The University of Delaware Marching Band, under the direction of J. R. King, presents an active program during the academic year. They begin by spending four days, before school, at Camp Tochwagh learning intricate steps and music for half-time performances. This year the band entertained eleven high schools at the First Annual Band Day as part of the gridiron half-time entertainment. The band also participates at all pep fests, football games, and as an added feature this year, a pep band played at the basketball games. Other activities of the band included playing at Convocation and Commencement, touring Delaware high schools, and the presentation of two outdoor concerts in May, one of which was a "pops" concert in conjunction with the University choral groups. The band also had the pleasure of working with two important guests in the field of music — Paul Creston, a composer, and Raphael Mendez, an outstanding trumpet player.

JIM CROTHERS and FRANK McMULLEN
Managers

Although hampered by injuries to key players the majority of the season, this year's football team, under the able leadership of Captain Tommy Thomas, turned in a creditable record of five wins, three losses, and one tie.

Tom comes from Seaford, Delaware, and attended Seaford High School. In his senior year he was selected on the All-State football squad as an end.

Although Tommy earned a letter as a sophomore, he did not become a varsity regular until the New Hampshire game in his junior year. In that game, he received the Eastern Intercollegiate Football Association's "Unsung Hero" award for his recovery of a fumble that paved the way for a Delaware victory over the Wildcats.

This type of alert play was typical of the agile captain who, in his sophomore year became the only Blue Hen lineman to score when he recovered a fumble in the end zone, and was second in pass interceptions in his junior year with two. This year Tommy received the Taylor Memorial Trophy, which is awarded annually to the senior player who has made the greatest contribution to team morale throughout his college career.

Tom is majoring in mechanical engineering and is very active in student government and fraternity affairs, having served as corresponding secretary of the SGA and president of the sophomore class.
The Seniors that Led the Way

FRONT ROW: Dave Griffin, Bob Moneymaker, Jim Shelton, John Oberg, Carmen Cella, Bill Green.
BACK ROW: Jerry Weis, Larry Dalton, Tommy Thomas, Ethan Stenger, Dave Colcombe, Ed Malinowski.

Freshman cheer the team, led by Captain Tommy Thomas.
Halfback George Jarome (25) leaps to catch a pass from quarterback Larry Catuzzi (not shown). Larry completed 9 out of 11 passes for 160 and 2 TD's, both in the last quarter.

George Jarome (25) picks up a few yards, as halfbacks John Cogan (11) and Walt Pijawka (33) of Lehigh close in.

Blue Hen's halfback Bob Moneymaker is off on a 75-yard run on the first play from scrimmage in the second half. Trying in vain to catch him are ends Tom Faillace (83) and Austin Short (88), and fullback Walt Pijawka (33) of the Engineers. This TD made the score 20-0 in favor of Delaware.
Captain Tommy Thomas (66) of the Blue Hens tackles this Leopard back after a gain of 3 yards. Delaware was the first to score in the game, on a 27-yard jaunt by John Oberg, following a pass interception by linebacker Jerry Weiss.

Delaware's star end, Carmen Cella (82) closes in on a Leopard back trying to run back a Larry Catuzzi punt.

The Delaware line opens up a big hole in the Lafayette line for Bob Moneymaker (47). However, a few plays later the Blue Hens were forced to punt, and the Leopards scored their second touchdown to lead at halftime 14-7.

Delaware 14  Lafayette 28

Blue Hen's Bob Moneymaker (47) and Carmen Cella (82) come up to tackle Lafayette back Joe Bozik, who has just slipped away from Joe Harvanik (75).
Halfback Tony Toto (32) drives through the Bison's line for a sizable gain. Attempting to tackle him is one of the Bucknell linebackers (63).

The first Blue Hen touchdown is scored by George Jarome (25) on a 3-yard plunge, after Delaware had moved the ball 87 yards in 12 plays.

Delaware's Tony Toto (32) is shown picking up several more yards. Moving in to help block is end Carmen Cella (82).
A fumble in the Hen's backfield is about to be recovered by George Demko (67) and Dick Borkowski (52) of the Rams. The teachers were the first to score midway through the second quarter on a 17-yard pass from John Harrington to Joe Motta.

The Delaware line pours in and throws this West Chester back for a loss, near the end of the first half. The score was knotted at 7-7 at the intermission.

Delaware end Ben Klinger (89) tries for a field goal midway through the last quarter, but his attempt was wide. A few minutes later West Chester's Little All-American guard Joe Chilbert kicked a 20-yard three-pointer to put the Rams ahead 10-7.
Blue Hen halfback Tony Toto (32) catches a touchdown pass from Larry Catuzzi (not shown) to give Delaware a 14-6 halftime lead.

Following the interference of fullback John Walsh (36), sophomore halfback Denny Luker (40) sweeps the Uconn's end. Connecticut scored two TD's in the third quarter to forge into the lead, 20-14.

The Uconn's score 4th touchdown to win 26 to 14.
Speedy Delaware halfback Denny Luker (40) gains several yards around the end, as Bainbridge Quarterback John McAneny (17) moves in to cut him off.

JIM SHELTON
Guard

The Commodore's tackle Fred Sington (75) is about to be brought down by Delaware's Duke Shelton (67). Sington was forced to run, after receiving a high pass from center on a fourth down punting situation.

DELAWARE 7  BAINBRIDGE 7

Bainbridge's George Bell (20) is trapped behind the line by sophomore center Bob Jones (52). Both teams scored their TD's in the third quarter. McAneny on a 1 yard plunge for Bainbridge, and Catuzzi on a 1 yard plunge for the Hens.
Jack Laverty (32), Rutgers' right halfback, picks up yardage before being brought down by Delaware's Dave Griffin (73) and Tony Toto (32) with help from Mike Nevada (51).

Delaware's Tony Toto (32) scores on a 7-yard run around end to increase Delaware's lead to 14 points late in the third quarter.

A long gain by Moneymaker puts Delaware well into Rutgers' territory early in the second period. However, Delaware fumbled the ball a few plays later on Rutgers' one yard line with Rutgers recovering. On Rutgers' first play from scrimmage, Carmen Cellar (82), alertly blocked Bill Austin's attempted quick kick and the ball rolled out of the end zone for a Delaware safety.

DELAWARE 22  
RUTGERS 0
Fullback John Oberg (30) is shown off on a 65-yard gallop to the Temple 18-yard line, late in the first quarter. Four plays later the Hen's Denny Luker scored from the 1-yard line to give Delaware a 7-0 lead.

Temple's star fullback Chad O'Shea (37) tries to get around Bob Moneymaker (47) and Ed Malinowski (78). The Owl's scored their only counter early in the second quarter on a pass from Simone to Charters. The half ended 14-7 in favor of the Hen's.

Bob Hudak (84) and Ron Howley (52) of Temple trap Tony Toto (32) behind the line of scrimmage. Neither team was able to score in the second half, although Temple came very close in the third quarter.

Halfback J. Meeker (20) takes a pitch-out from quarterback Pellegrini.

Delaware's Lee Elia (40) is shown about to catch a pass from quarterback Pellegrini to lead Delaware to a 38-13 win over Bucknell Freshman.

RAYMOND "SCOTTY" DUNCAN
Freshman Football Coach
The 1956 Delaware Freshmen football team produced one of the finest freshmen records in the school's history. The team was coached by Raymond "Scotty" Duncan who in his first season as frosh coach compiled a record of four wins and one tie. This represented the first undefeated freshmen season since the year 1949, and the most points scored by a freshmen team in recent years.

The team should greatly aid Coach Nelson's 1957 varsity football squad. They have several fast backs and fine linemen included among are: John Mortas, Leon Dombrowski, Bob Johnston, Otto Fad, Al Huey, Mark Hurm, Myron MacWilliams, Lee Elia, Gampy Pellegrini, Jack Turner, and John Bowman.

Coach Duncan was aided in his first season by the valuable assistance of Jim Flynn, ex-Delaware great, and Jerry Gosen, former Michigan athlete.

Delaware is on the move again as quarterback Pellegrini completes another pass to halfback Elia.
Coach Alden "Whitey" Burnham's varsity booters came up with a not too impressive 0-8-1 record last fall.

The 1957 season may show quite an improvement because the "green team" of 1956 will have a year's experience under its belt. Only four men will be missing next year among them are co-captains Lord and Wagner. Next year's team will be led by John Wieland and Eddie Ruo. The coach is also looking forward to obtaining some members from this year's Freshman squad.

The Blue and Gold Cross Country team, under the leadership of captain Clyde Louth and the guidance of coach Kenneth Steers, completed the season with a 3-3 record in dual competition and a second place finish in a triangular meet with William and Mary, who finished first, and Washington College. The loss to Lehigh at the beginning of the season broke a 13 dual meet winning streak stretching from the 1953 season. The services of Clyde Louth and Robert Maegerle will be lost through graduation; however, captain-elect Ken Calloway, Jerry Quigg, and Charles McCauley will be back next year to form the nucleus of another strong team.
Delaware's wrestling team under the tutelage of Coach "Whitey" Burnham turned in a very impressive season record of 3-3-3, considering the many injuries and ineligibilities that beset the team throughout the season. The grappleers got off to a very good start with a tie against a strong Lafayette team which is the best showing that the Blue Hens have made against this team in recent years. The first victory was posted against Haverford followed by a tie with P.M.C. and a very impressive win against Albright. The matmen then followed with two losses in a row to Drexel and Swarthmore. The Hens then followed with a tie against Ursinus. A loss to Muhlenberg and victory over Bucknell completed the season. The team will be losing some outstanding seniors like Bill Baur, Jim Horn, and Steve Voorhees, but men like Bob Serman, Hugh Mooney, Bill Walker, Jim Zawicki; and Dick Duerr will be returning next year to form the nucleus of a potentially strong team.
The Blue Hen mermen, captained by Phil Reiss, finished the season with a 1-9 won-lost record. Although their record was not too impressive, Coach Harry Rawstrom's aqua-men had many bright spots.

The lone victory came against Drexel, and was the first since the last meet of the 1954-55 season. Fred Freibott, who joined the team the second semester, was the only consistent winner, swimming in the 50 and 100 yard freestyle. At Swarthmore and Gettysburg he set new pool records in the 50 yard free and 60 yard freestyle respectively. Captain Phil Reiss scored victories in the 200 yard breaststroke early in the season, but was forced to sit out the rest of the meets due to an attack of appendicitis. Other point scorers were Jack Fisher in the 200 yard butterfly and breaststroke, Ed Kimmel in the backstroke, and George Webber, Bart Rinehart and Dick Cheadle in the distance freestyle.

Coach Rawstrom is looking forward to a better season next year, since he will have everyone back again on the varsity, plus the addition of several very promising members of the frosh team, including Don Bruner, Dan Grant, Jerry Harrison, J. D. Quillen and Pete Reiter.

This year's Varsity Basketball squad gave the fans many thrills, despite its 8-16 won-lost record. The team, captained by Clyde Louth, began the season with a plane trip to the University of Michigan. The bigger Wolverine team held off a last minute rally by the Blue Hens to win the game 79-68. The first home game of the season was a close one won by Hofstra. The Hens had the lead with two minutes to go, but several quick goals by the Dutchmen tied the game at 65, and in the overtime period Hofstra outscored Delaware 7-2 to win the game 72-67. Another close ball game was played against Bucknell, in which the Hens again lost their lead in the last few seconds, and lost the game by one point 59-58. The first win of the season came in the first Middle Atlantic Conference game of the year against Swarthmore, by the score of 85-64. The next MAC game was against last year's league champion, Drexel, which the Hens again lost in overtime 75-74. During the mid-semester vacation, the ball team again went out west, this time playing Toledo and Detroit. They were outclassed in both games, losing to Toledo 91-70 and to Detroit 90-67. The beginning of the second semester, Coach Wisniewski's forces caught fire, and won five straight games, including a 78-61 win over Lehigh, which revenged an earlier defeat 87-86, in two overtimes. Delaware finished the season, losing a heartbreaker to Navy 79-76 and losing to Lafayette 99-77. With a few more breaks this year's team could have very easily had a winning season.

The leading scorers on the team were Skip Crawford with 18.3 average per game, and Jim Smith with a 16.7 average. Both men ended the season with a three year total of more than 1000 points.

FRONT ROW: Bill Payne, Jerry Swartz, Charley Cluff, Stan Macel, Russ Given, Jay Conner.
This year's Frosh Basketball squad, which was coached by Russ Trimmer, a member of last year's varsity team, finished the season with a winning record of 9 wins and 7 losses. After losing the first three games, the frosh got started and won the next six in a row, five of them over conference foes. The chicks finished the season with three straight victories, the last one over a strong Lehigh team, which defeated them earlier in the season.

The leading scorers on the team were Charley Cluff with a 16.4 point per game average and Gerry Hayes with a 15.1 average. The team Co-Captains were Stan Macel and Charley Cluff.
TENNIS

Coach Roy Rylander is looking forward to a very successful season this year. Losing only Carl Schupp and Walt Jebens from last year's squad, the Hens will have an experienced team, built around Walt Kohler, Captain Al Woodruff, Bob Woodruff, and Tom Jenkins. In addition to these the Blue Hens will be aided greatly by the addition of Ray Walker and Roland Corson who were ineligible last year, and transfer student Clayton Kauffman, all of whom have had previous experience.

The netmen only won two matches last year, while losing seven, four of which could have easily gone the other way, being lost by the scant margin of 5-4.

The Hens will encounter several formidable opponents this year, including Swarthmore, one of the top teams in this section, and a team the Blue Hens have never beaten, Johns Hopkins, whom the Hens have only beaten three times since the series started, Rutgers, a newcomer to the schedule, and Bucknell, another top team in the Middle Atlantic Conference.
This year's golf team has much to look forward to after last year's disappointing season of one victory and eight defeats. Captain of the squad, coached by Irv Wisniewski, is Dick Sutton. Returning lettermen are seniors Jim Shelton and Pete Peffer, and underclassmen Hal Reed, Bill Walker and Jim Szymanski. The team will also be bolstered by the return after a year's absence of former lettermen and senior Chauncey Dean, and the addition of sophomores John Walker, Dick Pruett, and Jim Stritzinger.

The schedule consists of ten dual matches, including such formidable opponents as the University of Pennsylvania, Lehigh University and Hofstra College. The Middle Atlantic Championships will be held at Mt. Union, Pa.

All home matches are played at the Louvier's Golf Course.
This spring Coach Harold "Tubby" Raymond and his varsity baseball team will attempt to better their last year's record of 14 wins and 3 losses. The 1956 Blue Hens produced the best baseball team in the school's history and represented the Middle Atlantic area in the NCAA playoffs.

A twenty-four game schedule including a seven game southern tour faces this year's team. This represents the most difficult one ever encountered by a Delaware baseball team.

Coach Raymond has 10 lettermen and a fine array of sophomores ready to face this stiff competition. Back for his third season is Captain Joe Thorp, who will handle the catching chores. He will be backed by Earl Alger, a junior. Last year's leading hitter Gene Watson will be on first base and Jim Smith at second. Sophomore flash Fred Walters, Dick Gee, and Larry Catuzzi are battling for the shortstop post, while Jim Breyer and Tom Walls are candidates for the third base position. Returning outfielders are Carmen Cella and John Walsh. They will be joined by Dick Duerr and Dick Holden. The pitching staff, although suffering the loss of star righthander Bob Hooper, will be as strong as ever. The top three should be Tony Delucas, Dick McKelvey, and Bill Patterson. Other pitchers include Dave Colcombe, Skip Hoffman, Art Krietz, and Frank Savaiko.

First baseman Gene Watson gets some practice in the batting cage. Catching is Captain Joe Thorp.

Moundsmen Dick McKelvey warms up.

Under the capable guidance of Coach Ken Steers and Captain Clyde Louth, the Delaware track team is looking forward to a successful season this year. The Blue Hens will open the season with their toughest opponent, the Engineers from Lehigh. Last year the Engineers handed the Hens their only defeat in dual competition. The rest of the schedule includes Swarthmore, Johns Hopkins, Franklin & Marshall, Muhlenberg and Albright.

The team shows great strength in the sprints with Denny Luker, Bill Walton, Jim Zaiser, Gil Mahla, and service returnee Buck Jones as the standouts. Pole vaulters Cliff Browning and Bob Cuthrell are expected to be consistent point getters for the Hens. Other individual standouts should be Jerry Quigg in the 880 and Clyde Louth in the mile and two mile events. Ben Klingler, Georg Starzmann, John Pollack, and George Wening are the leading contenders in the field events.
Coach Milt Roberts is looking forward to an impressive record by the Blue Hen lacrosse team this year. The team will be without the services of All-American Bob Tait, but Bob Seaman, the star of the Freshman squad last year, is expected to show outstanding ability. The defense should be very strong this year with Co-captain Jerry Weis, Bob Jones, and John La Fountain as the standouts. The team should have two strong midfields with Jim Dinsmore, Bob Cossaboon, and Co-captain Harry Kline as the starting group, and George Jarome, Dick Atkinson, and Jack Ellis being ready when needed. The attack will consist of Dick Lewis, Bob Seaman, Charley Starr, and Ken MacKennon. The Blue Hens had a very impressive 7-3 record last year.
FRESHMEN

PROVE THEMSELVES

FRONT ROW: J. D. Quillen, Don Bruner, Shelly Soss, Bob Stewart, Gerry Harrison,
John Denyes. BACK ROW: Mgr. Chuck Richards, Dan Grant, Dan Harwitz, Pete Reiter,
Bob Davis, Bruce Holland, Coach Harry Rawstrom.

BACK ROW: Coach Whitey Burnham, Bruce Berrel, Tom Maddus, Fred Grampp, Jim Meeker, Chick deJohn, Pete Shelton, Skip Foraker, Pete Ratsep.
The Women's Athletic Association is an organization of which every woman on campus is a member. This year W.A.A. is under the capable direction of Mrs. Elizabeth France who was a member of the organization a few years ago. As W.A.A. officers for the 1956-57 season were president, Winona (Fifi) Dawson; vice president, Peg Jones; secretary, Joan Stephens; and treasurer, Jane Lotter.

W.A.A. serves to undertake as its principle activity the direction of the various south campus sports such as hockey, basketball, softball, tennis and many others.

At the end of the school year, a picnic is given for all W.A.A. members. At this time awards are presented to those who have been outstanding in the club. Pins and guards are awarded to the girls who have collected one hundred points or over during their college years. This picnic is looked forward to by all who are really interested in the association.
Usually a play day or sports day is sponsored by W.A.A. during the school year to which other colleges and nearby high schools are invited. These gatherings provide an interchange of ideas and methods used in conducting play days.

Another method used for keeping students informed of the activities in the organization is a column in the Review which was written this year by Barbara Jenkinson.

To all the girls the association presents a well-rounded program in the field of sports. Its function is not only to provide entertainment but also serves as a useful medium through which the girls are able to obtain more social contacts, improve their physical well-being and learn more about sportsmanship.

BARBARA JENKINSON
Publicity Chairman

Women’s Athletic Association hard at work.
HOCKEY

South campus came alive in the fall with the start of the hockey season. Under the guidance of W.A.A. and Lynea Mosteller, manager, two color teams were formed from the more than thirty girls who came out for the practice period of two weeks. Their attendance, however, fell off somewhat as the games were underway, but the enthusiasm sported by the girls who were there was well worth noting. Even umpires were provided by the ever present physical education majors.

TABLE TENNIS

February the eleventh saw the opening of the table tennis tournament on south campus. The popularity of the sport has increased a great deal. This year there were about thirty-five girls entered: twenty-one in the singles division and seven sets of girls in the doubles contest. The tournament was conducted in a round-robin fashion, with those girls who survived the preliminary eliminations taking part in the final play-offs. A big hand goes to Mallory Hughes, who did a great job as manager of the tournament.
SOFTBALL

With the coming of spring, south campus sprang to life with its annual softball tournament. Teams representing the various dorms met in the afternoons, with enjoyment for participants and spectators alike. The physical education majors took turns playing umpires, referees, and clock watchers. Many thanks go to them for helping the 1956-57 softball session a big success. And to the manager, who was not yet chosen at this writing, goes many thanks for aiding in the spring's favorite sport.

BASKETBALL

Basketball got off to a big start in early February when a special clinic was held in the women's gym. The physical education majors took to the court to point out the new rules and rule changes to those interested in the annual tournament. This year the job of managing the event went to Pat Seni, a sophomore Phys. Ed. student, who got her experience with the commuters' team during the previous season.

Basketball always arouses keen interest, as everyone wishes their dorm to catch-up or surpass in points as athletic events draw near to a close. Warner has traditionally topped the others in this sport, so attention is focused on a victory over them. Last year, the commuters, a newcomer in this sport, were happy to give these rivals the most keen competition, while Sussex placed third. Here's hoping for as good a turn-out and an even closer contest in this year's round-robin tournament.
VOLLEYBALL

A "Round Robin" volleyball tournament got underway on south campus near the end of first semester this year. Nancy Stewart and Kathie Perone were the managers responsible for setting up and publicizing the games. Warner, New Castle, Cannon and Kent Dormitories produced the four teams that engaged in the interdorm competition. Despite the fine start, spirit seemed to be lacking. Possibly the girls found difficulty securing time from the last minute work that comes with the closing of a semester. New Castle dormitory is still to be congratulated as victor.

TENNIS

Any Delaware coeds likely candidates for Wimbledon? Could be, for the fall tennis tournament revealed some exceptionally skilled players this year. The girls participating were awed by the ability of our "tennis queen," Ann Mesnel, who won the fall single eliminations contest. We understand that Ann, a foreign exchange student, has also earned the admiration of various top league opponents in France. By the way, girls, rumor has it that she beat the boy champion on the side!

Participation in the fall was a little disappointing, but the weather was to a large degree responsible. The spring round robin is expected to bring out all of those who were hesitant to join us in the fall—including all timid freshmen. Elaine Peterson Schupp, manager and runner-up in the tournament, deserves a great deal of credit for the success of the tennis activities. Players of varying degrees of ability joined in, and a good time was had by all!
SWIMMING

April featured the Swimming Marathon, and south campus took to the water to again to swim the Pacific—round trip! The girls swam and competed by class; the Sophomores struggling to regain the championship title they had won as Freshmen. W.A.A. regulations stated that swimming in the Marathon entitled or qualified a girl to compete in the Swimming Meet that followed. The Meet featured racing and diving, during which individual honors were bestowed. In this, perhaps more than in any other south campus sport, participation and spirit are high. Delaware coeds always look forward to spring and the annual swimming events with great anticipation. Peggy Jones and Gail Pierson are to be congratulated for their capable management of this popular activity.

BOWLING

Having a good time, improving their scores and earning valuable W.A.A. points are some of the reasons for many girls having signed up for the bowling tournament held in February and March. The teams of four from the various dormitories were seen at the Newark Bowling Alley every Thursday afternoon for a period of six weeks. Barbara Jenkinson as manager, did an outstanding job of organizing the teams and keeping records of the points accumulated by each team to determine the winning team. Girls on the winning team received two W.A.A. points in addition to the six given for participation. Besides taking part in the bowling itself, each girl alternated in acting as pin-boy for the rest of the girls. This was a new experience for most of the members and was a source of much fun.
The University of Delaware has a very strong varsity athletic program. However, there are many men on campus who are not of varsity sports calibre. It is for these men that the Intramural Council and program are designed.

Comprising the council are representatives from nine fraternities, all the men's dorms and the director of intramural athletics. The function of the council is to promote intramural athletics at our university. The council is guided by three elected officers, the president, vice-president, and secretary in coordination with the director of intramural activities.

Awards are made by the council at the end of each year in the form of trophies to the individual and to the team who secured the greatest number of points during that year. Through the use of trophies the council hopes to stimulate interest in the intramural program.
