

MORE FACTS ON FLUORINE PROMISED IN P. T. A. TALK

**Bio-Chem Staff
Member To Speak
At Mar. Session
Here On Thurs.**

Information on the use of fluorine in water to prevent tooth decay in young children on a mass scale will be given by Dr. L. D. Smith, of the Biochemical Research Foundation, in a talk before the Newark Parents-Teachers Association next Thursday night.

Dr. Smith was a member of the New York delegation which recently made a trip to Newburgh, N. Y., to study the fluorine experiment underway there. He will discuss the practicality of such a project here.

The meeting will be open to the general public, and the parents of pre-school children, who are not members of the P. T. A., are urged to attend. The talk should be of special interest to them since the plan to treat local drinking water with fluorine would affect chiefly very young children.

A question and answer period will follow Dr. Smith's talk. A discussion of the individual treatment of children's teeth with fluorine.

Refreshments will be served in the high school cafeteria immediately after the business meeting. According to Mrs. Maurice Field and Mrs. William S. Suld, co-chairmen of the hospitality committee, the refreshments will be served by a group of homeroom teachers of grades 10 and 11.

Also announced this week was the formation of a P. T. A. liaison committee to work with the local Board of Education. The new group, organized at a meeting of the P. T. A. executive committee last week, is composed of H. Hildreth, chairman; R. L. Hardy and Samuel Handloff. Either the chairman or a member of the group will attend Board of Education meetings. Plans for the career conference to be held during April are still being worked out. The chairman of the committee is Miss Dorothy Markert, director of guidance for the Newark schools.

NEW SEWER GETS OKAY

**Home Owners
To Tie-In Soon**

Final tests have been run on the Northside sewer project, and property owners will soon be notified to proceed with their connections, according to Supervisor Robert Neeson who announced.

Payment of \$4,000 to the contractors authorized this week, which left \$4,000 still owed by the town on a large scale, \$75,000 system.

Interim plan to supply water at out-of-town rate to the new DuPont laboratory expected to be completed soon on Elkton Road was disclosed Monday night by the Town Council. The latter agreed to furnish the company, provided the latter installs the lines to the town.

One of the new plant will be a mile and a quarter south of Elkton Road.

The plan goes through, it is expected to add considerable revenue to town water rent income.

Services Held Sunday

Services for Mrs. Mary Jane Minner, wife of Nimrod Minner, caretaker of the Christiana Cemetery, were held Sunday at the Shellenberg Funeral Home, 100 West Main Street, Interment at Head of Christiana.

Minner, who resided near Head of Christiana Church, died Friday after an illness of 10 days at the Memorial Hospital.

Minner, who lived in this vicinity all her life, moved with her husband a year ago to her late residence. She was a member of the Christiana Church.

In addition to her husband, Mrs. Minner is survived by a daughter, Mrs. M. Grant, near Newark; two sons, Maurice A. Minner, Chester, and Elmer Minner, Prospect Park, Pa.; and Walter Peterson of Newark.

She also is survived by a sister, Mrs. Annie Brown, Corner; eight grandchildren, and great-grandchildren.

To Sing Here March 21

Kathleen Ferrier

Kathleen Ferrier, young British contralto just starting her second American concert series, will be heard in a recital at the University of Delaware's Mitchell Hall, on Monday, March 21. Open to the public, the recital will be at 8:15 p. m.

Miss Ferrier's recent success in America traces to her performance a year ago with the New York Philharmonic-Symphony, under Bruno Walter's direction, of the contralto part of Mahler's "Song of the Earth."

In 1945, she was chosen for the leading role of the opera "The Rape of Lucretia," in which she appeared more than 60 times in England, Scotland and Holland. The following year, she also sang on the opening night as Orpheus in Gluck's "Orfeo."

Bruno Walter heard her, and engaged her as soloist for both the Edinburgh Festival and the New York Philharmonic-Symphony. She made her American debut on Jan. 15, 1948.

Reserved seats for her recital may be obtained through the Artist Series at the University of Delaware, or at the boxoffice on the night of her performance.

SEVEN FIRES PAST WEEK

**Majority Are
Field Blazes**

Five fires were reported in town during February, causing property losses totaling \$250, according to Fire Recorder Charles E. Moore's monthly report. The ambulance, he said, made 29 runs, covering 898 miles.

Activity the past week was greater than that for the entire preceding month. The Aetna men had a busy session, answering seven calls, the majority for field fires.

The first alarm came Friday afternoon, when an electric engine caught fire on the Pennsylvania Railroad at the South Chapel Street intersection. A short circuit is believed to have caused the blaze, which resulted in about \$8,000 in damages before the Aetna men brought the flames under control.

Sunday afternoon, sparks from a trash incinerator were said to have caused a grass fire at Read Village. The damage was slight.

Another field fire was reported Monday afternoon near the railroad tracks on North Street.

The same afternoon, a chicken house, owned by J. Paul Mullens, Corner Ketch, caught fire. A brooder stove is believed to have caused the blaze. The damage, though extensive, was not estimated.

Tuesday proved the busiest day with three alarms coming in close order. All were grass fires, the first breaking out behind the residence of the Rev. H. E. Hallman on West Main Street and spreading over a wide area before it was brought under control.

The second was at Harmony Station, near which flames had broken out. The damage was not serious. The last occurred in a vacant area opposite the university dormitories on Academy Street.

\$23,664 Is Town's Cash Balance, Report Shows

The financial reserve of the town stood at \$23,664.38 at the end of business in February, according to acting treasurer Mrs. Phoebe Sapp. This marked a slight drop from January's carry-over, which was \$24,786.28.

Total receipts for the month came to \$23,006.69. Disbursements more than drained this away, coming to \$24,128.59.

Major item of income was the electric light receipts which amounted to \$10,769.15. Next was the water rent, totaling \$7,903.48. Electric power returns came to \$3,676.03. Property and personal taxes drew in \$74.

LOCAL RED CROSS AREA TOPS QUOTA

**First In State
To Hit Goal;
\$5,149 So Far**

With about 80 per cent of the returns in, the Newark Red Cross fund stands at \$5,149, well over its \$5,000 goal, according to Dr. R. O. Bausman, general chairman.

Newark was the first area in the state, he said, to go over the top. He added that drive officials are aiming at \$1,000 more before the canvass is completed on Sunday, March 13.

The results of the one-day house to house drive last Sunday were highly satisfactory, he stated. Most residents cooperated and were waiting for solicitors on arrival. The major portion of the early returns resulted from this canvass.

Early reports show that four zones have exceeded last year's contributions. Zone 1, Dr. F. E. Reinhardt, chairman, turned in \$372 as compared with \$328 in 1948. Zone 2A, Pliny F. Stewart, reported \$55 against \$41 last year. Zone 4, Mrs. Robert Reed, gave \$75 as compared with \$52 in 1948. Stanley Gibbs, chairman for the drive at the local schools, said he took in \$85 as compared with \$56 in 1948.

A partial list of zone solicitors follows. The remainder will be published next week.

SHOW FOR VETERANS

The South American Dance Troupe from the Newark High School performed in a variety show presented by the local Legion Post for the hospitalized veterans of Perry Point Hospital on Sunday. The program was arranged and announced by Frank Rago.

Several rumba numbers were staged by the dance group. Those who took part were: Jair dos Santos, Judy Kase, Virginia Thornton, Kay Knighton, Theresa Duffy, Virginia Lyde, Arthur Vandepoole and Jimmy Wollaston. Novelty piano selections were offered by Regina Rockwell and Thelma Gray.

A tap dance routine was presented by Barbara Brittingham's pupils of Elkton. In the number were: Doris Williams, Adrienne Zeiber, Betty Jane Swanson, Lloyd Rollins, Mary Lou Preston, Shirley Schmittinger and Lucia Interlandi.

Also on the program were the Pleasant Valley Boys, vocalists Valentino Nardo, of Newark, and Ralph Rago, of Wilmington.

All the performers donated their services. The program was colorful, fast-moving and greatly enjoyed by the patients.

The J. A. O'Daniel Post this week expressed its thanks to the Newark Department Store for providing window space to display gifts brought here from France by the Gratitude Train.

Methodist Church To Hold Re-Opening Service Sunday

The construction of the new front to the Newark Methodist Church, with the accompanying remodeling of the sanctuary, downstairs lobby and chapel, is being completed this week in readiness for re-opening day which will be held this Sunday.

At the 11 a. m. service, the guest speaker will be Dr. Hamilton P. Fox, superintendent of the Wilmington District. There will be a formal ceremony declaring the sanctuary to be open for public worship.

At 7 p. m., the first of six special Sunday evening services marking the re-opening will be held. The guest speaker at this service will be Dr. Oler A. Bartley, president of Wesley Junior College and former pastor of the church. Miss Frances Bartley will be the soprano soloist. Since graduation from the Newark High School in 1943, Miss Bartley has been graduated from Wesley Junior College and Western Maryland College. She majored in voice at both institutions.

The other five Sunday evening services will be as follows: March 20—Former Ministers' Night—Dr. Diaston W. Jacobs from Rehoboth, and Dr. Leon

Expect Record Balloting In Town Election, April 12

**3000 On Registration List
Doubles Last Year's Total;
Several Contests Foreseen**

With about 3000 voters on the registration list, almost double last year's number, the annual town election, now only a month away, is expected to produce the heaviest balloting ever seen in this community.

The only factor that could reduce the turnout would be a lack of contests, but a heated campaign appears almost certain to develop before the voters go to the polls on April 12. Posts will be open on Council in all three districts. The terms of Councilmen Norman Battersby, George E. Ramsey and Rodney H. Dann will expire.

No candidates have filed as yet, and Mr. Ramsey has indicated he does not intend to run again. He said this at the Monday night meeting of Town Council in connection with his appointment as secretary-treasurer. As treasurer, he will be one of the election officials. Neither Mr. Dann nor Mr. Battersby has indicated his intention to date.

The record registration is due mainly to last year's town census, carried out to assess residents for a capitation tax. This placed the names of many non-property owners, who ordinarily did not register in large numbers, on the assessment books and now makes them eligible to vote upon payment of their capitation tax. All those listed on the books, property and non-property, are eligible to vote upon payment of their town tax. The deadline for this is April 11, the day before the election. No taxes will be accepted on election day. Voters who appear at the polls will have their tax status checked. If they are found delinquent, they will be declared ineligible to cast a ballot.

To prepare for the influx of voters Council has extended the polling hours to a 12-hour stretch from 7 a. m. to 7 p. m. In previous years, the hours were from around noon to 5 p. m.

Even with this increase, the voting facilities at the Council offices are expected to be taxed to the utmost. The lawmakers have discussed setting up separate polling places in all three districts, but this plan had to be dropped when it was pointed out that, under the existing charter, the town treasurer must drop each ballot into the ballot box in the presence of the voter. This makes a single voting place mandatory.

Council has also made plans for a larger corps of election officers. Six will be used this year instead of the usual two. Frank Lutton, who along with Robert S. Gallaher, has served at elections here for a number of years, will be ineligible this time since he is moving outside the town limits.

Mr. Gallaher is expected to be available, however. The remaining officials will be selected from the following: Ivan Parsons, Tom Skripps, Ella Mae Maclary, Eric Mayer, Leighton Jackson, Betty Brulatur, Harvey Bounds, Mrs. R. O. Bausman and Henry Mote.

Miss Ferguson Resigns From Town Office Staff

Miss Harriet Ferguson, a member of the town office staff here for the past 12 years, resigned last week. She said she has a new post in view but gave no details.

A capable member of the clerical force, she took over the job of office manager during the absence of Vernon Steele during the war.

She lives at 334 East Main Street.

Ill-Health Causes Town

**Councilman Ramsey To
Withdraw From Election**

George E. Ramsey, who is rounding out his seventh term on Town Council, announced this week he will not file again.

Now seventy-three, Mr. Ramsey, whose health has been uncertain for some time, said the pressure of town duties was becoming too burdensome.

One of the most experienced men now on Council and well versed in the problems of all town departments, Mr. Ramsey has, when occasion demanded, served capably as Town Engineer and Secretary-Treasurer.

He is filling in at the latter office now until after the April election here. Council appointed him to take over the job Monday night, when it formally accepted the resignation of C. Vernon Steele. Always conscientious in carrying out his municipal duties, Mr. Ramsey has been untiring in his efforts to see that town affairs are handled in the best interests of the public.

His dropping from the campaign race for the April 12 election throws the Council post for the Middle District open. No candidates have filed as yet.

31 ARRESTS BY POLICE PAST MONTH

**11 Breaking
And Entering
Cases Reported**

Eleven breaking and entering cases were reported here in February and one was cleared, according to Chief William Cunningham's report. He said all were minor cases, with no serious losses involved.

Arrests for February totaled 31, and for the first time in many months speeding failed to top the list of offenses. Drunkenness drew the most arrests with nine violations. Speeding was second with seven.

The breakdown for the remainder follows: Failing to stop at stop sign, 3 arrests; disorderly conduct, 4 arrests; assault and battery, 2 arrests; reckless driving, failing to report accident, failing to stop for police whistle, no operator's license, driving drunk, and wife beating, 1 arrest for each offense. The registrar reported \$377.00 collected in fines for the month.

Parking fines collected amounted to \$28.00.

In addition to the breaking and entering cases, nine accidents were investigated, three larceny cases, one report of a prowler. One escapee from Perry Point, Md., was apprehended.

There were 221 telephone calls, and overnight lodging was provided five.

Three were committed to the workhouse; three were held for the Family Court, and two were held for the court of Common Pleas.

Wilmer Renshaw Stricken Fatally Tuesday Morning

Wilmer E. Renshaw, husband of Ada A. Renshaw, was stricken suddenly on Tuesday morning while opening the Chimes Restaurant and died before aid could reach him. He was a life-long resident of Newark.

Services will be held Saturday at 2 p. m. at the Shellenberg Funeral Home, with the Rev. H. E. Hallman officiating. Friends and relatives may view the remains tomorrow at the funeral home after 7 p. m. Interment will be at Head of Christiana Cemetery.

Mr. Renshaw was a member of the Aetna Hose, Hook and Ladder Company and the Newark Chamber of Commerce.

In addition to his wife, he is survived by a son, Herman T. Renshaw and a grandson, Gary W. Three brothers and a sister also survive: Mrs. Esther Moore, Arlington, Va.; Herbert, Wilmington; Alfred, Chester, Pa.; and Louis, Rainor, Oregon.

Services Monday For Mrs. Ella M. Janney

Services for Mrs. Ella M. Janney, 76, widow of Edgar Janney, who died Friday, were held Monday afternoon from the Jones Funeral Home, Interment was in Cherry Hill Cemetery.

Mrs. Janney was residing at the time of her death with a daughter, Mrs. Grace Smith, 44 Thompson Circle, Born in Cecil County, Md., Mrs. Janney moved to this area about four years ago.

Two other daughters and a son also survive: Mrs. Charles Clark, Havre de Grace; Harvey Janney, Chesapeake City; Mrs. Hazel Crowley, Wilmington.

PROGRAM OF REPAIRS TO STREETS IS CONSIDERED

**Proposed Project
May Cost About
\$18,300; Plans Are
Being Drawn Up**

Another large scale street repair program here, calling for surfacing of a number of unimproved thoroughfares and probably costing around \$18,300, is currently under study by town authorities.

Engineer M. G. Amick has been authorized to draw up complete specifications for the work but not to advertise for bids as yet. Council is holding up the go-ahead signal in case final surveys show that streets other than those currently in line for improvement should be given priority.

Tentative proposals call for laying oil and chips on portions of the following thoroughfares: Dallam Road from the town limit to Hillside Avenue, Hillside Avenue between Main Street and Dallam Road; Kells Avenue except for extension; Orchard Road between Manns Avenue and Ritter Lane; Chambers Street between Chapel Street and Haines Avenue; 400 feet on Tyre Avenue extended; Ray Street between Rose Street and College Avenue; Read Village patching.

New equipment has also been authorized for the town electrical department, which is expected to reduce the annual power bill here by \$2,600. Mr. Amick has been authorized to proceed with the installation of additional capacitors to raise the power factor of the local system. The cost will be about \$2,400, thus the town expects to save \$200 on the project the first year. The capacitors will be purchased at the rate of \$800 per month over the next three months. This will permit the installation of equipment as fast as it is received and allow the work to be completed before the months of the lowest power factor.

AUXILIARIES MEET HERE

**Scholarship
Test Planned**

Gabriel Chuchani, a native of Venezuela and a junior at the University of Delaware, described life in his country at the county meeting of the American Legion Auxiliary here on Monday evening at the post home. The local J. A. O'Daniel Unit was the host group.

Sixty members from New Castle, Claymont, Wilmington and Newark were present. Mrs. Elizabeth P. Dressner, department president, and other state officers attended.

Announcement was made that the local unit is eligible to enter one candidate in the \$600 national auxiliary scholarship contest. Senior girls at the Newark High School or graduates who have not taken further schooling may be entered, provided they are daughters of deceased veterans. Those interested in becoming candidates should notify Miss Dora Gibb, president of the O'Daniel unit.

Mrs. P. D. Lovett presided at Monday's business session of the county group, and Miss Gibb over the business meeting of the local unit. A contribution was voted to the current Red Cross drive.

Mrs. William Beswick, pan-American chairman, arranged the program and secured the speaker, Mr. Chuchani. The musical portion of the program was arranged by Mrs. R. L. Cooch. Soloist was Mrs. Floyd Jackson, with Mrs. Norman Hitchens accompanist. Mrs. Jackson and Mrs. Hitchens also played a duet.

Cooch And Maclary Head Memorial Day Committee

Richard L. Cooch, local American Legion commander, and Harry S. Maclary, V. F. W. chief, have been appointed joint heads of a town committee to draw up arrangements for the annual Memorial Day observance.

Col. Donald Ashbridge, who has headed the committee in previous years, said he would be unable to take the job this year, although he will represent the university on the group. Lt. Col. Layton Zimmer will represent the military department. The remainder of the group's personnel will remain much the same as last year.

Details on this year's program have not been completed as yet, but it is probable that a parade will highlight the observance.

RECITAL BY LOUDIS AND COLE TUES.

Piano-Cello Program Will Start At 8:15

The program for the cello-piano recital which Anthony J. Loudis, professor of music, and Orlando Cole, cellist of the Curtis String Quartet, will present at Mitchell Hall on Tuesday, at 8:15 p. m., has been announced.

It includes: Sonata in G Minor—Handel; Sonata in A Major—Beethoven; Sonata in A Minor—Grieg; Sonata in C Minor—Barber.

The recital will be open to the public without charge.

Mr. Loudis, who has been with the University of Delaware's Department of Music for more than 10 years, has been heard in numerous piano recitals both locally and elsewhere.

Mr. Cole likewise is familiar to local music-lovers. For years one of the outstanding cellists of the East, he has appeared many times at the university since his first visit 20 years ago. Several of these concerts have been with the Curtis String Quartet and the Philadelphia Trio. In addition to almost 2,000 chamber music recitals that have taken him to all parts of this country and Europe, he also has made appearances as soloist with orchestras, in recitals and over the radio networks of this country and Canada.

As a member of the Curtis String Quartet he is one of the co-founders of the New School of Music in Philadelphia, where he teaches the largest class of cellists in the country. He is also identified with the Wilmington School of Music, Mr. Cole is first cellist of the New Chamber Orchestra of Philadelphia, whose concerts are heard by a large audience each season at the Academy of Music.

Mr. Cole and Mr. Loudis described their sonata program as including four representative works from outstanding composers of the early classical, classical, romantic and contemporary periods. Samuel Barber, composer of the sonata representing the latter period, is one of the most prominent of living American composers, and Mr. Cole was associated closely with him and the sonata during its composition 15 years ago. Since then Mr. Cole has given more than 100 performances of it with the composer at the piano. Others to perform the sonata have included Platigorsky, Garbousova and Salmend.

Farm Machinery Repair

"The Spring planting season is just around the corner and farm machinery will soon go back into service. There is not much time left to make equipment safe for the coming season," William Calvert, extension agricultural engineer for the University of Delaware, warned recently.

It is not enough to simply give it a "lick and a promise" and hope that you get by. Poorly conditioned equipment reduces an operator's efficiency and multiplies the chances for accidents. It is irritating, fatiguing, and fosters carelessness.

The National Safety Council recommends that all farm equipment be checked thoroughly before field work starts. Look for defects in hitches, seats, clutches, wheels, brakes, steering and unguarded gears or shafts. Make repairs now and head off costly breakdown or accidents during the busy season. Careful operators will also take time to equip tractors with fire extinguishers and provide secure holders for grease guns or other servicing tools carried on the tractor. Loose accessories may lead to falls or other casualties. A secure step or grab bar may also avoid a fall in getting on or off the tractor.

Music for the dance will be furnished by Volk's Orchestra of West Grove. This affair is being sponsored by the Kenmore Athletic Association, P. T. A. and Alumni Association and all proceeds will be turned over to the School Athletic Fund. Dancing from 8:30 p. m. until midnight.

FARM COOP TO CONVEENE HERE TUES.

To Hold Annual Mid-Year Parley

Members of Southern States Cooperative local boards from six communities in this area will gather for their annual mid-winter regional conference here at 7 p. m. Tuesday, March 15.

A mid-year report on Southern States' operations and financial standing is to be the highlight of the session. Board members also will receive a picture of the farm supply situation for the coming spring season and will discuss and vote on matters of policy. The meeting will take place at the Chimes Restaurant.

Boards representing Southern States members in the following areas will attend the conference: Bear, Elkton, Middletown, Rising Sun and North East.

Members of the S. S. Newark Service & S. S. Newark Locker Plant Advisory Board, Southern States Cooperative service agency, include: Arthur Harvey, West Grove, Pa., Warner A. Ginn, Landenberg, Pa., Harry Stafford and Vincent L. Mayer, Newark, Ralph Klair, and Calvin Ball, Marshallton, and Frank Durbarrow, Oxford, Pa.

Several special guests, including agricultural workers, have been invited to attend the meeting. Principal speaker will be Dr. C. D. Caskey, Director Research Department, Southern States Cooperative, Richmond, Virginia.

Presiding will be a member of Southern States' Board of Directors, L. D. Caulk, of Wyoming, Delaware.

Regional conferences give local board members an opportunity to discuss improvements in the Cooperative's operations and service.

Repairing Step Ladders Safety Job-of-the-Month

Step ladders are a source of many bad falls in the home and on the farm, says Miss Louise Whitcomb, extension home management specialist for the University of Delaware.

In the current state-wide drive to cut down on accidents due to falls, the March "job-of-the-month" is to inspect all ladders around the home and farm, replacing broken or missing rungs, and adding rubber pads to the bottom to prevent slipping.

The safety program is in the form of a contest being carried on by home demonstration and 4-H clubs throughout Delaware. Each month, safety letters, demonstrations and movies stress the particular phase of the safety job to be done that month. Club safety chairmen have volunteered to keep a record of what inspections have been made by club members to remove hazards causing falls in their homes or on the premises.

The groups achieving the most outstanding safety records over the nine-month period, February through October, 1949, will be awarded prizes.

Winners will be determined on percentage of club members participating in the safety program, number of safety hazards removed, and the activities in getting safety information across to club members and others in the community.

The safety contest is sponsored by the Delaware Agricultural Experiment Station and the Delaware Safety Council.

Presentation Made At Harmony Grange

Traveling History Of Grange Presented By Smyrna Unit

Visitors from seven neighboring granges attended a meeting of Harmony Grange Monday evening when the traveling history of the grange was presented by Smyrna Grange.

Harry Johnson, state overseer, in making the presentation said that the grange was organized in 1875 by John A. Naudain, Harvey Walker and Paul W. Muehl. All state masters of Harmony Grange had contributed to the strength of the grange in Delaware.

Mr. Mitchell is the present state master. Mr. Walker, who is 92 years old, was master in 1905. He attended the meeting Monday. Mr. Naudain was master in 1890.

Mr. Johnson, who is chairman of the committee planning the 75th anniversary of the state grange, said that the traveling history of the subordinate granges will play an important part in the diamond jubilee celebration.

Harmony Grange will take the history to Fruitland Grange in Camden Monday evening.

Traffic Know-How Is Important To Driver

Know Or Obey Traffic Rule Only Sure Way To Be Safe

Do you have traffic safety know-how? John D. Reeder, president of the Delaware Safety Council, advised it's a simple matter to know and obey traffic rules, and it's the only way to be safe.

Mr. Reeder said that accident reports indicate that a left turn at an intersection is a common situation which causes trouble when the driver does not know the rules, and in heavy traffic can be one of the most difficult maneuvers, because it causes traffic jams and accidents when it is neglected.

Mr. Reeder offered the following suggestions about the right-of-way on left turns:

1. When you are turning left, you must give the right-of-way to an approaching car in the intersection or cross street.
2. When you are approaching an intersection and a car starts to make a left turn, you must allow it to make the turn in front of you.
3. When you turn left, be sure you are in the correct lane and that you have a signal.
4. Don't insist on your right of way at the risk of an accident.

5 Home Club Women Tailoring Course

Thirty-five women of the New Castle County home demonstration clubs will complete their spring coat or suit week at the Tailoring School held at Wilmington Manor, Miss Adeline Johnson, clothing specialist, is in charge, assisted by Miss M. Katharine Jones, county home demonstration agent.

These women have learned to take the drudgery out of sewing by developing a sequence technique, which simplifies construction of clothing. The sewing is made easier and faster by using this method.

Three in this area who completed the course are: Three-In-One Club, Mrs. R. P. Major, Mrs. Rodney Easton and Mrs. Edith Patterson; Glassboro Club, Mrs. Edwin Nellan and Mrs. Bert Reed; Bear Club, Mrs. Edgar Small.

Almost 2 Million On Federal Payroll In '48

Total federal employment within the continental United States reached 1,899,000 during 1948, an increase of 115,000 full-time workers.

This was announced recently by the Civil Service Commission.

The net increase, it said, came about through the hiring of 655,000 workers and the separation of 542,000. It noted a discrepancy in the figures and said this was due to incomplete reports from some groups.

The rate of turnover in government workers dropped to its lowest post-war level in December.

About 17,500 quit their jobs that month, compared with a monthly average for the year of 24,000 and a high of 36,000 in September.

NEWARK TWENTY-FIVE YEARS AGO

3 Postoffice Candidates Remain; Local Checker Champs Prepare For Invasion

From Issue of March 12, 1924

Woman Breaks Hip

Mrs. Mary E. Kershaw, aged eighty years, one of Newark's oldest residents, suffered serious injuries one day last week when she fell heavily in the home of her grandson, Leroy P. Campbell, North Chapel Street. It is reported she is recovering and expects soon to be in normal health.

Checker Champs

Frank M. Lutton, William Cole and William Lovett, Newark's checker geniuses, will challenge state champion Charles Lynch when he visits here to defend his title tomorrow.

Postmaster Candidates

James C. Hastings, Richard G. Buckingham and William B. Evans are still in the running as candidates for Newark's postmastership. Messrs. Colmery, Armstrong, Potts and Carpenter did not make the Government's eligibility list.

Cagers Win

J. McCarthy, forward, scored five points to lead Newark's attack against Delaware City. The local boys won, 31-12.

Personals

Mr. Asure M. Kamel, Newark dentist, with offices in West Main Street, left yesterday from New York for a three month's trip through Europe and Egypt.

Mrs. Laura M. Willis, Cleveland Avenue, spent the past week-end visiting.

ZONE LAW POSTPONED ONCE MORE

Passage Held Up Due To Absence Of 2 Councilmen

Passage of the zoning ordinance was again postponed at the March meeting of the Town Council on Monday night because two Councilmen, F. A. Wheelless and Frank Durnall, were unable to be present.

In view of the fact that several last-minute revisions to the zoning draft were scheduled for consideration, it was felt that action should be held up until a full Council could be present.

Several delegations, one from the Baltimore & Ohio Railroad, were on hand Monday night to raise new questions on the ordinance, but these were told to come back to the April session.

Two important changes, one setting a fee for appeals and the other allowing re-zoning in any area if a majority of the property owners concerned agree, were also tabled. Town Solicitor Samuel Handloff had been asked to draw up and present these changes on the request of town officials.

Since the April meeting will come only a week before the annual town election, which may cause shifts in Council membership, it is possible that final action on the ordinance will not be taken even then. The question may be left up to the new Council, when it takes over after its organizational meeting.

Services Monday For Wife Of Former Pastor Here

Mrs. Minnette Richardson, 77, wife of the Rev. Leonard White, former pastor of the Newark Methodist Church, died Friday at the home of her sister, Mrs. Seeley B. Tutill, Red Bank, N. J. Services were held Monday at Red Bank, and interment was in the cemetery there.

Born in New York, she was a one-time member of the Women's Society of Christian Service of the Newark Methodist Church. Her husband, a resident of Marshallton and pastor here before his retirement, was a member of the Peninsula Methodist Conference and former superintendent of the Salisbury District.

Besides her husband and sister, Mrs. White is survived by a brother, Walter Gilbert, Jersey City, N. J.

DuHamell Named To Head U. Of D. Engineering Unit

Daniel L. DuHamell, Jr., Capitol Trail, has been elected chairman of the University of Delaware's Student Branch of the American Society of Mechanical Engineers. He is a member of the senior class and will be graduated in June.

Other officers elected are: Vice-chairman, Bauduy R. Grier, Wilmington; secretary, Richard C. Higgins, Seaford; and treasurer, Leonard S. Horner, Wilmington. Edward C. Lawson, Jr., assistant professor of mechanical engineering, is honorary chairman.

SUPERVISOR LISTS WORK IN FEBRUARY

Routine Town Maintenance Is Outlined

Despite nine days of rain or snow, town crews carried out considerable maintenance work in February, according to Town Supervisor Robert Neeson.

The electric department completed the rebuilding of a secondary circuit, including single and 3-phase services, at Cleveland Avenue and North College Avenue. This comprised replacing two 5KVA transformers with one 15 KVA unit and renewing 2500 feet of secondary wire and service loops in the area.

Also completed was the extension of the primary distribution circuit and rebuilding of two secondary locations on New London Road. This required 3621 feet of new primary wire and the replacement of 3660 feet of secondary wire, plus the installation of two transformers.

Other work carried out by the department included the installation of a new street light at Kells Avenue, a new service loop at the Methodist Church, renewal of loops along Elkton Road, clearing of overhead obstruction for the Gratitude Train parade, and other projects.

In addition to a number of minor jobs, the water department installed a new 4-inch water connection for the new school building, now under construction on Academy Street.

The street department carried out the regular trash collection, a number of street patching projects, as well as snow removal in critical spots. The old town dump at the sewage disposal plant was leveled and filled, and the new site on the Miller farm on Welsh Tract Road was filled and covered at the end of the first 60-day period of operation.

The sewer department reported that final test and inspection of the newly completed northside sewer project has been carried out. Work crews also provided storm drain connections for the new school with 12-inch concrete pipe

the ballroom at 10 a. m. There will be a keynote address in the following topics: International position of France; Where in the West are Women? Creative Arts in Adult Education; and Legislative Procedure in AAUW.

Among the speakers will be: Mary M. Cannon, chief of the international divisions, Women's Bureau, U. S. Department of Labor; Boris Blai, dean of the Tyler School of Fine Arts; and Wilfreda G. Lytle, legislative chairman of the Wilmington Branch.

The luncheon will be at 12:30 in the ballroom, with the Hon. Margaret J. Smith, senator from Maine, as speaker. A fee of \$2.85 will be charged. Reservations should be made by sending a check to Mrs. Francis Squire or by calling her at 2218.

Only study group meeting next week will be on Wednesday when the music group will gather at 8 p. m. at the home of Mrs. William Mosher. The ninth symphony of Shostakovich will be discussed.

State Psychologists Hear Discussion Of Alcoholism

Dr. Charles Katz, Clinical Director at the Delaware State Hospital addressed the meeting of the Delaware Psychological Association held March 9th at the University of Delaware.

Dr. Katz recently moved to Delaware from Illinois, where he was the Clinical Director at the State Hospital at Kankakee. In addition to his duties

there, he served as a consultant at nearby Veterans Hospital. Dr. Katz has five years of Army service in neuro-psychiatry. His overseas duty was in the South Pacific.

Dr. Katz surveyed data he collected during his work at Illinois. He emphasized the fact that chronic alcoholism is a symptom of illness which responds more readily to curative rather than punitive measures.

DAUGHTERS OF COLONIAL WARS HOLD MEETING

The annual meeting of the Delaware Society of Daughters of Colonial Wars was held on Tuesday afternoon, March 8, at the home of Mrs. J. Pilling Wright, 805 Westway and Orchard Road.

Reports were presented and officers elected for the ensuing year.

Mrs. Leonard J. Rundstrom, of Atlantic City, N. J., re-elected as president.

A contribution was voted by the Society to help carry on the project of the National Society of the Rehabilitation of the Veterans at the Percy Jones General Hospital, Battle Creek, Michigan.

Delegates and alternates named to the annual meeting of the National Society to be held at the Mayflower Hotel, Washington, D. C., on April 16, were: Mrs. Frank B. Ridgway, delegate; and Mrs. Walter B. Straub, Mrs. Howard J. White and Mrs. R. T. Jones as alternates.

After the business meeting the members and a group of guests enjoyed an interesting and instructive talk on art of the Colonial period by Miss Harriet Bailey of the art department of the University of Delaware. Miss Bailey presented many examples of paintings of the 17th and early 18th century.

Ten was served after the program with Mrs. Leonard J. Rundstrom and Mrs. Frank B. Ridgway presiding at the tea table.

INTERNATIONAL STUD'S CLUB ACTIVITIES

Dean and Mrs. Francis H. Squire will be hosts on Sunday evening from 8 to 10 o'clock to the members of the International Students' Club of the University of Delaware.

About fifty members of this club including faculty and students attended an international carnival in Brown Hall on the campus last Saturday evening. Included in the program were demonstrations of dancing of both North and Latin American countries, a burlesque of a bull fight by students from Mexico and Nicaragua, games and dancing.

Refreshments served from an international table were prepared by students as representative of their countries.

Alfredo Berguido of Panama, chairman of the social committee, was assisted by arrangements for the carnival by Simone Baboud of France, President of the club is Taxis Lambropoulos of Greece, and the sponsor is Mrs. Dorothy Patterson.

YELLOWJACKET HIGHLIGHTS

Contributed By Members Of The Journalism Class At Newark High School

Junior Prom

The Juniors have decided to engage Green to provide music for their prom to be held Friday, May 13, in the school gymnasium. They also have decided that it is to be optional whether or not the boys are to buy a corsage or charm for their dance partners. Names can be ordered from Betty Jones, who has a catalogue.

Thomas Gray.

Ping Pong Sponsored

The ping pong tournament came to an end Friday, March 4, with Cliff Gray and Jim Knotts battling it out for first place. The first four boys will be in the play-offs. They are: Cliff Gray, Jim Knotts, Nick Williams, and Frank Porter. Other boys participating in the tournament are: Howard Keeley, Robert Tweed, Thomas Sheaffer, Richard Hardy, Merritt Buchanan, Leonard Nelson, Dick Burns, and James Bueche.

Buck Buchanan
Chas. Foster.

Boxing and Wrestling

Inter-mural boxing and wrestling began March 11, in Newark High School gymnasium. All boys will be paired off according to their weight. Mr. Walter Hatt has organized an extensive intra-mural program throughout the past year. The program has consisted of ping pong, basketball, softball, work out on parallel bars, boxing and wrestling.

Earl Schaen.

Fire Patrol Busy

The month of February has finally passed itself out, and March has come on a gust of wind bringing along more activity for the Newark High School Fire Patrol. Up to and including the month of February there have been six fire drills in Newark High. The high school fire patrol has been in hand for all of these to see that everything "clicked" and to check on anything which might cause trouble in case of actual fire.

Jack Ferro.

F. F. A. Banquet Held

On Wednesday, March 2, 1949, the F. F. A. held a Father and Son Banquet in the Newark High School Cafeteria. The dinner consisted of food which each member donated. Among the guests at dinner were: Mr. F. B. Kutz, principal of the school, and Mr. Paul Hodgson, of the U. of D. who spoke on his experience as an agricultural adviser. Mr. Frank Gordy also spoke on agriculture and its importance. We wish to thank the members of the cafeteria staff, and the F. F. A. girls for their assistance in helping with the dinner.

Norman Wilson.

FA Members Try for Diamond State Farmers Degree

Four members of the local chapter of F. F. A. have put in applications for the Diamond State Farmers degree. The members of four year's standing in the applications are: Thomas W. Roberts, Chandler Irwin, Ellis Howell and Norman J. Wilson. There can be only two members of a chapter win the degree.

7th Grade Assembly

On March 2, 1949, an assembly was held on by Miss Elizabeth Wooten's seventh grade homeroom. The announcers were Ben Day and Kay Brown, who explained the two plays and introduced entertainers. The first part of the assembly was a play "The Situation," which was a 1 act comedy. The cast consisted of the following: Paul Shaw, David Mackey, Billy Wetzel, Robert Lynam, Donald Grettum, Raymond Wright, Nancy Wilson, Stephanie Klahr, Johanna Miller, Diane

Chalmers, Violet Gray, Joan Fell, Margaret Rowe and Edna Wood. Following the first play there was a take off on Arthur Godfrey and his Talent Scout's show. Arthur Godfrey was played by Charles Perry and his Talent Scouts were Charles McCauley, Rhoda Ragan, Johanna Miller, and Raymond Wright. The entertainers in the Talent Show were: The Musical Tears—Sandra Ayers and Stephanie Klahr; The Jungle—Bird Fairy—Laurann Richards; The Three Queens—Nancy Trivitts, Rhoda Ragan and Diane Chalmers; and the Blowing Frog—Marcel Bernier. The last thing on the program was a two-act play, "Honesty is the Best Policy." The cast consisted of Jack McDowell, Marie Woerner, Bobby McAlpine, Rhoda Ragan, Marcel Bernier, and Jacky Chicky. The students who worked behind the scenes were: Ferris Lee, Billy Doyle, James Edmanson, Billy Evans, Amy Truett, Norma Laws, Geraldine deShong, Georgia Crouse, and Virginia Wimmer.

Jean Thompson.

What We Are Doing In N. H. S.

In the Vocational Guidance Class of N. H. S. we have been studying agriculture. A committee report was given by members of the 8-B class recently. The committee consisted of six members and the chairman, Arthur Boulden was the chairman, but he was absent and Eugene Sharp took his place. He introduced each member and the topic about which they were going to speak. The topics and members were as follows:

General Farming—Eugene Dempsey, James Greenplate.
Dairy Farming—Warren Lane, Franklin Lee.
Poultry Farming—Wayne Woerner, Paul Blansfield.

Paul Blansfield—8-3.

6,200 Del. Farmers Took Part In 1948 Conservation Plan

Participation Expected To Increase In 1949

More than 6,200 Delaware farmers took part in the 1948 Agricultural Conservation Program. C. E. Ocheltree, chairman of the State Production and Marketing Administration office, announced recently. At the present time nearly 5,000 farmers have signed up for the 1949 program. This program got underway January 1, 1949.

With this number already signed up for the 1949 program, he points out that there should be a good increase in participation over a year ago.

These 6,200 farmers used over 40,000 tons of lime, and more than 3,000 tons of superphosphate in their program of soil building in 1948. It is estimated they will use 60,000 tons in 1949. These amounts, although seemingly large, are a far cry from Delaware soil needs, the University of Delaware agronomy department reports.

Annual applications of 140,000 tons of lime and the same amount of super-

KITTEN SAVES FAMILY

Authorities credited Jezebel, the biblically bad one, with saving three lives recently at Sewanee, Tenn.

Jezebel is a two-months-old black kitten.

She awakened her master, University of the South student John N. Bridgeman, Jr., of Wilmington, N. C., by pawing at his face. When Bridgeman awoke in smoke and flames he roused his wife and ran to the next room to awaken Max W. Damron, of Louisville, Ky., a fellow student.

Housewife Tidy
says—

Shopping is enough of a job without making it worse. Hunting parking space, I mean. How I do hate to have only an hour or two for shopping and spend anywhere from 15 minutes to half an hour looking for a place to park. I'D RATHER DO MY SHOPPING THE EASY WAY. By shopping between the hours of 10 and 4, I have plenty of room for packages. The bus stops right near the stores. I take my time shopping—and have no parking or traffic worries. That's why I say:

CLUBWOMEN EXHIBIT OWN NEEDLEWORK

Favor Bill For Hike In Family Court Budget

The regular meeting of the Newark New Century Club took place on Monday with Mrs. J. Pearce Cann presiding. Mrs. Emmett Kauffman, legislative chairman, announced that in accordance with the wish of the membership as expressed at the previous meeting a letter had been sent to the chairman of the House Judiciary Committee endorsing House Bill 84 to increase the budget of the Family Court.

Mrs. L. A. Grettum was elected to represent the club membership at the annual stockholders' meeting on the second Monday in April.

Fine lace, needlepoint, embroidery, crewel work, and quilting were among the types of needlework displayed by the art committee. Among those exhibiting family heirlooms as well as their own work were Mrs. Middleton Hanson, Mrs. Hans Lebach, Mrs. Herbert Dorn, Mrs. W. Earl Armstrong, Mrs. John E. Fredericks, Mrs. G. Taggart Eyns, and Mrs. Kenneth Steers.

Miss Mary Forman and Mrs. Ruth Tybeskey of the Philadelphia Dairy Council, Inc., presented an amusing program of sugar-coated facts on nutrition. Miss Forman and Mrs. Tybeskey were introduced by Mrs. George L. Schuster, American homes chairman.

Mrs. John K. Speicher was ten hostess, assisted by Mrs. Francis Squire, Mrs. E. L. Symington, Mrs. H. E. Tiffany, Mrs. Worth Tracy, Mrs. Charles Troy, Mrs. Middleton Hanson, Mrs. R. W. Heim, and Mrs. L. A. Stearns.

The Spring Luncheon will be the feature of the next meeting on March 21 at 1 p. m. An added attraction at that time will be a play, "Some Women Were Talking." Members who have not yet made their reservations for the luncheon are requested to call Mrs. Herman Handloff, Newark 2270, before March 17.

Not His Idea At All

"So you desire to become my son-in-law?"

"No, I don't. But if I marry your daughter I don't see how I can get out of it."

Final Rites Tuesday For Mrs. Grace Krull

Mrs. Grace Krull, wife of the Rev. Charles F. Krull, pastor of the Wesley Church, near Newark, died on Friday. Services were held Tuesday at the Jones Funeral Home. Interment was in White Clay Creek Cemetery.

In addition to her husband, Mrs. Krull is survived by an adopted son. Born in England, she came to this country about 20 years ago.

NHS TAKES SECOND IN PLAY FETE

Players Earn Recognition At County Event

The Newark High School players took second place with their production of "The Wonder Hat" at the New Castle County Play Festival at Claymont High School last Thursday.

The play, which was staged here previously for the P-T. A., is a harlequinade by Goodman and Hecht. Dee Clark, a member of the cast, was singled out for the best make-up and costume in the Festival. Others in the cast were Layton Zimmer, Jane Pickett, Nancy Conte and Arthur Mayer.

The winning play was staged by Conrad High School, which offered "Special Guest," a drama dealing with the supernatural.

Alexis I. duPont High presented "The Finger of God," a suspense drama by Percival Wilde. Claymont gave "The Boy Came Home," by A. A. Milne. This deals with the problems of a returning soldier.

Other individual honors went to Ann McRoberts of Conrad, best actress; Gerald Muller, of Conrad, best actor; and Jack Tobin, Conrad, best supporting actor. Miss Phyllis Shaw, of Conrad, was judged the best director.

Suddard On Dean's List At Duke U.

Neal Arnold Suddard, son of Mr. and Mrs. Oliver Suddard, of R. D. 1, Newark, has been awarded a place on the Dean's List at Duke University for the fall semester.

A general "B" average is required for the Dean's List and freshmen are not eligible to be listed.

ASSEMBLY YESTERDAY

Offers Film Of Big Game Hunt

A film of a big game hunting trip through British Columbia by several well-known sportsmen featured an assembly by G. B. Ott's 7-3 homeroom yesterday at the Newark schools.

The presiding officer was Barbara Zeitler, and the theme was Conservation and Recreation. The planning committee included: Miss Zeitler, Albert Jezeyk, Norman Foracker, and John Humphreys.

The color film showed actual hunting scenes, including one of "skinning out" the carcass of a moose. Another action packed episode show the thrills of fishing for the famed cut-throat trout of the Northwest. Much of the film was taken on horseback as the pack train proceeded back into the mountains.

The picture was the high-point in a study of animals of the Northwest being carried out by the seventy grade general science classes. Wildlife conservation techniques were also stressed in the study. The film was taken by Paul D. Bodwell, well-known sportsman and conservationist of York County, Pa.

Lions Vote \$25 For Red Cross

The Newark Lions Club voted a \$25 contribution to the Red Cross at its weekly dinner meeting on Monday night. President Ford McBerty presided, and Al Kish directed the program, which included a film entitled "The Chicken of Tomorrow."

A new member, Alfred Ploger, of the Continental-Diamond Fibre Company, was inducted.

"Buzz" Staff Attends N. Y. Press Conference

Seven staff members of the "Buzz", student newspaper at the Newark High School, are in New York City this week attending meetings of the Columbia Scholastic Press Association. The sessions, which are being held at Columbia University, close Saturday.

The group left here this morning at 8:44 with plans for visiting the Associated Press Rooms, New York Times Building, Radio City, Mutual Broadcasting Company, New York Public Library, and other places of interest arranged by the press group at Columbia.

Students making the trip are: Barbara Humphreys, John Speicher, Donald Phillips, Esther Fouracre, John Dilline, Richard Hardy, and Nancy Conte. Miss Jeannette Thoroughgood will accompany the group which will stay at the Hotel Algonquin, 55 West 44th
