CHRYSLER TO
BUILD PARTS
DEPOT HERE
Plant Will
Employ Over
400 Workers
A \$3,000,000 parts depot, employing
more than 400 workers, will be com-
pleted here within a year by the Chry-
sler Corporation, with ground breaking
start on April 22, according to in-
formation received here recently.
Authority to go-ahead with construc-
tion on land owned by the company
and the Pennsylvania Railroad just
north of Newark depends on the Civil
Production Administration in
Washington, since the local CPA office
cannot act on individual projects above
\$500,000.
No manufacturing will be conducted
at the depot, it was said, which will
initially be used as a warehouse, to
store the Eastern Auto and Truck
Plant. It will be erected here by
Chrysler Motor Parts Corporation, a
subsidiary of the Chrysler Corporation.
The building will measure 1,082 by
100 feet and will include offices as well
as storage areas. Last August, the CPA
rejected Chrysler's application to build
a smaller version of the depot here.
Since then, changed plans and increased
building costs have added over \$1-
\$1,000 to the project.
MINSTREL BY
CUB PACK 56
Music and Minstrel Night will fea-
ture the March meeting of Cub Pack
to be held tomorrow night at 7:30
at the First Presbyterian
Church. The public is invited to attend.
Advancements in rank will be issued
as follows: Charles Skinner, Lion
and Webelos; Charles McCauley,
Lion and Webelos; John Cochran, Lion
and Webelos; Arthur Boulder and Fred Stig-
g, Bear Lodge; Robert McAlpine, Wolf
Lodge.
Three boys will be initiated into
Cub Pack tomorrow night. They are: Charles
Peters, Lane Phillips and Daniel
Peters. Den chief shoulder straps will
be given to David George, John Spier
and Jimmy Draper.
Adults interested in becoming cub
packers are urged to attend the session.
The pack committee is seeking qualified
men who will aid with the local
program which included boys from
to twelve.

ing area.

VOLUME XXXVIII Number 4

The Newark Post, Newark, Delaware, Thursday, March 27, 1947

PRICE FIVE CENTS

TO OFFER N. Y. SLUM CHILDREN STAY HERE

Committee Seeks Aid From Local Families

Needy children from New York's
crowded tenements will be given an
opportunity for two-weeks of rest and
creation in Newark homes this sum-
mer, under a plan being revived here.
Sponsored by the Tribune Fresh Air
Fund, which operates in towns
throughout this area, the local phase
of the project will be headed by Mrs.
Hullihen, wife of the late presi-
dent of the University of Delaware.
She will form a committee composing
members of all local service clubs.
Like Kubicek, president of the Newark
Junior Chamber of Commerce, has al-
ready agreed to serve on the committee
to interest the Jaycees in the work.
Known as the Friendly Town Com-
mittee, the group will select homes in
the community to which children
brought by New York social-welfare
agencies in cooperation with the fund
be sent for a two-week vacation.
The local committee takes invitations
submitted by interested hosts and host-
esses and sends these to the Fresh Air
Fund, which arranges for the trans-
portation of the children.
The hospitality sought for the chil-
dren is asked as a gift; the fund does
not pay board. Neither does it accept
donations.
Miss Nora Burton, one of the six
aid workers for the fund, recently
here after completing arrangements
with Mrs. Hullihen. Although Newark
is not participated in the project for
number of years, it is hoped that the
expense by local families will be gen-
erous.

Evensong Speaker

The Rev. Donald Mayberry

HOLY WEEK SERVICES AT ST. THOMAS ARE LISTED

Regular Evensong Changed To Tomorrow

The Reverend Donald Williamson
Mayberry, rector of Trinity Church,
Wilmington, will be the speaker at this
week's Lenten Evensong service at St.
Thomas Episcopal Church, which has
been moved from Thursday to Friday
at 8 p. m.
Mr. Mayberry, who during the war
won the bronze star and the Navy unit
citation ribbon for service as a chaplain
in the Pacific with the U. S. Marine
Corps, was previously rector of St.
Paul's Episcopal Church, Brunswick,
Me., where he also served as chaplain
to the Episcopal students at Bowdoin
College.

While on duty with the Marines, Mr.
Mayberry saw some of the fiercest
fighting in the Pacific war. On Oki-
nawa, where he was chaplain of the
6th Marine Division, he attended
Lieut.-Gen. Simon B. Buckner, Jr., at
the time of his death under Japanese
fire.

The schedule for Holy Week services
at St. Thomas, which will culminate in
a three-hour period of meditation on
Good Friday from 12 noon to 3 p. m.,
was announced by the rector, Reverend
William H. Hanckel yesterday.

A special service of Holy Communion
and Meditation, highlighted by a candle-
light procession, is scheduled for
Maundy Thursday at 8 p. m. The medita-
tion will be conducted by the rector.

The Holy Week observance will open
on Palm Sunday with a Morning Prayer
service at 11 o'clock. During the week,
Holy Communion will be celebrated
Monday, Tuesday and Wednesday at
10 a. m., and the regular Evensong ser-
vice will be held Tuesday at 7:45 p. m.

DUPONT CHORUS TO SING HERE

Jaycees Will Sponsor Concert As Scout Benefit

The Newark Junior Chamber of
Commerce will sponsor an appearance
of the DuPont Chorus in the Newark
school auditorium on May 22 for the
benefit of local boy and girl scouts.

Decision to stage the program was
made at the group's regular business
session last Thursday in the Academy
Restaurant, with President M. A. Kubicek
presiding. Jack Pie announced he
had secured the services of the Chorus,
and the members voted unanimously to
devote the proceeds to the local scout
movement.

Jerry Weinberg announced that let-
ters had been sent to various groups
and individuals seeking opinions on
establishing a local community chest.
The committee's future efforts will be
governed by the response.

Ted Jones and Ernie Turk outlined
plans for the charter night dinner to
be held in May at the Country Club.

A discussion of the proposed new
town charter was terminated by the
unanimous adoption of a resolution
calling for deferment of the passage of
the current draft now before the Gen-
eral Assembly until such time as the
citizens of Newark have had a better
opportunity to study and voice their
opinions on the measure.

RED CROSS DRIVE NETS \$5200 HERE; END NEARS

Returns For Third Week Far Short Of \$7000 Quota

Substantial progress in the local Red
Cross drive, with returns totaling
over \$5200, was reported yesterday by
Dr. John R. Downes, general chair-
man. However, he pointed out, the
figure is still far short of the \$7000 goal
fixed for this area.

"If every solicitor still working will
cover his zone completely" said Dr.
Downes, "I am confident this area will
again make a very satisfactory show-
ing in its support of the important
Red Cross activities."

Returns this week from outlying
sections show Ogletown with a total
of \$99 and Glasgow with \$93.50.

Organizations which have contrib-
uted include: Continental-Diamond
Fibre Company, Oriental Lodge, No. 12,
I. O. O. F., Curtis Paper Company,
Newark Trust Company, E. J. Hollings-
worth Company, National Vulcanized
Fibre Company, Farmers Trust Com-
pany, Edco Corporation, Newark Lum-
ber Company, A. and P. Stores, Ameri-
can Legion and Pomona Grange No. 1.

The Chestnut Hill area, with Piny
Stewart captain, reported 25 subscrip-
tions this week, plus a collection taken
at a Sunday school in the area. In the
Glasgow zone, where Mrs. May B.
Leasure is captain, solicitors names
include Lillian Devine and Mrs. Steve
Barczewski.

Final reports on the drive may be
turned in this week at the Farmers
Trust Company or on Sunday night be-
tween 7 and 8 o'clock at Dr. Downes
office. It is hoped that all collections
will be completed by Sunday.

21 NEWARK STUDENTS ON DEAN'S LIST

Robert Kennard Earns Highest Possible Grade

The dean's list of honor students at
the University of Delaware for the
first term of the present academic year,
as just made public by Dean of the
University, F. H. Squire, includes the
names of 21 students from Newark.

They are: Robert Kennard, Wayne
J. Pollari, Daniel L. DuHammell, Jr.,
Harry E. Downs, Edward J. Davis,
William Bernard Clements, Arnold E.
Wells, Leonard D. Booth, Sally A.
Wooleyhan, James A. Counahan, Her-
bert S. Slack, William J. Osburne,
Frank C. Owen, Weston H. Beale, Louis
H. Cox IV, Robert W. Boyden, Albert
T. Miller, Robert L. Lawrence, Thelma
G. Thompson, Ernest Korber, James
H. McNeal, Jr.

The dean's list includes all students
whose grades are of a "B" or three-
honor-point average for all subjects.
The present list numbers 350 students,
largest in the university's history.

Mr. Kennard's academic record was
the highest possible—a straight "A"
average.

GEORGE IS NAMED VFW COMMANDER

Renard J. George was named to suc-
ceed Drexel Harrington as commander
of the local Veterans of Foreign Wars
Post, No. 475, in the annual post elec-
tion of officers held recently.

Others named for a year's term are:
John W. Grundy, senior vice-com-
mander; Leslie Pack, junior vice-com-
mander; Edmund Edwards, chaplain;
Thomas Campbell, quartermaster; Al-
fred Maclary, adjutant; Austin Naylor,
surgeon; Charles Walter, trustee; Al-
Hoffman advocate.

A donation of \$20 to the Newark
Visiting Nurse Association has also been
authorized by the post, which has ex-
tended its congratulations to the nursing
group on its outstanding work in the
community.

Several local members attended the
military ball held Monday evening in
the gold ball room of the Hotel DuPont.

METHODIST HOLY WEEK PLANS ARE ANNOUNCED

Schedule Of Services Here Opens Palm Sunday

"Christ or Barabbas" will be the
subject of the sermon Palm Sunday
morning at the Newark Methodist
Church by the minister, Dr. Arthur
J. Jackson. The adult choir, under the
direction of Mr. Thomas Hilbish, will
sing "Great and Glorious," by Clar-
ence Dickinson, and a men's quartet
composed of Leighton Jackson, Dr.
Vincent E. Parker, Bob Boyden, and
Don Butterworth, will sing "The
Palms." At the 7:30 o'clock evening
service, the Junior and Young People's
Choirs will sing five special numbers,
and there will be a brief sermon by
the minister on the theme "This Is
God's World."

Thursday evening of Holy Week, at
7:30 o'clock, the congregation will ob-
serve the Sacrament of the Lord's
Supper. Music will be by the adult
choir.

The Good Friday Afternoon Service,
at 2 o'clock, will be held in the Chapel
on the first floor. It will be in com-
memoration of the last hour during which
Jesus Christ suffered upon the Cross. A
special solo number will be sung by
Miss Winnie Taylor.

On Easter Sunday morning there will
be an early service at 9 o'clock and a
service at 11 o'clock, with special
music by the adult choir and the ser-
mon by Dr. Jackson, entitled, "The
Power of the Resurrection."

On Easter Sunday evening, at 7:30
o'clock, the choir will give its annual
Easter Music Service, under the direc-
tion of Mr. Hilbish, which will include
selections from "The Messiah."

The public is cordially invited to
attend all these services.

EFFICIENCY OF POLICE IS PRAISED BY NHS BOARD

Supervision Of Hazardous Academy Street Cor. Is Lauded

The Newark School Board has for-
mally commended the local police
force on its efficient supervision of the
hazardous Academy Street and Dela-
ware Avenue corner, where hundreds
of school children cross daily. Despite
increasing traffic dangers, accidents
there have been virtually unknown.

The recognition was given at the
Board's March meeting last Friday
when Supt. Wilmer E. Shue was di-
rected to forward a written notice to
the police force expressing the board's
appreciation on behalf of the parents
of the community.

The board also formally praised the
Newark school faculty for staying on
the job during the recent teacher dem-
onstration march to Dover.

A change in the dates for the school
Easter vacation has been made, Supt.
Shue further revealed. Classes will be
suspended from March 29 to April 5,
instead of from March 27 to March 31
previously scheduled.

Also announced was the appointment
of Mrs. Catharine Bonney as high
school mathematics instructor, suc-
ceeding Leo MacDonald, who resigned
recently to enter business here.

Word that \$2014 has been allocated
the local schools by the state for em-
ploying extra teachers during the cur-
rent term has been received by au-
thorities here. A total of \$2650 was
granted for the first term.

Mrs. Dorothy Markert has been
granted leave of absence during 1947-
48 school year to carry on graduate
study in guidance. There is a special
need for trained specialists in this field
at the local school.

The board also granted the Newark
Athletic Club the use of the New Lon-
don Avenue diamond for games this
summer and authorized the Newark
Junior Chamber of Commerce the use
of the high school building for staging
a benefit program for local boy and girl
scouts.

A total of \$417.17 in school tax col-
lections was reported during the month

Heads Ice Cream Company

Grover T. Surratt

G. SURRATT TO SUPERVISE POWELL'S ICE CREAM PLANT

W. R. Powell Retires From Activity In Ice Cream Co.

Announcement is made of the retire-
ment of Walter R. Powell from active
participation in his ice cream business
in favor of Grover T. Surratt, suc-
cessor, effective April 1. Mr. Powell will
continue active management of his real
estate holdings.

The manufacture and distribution of
ice cream will be continued under the
supervision of Mr. Surratt who has
been associated with Mr. Powell in this
line of endeavor for a number of
years and is thoroughly experienced
and qualified to carry on the operation
in the same manner that has won for
the host of friends in this area.

Featuring bulk and brick ice cream
for private use, as well as supplying a
number of retail outlets, Powell's Ice
Cream Co. plans to make a large variety
of flavors with seasonal specialties
and soon will introduce an innovation
in its Tray-Pac package, a brick de-
signed to fit snugly into refrigerator
freezing trays.

A veteran of World War II, Mr. Sur-
ratt served with the U. S. Armed
Forces for five years seeing the major
part of this service in the Pacific
Theatre of Operations. He was dis-
charged from active duty on April 19,
1946 with the rank of major. He is
married to the former Miss Mary Stav-
ing and has one child, G. Timothy.

In turning over the business to Mr.
Surratt, Mr. Powell concludes 39 years
of service in this capacity. Mr. Powell
is also a veteran having enlisted in
World War I as a cadet pilot in the
Signal Corps. He subsequently was
stationed at Fort DuPont, Princeton
University and trained with the R. A. F.
in England as a member of the 337th
Service Squadron.

PRE-EASTER SERVICES AT CHURCH HERE

To Hear Guest Speakers At Bible Presbyterian

The Pre-Easter services of the
Bible Presbyterian Church will begin
on Tuesday evening, with the Rev.
Calvin Harrah, pastor of the Boothwyn
Bible Presbyterian Church, as the
speaker. A second service will be held
on Wednesday evening with the Rev.
Kenneth A. Horner, of the West Phila-
delphia Bible Presbyterian Church as
the speaker.

Both of these services will be used
as preparatory services to Communion
which will be held on Thursday eve-
ning, when the pastor will bring a
Communion meditation and serve the
Sacrament.

Also at this service the church will
receive new members into its fellow-
ship. All of the services will begin at
8 o'clock, and everyone is cordially in-
vited to attend.

On Palm Sunday the services of the
church will be held at the usual hours,
beginning with Sunday School at 10
under the direction of Mr. H. Lloyd
Yarnall, superintendent, followed by
the morning worship service at 11
o'clock. The evening service will be
held from 7 to 8.

2 CONTESTS DEVELOP IN TOWN VOTE ON APRIL 8

Davis And Dann Oppose Wheelless And Ramsey For Council Offices

What at first loomed as a routine
municipal election on April 8 has now
developed into an interesting contest,
with opposition candidates filing this
week in the middle and western dis-
tricts.

Robert B. Davis, local business man
with over 20 years experience, filed on
Tuesday in the middle district, opposing
George E. Ramsey, incumbent. Mr.
Davis, who is seeking his first term on
the town council, is associated with
the People's Life Insurance Company
as a salesman in the Newark district.

Second opposition candidate to file
was Rodney Dann, who entered the
lists against F. A. Wheelless in the west-
ern district. Both Mr. Dann and Mr.

C. Harold Sheaffer, 349 East Main
Street, filed for Council from the East-
ern District late Wednesday afternoon
in opposition to incumbent Councilman
Norman Battersby who is seeking re-
election.

This creates contests in all three dis-
tricts, with the deadline for further
candidates set at noon Saturday,
March 29.

Wheelless are running for town office
for the first time. The present council
member of the western district, Norris
N. Wright, has announced he does not
intend to run this term.

Only candidate now running with-
out opposition is Norman Battersby in
the eastern district. Deadline for filing
is this Saturday, at 12 noon. Prospective
office seekers must file a written notice
of their candidacy with the secretary
of Council, Vernon Steele.

In a brief biographical account of
himself, Mr. Davis said he was born
and educated at Altoona, Pa., later at-
tending the University of Delaware.
For twenty years he operated a grocery
store at Cleveland Avenue and
Wilbur Streets, selling the business
last August to take up insurance sell-
ing.

Member of the Masons, Odd Fellows,
Knights of Pythias, Lions Club, and
Methodist Episcopal Church, Mr. Davis
is the son of A. C. Davis a retired
Penna. R. R. official, formerly of New-
ark, who now resides in Altoona.

In 1916, Mr. Davis married Mildred
Ferguson, daughter of the late George
F. Ferguson. They are the parents of
three sons, Brandon, a freshman at
Duke University, and Dick and Ted,
students at the Newark High School.

Rodney H. Dann Candidate From Western District

Rodney H. Dann, 233 West Main
Street, a Newark resident for the past
ten years and operator of a marine
towing, transportation and dredging
business with headquarters here, is a
candidate for Town Council from the
Western District.

While he has not sought public of-
fice before, Mr. Dann is and has been
active in local affairs. He is a member
of Hiram Lodge, No. 25, a Rotarian
and a member of the Newark Metho-
dist Church.

With Mrs. Dann and their four chil-
dren, Ruby Moore, a graduate of the
Newark High School who later attend-
ed Sargent College in Boston, Margery,
Rodney H., Jr., and Robert Dann, all
of whom are attending the Newark
Public Schools the family hopes this
summer to move into their new home
at 189 West Main Street, purchased
about two years ago from the Alfred
A. Curtis Estate.

Services Held Monday For Mrs. Hester Harrington

Funeral services for Mrs. Hester
Harrington, who died early Friday
morning at her late residence on
Barksdale Road, were held from the
Jones Funeral Parlors on Monday.

Mrs. Harrington, who was in her 79th
year, had been ill for the past year.
In addition to her husband, William
H. Harrington, she is survived by two
sons and one daughter as follows: Robert
Harrington, Delaware Avenue,
Jesse Harrington, and Miss Helen Har-
rington, at home.

One grandson, William Wallace Har-
rington, two granddaughters, Mrs. Andy
Walp, Newark and Mrs. Pierce L.
Tweed, Smyrna, three great-grandchild-
ren, also survive, in addition to three
sisters, of Oxford Pa., and one brother,
Dr. Arthur J. Jackson was in charge
of the services. Interment was in West
Nottingham Cemetery.

DELEGATES FROM 'BUZZ' AT N. Y. MEET

Four Attend Press Parley And Tour City

Four Yellow Jacket "Buzz" delegates, Ethel Weaver, Joan Ross, Dorothy Draper and Virginia R. Craig, attended the 3-day Columbia Scholastic Press Association's 23rd annual convention which ended Saturday at Columbia University, New York.

In addition to covering the parley, the group also made a tour of the city Saturday afternoon, which was highlighted by a visit to the UN sessions at Lake Success, where the local delegates were seated among the accredited correspondents.

The opening session of the press parley Friday morning was presided over by Joseph M. Murphy, director of the association. Dr. Albert C. Jacobs, assistant to the president of Columbia University, gave a brief welcome, after which the delegates heard an address by Capt. William E. Haskell, assistant to the president of the Herald Tribune.

In the afternoon, the girls attended a meeting on "column writing." Following this, Miss Weaver chairmanned a meeting on "Assignments With a Purpose," and Miss Craig headed a session on "Exchanges-Instruments of Understanding."

Saturday morning, Miss Ross and Miss Craig attended a clinic for discussion of columns, while Miss Draper and Miss Weaver sat in editorial meetings. The convention ended with a banquet in the Hotel Astor at 12:30.

In addition to their UN visit, the group's tour of the city Saturday afternoon included visits to Grant's Tomb, the Metropolitan Museum of Art, the Empire State Building, Riverside Church, the Cathedral of St. John the Divine and the Cloisters.

Friday evening the students saw a play "Years Ago," after which they were received backstage by Florence Eldridge and Frederick March.

Mrs. Amelia Mabey, faculty advisor, accompanied the delegation.

FOUR FIRES PAST WEEK

Four minor fires were reported in town the past week, the first occurring last Tuesday evening when grass became ignited on property near the Harmony Road. The owner was not identified. No damage resulted.

The same day, another grass fire broke out on property owned by McMullen on the Ogletown Road. Damage was negligible.

Last Thursday, a third grass fire occurred, this time on lower Academy Street opposite the new university dormitories. Again the flames were extinguished before serious damage took place.

Saturday, the Aetna Company received a call from the Pennsylvania Railroad for a large burning box on property behind the Samuel Lockerman estate. No damage occurred.

The main prize for the elaborate 8-day carnival to be staged here this summer by the Aetna Hose, Hook and Ladder Company will be a 2-door Pontiac sedan, fully equipped, officials said this week. Previously, a Fleetmaster Chevrolet had been announced as the grand prize.

Tobacco Taxes Net Well Over Billion During '46

Levies on tobacco accounted for more than three cents of each \$1 in 1946. Internal Revenue Bureau records disclosed recently.

Tobacco taxes brought in more than \$1,217,812,000, a record high, while tax collections in general were dropping about 10 per cent under 1945 to a total of \$38,640,000,000.

Cigarette tax collections, providing more than 90 per cent of total receipts from tobacco, brought in \$1,125,182,000, topping 1945 by almost \$188,000,000.

Receipts from the levy on cigars also hit a new high bringing in \$47,488,000, or over \$9,000,000 more than in 1945.

But the declining use of chewing tobacco and snuff sent collections from these sources and smoking tobacco (pipe or roll-your-own cigarettes) down to \$45,142,000, a drop of more than \$11,000,000.

DATES FOR 4-H EVENTS ARE FIXED

Short Course And National Camp Planned

Dates have been set for two of Delaware's most significant 4-H Club activities; the annual Short Course at the University of Delaware, and the National 4-H Camp in Washington, D. C. It was disclosed today by George M. Werrilow, associate director of the Delaware Agricultural Extension Service.

The 20th annual Short Courses will be held at the university from June 15 to 18. Approximately 130 4-H boys and girls from clubs throughout Delaware are expected to attend. Scholarships to this event are awarded each year to club members who win county and state prizes in 4-H contests; to winners of judging contests at the Kent-Sussex Fair, and to other enterprising 4-H'ers.

While staying at the university, the club members will live in dormitories, attend classes, hear special speakers and programs, and take part in a varied program of recreation and fellowship.

The date for the National 4-H Club Camp will be June 11-18. Delaware 4-H Club will have four delegates to the Camp, to which each state sends a corresponding number of outstanding 4-H Club members.

Objectives of the National Camp are to help 4-H delegates gain a better understanding of the history, traditions and functions of the national government, the U. S. Department of Agriculture and other government departments, and to confer together regarding the development of rural leadership and a fuller life for all those living in the country.

Lumber Controls Lifted March 1

The Office of Temporary Controls said recently that most government controls over production of lumber, soft wood plywood, hardwood flooring and mill work were lifted March 1.

The regulations required producers to manufacture higher than the usual percentages of housing type materials.

The civilian production branch of OTC, said, however, that because of the millwork shortages it will continue to require channeling of specified sizes of western pine and Douglas fir shop lumber to millwork or cut-stock manufacturers. CPA said lifting of the production controls resulted from "general improvement" in the lumber supply.

SAFE DRIVING RULES GIVEN

Feet Per Second, Not MPH, Vital

Local and national statistics indicate very definitely that many serious traffic accidents are caused on the open highways as a result of high speeds, but high speed is not always the major controlling factor in all types of accidents, says Frank J. Horty, president of Delaware Safety Council. There are many instances where 15 or 20 miles an hour can be excessive for existing conditions. Speed in terms of feet-per-second is often the controlling factor.

In order that Delawareans may get a better conception of why a speed of even 10 miles per hour may be too fast under certain conditions, he urges that they familiarize themselves with the following facts: A 10 miles per hour, a car travels approximately 15 feet per second; at 20 miles per hour, 35 feet per second; at 30 miles per hour, 45 feet per second; at 40 miles per hour, 60 feet per second; at 50 miles per hour, 75 feet per second; and at 60 miles per hour, a vehicle is traveling 90 feet per second.

With these figures in mind, consider a situation where one is driving through a school zone with cars parked closely together at the curb on the right. A child darts from between parked cars and crosses the road. Fifteen miles per hour is a little better than 20 feet per second, consequently, in one second's time the driver has traveled one and one-half times the length of the average passenger car. Mr. Horty asks the following pertinent question: "What could you do?" The answer is: "Nothing." An accident would be inevitable.

It is impossible to mention all of the examples of operation that are too fast on our streets and highways, but there is one thought that the Delaware Safety Council wishes to emphasize. Motorists have all been schooled in thinking of automobile travel in terms of miles per hour and they would certainly be much safer if they would re-educate themselves to think in feet per second. There would then be less need for "Lady Luck" or a "Guardian Angel" to prevent traffic accidents.

Leading Tobacco Growing States

Virginia, Kentucky, North Carolina, Ohio, Connecticut, Pennsylvania Wisconsin and Tennessee are the main tobacco growing states of the United States.

Disabled Vets May Rejoin Army In Grade Till Mar. 31

The last day that combat-disabled veterans may be enlisted in the grade held at time of discharge from last active service is March 31. After this date, to maintain his grade, the combat-disabled veteran must reenlist within twenty days of his discharge from active service, was announced yesterday by Captain Walter G. Runte, local recruiting officer.

Commissioned officers, warrant officers and flight officers applying under this circular may be enlisted in Grade I through March 31. After this date, to be enlisted in Grade I, application must be made within twenty days of discharge from active service.

For further details contact your local recruiting officer located in the Post Office Building, Wilmington, Delaware.

BANKERS AND COUNTY FARM GROUPS BACK SOIL PROJECT

New Castle Assoc. Donates \$1200 Towards Youth Contest

Member banks of the Rural New Castle County Bankers' Association have donated \$1200 to sponsor in cooperation with the New Castle County Soil Conservation District a county-wide soil conservation contest for 4-H club and FFA members.

Supervisors of the Soil Conservation District consisting of Sherman Webb, Middletown; Lewis Phipps, Centerville; Arvin Klair, Marshallton; Charles Taylor, Blackbird, and John W. Webb, county agent and Earl T. Banks, chairman of the County Levy Court met recently with the banking group and suggested such a project to stimulate interest in soil conservation among youth of the county.

The 4-H contest will include the same requirements as those under the National 4-H Club Soil Conservation Contest sponsored by the Firestone Tire and Rubber Company. Members of the 4-H club will compete on a chapter basis. Individual awards will be made and the 4-H contest it is planned to award the outstanding member a trip to the National 4-H Club Congress at Chicago later this year.

Details of the contest are now being developed and applications will be available through vocational agricultural teachers 4-H leaders, the sponsor banks and John Webster, secretary-treasurer of the Soil Conservation District.

Banks cooperating include: Delaware National Bank, Delaware City; Lyndell Trust Co., Claymont; Delaware Trust Co., Middletown; New Castle National Bank, Odessa; Townsend Trust Co., Townsend; St. Georges National Bank, New Castle; Farmers Trust Co., New Castle; Farmers Trust Co., Newark; Newark Trust Companies, Newark.

Morning Services At Head Of Christiana

Services will be held in the morning at the Head of Christiana Presbyterian Church on Palm Sunday. Sunday school will begin at 10 o'clock and morning worship will follow at 11 o'clock.

The annual election of officers for Sunday School will take place at 10 o'clock, and the classes will study lesson "The Crucified King," under direction of Patrick Morgan, superintendent.

The communion service will be held at 11 a. m. The pastor, Rev. Evan W. Phipps, will deliver the sermon on the subject, "Is Christ King of Your Life?" New members will be received, and when will be baptized. All members and friends of the church are urged to present. Special music by the two girls will be offered.

The Westminster Fellowship will meet at 6:45 p. m., with Howard Peters as leader. A combined choir rehearsal will be held at 7:45 p. m.

DIVORCE

New Castle County, ss. State of Delaware, the Sheriff of New Castle County, Greeting:

Whereas, Joseph Rhoads, Jr., by his Petition to the Judges of our Superior Court, filed in the office of the Prothonotary of said Court in and for New Castle County, for the cause of divorce, has made application to our said Judges that a decree may be pronounced dissolving the marriage existing between the Petitioner and Elizabeth B. Rhoads;

Therefore Command You, AS YOU HERETOFORE COMMANDED, you summon Elizabeth B. Rhoads that she be and appear before the Judges of our said Court at the next term of the said Court to be held at Wilmington, on Monday the 5th day of May next to answer the allegations of the said Petitioner, Joseph Rhoads, Jr., according to the Act in such case made and provided, and also to do and receive what the Court shall then and there consider fitting in this behalf as to the provisions of the said Act of Assembly.

HAVE YOU THEN THERE THIS WRIT.

WITNESS the Honorable Charles S. Brown, at Wilmington, the 3rd day of March, A. D. Nineteen Hundred and Forty-seven.

JAMES M. MALONEY, Prothonotary.

1947, 13, 16, 17, 24, 31.

Weatherman To Get Aid From Electronics

An expert suggested recently that electronics, already given such jobs as guiding aircraft and opening doors, may be used to change the weather.

The idea was discussed by V. K. Zworykin of the Radio Corporation of America in a paper prepared for the annual meeting of the Institute of the Aeronautical Sciences.

"The application of electrical and electronic methods to weather calculations," Zworykin said, "presages an enormous reduction in the time required for accurate forecasting. It is conceivable that ultimately electronic devices may yield predictions for days ahead in a matter of minutes."

Foods Price To Drop, Agriculture Dept. Says

Barring a poor crop year, housewives and family breadwinners can look forward to a reduction this year in their grocery bills, Agriculture Department officials predicted recently.

They said also that prices of many non-food items in the family budget must come down if the big volume of the nation's 1947 industrial and agricultural production is to move into consumption and use.

Public Sale of HOUSEHOLD GOODS Including ANTIQUES

Having sold the property, will sell the following household goods at my home, one-half mile west of Route 866 at the Maryland line, about one mile south of Strickersville Pa.

Sing A Song

Sing a song of service,
Of your electric power—
Always at your finger-tip
To lighten every hour!

Mother's in the kitchen, finishing up the dishes. Grandma's in the laundry, busy washing clothes. Dad plugs in his razor, and whisks off his whiskers. Lights shine, the radio plays merrily, and Sister skims the cleaner across the bedroom rug.

This is a house with dozens of servants—dependable, willing electric servants—ready day and night to make work easier and life more comfortable. This is living the modern way—the electric way!

Newark, Delaware, Thursday, March 27, 1947

POTATO ACRE ALLOTMENTS

Delaware potato growers must apply for a potato acreage allotment by Tuesday, April 15, in order to participate in the 1947 potato price support program, reports C. E. Ocheltree, state director of the Production and Marketing Administration. A support price of \$2.45 per 100 pounds for U. S. No. 1 grade potatoes sacked and loaded has been set for Delaware potatoes during July and August in connection with this program.

No grower will be eligible for the government's guaranteed support price this year unless he plants only the acreage that is allotted to him. The acreage allotment is made by the county Agricultural Conservation Program offices. Delaware's potato goal has been set at 20 per cent less than last year's acreage.

Growers planning to plant less than three acres of potatoes will not be required to apply for an acreage allotment, but in order that they may be eligible to participate in the price support program it will be necessary for them to list their desire to be eligible with their county ACP office. This must be done by July 1.

The reason for the potato acreage goals this year, according to Ocheltree, is to insure production according to need and prevent the production of a surplus. Principal emphasis will be placed on measures to assure fullest price support benefit to growers who have complied with acreage goals for their farms.

FOOD FOR THOUGHT

It's The Truth

Foods are simple items providing much pleasure and health to us consumers. It is true that repeatedly omitting any one group of food may result in a disease, known as a deficiency disease. The form and intensity of these deficiency diseases have a wide range. Poor complexions, anemia and some nervous disorders may be traced to the lack of some "types" of foods or to amounts of them too small for adequate maintenance.

However, no one food has a function which no other food can perform. No one food can be of any outstanding physical benefit or harm. No combination of foods is poisonous.

These are some theories which we hear frequently, and having no foundation, should be discarded.

1. Citrus fruits and tomatoes are acid.

Citrus fruits contain acids necessary to good health but cannot promote the condition known as an "acid system."

2. Onions will cure a cold. A cold is cured when the body overcomes the infection. Onions, being laxative, may be somewhat helpful in that respect.

3. Toasting bread decreases the calorie content. Toasting bread may increase its rate of digestion slightly but the calorie content is not altered.

4. Fish is "brain" food. A general good diet increases physical stamina and retards fatigue. This may indirectly promote mental acuity. But no one food is directly responsible.

5. Fish and milk are poisonous if eaten in the same meal. Look to oyster stew, creamed tuna fish and the long line of fish and milk combinations. Note the great number of survivors here!

When you hear these notions look for the facts behind them. So far we find none!

Spring Assembly By Newark Fourth Grade

Mrs. Della W. Cashell's Fourth Grade presented a St. Patrick's and Spring program in the Newark School auditorium recently. The assembly included stories and songs about Ireland.

The following children took part: Doris Records, Edith Morrison, Mary Boyer, Alyce Sidwell, Edith Streets, Ethel Wilson, Mary Konkill, Helen Bowser, Thelma Dell, Eleanor Todd, Howard Joiner, Martin Schaefer, Charles Hummel, Wayne Wilson, Edward Reed, Fred Main, Ronnie Joiner, Gino Ratti, Ralph Crossan, Albert Folk, Eugene Stultz, John Dwyer, Stanley Ferguson, Sam Smith, Perry Vose, Stephen Vasant, and Ronald Burris.

JACKSON TO ADDRESS CLUBWOMEN

Comparative Religions Is Pastor's Topic

The Rev. Arthur W. Jackson will discuss "Comparative Religions" at the next meeting of the Newark New Century Club, scheduled for Monday, April 14. The March 31 session has been cancelled due to the Easter observance.

Mrs. T. D. Smith was chairman for the recent spring bonnet show held at the club and was assisted by Mrs. Samuel Danerion and Mrs. Frank Jamison.

Mrs. T. D. Mylre, Mrs. R. O. Bausman and Mrs. Richard Snyder attended a meeting of the State Federation Board held in Dover recently. The local delegation was accompanied by Miss Peggy Clew of Kuala Lumpur, Maydaza, who holds the Delaware State Federation scholarship at the University of Delaware and is a student in home economics.

She sang some of her native songs and described what led to her coming to this country.

Plans for the 1947 state convention, to be held in Dover were also discussed at the meeting.

DELAWARE FARM FRONT THIS WEEK

Deadline Nears On Red Clover Seedlings

The next few days are probably the last chance to make red clover seedlings for hay, says Claude E. Phillips, Extension agronomist for the University of Delaware. Red clover seed must be covered in order to germinate and grow. If it is seeded before cold weather is over, the alternate freezing and thawing will take care of the covering. Red clover seeded after this

should be scratched in with a spike tooth harrow, or a grain drill should be run over the field with the disks set to cut about three-quarters of an inch deep.

Early orders for bulk ground limestone spread on fields indicate that its use is gaining in popularity with Delaware farmers. This is reported by C. E. Ocheltree, state director of the Production and Marketing Administration, who believes that the limestone is popular because it is delivered and spread directly on the field. Farmers are urged by the PMA to place their orders for liming materials, either spread or in bags, at their earliest convenience, and accept delivery when available.

Home gardeners will soon be getting the green light to start planting. As soon as weather permits, rake over the garden and gather up all the debris that will not be covered when the garden is plowed or spaded. If you must burn it—remember fire safety rules.

The discriminate and better dressed people bring their clothing problems such as alterations of all kinds, invisible mending and cleaning and pressing to—

CALENDAR

MISS FRANCES S. PALMER PRIDE ON SUNDAY

On Sunday afternoon March 23, Miss Frances S. Palmer, daughter of Mr. and Mrs. C. M. Palmer, Jr., of Chestnut Hill, Newark became the bride of Mr. Richard T. Breeze, son of Mr. and Mrs. Willard B. Breeze, of Columbus, Ohio. The ceremony took place at 4 o'clock in the Presbyterian Church in Newark with the Rev. H. Everett Hallman officiating. Miss Nell Wilson played the wedding music.

The bride, who was given in marriage by her father, wore a jade green dress, a contrasting flower hat and brown accessories. Her corsage was of peonies. Miss Julia Snell of Herkimer, N. Y., was the bride's only attendant. Her gown was of rose crepe with which she wore a flower hat, black accessories and a corsage of pink roses. C. M. Palmer, III, brother of the bride was best man.

The bride's mother chose a gown of black and white print, worn with a red picture hat. Her flowers were red carnations. Mrs. Breeze, the bridegroom's mother, wore navy blue with a small hat of the same shade, white accessories and a corsage of pink sweet peas. A reception followed at the home of the bride's parents. After their honeymoon, the young couple will make their home in Columbus, Ohio.

Both Mr. and Mrs. Breeze are veterans of World War II, having served as officers in the Army. Mrs. Breeze in the European Theatre and Mr. Breeze in the South Pacific.

GRANT-GODWIN NUPTIALS SOLEMNIZED

Miss Helen Marie Grant, daughter of Mr. Bessie Grant, Kirkwood Highway, became the bride of Mr. James Edward Godwin, son of Mr. and Mrs. Edward Godwin, near New Castle, Saturday, in the White Clay Creek Presbyterian Church.

The ceremony was performed by the Rev. Gordon M. Ruff, pastor of the Red Clay Creek Presbyterian Church, assisted by Hendrick Van Dyke, supply pastor of the White Clay Creek Church.

The bride wore a light blue suit with navy accessories and a corsage of white roses.

Miss Mary Janet Jamison, of Newark, was maid of honor and she wore a black and white suit and a corsage of red roses.

Mr. Charles LeBegen, of Wilmington, was best man.

Mrs. Godwin is a graduate of the Newark High School and is associated with the Delaware Power and Light Company.

Mr. and Mrs. Godwin will reside at the home of his parents.

WRIGHT-JOHNSON WEDDING ANNOUNCED

Mr. and Mrs. Thomas D. Wright announce the marriage of their daughter, Miss Dorothy Agnes Wright, to Mr. Eugene Lloyd Johnson, son of Mr. and Mrs. Lloyd Johnson, also of Newark.

The bride is a graduate of the Newark High School and is connected with the duPont Co.

The groom attended Newark Schools and is associated in business with his father.

After a trip to Atlantic City they will reside at the home of the bride's parents.

REGULAR MEETING LADIES' BIBLE CLASS

"How the instigation of Satan, the wickedness of men, and the fearful consequences of unbelief united to bring about the crucifixion of the Holy Son of God" will be the topic for open discussion this week at the regular Sunday School hour of 9:45 of the Ladies' Bible Class of the Newark Methodist Church.

The fellowship of the Easter season offers an opportunity to help the class in attaining the attendance goal and forming the habit of regular attendance carrying over to the many weeks to follow.

MRS. FRAM TO BE GUEST OF WOMEN'S AUXILIARY

Mrs. Clarence Fram, of Wilmington, will be the guest speaker at the regular meeting of the Women's Auxiliary of the First Presbyterian Church which will be held on Tuesday evening, April 1, at 7:45 o'clock in the Sunday School room of the church.

Mrs. Fram will bring with her a collection of crosses that she has gathered from many lands and her talk will be in keeping with the Easter season.

A cordial invitation is extended to all friends of the Auxiliary as well as to its members to attend this meeting.

Friday, March 28

6:30 P. M.—Covered Dish Supper for members and friends of Friendship Temple, No. 6, in Fraternal Hall.

Tuesday, April 1

7:45 P. M.—Women's Aux. of First Pres. Ch. at the Church. Mrs. Fram speaker.

Tuesday, April 8

GEISE-CARLEY

WEDDING IN FLORIDA

In the Resurrection Lutheran Church, Daytona Beach, Florida, at noon on Sunday, March 23 Mrs. Dorothea W. Geise and Mr. Edward Fenton Carley, of Newark, formerly of Wilmington, were married by the Rev. Oscar W. Houpt.

For thirty years Mr. Carley was associated with the duPont Company in Wilmington and at the time of his retirement in 1941 he was advertising manager of the explosives department which position he had held since 1921.

Mr. Carley has been residing at the home of his son-in-law and daughter, Mr. and Mrs. C. M. Palmer, Jr., of Chestnut Hill, near Newark.

Mr. and Mrs. Carley will live in their new home at Daytona Beach.

GOLDEN ANNIVERSARY OBSERVED BY SHEAFFERS

Mr. and Mrs. I. Newton Sheaffer, 75 Main Street, celebrated their golden wedding anniversary on Monday, March 24.

They were married in Lancaster, Pa., where they spent the first twenty years of their married life and where their two sons, Harold and Richard, were born. They lived in Philadelphia for five years and the past twenty-five years have been spent at their present address where they have had the well known paint business.

Many friends remembered them with cards, flowers, and gifts and a dinner party was given in their honor at the home of their son, Harold and family, on Saturday evening.

Guests present on Saturday evening included: Mr. and Mrs. B. Richard Sheaffer, Mr. and Mrs. J. Blomquist and son, Rodney, of Ocean View, Delaware; Mr. and Mrs. Lee Lewis, Mr. and Mrs. Leon Case, Mr. and Mrs. Harvey Gregg, Mr. and Mrs. Raymond McMullen, Mr. and Mrs. Conrad Lewis, Mr. and Mrs. C. Harold Sheaffer, Miss Ella Jayne Sheaffer Tommy Sheaffer and Mr. John Hamilton.

There were four generations present at the dinner with Rodney Blomquist who is four months old being the youngest present and is of the fourth generation. Rodney's mother will be remembered as Miss Nancy Sheaffer.

IVAN KITCHELL GUEST OF MUSIC SOCIETY

Ivan Kitchell, internationally known dance satirist, will appear in Mitchell Hall on Thursday, March 27, when the Newark Music Society will present the last in its current series of concerts.

In some two hundred recitals in the United States and Canada, Miss Kitchell has recently come into the national spotlight after years of training with the Russian Ballet and with other well-known dance groups.

Her recital here will include a wide range of satires based on popular and classic themes. Harvey Brown, pianist, and composer of several of the musical settings used in the program, will accompany the dancer.

MISSES DAWSON-TAYLOR HOSTESS TO WAVES

Week-end guests of Miss Adella Dawson, 253 West Main Street, and Miss Winifred Taylor, 21 Center Street, were three WAVES lieutenants with whom they had served in Oahu T. H., when all five were attached to the 14th Naval District. They were Lt. Mary Sweeney, of Los Angeles, now on duty in Washington, D. C.; Lt. Albina Miller, of Alaska, also on duty in Washington, and Lt. Frances H. Hall, of Zebulon, North Carolina, currently on duty in Philadelphia.

Included in the week-end plans of the group were visits to the campus of the University of Delaware and to Longwood Gardens.

Mr. Robert W. Rohm, of West Park Place and Dr. John W. Hooker, of Wilmington, were delegates to the annual meeting of the American Cancer Society held in Chicago, Illinois, at the Hotel Stevens recently. Mr. Rohm is treasurer of the Delaware Division of the Society and Dr. Hooker is Pathologist at the Memorial Hospital, Wilmington.

Mr. Gus Smith is visiting his aunt and uncle, Miss Martha Smith and Mr. William C. Smith, of Marion, North Carolina.

PERSONALS

Clifford Moore, second assistant fire chief, who is confined to the St. Francis Hospital with pneumonia, is rapidly improving.

Mr. and Mrs. Ezra Young are receiving congratulations on the birth of a son, born March 22, in the Memorial Hospital, Wilmington.

Mrs. Warren C. Lamborn is spending sometime with her son and daughter-in-law, Mr. and Mrs. Louis R. Lamborn, at West Chester, Pa.

Miss Mary J. Boone, of Atlantic City is visiting with her niece, Mrs. Frank B. Ridgeway, of Nottingham Road.

Mr. J. P. Wright, of Kentway, is a patient in the Memorial Hospital, Wilmington.

Dr. and Mrs. Wallace M. Johnson and son, Wallace, will leave on Saturday of this week to spend sometime visiting Dr. Johnson's mother in Uniontown, Pa. The Johnsons will return to Newark about April 9.

Mr. and Mrs. John Livingstone, of Atlantic City, were the week-end guests of Dr. and Mrs. E. Hughes Nutter, Delaware Avenue and Haines Street.

Mrs. John McCune, of Briar Lane, Nottingham Manor, visited in New York City for several days last week.

Mr. and Mrs. George Robinson, of 20 North Chapel Street, are receiving congratulations on the birth of a son, born March 8, in the Wilmington General Hospital. The baby has been named Franklin Richard Robinson.

Mrs. Frank B. Ridgeway, of Nottingham Road and her grandson, Frank Lang, of Wilmington, spent several days in New York City last week.

Hugh C. Miller son of Mrs. A. B. Miller, 107 Briar Lane, Nottingham Manor and a student at Mercerburg Academy, Mercerburg, Pa., was awarded the varsity "M" in swimming at an assembly held at the academy on Monday of this week. The prizes and letters for the various awards to those having participated in the winter-term athletics were presented by Headmaster Charles S. Tippetts.

Miss Dorothy Simons was hostess at a luncheon and shower at the College Inn recently honoring Miss Marian E. Jones of West Main Street, whose marriage will take place Saturday to Mr. Horace Vaughan Ginn.

Mrs. R. T. Ware, 20 Linden Street, is visiting with Mr. and Mrs. John Livingstone, of Atlantic City.

Mrs. Eva O'Donnell, of Syracuse, New York, has returned to her home after a visit of several days with her son-in-law and daughter, Mr. and Mrs. Paul Robinson, 8 Orchard Avenue, Newark.

CARD OF THANKS

We wish to thank friends and neighbors for their kind expressions of sympathy in our recent bereavement in the death of wife and mother, Hester Harrington. Mr. William H. Harrington and Family.

Open Evenings 'Til Easter

Stop
Look
... and Come in!

Spring is here

at least in our new Main Street window! Won't you stop and enjoy our lovely daffodils and pretty pink azaleas nestled among the mountain laurel—and, of course, look at our new, new suits with cutaway coats and flared backs—the very newest fashions!

Then come in

and browse around . . . you'll find fashions that will delight you—prints, navy and black sheers, flattering pastels and cottons galore! You'll find fashions for Teenagers, Junior Misses, Misses and Women! You'll find new blouses of which we are justly proud . . . and accessories that add the smart finishing touch to your costume. All at prices you'll really appreciate.

NEWARK, DELAWARE

WareAbouts

Were it not for interested individuals we doubt that Newark would ever receive much recognition or satisfaction in the way of increased, or additional, railroad service . . . and invariably there is never a train from Newark, at just the time one wants to catch one.

This difficulty has in some measure been overcome by the efforts of a one-man Chamber of Commerce (who incidentally is not affiliated with the body by that name but is more active than some who are) who has succeeded in being assured by the Pennsylvania Railroad Passenger Agent that an additional Northbound train will stop here, effective April 27.

As told to us, at the present time Newark has no Northbound train service on the Pennsylvania, on Saturdays, from 8:43 a. m., until 4:54 p. m., so the new arrangements will greatly assist all those who cannot make the 1:24 on the B. & O.

Signed by F. M. Ware (no relation) the Pennsylvania passenger agent's letter to our helpful citizen reads: "There will be a general timetable change effective April 27, at which time adjustments will be made because of the adoption of Daylight Saving Time, and effective with that date it has been arranged that Train No. 166 (2:10 p. m.) will stop at Newark on Saturdays.

"This will mean some improvement in the train service at Newark, and I appreciate your having taken the trouble to call this matter to our attention."

We think this civic-minded individual, responsible for the additional Saturday train stop, deserves a hearty word of thanks from all those of you who may have occasion to avail themselves of this service . . . and, since you don't know who he is, we'll do it for you and publicly say: "Thanks, pal."

Business is picking up in the forthcoming Town Election . . . belated as usual for it seems that everyone who wants to run for office always holds off making public announcement until the last minute. Why we don't know . . . but usually when a contest occurs each individual seems reluctant to file his intentions until the last minute and then, often, it is too late to do much good.

However, in the case of Robert B. Davis, who filed as a candidate for Council from the Middle District, on Monday, and George Ramsey, incumbent seeking reelection both of them made up their minds and said so early.

Making his debut into town politics, Mr. Davis will oppose Mr. Ramsey who is seeking reelection, from the Middle District, for his seventh term, thus creating the only contest at the moment . . . but anything can happen before the deadline for filing which is Saturday noon.

The McSpadden-McDonald-Brunan-sky haberdashery trio have decided to call their establishment, soon to open at 173 East Main Street, with a complete line of what the well-dressed man will wear, The Toggery, Inc., which is a right smart and appropriate name for an establishment of that type.

One of the chief Republican campaign promises last Fall was that if the voters would do the right thing, a G. O. P. majority in Congress would try its best to force a radical reduction in the crushing tax rates built up during the last 14 years by New Dealers . . . substantial proof that they are making a good try is furnished in the fact that the House Ways and Means Committee has approved a Republican-backed bill to slash income taxes by thirty percent for the small taxpayers and by twenty percent for most others.

We are in full and hearty accord with the proposal—and the sooner it becomes actual law the safer we'll feel about it.

Advised a month ago by cablegram that she was a grandmother again, Gladys Cooch delayed for a month waiting for a letter giving the specific date of birth of her second grandson before releasing the information to the press . . . this just by way of explanation so you'll understand why it wasn't in the paper before.

Believed to be the first child born in Germany to a Delaware soldier serving in the occupation forces, Anthony Edward Cooch, was born February 27, in Nuremberg, Germany to Capt. Francis A. Cooch III and Mrs. Cooch, the former Elizabeth Etzel, who is a daughter of Mr. and Mrs. Gastao Etzel, formerly of Newark. Capt. and Mrs. Cooch's first son, F. Allyn Cooch IV, is also with his parents, in Germany.

Davey Douglass is expected to be available for private golf instruction at the new Boulevard Driving Range, Governor Printz Boulevard and Fortieth Street, when it opens the early part of April.

Don't forget, if you contributed in 1946 or 1947 to the Newark Recreation Association, Inc. you are a member and as such urged to attend the election meeting of that organization, at Dr. Downes office, 8 p. m. April 1.

What incidents in YOUR life make you realize that you aren't as young as you used to be?

As predicted, the proposed Town Charter has been withdrawn from the Legislature, which probably is a good thing. But now it will be at least two more years before it can be passed . . . if then.

Apparently all the talk about Chrysler going to really start something is finally about to come true.

A curfew ordinance making it illegal for boys and girls under 18, unless on legitimate errands, to be on the streets after 10 p. m. without their parents, has been passed in Los Angeles—that's a long way's from home but the idea might be worth considering.

Six

MARTIN DRILLS HEN NINE FOR DEBUT WITH RANDOLPH MACON AWAY NEXT TUESDAY

First Home Appearance Will Be April 8 Against Johns Hopkins; Martin Working With Two Teams; Five Varsity Men From Last Year's Championship Team Back

Coach William S. Martin sent his Blue Hen baseball squad through stepped-up practice drills this week in preparation for their opener next Tuesday with Randolph-Macon on the latter's diamond.

The following day the Blue Hens move to the University of Richmond for the second in their 5-game series with Virginia teams, with which they open the season. Their first appearance on Frazer Field will be with Johns Hopkins on April 8.

Five regulars from last year's team, which, in its first try, won the Middle Atlantic States Conference crown, have returned. They are: Billy Cole, at second; Captain Phil Doherty, third base; Gerald Doherty, left field; Charley Griffith, center; and George Schaeen, catcher.

Although Martin has lost his entire championship pitching staff through graduation, he has some outstanding talent coming up and expects the team will give a creditable account of itself. Bright prospects so far are: Merrill Myers, Al Thorpe and Harold Wilson.

Martin has been working with two opposing teams as follows: Joe Pennoek, first; Phil Runcie, second; Jim Gilson, shortstop; Dutch Clark, third; Nick Ganoudis, Joe Granston and Miller, outfielders; and Tom Skripps, catcher. The second line-up: Bob Pauls, Red McFadden, Joe Davis and Ed Carullo, infielders; Wright, Murray and Gerald Doherty outfielders; and Gene Gallagher, catcher.

Rhode, an exponent of the clean, scientific, style of grapple, and a favorite with Wilmington mat fans, returned to Wilmington three weeks ago and disposed of the Golden Terror in impressive fashion. However, in Morgan he will meet a redoubtable opponent and one who calls upon all tricks of the trade to gain the advantage.

Morgan will probably need all of his rough tactics when he stacks up against Rhode, who, although preferring to wrestle along ethical lines, can also get rough if the occasion demands. Morgan, who weighs a mere 315, will be seeking to rebound from his defeat at the hands of Primo Carnera, a few weeks ago, a factor which alone guarantees Rhode a tough bout.

The windup principals will battle over the one-fall-to-a-finish route.

Supplementing the windup will be another team match which pairs off the tandem of Sandor Kovacs of Hungary and Jesse James of Washington against Jan Blears, the English champion and Ace Freeman of New York.

The team match will be best out of three falls. Two one-half hour bouts will open the show.

In the opener at 8:45 o'clock, Olaf Erickson of Elmer, N. J., will face Ed King of St. Louis, Mo., and in the second bout Abe Stein of the Bronx will tangle with Rudy Valentino former bull-fighter of Mexico.

AUTO RACES TO OPEN AT TRENTON, N. J.

Schedule To Begin April 13

For the first time in history, the Eastern big car auto race season will open at the New Jersey State Fair Grounds, at Trenton, on Sunday, April 13.

J. H. Lamb, secretary of the American Automobile Association contest board, announced this week that a sanction for the race had been issued to Sam Nunis, owner and directing manager of Sam Nunis Speedways, who staged more than 70 per cent of the race meets held in the East last year.

Lamb said the program at Trenton would consist of seven sprint racing events for regulation type race cars. The events include time trials, four-eight-mile qualifying heats, a three-mile match race, and a 20-mile featured sweepstakes final.

On being advised that the opener had been assigned to the mile track at Trenton, Nunis immediately set out to round up an all-star field of drivers. He said no stone would be left unturned to procure the best talent available.

"The way it looks at the present time, we'll have just about every outstanding dirt track and speedway driver in the East and Mid-West," he declared. "We've also contacted several 'hot shots' from the Pacific Coast, and I've already received an acceptance from one of the boys out there."

In receiving the sanction for the 1947 Eastern opener, the Trenton track steals the march on several neighboring tracks in Pennsylvania. Prior to the war, the opening events of the season were staged annually at the Reading, Pa., Fair Grounds. Last year, the curtain raiser went to another track in the Keystone state.

The Newark Post, Newark, Delaware, Thursday, March 27, 1947

40 NHS Baseball Candidates Report

Six returning lettermen were among the forty candidates reporting to Coach Frank Mercer on the opening of baseball practice at the Newark High School this week.

The veterans are: Jimmy Ford, John Takach, Bob Gregg, Dick Davis, Don Martin and Danny Hamilton.

The Jacket nine will work with Brown Vocational and close with Conrad.

EXAMS FOR LOCAL POST OFFICE JOB

Deadline On Applications On April 7

An examination for Substitute Clerk-Carrier for duty at the Newark, Del., Post Office was announced today by the Director, Third U. S. Civil Service Region.

Special Delivery Messenger positions will also be filled from the Substitute Carrier eligible list resulting from this examination.

Substitutes start at \$1.04 per hour while Regular employees are paid from \$2100 to \$3100 per year. Applicants must actually reside within the delivery of the Post Office or be bona fide patrons of such office. Persons now employed in the Post Office will be considered bona fide patrons.

There are no experience requirements needed for this position. All applicants will be required to take a written examination. Because the use of motor vehicles is required in city delivery service, no person will be appointed as substitute city carrier who does not drive an automobile.

Applicants must have reached their eighteenth birthday but must not have passed their fiftieth birthday on the closing date for receipt of applications and must be citizens of or owe allegiance to the United States, or must be citizens of the Republic of the Philippines. The age limits will be waived for veterans.

Applications for this examination must be on file with the Director, Third U. S. Civil Service Region, 103-A Customhouse, Philadelphia 6, Pennsylvania, not later than the close of business on April 7.

Interested persons may obtain further information and the necessary application form from the Commission's Local Secretary Mr. W. Singles, located at Newark Post Office, or from the Director, Third U. S. Civil Service Region, 103-A Customhouse, Philadelphia 6, Pennsylvania.

\$190,000 IN ADDED MONEY IS FIXED FOR DELAWARE MEET; TOTAL PURSE NEARS MILLION

New Steeplechase Event With \$10,000 Added Brings Total Stake Races To 14; Eight \$10,000 Events Will Be Offered All 2-Year-Old Stakes Are Increased

It's up again in the added money for the stakes program at Delaware Park where the 1947 race meeting will begin May 28, according to an announcement from J. G. (Gil) Haus, Racing Secretary of the Delaware Steeplechase and Race Association. This is the tenth year in succession there has been an increase. A total of \$190,000 in added money is on the present program. The combination of purse money, and stake money, as above, will make for almost a million dollars in total distribution to horsemen for the thirty day season which comes to an end July 5 next.

Delaware Park has added another stake, making a total of fourteen. The new stake will be a steeplechase on the opening day to inaugurate Delaware's new policy of increasing jumping races. The new event has been named Tom Roby and will carry \$10,000 in added money, which incidentally will be Delaware's minimum stake value. The race is the idea of Bayard Sharp, a director of Delaware Park and leading figure in steeplechasing.

The \$5,000 Spring Maiden Steeplechase, is a joint promotional effort of Pimlico, Belmont and Delaware—the added money is set by the National Steeplechase and Hunt Association. Delaware's decision to make \$10,000 its minimum stake value, gives the course near Wilmington eight events at that figure. All the 2-year-old stakes have been increased. Once again the three \$25,000 features—Kent, Sussex and New Castle Handicaps, will top the program.

Mr. Haus also disclosed that the Diamond State, Delaware's proudest three year old feature, run under the sporting early closing conditions, will be renamed in honor of the late Leonard Richards, for many years Chairman of the Delaware Racing Commission, and long an officer of the National Association of State Racing Commissioners. It will be run under the new name for the first time in 1948 and the value has

been raised, according to yesterday's announcement, so that there will be \$17,500 in added money in that year.

However, such early closing stakes have so much of a "plus" in nomination fees that the gross value of the Diamond State-Leonard Richards Memorial will be in excess of \$25,000.

The same increase in added money applies to the Delaware Oaks, exclusively for fillies. Delaware's other early closing stake. Thus there will be five events grossing approximately \$25,000 each at Delaware Park. It has been the practice to increase the Diamond State and Oaks added money \$2,500 each year, which practice is continuing.

The stake program:

Lukens Steel Nine Seeks Contests In This Section

Lukens Steel Company's baseball team, one of the fastest outfits in the Chester Valley is booking games for the 1947 season, and is desirous of obtaining competition from outstanding hard ball teams from this area. Games can be arranged on a home-and-home basis or as individual contests. Booking arrangements are in the hands of William Rice, baseball manager, Lukens Steel Company, Coatesville, Pa.

THE UNIVERSAL

Jeep

THE VERSATILE FARM VEHICLE
THAT SPREADS ITS COST OVER MORE JOBS

—PLOW WITH A 'JEEP'

The 4-wheel-drive 60 hp "Jeep" does the field work of a light tractor—pulls plows, discs, harrows, etc.—both pull-type and hydraulic. Low speeds of 2 to 7 mph. Easier and safer for the driver.

—OPERATE EQUIPMENT

The power take-off of the "Jeep" delivers up to 30 hp for belt work with mills, saws and blowers—powers sprayers, mowers and other shaft-driven equipment.

—USE IT AS A PICK-UP

The rugged "Jeep" hauls loads up to 1200 lbs., using 2-wheel drive for economy on the road, 4-wheel drive for hard going or off-the-road use. All-steel body with tail gate.

—TOW WITH A 'JEEP'

A great tow vehicle for trailers and wagons, with truck speeds on the highway, tractor power for mud roads or in the field. The "Jeep" works the year 'round!

LET US DEMONSTRATE ON YOUR FARM!

EBENEZER LISTS PLANS FOR EASTER OBSERVANCE

**Sunrise
Service To
Be Held On
Easter Sun.**

A schedule of Easter services for the Ebenezer Methodist Church, to be climaxed by a sunrise service at 7 a. m. Easter Sunday morning, was announced this week by the pastor, the Rev. A. Dudley Ward.

The sunrise observance, which will be held out-of-doors weather permitting, otherwise in the Ebenezer Church sanctuary, will be a union service of the following churches: Red and White Cedar Presbyterian, Stanton, Hockessin, Cedar and Christiana Methodist. The sermon will be delivered by the Rev. Paul McCoy, the associate pastor of Grace Methodist Church, Wilmington. The Ebenezer choir will sing a victory anthem, "He Lives," and special music will be presented by a duet of trumpeters and vocal soloists from the various churches.

A cordial invitation to attend is extended to the general public.

The Holy Week observance will open Palm Sunday, with a baptismal service followed by worship exercises at 11 a. m. The latter will feature two special anthems by the choir, "The Palms," by Fauré and "The King of Glory," by E. L. Ashford. The sermon will be entitled "He Comes."

Thursday evening preceeding Good Friday the church will hold its annual Holy Communion service. A number of new members will be received into the fellowship at this time.

On Good Friday, the church will participate in the annual Union Service of the churches of Mill Creek Hundred to be held this year at 8 p. m. in the Marshalltown Methodist Church. Churches taking part are: Red and White Cedar Presbyterian, Stanton, Hockessin, Cedar and Ebenezer Methodist and St. James' Episcopal. The ministers of the various churches will participate, with the Rev. Gordon Ruff of Red Clay Presbyterian Church preaching the sermon.

Concluding the Easter observance, the Ebenezer Church will hold a worship service at 11 a. m. Easter morning, following the sunrise service. The choir will render two anthems, "Greet This Day of Gladness," by William R. Spence and "The Lord God Omnipotent Reigneth," by Ira B. Wilson. The Easter sermon will be by the pastor on "Winning the Day."

BUILD THRIFTY CHICKS

Eshelman

RED ROSE STARTING FEEDS

If you've bought well-bred chicks this year, that's a good start. But what counts is the number of thrifty birds you raise. Let Red Rose Starting Feeds do their part in laying the important foundation for the sturdiness and resistance that mean so much with growing birds. Build thrifty chicks the proved Red Rose-way. Thrifty chicks are profitable chicks.

The Red Cross drive is on...

Why?

Yes, the war is over.

But the Red Cross war against misery and suffering never ends. In peace, as in war, the Red Cross keeps on fighting—fighting for human happiness and welfare all over the world.

ASK THE VICTIMS OF DISASTER. Hurricanes, floods and epidemics strike at thousands of American families every year. This year, as always, the Red Cross will be there—with emergency medical aid for the injured... food, clothing and shelter for the homeless... rehabilitation for the needy. War against human suffering never ends!

ASK OUR WOUNDED VETERANS. They know at firsthand how the Red Cross helps them through their suffering, and makes their days less drab. Right now, the Red Cross is providing thousands with guidance in personal and family problems... furnishing representation for their claims... aiding readjustment to civilian life. Concern for our veterans' welfare never ends!

ASK OUR GIs. The Red Cross is a link with home. It helps maintain the GI's morale with recreational programs and many personal services. The need for this touch of home continues!

ASK THE VICTIMS OF ACCIDENTS. Every year, 100,000 are killed and 10,000,000 injured by accidents in the U. S. Red Cross First Aid, Water Safety, and Accident Prevention programs help reduce this tragic toll. The war on accidents never ends!

... So the Red Cross asks you to Give!

For this vital, humanitarian work, the Red Cross needs your help. Your contributions will help thousands of our fellow-Americans—many of them in our own community.

So, won't you give now to the American Red Cross? It depends on you... just as countless Americans will depend on it. We know you won't let them down!

GIVE—so your RED CROSS

can carry on!

THEO. JONES, C. OF C. HEAD, NAMES 1947 COMMITTEES

Members Called On To Cooperate In Group Plans

Calling on the members to lend their support to the Newark Chamber of Commerce's program for the coming year, Theodore S. Jones, newly elected president of the group, this week announced his standing committee appointments for 1947. He urged the members to cooperate in discharging their duties and to avoid letting the brunt of the organization's work fall on the shoulders of a few.

The complete list of appointments follows: Membership, Barney Renshaw, chairman, Frank Smith and Ray Elliott; finance, C. E. Rittenhouse, chairman, Len Walbridge and J. E. Dougherty; publicity, Jerry Weinberg, chairman, R. T. Ware and D. Poffenberger; constitution and by-laws, H. Handloff, chairman, Alvin Handloff and C. E. Rittenhouse; projects, George Neighbors, chairman, Lou Staats, Len Walbridge and George Jackson; dues, E. J. Hollingsworth, chairman, Lou Staats and W. S. Hamilton; civic, George Haney, chairman, M. S. Dale and Russell Sing; fire prevention, Dan Harvey, chairman, Frank Smith and George Neighbors; merchandising, George Jackson, chairman, Jerry Weinberg and Savitch; safety, Weldon Waples, chairman, George Wiggins and J. Cunningham; community health, C. E. Johnson, chairman, Dr. Cox and Dr. Nutter; national affairs, M. Pinick, chairman, E. J. Hollingsworth and Si Pettit.

Stressing that the over-all goal of the C. of C. is promoting business interest of Newark, President Jones urged the members to feel free to submit comments, suggestions and criticisms on the program for the coming year.

NHS PUPILS MAKE TOUR

Members of the student's drivers course at the Newark High School toured the Ford Motor Plant, Chester, Pa., recently as guests of the Fader Motor Company here. Leroy C. Hill, the group's instructor, Mr. Fader and other guests accompanied the students.

The class viewed the entire assembly process of a Ford car, beginning with the chassis and following through to the finished car or truck, which was driven off the line under its own power.

In the group were: Romaine Benson, Doris Creswell, Joan Stiltz, Nancy Baylis, Rita Aulen, Joyce Buckingham, Delena Amorosa, Eleanor Brown, Charlotte Bookhammer, Virginia Cleaves, Ida Mae Cecil, Betty Davis, Dorothy Dempsey, Janet Eastburn, Elva Edwards, Joyce Fanning, Catherine Highfield, Dorothy Kelly, Anna Kelly, Priscilla La Grange, Bettie Musser, Gertrude Rogal, Betty Riley, Lynette Steiner, Barbara Soule, Florence Thomas, Mildred Vansant, Betty Long, Elizabeth Tweed, Richard Davis, Tony Cosetti, Jimmy Scotten, Gordon Cleaves and Alex La Pera.

Zeitler Owned Guernsey Sets Advanced Record

A daughter of the registered Guernsey sire, Foremost Waverly, owned by Peter Zeitler, Glasgow, Delaware, has completed an official Advanced Register record. She is Duet's Blossom of Waverly which produced 10343 pounds of milk and 503 pounds of butterfat on twice daily milking for 305 days while on test and carrying a calf. She started test as a Junior three year old.

Foremost Waverly has four daughters in the Performance Register of The American Guernsey Cattle Club.

This record was supervised by the University of Delaware and reported to The American Guernsey Cattle Club for approval and publication.

UNIVERSITY STAFF GETS PAY BOOST

\$200 Annual Cost-Of-Living Grant Approved

A \$200 annual cost-of-living grant to all full-time employees of the University of Delaware was approved Monday by the University's Board of Trustees at a special meeting in Newark. The recommendation for the grant, effective April 1, was made by President William S. Carlson of the university.

A cost-of-living increase to other state employees, effective last January 1, excluded the university's approximately 400 employees. The grant is the first general salary adjustment at the university in 30 months, since October 1, 1944. Dr. Carlson pointed out.

Included in the action are the teaching members of the faculty, members of the staff of the university library, members of the administrative secretarial, stenographic, maintenance and operating and dining hall staffs; the research staff; and the persons connected with the Agricultural Experiment and Extension Service. The only full-time employees not included are Dr. Carlson and those connected with the university only since March 1.

Part-time employees will receive a grant proportionate to the time they are employed, and employees who are on a weekly or hourly basis will receive a 10 per cent increase.

Holders of scholarships or fellowships, and graduate and student assistants do not participate. The grant will be pro-rated on a monthly basis.

Outstanding Mark Set By Zeitler Guernsey

A registered Guernsey cow, Sister Sue of Green Acres, owned by Elizabeth Zeitler, Glasgow, Delaware, has completed an outstanding Advanced Register record of 12027 pounds of milk and 608 pounds of butterfat on twice daily milking for 305 days while on test and carrying a calf. She started test as a Senior four year old.

Sister Sue is a daughter of the outstanding Guernsey sire, Broadland Masterpiece, that has twenty-one daughters in the Performance Register of The American Guernsey Cattle Club.

This record was supervised by the University of Delaware and reported to The American Guernsey Cattle Club for approval and publication.

MAJ. SHORT SUCCUMBS ON MONDAY

Del. Educator Dies At Lewes

Maj. Clarence A. Short, former professor of mathematics and engineering at the University of Delaware and one-time president of the board of trustees of the Newark Methodist Church, died Sunday morning at his home in Lewes.

Well-known in Delaware for his work in education, the National Guard, the Methodist Church and fraternal organizations, Major Short served as a teacher or executive in a number of schools in Delaware and in other states in a career of more than 40 years in education.

He also served as inspector general of the Delaware National Guard, with the rank of major; held leading positions in the Masons and the Knights of Pythias; and was for 28 years secretary of the Lay Electoral Conference, of the Wilmington Conference, Methodist Episcopal Church (which is now the Peninsula Conference, Methodist Church). Major Short's 28-year record is said to be the longest period served in a similar position in the church by any person in the United States.

He was head master of the North Carolina Military Academy, Red Springs, N. C. for five years before starting his 14-year tenure at the University of Delaware.

Funeral services were held yesterday at the Lewes Methodist Church and interment was in the Methodist Cemetery at Newark.

Zeitler Owned Guernsey Sets Mark

A registered Guernsey cow, Sun Set Fairy Queen, owned by Elizabeth Zeitler, Glasgow, Delaware, has completed a creditable Advanced Register record of 9677.9 pounds of milk and 477.6 pounds of butterfat, on twice daily milking for ten months. She started test as a junior two year old.

Fairy Queen is the third daughter of the registered Guernsey sire, C. F.'s Prime Minister.

This record was supervised by the University of Delaware and reported to The American Guernsey Cattle Club for approval and publication.

First Anti-Trust Legislation

The first Congressional act providing anti-trust legislation was enacted by the Congress of the United States on July 2, 1890. It was known as the "Sherman Act," having been fathered by John Sherman, a Senator from Ohio.

- Announcement -

Effective April 1, 1947, Mr. Walter R. Powell is retiring from the operation of his Ice Cream Business.

The previous manager, Mr. Grover T. Surratt, is succeeding him in the business which will operate under the new name appearing below.

Mr. Powell desires to thank you for your past patronage and recommend that you continue patronizing his successor.

**POWELL'S
ICE CREAM COMPANY**

Dial 3171

5-YEAR STUDY OF ORCHARDS

Soil Practices Are Compared

Five years' results in comparing various soil management practices for peach orchards in southern Delaware were reported recently by A. L. Kenworthy, associate research professor of horticulture.

The studies, conducted at the agricultural sub-station of the University near Georgetown, show that the best cropping program for young peach trees is the use of soybeans in the summer, followed with rye and vetch in combination in the winter. When rye grass was substituted for rye and vetch, there was a depressing effect upon tree growth.

The substitution of chicken manure for sodium nitrate tree applications did not prove successful. Even though enough chicken manure was used to equal the nitrogen in sodium nitrate applied, growth of the trees was depressed because of a lack of nitrogen available to them.

Other cover crops such as rye and vetch alone, and soybeans with crimson clover, did not show any significant effect on tree growth.

County Farmers Urged To Sign For 1947 Plan

Many of the farmers in New Castle County have not as yet signed their 1947 Farm Plan. Any who wish to receive payment for using lime or phosphate, must be signed in the program before the deadline—March 31, 1947. Only Ground Limestone and 18% and 20% Superphosphate may be purchased through the AAA. Any other lime or phosphate must be bought commercially and the farmer will be partially reimbursed in 1948.

Farmers may seed crimson clover or ryegrass in the fall of 1947, turn under small grains seeded in the fall of 1946, turn under soybeans or leave them on the ground, establish a Permanent Pasture, seed lespedeza as a Cover Crop, construct drainage ditches, or harvest clover seed, and receive payment through the AAA. In order to be eligible for any of these payments, the farm must be in the 1947 program.

There will be a special sign-up meeting for Appoquinimink and Blackbird hundreds from 9 a. m. to 5 p. m. at the Townsend Fire Hall on Friday, March 7th. This is for the convenience of those farmers who could not sign up at the previous meeting because of weather conditions.

Any of the farmers in New Castle County may come to the County Office in Newark between the hours of 8 a. m.-12 noon and 1 p. m.-5 p. m. and sign but they must come by March 31st.

CERTIFICATE OF REDUCTION OF CAPITAL

PENN INVESTMENT COMPANY, a corporation organized and existing under the General Corporation Law of the State of Delaware, does hereby certify as follows: 1. That at a meeting of its Board of Directors, duly held and convened on February 11, 1947, a Resolution was adopted to that effect voted by the Stockholders of the corporation at their Annual Meeting duly held and convened February 11, 1947, setting forth a proposed reduction of the capital of said corporation in the manner and to the extent hereinafter set forth.

2. That at the said Annual Meeting of Stockholders of the above-named corporation, (the Annual Meeting having been called upon at least ten days' notice given in accordance with the By-laws thereof), a Resolution was duly adopted by the holders of record of a majority of the shares of stock of the corporation having voting power, directing the Directors of the corporation to reduce the capital of the corporation from \$114,080.10 to \$107,768.70, in the following manner: By retiring 314 shares of Preferred Stock without par value, owned by the corporation, the amount of capital represented by each of said shares being \$20 \$6,280.00 By retiring 314 shares of Common Stock of the par value of \$10 per share, owned by the corporation 3,140 Total 9,420

The resolution so adopted provided that an amount not exceeding that part of the capital of the corporation represented by the shares so retired may be charged against the capital of the corporation in respect to such shares.

3. That the Certificate of Incorporation prohibits the reissue of said Preferred and Common Shares so retired, and pursuant

to the provisions of Section 28 of the General Corporation Law of the State of Delaware, upon the filing and recording of this certificate as therein provided, the Certificate of Incorporation of said corporation shall be amended so as to effect a reduction in the authorized Preferred Stock of the corporation to the extent of 314 shares, being the number of such shares without par value so retired, and also to effect a reduction in the authorized Common Stock of the corporation to the extent of Thirty-one Dollars and Forty Cents (\$31.40), being the aggregate par value of 314 shares of such stock so retired.

4. That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said PENN INVESTMENT COMPANY has caused this Certificate to be signed by its Vice-President and its corporate seal to be affixed, duly attested, the 17th day of March, A. D. 1947.

CLIFTON WOODWORKING PRODUCES DE LUXE PORCH ENCLOSURES SUITED TO TODAY'S NEEDS; FOUNDER'S SON, NOW IN FIRM, HAS 5 BATTLE STARS

A highly exacting method of providing the best for the public has resulted in a major degree of approval for Clifton Woodworking, Inc., 1002 Concord Avenue, Wilmington.

Deluxe porch enclosures are manufactured of top quality materials while expert workmanship and proper methods of getting them together have added

to the popular acceptance of the Clifton line as standard.

Twelve years ago the business had its beginning at 629 South Bancroft Parkway. It moved to its present location just before the war and with added space and facilities was able to produce a superior line. The important addition to its work is combination storm windows and screens to provide a maximum of comfort and protection for homes and business places in every season of the year.

Charles H. Clifton is the experienced and versatile president of the concern while his son, Robert G., serves as vice-president.

The junior member of the firm spent three and a half years with the 84th Division and saw extensive service in the European Theater of Operations.

He was one of the first American soldiers to join with the Russians in the final battles on the continent.

Five battle stars are the best testimonials to his tour of war duty.

A state-wide service has been de-

veloped by Clifton Woodworking, Inc., with the result that customers from all over the area put every confidence in the business and its ability to please them well.

To keep service at top pace requires 18 workers. The staff has many jobs to do and several of the workers are experts in all or most of them, while others specialize in some particular

department.

Two trucks are used to make prompt delivery and provide the basis of speed for getting the enclosures or combination windows up.

The fact that folks will have a greater appreciation of their homes as future marks out the course the Clifton concern will follow to greater recognition.

INTERSTATE AMIESITE CO. INSTALLS SERVICES ASPHALT PAVING; SOME AMIESITE IS PRODUCED

The need for paving in most cities and towns throughout the nation is a post-war cry that must be heard and about which something must be done. If its extensive plans for the present and future, Interstate Amiesite Company has taken the initiative.

Back in 1924 when the business with offices in the Delaware Trust Building,

Wilmington, was established, it made a record of impressive proportions right from the start in its production of amiesite.

With the expiration of patents, it converted its plants into producers of hot asphaltum, although the manufacture of amiesite has continued.

Most of the current program is de-

voted to paving and repairing paving. This is strictly an undertaking using asphalt and the benefit of the work to cities and towns everywhere has won new praise for Interstate Amiesite Company.

Plants are maintained in Pennsylvania, West Virginia and Maryland, with 11 in operation now.

Throughout Delaware, Maryland, Pennsylvania, West Virginia and eastern Ohio the work continues with Col. George H. Bunker as president of the firm and Frank R. Webb, vice-president and manager; E. B. Gallagher, secretary and treasurer, and Col. John B. Ward, chairman.

WILMINGTON OIL REFINING COMPANY PREPARES OUTPUT USED IN TANNING

The ability to keep customers well satisfied while maintaining a service of extensive proportions directly for their benefit has elevated Wilmington Oil Refining Company to its present level of recognition.

A highly specialized member of its work, the plant at 4th Street and Green Hill Avenue, Wilmington, prepares petroleum oils for use by tanneries. This

is a vital service and one with which the tanneries of Wilmington, Philadelphia and many other cities of the East could not do without.

During the 20 years the business has been established it has never failed to offer a maximum of capable endeavor and its record of faithful service is reflected in the keen desire of the management to always improve its facilities and, in turn, its output.

Mrs. Katherine Barnes succeeded her husband as president in 1934. David H. Barnes, a brother of the founder, managed the firm until his retirement in 1944.

Mrs. Barnes' son, Albert E., became manager and held the office until his recent death when his brother, John R., took charge. Mrs. Margaret Schrader is secretary and treasurer.

MESSINA BUTCHERS BEEF AND VEAL WITH OUTPUT SOLD AT WHOLESALE

In an expert and thorough-going service plan aimed at helping as many homes as possible get good meats through their retailers, Raymond Messina has made his location at 701 North Lincoln Street, Wilmington, an outstanding asset in the wholesale meats field.

Thirty-eight years ago, Rosario Messina established the firm and put it on

a sound basis with ideals and methods offered that pleased everyone. His efforts were directed along lines well in advance of the then need and during the years that have followed his original ideals have shown their true worth.

Raymond Messina took charge 13 years ago. He knew the standards his dad had set would remain highly satis-

factory so he retained them, but added new ideas and methods to improve welfare of customers in keeping with present-day standards.

Butchering beef and veal Messina provides his customers with a uniform service schedule, making deliveries over the area in the shortest possible time and assuring freshness in each instance. He is known as an expert in the work.

BEST WORKING CONDITIONS PREVAIL FOR 850 AT AMALGAMATED LEATHER

Mindy has long held reptile leather as one of the most attractive, while its durability makes it all the more desirable. Later years have found an even wider acceptance of alligator, snake and similar leathers for shoes and handbags with Amalgamated Leather Companies, Inc., Front and Adams Streets, Wilmington, a foremost member of the activity.

The original leather processing firm was opened in 1872 at the present location of Amalgamated under the name of F. Blumenthal Company. The Amalgamated concern came into being with the adoption of its present title in 1919.

Glazed kid was turned out in large quantities long before reptile leathers were popular which, resulted in a wide acceptance of the firm's products among

shoe, bag and glove manufacturers in the early days. Kid is still produced.

The 850 workers are employed under the best conditions.

Officials of the firm are:

John B. Blantz, president and treasurer; William C. Frederick J. Blatz, vice-presidents, and John F. Bishop, secretary and assistant treasurer.

JOS. B. BESTE CO. WORK IMPORTANT TO ENTIRE AREA FOR HALF-CENTURY

The work that has been accomplished by Joseph B. Beste Company for the last 50 years is recognized for its importance, but the concern fills a place of even greater consequence now as its customers need the output more than ever in the current period of shortages.

Operating from 707 South Market Street, Wilmington, the Beste enter-

prise collects fats and meat scraps from slaughter houses and meat markets all over the region, employing 10 trucks in the task and requiring a personnel of 25.

Within 100-miles of the city, Joseph B. Beste Company is relied on to clear out the cast-off materials of the butchering trade.

Fertilizer is prepared from the col-

lections, while meat scraps are available for farmers. New York has the need for waste disposal, and the organization is aimed at alleviating the concern for the last decade, making possible its present course of activity to benefit its customers.

B. AND S. LEATHER MANUFACTURING COMPANY PRODUCTION IS RELIED ON BY FIRMS PRODUCING LEATHER NOVELTIES

Leather novelties have long been popular, but their adaptability to so many unique uses and the ever-increasing demand for the newest trends in them has made the B. and S. Leather Manufacturing Company's plant at 718 West 6th Street, Wilmington, a busy spot.

In the last six years the firm has instituted the most advanced methods and measures for serving its clients well and the result of its efficient and exacting attention has been to win it a place of even greater consequence in the life of its own activity and the area in general.

Tanning leather for the novelty trade, B. and S. ascertains that the customer gets exactly what he asks for and the production reflects the particular interest of the management and personnel in working in close co-operation with the novelty manufacturer so that his specific needs will be met to the letter.

Many firms throughout the eastern

part of the United States take the output and convert it into a variety of things, most of which go to make the world a happier and more efficient place in which to live.

Harmony between the workers and Ernest Biringer, directing head of B. and S. Leather Manufacturing Company, has resulted in a uniform pro-

duction highly suited to today's requirements.

Fifty employees of the plant appreciate the working conditions that prevail at B. and S. has set the pace in many instances for the type of friendly, helpful interest in workers' problems that means better production and improved relations.

DELAWARE BARREL CO. IS ONLY INDUSTRIAL RECONDITIONER OF STEEL DRUMS IN STATE; WORKER-MANAGEMENT IN HARMONY

Shortly after the end of the First World War a firm was established in Wilmington destined to fulfill the most stringent requirements of its clients and meet the demands of successive eras despite the fact that many changes and unusual conditions came about.

Delaware Barrel Company, Inc., was

the firm of that distant day that plants and individuals began to rely on more and more with each passing day. It is still the dominant member of its line of activity in the state, being the only firm here to recondition steel drums industrially so that they may be used over again and aid the general trend of conservation.

The original location of the firm was opened in 1919 on Hill Street. Later, the business moved to 701 South Market Street and on January 1 Delaware Barrel Company moved to New Castle and Columbia Avenues, Eden Park Gardens.

Excellent working conditions and harmonious relations between person-

nel and management have resulted in much of the success of the company. Many of the employees have been on the payroll for many years. Even newcomers catch the idea and spirit of co-operation which exists at Delaware Barrel Company and become an integral part of the general production schedule in a short time.

Throughout the industrial life of the East Coast the concern's work is appreciated to a marked degree while several firms benefit from its reconditioning of drums as far west as the Mississippi.

Delaware Barrel Company has an output of re-equipped drums of 42,000 a month.

AUTOMATIC HEATING EQUIPMENT CO. WELL BACKED BY VAST EXPERIENCE

In a scope of service that covers Delaware, the Eastern Shore and parts of Pennsylvania, Automatic Heating Equipment Company, Inc., keeps 30 workers busy in fulfilling the demands and expectations of its scores of clients.

The firm at 1 A Street, Wilmington, serves as representative for Chrysler Airtemp air-conditioning heating and refrigeration units and similar equip-

ment of the Chrysler Corporation.

Gas, oil and coal-fired systems are installed and serviced, with modern stokers that take the drudgery out of maintaining a fire are stressed.

Refrigeration to meet every demand, either residential or commercial, is provided and the full range of maintenance afforded. Packaged air conditioners are put in and kept in condition.

The wholesale and retail departments of the firm have behind them 30 years of successful endeavor. This long experience makes Automatic Heating Equipment Company one of those infallible elements in a highly important line of work.

Karl R. Dorries is the versatile directing head.

Fishing Tackle Is Available At Noonan Brothers When You Get That Springitis

With a background of 60 years on which to build and a new era with new demands to challenge further its versatility, Noonan Brothers, successor to John A. Chapman, Delaware Avenue and Scott Streets, Wilmington has made some impressive strides in a relatively short time under present ownership.

Principally a hardware store when James and Charles Noonan took charge in February, the store now contains an impressive supply of sporting goods,

with almost all popular games taken into consideration.

When the streams or sea beckon the disciple of Izak Walton, he will find an excellent array of fishing tackle at Noonan Brothers.

Hardware, paints, home furnishings, seeds and feeds are available to make the choice one of utmost suitability for current requirements. The advice that is always available at Noonan's is as appreciated as its stock.

Kumfort Shoe Store's Plan Credit To Levy

Back in the 1890's Levy's Kumfort Shoe Store was a headquarters for footwear for the family and the changing aspect of the times store is just as much a center now as it was then.

In 1891 the late Morris Levy established the business and put into methods and measures of service highly satisfactory to customers. Women and children found their liking in the shop and 211 Market Street has been a family buying ever since.

Rubbers, boots, tennis shoes and special footwear are contained in ample stock which requires no mention of 10 workers.

Not only in Wilmington, but throughout the entire area, Levy's Kumfort Shoe Store is a model of efficiency.

Wiberg Hardwood Floor Work Brightens Homes

Floors took a beating during the years with the lack of facilities and time to put them in condition. It required the Wibergs to serve as many customers he could during this period and produce measures highly satisfactory to home makers of the post-war period.

Keeping floors in the best condition and giving advice on floor problems a chief interest of Mr. Wiberg operates from 2300 Monroe Street, Wilmington.

Sanding, refinishing and improving floors in homes and places comprises the major endeavor in the regular Wiberg business just as it has for the last 20 years.

Charles Agster's Used Cars Show Best Field Can Offer At The Right Prices

Buying and selling used cars on a large scale and never refusing to purchase new automobiles, Charles Agster has rounded out an impressive schedule of service in the interests of motorists during the year he has conducted his business at 1311 French Street, Wilmington.

Before any used car is sold by Mr. Agster he ascertains that it is put in first-class condition. He wants every customer to be a permanent customer

and this attitude is reflected in his highly personalized and exacting endeavors.

Paying the highest possible prices for used cars and selling them on a small margin of profit, he has made his work a criterion by which the efforts of others are judged.

General manager of the Agster firm is Bill Kruzinski who has put forth every effort to make his round of endeavor highly satisfactory.

Caruso Shoe Repairing Made Possible Through Use Of Top Quality Materials

For more than 50 years Louis Caruso has been working with last, awl and other tools of the shoemaker's trade, satisfying scores of customers and giving his best to every department of the work.

Through 43 years of this period he has had his own business. When folks call him the dean of Wilmington shoemakers they are stating a truism, for Mr. Caruso's shop at 706 West 9th

Street is the home of superior service in this line of activity.

Repairing and rebuilding men's, women's and children's shoes and serving as an authorized shop for corrective footwear repairing, the Caruso location is a center relied on by members of chiropody who entrust their prescriptions to Mr. Caruso and advise customers to go to the Caruso shop to get the best. He has three workers busy at the task.

Nolan And Son Grading, Excavating Work Boon To Coming Era Of Building

The experience, facilities and interest to enable it to complete any task assigned has brought J. J. Nolan one word of praise after another during the last 25 years.

Four years ago, William M. Nolan, son of the man whose name the business bears, joined the firm, but left soon afterward to enter the Army. During his four-year hitch the junior partner's itinerary included Iceland.

Grading, excavating and other tasks

of the heavy-duty type which must be completed before construction can begin have been worked out on schedule for years by the Nolan concern.

Throughout New Castle County the endeavor of the business is known to builders, cement and concrete contractors and others who must have the basic work done well before they can get on the job.

The Nolan location at 2433 West 18th Street, Wilmington, is well known to customers.

Paul O'Neal Landscaping Activities In Demand With Homes And Estates

Getting the work done with a minimum of cost and a maximum of efficiency is the way Paul O'Neal, 837 Morrow Street, Wilmington, has made his landscape gardening bring results.

The confidence that has been placed in the business by home makers, business people, estate owners and institution operators is the best testimonial to how well he has accomplished his tasks.

Everything in original landscape planning and installing is stressed. No

maintenance work is provided

other phases of the work are similar needs for getting the best of the land are sold and other services are contained in the complement of Paul O'Neal's business.

His experience in the landscape business for all but nine years period he has directed his business along the same program.

Better Hearing Institute Has Beltone Equipment For Delmarva Area Clients

The strides forward that have been made in helping folks with hearing difficulties since the turn of the century are numerous, but the name Beltone stands out in a capable line of activity as one of the commanding elements in the field.

Better Hearing Institute, 412 North American Building, Wilmington, lives up to its name in every instance, providing a maximum of endeavor that can be depended on by clients and offering every opportunity to scores of

customers over the Delmarva

to enjoy the world of sound

have heretofore missed.

On March 17, William A. Beltone took charge of Better Hearing Institute, succeeding W. A. Reddish, who lished it 12 years ago.

Mr. Hoffer has a great

his clients and their

PUSEY AND JONES CORP. WILL MARK 100TH YEAR IN 1948; PAPER MAKING MACHINERY FIRM EMPLOYED 3800 DURING WAR

Down through the years, Pusey and Jones Corporation has compiled a record of accomplishment that is recognized as individual and distinctive in the industrial life of the state. Its work has enabled the paper making industry to make great strides during the past years, while its wartime record shows a major contribution to victory on more than one occasion. Shipbuilding has, of course, long

dominated the company's roster. During the recent conflict, the firm at Front and Poplar Streets, Wilmington, employed 3,800 workers. The peacetime force is 800.

Most of the products are sold over the United States, but some are exported.

The Pearl Harbor incident found Pusey and Jones Corporation well prepared to pay a vital role in national

defense, having expanded facilities with its own capital to include a new 550-foot side-launching ways serviced by gantry cranes. Large shops were added.

The 19-knot, 5500-horsepower "Quaker" and "Cavalier," the two fastest United States cargo craft, were built two years before the war in the Pusey and Jones yard.

Three powerful steam tugs were

built, followed by two 206-foot steam ferries and a 3,000-foot, 3600-horsepower passenger vehicular steamer. Though Governmental facilities a new side launching unit was added and a new program of Maritime Commission C-1-A ship construction was begun shortly before Pearl Harbor's fateful Sunday.

Progress was steady at Pusey and Jones Corporation and by the time the tide of victory began to turn in our

favor the yard was more than 70 days ahead of schedule turning out 19 C-1-A types of craft by the end of 1944. Two Diesel electric seagoing hopper dredges were built for the U. S. Army Engineers, meanwhile.

Next year Pusey and Jones Corporation will mark its 100th year of a career steeped in shipbuilding romance and production of paper machinery and precision machine work for "heavy" industry.

Foster Park Pharmacy Improvement Over Former Business; Rexall Line Offered

Believing that the area would appreciate a helpful and exacting professional service, Harry J. Chasanov went far beyond the usual expectations of a pharmacist. Foster Park Pharmacy it was a look to the entire neighborhood, Mr. Chasanov is a PCP graduate.

Formerly the location of a lunchette, the store at 3115 Lancaster Avenue, Wilmington, has a career of progressive proportions behind it, and in the relatively short span

of 10 months, but ahead lies further acclaim for achievements that merit and hold the approval of the medical profession and laity.

A Rexall store, the enterprise features the far-famed line bearing the familiar Rexall label, but the prescription department gets first call. Patent medicines, sick room supplies, cosmetics and personal and home needs are stocked.

The fountain dispenses Borden's ice cream and serves sandwiches.

National Life Insurance Co. Of Vermont Has Served Wilmington For Half-Century

A faithful, exacting and widely appreciated roster of endeavor has attracted thousands of policyholders to National Life Insurance Company of Vermont.

Organized in 1830, the firm has as its manager here L. E. Work who took charge January 1. Mr. Work served in Army four and a half years and saw service in the European Theater of Operations. His personal capabilities and deep

interest in the requirements of his customers have enabled him to imbue his personnel with the spirit of co-operation.

Life policies and standard annuities are offered, with the birth-to-65 range covered. The local office, established 50 years ago and with offices in the DuPont Building since it was erected, has jurisdiction over the entire state and Cecil County, Md.

Four agents are employed under Mr. Work's direction.

Churchless And Evicted Families Chief Beneficiaries Of Volunteers Of America

In a program aimed at helping thousands of persons faced with the terrifying experience of being without ample food, clothing or living quarters, Volunteers of America has written an impressive chapter in the history of free-handed giving.

Li-Major George S. Hotchkiss took charge of the organization's Wilmington division a year ago, at 532 E. 4th St., after 23 years in the V. of A.

The organization had its beginning in 1896 in New York City and its plan

Le Roy's Headquarters For Best Women's Wear

Instituting policies and methods that are certain to please even the most astute person, Le Roy's, the shop folks have depended on for 19 years, continues to meet the public demands.

The recently-remodeled store has a more adequate service than ever with the main floor devoted to accessories and variety of other things that lady appreciates, while the second floor is given over to apparel.

In addition to the dresses, suits and coats in stock, the store at 509 Market Street provides top quality lingerie, handkerchiefs and other items.

<

FOOD FOR THOUGHT

Ably abetted by the scarcity of citrus fruits, tea and other beverages, the constant high temperatures of this summer have proved a boon to soft drink manufacturers. It has been estimated that upwards of \$1,000,000 annually is spent for soft drinks in Delaware—with more money to spend and less goods to buy, this figure is steadily increasing.

The average 6 oz. bottle of soft drink supplies some 65 calories (or roughly, energy equivalent to 1 Tablespoon of sugar), some flavoring, some carbon dioxide and water at a cost of 5c or more. At this rate, each pound of sugar

you eat costs \$1.00 per pound. Since the sweetening is the only food value in soft drinks, it seems wiser to choose other beverages which meet our protective as well as energy needs. This is particularly true for children, for only 5% of their calories can be taken as vitamin and mineral-free calories (sugar, candy, sweet desserts) without affecting their growth and development.

Fruit juices are flavorful as well as healthful drinks. At this writing, grapefruit heads the list of best buys in fruit juices, being low in point value, reasonably priced and an excellent source of C vitamins. Tomato juice, though relatively high in points, is still reasonably priced and is a dependable source of both vitamin A and vitamin C. (Remember to use twice as much of tomato as you do of citrus fruits to meet vitamin C needs). Tomatoes are

so simple to can that the most inexperienced homemaker finds she can make her own juice by sieving canned tomatoes and save both points and money. Pineapple juice supplies 1-6 to 1-3 the vitamin C that grapefruit juice does, but it and other fruit juices will add flavor and natural sweetening to your drinks. Try using 1 part grape juice with 3 parts of grapefruit juice to make Lilac Punch, both the children and grownups will enjoy. If you want it a little sweeter buy the sweetened juice or add the syrup off other canned fruit, but remember you'll probably have fewer toothaches if you eat less-sweet things.

While talking about drinks, let's not forget milk. Consider the long list of nutrients it supplies: a complete protein, fat, carbohydrate, calcium, phosphorus, a little iron, vitamin A, thiamin, riboflavin, niacin, other members of that B complex. Obviously milk is the most nearly perfect food we have. For variety try a milk shake, an egg nog, molasses milk, or occasionally a not too sweet chocolate milk.

All the fruit drinks and most of the milk ones can be made at home for 5c a glass or less. Even if they were to cost more, milk and fruit juices are better buys than carbonated water.

And now a word as to temperature of your drinks, you'll find you stay cooler when they aren't too cold. That cold drink has to be brought to body temperature so the more icy liquid you swallow, the warmer you'll feel. You need extra liquid and often extra salt in summer to counteract perspiration losses so it's smart to slake your thirst with a drink that pays dividends. How do your summer drinks stack up?
