Dear Dannie:

I am delighted to have your telegram me this morning after I returned from Cuernavaca last night, stating that beginning this last weekend all urgent telegrams sent during weekends should be addressed to you at Deerpark, Greenwich, Connecticut. This means, I am sure, that you are going to spend your weekends at your home in Greenwich, which I think is wonderful. We have taken due note of the information which you have sent us so far as sending telegrams to Amintas or to you during weekends is concerned.

Marion and I are arriving in New York, according to our schedule, on the morning of June 19. I do not know what time the train arrives there. Mr. Lorié asked me in a letter some time ago at what station we would arrive and I told him that it should be the Pennsylvania Station unless I informed him to the contrary. Our tickets have just been delivered and I find that they are via the Pennsylvania Railway, so we will be arriving at the Pennsylvania Station.

It will really not be necessary for anyone to meet us as it is our intention to go immediately to the apartment of Marion's sister, Louise Frazer, and we will leave our bags there. Marion will go the next day to Wellesley to visit her brother and will be there until I return to New York from Toronto on June 28.

As you know, I am going to Washington on Friday evening, the 19th, at 6:30 and will go directly from there on the evening of the 22nd to Toronto. I hope to have as much of Friday, the 19th, with you as possible and will go to the Carlyle if you are there shortly after our arrival at Louise Frazer's apartment.

On my return from Toronto on June 28 if the apartment is free, as you are good enough to suggest, Marion and I will be

glad to stay there. I would arrive on the morning of the 28th from Toronto and she would arrive the afternoon of the 28th from Wellesley. I do not know just how we will divide our time after we reach New York on the 28th June, as I will undoubtedly have to spend some time in Washington and I want to spend a couple of days in Wilmington with the family. We hope to get away on the 15th July, but I may have to stay a little longer. It depends on what has to be done, in Washington in particular. Both the Fords and the Deans I think want us to spend a weekend with them and we certainly hope we can spend a weekend with you. What can be done I do not know.

I am very anxious that both Maryssael and Martinez make the trip to Toronto and they plan to leave here on the 22nd, but whether both of them can go depends on circumstances here. Perhaps one of them will have to remain here. I have asked Buchanan to go to Washington and Toronto while I am there, as he will be useful both places. I have suggested to Lorié that he be in Toronto for the Board meeting so that he can keep in touch directly.

This is going to be a very hectic week and I am looking forward to seeing you all. Hoping that you are enjoying the house at Greenwich, and with love and good wishes to you all from Marion and myself,

Cordially and faithfully yours,

P. S. June's mother is here with a lot of friends who came by plane and the party, some 11, came to Cuernavaca yesterday for lunch and it was very pleasant.
