Dear B.H.:

I am sending you herewith a copy of a letter to Rex Leeper which is self-explanatory, as I thought you might be interested in knowing of the visit of Sir Archibald Jamieson and Col. Rex Benson to Mexico. I think it was largely a visit of pleasure but they certainly were interested in all they saw here.

I have been more occupied during the last two weeks than I have been for a long time and than I will be for the next month. In the third week of December I will be preparing my three-monthly report on developments in the Company, so I will not burden you with any comment now.

Marion joins me in affectionate good wishes to you both, and with very best wishes to Lawson and Hamlyn, I am

Cordially and faithfully yours,

George S. Messersmith.
