

The 1995 *Blue Hen* staff wishes to thank everyone who provided help and support to the completion of the 1995 edition of the *Blue Hen* Yearbook. Particular thanks goes to Scott Mason, Shirley Becker, Nancy Allinger, and Dawn Owens, our friends in the Student Activities Office, who kept the organization afloat during rough times. Our thanks and appreciation are also extended to Margaret Passero who allowed us to use her poster on our divider pages. We also wish to thank Neil Weidman, from DaVor photography, for his dedication and his help with all of our computer crises. In addition, we would like to extend an extra-special thank you to Doug Martin, from Herff Jones, who was the crutch on which we relied throughout the year.
