Dear Dannie:

I am sending you herewith a copy of a letter which I have written to Graydon in Toronto which is self explanatory. By the end of next week we should be able to write more fully concerning the situation, the problem and how it may be solved. My letter to Graydon is simply in the way of a preliminary statement. The problem we have to deal with is a difficult one but it is not one to which an adequate solution cannot be found.

With all good wishes,

Cordially and faithfully yours,

George S. Messersmith
