Dear Mr. Heineman:

Thanks so much for the copies of the "Outline of a New Europe" which have just arrived. I am sorry to hear through your secretary that you are laid up and I hope that by this time you may be about again. This weather is treacherous and I have had a cold myself which I have been unable to shake off. I am hoping to get away from here at the end of the week to spend about ten days in Belgium. I do not know yet whether I will be able to get away but I shall make every effort to spend a little time at the Chateau d'Ardennes. I feel the need of a little change from the rather hectic time that we have had here for several months. If I do get to Belgium I will get in touch with your office to find out if you are in Belgium and try to see you while I am there.

With every good wish, believe me,

Cordially yours,

Mr. D. N. Heineman,
c/o Sofina,
