## Central Jr. High Officers Elected By Vote Machine

The entire student body at Central Junior High School participated in an election for student council officers last Monday, using regulation voting machines supplied by the New Castle County Board of Elections.

Students went to the polling place during their social studies class where teachers instructed them in the use of the machines.

Principal H. Nelson Freidly, Jr., said "I was delighted with the seriousness and interest with which these children approached the election of their Student Council officers."

"We are certainly indebted to the County Board of Elections for permitting us to use the voting machines. I think it added a great deal to this learning experience," Freidly concluded.

Joseph Toscano To Direct Delaware Park Admission

Joseph A. Toscano has been named admissions manager at Delaware Park.

According to President Donald P. Ross, Toscano, 46, a graduate of the Merchant Marine Academy at Kings Point, L. I., will be the third Delaware Park admissions manager.

He succeeds the late Theodore B. Noss who suffered a fatal heart attack in August.

## Perkins Cites Students Avoiding Science In "Know Your University Day" Address

Dr. John A. Perkins, president of the University of Delaware, addressed some 200 Delaware women at the annual "Know Your University Day" program on Oct. 29, disclosing that although university enrollments are rising more rapidly than anticipated, distribution by schools and majors is not what had been foreseen.

"The chief characteristic of our society is science," Dr. Perkins said, "yet enrollments in our school of engineering, our school of home economics, and our school of agriculture are lower than expected."

"Students are avoiding the hard sciences — mathematics, chemistry and physics," Perkins said. "These students are smart. They sense that they have not been well prepared and are not equipped for the demands of rigorous college level courses."

"Many high schools in this state and elsewhere are simply too small to offer good scientific instruction. This is not the fault of the high school superintendent or the hard-working classroom teacher, but is the responsibility of the community which resists school consolidation."

He predicted that within the next decade the university will establish a new campus along New London Road, and will spend double the amount expended in the last 13 years for new buildings.

Undergraduate enrollments will probably double today's 3,993 within seven years, he said.

"Know Your University Day" is a cooperative effort to help inform Delaware women on developments in higher education, and in particular, on progress at the university. Sponsoring organizations included the AAUW, the State Federation of Women's Clubs, and the university's advisory committee on the education of women.

Mrs. S. Marston Fox, chairman of the advisory committee, headed the morning session in Russell dormitory and the luncheon meeting in Kent Dining Hall.

A morning panel discussion on "Continuing to Learn" featured Mrs. Edmund J. Cain; Mrs. Geraldine M. Wyatt, placement director; William R. Baldt, admissions counselor; and John A. Murray, extension director.

Dean of Women Bessie B. Collins was moderator.

Dr. John M. Dawson and his staff conducted a tour of the new Morris Library, and dormitories and instructional facilities were open for inspection.

## Chief Executive

David L. Luke, III

President of West Virginia Pulp & Paper Co., and guest speaker at the annual dinner meeting of the Newark Chamber of Commerce last January, David L. Luke, III, has been appointed chief executive officer of Westview, effective Nov. 1.

Luke succeeds his father as chief executive officer.

Father and son were hosts at the opening of the Newark plant of West Virginia Pulp & Paper Company last May 16.

## Newark Agents Visit Equitable Home Office

Equitable Life Insurance employees of the Newark district, with their wives, were guests at the home office in Washington, D. C., on Oct. 11, where they were entertained at luncheon.

Second row: Mr. and Mrs. Charles R. Brockell; Mrs. James A. Adair; Mrs. Valerie Gorman; Albert B. LeCates, Jr.; and Donald Poole. Third row: Staff Manager and Mrs. Nicholas Blasiotti; James A. Adair; Mrs. Edna Kronk; Harold R. McClellan; Lloyd A. Brewer, Agency vice-president.

Fourth row: Mr. and Mrs. Albert Aiken; Fabian Fuentes; Harold Roskopf; and Earl Christian. Fifth row: Staff Manager Walter T. MacKenzie; J. Harold Gatewood; Clinton Bowers; Oliver C. Dale, secretary; Nicholas Draushchak; Joseph Dougherty; and Jacob J. Ferunko.

## Apartment Project Of 272-Units OK'd By Planning Group

Rezoning Of Elkton Rd. Tract For 17 Building Community, Recommended

The Newark Planning Commission recommending rezoning to permit construction of a 272-unit, \$2,300,000 apartment house project on Elkton Road, and also recommended that the city pay each commissioner \$250 annually, at the commission meeting last Monday night.

The apartment project is planned by Marta Builders, Inc., on land under contract for purchase from the Catholic diocese of Wilmington and from individual owners.

The rezoning required a change from RS (single family dwellings) to RM (multiple family dwellings) for 12 of the plot's 183 acres, must be approved by Newark City Council.

The land is east of Elkton Road between the Bins development and West Park Place, and 7.5 acres owned by the Catholic diocese was the topic of debate last winter when rezoning was proposed.

The petition for rezoning has come before the planning commission twice and was approved both times. It was denied by council last July in a 4-3 vote.

Under commission rules, a rejected rezoning bid cannot be resubmitted for two years unless the commission or council agrees by a three-fourths majority vote to consider it. The commission unanimously agreed to hear this new petition.

Albert H. Marta, the developer, said that he plans to erect 17 buildings of 16 apartments each if the land is rezoned. He said he expects to be able to start within 60 days of approval by Newark City Council and hopes to have the first units open for occupancy by next fall.

The apartments will be all masonry, semi-luxury types with balconies, Marta stated. He said there will be play areas around the buildings and off-street parking for residents.

A three-acre park is planned.

## Chrysler Appoints Frederick Wayland To New Positions

Louis H. Frederick has been appointed communications coordinator, and William F. Wayland Jr., salary and personnel manager, at Chrysler Corporation's Newark assembly plant.

Frederick will be responsible for development and administration of oral, written and visual communications programs, and provide communications services, advice and counsel to line management.

He joined Chrysler in 1957 in Detroit, and was transferred in 1961 to Newark where he has been a member of the labor relations department, and salary administrator.

Born in Alpena, Mich., Frederick was graduated from the University of Detroit in 1953.

He resides with his wife and their five children in Meadowood, Newark.

Wayland will be responsible for the administration of corporate policies and procedures pertaining to management and general salary administration; personnel development; management sales, education and training programs, and labor relations.

He joined Chrysler in 1961 at the Newark plant and has held positions in the car distribution and labor relations departments.

Born in Woonsocket, R. I., he is a 1938 graduate of Providence College, and resides with his wife at 211 Capitol Trail, Newark.

## Lee Rice Warns Of Child Deaths In Refrigerators

"Save a child's life from the deadly playhouse—an abandoned refrigerator," warns Lee Rice of Newark, a member of the Delaware chapter, Refrigeration Service Engineers Society.

"Don't let another child become a statistic," Rice cautions, citing a total of 255 children suffocated in abandoned refrigerators since such records were first compiled.

In 1962, a record high of 35 youngsters died as the result of imprisonment in refrigerators and 18 deaths have been recorded this year.

## Total Of \$17,160.63 Reported In Donations For Aetna Drive

Newark Volunteer Firemen Collect \$12,000 In Visits To Homes In District; President Olan Thomas Reports Added Returns With Drive To Continue Thru November

A total of \$17,160.63 in contributions to the Aetna Hose, Hook & Ladder Company's annual fund drive was reported by President Olan Thomas today, with over \$12,000 collected by 117 uniform volunteer firemen in a house-to-house canvass of the Newark area last Sunday afternoon.

Newark firemen made two visits to homes in the area—the first on Sunday, Oct. 27, when campaign folders with donation envelopes were left by the Aetna Hose, Hook & Ladder Company.

First Chief George Smith said "Folders, received from the city, county, and state are insufficient to meet our annual budget of \$40,000 for 1964 and contributions from residents of the Newark fire district are necessary to maintain our high standard of fire protection for the area."

Gratifying Response: Aetna officials expressed "extreme gratification" for response to the fund drive, with particular thanks for assistance from the Aetna Ladies Auxiliary, and Marine Girl Scout Ship Sea Witch headed by Mrs. Nancy Custer Ebbert.

Aetna's equipment consists of 11 pieces of active apparatus including a rescue truck, four pumpers, a tank truck, an aerial ladder engine, two brush fire trucks and two ambulances.

The Aetna fire district includes the City of Newark, Brookside, Chestnut Hill Estates, Delaplane Manor, Roosevelt Park, Milford Crossroads, Milford Meadows, Newkirk and Wood Estates, and other building developments in the general Newark area.

Acknowledgements will be mailed for all contributions received, and Aetna Secretary Richard Shannon requests that names and addresses be included with all envelopes returned.

"The drive will continue through November," Aetna Financial Secretary Allen Smith reported.

"Letters were mailed to all places of business during the week and a total of \$4,670.10 has been received through the mail. This leaves \$6,690 to be raised," Smith said.

Residents not at home or missed in the canvass are asked to please mail their contributions.

## Vandals Cop Chain At Cooch's Bridge On Mischief Nite

State police described as "senseless vandalism" the theft of two sections of heavy chain from the historic marker at Cooch's Bridge on Mischief Nite.

The 16-ft. sections were a part of the state historical shrine commemorating the Battle of Cooch's Bridge.

The shrine adjacent the home of former Lt. Gov. Edward W. Cooch. The lieutenant governor's father, the late J. Wilkins Cooch, conveyed the small plot to the state in 1901 to mark the spot where the American flag was first unfurled in battle.

The Cooch family has lived in the home nearby since 1746.

Four 16-ft. sections of chain were attached to four Revolutionary War cannon around the plot.

The shrine was acquired from the Brooklyn Navy Yard and is believed to have been used in the 19th century.

## Men's Winter Basketball Offered Groups By GNRA

The Greater Newark Recreation Association has scheduled a preliminary meeting for all organizations interested in an adult men's winter basketball league.

The league starting date is tentatively set for the first week of December, with play to end by March.

Organizations interested in entering teams in this league, should send representatives to this meeting on Monday, Nov. 11, at 7:30 p.m. in the GNRA offices at 315 Delaware Circle.

## George Moore To Represent Southern States Members

George Moore, of Bear, will represent Southern States Cooperative members in this area as delegate to the Cooperative's 40th annual stockholders meeting at Richmond, Va., Nov. 14-15.

LeRoy D. Crowder, manager of Southern States Cooperative Service agency in Newark, will attend. Highlights of this year's session will be presentation of the annual report of operations by General Manager W. T. Steele Jr., and a product show.

## Choral Music Festival To Be Offered Tonight

Four soloists will be featured in the eighth annual Choral Music Festival by the University of Delaware concert choir this evening at 8:15.

## Over the CLOVER

by Dean Belt  
4-H Club Agent

At last I have the results of the state land judging contest. For most of you it was worth waiting for, since New Castle County did very well.

As a team, New Castle placed second based on scores of Ken Proud, 228; Mary Krusa, 226; and Jim Owens, 199.

There were five other contestants from New Castle County who did very well — Joan and Jeff Moore from the Bear 4-H Club; Ricky and Elizabeth Roush from the Stump

Corner Club in Townsend; and Sharon Nelson, a Green Leaf 4-H'er from Christiansburg.

On Thursday evening, Dr. William Mitchell from the University of Delaware provided training for our 4-H'ers interested in crops judging.

We are in the process of starting a new club in Brookside. Mrs. Thomas Moran of 25 Montvale Road will be the leader.

If you are interested, you may contact Mrs. Moran or myself.

We learned something from the big boys.

We're not above borrowing a good idea when we see one.

And the idea of a station wagon with all the virtues of a bus was too good to resist.

Which is why the Volkswagen Station Wagon has so much in common with other buses.

The driver is way up front, so he can see where he's going.

The engine is in back, out of the way.

There are windows all around (21) including the skylight kind on top.

The seats are chair-high. And you can even have an aisle to step to the rear.

The Volkswagen Station Wagon has a bit less headroom than a real bus, but it has more doors (5 in all) and a sunroof that slides back for lots of air and lots of view.

There's so much room inside the VW, you may think you're driving the real thing.

But not when you park: the VW Wagon is only 9 inches longer than the VW Sedan.

Lately, we've spotted a few other bus-type station wagons on the scene.

So maybe things have worked out evenly after all.

The big boys learned something from us.

## Speaking of Money...

The Heavyweight Boxing Champ and Automation

Speaking for the Wilmington Savings Fund Society

by: JOHN BUCHANAN

Match. Yet... this match grossed about five million dollars... which was a record box office for a single show.

How did this happen... when the people who walked into the match only paid \$665,400?

Television.

The customers for the match were not drawn from just one city and state, but from 250 theaters in the United States and 13 in Canada, with a total seating capacity of 1,030,000.

Countries around the world paid fees to see the fight via Telstar. For example, British Broadcasting paid \$70,000; Sweden, \$20,000; Rhodesia, \$1,000.

So, from the boxers' point of view, and from the customers' point of view... the automation of boxing via TV and Telstar... was a big step ahead.

Now, in the same way... automation works to the advantage of all of us... whatever our business.

BUT... only... if we take a certain attitude. The attitude that we are willing to take a new and broader view of our business.

We'll have to be mobile in our willingness to change to another department of the company... or even to another company. We'll have to be mobile enough to learn a new and broader phase of the business we're in. And it will help if we're willing to be mobile enough at times to change

The customers for the match were not drawn from just one city and state, but from 250 theaters in the United States and 13 in Canada, with a total seating capacity of 1,030,000.

Countries around the world paid fees to see the fight via Telstar. For example, British Broadcasting paid \$70,000; Sweden, \$20,000; Rhodesia, \$1,000.

So, from the boxers' point of view, and from the customers' point of view... the automation of boxing via TV and Telstar... was a big step ahead.

Now, in the same way... automation works to the advantage of all of us... whatever our business.

BUT... only... if we take a certain attitude. The attitude that we are willing to take a new and broader view of our business.

We'll have to be mobile in our willingness to change to another department of the company... or even to another company. We'll have to be mobile enough to learn a new and broader phase of the business we're in. And it will help if we're willing to be mobile enough at times to change

match. Yet... this match grossed about five million dollars... which was a record box office for a single show.

How did this happen... when the people who walked into the match only paid \$665,400?

## International Evangelist

The Rev. A. A. Johnson

International Evangelist A. A. Johnson is conducting special services this week in the Newark Revival Tabernacle, Chestnut Hill Road, near Ogletown. He will relate some highlights of his life story this Saturday and Sunday nights, including his youth on New York City's East Side. He was a loan shark and gambler until 1950. He attended Eastern Bible Institute, Pa., and has an unusual ministry in gospel singing and preaching.

Services are held each night at 7:45 to which the public is invited by the Rev. Arthur E. Hardt, Tabernacle pastor.

## Retired Farmer Mark Davis Dies

Mark H. Davis, 77, of 205 East Park Place, Newark, a retired farmer, died Tuesday at the Rest Haven Nursing Home, Wilmington, after a short illness.

A native of near Middletown, Mr. Davis had farmed in Delaware and near New London, Pa., for more than 40 years. He retired eight years ago and has since lived in the Newark area.

Mr. Davis was a member of the Glasgow Methodist Church, and a former member of its board of stewards.

Surviving are his widow, Mrs. Beulah M. Davis; a son, Homer D. Faulkland Heights; a daughter, Mrs. Frances Wright, McClellandville; two children, and a brother, Ernest Davis, Childs, Md.

Services will be held at the R. T. Jones Funeral Home this Friday at 2 p.m., with interment in Grace-lawn Memorial Park.

## Charles McLaren Succumbs At 60

Charles (Archib) McLaren, 60, of 213 Kingsley Drive, Harmony Hills, died Oct. 29, in Delaware Hospital after a short illness.

Mr. McLaren, widower of Elizabeth M. McLaren, was a supervisor at the DuPont Chambers Works, where he was employed 43 years.

Survivors include a daughter, Mrs. Betty Jane Jones; two sons, Charles A. of Newark, and Norman E., seven grandchildren; a brother, Norman H., and two aunts.

Services were held Friday at the McCrory Funeral Home, with interment in Silverbrook Cemetery.

## Jewell To Speak Sunday For Newark Unitarians

James Jewell will speak to the Newark Unitarian Fellowship this Sunday at 11 a.m. on "God the Miller."

A mathematician with the General Electric Company, Jewell is a native of Oklahoma; received his PhD in math from the University of Pittsburgh; and is author of a number of technical papers.

A nursery and church school are provided by the Fellowship at 11 o'clock. Visitors are welcome.

## Veteran's Day

A proud salute to those who served our country so bravely and so well in its hours of need... a firm resolve that the principles for which they fought shall forever be preserved and cherished.

### HALLOWE'EN HARMONY

Congratulations to the youngsters of Newark — from every young mischief-making years thru the much-maligned teen-age toil and trouble time — and to the sponsors of the community Mardi Gras program, for a happily harmonious Halloween.

The YMCA and Greater Newark Recreation Association, along with the many other organizations and individuals contributing to the success of Newark's annual Mardi Gras program for youth of the community, have won the thanks and deep appreciation of adults and youth, alike.

The youngsters had a grand time without trouble, and extensive adults appreciatively breathed sighs of relief at Newark's Halloween of 1963 was a far, peaceful cry from the hectic Halloweens created by these same but young-er persons of another era.

## Favor your Fabrics

by MRS. ANNE STERLING  
Director of Consumer Education  
for the Professional Laundry Industry  
(Copyright, 1963 by American Inst. of Laundering)

**Grass Stains on Little League Uniforms**—Unightly grass stains on any clothing is a problem that faces every homemaker this time of year. The simplest way is to call your professional laundry and point out the grass stains when you give them the garments. To do it at home, the best method is to blot at the stain with a clean cloth soaked in alcohol. This will remove the green coloring and you will then be able to launder out the brown stain by working in a heavy duty detergent and washing with hot water.

**Fashion Loves Linen**—The news from the latest fashion showings in Paris tell us that Linen will be big this year. Designers are rediscovering the fine qualities of this fabric with its wonderful crispness. Home sewers have long enjoyed the wonderful tailoring possibilities with Linen and we now have new added qualities.

Of most importance is the new quality of wrinkle-resistance. This is sometimes imparted by a finish on the Linen and at other times by blending Linen with Dacron. Some designers prefer working with the Linen-look Rayons which are less wrinkle-resistant also.

**Caring for Blended Fabrics**—In caring for blends such as the Linen-Dacron blend mentioned above, it is important to remember that we must also treat it as we would the weaker of the fabrics being blended. In other words, in the Linen-Dacron blend, we must care for the fabric as we would care for Dacron. We cannot subject it to the high temperatures in both laundering and ironing that would be satisfactory for linen but must modify our treatment to the more moderate temperatures used for Dacron.

**Hang Tag Habit**—One of the best habits to get into these days is that of saving the manufacturers' hang tags that come on your clothing. With the complicated world of fabrics today, no homemaker can be expected to keep all the specialized information in her head. Much better to collect it in a recipe file box or post it on a bulletin board on the inside of your closet door or even keep it right on a certain hanger which would be assigned to a specific garment.

### Anyone for Elbow Patches?

—One of the newest fads in casual clothes is that of elbow patches. Stolen from the leather patches often sewed on men's sweaters, these are having a great find among teenagers. Seems the brighter the better, for these with unexpected color combinations rating tops. Easy to do at home with iron-on patches intended for mending purposes. No sewing—no unraveling—no danger of color fading off.

### Moths Like Little Things Too

—In sending your woollens to be stored for the summer don't neglect the little things. Scarfs, hats and mittens that are all or part wool are just as tasty for Mr. Moth as your loveliest dress or coat. Leaving these items at home may attract moths. Then they will be on hand to move on to bigger things next fall. Moths have no appetite for clean garments so get all your woollens dry cleaned before summer.

**Keeping White Wool White**—One of fashion's darlings this year is white wool and one of the homemaker's problems is how to keep it white. If you decide to tackle it at home and not send it to a professional dry-cleaner, be very careful about keeping it away from chlorine bleach and strong soap. Another agent which may yellow the wool is hot water. To prevent yellowing of wool you should wash it often, before it is soiled. Use mild suds and lukewarm water.

If wool has yellowed from too much heat or from chlorine bleach, there is no way to whiten it again. However, if it has been yellowed by strong soap or detergent try soaking it in a solution of two tablespoons of hydrogen peroxide to 1 gallon of cool water. Soak for at least one half hour and rinse. This may help to whiten the wool again.

## Fraternity Council "Adopts" Boy, 13 In Parents' Plan

The University of Delaware Interfraternity Council has financially "adopted" Chor Kam Keung, a 13-year-old Chinese boy in Hong Kong, through Foster Parents' Plan, Inc., 352 Park Avenue South, New York City.

Foster parents contribute \$15 a month for the child's support for at least a year.

Kam Keung is one of the children living in refugee Hong Kong. There are eight children in the family, crowded into a wooden shack on the top of a high hill in a squatter's area in rural Hong Kong.

The boy's father came to Hong Kong when he was 14, and has been earning his own living ever since. He started as a servant in a restaurant, learned to cook, and is continuing with that occupation, earning \$40 a month plus his meals.

He is able to come home to see his family only once a week as the restaurant is some distance from where he lives. There is no other income for the family for the mother's entire time and energy is taken with the care of her children.

## Garden Club Plans Landscaping Topic Tours Holly Farm

The Newark Garden Club will meet next Monday at the home of Mrs. William Baillie, 117 Country Club Drive at 8 p.m., when Mr. Patterson of Mill Creek Nursery Garden Center will speak on landscape design, using colored slides of local properties.

Members are asked to bring specimens of ground cover to the meeting, along with any indoor or outdoor flowers they may have.

On Oct. 26th, 18 members of the club toured the Sassafras Holly Farm below Cecilton, Md., where some 10 tons of branches for Christmas are harvested annually, standing since Thanksgiving, and striped plants in special cone are grown for interior and exterior use.

The demand far exceeds the supply, the owners report, and they are considering doubling their plantings.

### Navy's Nye Completes Course In English Usage

James C. Nye, U. S. Navy fireman apprentice, and son of Mr. and Mrs. William L. Nye of Brookmont Farm, Newark, recently completed a course in practical English usage through the U. S. Armed Forces Institute, Madison, Wis. Nye is continuing his education while in service, through the voluntary worldwide education program for members of the Armed Forces. He attended Newark High School.

## Zolak Passes For 3 TD's To Beat Bulls; Hens Face Owls In Unbeaten Season Bid

The Temple Owls — once-beaten and once-tied in seven starts, will present a roadblock in Delaware's bid for Coach Dave Nelson's first undefeated season this Saturday at 2:30 p.m. in the stadium at Newark.

Chief Scout Irv Wisniewski and assistant line coach Paul Billy watched the Owls drop a 14-3 decision to Bucknell Saturday, a loss which may have eliminated Temple from the 1963 Middle Atlantic Conference title race. Despite the loss, which has taken some of the glamor away from Saturday's Delaware Stadium bottle, Wisniewski and Billy agreed that the Owls, given one of their better days, are capable of pulling off one of the biggest upsets in Eastern football this year.

Comparative scores and strength of opposition give Delaware a commanding edge, but no one is forgetting the 1962 contest in which Coach Dave Nelson's Lambert Cup champs made several goal-line stands to down Temple 20-8 in Philadelphia. Last year's victory was the ninth straight for the Hens over the Owls since 1951.

Delaware's football team, a small-college power considered superior to many of the nation's major eleven, continued undefeated and untied by walling off Buffalo 34-0 at Delaware Stadium last Saturday before a record crowd of 10,500.

Held to a 12-6 halftime edge by a penalty-prone but hard-hitting Bull defense, the Hens came alive as the third period began and so dominated second half action that the twice-beaten visitors failed to penetrate beyond the Delaware 33.

The individual hero on offense again was Chuck Zolak, 193-pound senior quarterback from Donora, Pa. His pride stung by opponent blitzes that gave him a minus-20 rushing figure, Zolak unloaded three touchdown passes at appropriate moments and completed seven passes for 150 yards.

The colorful Pennsylvania, whose wearing of the numerals "9-9" on his helmet in practice has brought him considerable notoriety in opponent dressing rooms, has now thrown nine TD passes in six games, only three short of the all-time All-American Quarterback Don Miller, who hurled 12 TD aerials in both 1951 and 1953 for Delaware.

Mid-way through the first period, the Delaware machine went into high gear, and Zolak moved the team from its 27 to the Buffalo 18 in seven plays. The biggest thrusts were provided by a personal foul penalty against the Bulls and a 19-yard pass from Zolak to Harrison.

With 2:37 left in the period, Zolak found Bianco alone in the end zone for his first scoring pass.

Mid-way through the second period, Delaware made it 12-0. A bad Buffalo punt gave the Hens the ball on the Bulls' 23, and Zolak fired a 20-yard completion to Bianco, who was tackled inches short of the end zone.

Sophomore fullback Mike McCann smashed across on the end play.

The Bulls retaliated with a touchdown as Quarterback Dan Gilbert, with 50 seconds left on the clock, tossed a 10-yard pass to end Gerry Pavloski in the end zone.

Delaware's halftime edge was the 19th consecutive time the Hens have led at intermission.

Zolak wasted little time in turning a tight game into a runaway. He took the Hens from their 43 to the Buffalo 33 in five plays, and Harrison made a heart-stopping catch of a Zolak aerial to race into the end zone on a 33-yard TD play.

The Hens scored 16 points well before the end of the final period, giving Delaware's third, fourth and fifth units an unexpected opportunity to see action.

Capt. Paul Chomere recovered a Buffalo fumble on the Bulls' 12-yard line, and with a fourth down, pluckily speared John O'Brien, who was sent in apparently to attempt a 20-yard field goal. But Stobolan, holding for O'Brien, took the ball into the end zone on the right side for a 18-yard touchdown.

Nelson's post-field goal play has never failed to work and now has been paid successfully five times.

Stobolan scored with the same play against Ohio on Oct. 19.

Harrison caught a two-point conversion pass from Zolak, and it was Delaware 26-0.

The Hens drove from their 45 to a score in four plays, as Zolak hit sophomore End Bill Drueding with a 45-yard TD pass.

On Buffalo's ensuing drive, an ineligible receiver penalty set the visitors back to their own nine-yard line and Delaware Linebacker Don James of Delmar dropped Gilbert

### NCC Golf Pro Honored

Joseph R. Aneda

Veteran golf professional for the Newark Country Club, Joe Aneda was reelected last week as secretary of the Philadelphia Professional Golf Association.

Joe the Pro resides with his wife and two daughters in Brookside.

Both Aneda daughters—Joan and Judy—have won the Delaware State Junior Golf Championship, and Judy is current champion.

White-tailed deer — a big game animal that we used to read about other sportsmen hunting in other states until a few years ago when Delaware initiated its first deer season in almost a century — are legal quarry today, Friday and Saturday in New Castle County, and in Delaware Kent and Sussex, the extra fourth day deer season opened yesterday.

The Board of Game and Fish Commissioners at Dover reports that conditions are favorable for a deer season comparable with that of last year, when 702 white-tails were checked in at official weighing stations.

Hunters are reminded that they must bring their deer to a checking station within 12 hours after the kill, but that it is permissible to field dress the deer as soon as it is shot.

Checking stations are located at Delaware State Police Troop 2, State Road, Troop 3, Dover; Troop 4, Georgetown; and Troop 5 at Bridgeville.

And if you think getting a shot at a deer is tough, wait until you shoot one and lug it back to the road and into a checking station.

The Diamond State has yet to have a deer-hunting fatality on the human side of things—and may this year be no exception!

One evening, Leonard caught 13 fish in 15 minutes. Wife Mildred Ludwig reports positively, but with less assurance "I'm not too sure what bait he was using."

Warren and son Parker Anderson went duck hunting in the dark cold and wind of last Saturday at Woodland Beach, and in the public marshland blind provided by Norm Wilder and his associates of the Delaware Board of Game and Fish Commissioners, the Andersons saw plenty of ducks—got a few shots—and Parker experienced one of the big thrills and disappointments of a young lifetime.

Parker Anderson knocked down his first duck — a beautiful green headed mallard drake — and wasn't able to find it in the muddy maze of reeds and tidal flats—and jetsam, too.

## Harvey Folk Cited In Self-Sacrifice Of All-State Post

Addressing last Monday's luncheon meeting of the Newark Touchdown Club, Coach Bob Hoffman discussed his current edition of the Yellowjacket football team, and cited Newark Capt. Harvey Folk for personal sacrifice in shifting from halfback to quarterback in this, his senior year.

"Harvey probably could have been an all-state halfback," Newark High School's head football coach said, starting as a running and blocking halfback for Hoffman in his sophomore and junior seasons. Folk shifted to quarterback this year when Norris Saunders was unable to play because of a shoulder injury.

"And Harvey has played a lot of quarterback for us," Hoffman stressed, citing his 42-yard touchdown pass to left P. S. du Pont with two seconds left in the game, two touchdowns passed fired by Folk to defeat William Penn within the final two minutes of play, and Folk's average of 40-yards with seven punts.

"We have no great stars," Hoffman said concerning the 1963 Yellowjackets, "but we have something of more value — the desire to be good, hard, football players."

In reviewing the Yellowjackets' bid for the Blue Hen Conference championship, Hoffman praised his squad for sticking with the rigorous pre-season routine, and cited stellar defensive play for Newark's victories.

"On 17 occasions," Hoffman said, "we have run three plays and kicked. We depend upon our defensive unit to take the ball away from our opponents, and have made them fumble some 20 times."

Hoffman hailed Mike Walker, Jim Kelly, and Jimmy Hayman for their work as tacklers, and Dan Suppe and Sam Yarrington, guards.

"Suppe makes six or seven unassisted tackles per game," Hoffman said, "and Yarrington is the fastest charging lineman I have ever coached."

**Bob Burton Scores 2 Points As Terps Lose To Lions**  
Former Newark High School athlete Bob Burton scored two points for Maryland as the Terps were edged 17-15 by Penn State last Saturday.

Backfield star for Tom Nugent's powerful Maryland gridders, Burton caught a conversion pass in last week's loss to the Nittany Lions.

**Chicks Face Owls In Friday Finale For Flynn's Frosh**  
Coach Jim Flynn's talented little freshman football squad won its third victory in four starts last Friday by edging Bulls Prep 7-0, under miserable playing conditions at Frazer Field.

A steady rain turned the field into a quagmire, and all four quarters were played in a chilling downpour.

Bulls scored first after intercepting a Chick pass, driving for six points on a 12-yard aerial play early in the opening period.

The score remained 6-0 until the third quarter, when Delaware recovered one of the game's numerous fumbles.

Ken Bills, promising 170-pound halfback from Danville, Pa., set up a TD with a fantastic 28-yard run through the mud. On the next play, Bills plunged across from the one yard line for the fourth TD in four games.

The game-winning extra point was kicked by Quarterback Buddy Luby.

Delaware's determined defense, led by Herb Slattery, 235-pound tackle, and 260-pound Guard Ben DiClemente, both of Wilmington, made no less than three goal-line stands late in the fourth quarter.

Flynn lauded the play of Bills, Slattery and DiClemente, who stand in excellent chance of playing first level ball for the Blue Hen varsity in 1964.

Flynn's frosh conclude the season this Friday with the Temple freshmen at Frazer Field after a 4 p.m. kickoff.

**Goffinet, Fulton Win In 400-Class Archery Contests**  
Pete Goffinet and Russ Fulton scored 377's to win the 400-class events in the sight and instinctive divisions in the high wind during last Sunday's 25-field target tournament conducted by the New Castle Hundred Rod & Gun Club.

Willard Forester, 331; Joe Jordan, 303; and Levi Benett, 302, won three places in the 325-class event, and Frank Keys and Eric Soyland finished first and second in the 250-class shoot.

Frank Pope with 247, and George Buckalew, 220, won the Class 175 shoot, and James Kellems took the 100-class event with 163.

## Captains Dan Suppe, Harvey Folk Score As Hoffman Yellowjackets Beat Bulldogs

If Brandywine outplayed Coach Bob Hoffman's Yellowjackets last Saturday morning, it was an opinion not generally shared. Newark wallowed the previously undefeated Bulldogs 16-0—the hard way—with Capt. Dan Suppe recovering a Brandywine fumble to race 47-yards for a touchdown; Capt. Harvey Folk punting 63-yards to the Bulldog two where the durable defenders in the Yellowjacket line bottled up the Brandywine offense and scored

two points with a safety; and Folk passing 24-yards to Norris Saunders on the enemy two-yard stripe where Harvey drove in for the second touchdown.

Saturday's big win provides the Yellowjackets with a 5-1 first place tie with Brandywine, and a big bid for the Blue Hen Conference championship.

Newark meets Wilmington's Red Devils at 10:30 a.m. this Saturday in Newark High School Stadium — a Wilmington team that was stopped 28-13 last week by Conrad after sharing a 4-1 second place tie in the conference with Newark.

Brandywine faces the 4-2 Conrad contenders and Ernie Anderson this weekend — a Redskin ridding party that scalped Newark in its opener for the Yellowjackets' lone loss.

After a scoreless first quarter in the cold wind at Newark Stadium last Saturday morning, Dan Suppe snatched a fumbled handoff from Brandywine Halfback Bill Bechtold, the Bulldogs' big threat, and did what few guards ever manage — scored a touchdown on their eighth play in the fourth down situation.

Folk ran for the extra point to give Newark a 7-0 halftime lead. Neither team could score during a dogged defensive display through the third period, and the Yellowjackets stung the Bulldogs into a near state of paralysis with a safety, touchdown, and a final extra point in the fourth quarter for the 16-0 victory.

Quarterback Harvey Folk punted 63-yards to the Brandywine two, and the Bulldogs on their eighth yard line in a fourth down situation, a bad pass from center sailed into the end zone for a safety and two points for Newark.

Norris Saunders, slated before the season as Newark's starting quarterback and hobbled with a summer softball sustained shoulder injury, came off the bench for the Yellowjackets' lone pass play of the day — and Folk fired a 24-yarder to Norris who was tackled on the two while waiting for the wind to let the ball down.

And Folk drove through the line for the touchdown, with Suppe supplying the place-kicked conversion point.

Ricky Hicks, John Hassman, Harry Christian, and Byard French, with Capt. Mike Walker, Jimmy Hayman, and Jim Kelly, tackles; Suppe, Sam Yarrington, and Mike Raybourn, guards; and Bob Roselle and Jim Maie, centers.

Folk and Reggie Watson played the entire game at quarterback and fullback; while Eddie Moore and Paul Schen performed at the half-back slots, with Halfback David Word in and out for kickoff duty.

**Stanton Clippers Beat Central 32-0 In Junior Football**  
The Stanton Clipper seniors resumed their winning ways in the Capital Trail Junior Football League by walling off Central 32-0 last Sunday at Newark, but the junior Clippers were routed 46-12 by Central.

In other games, the Green Raider and Hummingbird senior teams battled to a 0-0 tie at Stanton, and the Green Raider juniors whipped the little Hummingbirds 42-6.

The senior Clippers, who lost their first game a week ago to the VFW, were hard-pressed by an anxious Central team in the first scoreless half. The second half, however, was a different story as the powerful Stanton offense exploded for five touchdowns.

End Dick Roseman started the Stanton scoring with a 35-yard run, back of an intercepted pass and tallied again with a 40-yard pass thrown by Tom Hornby.

The third Stanton score came on another Hornby aerial, this one to Johnny Wickens for 30-yards. Hornby scored with a 35-yard run, and then threw another 20-yard scoring strike to Wickens.

In the junior game, Gary Hayman with three long touchdown runs, and Gary Connell with two, were high scorers for Central in their victory over Stanton.

Joe Monaghan had a hand in the other two Central markers by scoring himself on a fumble recovery and blocking a kick picked up by Tom Stephenson who scored. Kaufmann and Cook scored for Stanton.

The Hummingbird-Raider senior game was a sterling defensive battle with neither team able to mount a serious scoring threat.

In the junior game, a high-powered Raider offense led by George Cavanaugh, completely overwhelmed the Hummingbirds.

Cavanaugh, a scoring terror all season, ran for four more touchdowns.

## Captains Dan Suppe, Harvey Folk Score As Hoffman Yellowjackets Beat Bulldogs

If Brandywine outplayed Coach Bob Hoffman's Yellowjackets last Saturday morning, it was an opinion not generally shared. Newark wallowed the previously undefeated Bulldogs 16-0—the hard way—with Capt. Dan Suppe recovering a Brandywine fumble to race 47-yards for a touchdown; Capt. two points with a safety; and Folk passing 24-yards to Norris Saunders on the enemy two-yard stripe where Harvey drove in for the second touchdown.
