Subject: HRIM Requirements

Dear Dr. Geerts:

The HRIM faculty voted to change the HRIM curriculum, which was supported by Dean Gempesaw. As part of the revisions, the faculty decided to include ACCT207 instead of ACCT200 in the HRIM requirements. We plan to send the new curriculum forward this Fall 2009. I have attached a copy of the current curriculum and the proposed curriculum for your reference.

We are asking for support of this ACCT curriculum change. Please call me if you have any questions. Thank you.

Sincerely,

Donna Laws
