DICK BULLOCK, Russell Dorm Advisor

DONALD HARDY, Dean of Men

The Men's Residence Hall Association, better known as the MRHA, is the primary governing and coordinating body of all the men's dormitories on campus. It is responsible for promoting dorm spirit by providing awards and recognition and encouraging dormitories to sponsor social, cultural, and other worthwhile, leisure-time activities. The MRHA also organizes activities larger in scope than the capability of the individual dorms would allow. Such activities include Big Men's Weekend, campus-wide dances, and the intra-mural sports program.
