities are the Archaeological Museum and Laboratories. All articles dug up in excavation are submitted to him for identification and processing.

Season tickets for the series may be secured by the general public for \$7 each by writing to Mr. Gordon Godbey, Associate Director, Division of University Extension, Hullahen Hall, University of Delaware, Newark, Delaware.

Hall for its outstanding school spirit. The idea of awarding this plaque was originated by Ann Catts, '52. Ann turned the plaque over to Women's Affairs to award in future years. Women's Affairs felt it fitting to name the plaque the A. B. Catts award. No definite point system has been set up, as the committee felt that an outstanding dormitory could be judged by the entire Women's Affairs Committee. If no dormitory is judged as outstanding, the plaque will not be awarded for that year.

Student Union

Efforts are being made to arrange a street carnival to raise money for a new Student Union Building.

Freshman Elections

Nominations for freshman class officers will be made at the class meeting.

A committee of Joan Greenfield, Bobbie Martin, Dave Mense, Ann Ferguson, Cynthia Fiery, and Pete Runkle were appointed to investigate the possibility of changing the constitution in respect to freshman elections.

Greek Column

Theta Chi

Congratulations to newly initiated brothers Hagerty, Miller, Farone, Yokols, Oves, Murray and Meyer. We would also like to congratulate all new pledges of Theta Chi.

The Alumni Board of Directors have decided to purchase Red Man's home. This is subject to the approval of the general alumni. The new house will be ready for occupancy next September. We have now achieved our long-sought goal.

Heard on Quality Hill: Brothers "Baker" Sullivan and "Horse" Fizzano were somewhat affected by the movie "Mississippi Gambler." Bernie "Farouk" Janicki and harem will abdicate to Florida for spring vacation. Gyetvan and Murray have established a date agency. Anyone interested call the "Barrel House."

ROTC FLASH. "Globe" Heilig, after consultation with "Bertha" Parker, has been transferred to the x-ray division. Also Joe "Flappers" Miller is planning to fly "Gungo" Colonna on a tour of Europe this summer.

Recently pinned are Jack Messick to Miss Sue Robinson and Al St. Clair to Miss Martha Murphy.

Sig Ep

Chairman Dick Hughes led the house through a very successful rushing season. He gets this week's gold star for a great job.

Saturday's party turned out to be one of the year's best, and one of the reasons for this was the fine entertainment put on by "Bonus" Idell, "Smokes" Di Sabitino, "Twig" Cramer, "Willard" Haines, "Itch" Clouser, "Sud" Tigue, "Gums" Pelligrine, and "Punchy" Wood. You're great actresses, girls, but the room's a wreck.

Two past chapter presidents turned up at the party, but that isn't unusual for Dick Di Sabitino and Tom Walker. They seem to make them all. But then we have so many past presidents, there's bound to be a few at every party.

Brother Tulley is doing a fine job on the basketball teams despite what pledge Miller says.

Newest members of the "clean living wins" club are "Muscles" Ritchie, and "Cu Ball" Vallar. "Glob" Roseberry is not a clean liver, at least he still isn't winning.

Delta Tau Delta

After a somewhat hectic two weeks, the atmosphere around the house has, to coin a phrase, "returned to normalcy." The long meetings were tiring, but take it from the author, who went through his first rushing, they were fun. But that is all past, and the order of the day at the Delt house is back to the books.

Our party Saturday night was a great success. Everybody likes to see his name in print, so here we go: Jack Pollack, Merry Burford, Bob Hastings, Nancy Kroeger, Tom Mulrooney, Mary Lou Bice, Willis Hoch, Lucy Lashar, Dave Menser, Edie Evans, Wendy Wheatly and Shirley, Bob Wagner, Louise Ferdun, Diz and Tracy, and names ad infinitum.

We played host to royalty at the party. King Edward in the shape of a cigar came with Glenn Dill whose wife Dolores, had a baby girl Saturday morning.

Last Wednesday, Brother Art Eglington was elected president, and Diz Day as vice-president. Best of luck to both of them.

Sigma Nu

By the time this article is in print, there will be some new faces around the Snake Pit, but right now let's check up on some of the "personalities of the past."

Bob Wilcox and Tom Bratton have founded an associate chapter at Salisbury State Teachers down on the Eastern Shore, while John Loomis and Don Willenborg stand ready and willing (?) to serve their

country. (All four left due to a strange internal upheaval within the university noticeable periodically in January and June.)

The swimming team, headed by Co-captains Art Mayer and Charles Presnell are winding up a very successful season, as are the wrestlers headed by Captain, and Middle Atlantic Wrestling Champion, Tom Shultz. The track squad, under Captain Don Vane and the lacrosse team, under Co-captain Jack Kinter have been through their first tests.

The intramural basketball team is still in the midst of the league playoffs, without the services of Jim Moneymaker who has joined the varsity. Saving face for Loom, Jim?

Alpha Tau Omega

Last Wednesday night the election of new officers was held, and the following men will hold office for the next year: William Phillips, Worthy Master; Grant Lowe, Worthy Chaplain; John Pugh, Worthy Keeper of the Exchequer; Reading Pollit, Worthy Keeper of Annals; Van Dyke Pollit, Worthy Scribe; Robert Jamison, Worthy Usher; Frederick Werner, Worthy

Sentinel; and Thomas Hopkins, Palm Reporter.

We all wish to express our sincere thanks for a job well done to our retiring officers and extend our congratulations and best of luck to the incoming officers.

Congratulations are also in order for our new pledge class. We're glad to have each and every one with us and wish them the best of luck as pledges of ATO.

Pi Kappa Alpha

Well, the rushing season is over, and all the Pi Kaps are back at the books.

Pete Peffer was back at the house last Saturday night for some of his old tricks. Hypnotized Herb Heyle and Diz Downham, he did. Ole Herb ate a lemon and thought it was an apple. Diz looked like he didn't have any thoughts at all.

Congratulations are in order to Pledge, soon to be a brother, Steve Butcher, since he took first place in the shot putt at the track meet Saturday.

Six of the Pi Kap pledges were initiated this week. Quite a few of the six have been aiming for the brotherhood longer than they can remember and are quite de-

lighted over the prospect of not having to clean the house any more. Just in case something happens—such as a flunked pledge test, no names will be mentioned here.

Question—what new brother was seen scrubbing floors and washing dishes at what girl's house last Saturday night? I know, but I ain't tellin'.

AEPi

With shrieks and shekls and "Allah be praised!" Quality Hill resounded with AEPi's second annual Harem Party last Saturday night. With such eminent guests as King Farouk Jacobs, "Bubbles" Goldfarb, and Christine Jorgenson, the Arabian league thoroughly enjoyed itself. Guests of the Apes were rushees, their dates and Alfie and Ellie in a wicked costume.

Next "bristling" on the social calendar is the "Buccaneer's Brawl"—enuff said.

Celebrating their acceptances to Jefferson Medical College of Philadelphia were Joe Glick and Larry Cooperman—with Phyl Sklut and "Itz" Itzkowitz—theater et al last Friday.

Taking to the wild blue yonder

Sunday afternoon were Carl Gold- enberg, Harriet Lewis, Moss (with- out Duchess), "Cooperman," "Itz," and "Sklut"—all piloted by the silver-winged fly-boy, Harvey "Hor- atio" Porter. (He can do any- thing.)

KA

The big house party last Satur- day ended the 1953 rushing season in a big way. Seen in the "obby" entertainment were such celeb- rities as "Lord Gil" Farrow and Uncle Billy Saunders. Every one on the campus is talking about that "crazy" music rendered by the Kaps, mainstay by Judge Mc- Whorter on the tuba.

Our sympathies go to Brother Posteles, who, after visiting the K.A. chapters at Johns Hopkins and Washington College, met with an auto accident. We are afraid that Bill's dreams of breaking that 150,000 mileage mark with the old Chevy have been shattered. You can't mess with the big boys, Bill.

Our congratulations to Brother Swain on his planning of petite Cynthia Fiery.

Nothing no, nothing beats better taste

and LUCKIES TASTE BETTER!

Cleaner, Fresher, Smoother!

Ask yourself this question: Why do I smoke?

You know, yourself, you smoke for enjoyment. And you get enjoyment only from the taste of a cigarette.

Luckies taste better—cleaner, fresher, smoother! Why? Luckies are made better to taste better. And, what's more, Luckies are made of fine tobacco. L.S./M.F.T.—Lucky Strike Means Fine Tobacco.

So, for the thing you want most in a cigarette... for better taste—for the cleaner, fresher, smoother taste of Lucky Strike...

Be Happy-GO LUCKY!

A model sleek and debonair—Knows well just what she likes—For cleaner, smoother, fresher taste, She chooses Lucky Strikes!

John J. Knobloch, Jr.
University of Pittsburgh

COLLEGE STUDENTS PREFER LUCKIES IN NATION-WIDE SURVEY!

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

Alumni Notes

(Continued from Page 3)

whom they may well be proud. Remember Ernie Metnett of '48. Here's a quick run-down on the lad: Civil Engineer, Football player, winner of a 4.0 index, World War II Veteran in the European Theater and holder of the Silver Star. Ernie and his wife, "Winkie" are the proud parents of a daughter. Good luck to a good guy.

Chuck Canterra, KA of the class of '49, now Pfc. Canterra, is about to depart for Austria with the Army of Occupation. He's "jumping-off" from Camp Kilmer after basic training at Fort Knox.

Remember Romeo Jim Holden, the track star who graduated in '49? Jim has been leading an active life since he left the cloister. After two years in the Army he returned to Wilmington and started working for Gordy and Sons. He has recently returned from a two-week skiing trip(?) to Montreal. The reason for the note of doubt as to how he spent his Northern time is the gleam in his eye when he says, "Had a veerrrry flinne time." Can that gleam have been caused en-

tirely by snow-covered slopes?

Bob Campbell, World War II Air Force Captain in Europe, is working in his hometown, Greensboro, N. C. Bob is one of the former guiding hands of the Blue Hen Grid.

The smokers last week brought many Alums back to our campus. KA drew Bill Utt, Udell of '52 and basketball Captain in his senior year. He is now a working guest of Sammy by invitation of ROTC, stationed at the Edgewood Arsenal. He came for the smoker and stayed for the houseparty. Must have gotten sick of the Arsenal. Well, we always said the KA was the place to come for a quiet (?) evening.

Elbert Palmer also navigated back to the KA menage this weekend. A grad of '47, the former KA is now working for Delaware Rayon in New Castle.

Lee Stein, the '52 KA biology major, is now stationed at the Army Chemical Center in Baltimore. Dat Boogie Man ROTC done got 'im and he is now a model Second Looie.

Dick Evans, a Delt transfer from Englewood, N. J. is teaching in

Laurel HS. Maybe he is training his students to follow his example of Varsity Basketball for three years.

Here are two from the Sig Eps: Tom Walker, commonly known as "Seed," an ex-prexy, is now serving with the paratroopers. Dick deSabatino, another ex-pres, is on his way to Japan.

Stumpy Harris, captured by ROTC, is now a Second Looie stationed at the Phila Air Base. An ex-KA, Stump played intra-mural football and basketball. The KA Vice-Prexy married Elen McQuaid of the February Class of '52 and the Hariss' will be proud parents come Spring.

Reviewing The Review

(Continued from Page 2)

Varsity Hour Program on March 1. TWO YEARS AGO:

Perkins: No Reds On Delaware Campus . . .

President John A. Perkins, dur-

ing an interview on the "May We Quote You" program on WDEL-TV, declared that "we will not tolerate communism on our campus," and added, "so far as I know there is no communism on the Delaware Campus." The president then went on to discuss the university's budget program as presented to the General Assembly. He concluded that the university does not "seek to grow for the sake of growth; we have no pride in numbers. We propose an educational program that fits the needs of the State of Delaware."
