OFFICE OF THE SECRETARY  
WASHINGTON

March 8, 1941.

My dear Mr. Heineman:

Thank you very much for sending me copies of your speech on an "Outline of a New Europe" and your article on electrical utilities.

It was very kind of you thus to remember me and I am correspondingly appreciative. Needless to say, I am looking forward with the greatest of interest to reading them.

With kindest personal regards,

Sincerely yours,

Mr. Dannie Heineman,
