Mr. J. Heineman

Dear Dannie:

With reference to my letter of the other day concerning my trip to New York, I have made arrangements to leave here on January 9 at 11:00 A.M. by the Pan-American Airways for Houston, where I shall arrive about 3:00 P.M., January 9.

As the weather seems to be bad and as this time of the year it is almost more certain not to have delays by train than by air, and as Marion prefers me to travel in the weather by train, I am going from Houston to New York by train.

I will stay at the Hotel Rice in Houston the night of January 9 and will leave Houston for New York on the morning of the 10 January. I am not able to say by which railway I will be leaving Houston as this depends on the through accommodation I can get from there but in any event whatever railroad I leave on, I should be in New York on the morning of the 12.

I would appreciate it if the office will arrange for a room and bath for me at the Ritz Hotel.

I look forward very much to seeing you all. I am very busy these days which accounts for my lack of letters to you and in any event I can tell you about developments better when I see you than by letter.

In view of the fact that the weather is so bad, I am hoping that Jimmy has not started out on the trip down here in the car. It is really not so important that he be here when I am away and if it suits him better it is entirely adequate for me. He plans to be here by the time I get back.

I look forward very much to seeing you all and Marion joins in love and good wishes to you and Hetty and all the family.

Cordially and faithfully yours,

GSM/KMB

George S. Messersmith.
