Purely Personal

Dear Dannie:

I have your note of November 24 with which you send me at Brosens' request a copy of a memorandum which he sent to you through Mr. Colinet and which is in part a reply to the note written by you in New York. I have read this memorandum with interest and I will comment on it further in a few days, as I am particularly occupied at this writing.

You say that in Brosens' letter he refers to a letter from me dated September 26 giving an excellent analysis of the situation in Buenos Aires. You say that you do not think that you have had a copy of this letter and I am therefore sending you one herewith. I feel very sure that I sent you a copy of this letter and it must be among your papers somewhere, as it is my invariable practice to send you a copy of any letter that I write to Brosens.

I have read the memorandum of Brosens which you are good enough to send me and I hope that I may be able to write you in the next few days.

With affectionate good wishes to you from Marion and myself and to Yvonne and her family,

Cordially and faithfully yours,

George S. Messersmith
