PRE-SCHOOL PROGRAM OPENS HERE APRIL 29

Schedule For Summer Round-Up Is Released By Dr. Jno. R. Downes

The regular spring program of pre-school health examinations will begin at the Newark High School, Wednesday, April 29, at 1:30 P. M., according to the summer round-up schedule released today by Dr. John R. Downes, New Castle County Health Officer.

Pre-school health examinations are primarily planned to give Delaware a group of healthy children to enter first grade of the schools next fall. Parents are urged to bring their children to the pre-school clinics on the days designated, at which time a doctor, Board of Health nurses and dental hygienists will be present to give the youngsters a physical check-up and tell the parents of any defects in need of correction.

Dr. Downes, County Health Officer, states that up to and including April 29, 2,410 doses of typhoid vaccine had been administered and 1,585 persons had been vaccinated against Small-Pox. Eighty-nine doses of Diphtheria toxoid had been given to children in the state-wide program of immunization.

Pre-school examination schedules for New Castle County are listed below. These physical examinations will be held only on the days scheduled.

April 20 — William Penn, 9:15 A. M.; April 21 — Krebs, 9:15 A. M.; Absalom, 2:00 P. M.; April 22 — Richardson, 9:15 A. M.; Yorklyn, 2:00 P. M.; April 23 — Rose Hill, 9:15 A. SUGAR RATIONING TO START ON MAY 5

Faculty To Assist In Fourth Draft Registration

Faculty members of Newark Public Schools will assist in the fourth selective service draft, April 27, when men in the 45 to 64 age bracket register. Superintendent C. E. Douglass announced yesterday. The faculty will also conduct the registration for sugar rationing and issue stamps to eligible persons on May 5, 6, 7 and 8 according to latest information received from official sources, Mr. Douglass stated.

During the sugar rationing period, schools will close at one o'clock each afternoon and registration of residents will be conducted at the high school building between the hours of one and nine each evening for the four days specified.

Two Newark Public School teachers elected by the Board of Education have signified their acceptance to local positions beginning with the fall term. Mr. Douglass said.

Miss Margaret Davies Getchey, U. of Pennsylvania and Drexel Institute graduate with a five year course in home economics, will assume the position of Home Economics Instructor in local schools succeeding Miss Margaret Minnick who has resigned to be married this summer.

Miss Laura May Hartz, also a U. of P. graduate, has accepted a position in the primary grades and will succeed Miss Jean Chambers who has resigned to accept an executive position with the Girl Scout organization in Moorestown, N. J.

AVIATION CADET

Maxwell Field, Ala.—Cadet William Daniel Holloway, of Newark, is one of the many thousands of aviation cadets now taking their pre-flight training at the huge Air Corps Replacement Training Center (Air Crew) at Maxwell Field, Alabama.

Cadet Holloway is a former resident of Newark and was employed as an automobile salesman in private life. He served one year in the Army before he was appointed an aviation cadet in the U. S. Army Air Corps. He entered Maxwell Field on March 28, 1942, for his pre-flight course.

Upon completion of his course at Maxwell Field, Cadet Holloway will be sent to one of the many primary flying schools in the Southeast Air Corps Training Center for the first phase of his pilot training. This course is taught by highly skilled instructors.

Mrs. E. B. Grant Dies After Long Illness

Mrs. E. Blanche Grant, sixty-three, wife of Clarence D. Grant, died Wednesday, April 15, at the Wilmington General Hospital after an illness of three months.

Mrs. Grant is survived by two sons, Harold, of Newark, and Willard, of Wilmington, and by two daughters, Mrs. Lawrence Lee and Mrs. Harry Crill. Three grandchildren also survive.

The funeral will be held from the R. T. Jones parlors Sunday afternoon at 2:30. The Rev. O. A. Bartley will officiate. Interment will be in Newark Cemetery.

SECTOR QUICKLY MOBILIZED IN TEST

Defense Council Will Meet On Thursday Nights Hereafter

The Newark Civilian Defense sector was successfully mobilized in minimum time, Sunday afternoon, when 324 members of volunteer corps reported to their posts of duty in the daytime 'yellow alarm' practice drill. Chairman H. L. Bonham told members of the Civilian Defense Committee at their semi-monthly meeting held in council offices Monday evening.

Due to conflicts or other organizations meeting on Monday evenings, the semi-monthly meeting of this committee, in the future will be held on the second and fourth Thursday evening of each month.

Mrs. F. Allyn Cooch, Jr., head of the civilian volunteer registration office, reported that more than 1,000 local volunteers have registered for service. Mrs. Cooch recommended that the registration office be closed at 5:30 P. M. instead of 9:30 P. M., pointing out that the office can be kept open any evening by previous arrangement.

Appointment of M. James Parsons, assistant superintendent of schools, to the Education Committee of New Castle County, was authorized by Ralph L. Minker, Chief Air Raid Warden. A. Wesley Perry stated that steps were being taken to remove airplane directional and identification markings from roofs in this area.

Present at the meeting were: Mrs. Leon H. Ryan, Mrs. F. Allyn Cooch, Jr., R. E. Stone, C. S. Rankin, A. W. Perry, F. Allyn Cooch, Chas. E. Grubb, H. L. Bonham, M. Jas. Parsons and C. E. Rittenhouse.

T. R. SILK IS ROTARY PRESIDENT

Election Held At Dinner Meeting Monday Evening

T. Russell Silk was chosen president of the Newark Rotary Club at the election meeting of that organization held in Hanna's Tea Room on Monday evening.

Samuel E. Dameron, retiring president, conducted the meeting. Samuel Handloff, attorney, succeeds Mr. Silk as vice president. William S. Hamilton and George F. Jackson were reelected to the respective posts of secretary and treasurer.

The entire slate of officers was chosen without opposition as recommended by the nominating committee. Dr. Thos. F. Manns was reelected to the Board of Directors with Thomas J. Dietz succeeding Alfred Deck on the board.

The program for the evening was dispensed with in order to facilitate the election proceedings immediately following dinner.

TIRES, CAR RATIONED

Board Issues Ten Certificates

The second car to be certified in Newark, under the new Automobile Rationing Regulations, was issued by the Newark Rationing Board Monday evening to J. Harold Harrington, 94 Wilbur Street, foreman for the J. A. Bader Co.

Farmers, mail carriers and merchants fared equally well in the distribution of tires and tubes as the board certified rationed items to an even ten applicants.

Persons whose applications were approved and certificates issued were as follows:

J. Edgar Jaquette, R.F.D. 3, 2 retread truck tires; Lee L. Lewis, 282 E. Main Street, 1 new tire; Hykel Sarkes, R.F.D. 1, 1 retread tire; Clarence S. Foster, R.F.D. 2, 1 retread tire and 1 tube; Alice G. Kerr, Main Street, 1 retread tire; Adam Kalopus, Jr., R.F.D. 1, 2 retread tires; Joseph H. Vaughn, R.F.D. 3, 2 retread tires and 2 tubes; William T. Harrington, Bear, 2 retread bus tires; A. L. Geist, 123 E. Main Street, 2 new truck tires.

Hosiery Workers Give Navy Relief Dance

The New Castle County Hosiery Workers Association has completed elaborate arrangements for a gala dance to be held at the Newark New Century Club Saturday evening for the benefit of the Navy Relief.

The dance represents the Hosiery Associations contribution to the program for the Navy Relief Fund and is expected to draw a large attendance. Hudson's Orchestra will furnish music for dancing which begins promptly at 8:45 P. M.

A. A. Foster and W. A. Hulse are the committee in charge of the dance. All proceeds from the affair will go into the Newark committee contribution to the Navy Relief movement.

TICKETS ON SALE FOR MUSIC FESTIVAL

Navy Relief Benefit To Be Held Here On May 3

Tickets for the Music Festival to be staged in the high school auditorium Sunday afternoon, May 3, for the benefit of the Navy Relief Fund, went on sale this week with indications that a capacity attendance would be on hand when the curtain rises for the first number.

Frederick B. Kutz, Newark High School music instructor, is in charge of the program and promises an afternoon of entertainment and enjoyment for all who attend. Numbers by the U. of D. Cadet Band, the high school band, high school orchestra, glee club and mixed chorus will feature the event.

Music Festivals have always received the hearty applause of an appreciative local audience and with this affair being staged as a part of the local program for Navy Relief it will undoubtedly be a sell-out. Persons planning to attend are urged to get their tickets early as admission will be by ticket only with no admissions sold at the gate.

Tickets may be obtained from school students, at Fossett's Barber Shop or Rhodes Drug Store. Fifteen hundred buttons allotted to Newark were sold last week netting proceeds of approximately \$170 for the fund. It is hoped that the local contribution to this cause may exceed \$500 and indications are that this goal will likely be reached before the end of this month or certainly with the presentation of the Music Festival.

Dr. Kenneth J. Kadow heads the local committee assisted by Wm. K. Gillespie, William Murray, Leonard Fossett, W. A. Hulse, R. T. Ware, A. A. Foster and Frederick B. Kutz.

Mrs. F. Allyn Cooch, Jr., represents the Newark area on the State committee.

VARIETY PROGRAM AT LIONS

Ross Provides Entertainment

Members of the Newark Lions Club were given a real treat at their weekly dinner meeting, held in the Country Club, Tuesday evening when T. A. Ross, program chairman, presented an entertaining program of youthful talent from Wilmington for the occasion.

John K. Speicher, president, conducted the business meeting during which reports were heard. L. T. Staats led in the singing.

Mr. Ross introduced Miss Viola Bailey who acted as master of ceremonies and gave impersonations and readings. Jean Kern won the plaudits of the Lions with her tap dancing and Marjorie Currier captivated the audience with a Spanish dance featuring the use of castanets. Miss Kern and Miss Currier then teamed together to give a swing version of ballet dancing.

Highlight of the program was the singing of "You Made Me Love You" by Miss Jean McVicker. Answering the call for volunteers, Louis T. Staats and George M. Haney joined Miss McVicker to form a trio singing "God Bless America" and "Sweet Adeline" with the audience joining in on the chorus.

Leonard Fossett reported that net proceeds from the benefit card party amounted to 131 and Dr. P. K. Musselman, general chairman of the affair, was extended a vote of appreciation by the club.

R. T. CANN DIES AT HOSPITAL

Local Attorney's Brother Passes Away Wednesday

Richard T. Cann, 54, brother of J. Pearce Cann and secretary of the Delaware State Liquor Commission, died at the Delaware Hospital Wednesday afternoon after an extended illness.

While funeral arrangements had not been completed last night, services will be held from his home at Kirkwood Saturday with interment in the family burial plot in St. Georges Cemetery.

Mr. Cann was the son of the late State Senator and Mrs. Rebecca P. Cann, of Newark. He lived on the family estate at Kirkwood and is survived by his wife, Mrs. Frances Richardson Cann, one daughter, Miss Ann Cann, of Kirkwood, and one son, Richard T. Cann, Jr., a junior in the School of Arts and Science at the University of Delaware. Also surviving are three brothers: J. Pearce Cann, Newark, Lawrence B. Cann, Richmond, Va., and William F. Cann, Delaware City.

Mr. Cann graduated from Delaware College here in 1909 and was a graduate of Friends School. He was a member of the Delaware Swedish Colonial Society and an elder in the St. Georges Presbyterian Church.

OFFICERS ELECTED

Taggart Evans P.T.A. President

G. Taggart Evans was elected president of the Newark Parent-Teachers Association at the meeting of that body held in the high school auditorium Tuesday evening. Other officers elected were: Mrs. Barton H. Mackey, vice president, Katherine Burke, secretary and J. Lester Scotten, treasurer.

A Wesley Perry, retiring vice president, presided in the absence of Mrs. Milton L. Draper, president, who was ill.

Mr. Perry was named chairman of the annual May Mart committee and the date for the May Mart was set for Saturday, May 16.

Delegates to the State Convention at Dover, April 18, appointed at the meeting were: George M. Haney, M. L. Draper, Rev. O. A. Bartley, Mrs. H. K. Preston, Miss Pearl MacDonald, C. E. Douglass and Mrs. Robt. J. Boyd.

N. H. A. Official Here Tuesday

Robert L. Rumsey, representative of the Washington office of the National Housing Agency, was in town Tuesday in the interest of local housing facilities for war workers.

Discussing the situation with local civic leaders and business men, Mr. Rumsey stated that Newark was definitely in a defense area, being included in the Elkton section of the Baltimore District which accounts for it being excluded from the Wilmington area defined by the Philadelphia District several days ago.

SPIRITED BALLOTING IN TOWN ELECTION

Unopposed Candidates Elected By Large Vote

Property owners and registered voters of Newark indicated rather definitely that they were opposed to Sunday movies and other forms of commercialized entertainment on the Sabbath when they voted in favor of an ordinance restricting Sunday activities in one of the most closely contested elections in recent years.

With a total of 442 votes cast in the annual town election, Tuesday, April 14, the referendum carried in every district and the entire slate of unopposed council candidates were swept into office. This is the largest vote recorded in a town election in the past several years.

Former Senator Norris N. Wright, making his debut in local politics, and Herman Wollaston, veteran councilman from the Middle District, led the ticket with 182 votes each. Mr. Wright sought the unexpired term of C. Emerson Johnson, retired, from the Western District while Mr. Wollaston was unopposed to succeed himself.

John F. Richards was returned winner of the two-year term in the Western District with 170 votes and C. C. Hubert, dean of the council, tallied 59 votes in the smaller Eastern District to clinch his ninth consecutive term from that section.

Proponents of the ordinance favoring restriction of Sunday activities piled up an overwhelming majority in each district to defeat the movie goers by a total of 119 votes. Workers of both sides were active at the polls which may have accounted for the large vote cast.

The referendum vote, by districts, was:

	YES	NO
Eastern District	38	21
Middle District	106	62
Western District	133	55
Totals	277	158

Seven votes on the referendum were rejected by election officials because they were improperly marked.

The ballot tabulation showed a total of 59 votes cast in the Eastern District with all voters marking their ballots in favor of Mr. Hubert. In the Middle District, Mr. Wollaston received 182 votes out of 194 cast with Mr. Wright polling 182 and Mr. Richards 170 out of a total of 189 votes cast in the Western District.

Election officials were: Frank Lutton, Mrs. Mary Grant and George C. Price. Due to the large vote cast, tabulation of the ballots was not finished until about an hour and a half after the polls closed at six o'clock.

Following its usual custom, the newly elected Council will meet next week and hold their organization meeting at which time committee appointments will likely be made.

BARTLEY RETAINED

Methodist Pastor Is Invited Back

The Rev. Oler A. Bartley was unanimously invited back as pastor of the Newark Methodist Church, for the fourth consecutive year, at the fourth quarterly conference meeting held at the church Wednesday evening. Oliver J. Collins, district superintendent, presided over the meeting.

Reports were read from various church organizations showing progress made and the Rev. Bartley reported 31 new members received since January 1. Stewards were reelected with the following new members: Vincent Parker, Clarence Stevens and Clarence Smith.

Newark, Delaware, Thursday, April 16, 1942

THE MAJORITY SPEAKS

The unusually heavy vote cast in the annual Town Election Tuesday leaves little room for doubt that local residents were definitely interested in the question of whether or not Sunday commercial activities would be continued within the corporate limits of Newark.

It is gratifying that so representative a vote was cast as majority expression of sentiment is the only fair yardstick by which such a question can be settled.

The majority of votes cast in favor of an ordinance restricting Sunday activities, in each of the three local districts, leaves no alternative but for the newly elected Town Council to pass such an ordinance as soon as it can expediently do so.

Public interest in local elections is a healthy sign. Too often too little interest is shown in town elections. Just because no contest develops is no reason taxpayers and eligible voters should not feel it their duty to vote. The town councilmen who serve without compensation deserve the support of their constituents and certainly merit their votes of approval even when unopposed for re-election.

Endorsement of voters was evidenced by the vote accorded each member seeking election and is a mute expression of appreciation for services rendered. Members of the Newark Town Council have done a splendid job of administering town affairs. We are sure that they will continue to do so. The Board will be enhanced by the presence of Norris N. Wright, newly elected member who was elected to fill out the unexpired term of C. Emerson Johnson, resigned, from the Western District.

NAVY RELIEF DRIVE

Newark is called upon to aid the Navy Relief Fund. A program of activities is underway whereby it is hoped to raise enough funds to meet the local quota without appealing for personal contributions.

The committee hopes to give people something for their money and at the same time answer the call. Proceeds from the New Castle County Hosiery Workers Association Dance, at the New Century Club, Saturday night will go into this fund. Your contribution and presence will help swell the total.

Fifteen hundred buttons were disposed of shortly after they were offered. Many cooperated in promoting the sale of these buttons. Everyone who purchased a button helped the Navy Relief Fund. More than \$170 was raised from the sale of buttons.

True, we are being called upon to give to many things. But, we may be called upon to give and give again and again — to many more things and to many of things the second, third and maybe fourth time. If we are to win this war — and we are going to win it — we're going to have to give till it hurts then keep on giving anyway.

The final Navy Relief Fund feature will be the Music Festival to be held at the high school, Sunday afternoon, May 3. This program will be replete with entertaining numbers — it will be well worth the price. We hope you will buy your ticket early and attend the festival early too, in order to get a good seat.

SUMMER ROUND-UP

Parents of pre-school age children who expect to start their children in Newark Public Schools next fall are being urged to take advantage of the pre-school health examinations being held throughout the county during the latter part of this month.

These clinics serve as check-up centers of your child's physical well being. They are operated by highly efficient personnel for the benefit of residents. Physical defects will be ascertained and parents advised so they may take corrective measures before school opens thus saving the loss of time.

We are fortunate in having the services of Dr. John R. Downes and his County Health staff perform this service for us annually. The least we can do is to avail ourselves of the opportunity presented.

A complete schedule of the Summer Round-Ups is published elsewhere in this newspaper. We urge all parents of pre-school age children to cut it out, save it and take their children to the nearest location on the dates specified.

SYNTHETIC RUBBER

The effect of Axis victories in the Far East is the loss of our rubber supply. In 1940 this country imported 650,000 tons, and almost every pound of it came from countries now blocked off by the Japs. For 25 years chemists have been developing a rubber substitute. But production of the product was not pushed so long as there was an abundance of cheaper natural rubber. Now the cost question has gone out the window. The United States must have rubber to win the war. Hence the present pressure on industry to produce a substantial quantity of a rubber substitute. Prior to December 7 plans were under way for producing 10,000 tons per annum of a synthetic rubber out of petroleum. Subsequently the government raised its sights to 40,000 tons, a goal expected to be realized sometime in 1943. Now the program is being further enlarged to 400,000 tons.

It is said that it will take a year and a half to get plants erected and in full operation. In the meantime the government has enough reserve rubber stocks to cover war needs and a little more. Owners of automobiles must take unusual care to make their present supply of tires last to the ultimate mile.

PROPER EGG STORAGE IS URGED

Egg Cellars Recommended For Best Result

Poultrymen in Delaware who are producing eggs for the fresh market and for Delaware hatcheries are reminded that hot summer days will soon be here. They are reminded, too, that the egg cellar for storing eggs is the answer to the problem of maintaining egg quality during the summer.

This advice is contained in the fifth of the series of poultry information letters being distributed by the county agricultural agents. It is another of the timely letters prepared by H. L. Richardson, poultry specialist for the University of Delaware Agricultural Extension Service, who points out that you can't improve the quality of an egg, but you can maintain its quality by proper handling.

Whether poultrymen are hatching eggs or eggs for the fresh market, he says the job of maintaining the quality is essentially the same. To maintain this quality, poultrymen are advised to collect eggs often and to store them in a cool and relatively moist place.

Letters To The Editor

To The Editor:

The 75% plurality polled against unrestricted Sunday activities for Newark in the referendum Tuesday, bore out in a most convincing manner, the statement in our letter to you last week, to the effect that the majority of our citizens still believe in the sanctity of the Sabbath and desire to maintain Newark's fine reputation as a clean residential community.

We feel that the number of votes polled in no way indicates a dictation to a majority by an organized minority group by means of pressure and prejudice, as feared by Mr. Handloff in his letter to you last week.

We did, however, appreciate Mr. Handloff's very fine statement as to his attitude toward the town's welfare and are pleased to say that we have always considered him a helpful and valued citizen of Newark and one of the first to co-operate in any helpful cause.

In view of Mr. Handloff's statement that he would be guided entirely by the will of the people of Newark and that he would discontinue Sunday moves if the citizens do not want them, we assume that he will close the theatre on Sundays at once, without waiting until Town Council goes through the formality of passing the ordinance to restrict Sunday activities.

Joint Committee for Sunday Ordinance,
Thos. F. Manns,
Chairman.

Regardless of the snickers of his comrades, F. V. West of Wilmington, Del., railroad fireman, adopted gaudily colored pajamas as his working clothes.

FLASHES IN THE PAN

IN RACKING UP A 10-7 VICTORY over Virginia Medical College of Richmond, Va., the Delaware baseball team put on one of the most dazzling exhibitions of daring base running that any of the few spectators who witnessed the contest had ever seen. In this seven inning fray, the Blue Hens compiled a total of 18 stolen bases, to average almost three per inning.

Following the uproarious sixth frame when three consecutive men, Perry Burkett, Barney Runcle, and Tom Skripps, stole home, the Medicos kept close watch on their hats and gloves just in case some Delaware base runner got a little too ambitious in his habit of pilfering.

Delaware's first scheduled contest with the Norfolk Naval Base was cancelled because of rain, thus giving the boys a chance to see the host of famous athletes now stationed at the base in their daily workout. The group included such highly publicized figures as Bob Feller and Freddie Hutchinson, two great major league pitchers; Chet Gladchuk, 230 pound former all-American football player at Boston College; Fred Apostoli, former middle-weight champion of the world; Sam Chapman, slugging outfielder of the Philadelphia Athletics; and Don Spangler, great basketball player of the Denver College and other professional teams.

SOME OF THE DELAWARE BOYS seemed surprised to find out that Bob Feller about whom volumes of publicity have been written, was just an ordinarily sized young man who looked no more like Superman than they did. They found out that he ate the same food and slept in the same type bed as they; had just as much fun cavorting around a basketball floor as any healthy kid; and put his trousers on one leg at a time. In fact they realized that he was just another boy who was different from them mainly because he could throw a baseball a little harder.

ONE INCIDENT IN THE FIRST of the two games played with the Sailors brought a tremendous cheer from the crowd of approximately 3000 spectators who witnessed the contest, and that was the time when little Amos Crowley, captain of the Blue Hens nine, made the great Ace Parker look like a sandlotter by catching him asleep with the hidden ball trick.

Parker had just touched Sam Tait for a single and stolen second base when Crowley, who secreted the ball in his glove instead of handing it back to the Delaware pitcher as most people thought, caught him standing flat-footed several feet off the bag. The play brought a cheer from the large number of gobs present who were rooting for the underdog Hens, but only a red flush to the face of the former All-American and All-Professional League football player.

ANOTHER PLAY WHICH OCCURRED in the second contest demonstrated the aggressive manner in which the outclassed Delaware team battled the highly favored Sailors. This time the Blue and Gold pulled out of a bad hole by pulling a triple play to retire the side after their opponents had loaded the bases with no outs. Phil Doherty, diminutive third sacker, started it when he scooped a hot grounder from the bat of Sam Chapman and tossed to Amos Crowley at second for one out. Crowley relayed to Skripps at first base for the second killing, and when the base runner who had been on second when the play started tried to score he was nailed on a nice throw from Tom Skripps to Connie Sadowski.

MENTION IS MADE IN THE DAILY press from time to time of a war—a world war, we believe it is. It's even insisted that the world situation is pretty chaotic, but the average citizen was reassured this week when through the uproar of various sinkings, torpedo attacks, bombings, came a confident stentorian roar, "Play Ball!"

It was like a hearty guffaw in a dark room. And a challenge to certain you-know-whos.

A customary irritation, but unexpectedly welcomed this year, is the fact that baseball's Rock of Ages, the Yanks, are again favored to win the pennant, et al.

Noting this, we yokels, despite international commentators, realize the world situation cannot be too shaky. F.D.R. it is apparent, pulled his usual shrewd one when he suggested that big-time baseball be continued for the duration. The familiar rituals attending the seasons opening provide a morale boost equivalent to a couple of naval victories.

Welcome as the event is here at home, it will come as even a heartier boost to certain fans in Ireland, or Australia, and places unknown.

The latest box scores will probably be a big event in the days of the Yanks Down Under and a reassurance that all's still well at home.

We can imagine a rabid Dodger fan, muttering over the drone of his sub's motors somewhere in the Pacific "Who'd they have in there pitchin' today, I wonder," as he sends a torpedo frothing into a Jap cruiser.

OR A FIGHTER PILOT AND A HOT A's fan, spewing tracers into a Jap Zero plane and gritting, "Johnson should be hittin' 'em today."

In fact, if you'd ask him, that's probably a soldier's way of saying what he's fighting for.

And should the Yanks win the pennant this year and take the World Ser-

CONTINENTAL NINE JOINS INDUSTRIAL LEAGUE

Expects Stiff Competition This Year In New Circuit

Continental-Diamond breaks into fast stepping company this year when it enters its championship baseball team in the Industrial League. The Cecil County and New Castle County Leagues, to which it formerly belonged, have been eliminated due to the lack of players and transportation facilities.

The fast moving Industrial League is presently composed of six teams: Allied Kid, Hoolyook, Continental-Diamond, Minquadale, Rose Hill and Ajax, with the possibility that the duPont Company and Pusey & Jones may field teams before league play actually begins on May 11.

To meet the pace of this competition, says Manager Ellis Cullen, the firemen will have their work cut out for them. But, he feels, they have excellent prospects, as their winning 1941 team is still intact, except for the loss of Steve Hubis and Eddie Morgan.

The Continental nine, accustomed to bringing home the bacon in their former league, being champions four straight years, is ready to meet the test of blunter things.

The firemen begin practice this week and will continue each noon and evening until the season opens. They are looking for a couple of practice tilts to put them on edge for the league opener.

Home games will be played on the Continental Field on Thursday nights. Each team will play two games weekly in the twenty-one game schedule winding up on August 1.

SELECTEES OFF FOR THE ARMY

13 Newark Youths Called By Draft

Uncle Sam called on a new group of young men from Newark this week to swell the ever increasing numbers of the U. S. Army. Thirteen new faces will be among the missing about town hereafter, as draft boards No. 1 & 2 summoned the men and sent them off to the induction center yesterday.

Especially affected by the send-off was the postoffice, which loses two of its valued employees, assistant postmaster, Corbit Steele Crompton, and carrier Ott Watson Widdoes.

Other men summoned through draft board No. 1, located at New Castle were: Harry Stanford Fleetwood, William Cristock Evans, Walter Joseph Szymanski, Floyd Richmond Anderson, George Camellius Morrison, Carlo Carl Suppl, Edward Leslie Sweetman.

Those sent through draft board No. 2 at Middletown were: Michael Leathern, Thomas James Reed, James Alfred Lewis, Paul Alvin Dunsmore.

It is probable that not even the Dodger fans will complain... too much.

They'll agree along with the rest of us that it's become a good American custom, to be put up with for the duration anyway.

But if the Dodgers should win and meet the Yanks in the series, oh boy, Watch out! Couple of Dodger fans abroad might get slightly overwrought and clean up the war in time to get back for the play-off.

13-inch class—A section—Tip's Girlie, owned by Arthur M. Brown, Malvern, Pa., with Concord Spunkie, owned by Charles T. Hartmann, Wilmington; Duke, owned by Charles Smith, Baltimore, with Concord Squeaker, owned by Charles S. Hopkins, Newark; White Clay Tough Stuff, owned by Charles S. Hopkins, Newark, with Rinehart's Sport, owned by Robert Rinehart, Quarryville, Pa.

The plucky champ showed her class convincingly before a considerable gallery. Kasco Kracker, 7-year-old field champion, owned by Victor Keene, Salisbury, won first place in the B Section of the same class, the entries being so numerous that the 13-inchers were divided into two sections in order to finish the trials.

Both Peggy Ann and Kasco Kracker received the same rating and prizes.

In the 15-inch class, Everett's Eddie, owned by David Everett of Baltimore, was the winner.

Others in the money were: 15-inch class—Second, Octoraro Ben, owned by Chick McDermott, Wilmington; third, Thornette's War Queen, owned by Herbert Thornette, Marshallton; fourth, Kit's Trojan, owned by Kitty Martin, Salisbury; Concord Rob Roy, owned by William Winant, Wilmington, was the reserve hound.

A section—second, Limestone Spunkie, owned by Clarence Humphrey, Marshallton; third, Duke, owned by Charles Smith, Baltimore; fourth, Concord Scream, owned by Earle Sheaffer, Wilmington. Beauman's King, owned by Charles Beauman, Woodstown, N. J., was reserve hound.

B section—second—Broad Creek Queen, owned by Joseph Smith, Arlington, N. J.; third—Connell's Dixie, owned by Robert Connell, Newark; fourth—Colonial Peggy, owned by Willard Wahl, Wilmington. Fisher's Jolly, owned by William P. Fisher, of Wilmington was reserve hound.

Proceeds from today's trials, which netted \$80, were turned over to the Newark Branch of the Delaware Chapter of the American Red Cross.

All prizes and the services of the judges were donated. Isabel M. Ashbridge of the Newark Red Cross awarded the prize.

Judges were: W. S. Martin, Salisbury; Charles Marlowe, Wilmington; Edwin Lawson, Newark; Wesley Hammond, Quarryville; Frank Thornette, Marshallton, and Walter Purzycki, Marshallton.

The drawings, which took place this morning found the hounds braced as follows:

ALL STARS SCUTTLE BOWLSBY'S BOWLERS

Adams High, Mote Second In Special Match Honors

Adams All-Stars knocked off the Bowlsby Stars in a special match at the American Legion Bowling Alleys here Saturday afternoon, winning two out of three frames in a close tilt.

Morris Adams paced his boys to the win, being tops in the individual scores with a sparkling 245.

The Adams keglers got off to a fast start, taking the first frame to lead by 165 pins. It looked big, but the Bowlsby All-Stars burned the alleys to win the second frame, slicing the Adams' lead to 45 pins. The Bowlsby Boys made the highest frame score of the match, a neat 969.

Final frame saw the Adams aggregation surge back to clinch the contest by 58 pins, despite Mote's swell 212, for the losing Bowlsby All-Stars.

Morris Adams was high point man with games of 100, 245, 192—597. Mote and Jaquette fought it out for second, Mote nipping the honors by a bare seven pins, with games of 145, 210, 212—567. The match, an exciting one, saw every man heaving them down the slot in a fast scoring jamboree.

Delaware Intercholastics Postponed Until May 16

The Delaware Intercholastics, scheduled to be held on Frazier Field here on Saturday, May 2, have been postponed until Saturday, May 16, two weeks later, Business Manager Ed Prince announced this week.

Postponement from the original date was thought advisable due to many requests received from high schools that are expected to participate in the events.

BLUE HENS MEET TEMPLE OWL'S DIAMOND TODAY, SEEK TO AVENGE FORMER SETBACK

First Home Game This Saturday With Dickinson Cancelled; Coach Martin Seeks To Fill Date With Classy Aberdeen Proving Nine

Back on native soil after a rather mediocre southern tour on which they won only one of four official games, the University of Delaware baseball team has been hard at work through the past week preparing for the game with Temple which will be played on Temple's home diamond this afternoon.

NORM LORD TO CAPTAIN TRACKMEN

Coach Edmund Prince announced recently that Norman Lord has been named captain of the University of Delaware track team to replace Ames Phillips, who had been named to the post but left it vacant when he graduated in February.

It is a fitting honor for the down state boy who has been a familiar figure on the various athletic fields of the University throughout the past three years. Lord came to Delaware from a small town down state where he had very little coaching and opportunity to develop his athletic ability and his steady improvement in both football and track can be attributed solely to his own hard work and will to learn under the coaches here at Delaware.

He is one of the five letter men around whom Coach Prince is endeavoring to build a track team for the coming campaign. The others are Jack Phillips, middle distance runner; Norman Maxwell, two miler; Lee Baer and Bob Furman, a pair of veterans in the field events.

Arky Vaughn and Joe Jarrell, two sprint men, announced at the start of the year that they had decided to devote their energy to other sports this spring, but Coach Prince has stated that he expects both of these boys to report back to the cinder lanes shortly. The appearance of Vaughn and Jarrell would go a long way toward filling the depleted list of dash men available.

In the other events Coach Prince has a large number of candidates who have had only limited experience but are working hard to develop what ability they may possess.

Sadowski Bats .428 On Southern Tour

Conrad Sadowski who was one of the leading batsmen for the Delaware baseball team last year took up right where he left off this spring when he belted out six home runs in fourteen trips to the plate on the annual southern tour to take down high honors with a mark of .428.

Only two other members of the squad, Amos Crowley and Freddie Mitchell, came back from Virginia with averages of .300 or more. Mitchell was the runner up to Sadowski with a mark of .333 compiled on 5 safeties in 15 attempts. Crowley hit safely six times in 20 times at bat for a mark of .300.

The other averages are as follows:

	G.	Ab.	H.	Ave.
Conrad Sadowski	5	14	6	.428
Freddie Mitchell	5	15	5	.333
Amos Crowley	5	20	6	.300
John Daly	3	4	1	.250
Paul Hart	3	9	2	.222
Ruth Bobovich	5	1	0	.000
Al Newcomb	3	11	2	.182
Harry Irwin	2	7	1	.143
Bill Tubitt	5	10	2	.200
Tom Skripps	5	10	2	.200
Barney Runcle	3	8	1	.125
Perry Burkett	2	11	1	.091
Phil Doherty	3	11	1	.091

VACANCIES FILLED IN WELDING CLASSES

Applicants Still Taken. Names Held For Openings

Vacancies were completely filled in the machine operation and welding classes, begun under the auspices of the Newark Public Schools, at the Tuesday evening session in the Engineering shops of the University of Delaware.

Officials announce, however, they are still anxious that persons interested continue to apply. New applicants will be carried on the list and notified when vacancies occur. Filling of available openings at the moment, by no means indicates that no further applicants will be accepted.

Those who wish to join the class must register with the Delaware Employment Service, whose Newark office is in the Academy Building, under the direction of Miss Alice G. Kerr. The office is open every Wednesday from nine to four.

Object of the courses is to assist in preparing men in this sector to meet the employment demands of the defense effort. Persons already employed may use the course as a "refresher" to aid them in obtaining promotion in their present occupation.

The program is sponsored by the State Department of Vocational Education and is being coordinated locally by James Parsons, Assistant Superintendent of the Newark Public Schools.

Christiana Grades Conduct Assembly

Allan L. Jones, principal of the Christiana School, addressed the student body on "The Importance of Hard Work" at the Christiana assembly period conducted by students of the fifth and sixth grades last week.

Following the scripture reading by George Barrett a program of a unit on poetry was given by the following pupils: Ernest Shepherd, Richard Lambert, Charles Burge, Joseph Stevens, Virginia Cleaves, William Reusch, Dorothy Keeley and Helena Amoroso.

The entire assembly joined in the singing of several selections.

VACCINE REACTION NATURAL

Adults Urged To Become Immunized

That Delaware's interest continues to mount in the immunization program against typhoid fever, smallpox and diphtheria which is being carried on by the State Board of Health, is evidenced by the fact that over 20,000 immunizations have been given in the state during the month past. This is an increase of approximately 1,000 over the number done in the previous week, every county having shown a substantial increase.

Children continue to form the majority of the people taking this treatment to "prevent epidemics before they happen." Adults are urged to go to their physicians for the treatments but for adults and children who want services at the clinics it is stressed that they should go now, as it will not be possible to conduct the immunization clinics indefinitely.

Many questions have been asked about the effects of these immunizing treatments and the Board of Health makes these explanations:

The day following an injection of typhoid fever vaccine the arm may become more or less tender, somewhat red and swollen at the point of injection, though seldom enough to cause inconvenience.

The typhoid fever vaccine frequently also gives a reaction of chills and fever and more or less muscular aching quite similar to the onset of grippe or influenza but these usually last but a few hours.

The Board of Health emphasizes that these are perfectly natural reactions and occur to some extent with all types of immunizations.

There is no immediate general reaction to smallpox vaccination but after 5 to 7 days there may be local soreness, some chills and fever and muscular aching which may last two or three days.

ESSAY CONTEST

Students Compete For Bonds, Stamps

Announcement has been made through the English Department of Newark Public Schools, that the Newark Trust Company is sponsoring an essay contest on the subject "My Country At War — How Can I Serve", with prizes of \$25 in war bonds and \$10 in defense stamps.

The contest opened April 15 and will continue until April 30. All students of Newark Public Schools are eligible to compete. Students in grades 10, 11 and 12 will compete for the \$25 war bond while pupils of grades 7, 8 and 9 will compete for the \$10 in defense stamps.

Essays will be judged by a committee composed of Dr. W. O. Syphard, Dr. Francis Squire and Prof. N. B. Allen of the University of Delaware with awards to be made on or about May 12.

GARDENERS TO MEET

Talk, Exhibit On Potted Herbs

The April meeting of the Newark Garden Club will be held Monday evening April 20th in the Women's Faculty Club room, Warner Hall, Women's College, with Miss Edwina Long as hostess.

Mrs. R. O. Bausman will be in charge of the evening's program and will give a talk on "Modern Day Herbs, Their Use and Culture." Potted specimens of the various herbs will be on exhibit.

Added feature of the evening will be a timely and instructive film in technical color, taken on the estate of Lowell Thomas, showing the results obtained by the proper use of fertilizers. Film's narrator is Lowell Thomas.

The public is cordially invited to attend the meeting, which will start at 8:00 P. M.
