ANNUAL MART PLANNED FOR SAT. MAY 15

Mrs. Leon H. Ryan, General
Chairman For Affair,
Appoints Helpers

DIRECTED BY P. A. A.

Funds To Be Used For Bene-
fit of Athletic Teams;
Varied Program Made

All forms of entertainment will be presented at the Newark High School May Mart on Saturday, May 15, on the athletic field. This annual event is being staged by the P. T. A. for the purpose of obtaining funds for the purchase and payment of athletic equipment.

A complete list of the committees was announced yesterday by Mrs. Leon H. Ryan, general chairman of the affair.

Dance Planned

Following the afternoon's entertainment, a dance will be held in the high school gymnasium. Bud Wilson and his orchestra will furnish music for the evening event.

Assisting Mrs. Ryan is a general advisory board composed of: Dr. J. S. Gould, R. S. Gallaher, Dr. J. Fenton Daugherty, C. E. Douglass, W. K. Gillespie, W. Frank Wilson, E. L. Richards, C. Emerson Johnson, J. Pilling Wright, Robert T. Jones, Miss Mary E. Wright, Dr. George W. Rhodes, J. Franklin Anderson, Richard L. Cooch, Joseph McVey, J. K. Johnston, D. A. McCintock, Robert Levis, A. Franklin Fader and William C. Northrop.

May Mart committees were announced by Mrs. Ryan at a meeting of the P. T. A. last Thursday as follows: Mrs. Alex D. Cobb, chairman of amusements; W. D. Holton, hit the cat; Mrs. Joseph McVey and Miss Sara Steele, grab bag; Mrs. Denney Marshall and S. Slack, fish pond; Maurice Overly, hit the cane; Arthur Hauber, assisted by the Aetna Hose, Hook and Ladder Co., bingo; A. D. Cobb, submarine penny pitch; Robert E. Kern, dart throw; Stanley Gibbs, museum; the Misses Sara R. Davis and Hazel McMahan, circus; Leon Beuhler, balloons; Lee Lewis, pony rides; Guy Hancock, Conrad Lewis, Rees Griffin and Oliver Suddard, country store; Oscar Suttles and Louis Handloff, movies; Mesdames C. E. Douglass, R. O. Bausman, T. A. Baker, Guy Hancock, and Layman, supper; Mrs. Richard Cooch, chairman, Miss Elizabeth Deakney, Miss (Continued on Page 8)

GROCERS HERE GET VACATION

Starting today, twelve grocery stores closed at noon and plan to follow the schedule of Thursday afternoons off for an indefinite period. The idea is being worked with success in Middletown, Elkton, Oxford, Kennett Square, West Grove, Avondale, New Castle, Wilmington, Hockessin and Delaware City.

Grocery clerks, owners and managers of stores, who have been forced to work from 10 to 15 hours daily, with the only break in the arduous routine coming on Sunday, are hailing the new plan with delight.

Only Two In Doubt
The following stores are participating in the move: I. Levy's U. I. G. Store, Margaret and Chapel Streets, R. B. Davis, Cleveland Avenue, and Wilbur Streets; Mrs. James Morgan, W. Cleveland Avenue; John F. Richards, 110 W. Main Street; Jarmon and Moore, 426 S. College Avenue; C. R. Boyce for the Great Atlantic and Pacific Tea Company; Millard Ritchie for the American Stores Company; Reynolds Market, 53 E. Main Street; S. L. Cornog, 180 E. Main Street; H. (Shorty) Tweed, 146 E. Main Street; G. B. Buckingham, 161 E. Main Street; and William P. Wolaston, 123 E. Main Street.

While C. B. Dear, representing the Community Stores, Inc., 157 E. Main Street, has stated a willingness to close providing the measure is unanimously adopted, W. H. Cook, 150 E. Main Street, refused to comply with the request, according to the grocers' committee in charge.

The Newark Chamber of Commerce has issued an appeal to have the idea put in effect by all grocers.

INVITED GUEST

GOV. RICHARD C. McMULLEN

Heading the list of distinguished guests expected here Friday night for the testimonial dinner to be given in honor of Dean Charles A. McCue in Old College, Governor McMullen has been requested to make a short talk.

MCCUE SERVES LENGTHY TERM

Dinner In Honor of Veteran
Dean Scheduled For
Friday Night

Thirty years of service to the State of Delaware and its university where he has been dean of the School of Agriculture since 1920, will be celebrated Friday evening, when Dean Charles A. McCue will be accorded honors for his long devotion to local agriculture. A testimonial dinner will be given by the Delaware Aerie Club in Old College.

According to Jack Lafferty, chairman of the general committee in charge of the dinner, Governor Richard C. McMullen has been asked to attend the banquet and to make a short talk. Other speakers scheduled on the program include President Walter Hulihan, of the University of Delaware; State Senator A. Bailey Thomas, Camden; Warren C. Newton, of the class of 1916, Bridgeville; Dr. Frank L. Elise, of the class of 1923 and a member of the Temple University faculty, Philadelphia; Assistant Dean George L. Schuster, University of Delaware, and William Killough, Upper Darby, Pa., a student at the university. Alfred E. Young, Wilmington, a member of the senior class, will act as toastmaster.

The committee in charge of arrangements for dinner, which will start at five o'clock, includes, besides Lafferty, chairman, William Killough, Alfred Young, Silas Americus, Wyoming; Edward Schabinger, Felton; Samuel Armour, Milford; and George Vapaa, Wilmington.

Student Honored For Good University Work

Miss Elizabeth V. Tarr, daughter of Mr. and Mrs. L. W. Tarr, 188 Orchard Road, will be honored for excellence in scholarship Friday when a special ceremony will be held at the University of Illinois.

Because one of the primary concerns of the famous mid-western institution is scholarship, students whose records have carried them into the higher brackets of academic achievement have for 13 years been honored at a campus convocation.

The Honor's Day exercises will be held in the George Huff gymnasium and will be broadcast over the university's station WILL at 10 o'clock.

Play At Fraternal Hall

The young people of the Ebenezer M. E. Church will present a play, "Look Out, Lizzie!" in Fraternal Hall on Tuesday evening at 8 o'clock. The Ladies of the Golden Eagle are sponsoring the presentation.

Country Club Dances

Two dances have been planned by the Newark Country Club for May. Music for the affairs, scheduled for Saturday, May 8 and Saturday, May 29, will be furnished by George Maden and his orchestra. Dancing will be held from nine to one o'clock.

ONE CHANGE IS MADE IN N. H. S. STAFF

Grange Provides Ideal Training In Public Appearances, Opines Yearsley

By Robert Yearsley

Lecturer, Delaware State Grange
Virtually all great leaders of men and women have one characteristic in common—speaking ability. The power of one man or woman to sway the reason and emotions of a crowd has won battles, created empires, saved souls. And this power is most universally utilized in speech-making. Is this ability born in a person, or can anyone acquire it?

The answer is—it must be acquired. Some acquire it more easily than others, but any normally intelligent person can be a good speaker if he is determined to learn. How to learn? The best education in public speaking is public speaking. What am I driving at? Simply this: that the Grange meeting cannot be excelled as a classroom for public speech. The Grange can develop many talents in young people, but the most powerful of all is effective speech.

New Members Admitted

Pencader Grange, No. 60, admitted three new members and received proposals for four more. Two persons were also admitted by demit. Announcement was made that Grange would start at 7.30 o'clock during the daylight saving period. During the

QUESTIONS ON NEWARK 'STUMP' SERVICE CLUB

Lions Fail When Confronted
By Rhodes' List of
Local Queries

"NATIVES" ARE FOOLED

How much do you know about Newark?

That was the big query which confronted members of the local Lions Club at the Deer Park Hotel Tuesday night when Dr. George W. Rhodes, a past president, presented a program that was both unique and instructive.

Using his fellow members as a professor uses a class of students, Dr. Rhodes "stamped" even the natives with a list of 48 questions dealing with Newark and its history.

From the beginning until today, know thy Newark, was the foundation of Dr. Rhodes' rare scheme. Lions, however, were lacking and, unlike elephants, in too, too many cases, the local service clubmen failed to remember. The percentage of "failures" was high as three out of every four questions brought little better than stumbling responses.

Test Your Knowledge

Here are a few of the leading questions on the list: why is Newark pronounced "new ark" (and not "nuerk," as Newark, N. J., is pronounced); how many voting districts in the town; who are the councilmen from each district; how many years do councilmen serve; how old is the town of Newark; when was the first charter given to Newark and by whom; name the principal manufacturing plants in Newark; when was the first bank established in Newark?

And to continue: when was the first meeting of the board of trustees of Delaware College held; when was the Women's College established; what signers of the Declaration of Independence attended the Newark Academy; how many churches in Newark and what are they; when was Delaware College incorporated as the University of Delaware?

Collegiates, Attention!

When did Delaware College become a land-grant college; of what several schools does the Men's College consist; of what several schools does the Women's College consist; what year did the Baltimore and Ohio Railroad lay tracks through Newark; why were the Pennsylvania Railroad's tracks not built through the town; what is the population of Newark; how many miles of paved streets are there in the town?

What is the name of the local fire company; what equipment does it have; who is its president and chief; how many banks in Newark; name the president of each; when was the present post office erected; how many service clubs are there in Newark and name the presidents of each; how many members of the local police force?

(Continued on Page 8)

"Dates" Prove Disastrous

Following a wild chase from Leak's Garage to the Newark Country Club shortly after midnight Sunday morning, Officer LeRoy Hill arrested Freddie Miller, 20, 112 Logan Street, and Frank Denny, 19, 426 S. Jackson Street, both of Wilmington, who were rushing to meet "dates" at the Green Lantern Inn.

Upon questioning the pair, Hill learned that they were operating a car which had been stolen from a taxi driver at Seventh and Tatnall Streets, Wilmington.

Magistrate Daniel Thompson held Miller under \$1,000 bail and Denny under \$500 for the Court of General Sessions.

E 52 PLAY AT COLLEGE FRI.

Five Newarkers Take Large
Parts In Production;
Mitchell Hall Scene

Five Newarkers, students at the University of Delaware, will play important parts in the E 52 Players' production of "The School for Husbands," tomorrow night in Mitchell Hall. Included in this group are: Louise Steel, Harold Tiffany, Dorothy Counahan, Doris Smith and Howard Dunlap.

One of the leading singing roles is taken by Jean Calloway who played four months with the Opera Comique in New York. Another leading role is that of Isabelle, played by Catherine Rittenhouse, a senior music major at the Women's College. Other leads are being taken by Thomas Warren, Joseph Scannel, William Whedbee, Louise Steel, Jay O'Connell, William Everhart and William Noonan.

Capable Set Designers

The set will be a street scene in the Paris of three centuries ago. It has been enlarged especially to accommodate the scenery which has been designed by Gordon Chesser and Herbert Warburton, who will be remembered for their scenery for "Hell Bent For Heaven," "Peer Gynt," and the "Green Cockatoo."

The part of Ariste is taken by Wilfred Clelland, a special student and graduate of the Oberlin Conservatory of Music.

Of the Theatre Guild production of the play several years ago, Richard Lockridge of the New York Sun wrote, "A song and dance show of flippant charm . . . The simple, but witty plot is as captivating now as it was almost three hundred years ago . . ."

The play is under the direction of Dr. C. R. Kase with Miss E. Jeanne Davis, a junior at W. C. D., assisting. Miss Elizabeth Staton, a member of the Women's College music faculty, will direct the university orchestra.

The Goodie Shop To Make Own Ice Cream

Following the installation of the latest type of "counter freezer," the Goodie Shop, 133 E. Main Street, will enter the ice cream manufacturing field, James Pappas, proprietor, announced this week.

The unit now being displayed in the model store contains a five-gallon freezer section that will produce 30 gallons of ice cream an hour. Hardening cabinets built into the unit will handle 60 gallons of the frozen dessert while a special compartment is provided for 40 gallons of ice cream "mix." Space for an additional 40 gallons of ice cream is provided in the soda fountain now in use.

Mr. Pappas, an expert in his line, plans to market ice cream in packages and in bulk cans. He is already displaying flavoring and other materials, all of standard makes, which will be used in the manufacturing process.

Walker Shows Pictures

At the regular bi-weekly meeting of the Newark Business and Professional Women's Club held at the College Inn Tuesday evening, Mr. William H. Walker, Jr., entertained with motion pictures taken during his numerous trips to Bermuda.

COUNTY HEADS FARM LIST ON SOIL PROGRAM

Worrlow Announces Acreage
Signed Under 1937 Plan
For Conservation

5,000 GROWERS ENROLL

Stelzer, Educational Leader,
Seeks To Alter Present
Practice of Waste

That Delaware farmers approve of the 1937 Agricultural Conservation Program is indicated by the fact that to date more than 5,000 of the State's 10,381 farms have been signed up by their operators, who have agreed to follow the conservation measures outlined in the program.

Topping the State's percentage list of soil-depleting acreage pledged to the idea is New Castle County, according to Agricultural Agent George M. Worrlow, who states that 90 per cent of such farms under his supervision have fallen into line.

In spite of the fact that less than half of the farms will come under the program this year, R. O. Stelzer, extension economist at the University of Delaware, who is in charge of the educational phases of the program, pointed out that more than 70 per cent of the crop land of the state would come under the program and that approximately 91 per cent of the land upon which soil depleting crops were planted would be affected by the conservation program.

Figures Reveal Progress

A glance at the figures compiled by Stelzer shows that, of the 921,251 acres of land in Delaware, 583,493 acres are to be brought into the conservation program this year. Of this area, 580,413 or 63 per cent is crop land, of which 378,933 acres have been entered into the program. Going farther, 280,117 acres of approximately 48 per cent of the crop land is planted to soil-depleting crops, take more from the soil than they return, and, of these, 255,979 acres or more than 90 per cent will be treated to soil conserving practices.

"The aim of the program," Stelzer said, "is to change farming practices so that something will be returned to the soil while something is being taken out. In other words, an effort is being made to prevent the constant drain on the fertility of our soil and possibly to increase what fertility remains. By bringing a large proportion of the land planted to soil depleting crops under the conservation program, this aim should be accomplished."

Sussex County figures show that farmers in that county have put about 71 per cent of their crop land under the program, while New Castle County agriculturists have agreed to practice conservation on about 66 per cent of their crop land with Kent (Continued on Page 4)

OHIO TRIP IS OFFERED BOYS

Two farm boys from Delaware, perhaps from New Castle County, are going to win a trip to Columbus, O., next October. This trip will be the reward to the state champion 4-H dairy club demonstration team according to plans recently worked out between C. E. McCauley, Delaware 4-H Club agent, and the Inter-State Milk Producers' Cooperative.

The 4-H club members who compete for this award must be between the ages of 15 and 20 as of October 1, 1937, and members of regularly organized 4-H dairy clubs. The award will be made to the team of two boys which wins a state-wide demonstration contest on the subject of "Production and Handling of Milk on the Farm."

Performances Weighed
In selecting the winner the judges weigh the performance of each team, giving close attention to the value and appropriateness of subject matter, the skill of presentation and the results obtained.

The state contest at which the Delaware winner will be determined is tentatively set for August, the winning team at that contest going to the national contest which will be held at the National Dairy Exposition in Columbus, O., between October 10 and 18.

Lesson for May 2

ABRAHAM A MAN OF FAITH

LESSON TEXT—Genesis 12:1-9; 13:14-18.
GOLDEN TEXT—By faith, Abraham, when he was called to go out into a place which he should after receive for an inheritance, obeyed. Hebrews 11:8.
PRIMARY TOPIC—A Friend of God.
JUNIOR TOPIC—A Hebrew Pioneer.
INTERMEDIATE AND SENIOR TOPIC—Adventurous Faith.
YOUNG PEOPLE AND ADULT TOPIC—Creative Faith.

One of the greatest characters in all human history comes before us today in the person of Abraham. He is venerated by Christian, Jew, and Mohammedan alike. His personal history is replete with interest and instruction. But his claim to an outstanding place in history is broader than any of these things, for he was the one by whom God called out a nation for himself and began his dealings in sovereign grace which continue to our day. In choosing Abraham God began the history of the Jewish people, his chosen nation. They were called by him to be not only a national witness to the one true God, but also to be the repository for his truth (the Holy Scriptures) in the earth, and, above all, to be the channel for the coming of the Redeemer to the earth.

Our lesson, however, centers on the faith of Abraham. As the Golden Text (Heb. 11:8) indicates, it was by faith that Abraham responded to the call of God. That call came to him in his father's house in Mesopotamia (Acts 7:2, 3). His partial obedience brought delay at Haran (Gen. 11:31), and wasted years, but in Genesis 12 we find his complete obedience and resultant blessing.

The study of faith is always fascinating. Faith is the thing in man that pleases God. He is quick to honor our trust in Him. Unbelief shuts the door not only to blessing, but also to usefulness.

I. Faith Calls for Separation, Obedience, and Worship.

1. Separation (Gen. 12:1). "Get thee out" was God's command to Abraham. It is his command to his followers today. "Come out from among them and be ye separate, saith the Lord" (II Cor. 6:17). This is the crying need of the church in our day. Instead of the church's being in the world seeking to win it for Christ, the world has come into the church and destroyed much of its vital testimony.

2. Obedience (Gen. 12:4, 5). "So Abram departed, as the Lord had spoken." Faith obeys God, without question, without hesitation, and without reservation. We need a revival of obedience in the home, in society, and in our relation to God.

3. Worship (Gen. 12:7, 13-18). "There builded he an altar unto the Lord." Faith in God is far more than the psychologist's preaching of self-confidence. It results in fellowship with God, reliance upon him, not on one's own strength of personality. Faith worships God.

II. Faith Results in Blessing, Protection, and Liberty.

1. Blessing (12:2, 3). "I will bless," said God. "The Lord's commands are rarely accompanied with reasons, but they are always accompanied with promises, either expressed or understood."

In the case of Abraham the promise was not only to him, and to the nation of which he was the father, but to "all families of the earth." That promise was fulfilled in the coming of Christ to earth to be our Redeemer (Matt. 1:1).

2. Protection (12:3). "I will . . . curse him that curseth thee." That promise to the seed of Abraham is still true. The nations have forgotten it in their hatred of the Jew, but God has not forgotten. The promise is equally true in the case of those who follow Christ, "the son of Abraham." His protecting hand is over us even in the dark hour when it looks as though the hosts of Satan had conquered.

3. Liberty (13:14-17). "All the land . . . will I give." After many and varied experiences in which Abraham proves God's grace and power, he comes out into a place of unlimited liberty.

The man who boasts of his "personal liberty," who feels that he is free from the "bondage of religion," is in fact a slave to the enemy of his soul. And the man who becomes "the bondsman of Jesus Christ," he alone is free. None is more fettered than he who shouts "I am the captain of my fate. I am the master of my soul." And none is so free as he who can say, "Christ is the Captain of my fate, the Master of my soul."

Deciding What Not to Do
Men must decide on what they will not do, and then they are able to act with vigor in what they ought to do.—Mencius.

God's Way
God can act where we cannot even think, out of resources that we know nothing about.

Strength of Character
He who is firm and resolute in will moulds the world to himself.—Goethe.

CHURCH TO BE IMPROVED AT NEWPORT SOON

Remodeling and Addition Expected To Be Started By Sat.; Ceremony Planned

A. G. CRAIG IN CHARGE

By Miss Emma S. Maclary

Newport, April 29.—At the First Quarterly Conference Session held in the Newport M. E. Church this week, with District Superintendent W. E. Gunby, presiding, there was a unanimous vote for the remodeling of and addition to the present church building. The building committee has the consent of the bishop and the district superintendent to proceed with the work at an estimated cost of \$12,000, and it is expected work will start about May 1.

Arthur G. Craig is chairman of the building committee, and is planning exercises to be held in connection with breaking of the ground for the new building, which will provide new quarters for the Sunday School; a social hall to be used for the meetings of church organizations, as well as the renovation of the first floor of the present church building, with some minor improvements to the church auditorium.

750 At Show

About 750 persons attended the musical program put on by the Sleepy Hollow Boys in the Conrad High School here on Thursday evening, sponsored by the Minquas Fire Company. Proceeds were for the benefit of the fund to provide a new motor for the company's pumping engine. The Minquas Company is planning its 30th anniversary celebration on May 21.

In observance of "National Music Week," a music festival is being planned for presentation in the auditorium of the Krebs School on Tuesday evening, May 4, under the direction of Miss Sarah Goldstein, musical director at the school. A brief session of the Krebs School P. T. A. will also be held on the evening of May 4, in connection with the musical program. A delegation from the Krebs School, including officers of the P. T. A., members of the faculty and interested parents, attended the State Parent-Teacher Association meeting on Saturday at Seaford.

Ladies' Aid Session

The Ladies Aid Society of the Newport M. E. Church will hold its monthly business session and social meeting on Wednesday evening at the home of Mr. and Mrs. Joseph C. Slack, Newport.

The Girls' Friendly Society of St. James' P. E. Church, Newport, met on Monday evening in the church, with Miss Margaret Morris in charge.

Children of the St. James' P. E. Sunday School, Newport, were guests on Saturday afternoon at a lawn party of Dean Hiram Bennett of the Cathedral Church of St. John, Wilmington. The children also presented their Easter offerings from their mite boxes.

The Guild of the St. James' P. E. Church, Newport, will meet on Friday evening, May 7 at the home of Mrs. James Bedford, Elmhurst. A pot luck supper will be served at 6.30, preceding the evening meeting.

Members of the Newport Woman's Club enjoyed a Bohemian luncheon on Tuesday in the clubhouse, with 30 guests present. Mrs. D. J. Richey presided at the business session following the luncheon. Mrs. Milo Clark, art chairman, announced the Adult Educational Group in Art being conducted at the Richardson Park School on Monday evenings, to which Newport residents interested are invited. Announcement was also made that on May 11, there will be a program in observance of National Art Week, and Mr. J. Martin, art teacher of the Tower Hill School, will display Indian relics, and talk on art.

The club sponsored a program on conservation, as arranged by Mrs. George R. Gotschall, chairman of conservation. E. R. Mack, park commissioner of Wilmington, talked on the progress made in parks in the Wilmington area, and showed slides of nearby parks.

On May 4, Mrs. Clarence Fraim of Wilmington will be a guest of the Newport Club, and will speak on "Child Health."

In observance of National Music Week, Mrs. Raymond B. Massey, chairman of music, of the Woman's Club, will present a program of music on Wednesday evening, May 5 in the Woman's Club Building.

MARSHALLTON

By Mrs. E. R. Broadbent

Marshallton, April 28.—Members of the Ladies' Auxiliary of the Mill Creek Fire Company will be hostesses to the auxiliary of the New Castle Volunteer Firemen's Association on Wednesday night, May 12, in the parish house of St. Barnabas' P. E. Church. Mrs. James Eden, president of the auxiliary, is in charge of arrangements. Mrs. Nan Laws Woods,

"I'M CAREFUL OF CHRYSANTHEMUMS"

"I've been doing telephone work in this part of town for fifteen years. Most everybody knows I'm the telephone man. I hope they know they can trust me to be careful of their property."

"One day last Fall I was fixing a wire over a lady's flower garden. As I was leaving she said, 'Thanks for being so careful of my chrysanthemums.'"

"Don't mention it, ma'am, I said, 'That's part of my job to be careful. Besides I got a garden at home myself, so I know how you feel about it.'"

This kind of personal interest is typical of telephone employees—both men and women. For instance, we aim to handle every telephone call as though it were marked "Emergency!" Try a long distance call tonight and see how quickly and accurately your connection will be made . . . how clearly that distant voice spans the miles. And see how inexpensive it is—especially at the reduced rates in effect every night after seven and all day Sunday.

THE DIAMOND STATE
TELEPHONE COMPANY

who recently returned from a winter vacation in Florida, is president of the county auxiliary. Mrs. Woods is a member of the auxiliary to the Five Points Fire Company.

A card party will be held Friday night by members of the Ladies' Auxiliary of the Cranston Heights Fire Company of which Mrs. Elva Curry is president.

Lawrence Broadbent has accepted a position with the Bayer-Semesan Company, a subsidiary of the E. I. duPont de Nemours & Company. Mr. Broadbent, a graduate of the University of Delaware, has been in charge of the farm of E. H. Worth at Claymont for the past two years and previous to that time was associated with the Chambers Rock Farms.

About 15 members of St. Barnabas' Church School attended the lawn party and presentation service Saturday at the Cathedral Church of St. John in Wilmington. The Rev. M. W. Riker, rector, and Frederick Bringhurst, superintendent of the school, accompanied the group.

Mrs. Estella Moore has been the guest for several days of Mrs. Winfield Speakman, and her daughter, Mrs. B. L. Denio, visited with Mr. and Mrs. Frank Razez. Mrs. Moore and Mrs. Denio returned to their home in Richardson Park early this week. Mrs. Moore will celebrate her 90th birthday anniversary in June.

Mrs. Earl G. Clugston of Cranston Heights, was reelected president of the Parent-Teacher Association of the Marshallton Consolidated School at a meeting Monday night in the school library. Mrs. Clugston will begin her second term as president of the group. Other officers elected were: vice-president, Mrs. Thomas B. Baker;

secretary, Frank A. Virdin, and treasurer, Miss Edna Wainwright. Fred H. Holland and E. A. Pearson have been named an auditing committee by the association.

Reports were given of the state convention held last Saturday in Seaford.

Dr. J. R. Downes examined preschool children yesterday at the Marshallton Consolidated School in preparation for next term.

Mrs. Elmer O. Kramer entertained at a luncheon and party yesterday at her home in Green Bank for the benefit of the Marshallton Civic Club. Cards were enjoyed during the afternoon.

Mr. and Mrs. George W. Hackme returned to their home in Cranston Heights Sunday after a visit in Lancaster, Pa.

STANTON

By Miss Emma S. Maclary

Stanton, April 29.—Physical examinations were given children at the Stanton School this week by the State Health Department doctor. Children of pre-school age were given these tests in order that any deficiencies could be corrected before the child enters school at the fall session, thus avoiding absentees. Reports will be made to the parents, giving details of the examination, and their cooperation is asked in having children treated if necessary.

Officers of the Stanton School Parent-Teacher Association, as well as members of the faculty, and parents of the children attended the State P. T. A. session held at Seaford on Saturday.

The Young Married Women's Class of the Stanton M. E. Sunday School will hold its monthly meeting on Monday evening, May 3 at the home of Mrs. Maude Wilkinson on the Lincoln Highway. This class will celebrate its third anniversary on the evening of May 12, with a banquet in the church basement.

For INTERIOR WOODWORK That NEEDS FREQUENT WASHING

You Need the Enamel-Like Finish of My Fres-Co-Glos or Sem-I-Glo

SOAP and water won't dull the pleasing satin finish on walls and woodwork painted with my Fres-Co-Glos or Sem-I-Glo. Nor will dirt, pencil and finger marks, or even ink, sink into its hard-as-tile surface. You just wipe them right off with a damp cloth and the surface looks new again.

That's mighty important to most folks—especially in homes where there are children, for somehow the youngsters can't seem to get away from dirt—yet mothers can't be around to watch them all the time and make them keep "hands off."

My Fres-Co-Glos and Sem-I-Glo are both quality products—they differ only in the finish. Fres-Co-

Glos is the bright, high-gloss finish so many people seem to like, while Sem-I-Glo gives you a happy medium between flat and high-gloss finishes. For inside woodwork, kitchens and bathrooms, there's nothing finer—and they last and keep their gloss so long, they're mighty economical.

Get a free color card from my authorized dealer today and take advantage of the special price he is offering on my Fres-Co-Glos and Sem-I-Glo Paints this week.

APRIL 29, 1937

SPRINGTIME IS CLEAN-UP TIME

You can see signs of spring fever almost everywhere. Farmers are plowing and sowing their fields. Suburbanites are planting their gardens. Housewives are cleaning and revamping homes. Communities are starting improvement projects.

Winter is apt to be a time of general neglect—partly because of severe weather and partly because of the press of other matters in that busy season. Vacant lots, yards and even streets become unsightly. Now is the time for a thorough spring cleaning, extending through the community, in the interest of health, safety and civic progress.

Such a clean-up campaign is a splendid activity for civic clubs, chambers of commerce, Boy Scouts and similar groups to sponsor. Every town should emulate those communities which, through a spirit of fine cooperation, have succeeded in gaining the name of "Spotless town."

When a movement to paint up, clean-up and beautify sweeps a community, it leaves in its wake a healthier, happier town. From the standpoint of fire safety alone, the movement pays big dividends—as the records show, many a disastrous fire has been caused by rubbish and litter. Drop a cigarette or a cigar butt into an accumulation of trash and a conflagration may follow—furthermore, piled rubbish is always susceptible to spontaneous ignition.

Carry out the clean-up campaign by carefully burning all trash in incinerators and under close supervision. Every citizen and every business will benefit—socially and economically.

Editor's Mail Bag

We're Commended

(Thank you, Mr. Wright. Since a prominent, though outmoded, member of the Council of Newark has seen fit to publicly call us "a fool" for our editorial on parking, your letter becomes doubly appreciated.—Ed.)
Gentlemen:

I wish to commend you for your Editorial upon the parking conditions on the Main Street.

So long as single parking is permitted on our main thoroughfares, double parking cannot be avoided.

This condition is very dangerous under normal conditions, and, as you state in your Editorial, when the racing season starts at Stanton, unless something is done to remedy this present condition, we will doubtless hear of lots of people being hurt, and no doubt some of them will be killed. It is to be hoped, therefore, that the authorities will pay some attention to your criticism.

Unless all Towns or Cities come to the conclusion that has already been reached in a good many places; namely, of not allowing any parking during business hours on main thoroughfares, there will always be trouble.

Yours respectfully,
April 24, 1937. J. P. Wright.

Candidates Given Degrees
Delaware Grange, No. 46, held the regular meeting on Monday evening in spite of the rain, with a very good attendance. Six candidates from Diamond State Grange were given the third and fourth degrees by the Delaware degree team. Worthy Master Ernest Lacey of Diamond State expressed his appreciation to Delaware for doing the degree work in such a fine manner. Sister Chandler Gebhart, the lecturer, announced that Mrs. A. C. Hall would be in charge of the

Mother's Day program, and that Mrs. R. P. Robinson would have the program for music appreciation day on May 10. The Grange will meet at 7:30 standard time during the daylight saving period.

The play, "Comin' Thru the Rye," to be given by the Red Lion Dramatic Club for the benefit of Harmony Grange was postponed on account of the storm.

Hockessin Grange did not meet on Monday evening on account of the storm.

For more than seventy years the Grange has been fighting the legislative battle of rural life in addition to its other helpful activities. Increased membership means greater power for good.

A Good Job

Fenton Carey, not the least noted member of the "three famous Careys," who by their scholastic and athletic accomplishments, have carved for themselves a unique niche in the University of Delaware's hall of fame, recently made his debut as a columnist in *The Review*, student publication. Confining himself to sports, the grim visaged Fenton has proven thus far a decided improvement over anyone the school paper has offered as a commentator in the last couple of years.

Being an athlete, he knows what it's all about. Because he's an active athlete and an honor student in the bargain, his opinions are worthy of consideration by university officials. Carey can speak as a man in the middle of things.

He's accomplishing athletic and scholastic attainments NOW and for that reason his views should be all the more valued. Too much palaver is constantly being spilled by has-beens of the athletic field and by former students who were nonentities as undergraduates.

Experience is vital, and the wisdom of men, who have been tempered by time, is quite essential. Schools, however, are being run for students. Their wants should be considered. Carey provides "good voice" with a first-rate column.

R-W-R

Spring Football

Among the things bemoaned by Carey's "With the Blue and Gold" strip are the absence of spring football practice at Delaware, and "unnecessary adverse criticism" handed Blue Hen teams by Wilmington writers. He urges an increase in space devoted to Delaware athletic accounts—in Wilmington papers, of course.

Each point is merited. However, as in all situations, there is much to be said for both sides. There's always an answer and it is usually backed by sound reasoning.

In the case of spring football practice for instance, the most frequently mentioned handicap deals with lack of funds. As a means of overcoming that important hurdle, we'd suggest that Carey open a campaign for an athletic appropriation from the State Legislature.

R-W-R

Develop A Writer

Being critically inclined upon occasion and feeling free to express our opinions as we deem propitious, we rather imagine that Carey will not get very far in his attempt to thwart unfavorable comment when Wilmington writers see fit to give utterance. As a columnist, he'll learn, too, that when a situation irks, the urge to spill the words in rebuttal cannot always be satisfied by merely skipping it.

We have long advocated a publicity man as a necessary part of the athletic department at Delaware. The need is apparent to everyone concerned, we believe. But there's always that bugaboo of a shortage in funds.

There's no reason why some student at Delaware, however, cannot follow the idea adopted by team managers at Haverford College, who have elected to add to their manifold duties by issuing publicity releases.

A team publicity manager could be named for that express purpose. A letter could be offered as a reward for the task. The student so assigned would find that contacts with newspapermen are not the worst in the world and not the most difficult to make.

Delaware will find that newspapers, especially daily papers, will cooperate with space providing decent material is furnished regularly to fill it. Expecting a paper to supply both the space and a paid staff man is expecting too much. After all, space is valuable and payrolls go on and on.

Not only can the idea be tried with Wilmington dailies, but there's a good field of weekly papers in the state that might be included.

TRACK STARS FROM 31 SCHOOLS
EXPECTED FOR INTERSCHOLASTICS

Paul Skillman, Yellow Jacket Entry, In Role of Iron Man; Entered In Four Events and Relay; Local School To Defend Team-Title; Golf, Tennis, Track on Hen Slate

By Bill Fletcher

With all indications pointing to another successful meet, Gerald P. Doherty, graduate manager of athletics at the University of Delaware and director of the Interscholastics, announced on Monday that 450 athletes were expected to take part in the annual Frazer Field classic, Saturday.

Thirty-one high and prep schools, eleven less entries than in 1936 when 42 participated, from Pennsylvania, New Jersey and Delaware, will be represented in the meet.

Title defenders will be West Catholic of Philadelphia, winner in Class A last year and Caesar Rodney, winner in Class C. North Catholic of Philadelphia, tops in Class B last year, has been moved up to the first class.

Members of Delaware athletic teams and the physical education department are expected to aid in officiating the meet.

Newark High School's quartet, composed of Captain Paul Skillman, Lloyd Truet, Harvey Hofferker and Drex Harrington will defend the mile relay title copped last year by the Yellowjackets. Skillman, signed up for four events, besides the relay, takes the role of iron man for the afternoon. The husky track leader is entered in the 100 yard dash, shotput, discus, high jump and mile relay.

Other entries are: Melvin Brooks and Bill Bellman, 100 yard dash; Jack Doordan and Brooks, 220 yard dash; and Hofferker and "Rip" Smith, 880 yard run.

The following schools will participate: Class A—West Catholic, Penn Charter, North Catholic, Church Farm, Franklin and Marshall Academy, McDonough, Tome, St. Joseph's, Episcopal Academy, Haverford High School, Perkiomen, and Germantown Academy.

Class B—Wilmington, Collingswood, Bridgeton, Haddonfield, Vineland, Audubon, and Pierre S. duPont. Class C—Claymont, Newark, Caesar Rodney, Alexis I. duPont, Conrad, Salesianum, Moorestown, Middletown, Sunny Hills, Penns Grove, Swedesboro and Oxford.

Week-End Sport Card

Coach Ed Bardo's track men will resume action when they swap grunts and pants with Swarthmore representatives, Friday, away. Following another week's layoff, the Hens will participate in the Mason-Dixon Conference meet, scheduled for May 8 at Baltimore. Western Maryland, on Friday, and Temple, on Saturday, will oppose Coach Ralph W. Jones' charges on the College Avenue courts. The Blue and Gold racquet-ers deadlocked St. Joseph's 4-4 in their first contest and had the second with Dickinson, raised out. A team of Swarthmore golfers will play Delaware on the local links on Friday.

Another Heartbreaker

Coach Gerald (Doc) Doherty's hurlers dropped another heartbreaker yesterday when P. M. C. pushed two runs across in the ninth frame to nose the Hens out by a 9-8 count.

The score was tied at 7-7 at the start of the ninth, and after the Blue and Gold had scored one tally in its half of the last inning, the Cadets grabbed the ball game by chalking up two runs. Roland (Boney) Jackson went the route for the Hens and was touched for 14 safeties.

Twilight League
Opening Delayed
By Heavy Storms

While a brilliant sun dropped over the horizon last night, several hundred local baseball fans rode passed a Continental Field that could not have been in better condition for a game—but there was no game.

Too wet, was the reason given for postponing the scheduled National Fibre-Jackson's Hardware battle that would have opened the Newark Twilight League, an event already postponed by heavy rains Monday that literally washed the carded Continental Diamond Fibre-Cardinals engagement off the slate.

Ump-Secretary Ready

Umpire Horace (Horsey) Reynolds made the long trip from Oxford to work the National-Jackson's affair and Ellis Pennock Cullen, league secretary, was on hand with all arrangements made, but the teams had already decided that it was too wet for action.

The twice delayed opener has been moved back to Friday night when Continental and Jackson's are scheduled to do battle. In the words of Cullen, who doubles in brass, so to speak, by managing the South Chapel Street firemen, "the opening may be held, then again it may not. We don't want the boys to get wet feet."

Summer Billiards Test
Opens At State Parlor

The Newark Handicap Summer Pocket Billiards Tournament opened at Jimmy Martin's State Parlor this week when Maurice Adams, Elkton, took the measure of Don Hill by a count of 80-54.

Three men are bracketed in the 100 class: Jack Fossett, Newark; Arnold Pryor, Chesapeake City; and Bus Vandergrift, Elkton. Bub Eubanks, and Don Pierce, both of Newark, and Maurice Adams, are listed in the 80-ball class.

Harold Harrington and Tony Sanborn, both of Newark, carry 75-ball ratings, while George Laskaris, Barney Renshaw and Don Hill, all of Newark, are in the 70-ball bracket. Harry Williamson, Newark, a 50-ball player, rounds out the list.

Eight prizes are being offered, with the winner and high run score receiving special awards.

Sam Rice, who covered right field for the Washington Senators for over 15 years, now retired from baseball, operates what is termed the finest hatchery in the State of Maryland at his Ashton farm.

Newark Opposes Papermakers At Continental Field On Saturday

BROWNS PLAY MAROONS

Potts Leads Aggregation To Middletown Sunday With Oxford at Providence

By "The Roamer"

With the final meeting of the board of directors scheduled for tonight, the Bi-State Baseball League is carded to open its third season on four fronts over the week-end.

Providence, presenting a greatly strengthened team over the 1936 aggregation, provides the opposition for Cleaver Potts' current crop of Yellow-jackets when the lid is pried off on Saturday at Continental Field.

Although the league is officially without a champion due to the withdrawal of Perryville, Taylor Biles, who guided the Pandours to the top a year ago, will present a strong club at Oxford to oppose George Winter's new assemblage known as the Middletown Browns. This contest is also set for Saturday.

Schedule Turns Around

Special events are planned for the opening at Middletown on Sunday, when the Newark team makes its initial appearance in the lower end of the county for the first time in several years.

At Providence the same day, the Papermakers will endeavor to make a loyal following happy by throwing Biles' aggregation for a loss.

FLASHES

By BILL FLETCHER

"BILL" FLETCHER His string of hits in the Quantic Marines and Drexel's skyrocketed him to a position 59 points better than his closest rival, Earl Sheets, who is slugging along at a .417 clip. Eddie Graham, slugging outfielder, dropped from first position down to third as he .378 mark dropped to .352 in the last two games.

A wide gap separates the leading hitters from Earl McCord who bingles along at a .293 rate and is interesting to note that the leaders are the only players above the team batting average of .298.

Roland Pusey (Boney) Jackson had his arm filled this year what only two team mates to offer relief. Forced to hurl 8 of the 12 contests, the stony-visaged moundman has won half of his assignments. Reed and Kirby Preston have been set back twice while a victim for them remains as elusive as a noted greased pig. The former has shown a reversal of good form in a displaced last year but even at the one played was a 13-12 heart breaker won by Randolph-Mann Preston, making his collegiate debut was handed a 10-inning 3-2 set-back.

SCREEN SNAPS

By "SNAPPER"

State Theatre House Notes
Friday and Saturday

A new star, with a genius for quiet comedy and high voltage romance, flashes to the cinema horizon! He is Fernand Gravet, screen idol of the Continent, whose first American picture, "The King and the Chorus Girl" plays here these two days. The film finds Gravet in the role of an ex-king, Alfred VII, who tumbles madly in love with an independent little American chorus girl, portrayed by Joan Blondell. The King loves the girl, she turns up her nose at him, and the merry, mad fun is on. In the supporting cast you will find Edward Everett Horton, Luis Alberni and Kenny Baker of radio fame, and many others.

A thrilling Western will be added to the bill on Saturday.

Monday and Tuesday

Topping even their triumphs in "Naughty Marietta" and "Rose Marie," Jeanette MacDonald and Nelson Eddy, America's favorite singing stars now come to the screen in "Maytime," M-G-M's lavish adaptation of the Rida Johnson Young operetta which was one of the memorable hits of the New York stage.

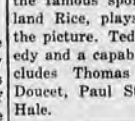

Jeanette MacDonald

John Barrymore, well known stage and screen actor, has an important role in the film. Together with Barrymore, Lynce Carver and Tom Brown, the supporting cast of "Maytime" includes Rafaela Ottiano, Herman Bing, Russell Hicks and Guy Bats Post. The production was filmed under the supervision of Hunt Stromberg, producer of "The Great Ziegfeld."

Wednesday and Thursday

In accord with its custom by which players are constantly given greater opportunity, M-G-M presents Joseph Calleia in a new role, this time as a hero instead of a villain in "Man of the People." The original story, a novel of the same title by Frank Dolan, ex-New York tabloid reporter, Florence Rice, daughter of the famous sports columnist, Grantland Rice, plays opposite Calleia in the picture. Ted Healy provides comedy and a capable supporting cast includes Thomas Mitchell, Catharine Doucet, Paul Stanton and Jonathan Hale.

Pre-School Children To Gather for Registration

A summer round-up for pre-school children who will enter the first grade in September, will be held on Monday, May 5, in the Newark School at 9 o'clock.

In order to enroll in the fall, a child must be six years of age by the first of January, 1938. Children may register for the full term at the scheduled round-up.

Lodge Notables To Visit

Martha Fanning, grand chief of Marshallton and Sophie Wigglesworth, deputy, of Wilmington, will make their official visit Friday evening at Friendship Temple No. 6, Pythian Sisters.

SHUMAR HOME IS SOLD

Brown and Madden, Wilmington real estate brokers, through their local representative, Mrs. Katharine Wilson Williams, report the sale of the Paul R. Shumar residence, 44 Kells Avenue, to Lyman Quincy, 262 S. College Avenue.

The Shumar family, it is reported, will move to Wilmington on June 1, when Mr. Quincy will occupy his new residence.

Mrs. George E. Brinton
To Address Auxiliary

Mrs. Harry Gabriel, 37 E. Park Place, will be hostess of the May meeting of the local American Legion Auxiliary unit at her home on Monday evening at 8 o'clock.

Mrs. George E. Brinton, wife of Professor Brinton, University of Delaware, will be the guest of the auxiliary and will talk on "Fidac."

June has been designated as "Fidac month" by the national organization, but Mrs. Brinton plans to be in France in June and has consented to speak at the May meeting.

Many sailors refuse to sail on unchristened ships, fearing bad luck.

Questions On Newark
'Stump' Service Club

(Continued from Page 1)

Town Owes Money
What number do you dial for the police; what number or numbers do you dial for the fire company; to what amount is the town indebted; what is the total assessed value of property in Newark; what part in value is exempted; how many street lights are there in Newark; how many gallons of water are used daily?

From what source does Newark's water supply come; what is Newark's tax rate and how does it compare with that of other towns in the state?

Dr. Rhodes knows all the answers. Do you?

Ambition!

Daddy—Now, John Henry, don't forget that some day you may grow up to be president of the United States.

John Henry—Aw, dad, I don't want to. I'd have to ride in an auto and wear a silk hat. I'd rather be the drum major and wear a beautiful uniform and lead the procession.

TO BED WITH HIM

"Ah," said the customs officer, finding a bottle of White Horse. "I thought you said there was nothing but old clothes in that trunk." "Aye, that's ma night cap."
