Newark Youngsters Win National 4-H Congress Trip

Edward Wilson, David Dianich, Marie Woerner, Judith Lane, Dolores Lloyd Leave Today To Attend National 4-H Congress As Winners Of National Awards

Two boys and three girls from Newark, winners of 4-H awards, left today for Chicago where they will attend the National 4-H Club Congress.

Among the 12 state and three sectional winners of 4-H honors in Delaware, Edward Wilson, David Dianich, Marie Woerner, Judith Lane, and Dolores Lloyd will join the 1,000 state champions and club leaders in a program of tours, banquets and entertainment in the Windy City.

X-Ray Head Urges Last Call Response To Chest Program

"If You Have Not, Visit Mobile Unit By Dec. 19 Deadline" Penrose Pleads

"If you have not had your chest x-rayed by one of the mobile x-ray units of the Delaware Statewide Chest X-Ray Survey, make sure you do so before December 19, the last day of the survey operation," urged Dean William O. Penrose, president of the survey organization.

Dean Penrose went on to stress that no matter where you live in the state, you may get your chest x-rayed in Wilmington at any of the ten mobile x-ray units, any Tuesday through Saturday you happen to be in town. No appointment is necessary, there is no underselling, and there is no danger. It takes only a minute of your time.

There were 136,645 small x-rays made by the mobile x-ray units through Saturdays, November 21. This breaks down as follows:

Kent County	23,802
Sussex County	27,356
New Castle County	50,000
Wilmington	20,487
Total	136,645

There are 18 days left to go in the survey, as mobile unit operations are scheduled to end on December 19.

Through November 27, 1,622 second, large retake x-rays have been scheduled for New Castle County and Wilmington at Survey Headquarters. So far, 2,593 people have returned for their second large x-rays. This breaks down as follows:

Kent County	712
Sussex County	794
New Castle County	1,092
Total	2,598

Newark Leader Confers With Governor on Christmas Seal Sale

This is Christmas Seal Month, and G. Taggart Evans, Newark, Executive Secretary of the Delaware Anti-Tuberculosis Society points out to Governor J. Caleb Boggs that all funds collected from the sales of 16 through December 25 as Christmas Seal Month, and urges all citizens to buy and use them. He also paid tribute to the Anti-Tuberculosis Society for its help in the present State-wide Chest X-ray Survey program.

PTA Speaker Urges Community Groups To Aid In Policy

Bucks Co. Superintendent Stresses Need For Close Cooperation With Schools

Community groups must help determine school policies in order to obtain the maximum cooperation between school and community, guest speaker Dr. Charles Boehm, Bucks County superintendent of schools, told members of the Newark PTA Teachers Association at last Thursday night's meeting.

"There are numerous communities in which citizens are helping to make policy decisions," said Dr. Boehm. "Many changes occur because parents want them. If the teachers had voted, we would not have had self-contained classrooms, but we took a chance and built one, and when the mothers saw it, they wanted more."

"I think parents will sit with teachers in all districts to help select books. I think they will help choose teachers, and it will not be long before they help pick a new superintendent when a vacancy occurs. It is all part of the democratic way."

However, he stressed that such a trend can only develop gradually. Three districts in his county now have parents meeting with teachers on some phases of curriculum decisions, he said, and "I am hopeful it will be much more widespread in the next 15 years."

To illustrate his point of "decisions by consensus," he cited districts where parents helped draw up plans for new school buildings.

American Flag Council 28 Gives School Bible, Flag

A delegation from American Flag Council No. 28, Jr. O.U.A.M., Newark, presented a Flag and Bible to the Franklin School, Kemblesville, Pa., last week.

The presentation ceremony, attended by members of the PTA and student body, opened with the group singing of the Star Spangled Banner, and after a short presentation speech, Past-Councilor E. L. Hall presented the Flag and a Bible to student Patty Oliver.

Following a group pledge of allegiance to the Flag, Joseph Ahearn, Kemblesville teacher, addressed the group, student Danny Vannoy played taps and refreshments were served.

Agronomist Named To U. of D. Post As Asst Professor

Dr. Henry W. Indyk, of Jamesburg, N.J., has been appointed assistant professor of agronomy at the University of Delaware. He will conduct research on soybeans, corn, and weed control, according to Claude E. Phillips, agronomy department head.

The new agronomist, who grew up on a farm near Jamesburg, graduated with a B.S. degree from Rutgers University in 1950, and will receive his doctorate at Pennsylvania State College in January, 1954.

Dr. Indyk is a member of Alpha Zeta and Gamma Sigma Delta, agricultural honorary fraternities; Phi Epsilon Phi, botany honorary fraternity; and Sigma Xi, research honorary.

During World War II he served with the U.S. Army in both the European and Pacific theaters. He is married and lives at 24 Center St., Newark.

Local Air Cadet Completes Carrier Flight Training

Donald L. Boyden Flies "Texan" Trainer Aboard USS Monterey To Qualify

Naval Aviation Cadet Donald L. Boyden of the United States Navy took off and landed his SNV "Texan" trainer six successive times recently aboard the USS Monterey, completing his aircraft carrier qualifications.

Cadet Boyden is the son of Mr. and Mrs. M. L. Boyden of Maplewood, Newark. He attended the University of Delaware from 1948 to 1951, prior to entering the Naval Aviation Cadet Program through the Naval Air Station, Willow Grove, Penna.

Having reported to Pensacola, Fla., "The Annapolis of the Air," in Jan. of 1952, Cadet Boyden is undergoing a stringent schedule in military, academic, physical and flight training. From Carrier qualification, he will report to the Naval Auxiliary Air Station, Corry Field, for instrument flight training.

Upon completion of instrument training, he will undergo advanced training in combat type aircraft under the direction of the Chief of Naval Air Advanced Training, Corpus Christi, Texas. Graduation from advanced training will win him the coveted Navy wings of gold.

Hi-Y, Tri-Hi-Y Students To Attend Md. Conference

Ten students of Newark's Hi-Y and Tri-Hi-Y will represent their school at the annual Hi-Y and Tri-Hi-Y conference on the University of Maryland campus Dec. 3 and 4.

Those going to the conference are: William Wetzel, James Edmondson, Albert Jczyk, John Cunane, Jack Hildreth, Mark Hurm, Diane Chalmers, Amy Lovett, Ginger Lantier and Helen Briggs.

The students will leave by bus from the Newark YMCA on Friday, Dec. 4.

Local Students, Parents Discuss College Programs

A number of Newark High School students with their parents attended a state meeting with college representatives at Dover High School on Monday night to obtain information for planning advanced education.

A dinner for college representatives, school administrators, and Delaware guidance counselors was followed by a general meeting addressed by Dr. Forrest H. Kirkpatrick, dean of students at Bethany College, W.Va. after which students and parents discussed personal plans for college careers with representatives of selected institutions.

Army-Navy Game Telecast Scheduled For Saturday

On Saturday, millions of television viewers will look in on a renewal of one of the country's oldest and most colorful football rivalries when the Cadets and Midshipmen clash at Municipal Stadium in Philadelphia.

The telecast of the Army-Navy game will start at 1:15 p.m. (EST) Saturday, and the game will start at 1:30 p.m.

The 17th and last game of the NCAA-sponsored series will be telecast on Dec. 5 from South Bend, Ind., when Notre Dame plays host to the Mustangs of Southern Methodist University to end the 1953 college football season.

A dinner for college representatives, school administrators, and Delaware guidance counselors was followed by a general meeting addressed by Dr. Forrest H. Kirkpatrick, dean of students at Bethany College, W.Va. after which students and parents discussed personal plans for college careers with representatives of selected institutions.

BIRD CLUB MEETING

The Newark Bird Club will meet at the home of Mrs. A. B. Miller, 107 Briar Lane, on Wednesday, December 2, at 8 p.m.

Kiwanis Checks In With \$250 For Recreation Park

George Neighbors (left), president of the Newark Recreation Association, receives a check donation for \$250 from Arlington Jackson, treasurer of the Newark Kiwanis Club, for the Kiwanis "purchase" of one acre of land at the Silverbrook recreational park area.

Welfare Committee Plans To Provide Christmas Baskets

Mrs. J. Harvey Dickey To Supervise Supplying, Distribution of Baskets

Plans for the annual distribution of Christmas baskets of food, toys, and clothing for Newark's needy families were discussed at a recent meeting of the Newark Central Welfare Committee, executive board, George M. Haney, chairman.

Mrs. J. Harvey Dickey, who has supervised this project for over 20 years, will again be in charge of supplying and distributing the baskets and Mrs. Henry Wolf will direct the collection and renovating of toys for the baskets.

Contributions of money for the purchase of meat and staples will be accepted from public spirited citizens and organizations.

Cheques should be made out to Newark Central Welfare Committee and sent to A. E. Tomhave, treasurer, 20 West Main Street. Collection boxes for small contributions will be placed in local stores.

Officials of the organization expressed the hope that due to the generosity and cooperation of local residents and civic organizations, there will be "no forgotten families" in Newark again this year.

Moreover, they stressed the desirability of small groups sending monetary contributions to the general fund, instead of trying to supply an entire basket for a family.

School Board Loses Member At Delayed Medill Opening

Olson Quits Local Board Of Education As New School Opening Is Delayed Pending Settlement With McCann For Sewer Right-Of-Way To Tie-In With County Line

Dr. C. M. Olson resigned from the Newark Special School District Board of Education on Friday as a result of the delayed opening of the E. Frances Medill Elementary School just off Capitol Trail.

In his letter of resignation, last Friday, Dr. Olson criticized what he called "the passive attitude of this board in discharging its duties to the public."

While completed portions of the new school stand vacant, Dr. Olson said, six grades of Newark schools are on half-day sessions because of overcrowded conditions.

The controversy involves a right-of-way for a sewer line, which must cross an adjacent property owned by Francis E. B. McCann, in order to connect with the new county interceptor sewer.

Dr. Olson said that the school board bought 18 acres of land from McCann in the spring of 1952. The sales agreement drawn up at that time, he said, provided for a sewer right-of-way across adjacent land owned by McCann, but the location was not spelled out in detail because the school's location on the plot had not yet been determined.

It was agreed, Dr. Olson said, that a house to be built by McCann would be permitted to connect to the sewer.

After architects had selected a location for the school, a tentative route for the sewer was laid out, which took advantage of the natural slope of the land.

At the time, Dr. Olson said, McCann planned to build his house along the proposed sewer route, and no objection was made.

Subsequently, McCann objected to the originally selected route, Dr. Olson said, and indicated that he wanted the sewer route to pass his present house, some distance away.

Dr. Olson said that the route proposed by McCann would involve building an additional 1,000 feet of sewer with considerably deeper excavations.

Fire Co. Campaign For \$15,000 Fund Shy 80% Of Goal

Response To 4100 Letters Sent To Newark Residents Lagging Behind Last Year

The Actna Hose, Hook and Ladder Company's fund campaign to obtain \$15,000 through public contributions in an effort to meet annual operating expenses has reached one-fifth of the necessary objective, John C. Cunningham, fund drive chairman, announced this week.

Commenting on the campaign, Cunningham stated that on a day-to-day basis this response was considerably less than that received in last year's drive.

Of the 4100 letters mailed to residents of Newark and vicinity, replies from less than 20% have been received.

This is but the second time in the 65 years of its existence that the volunteer fire company has solicited funds to operate and maintain the Actna program, and the \$15,000 represents the minimum annual budget necessary to meet the fire underwriters' requirements for the area.

The Ladies' Auxiliary of the Actna Hose, Hook and Ladder Company is cooperating in an effort to meet the required goal, and Allen D. Smith, fund campaign treasurer, stated that several contributions have been received with letters of thanks for past services performed by the Actna volunteer firemen.

A New London area resident claimed that his entire life's savings would have been lost had it not been for the prompt response of volunteer firemen who saved his home from destruction while he was away, and a Glasgow contributor thanked the local firemen for their assistance in saving his home by sharing her Christmas savings fund in support of the Actna fund drive.

And a Newark High School girl mailed a donation with a note stating that she is contributing her month's allowance to the Actna Hose, Hook and Ladder Company campaign.

Brookside Elects Civic Association Officers, Leaders

A. J. Weldon Defeats R. H. Sexton In Close Race For Presidency

Arthur J. Weldon defeated Robert H. Sexton, 224-211, to become first president of the new Brookside Civic Association it was announced last week.

In the race for the office of vice president, James M. Stone, 8 Curry Lane, defeated Searles A. Grossman, 23 Kensington Lane, when he received a total of 245 votes to his opponent's 196.

Another close contest developed in the race for secretary when John P. Dockum, 1018 Marrows Road, received 226 votes to defeat George G. Sauer, 11 Knickerbocker Drive, who garnered an even 200.

William A. Barr, 11 Carlin Lane, was elected treasurer over Donald A. Joseph, 260 votes to 162.

Also elected in the balloting were two residents of both Section C and Section K to serve on the civic group's executive board.

Murray Kane, 6 Chippendale Circle, and Page G. Nourse, 17 Chaucer Drive, were elected executive board members in Section C, while Robert E. Innis, 6 Keller Drive, and Dr. Clifton R. Brooks, 15 Kress Road, were chosen in Section K.

U. of D. Educators Featured Speakers For Delaware Day

Two University of Delaware educators will speak at observances of Delaware Day, the anniversary of the state's ratification of the federal constitution, on Dec. 7, 1787.

Dr. William O. Penrose, dean of the school of education, will speak Dec. 7 at a dinner of the Delaware Society of the Sons of the American Revolution at 7 p.m. in the DuBarry Room of the Hotel DuPont.

Dr. Paul L. Dolan, chairman of the political science department, will speak at a dinner meeting in Dover on Dec. 9. The meeting will be sponsored by service clubs of Kent County.

At the Wilmington event, the SAR will make its annual award to the Delaware school teacher who has been most successful in teaching the principles of democracy. Dr. Penrose will speak on academic freedom.

Dr. Dolan, who is also a member of the Delaware Day Commission, will speak on Delaware's state government.

University Actors Polish Up Roles For 3-Act Comedy

Oscar Wilde Play To Open At Mitchell Hall, Dec. 3 After Month's Rehearsal

The E-52 University Theatre players, now in the last stages of rehearsal for the Dec. 3 opening of Oscar Wilde's "The Importance of Being Earnest," have only to polish their actions and put the three acts together.

Since the beginning of rehearsal, a little over a month ago, the cast has been far ahead of schedule. The lines were learned quickly, although the greater than average number per character has been difficult.

"Earnest" is a high comedy satirizing the sophisticated English manners of the 1890's. It is not a dated play, however, and can be considered as timely today as it was in the 19th century.

Dr. C. Robert Kase, director of the show, and Herman D. Middleton, technical director, have prepared the sets and schooled the actors to emphasize farcical characteristics of the play. Nothing about it can be taken seriously. It is high comedy.

Tickets may be obtained from the Mitchell Hall box office by mail or in person. The box office is open from 3:30 to 5:30 p.m. and from 7:00 to 8:00 p.m. Monday through Friday. All seats are reserved and theatre parties at reduced prices are invited.

Women's Republican Club Elects Local Officials

Mrs. Alison Manns, 327 Orchard Road, Newark, was elected president of the Women's Republican Club, Newark, Nov. 18, at the home of Mrs. Leon H. Ryan, Nottingham Road.

Mrs. Elizabeth MacKelvey was elected honorary president and other officers are Miss Anne Gallaher, vice-president; Mrs. E. L. Symington, secretary; Mrs. Albert Clark, assistant secretary; Mrs. Hugh Calhoun, treasurer; Mrs. Thomas Skripps, assistant treasurer; and Mrs. John Eldridge, publicity.

Mrs. Frank G. Tallman and Mrs. Lillian Martin spoke and assisted in the organizing of the club.

Pack 56 Cub Scouts To Hold First Meeting of All 5 Dens

Pack 56, Newark Cub Scouts will hold their first pack meeting of the season in the Sunday School auditorium of the First Presbyterian Church on Friday, Nov. 28, at 7:30 p.m.

Recently reorganized, the pack is made up of six dens, each led by a Den Mother, and all headed by Donald Keister, Cubmaster, and W. W. Cox, assistant Cubmaster.

The First Presbyterian Church, sponsor of Pack 56, has named Louis E. Mattheus as church representative and meetings will be held the fourth Friday of every month at 7:30 p.m.

The committee of Pack 56 has named the following as officers: Louis Mattheus, chairman, and Kurt MacKellor, secretary-treasurer. Also included on the committee are the Cubmaster and assistant Cubmaster, Mr. Keister and Mr. Cox, and advisers Bill Dornbauer, Godfrey Taylor, Leroy Brown, and Gary Monroe.

Mother of Den 15 is Mrs. Donald Keister, with William Skold, Donald Keister, William Henningsen, Robert Reiterick, Herman Tolmquist, Fred Emmerson, Lee Wayne Anderson, Skip Dawson, and John Hoffman as members of the den.

Naturally enough, "Thanksgiving" was selected as the general theme for November, and Friday night program will be conducted with "Thanksgiving" as the background. Den 17 has charge of the opening ceremony, followed by skits put on by Dens 3, 14, and 15. Den 12 members will lead the Cub Scouts in their closing ceremony.

Response to the call of Cub Scouting in Newark has been heartening. Any boys between the ages of 8-10 are invited to join and should contact John Cary, Cub Scout co-ordinator.

Educational Film Added To Program At State Theater

State Univ. of New York "College Of The Future" In Initial Delaware Billing

The State Theatre will include an educational film, "College of the Future," on its program for Nov. 29 and 30, according to an announcement by manager Herman Handloff.

"College of the Future" tells the story of the State University of New York, whose president, William S. Carlson, is a former president of the University of Delaware. Dr. Carlson is narrator for the 16-minute movie.

Produced by Warner News, Inc., an affiliate of Warner Brothers, the movie was directed by Andrew L. Gold with script by Lewis S. Baer.

The State Theatre's showing of "College of the Future" is the first outside of New York State.

In seven episodes, "College of the Future" describes the highly-varied programs of the State University of New York in such diverse fields as agriculture, electrical technology, medicine, maritime service, teacher education, and liberal arts.

Scenes were filmed at a half-dozen campuses of the 27 constituent units and 10 affiliated constituent units of SUNY. The current undergraduate enrollment is about 21,000 students, with 6,000 more in the community colleges. Since its creation in 1948, State University of New York has had an \$85,000,000 building program, and has created three colleges to enlarge the opportunities in medicine and liberal arts. President Carlson has been its head since April 1, 1952.

Showings of "College of the Future" will be at 8:37 p.m. on Sunday, Nov. 29, and at 7 and 9:10 on Monday, Nov. 30.

Region Auxiliary Will Provide Flags For School Rooms

Mr. Harry Herbenier, president of the J. Allison O'Daniel Unit No. 1 American Legion Auxiliary, has announced that the unit has underwritten a project of placing an American flag in every classroom of the new schools under construction in Newark.

This program is being carried out under the leadership of Mrs. John Herbenier, unit service chairman, and Mrs. A. E. Tomhave, American Legion Auxiliary, Newark.

Flags with holders have been presented to Superintendent John Stue for the classrooms in Brookside School, the first to be completed.

Doublets entitled "Flag Etiquette" composed each flag.

Extension Service Plans Tour For Dec. 1

The Agricultural Extension Service has planned a one-day dairy tour of the Bull Study of the Pennsylvania Agricultural Experiment Station at Lancaster, Pa. The tour will take place on Dec. 1 by private automobiles.

Drop in from New Castle County to leave Agricultural Extension Service at Delaware, at 9 a.m.

Duke Pledge

Marilyn Hildreth of Newark, is among the 180 Duke University coeds pledged to the 13 national sororities following a period of formal rushing from Oct. 5 to Oct. 31. Marilyn is an Alpha Chi Omega pledge.

Willow Gun Club Range

Dave Stover, R. Hanna, Bill Andrews, D. Murphy, and Shorty Chalmers, one of the best home-grown athletes, is no slouch with a rifle either, and demonstrated his firearm facility by winning not only one, but two turkeys.

Firing with shotguns at 40 paces, R. Hanna, H. Murphy, Paul Haworth, Bill Spence, Ray Ott, and Bill Wagman, were thankful to be Thanksgiving turkey dinner winners.

Officials included Al Dollins, Ralph Brosius, Ernie Jones, George Stover, John Zimmer, and Shorty Chalmers.

Girl Scouts Meet At Century Club Tuesday, Dec. 1

There will be a Girl Scout neighborhood meeting at the Newark New Century Club on Tuesday, Dec. 1, at 12:30 p.m., and members of the district committee, all troop leaders, and troop committee members are urged to attend. Coffee will be served to accompany nosegay luncheon.

The program to follow the business meeting will consist of a talk and demonstration of Christmas gift wrapping by Miss Ruth Pearce, Extension Specialist from the Agricultural Experiment Station at the University of Delaware. Miss Pearce will present ideas which may be used by the scout troops.

To stimulate an exchange of ideas, troop leaders are asked to bring Christmas handicraft projects for a display table.

Honor Society To Hold Open Meeting Wednesday

An open meeting of the honor society of Phi Kappa Phi has been scheduled for Wednesday evening, December 2, 1953, at 8 o'clock in the Women Faculty Club Room, at the University of Delaware in Newark.

This annual meeting of the society is devoted to reports by its members on research in progress. This year Dr. Paul Dolan, chairman of the Department of Political Science, will address the group on "State Government." All members of the University community are invited to hear Dr. Dolan.

At 7:30 p.m. there will be a brief business meeting which all members of the society are urged to attend.

Civil Service Announces Postal Clerk Examination

An examination for probationary (permanent) appointment to position of Clerk, paying \$1,715 an hour, for duty throughout the States of Pennsylvania and Delaware, has been announced.

The Mill Creek Hundred Sunday School Association may continue under its present setup or it may seek to outline new goals in the year of 1954.

Meeting for its 56th yearly session Saturday night, the association voted to have a referendum taken in each school to obtain the opinion of the nine schools. About 100 attended, and the host church school served a fellowship dinner.

Officers for 1954 were elected as follows: George Brown, of Cedars Methodist, president; James Alexander, Red Clay Creek Presbyterian, vice president; Mrs. Kinsey Whitman, Ebenezer Methodist, secretary; Henry L. Goss, Red Clay Church, treasurer.

The executive committee will comprise one member and an alternate from each school as selected by that unit.

David Nelson of Salisbury, Md., gave a talk stressing knowledge of God, Bible instruction, and effective service. Solos were sung by Mrs. Fred Earle and Mrs. George Bufington, and Bible characters were enacted by the youth of Cedars Church.

The Wilmotausis Home Demonstration club will hold its annual Christmas party and luncheon on Dec. 16 at the Alterbury Post Home in Wilmington. Mrs. Charles Kane is chairman of purchasing toys for the pre-nursery school for blind children.

The January meeting and covered dish luncheon is scheduled for Jan. 20 at the home of Mrs. Kane.

Waverly club members were entertained last week by Miss Katharine Eastburn, who spoke on arts and crafts. She displayed articles she had made illustrating stenciling, paper mache, block printing, painting, and embroidered blouses.

Miss Eastburn is executive secretary for A. S. Callaway Textile Brokers of New York City and spent last week on vacation with her mother, Mrs. Granville B. Eastburn.

Mrs. Henry B. Wilson was hostess and also program chairman. She read an article on "Tapestry of Our Heritage," Mrs. W. R. Naudain sang "One Rose" and "Old Fashioned Garden," and Mrs. Fred Earle sang the club collect. Mrs. Joseph Mitchell read a Thanksgiving prayer, and members replied to roll call with well known proverbs.

The club's next meeting will be Dec. 2 at the home of Mrs. John C. Mitchell, international relations chairman. Alghans and old and new shawls are to be displayed for the roll call.

Corner Ketch
Union Grange No. 1 postponed its annual election to next Wednesday at 8 p.m.

Officers of Union 4-H Club will be elected Saturday evening at the monthly meeting.

Harmony School
Due to Mrs. James Ransom leaving the district, Mrs. Rollin Farmer was elected president of the Parent-Teacher Association replacing Mrs. Ransom. Mrs. Walter Cannon was selected vice president to replace Mrs. Farmer. The association cleared \$72.35 at the recent card party.

The association changed its Christmas program from Dec. 16 to Dec. 22. Mrs. Roland Dempsey will take care of gifts for the students and pre-school children and members viewed the technicolor film on the University of Delaware.

Mill Creek Fire Company awarded ten dollars in prizes to the five students submitting fire prevention essays. Robert Cannon placed first, Nancy Barlow, second; Daniel Barlow, third; Norma Ransom, fourth; Stanley Springer, fifth.

An original play "What is Book Week" was given last Friday by the school.

Mr. and Mrs. Edward Williams of Limestone Road, are receiving congratulations on the birth of a

daughter Nov. 19, at the Delaware Hospital. This is their first child.

Red Clay Creek

Presbyterian Church

Two groups of the Missionary Society have planned a joint Christmas meeting for next Tuesday at 7 p.m. at the church. Mrs. Harvey Woodward and Miss Mary Armour will have the program and all women of the church are to be guests. Officers elected at the recent session were: Mrs. G. T. Jamieson, president; Mrs. Paul Hitchcock, vice president; Mrs. Robert P. Maclary, secretary; Mrs. Bertha Armour, treasurer.

Gifts for Sunset Gap Mission School are to be brought Mrs. Horace Woodward by Dec. 1. The school also wishes scrap materials which can be used for quilt-making.

The Aid Society will celebrate its 60th anniversary on Saturday at 6:30 p.m. with a covered dish supper at the church.

Organized Nov. 1893, the first meeting was held at the home of Mr. and Mrs. Richard Fisher. Leslie Shakespeare was the first president and Miss Edna Fisher, secretary. Miss Fisher became Mrs. Shakespeare.

Dues were set at ten cents per month and have remained the same until the present day. The meeting night was to be the Thursday on or before the full moon and the second meeting was held at the home of Lewis Derickson, at Yorklyn.

The society has a present membership of 70. Through the years, the society has financed many church improvements and added modern equipment at the manse. Some of its expenditures were for a church heater, pulpit, furniture, silverware and dishes, furniture for manse and church school, and the plaque in memory of the Rev. John D. Blake, pastor for 55 years.

The Rev. Gordon M. Ruff, former pastor, and Mrs. Ruff, missionaries to India, with Mr. and Mrs. James Kincaid, also missionaries there, attended Red Clay Church Sunday. The Ruffs had their six-week-old daughter, Heather, baptized in the church where their other three children were baptized.

This will be the last time the Ruffs will be at Red Clay before returning to India for the next six years. The Ruffs were entertained by Mr. and Mrs. M. A. Shakespeare.

Mr. Kincaid, executive secretary of the Western India Mission at Bombay, spoke in the church school. He was sent to India to train the poorest and lowest class of people in better methods of farming. He has been in India for 27 years.

The Kincaids were accompanied by their daughter, Nell and were week-end guests of Mr. and Mrs. Samuel S. Dennison on Yorklyn Road. The Dennison's daughter, Miss Sarah E. Dennison was a guest in the Kincaid home on her arrival in India, Dec. 1952.

Miss Isabelle Jamieson spent the week-end with Miss Libby Turner at White Hall, Md.

Ebenezer Methodist Church
The MYAF will meet Sunday evening at the home of Mr. and Mrs. Harry Nelson for the monthly meeting to plan for the holiday activities.

Saturday evening, members will have a scavenger hunt starting at the parsonage at 7 p.m.

Mr. and Mrs. Paul Mitchell have returned from Burlington, Vt., where they attended the National Grange sessions.

Delaware Defeats Bucknell To End Banner 7-1 Season

Miller Tosses Four Touchdown Passes In Completing 14 Out Of 20 Against Bison; Serpico, Fannon Score In Final Delaware Appearances; Flynn Kicks 4 Of 5

Delaware's Don Miller delivered on 14 out of 20 passes—four of them touchdown strikes—and as the Hens' junior quarterback performed his pigskin wizardry, Coach Dave Nelson's Middle Six Champions rolled over the Bucknell Bison, 34-13, for their seventh victory in eight starts to wind up a great campaign.

The Fightin' Blue Hens trailed momentarily in the first period when the Bucknell Buffaloes took the opening kickoff for 37 yards in 10 plays for a touchdown, and extra point.

But it was a new game again in three minutes as end Tommy Redfield intercepted Miller's first pass of the afternoon for a 34-yard touchdown and halfback Jim Flynn took into the first of his four conversions.

Delaware scored again within five minutes of the first quarter as Don Miller intercepted the Bison's first aerial and the Blue and Golds drove 54 yards in eight attempts. Within range of the Bucknell end zone, Miller fired a 10-yard pass to James Flynn and Jimmy stepped off 11 yards for the second Delaware touchdown. Again, Flynn's kick was over the bar for the extra point.

In the second quarter, Delaware marched 76 yards for their third score, a series of maneuvers featured by Miller's pass to veteran end Frank Serpico for 43 yards. A couple of plays later, it was Redfield again on the receiving end of Donald's pitch, and Tommy trotted unmoiled over the goal line as Jimmy Zaiser, a blocking as well as a fancy-running back, eliminated the last Bucknell buster.

Delaware guard Jim Cooper pounced on a Bison fumble in the third quarter and Serpico snared another pass from Miller to thread his way through the Bucknell's for 32 yards right down the middle for the fourth Hen touchdown.

Flynn's perfect placement gave Delaware a 28-7 lead until later in the same period, the Bison delivered their constituents with what proved to be their final offensive thrust. Recovering a Delaware fumble on the visitors 26, Bucknell scoring on a pitchout from the five yard line.

As third quarter time dwindled, Miller's passes again began to rain in the Bison backyard—four of them for 32 yards—and the fourth was unfolded, Redfield chest when the Hens' capable end was called out of bounds on the one-yard line.

In the first play of the final quarter, Tommy Fannon, Chester, backfield ace, drove through right tackle for the fifth Delaware touchdown. It was the last time around for Capt. John Borresen, Frank Serpico, Bob Peoples, Rocky Carzo, and Tommy Fannon—seniors who join the ranks of Delaware's gridiron greats of the past.

Yellowjackets Play Thanksgiving Day Finale At Conrad

Scotty Duncan's Gridders Hope To Even Season At 4-4 With Today's Win

The Newark Yellowjackets meet the Conrad Redskins at Woodcrest in a Thanksgiving Day test that may result in something less than a spirit of thanksgiving for squad members and fans of either team involved.

Coach Duncan and the Yellowjackets can close the book on an even season with a win over the powerful Redskins. Newark, after a 13-8 opening loss to the Golden Elks, impressively defeated Brown and Dover by scores of 13-0 and 33-0 before running into the Wilmington High School avalanche of Red Devils for a 4-0-2 stumbling.

With several starters sidelined with injuries, Newark spent an uncomfortable afternoon at Woodcrest where the powerful, unbeaten Colonials of Wm. Penn. joined the Jackets, 42-0.

Newark took to Claymont, 25-6, on the following week—were snowed out of an engagement with Laurel—and in their last time out, salvaged their third victory of the season with a 12-2 triumph over the visiting A. I. duPonts.

Conrad, big, burly, and bubbling over with enthusiasm at what appears to be an opportunity to hand Newark a drubbing after several years of humiliating treatment, sports a 5-2-1 record after meeting the best in the state.

Lulu Perez To Box Gallardo, Friday In TV 10-Rounder

Featherweights Rematched At Madison Square Garden; After Perez' TKO Victory

Larrupin' Lulu Perez and fast-punching Dave Gallardo will try it again in Madison Square Garden Friday night in a ten round featherweight scrap to be nationally televised and broadcast on the Cavalcade of Sports.

The fight will start at 10 P.M. (EST) and will be seen on the NBC television network and heard over the ABC radio network.

When these two boys opened the Garden fight season in September, they went eight fast and furious rounds before Perez was awarded a TKO when Gallardo suffered a deep cut over the eye. Perez, a heavy favorite going into the fight, ran into a tangle in Gallardo, and many TV fans and sports writers were ahead on points when the fight was stopped.

Since then, Perez has fought once, knocking out Joey Cam in 48 seconds of the eighth round. Gallardo has been waiting for his eye to heal before taking another shot at Perez. Perez, looking forward to a crack at Willie Pep, has won 23 straight, with 19 of his victories being by the knockout route. In all he has won 33, dropping only one fight.

Gallardo, featherweight champ of California, at 23 years of age is much more experienced than his opponent, three years younger. Dave has had 64 fights, with 46 wins, 14 losses, and four draws. He has knocked out eight opponents.

Dusting 'Em Off

By E. A. RAUGHEY

The Baltimore Orioles have made another raid on the A's. This time they took the publicity man, Dick Armstrong, and

maybe Bunny Skiff, who managed the A's top farm at Ottawa last week. Skiff had informed the Mack brothers that he would not return to manage their farm team next year.

The story out of Baltimore is that he will be added to the staff as a scout or overseer of the farms that the new owners hope to acquire.

So with the general manager, field manager and top farm manager going from the A's to the Orioles, maybe the Mack brothers had pretty good odds after all. It would appear that a great rivalry is to be built up between the two cities.

Jack Dunn, who owned the old Orioles, has been made secretary of the new group, as part compensation for taking over his territory.

At the same time several of the old Phils who were sent down to Dunn outright, are to be given a chance to work their way back in the big show. The one player expected to stick is Pete Fox, who came to the Phils from Cincy. So he gets another chance with the new Orioles.

Mr. Mack's Birthday
The other day up in Philly, a few friends gathered to wish Mr. Connie Mack another birthday and join in the celebration. It was moved up from the date of December 22, the old gentleman is off to California to be technical adviser on the film depicting his life. The Grand Old Man has passed—or almost passed—another milestone on life's highway. The life of this man who is regarded by all as "Mr. Base Ball," is truly remarkable.

This past week saw Roy Campanella, Brooklyn catcher, named Most Valuable Player in the National League. This was the second time in three years that the honor has come to Campy. Today he is regarded as the outstanding catcher in baseball and some folks say he is the best of Dickie and Cochrane. No doubt he was the main cog in the Brooklyn victory march to the pennant. Many games were won with his stick, others by his mechanical work as a catcher.

New York Giants fans will long remember how he broke up many inter-city duels with his bat, sometimes with a homer with men on base.

I remember one game when this happened to Hearn of the Giants staff, who was leading until the ninth, then the roof fell in. In the last World Series he played a remarkable game in spite of a painful injury that came in the first tilt.

Trade Winds
The trade rumors have about died down for the time being. Look for them to break out anew this week, for the Minors' meeting comes up Nov. 30. So maybe the Cardinals who did not have such a good season in 1953, will find themselves in different monkey suits come Spring of '54. Wonder who the Chicks will trade at this season? Trade Lane will be there with a blueprint laid out to make the Sox a better contender next year and about the only team with no trading plans would be the Yanks. They have any necessary replacements coming up from the farm.

Saturday saw a fighting bunch of Iowa boys tie the famous Notre Dames. It should be the other way around, for ND tied the score with only six seconds to go. Over at College Park the University of Maryland got even with Alabama for last year's drubbing, and the Delaware eleven closed their season with a big victory over their arch rival Bucknell, with Miller passing for 4 TD's.

With an assist from Harvard Cornell was able to back into the Ivy League title and in just a few days the guessing for Frodo will begin. It will be Big Ten Michigan State in the Rose Bowl.

The Brooklyn management has taken their good time in naming the new manager. A good lead is that Cookie Lavagetto will get the nod. Then in a few years Pee Wee Reese can take over and Cookie can take another job. This was supposed to have been the setup for Franco Thompson, but on good authority, he has been taken out of the picture. So the field of ex-managers looking for jobs is still in full membership, as Cookie was a Dodger coach.

Delaware's Grid Captain Named Unsung Hero

Delaware's 1953 football captain, tackle Johnny Borresen, was cited this week by the Eastern Intercollegiate Football Association as one of the "Unsung Heroes" in the ninth and final weekly listing.

Jarrin' John, a senior from Lyndhurst, N.J., skipped Delaware to a 7-1 season record and capped the climax of his career as an outstanding lineman by turning in his seventh 55-minute performance of the season as the Hens hammered Bucknell, 34-13, on Saturday.

Delaware Cross-Country Runners Cop Final Meet

Paced by Bill Reybold's record-breaking performance, Delaware's cross-country team ended its season in style by defeating Albright, 21-36, at Reading on Friday.

Reybold established a new record for the 3½-mile Albright course as he sped the distance in 17:27.4. The old mark of 18:23.2 was held by Albright's Bill Shirk, who was runner-up in yesterday's event. The summaries:

1. Reybold, Delaware.
2. Shirk, Albright.
3. O'Connor, Delaware.
4. Glick, Delaware.
5. Marini, Delaware.
6. Fox, Albright.
7. Rocknabel, Albright.
8. Cook, Delaware.
9. Fournere, Delaware.
10. Gallagher, Albright.
11. Gehris, Albright.
12. Flammer, Albright.

NEWARK HOCKEY STAR
Peggy Flinn, Newark, was among 22 students of the University of Wisconsin who took part in the Midwest Field Hockey Tournament held recently in Milwaukee in preparation for the National Hockey Tournament in New York City this Thanksgiving week-end.

League's Most Valuable
This year he did not get a vote. And for the first time in a number of years, Country Slaughter of the Cards was not in the first ten, and Stan Musial finishing sixth.

With Thanksgiving upon us, we have plenty to be thankful for. We are grateful to the sponsors of sporting events and thankful that in this country such events are still ours without government interference—thankful that we can call the umpire or referee a blind man—can hold the star when he strikes out or can let our cheers swell the air when our team comes out ahead or makes a brilliant play.

We are thankful that we have our freedom to work or play, to go to the church of our choice, to vote as we think right. Let our prayers on this day, be for the perpetuation of these freedoms.

Blue Chicks Roll To Record Season With 136 Points

Coach Jim Sullivan's Yearlings To Bolster Varsity '54 Strength

Delaware's varsity football season has been an exceptionally good one, but another group of gridiron warriors, Coach Jimmy Sullivan's Fighting Blue Chicks, have also been rolling to a record season.

The 1953 freshmen scored four victories, lost one game by two extra points, scored more than any previous yearling eleven, and have a number of top prospects for next year's varsity. In five games the fresh scored 136 points while permitting their opponents only 33.

The showing of the 1953 squad added substantially to Coach Jimmy Sullivan's already impressive record as director of freshman teams. In two gridiron campaigns his teams have won 7, lost two, and tied one. During this two season stretch, no opponent has ever shut out the Blue Chick team and no opponent has ever scored more than 14 points in a single game.

Assistants Praised
Coach Sullivan attributes much of the success of this season to his capable assistants, seniors Johnny Allen of Mt. Holly, N.J., and Charles Sullivan of Newark. Both men are former letter winners with the Delaware varsity who were unable to play this season because of injuries.

The two top prospects for next year's varsity are guard Tommy Thomas of Seaford, and halfback Carmen Cella of Linwood, Pa.

The coaching staff describes Thomas, a 6-0, 195 pounder, as a boy who could have played varsity ball this season. Coach Sullivan stated that "Thomas is the best lineman I have seen at Delaware and one of the best I have ever coached." The former All-Star end successfully made the transition to guard, captained the team in one game, and gave a brilliant and consistent display of blocking, tackling, and team spirit which inspired his teammates.

Cells Clicks
Cells, who could play either end or halfback, was the team's second leading scorer, best past receiver, and one of the top ground gainers. He starred on defense as well as offense, was quick to diagnose enemy plays, and has excellent hands which are so necessary to an end or halfback.

Other prospects are Joe Thorp, Newark; Dick Ross, Newark, N.J.; Patsy Friello, Ellwood City, Pa.; Bob Moneymaker, Seaford; Dave Colcombe, Pittsburgh and Pete Mulligan, Palmyra.

Delaware MAC Cage Champ Prepare For Title Defense

Basketball Coach Fred Emmerson Has Choice Of 12 Talent Headed By Capt. Frank White At 6-5; Green, Kinch, Kelleher, Hart, Probable Starters Over 6-6.

When Delaware's Middle Atlantic Conference basketball champions take on their first opponent in Washington College at home on Dec. 2, former Wake Forest star and veteran Hen head basketball coach Fred Emmerson will have a towering talent from which to field five stellar starters.

Delaware's cage captain Frank White, Wilmington, from an elevation of 6-5, along with Dallas Green, from

Conrad star, while Jim Kinch, of Dunellen, N.J., looks down on both men from 6-7. Pete Kelleher, ex-Sallies sure-shot, stands 6-4 above the hardwoods as does Bob Hart, Claymont cager.

The Hens won't waste any time making their plunge into the high struts of basketball. They took to Philadelphia to play Penn on Saturday, Dec. 5, for the second game on a 20-game schedule plus the Christmas tourney at Hofstra, N.Y.

Gettysburg Back Named Maxwell Award Winner

Gettysburg's Joe Ujohal, high-stepping senior halfback, was named as the Philadelphia Maxwell Club Award winner for his brilliant performance in the Bullets' 26-13 victory over Bucknell.

Ujohal was honored at the Maxwell Club's weekly luncheon Monday in Philadelphia. This is the second time the Gettysburg backfield ace has been named the Award winner, having gained the honor last season for his play against Western Maryland.

Two big ends in Ed Malinowski of Pittsburgh, and Ethan Stenger of Hagerstown, showed well this season. Malinowski has great determination, is good both ways, and Stenger is excellent defensively.

Two tackles, John McIntyre of Schenectady, N.Y., and Eddie S. Kuskus, Mahoning City, Pa., made great strides during the year and guards Mike Kravitz, Shenandoah, Pa.; Alvon Sparks, Newark; and Ray Ejzak, Pittsburgh, also showed varsity caliber. Two centers Jerry Weis, South River, N.J., and Jim Shelton, Franklin, N.J., are both counted on for varsity service.

Other prospects are Joe Thorp, Newark; Dick Ross, Newark, N.J.; Patsy Friello, Ellwood City, Pa.; Bob Moneymaker, Seaford; Dave Colcombe, Pittsburgh and Pete Mulligan, Palmyra.

Why the big swing is to Ford!

More than a million buyers decided on Ford this year... because Ford's "worth more when you buy it... returns more of its worth when you sell it!"

They like it in traffic! Ford in its field offers a choice of V-8 or Six, with the performance you need for today's traffic. You get a choice of three drives... conventional, fuel-saving Overdrive or Fordomatic, the only automatic in Ford's field with an automatic intermediate gear for extra C.P. You get the full versatility you want, too... the most in family field.

They like it in the hills! V-8 and Six give you hill-flattening GO on "regular." Master-Guide power steering, available on all V-8's, makes turning up to 75% easier yet retains natural "feel" of steering on the straightaway.

They like it for jobs, for room, and for just plain good looks! Front end road shock is reduced up to 80%! Wide seats, accommodate 48. Trunk is a real space saver. And Ford's good looks speak for themselves.

its right to run a sewer line across adjacent land to the county intercepter.

Well over a year ago it was brought to the attention that differences of opinion existed regarding the course of such line, the rights for which were stated in the sales agreement. After numerous conferences between representatives of the board and the owners of this land, it became apparent that the differences were of such magnitude that they could not be easily resolved. I moved for action which would have brought the matter to court for decision. This motion was not seconded and received no serious consideration. This was over a year ago.

Early in the spring of this year I moved to engage legal counsel to press the board's case to a decision. Again my motion was not seconded. Late in August or early in September 1953 counsel was engaged on behalf of the board. Though I had no voice in the matter at the time, their employment was subsequently confirmed.

By Oct. 9, 1953, counsel had had our case for five weeks, but we received no report of progress. I protested, telephoned them personally, and insisted that our case was of the utmost urgency. It is now the middle of November. To my knowledge the board has no report on the status of the case except for an unacceptable proposal from the opposing parties. I was unable at last Friday's meeting to stir up more than the mildest concern. As I see it, we are no closer to solution now than we were in the fall of 1952.

The parents and taxpayers of this school district are entitled to more aggressive action on the part of the school board. The need for this school is imperative; six grades are now on half sessions. The effect upon the teachers and their supervision is demoralizing. It is my sincere hope that in naming my successor you will choose someone who will continue to press for positive action to resolve this dilemma.

Very sincerely yours,

C. M. Olson.
