NUMBER 18

## Sunday, the Third A Day of Prayer

### Governor Issues Proclamation to all Churches

Governor Townsend on last Wednesday issued the following proclamation, setting forth Sunday, June 3rd, as a day of prayer and meditation:

Nations drenched in blood, Brotherhood of Man a shattered theory, Ideals of Calvary struggling for existence, the ends aimed at for God, and Humanity lost in the smoke of conflict, this Nation, by right of its history and what it represents, enters solemn protest. We would ill represent America and the principles upon which it was so nobly founded, and so gloriously defended, if we stood longer aside. With this in the Nation's mind, recognizing our duty to Right and Justice, we have declared our all against this onslaught on Civilization.

As we enter into this struggle, it is only fitting that we pause a moment in prayer and meditation. Steadfast in the belief that an All Wise Providence rules finally in the Courts of Men and the destiny of Nations.

I, John G. Townsend, Jr., Governor of the State of Delaware, do hereby designate that

#### SUNDAY,

the third day of June, shall be known and designated as  
**A DAY OF PRAYER AND MEDITATION**

and do request that this day be observed by all churches and religious organizations in this State by some appropriate service. And further, that we again take increased devotion to the principles so conceived and maintained by those who gave us this heritage of Liberty and Freedom; and that we again, in our day, with renewed courage, highly resolve, that this Nation have a new birth of Freedom and that our ideals shall not perish from the earth.

### Children's Day Next Sunday

Children's Day will be observed next Sunday in the Presbyterian Church. Services at 11 a. m. will be under the charge of the infant and junior departments of the Sunday School and will consist of songs, duets, choruses, recitations, and exercises. At 4 o'clock in the afternoon the young people's choir will present a program of children's day classics with the scriptural references to each song.

### Receives Captain's Commission

H. V. Cory, poultry husbandryman at the Delaware College Experiment Station, has received a commission as captain in the quartermaster's section of the reserved officer's corps. Mr. Cory has not yet been assigned to duty.

### "OLD DRAWYERS" DAY NEXT SUNDAY

#### Prominent Speakers Announced By Committee

The twenty-first annual reunion of the "Friends of Old Drawers" will be held next Sunday, June 3rd, at the historic old church near Odessa. At each succeeding reunion the crowds grow larger and since the automobile has reduced distances the crowds have taxed the capacity of the church and grounds. Should stormy weather interfere the reunion will be held on the next clear Sunday. At the meeting last year automobiles from ten states were on the grounds, and all the owners were former Delawareans.

One of the principal speakers this year will be William A. Day, president of the Equitable Life Assurance Society of New York.

## Five Minutes for Memory

"In the presence of these aged veterans of the Civil War, we pledge to this conflict, to make the world safe for democracy, our lives, our fortunes, and our all."

DR. H. F. RANDOLPH

### SAVE OLD PAPER AND HELP

#### About Two Hundred Fifty Enrolled In Red Cross

Membership in the Newark branch of the Red Cross has reached about two hundred fifty, it was announced today, in an informal statement made by the organization. At the meeting held at the home of Mrs. C. B. Evans last Thursday the offer of the firemen to give twenty-five per cent of the proceeds of the Carnival to the Red Cross Chapter, was accepted with enthusiasm. Miss Beck was appointed a member of the State Committee on the collection and Distribution of Food under the division for Comfort and Recreation for the soldiers. Every housewife in the State will be asked by this committee to give one jar of canned food, to afford an occasional appetizing variation from the regular soldier fare.

At the meeting it was decided to appeal to every citizen to save the news- and scrap-paper, in the homes for one month. This will be collected later. If the townspeople co-operate the plan will yield a substantial sum for the purchase of Red Cross supplies.

At present there are on hand, cut out, ready for distribution among volunteer needlewomen, sixteen hospital shirts, and a number of pajamas. Women willing to do their "bit" are urged to apply for work to Mrs. C. B. Evans.

#### Vacation Bible School

A movement is on foot to have a Bible vacation school in the Presbyterian Sunday School during the month of July. The plan is to conduct the school on the same lines as the public schools. The details are being worked out to accommodate scholars from 6 years of age all the way to adults. Classes and recitations will be held daily, except Saturdays, for four weeks, the instruction to be imparted by trained teachers. An invitation is extended to all the young to join the school. There will be no charge made for instruction or text books.

#### Grow Two Potato Crops

The Potato Association is urging greater attention to this important crop. The Ohio Experiment Station suggests the growing of two potato crops this year by planting a late crop after clover is cut or strawberries are picked, using sun-sprouted seed. At the Experiment Station such seed planted June 30th yielded nearly twice as much as ordinary cellar-stored potatoes planted on the same date. The Potato Association is promoting the use of various means to preserve our excess production in dry form so that the potatoes may be stored and carried over for years, if necessary, as a patriotic measure.

### NEW SEWER AD- DITION COMPETED

#### Accepted By Engineer For Sewer Commission

Smith and Ruggley, contractors, of Baltimore, have completed the construction of extension No. 2 to the sewer system which was accepted last week by E. G. Kastenhuber, of the firm of Kastenhuber and Anderson, Easton, Md., chief engineer to the Sewer Commission. This extension which takes in a section on Welsh Lane, the Women's College, and sections on Academy, Chapel, and Choate Streets, and includes an automatic pumping station on Chapel Street. Cost about \$11,000.

### Eighty-dollar Prize For Corn

The State Board of Agriculture has decided to offer an additional prize to encourage farmers to grow bigger crops of corn this year and will make the first prize \$80 instead of \$60 for the highest yield on one acre, provided that this yield exceeds the yield of last year, which was 116 bushels and 53 pounds.

### EXERCISES IN M. E. CEMETERY

#### Interesting Program Announced By The Committee

Formal Memorial Day exercises will be held on Wednesday, May 30th, in the M. E. Cemetery, at ten-thirty, under the direction of Reynolds Post, No. 29, G. A. R., J. B. Lutton, chairman of the committee. R. G. Buckingham will preside at the exercises. Schoolchildren will be present, and scatter with garlands the graves of the soldier dead. There will be patriotic songs, and an address by Dr. S. C. Mitchell.

### REGISTRARS APPOINT- ED IN EVERY HUNDRED

#### Receive Instructions At Purnell Hall

The New Castle County Board of Registration for Conscription has recently announced the registrars and assistants in each of the election districts of the county outside of Wilmington who will conduct the conscription registration on June fifth. Everyone of the registrars and assistants have volunteered their services free and many more could have been secured had they been needed. The board is carrying out its original plan of conducting the registration without any cost whatever to the Government.

In Purnell Hall, the Board's headquarters, last Thursday night, J. Pilling Wright, Dr. W. O. Sypherd, Dr. W. H. Steel, and William H. Evans, the members of the board, gave instructions as to their duties and swore in a large number of registration officers from several hundreds. The work of instructing the registrars was continued for the remainder of the week.

Dr. Sypherd, secretary of the Board, gives the instructions and answers questions that may be asked. The registrars and assign- (Continued on Page 5)

### ANNUAL BUSINESS MEETING ON FRIDAY

#### Banquet To Be Held At Hanna's

The annual business meeting of the Newark High School Alumni Association will be held in the High School building on Friday evening, June first, at 8 o'clock. Officers for the ensuing year will be elected. The annual reunion and banquet of the Association will be held at Hanna's Cafe, Wilmington, on Saturday evening, June ninth at 7:30. An attractive program is being arranged by the committee.

### Scouts Plan For Summer Camp

At the meeting of Troop 2 of Newark last Friday evening application blanks for the State Scout Camp were distributed. It is likely that a number of Newark scouts will attend the camp. Tenderfoot, First and Second Class badges were awarded and service stripes were also given out.

### Wheeler Scholarship Awarded

Mr. William T. Broughall, of 506 W. 14th Street, Wilmington, Delaware, has been appointed to the Robert Bayne Wheeler Scholarship in Delaware College for next session. This Scholarship was founded by Mrs. Robert Bayne Wheeler in memory of her husband. It consists of \$2,500, the interest of which is awarded annually to an aspiring young man to aid him in his course in Delaware College. Mr. Broughall is a member of the present graduating class in the Wilmington High School, where his ability and character have singled him out for this honor.

### DR. RHODES MOVES TO NEW STORE

#### Pronounced One Of The Finest in Delaware

Dr. G. W. Rhodes is moving this week into his new store building, adjoining the property just vacated. Although carpenters are still busy with the finishing touches, that the new store is to be one of the classiest in Delaware is apparent to everyone. The building which adjoins the college campus, is of brick, with an imposing front of ornamental stonework. Entrance vestibules, on either side of a large display window, lead to the store, a room 24x54, with hard wood floor, and mahogany finishings. Dr. Rhodes has installed an entire new equipment, attractive "silent salesman" cases, with all the modern touches, being features of the room. The walls are a white coat finish; the lighting is to be indirect, large brass reflectors throwing a soft glow over the entire storeroom. A fine new soda fountain has been installed which promises to afford excellent service for the growing trade of the summer months. The new fountain has a counter space of twenty-three feet, and is equipped with many sanitary devices unknown a few years ago. A confectionery department adjoins the toilet and first aid articles and rubber goods; on the right brushes, leather goods, stationery and college supplies. A cigar counter has been placed in the center of the store just back of the big window.

The prescription department, which is thoroughly equipped, has been carefully planned to lend itself to the most efficient work. A feature here of special interest to the uninitiated is the "double-decker" closet, which in compact form, holds 300 pint bottles. The closet, designed by Dr. Rhodes and Mr. Plumley, has within the outer doors a second set, on swinging hinges, both sides of which are equipped with shallow shelves for bottles. A basement runs under the entire building.

The second story is an attractive residence of six rooms and bath. French windows lead to the loggia, overlooking Main Street. Features of the living room are the attractive fireplace, of brick, laid in artistic pattern, and window seats. The room will be beautifully paneled, with ceiling board beams, in hard wood finish. This part of the building is not yet complete, however, and will not be occupied for several weeks. R. A. Whittingham, of Newark, is architect in charge; J. C. Willis, contractor and builder.

### GOVERNOR TOWNSEND TO VISIT NEWARK

#### To Be First Speaker In Wolf Hall Auditorium

Governor John G. Townsend, Jr., will address the people of Newark on Sunday, June 10, at 11 o'clock in the auditorium of Wolf Hall on Delaware Avenue. This will be the first address of our present Executive in Newark and this will be the first time that the new auditorium will be used by the College. It is felt that all the people of Newark will be glad to have a part in this event.

The finishing touches are now being put upon the auditorium, which is beautiful in every detail. This room is destined to be of great service to the community, as affording a suitable place for various public meetings and for hearing addresses from distinguished visitors.

The visit of Governor Townsend will mark the incorporation of the new campus into the life of the College and community. His presence will therefore, have an historic significance and it is taken for granted that he will be greeted by a large and enthusiastic audience at that time.

### Bottle Law Repealer Argued

Chief Justice Pennell and Associate Judges Boyce, Conrad, Rice, and Heisel on Friday heard argument on the case stated by Attorney General Reinhardt and Philip L. Garrett as to whether the Bottle Law Repealer applies alike to existing and new licenses. The act became effective when signed by the Governor and the Court is asked to say whether it was meant to be retroactive. Decision was reserved and will likely be rendered on June 12 to which date the Court was adjourned.

### YEAR'S WORK ILLUSTRATED

#### Interesting Exhibits At Women's College

Many visitors were attracted to the Women's College on Friday of last week, the occasion of the spring exhibit of the work of the students in the Home Economics Department. Formal exercises followed the view of the exhibit, when prizes offered by the State Grange were awarded. Tea was later served in the practice dining room.

The exhibit this year was varied and unusually interesting. There were a number of pleasing silk dresses, a dainty net, and a neat linen; there was also a display of hand-made underwear, and a large exhibit of hats. There were hats of all types—sport and dress, straw, silk and lace, all neatly made in the style of the season.

An interesting exhibit was that prepared by Juniors under the direction of Miss Powell, showing correct house furnishings, and furnishings in bad taste, by means of mounted illustrations. The girls first selected the seven room house, a mounted picture of which pre-faced the collection, the type of house regulating the furnishings that would be appropriate. The cards included living room, dining room, bedrooms, washroom and kitchen. Magazines and catalogues had been ransacked in the selection of illustrations, which showed good taste in rugs, bad taste in rugs, good taste in wall papers, bad taste in wall papers, and so on through the house, including the various types of furniture, chinaware, curtains and silver.

(Continued on Page 5)

## 23 Graduates from Newark High

### Committee Announce Speakers

Members of the Senior Class, Newark High School, have issued invitations for their commencement to be held in the Newark Opera House on Friday evening, June eighth. Members of the class, with the subjects of their graduation themes follow:

Brita Buckingham, Shall Women Vote?; William Crossan, The Use of the Flying Machine; Margaret Doyle, What Patriotism Means to Me; Clarence Evans, The Silent Drama; Hattie Gray, John M. Clayton; Hazel Gray, Country Life Versus City Life; Eva Hall, Silent Influence; Gertrude Hill, America's Gift to the Nations; Conrad Lewis, Universal Training of the Youth for Military Service; Helen Leak, The Value of a Fixed Purpose; Adelaide Lewis, Our Town; Edgar Mackey, The Danish West Indies; Mae Pierson, The American Red Cross; Cleaver Price, The Atlantic Coast Defense; Anna Ritz, The History of Music; Joseph Rhodes, Child-Labor in Southern Cotton Mills; Emily Scott, The Ideal Home; Ira Steele, The United States Reclamation Service; Patience Thompson, Women and the War; Clarice Weller, Valedictory; Gertrude Willis, The Growth of Delaware; Sara Wilson, Salutatory; Florence Walton, Forestry.

Miss Sara Wilson will deliver the salutatory and Miss Clarice Weller, the valedictory. At a rehearsal before a committee comprised of Professor C. A. Short, Dr. T. F. Manns, and Dr. E. V. Vaughn, on Monday, Clarence Evans, Misses Helen Leak, Adelaide Lewis, Anna Ritz, and Patience Thompson, were selected as other speakers at the commencement exercises.

The annual baccalaureate sermon will be delivered by Dr. E. P. Roberts in the M. E. Church on Sunday evening, June third, at seven-thirty.

### EARLY ENROLLMENT AT SUMMER SCHOOL

#### New Courses Recently Announced

Two hundred applications for enrollment in the Summer School for Teachers, which opens at the Women's College on June 25th, have already been received by the management. Although students have been accepted previously up to the opening of the school, it is probable that this year there will be a limit to the enrollment. Four hundred can be accommodated. Among new courses recently announced is one in "Food Conservation," to be conducted by Miss Elizabeth Jefferson. Of special interest locally are the courses in grammar grade methods, to be conducted by Professor Koebler, recently elected principal of the Newark Public Schools. Mr. Koebler will give two courses, one in theory of grammar grade methods, and one based upon observation of class room work. Pupils of the Newark schools, from the ages of ten to thirteen years, who take summer work in the practice school will be given credit in the next school year. Miss Brust will also conduct a practice school in elementary work.

### Delaware Ready For Conscription

Delaware was the first State to report to the Federal Government at Washington that plans had been completed for the conscription registration, although it was announced in some newspapers that New York had this honor. After receiving reports from all four districts that all was ready for the registration, Secretary of State Everett C. Johnson telegraphed that information to Washington between 5 and 6 o'clock Thursday afternoon. It was 11 o'clock Thursday night when New York notified the Government that State was ready for registration.

## AN APPEAL TO WOMEN

Secretary of Agriculture Points out that in their Own Homes they can Aid the Nation's Army

The Secretary of Agriculture, in response to requests from many editors for a statement as to service women can render the Nation in the direction of producing and conserving agricultural products, has issued the following:

### To the Women of the United States

"Every woman can render important service to the Nation in its present emergency. She need not leave her home or abandon her home duties to help the armed forces. She can help to feed and clothe our armies and help to supply food to those beyond the seas by practicing effective thrift in her own household.

"Every ounce of food the housewife saves from being wasted in her home—all food which she or her children produce in the garden and can or preserve—every garment which care and skillful repair make it unnecessary to replace—all lessen that household's draft on the already insufficient world supplies.

"To save food the housewife must learn to plan economical and properly balanced meals, which, while nourishing each member of the family properly, do not encourage overeating or offer excessive and wasteful variety. It is her duty to use all effective methods to protect food from spoilage by heat, dirt, mice, or insects. She must acquire the culinary ability to utilize every bit of edible food that comes into her home. She must learn to use such foods as vegetables, beans, peas, and milk products as partial substitutes for meat. She must make it her business to see that nothing nutritious is thrown away or allowed to be wasted.

"Waste in any individual household may seem to be insignificant, but if only a single ounce of edible food, on the average, is allowed to spoil or be thrown away in each of our 20,000,000 homes, over 1,300,000 pounds of material would be wasted each day. It takes the fruit of many acres and the work of many people to raise, prepare, and distribute 464,000,000 pounds

of food a year. Every ounce of food thrown away, therefore, tends also to waste the labor of an army of busy citizens.

"Clothing is largely an agricultural product and represents the results of labor on the sheep ranges, in cotton fields, and in mills and factories. Whenever a useful garment is needlessly discarded material needed to keep some one warm or dry may be consumed merely to gratify a passing fancy. Women would do well to look upon clothing at this time more particularly from the utilitarian point of view.

"Leather, too, is scarce and the proper shoeing of armies calls for great supplies of this material. There are only so many pairs of shoes in each hide, and there is a shortage of animals for leather as well as for meat. Anything that can be done to encourage adults or children to take care of their shoes and make them last longer means that so much more leather is made available for other purposes.

"Employed women, especially those engaged in the manufacture of food or clothing, also directly serve their country and should put into their tasks the enthusiasm and energy the importance of their product warrants.

"While all honor is due to the women who leave their homes to nurse and care for those wounded in battle, no woman should feel that, because she does not wear a nurse's uniform, she is absolved from patriotic service. The home women of the country, if they will give their minds fully to this vital subject of food conservation and train themselves in household thrift, can make of the housewife's apron a uniform of national significance.

"Demonstrate thrift in your homes and encourage thrift among your neighbors.

"Make saving rather than spending your social standard.

"Make economy fashionable lest it become obligatory."

### Keep Your Soup Kettle Busy

Every professional cook knows that keeping a soup kettle busy is an essential economy. It should be used as a factor in reducing the high cost of living.

Many soups have meat stock or broth as a foundation. This can be obtained by purchasing the cheapest cuts of the animal with a large proportion of bone, such as the shin, the shank or the head. If the bone is cracked lengthwise the nutrition and the flavor can easily be soaked from the marrow in the center. The meat for soup making should be cut in bits and soaked with the bone for several hours in cold water allowing one quart to each pound of meat and bone. If a rich brown flavor is desired a small portion of the meat may be seared in a frying pan or over live coals before soaking. After the meat has been soaked, the kettle should be placed over a slow fire where the water will heat gradually and not reach boiling point. The liquid contains some nutrition and mineral matter from the soaking and as it simmers (not boils), more nutrition is

drawn out of the meat and bone. If this liquid then be strained and cooled it may be used as foundation stock to be seasoned as desired. One can prepare a large kettle of good soup stock at small cost. Part of it may be used for one meal combined with tomato juice, another part may be added to water in which celery rice or carrots have been boiled. Again we may find soup of this stock with rice, barley, noodles or macaroni floating in it. A bowl of such soup with bread and salad greens makes an appetizing luncheon.

The fat that rises to the surface of the stock on cooling can be utilized as the shortening for gingerbread, spice cake, molasses cookies or in frying vegetables, fish or cooked cereals. This reduces the butter bill.

When ordering a roast or any cut that requires trimming, have those trimmed pieces sent with the meat. If they are chunks of fat they may be tried out as drippings. If they are lean bits and bone they will serve as the beginning of good soup.

Watch your table waste, rinse with cold water all bones and bits

of meat left on the plates and add them to the soup kettle. Celery tops and vegetable parings can do good service as seasoning in the soup kettle and may be strained out with the bones. Any left over gravy or portions of cooked vegetables or cereals should be put into the strained soup to add nutrition, bulk and flavor. Let no edible cooked foods go to the waste pail or to be fed to lower animals when they may be used to advantage in the soup kettle. Don't fatten your waste pail and wish for a bank account.

Cream soups lend variety and aid in using the inexpensive food materials at hand. Skimmed milk may be utilized to advantage in this way. Water in which agreeably flavored vegetables have been soaked together with a small amount of the mashed vegetable may be combined in equal parts with skimmed milk. Meat fat (or butter) and flour in the proportion of one tablespoonful of each to every cup of liquid (vegetable stock or milk) will make a very nutritious and attractive cream soup. Where vegetables are scarce and expensive the outside covering, such as parings or pods can be cooked in a small amount of water and the liquid used as vegetable stock for flavoring and nutrition.

Stale bread crusts soaked in hot skimmed milk lend added nourishment and an agreeable flavor to vegetable cream soups. Fresh fish of all kinds may be combined with vegetables and skimmed milk in a fish chowder. This furnishes a meal in itself.

To be an efficient home manager one must keep the soup kettle busy!

### Attempts Suicide After Murder

After a quarrel at their home at Hickory Hill, near Lewisville, on Friday, Reuben Cole, aged 70, shot and killed his son-in-law, John McGinnis, aged 55, and then attempted suicide by taking poison. He was removed to West Chester jail and treated, and it was thought would recover. The authorities are investigating and it is likely that Cole, if he recovers, will be charged with murder.

### Hope To Save Child's Foot

While playing in a field on her father's farm, near Seaford, on Thursday, Edna, the six-year-old daughter of John E. Messick, fell in front of a mower. The blade struck her leg just above the ankle, nearly severing her foot. Her

father witnessed the accident and hurried with her to Bridgeville where Drs. Manning, Haynes and Knowles decided not to resort to amputation, hoping to save her foot.

### Lockjaw Fatal To Little Girl

Cora, the eight-year-old daughter of Frederick Bramble, of the Seaford section, died at the Cambridge Hospital on Friday from lockjaw caused by a wound in her foot in which she ran a rusty nail when she jumped off a fence about a week previous at her home. She suffered great pain the next day and her father took her to the hospital. Lockjaw developed quickly and she died in great agony.

Franklin J. Pearce, proprietor of the Buck Hotel at Summit Ridge, was fined \$50 and costs by Alderman Stevens in Middletown on Thursday for running an automobile while intoxicated. He was arrested on Wednesday and locked up for the night. He had been refused a drink at the Middletown Hotel and got a colored man to crank his car, leaving the yard by the rear entrance. Chief Hyard arrested him in the public square. At the hearing he denied that he was drunk but a number of witnesses testified to the contrary.

Frank Chambers, aged 25, and George E. Leonard, colored, were fatally injured on Wednesday by lumber sliding off a car which they were unloading at the American Car and Foundry Company's plant in Wilmington.

## HERE AND THERE

As shown by the annual report the Wilmington Teachers' Association's retirement fund now totals \$46,700.

Up to Saturday more than 11,000 members of the Red Cross had been enrolled in Delaware.

Wilmington bank clearings last week totaled \$3,063,874.38 against \$2,987,573.05 for the like week last year.

Joseph Marvel entertained the Rotary Club and about 300 Boy Scouts of Wilmington at his farm in Christiana hundred on Saturday afternoon.

Lindes & Co., of Philadelphia, who are seeking right of way for a trolley line from Wilmington to Dover and points farther south, on Saturday announced that the engineering firm of Emory & Eisenbrey, of Philadelphia, had started preliminary work.

It is reported that the John D. Stewart iron foundry in Seaford has been sold to Purse Bros., of Detroit, Mich.

Pleading guilty to bookmaking at the recent races in Wilmington, Harris, Mark and Louis Black, brothers, of New York, were fined \$150 each in the Court of Common Pleas on Saturday.

John Poore and Prestly Rose are held for Court at Dover charged with stealing automobile tires from Wilson Carson, of Smyrna.

Ernest Daniel is held for Court in Wilmington, charged with attempted felonious assault upon Edith Ragne, a 14-year-old girl.

Boy Scouts of New Castle are making a campaign this week to raise \$200 for emergency equipment.

Mr. Lewis Booker, of New Castle, enrolled in the Medical Reserve of the Army and has been ordered to report at Fort Oglethorpe, Ga., near Chattanooga, on June 1.

Alfred Booth, colored, employed on the Deemer property in New Castle, was slashed fatally, it is feared, across the throat by a colored trespasser on Saturday night. He was hurried to Delaware Hospital. His assailant escaped but two suspects were arrested.

Basket makers at Seaford struck on Friday for an increase of 70 per cent in pay.

The Wilmington Board of Health reports but one case of typhoid fever in the city at present.

Formers of the Ellendale section, it is reported, have organized and resolved not to sell their tomatoes this year for less than 25 cents per basket.

Jefferson Lodge I. O. O. F., of Wilmington, has decided to invest \$1,000 of its funds in bonds of the Liberty Loan.

The Wilmington Y. M. C. A.'s campaign for a War Relief Fund of \$25,000 was launched on May 21, with 38 subscriptions totaling \$6,792. It is proposed to raise a fund of \$3,000 throughout the country.

"Shooting" of an artesian well on Mrs. Eugene duPont's Estate, "Pelleport," near Wilmington, on Tuesday of last week by the use of 400 quarts of nitroglycerine, set off at a depth of 395 feet caused an explosion which was heard within a wide radius.

Thieves, early last week, robbed the meat houses of Paul Harris, in Indian River hundred, and of Ernest Warrington, near Bridgeville, stealing 100 pounds of pork from the former and all the salt meat and several cured hams from the latter.

The yacht "Lexington II," owned by Henry P. Scott, of Reybold, has been taken to League Island for conversion into a Government dispatch boat.

W. W. Marmadake, a Wilmington automobile dealer, has been designated as local representative of the Quartermaster General of the Army in recruiting automobile and wagon drivers.

Wilmington police will arrest all motorists who leave their cars standing in the streets at night without lights.

Fire, which started in Old Buck Swamp near Laurel on May 18, was not controlled till May 21, and destroyed or damaged about 50 acres of fine pine timber.

William A. Day, President of the Equitable Life Insurance Society, of New York, a native of Wilmington, will deliver the address at the annual celebration at Old Drawver's Church, at Odessa, on June 3rd.

Loins D. Gluckman, dentist, of Wilmington, has been commissioned first lieutenant in the Dental Corps of the army.

The late Morris Dunbar, a former sheriff of Cecil County, who died at his home near Elkton, on May 18, left his home farm and a dwelling at High and Church Streets, Elkton, to his son, Clinton, his farm at Iron Hill, and a double dwelling on Church Street, Elkton, to his son Morris, and another double dwelling on Church Street, Elkton, to his grandson, Ralph Dunbar.

Hitt & Brown, of Norfolk, Va., have received the contract for installing an electric lighting plant in Rising Sun, Cecil County.

Captain Julian C. Smith, U. S. M. C., a graduate of Delaware College, has presented a fine American flag to the Elkton M. E. Church, which was raised on May 20 by Joshua M. Ash and J. Polk Racine, Civil War veterans.

Dr. William D. Cawley, of Elkton, and L. G. Taylor, of Perryville, have been accepted for the Medical Corps of the Army and expect to shortly be ordered for service in France.

The first annual rally of the colored schools of Cecil County was held at Elkton on Friday and was an all-around success. About 600 pupils were in line and marched well to the music of two bands. School exhibits were shown in Providence Hall and athletic sports were held in the baseball park.

Members of Wilmington, Newark, North East, Perryville and Chesapeake City Councils of the Jr. O. U. A. M., visited Elkton Council on Tuesday evening of last week and witnessed conferring of degrees and enjoyed a banquet after the close of the exercises.

The wedding of Miss Ray Heydrick, of Bridgeville, President of the Delaware Federation of Women's Clubs, and Judge Walter A. Powell, of Kansas City, Mo., is set for Wednesday, June 6, at Bridgeville.

W. H. Tompkins has begun the work of laying out streets on the Peters farm at Marcus Hook and excavating cellars for 200 houses on the property. 300 houses are to be erected on the Cole and Lodge farms.

Robert F. Carpenter is lodged in Dover jail, charged with crushing the skull of Isaac Brown, a railroad section hand, with a blow from a shovel in an argument while at work between Woodside and Viola on Wednesday. Brown

was taken to a Wilmington hospital, where he died on Thursday night.

Walter W. Jacobs, of Smyrna, was one of the winners of twenty-one traveling scholarships for study in Europe awarded on Friday by the Pennsylvania Academy of the Fine.

Charged by Warden A. F. Dilaha with catching and offering for sale trout under ten inches in length, John W. Tibbett, William Jackson, James H. Thompson and Willis Johnson, fisherman, of Bowers Beach, were fined by Justice Wharton, of Dover, last week, the two former \$5 and the two latter \$10 each.

Hot Drinks and Sandwiches. Egg Drinks and Milk. Ice Cream and Ice Cream Sodas the year round.

A Full Line of Sunshine Biscuit and Cakes

## MANUEL PANARETOS

NEWARK KANDY KITCHEN

NEWARK DELAWARE

THERE'S a "something different" about the new summer clothes I am now showing that will appeal to those who want to avoid the common-place. A little knack here and there, of an ingenious designer's hand, that you will not find in other clothing.

The popular fabrics—Tropical Worsteds, Thornbury Twists, Briarcliffes, Sparten plaids, Piping Rock Flannels—are made up into such clothing. The assortment is complete. The prices are moderate. Hot weather is here. Buying now means a full season's wear.

Of course we have all the furnishings to go with such distinctive clothes.

## PERSONALS

Mrs. T. B. Russell, of Wilmington, visited Newark friends on Monday.

Mrs. J. P. Wilson is visiting her son and daughter, George and Katharine Wilson, at their schools in Connecticut.

Mrs. Carl A. Taylor, of Philadelphia, spent the week-end with her parents, Mr. and Mrs. John Pilling.

Mrs. C. R. Lind of Salem, N. J., is spending the week at the home of her parents in Newark.

Miss Shepardson, teacher of music in the Newark schools, spent the week-end with Miss McKee at her home near Dover.

Coach W. J. McAvoy, S. D. Jaconis, and J. W. O'Daniel, from the Officers' Training Camp, at Fort Myer, Va., spent Sunday in Newark. The visitors reported busy days at the training camp.

Mrs. Oeylle Richardson (nee Lella Herberer) of Wilmington, is receiving congratulations upon the birth of a son on Thursday of last week.

Mrs. John Elliott and Miss Laura Colmery, spent the week-end in Philadelphia.

## Celebrate Silver Wedding

Rev. and Mrs. G. T. Alderson will receive on their twenty-fifth wedding anniversary, on Friday evening, June first, from eight to ten, at Harrison Street M. E. Church, Seventh and Harrison Streets, Wilmington. Dr. and Mrs. Alderson have many friends in Newark where they resided for several years, during the former's pastorate at the Newark M. E. Church.

## YEAR'S WORK

## ILLUSTRATED

(Continued from Page 1)

The prizes offered by the State Grange were open to all students in Home Economic courses, and were based upon charts submitted by the girls, demonstrating some feature of the year's work. The charts were especially striking and presented the lessons of the classroom most forcibly. The first prize, \$10 in gold, was awarded Miss Ada Willim, of Dover, who had submitted a demonstration of correct color schemes for the living room, the dining room, and the kitchen. There were neatly mounted cuts of rug, curtains, furniture, wall paper, etc., for each room. The second prize of \$7, was won by Miss Mildred Ferguson, of Newark, who submitted an attractive chart showing the value of eggs in the daily diet. Neat water color illustrations showed the structure of the whole egg, the proportionate food in the yolk, and in the white; there was also an illustration of how to preserve eggs, placed point downward, in a jar filled with water glass (sodium silicate), nine parts cooled, boiled water. Another drawing illustrated the 4.9 oz. protein in three eggs, the same as the food value of 2.2 oz. cheese, 1 lb. of milk, or 2 lbs. of potatoes and finally the illustration of the statement, the egg contains all the elements of life—a tiny, saucy chick just out of the shell. The third prize of \$3, awarded to Miss Helen Brown of Wilmington, was won on a chart illustrating how to wash a sweater. The chart was featured by photographs of Miss Brown's personal demonstration. Many other charts were excellent. There was a series of silhouettes, showing the styles from Colonial days to the present time, prepared by Miss Ruth Messick, of Bridgeville. The process of silk making by Miss Myrtle Steele, Newark; wheat and flour in the various stages, by Miss Lillian Butz, of Dover, and a chart showing the composition of summer fruit, by Miss Helen Bishop, of Doylestown, Pa. The judges were Mrs. Robert P. Robinson, of Newport; Miss Johanna duPont McLaughlin and Miss Elizabeth McDaniel, of Wilmington.

In the food laboratory an interesting exhibit had been prepared by the girls in the canning class, who are preparing to form canning clubs in their home communities during the summer. There were jars of asparagus, spinach, rhubarb, strawberries, and other early summer crops, ready for next winter's use. Over fifty girls in the college, in response to a call for this patriotic service during the vacation months, have volunteered for the work, and are preparing to become efficient leaders in their home communities.

## REGISTRARS APPOINTED IN EVERY HUNDRED

(Continued from Page 1)

ments announced on Thursday follow:

## Sixth Representative District (Brandywine Hundred.)

First Election District—Warden R. Humphrey, chief registrar; C. E. Dickipson, George H. Litz, T. V. Kester, George Bird.

Second—George L. Medill, Walter C. Keen, Ernest L. Smith, William H. Wilson.

Third—Guy P. Weatherlow, Harry A. Sedgwick, James Walker, Joseph L. Morford, M. Warner Brashers, John W. Kellum, Paul W. Taylor, J. A. Weldin.

## Seventh Representative District (Christiana Hundred.)

First Election District—William L. Duff, Willis F. Groome, T. W. Young, E. V. Frankhouser, George L. Weer.

Second—Harry W. Lyndell, John W. Greenfield, W. D. Fox, William Frederick, Theodore Simpson.

Third—James Ball, Robert S. Wood, Levi L. Miller.

Fourth—Robert H. Elliott, W. Atwood Wilson, Philip E. Touhey, John F. O'Neal, L. Earnest Dilworth.

Fifth—Lamont duPont, Thomas J. Sterling, Ernest duPont, Joseph W. Billingsley, Emile Krause, T. W. Mathewson, J. Elmer Betty.

Sixth—Bruce W. Housel, Charles Neese, Frank Justison, Samuel Townsend, P. E. Strickland.

Frank Grubb, Seventh—H. B. Kaufman, H. E. Cantwell, Garrett Cantwell, Edward Guy, LeRoy B. Steele.

## Eighth Representative District (Mill Creek Hundred.)

First Election District—Evaus H. Crossan, David A. Cornbrooks, John Crounch, Frank F. Yearsley, John W. Mitchell, Marshall P. Tindall.

Second—Francis M. Walker, Harry Crossan, Benjamin F. Denison, J. Warren Marshall, Howard W. Taylor, Abraham F. Ammor.

Third—John W. Scott, John Nivin, Harvey J. Davis.

## Ninth Representative District (White Clay Creek Hundred.)

First Election District—Robert S. Gallaher, H. E. Vinsinger, A. T. Neale, George E. Dutton, John K. Johnston, George W. Griffin, Charles A. McCue, H. N. Reed.

Second—J. Pearce Cann, Charles W. Strahorn, James Longfellow, Harvey Hoffecker, Charles L. Medill, Norris W. Wright.

Third—U. Lawrence Boyce, G. Paul Murrey, Harry H. Stafford, J. Allen Morrison.

## Tenth Representative District (New Castle Hundred.)

First Election District—Richard S. Rodney, A. V. Lesley George, Harry W. Hushaback, John R. Lambson, George McIntire, Francis P. McCallin.

Second—Francis de H. Janvier, Jesse A. McKay, Richard E. Pin-

der, Neil B. Seutman, Theodore W. Cavender.

Third—George H. Kingsland, A. Pedberg, Albert W. Lorenz, S. Austin McCann, Samuel B. Miller, James B. Toman, Jr.

Fourth—Lewis E. Eliason, John P. Murphy, John Lalli, Patrick McGroary, Jacob H. Speicher, Harry J. Rothrock.

Fifth—W. T. Harrington, John T. Hayes, Wilkinson E. Cranston.

## Eleventh Representative District (Pencader Hundred.)

First Election District—Levi H. Coe, Harry W. Davis, J. Irvin Dayett, Edward O. Walton, J. W. Suddard, R. A. Whittingham, Archie L. Peel.

Second—George L. Townsend, Jr., Isaac C. Roberts, Rupert Reynolds, Benjamin Johnson.

## Twelfth Representative District (Red Lion Hundred.)

First Election District—W. U. Reybold, W. B. Jester, H. C. Price, Thomas E. Sadler, E. C. Baum.

Second—William C. Janvier, I. Griffith Ellison, Samuel C. Lester, William C. Wolfe.

## Thirteenth Representative District (St. Georges Hundred.)

First Election District—Alexander P. Corbit, Henry W. Krammer, William L. Pennington, William C. Keegan.

Second—William McMullin, Jr., Albert Kumpel, Robert S. Carpenter, Charles N. McMunn.

Third—Joseph C. Jolls, John C. Alston, Joshua Z. Crossland, John R. Crouch, Walter S. Letherbury, Richard L. Price, Daniel W. Stevens.

Fourth—Thomas Edgar Clayton, Henry D. Howell, James E. Walls, W. F. Shallcross, Charles G. Cann, Dr. Norman L. Beale.

## Fourteenth Representative District (Appoquinimink Hundred.)

First Election District—Levi L. Maloney, James A. Hart, William C. Money, Walter Lee, Walter S. Money.

Second—W. E. Graves, J. W. Fimmere, J. H. Gibbons, H. R. Outten, George H. Ginn, P. B. Mesick, E. S. Boyd.

## Fifteenth Representative District (Blackbird Hundred.)

First Election District—George H. Bradley, Harry S. Woodkeeper, John E. Latta, William T. Nowland, John D. Conner.

Second—Royden Caulk, G. C. Woodkeeper, G. H. Records, William L. Reynolds, Jr.

## SEASONABLE OFFERINGS

The complete equipment of this store in every one of its departments is evident to every customer.

Every line shown we particularly specialize on, giving personal attention and great care in choosing. Here are a number of lines on which we admittedly excel, in many instances we are below the customary market prices.

Golflex Suits and Coats, undoubtedly the season's most favored fabric, for all out-of-doors wear.

Balance of men's wear serge, silk, burella cloth, checks, novelties and mixed cloth Suits are all marked at pronounced reductions.

Top Coats made of all the most desirable fabrics. Many have been repriced.

Dresses of serge, taffeta, crepe de chine and georgette crepe at new prices.

Summer Dresses of cotton, voile, batiste and linen, \$10.00 to \$25.00 each.

Wash Skirts of cotton and linen fabrics.

Hundreds of Waists for every purpose.

Best values in Silk, Lisle and Cotton Hose.

Kid, Silk and Chamoisette Gloves.

Satin Sash Ribbon, very special, 35c yard.

Many new models in Neckwear.

Muslin, silk and knit Underwear at old prices.

Complete showing of Linen and Cotton Fabrics.

We solicit charge accounts from those of established credit, and prepay delivery charges on all purchases within a reasonable distance.

AN EDUCATIONAL FEATURE

320,817

Have been built and actually delivered to retail buyers since August 1, 1916.

These figures—320,817—represent the actual number of cars manufactured by us since August 1st, 1916, and delivered by our agents to retail buyers.

This unusual fall and winter demand for Ford cars makes it necessary for us to confine the distribution of cars only to those agents who have orders for immediate delivery to retail customers, rather than to permit any agent to stock cars in anticipation of later spring sales.

We are issuing this notice to intending buyers that they may protect themselves against delay or disappointment in securing Ford cars. If, then, you are planning to purchase a Ford car, we advise you to place your order and take delivery now.

Immediate orders will have prompt attention. Delay in buying at this time may cause you to wait several months.

Enter your order today for immediate delivery with our authorized Ford agent listed below and don't be disappointed later on.

PRICES: Runabout \$145, Touring Car \$200, Coupe \$205, Town Car \$205, Sedan \$245.

## HERE AND THERE

An association has been formed to erect a monument to Union Soldiers of Cecil County with C. A. Benjamin, of Leslie, President; H. M. McCullough, of Elkton, Secretary, and Col. I. D. Davis, of Elkton, Treasurer.

Efforts are being made to obtain about 50 more recruits for Company E, of Elkton, First Regt. M. N. G., to bring it up to war strength before June 5, the day of Draft Registration, which, it is thought, will prove successful.

Carl Williams, colored, chauffeur for Richard J. Caldwell, of New York, sent the latter's Packard Limousine, en route to Washington, through Elkton on Thursday evening at a sixty mile clip. Bailiff Potts 'phoned to North East to have the car stopped and he and Deputy Sheriff McAllister pursued it in another car. Williams was halted but "lit out" while the North East officer was 'phoning to Elkton. Sheriff Barnes chanced to be returning from Perryville and getting word arrested Williams, who was fined \$25 and costs for reckless driving by Justice Bartley of Elkton on Friday.

Five young train riders from Philadelphia, all under 14 years of age, were arrested at Elk Mills last Tuesday. They were brought to Elkton and held till the arrival of their parents who took them home.

Women of Millsboro have organized a branch of the W. C. T. U. with Mrs. C. B. Johnson, President; Mrs. Joseph K. Lingo, Secretary, and Mrs. Hattie Lingo, Treasurer.

Thomas Bevan was fined \$100 in the Federal Court in Wilmington on Thursday for sending a revolver by mail to himself in Norfolk. After paying the fine he was arrested on request of New London, Conn., officials on the charge of attempting to pass a worthless check for \$95 in that city.

Falling from a scaffold in Wilmington on last Tuesday, Samuel Hannum, a bricklayer, aged 40, fractured his skull and died at Delaware Hospital on Thursday.

The site of one of the Lewes fish fertilizer plant has been sold to the Government for location of barracks for the Naval Coast Defense Reserves.

The Atlas Powder Company of Wilmington, has declared a dividend of 2 percent on its common stock and an extra one of 3 percent.

The Levy Court has selected Robert J. McFarlin, constable for New Castle hundred, vice Weldon Vining resigning.

Several thousand toolmakers and other hands laid off at the Remington Arms Company's plant at Edlystone have resumed work and others having cards will be notified when needed.

Franklin L. Rash, First Sergeant of Company A, of Wilmington, O. M. D., who enlisted in June of last year and spent seven months at Deming, N. M., has been notified that he has passed examinations for West Point and has been notified to report at the Military Academy on June 14. He is a son of Walter Rash, a member of the Legislature.

The Smyrna Century Club will hold another County Fair this year, the eleventh of the series. The proceeds will be shared with the Red Cross. Miss Laura Bell, Miss Cora C. Tschudy and Miss Hervey P. Hall are the committee in charge.

H. Jones, agent for the Farm Tractor Service, is canvassing the Middletown section recommended by Dean Hayward of the Delaware College Agricultural Department because of its freedom from stone for tractor plow service day and night. The concern offers to supply five tractors with a double force of operators which would largely offset the scarcity of labor.

The balance of the debt on the new M. E. Church at Lewes, built five years ago at a cost of \$27,000, was declared cleared at special service held on May 20.

A Bridgeville dispatch says that three-fourths of 800 spring chickens that would have brought probably \$1 each a month later, turned into H. W. Cannon's strawberry fields to eat weevils, were poisoned by nitrate of soda with which the plants had been dressed on the previous day.

John Henry Bruce Pinham, a Confederate veteran, who served with the Texas Rangers in the Civil War, who has worked every day for 51 years as a collar maker in Joshua Conner & Son's harness shop at Third and Market Streets, Wilmington, spent his 98th birthday, May 23, at his work bench. He lives at 216 West Street. He is hale and active and takes keen interest in events of the time, especially the wars.

Elwood Balderston has put in service on his farm, near Coloma, a 30 horse power tractor, the first in use in Cecil County.

Scene from "Canary Cottage" Playhouse week of June 4

### GLASGOW

Mr. and Mrs. Ira Duling, of New Castle, spent Sunday with her parents, Mr. and Mrs. Wm. Cunningham.

Mr. and Mrs. Reuben Deibert, of Lawrence Dayett, and J. L. Ford spent Sunday Mr. and Mrs. Harry Spicer, of Marshallton.

Mrs. Taswell Thornton met with a serious accident one day last week being thrown from her carriage and arm broken.

Gardens are looking fine. But on account of cold weather.

Mr. J. Wirt Willis is having a large build at his home, close to town.

Mr. Howard Jordan, Mr. and Mrs. Byard Jordan and son, of New Castle, were visitors in town Sunday.

### KEMBLESVILLE

Mrs. Florence Boethin and son, of Reading, are visiting with relatives in the village.

Miss Bessie Strahorn, of New Castle, spent the week-end with her mother, Mrs. Elsie Pratt.

Bar in mind the entertainment given in Willard's Hall on Saturday evening, June 2nd, 1917, by the members of the M. E. Church of West Chester, Pa. Admission 25 cents, children 15 cents.

A large ice cream and strawberry social will be held by the Ladies' Aid of Kemblesville on Tuesday evening, June 26th, on W. L. Fell's lawn, Kemblesville.

Mr. and Mrs. Russell Reynolds, of Ardendale, spent the week-end with Mr. and Mrs. Wm. Willard. Miss Madeline Fell, of Wilmington, Del., is the guest of her mother, Misses Alice and Edith Reynolds.

Mr. and Mrs. C. T. Richards and daughter, accompanied by Mr. and Mrs. Wilmer Mote and daughter, arrived in Wilmington on Sunday morning and called to see Miss Mary Mote, at Dr. Jones' Hospital. Mr. S. L. West, of Jefferson College, is at home for his summer vacation. Miss Josephine Lovett and Miss Lovett were Philadelphia visitors on Saturday.

### APPLETON

Mr. and Mrs. W. T. Loffland and Master Charles Barbon visited Mrs. Barbon, of Lancaster, on Sunday.

Miss Evelyn Kimble was the week-end guest of Miss May West, of North East.

Appleton Social Club met on Friday evening of last week. A good program was rendered.

Mrs. Margaret Jamison, of Newark, was a recent guest of Mrs. S. Teresa Kimble.

Misses Isabel and Beulah Burke have been visiting here.

J. H. Covington and family, of Oxford, Pa., and Elwood and Leslie McCormick and families, of Landenberg, Pa., were Sunday callers in our village.

Levis Scott, of Fair Hill, was a recent visitor of friends here.

### Will Of Dr. J. H. Spruance

The will of the late Dr. J. Harvey Spruance, former Mayor of Wilmington, was filed in the Register's office on Wednesday. His real property is estimated at \$90,000 and his personal estate at \$15,000. The former includes 50 dwellings in Wilmington and a large apartment house in Wildwood, N. J. It is thought the value of the real estate is much in excess of the estimate. He directs that his real estate be sold. His widow, while unmarried, is to receive one-half of the income from the estate and one-third should she remarry. The other half of the income is left to his daughter, Marion and his son, J. Harvey Spruance, Jr. Should they die without heirs, their share is to go to his three brothers. His mother and sister, Anna W. Jones, are left annuities of \$600 and \$300, the latter to be increased if she survives her mother.

### Two Children Drowned Together

Edward Flannigan, aged 4, and Samuel Schoenburg, aged 3, sons of Edward Flannigan, of 938 Bennett Street, and Morris Schoenburg, of Tenth and Bennett Streets, Wilmington, while playing on floats at Kirkwood Park on Wednesday, fell overboard and were drowned in Brandywine Creek. Mrs. Flannigan shortly before noon gave Edward a cent which he went to spend for candy

at the Schoenburg store. He and young Schlenburg wandered off and reached the creek bank. Mrs. Flannigan, greatly worried by her child's absence, made prolonged search for him and learning that he and Morris had been seen on the floats she feared they had been drowned. Men began dragging the creek and at 7 p. m. Thomas Collins found the body of Morris between the wharf and a raft. About 8.30 Corner Spring and another man found Edward's body. Both were taken to the morgue where the grief of the mothers moved men about them to tears.

## COMMISSION FOR FEEBLE MINDED ORGANIZES

Consider Location Of Institution

The State Commission for the Feeble Minded, appointed several weeks ago by Governor Townsend, organized last Wednesday by the election of Mrs. S. S. Deemer, of New Castle, as president; John B. Hutton, of Dover, secretary, and W. K. Morgan, of Seaford, treasurer.

A general discussion took place as to the situation facing the commission, that of a location, etc., and a committee consisting of Governor Townsend, Former Governor Miller, A. B. Magee, W. K. Morgan and Robert G. Houston, was appointed to look for a suitable location and to report at a subsequent meeting. It was the consensus of opinion that at last one thousand acres of land should be secured.

Representatives of the State Fish and Game Commission which had been invited to meet with the Commission for the Feeble Minded, were present, and while it had been suggested that the 400-acre State game preserve in Sussex county, might be turned over to the new commission, members of the Game Commission expressed the opinion that as the game preserve belonged to the State, that if such a consummation could be done by the Legislature and not directly by the State.

The matter will be taken up at the next meeting of the commission.

### Vacation Booklets Issued

The approach of the summer season brings thoughts of the vacation. Those contemplating a trip to the seashore, the mountains or a lake resort will be interested in two illustrated folders just issued by the Pennsylvania Railroad Company. "Forty Beaches of New Jersey," and "Mountain and Lake Resorts." The "Forty Beaches of New Jersey" folder gives a detailed description of the resorts along the coast of New Jersey from Cape May to Long Branch and of resorts near the water in Delaware, Maryland and Virginia, and on Long Island. The "Mountain and Lakes" folder gives a description of resorts in the Pocono and Allegheny Mountains, Mt. Gretna, Chautauqua Lake, the Finger of New York and Sodus Bay, with a complete list of hotels at each resort. Copies of these folders may be had for the asking of any ticket agent of the railroad or on application to passenger Department, Pennsylvania Railroad, Philadelphia. —Adv.

### "OLD DRAWYERS" DAY NEXT SUNDAY

(Continued from Page 1)

He will make an address at the services in the afternoon. The Sunday Star gives the following interesting sketch: Mr. Day, who was born in Brandywine Hundred, has always had a warm spot in his heart for Delaware, where he spent his boyhood, though his life-work called him out of the State. Early in life he gained distinction, for in 1884 he was made an auditor of the United States treasury. Several years later, in 1903, he was appointed assistant to the Attorney General of the United States. Two years later he entered

## Fits-U Eyeglasses

Styl in Eyeglasses is now a matter of much importance in considering your personal appearance. Good-looking FITS-U Eye-glasses cost no more than the ordinary kinds.

## Millard F. Davis

# Registration Day

## JUNE 5, 1917

7 A. M. to 9 p. m.

### EIGHT POINTS TO REMEMBER:

1. There is only one day for registration--June 5, 1917.
2. Every male resident who has reached 21st but not 31st birthday must register. Only exceptions are men in military or naval service.
3. No matter if man has exemption claim, he must register.
4. Imprisonment, not fine, is punishment for non-observance of registration.
5. Those too sick to register should send representative to city or county clerk for registration card.
6. Travelers should apply to city or county clerk for card and mail it to home precinct registrar so that it will arrive on registration day.
7. Registration booths will be open from 7 a. m. to 9 p. m.
8. Members of National Guard organizations not mustered into the active service of the United States must register.
