Dear D_annie :

I have your note of November 7 with which you send me a copy of the English translation of a memorandum regarding the subsidy and compensation programs for the Argentine industries since 1946, which you have received from Buenos Aires. This memorandum is quite interesting, but I think it is rather incomplete in some respects, particularly with regard to the subsidies granted by the "IAPI" for foodstuffs etc. Purely for my personal interest I would appreciate your advising me whether this memorandum was prepared in the CADE.

With all good wishes,

Cordially and faithfully yours,

George S. Messersmith
