Dear friend -

I arrived in Washington
yesterday morning and must
leave here Sunday evening Jan.
11 for Hoboken. Maria & her
mother are in Hoboken. I
can't make any plans yet
about going to New York but
as soon as I have seen the
President I shall know what
I can do. I do hope to see you
here or in New York. I will

telephone you when I know
what I can or cannot do.

Love to you & the family
from us with -

Sincerely yours,

J. M. M. M.
