Describe the rationale for the proposed program change(s):

(Explain your reasons for creating, revising, or deleting the curriculum or program.)

The Teacher Education program at the University of Delaware requires that the Praxis I exam (general exam) be taken in the Freshman or Sophomore year, and that the Praxis II (specific subject) be taken before enrolling in student teaching (EDUC 400). In order to ensure this, the department is tying the Praxis I exam to the students' junior-level clinical course and adding a notice about the need to take the Praxis II before their student teaching. There is no change to the curriculum.

Program Requirements:

(Show the new or revised curriculum as it should appear in the Course Catalog. If this is a revision, be sure to indicate the changes being made to the current curriculum and **include a side-by-side comparison** of the credit distribution before and after the proposed change.)
