## WOMAN SHOT AND BEATEN TO DEATH ON FARM HERE

**Mrs. L. M. Hollister Found Battered and Shot In Abdomen at Chestnut Hill Farm**

No clue to the death of Mrs. Lillian M. Hollister, 42-year-old housewife, was found bludgeoned and shot to death last night in her chicken house on her farm at Chestnut Hill near here, it was uncovered, it was said today.

That her death was not a suicide was indicated by the fact that she was shot in the abdomen, another in her shoulder and a third wound on the back of her head. The latter, it was said, was probably caused by a blunt instrument, possibly the butt of the shotgun. The gun itself was not found.

Charles Hollister, the victim's husband, found the body, clad in a house dress, in the chicken house, 100 feet from the home. Mr. Hollister was returning from work at the time. Fact that, according to her husband, she was in the habit of going to the chicken house about 4:30 every afternoon to gather eggs led to the theory that she had surprised a chicken thief there yesterday. Dr. Arthur Mencher, who was called, pronounced her dead.

An autopsy held last night disclosed the victim had been shot in the stomach at very close range. The investigation is being carried out by State Police, headed by Dr. Frederick A. Henssath, medical physician.

Two sons of the Hollister family, Charles, Jr., 19 and George E., 21, are in the Air Corps in Hawaii.

Besides operating a chicken farm, Mr. Hollister is employed at the Continental Diamond Fibre Co.

## CENTURY CLUB TO LAUNCH SEASON

**Will Open Fall Activities With Business Meeting On October Fifth**

The Newark New Century Club will launch its activities for the coming year on October 5th with a business meeting.

The entire program for the first half of the year, theme of which will be "Fellowship and Solidarity" was announced this week by president Mrs. Robert J. Boyd.

The opening business meeting will include reports on the June Federation Meeting, a book report by Mrs. J. D. Coumahan, and special reports from the War Service committee by Mrs. M. Daugherty and Mrs. J. F. Daugherty. Hostess at tea will be Mrs. C. E. Hughes.

A representative of the Department of Coordinator of Inter-American Affairs in Washington, D. C., will discuss "Fellowship and Solidarity" at the second session scheduled for October 19.

Guests will be Mrs. J. P. Cann. On November 2nd a business meeting will be held with special reports from War Service Chairman on housing and industry by Mrs. Herman Hand and Mrs. Leonard Fossett. Tea will be Mrs. F. W. Jahns.

The November 16 meeting will be devoted to the American Home Defense with Mrs. Richard S. Snyder, chairman. The speaker will be announced at a later date. Tea hostess will be Mrs. Robert Thompson.

A business meeting will follow on November 30, with special reports by War Service chairmen: Mrs. James A. Erickson on Conservation; Mrs. L. Stearns on Consumer Problems; and Mrs. David Dawson on Nutrition. Hostess will be Mrs. J. D. Coumahan.

The Club's Drama Department under Mrs. F. A. Weihe will give a program on December 14. Guests will be members of the Newark Public School Women's College. Tea hostess will be Mrs. M. L. Draper.

The regular business meeting will be on January 4 with special reports on aviation and nursing by War Service Chairmen, Mrs. Chester Ewing and Mrs. L. A. Stearns.

Concluding program for the first year will be in charge of the Education Department, with Mrs. Robert J. Boyd, chairman. A travel film in color will be shown by Mrs. Charles Evans. Miss Edna Samson. The movie will consist of scenes taken on their travels. Hostess will be Mrs. Charles

## WANT NAMES OF MEN IN SERVICE

**Committee Making Up Christmas List**

The Mayor's Committee, which has been providing Christmas packages to all Newark men in the armed services, since mobilization, is now attempting to formulate its list for Christmas mailings this year.

Parents, relatives and friends of Newark men in any branch of the U. S. armed services, or merchant marines, are requested to notify Mrs. Paul D. Lovett, phone 3881, or Mrs. Leon Case, phone 2-0681, of their addresses at once.

Postal authorities have stressed the fact that Christmas packages to men in service, particularly those in foreign fields, must be mailed early in October if they hope to be delivered by Christmas.

If you have a relative or friend in the service, please advise one of the ladies mentioned above at once in order that they may receive their bit of Christmas cheer from the Mayor's Committee.

## Services For John White To Be Held Saturday

Funeral services for John C. White, who died on Tuesday, will be held Saturday afternoon at two o'clock at his residence at 17 Choate Street.

Mr. White, who was 71, was a retired employee of the Continental Fibre Company. Born in New York State, he was a resident of Newark for 25 years.

He is survived by his wife Mrs. Bertha White and the following sons and daughters: Mrs. Winfield S. Adams, Edge Moor Terrace, Del.; Miss Katherine E. White and Mrs. Howard Eveland both of Newark; sons are Walter C. White, Wright C. White, and John Eugene White. Five grandchildren also survive.

Mr. White was a member of the Newark Methodist Church. Interment will be in Riverview Cemetery, Wilmington.

## STUDENT SCRAP DRIVE WILL OPEN OCTOBER 5

**Newark School Pupils To Aid In House To House Canvass**

The student scrap campaign, calling for all pupils of the Newark public school to contribute at least a pound of any type scrap, will open October 5, announced Superintendent C. E. Douglass yesterday.

Plans for the student drive were first outlined last week by Supt. Douglass at the opening high school assembly program of the year.

Details worked out since then call for every student to cooperate in a house to house canvass for metal, rubber, and rags, bringing the materials to a depository on the school grounds.

Anticipating a whirlwind campaign, school officials feel that much valuable scrap can be collected by this means. Other communities conducting student drives report highly successful returns.

Newark's drive is part of a nationwide school campaign endorsed by the U. S. Bureau of Education and the State Department of Education of Delaware.

Proceeds from the sale of the scrap will go to defray cost of Civilian Defense work in Newark. The scrap will be disposed of in the customary manner through sale to waste dealers.

The regular Wednesday assembly program at the high school was postponed this week, said Supt. Douglass.

## SALVAGE DEPOTS

**Convenient For Depositing Scrap**

Working in conjunction with every other American community, the Newark Salvage Committee is making every effort to collect all items of scrap metal and rubber possible.

Local response to the appeal for scrap metal and rubber has been very encouraging. Salvage workers stated in pointing out that in most towns the response was overwhelming. There is undoubtedly a vast accumulation of such materials about homes and farms in and near Newark. They are needed urgently to keep our steel mills running, to keep our tanks rolling, planes flying and guys shooting.

Official Salvage Depots in the Newark area are: J. B. Reed's Garage, Capitol Trail; McElwee's Garage, GLASGOW; Wilmington Auto Sales Co.; Trivets & Renshaw Diamond Service Station; Frank M. SMITH Atlantic Service Station; Rittenhouse Garage; Southern States Coop. Assn.

Persons having small items of scrap are urged to deposit such in the nearest depot listed above. Rural homes or local persons having large amounts of such materials are requested to telephone K. W. Oberlin, -511, and the Salvage truck will call for it.

## SIREN FUND CONTRIBUTIONS SWELL TOTAL TO \$777.36

Reports from Paul D. Lovett, treasurer, of the Newark Siren and Civilian Defense Fund, reveal that several additional contributions have been received since the last published report.

Contributions received, which have not been published before, are as follows:

Mrs. Mary L. Crooks	\$ 2.00
Dr. P. K. Musselman	5.00

## REFUNDS OFFERED TO SIREN DONORS

**Officials Hope Contributions May Apply To Rural Needs**

Newark residents who have contributed to the Siren Fund and desire their contributions refunded may obtain same by writing such a request either to Paul D. Lovett, treasurer, or The Newark Post prior to October 5, it was decided at a staff meeting of the Civilian Council for Civilian Defense, held in council rooms, Monday evening.

Due to the fact that the Town Council will purchase and install the 7 1/2 horse power siren for the town proper, defense officials thought it prudent to make refunds available to those who request them. Officials were quick to point out that funds are still badly needed for sirens and other equipment in the rural zones that comprise the Newark area.

There is little use in alerting and blacking out the Town of Newark unless we do the same thing in the rural outskirts, officials stated. With approximately \$900 raised by the Siren Fund drive, the Defense Council has a good start towards paying for rural sirens. Volunteer wardens in each zone will solicit further funds from residents of their respective neighborhoods now that the preparedness program is going forward in full swing.

## MISS STOLL HONORED

**Local Girl Named Editor**

Evelyn A. Stoll, daughter of Mr. and Mrs. Daniel Stoll, 20 W. Main Street, has been appointed editor of the "Hercules Mixer", monthly house organ of the Hercules Powder Company, succeeding Elizabeth Stroud, recently resigned.

A member of the Hercules advertising staff for the past twelve years, Miss Stoll is well qualified for her new position. The Hercules Mixer is an attractive and especially well prepared magazine circulated among the company personnel once each month.

Miss Stoll is a graduate of the Newark High School, the University of Delaware and formerly attended West Chester Normal School. She also had several years teaching experience in the Camden, N. J., public schools and took special training at the University of Pennsylvania.

Checks should be made payable to Paul D. Lovett, treasurer.

## BOARD OF EDUCATION TO MEET

A meeting of the Board of Education for the Newark Special School District will be held Tuesday evening. Bids will be opened for the sale of \$60,000 in Bonds voted for the new elementary school in Newark.

## Leatherneck

Robert J. Brown

Robert J. Brown, son of Mrs. Laura Brown of Newark, is now wearing the uniform of the United States Marines and is receiving rigorous training in the fighting tactics of the Leathernecks at one of the famous Marine Corps Recruit Depots.

## ROTARIANS OBSERVE LADIES NIGHT

**W. E. Priestly Discusses Experiences In Formosa**

President Russell T. Silk conducted the annual Ladies Night meeting of the Newark Rotary Club at Howard Johnson's Restaurant at Hare's Corner on Monday evening.

W. E. Priestly, recently returned from extensive travels through China, Japan and Formosa, was introduced by Program Chairman Dale Landers, and gave an interesting discussion of "Formosa—the land of the headhunters".

Taken from the Chinese by the Japs, the rich island of Formosa on the coast of China has a population of approximately 4 million Chinese, Japanese and savage inhabitants. The island has been highly developed in the cultivation of sugar and pineapples, also supplying a large portion of the world's camphor supply. All labor on the island is provided by the Chinese under the supervision of the Japanese. Their plan of reforestation calls for the planting of three trees in the place of each one cut.

Headhunters inhabiting the island of Formosa adorn the outside of their huts with the heads of their captives with as many as 1200 heads arranged on racks outside of one hut. To be admitted to the Council of Men or to become eligible to become married, natives are required to chop off and submit to the Council one head as their qualification for membership.

Many other interesting incidents of Chinese and Japanese customs were related by Mr. Priestly.

Other guests at the meeting were President and Mrs. L. T. Staats of the Newark Lions Club, and President and Mrs. Warren Buckingham of the Midtown Rotary Club.

## MARSHALL BACK HOME

**Missing Youth Returns Home**

Sherdon Marshall, 17 year old son of Denny S. Marshall, Center Street, returned home during the past week-end after an absence of several weeks.

The youth said he had travelled through the Middle West, Texas and as far south as New Mexico, working his way from place to place. He seemed in good health and excellent spirits upon his return here.

Young Marshall said he decided to return home voluntarily and that he had been unaware of his parents trying to locate him. He left Newark one Friday evening to attend a movie in Wilmington and was not heard from again until his return.

## W. C. Northrop Begins Aeronautical Course

William C. Northrop, Jr., of Newark, Del., has entered Rensselaer Polytechnic Institute, Troy, N. Y.

He is the son of Mr. and Mrs. William C. Northrop, 240 South College Avenue, Newark, and a graduate of The Hill School, Pottstown, Pa. He has enrolled in the aeronautical engineering course at Rensselaer.

Rensselaer Polytechnic Institute is the oldest school of science and engineering in the United States.

## DEFENSE CHIEFS AND COUNCIL IN ACCORD

**Full Agreement Reached; Bonham Reappointed As Defense Chairman**

A cor record was reached between the Civilian Defense officials and the Town Council, with H. L. Bonham reappointed Defense chairman and the other resigned heads resuming their posts at a special meeting of the Town Council last Thursday evening in the Academy street offices.

Following a full discussion of Defense needs in Newark by H. L. Bonham and A. W. Perry and other defense chiefs present at the meeting, the Town Council authorized the following moves:

Purchase and installation of the large seven and half horsepower siren by Council, with the stipulation that all other defense materials purchased for use within the corporate limits of Newark be bought by the Town and become the property of the town. The motion was made by Council member Norris Wright, seconded by Councilman Wollaston, and unanimously adopted.

Secondly, Council authorized an appropriation of \$400 for sector dressing stations and a further \$160 for ambulance supplies to replace the \$300 originally voted at the last regular council meeting. The motion was made by Wright, seconded by Councilman Hubert, and adopted unanimously.

Cost of the large siren to be bought by Council is \$435.00 with installation amounting to \$340.00.

In a further move aiming to establish increased cooperation between the two groups, Town Councilman Wright

## CONCERT GROUP TO OPEN DRIVE

**Many Former Members Renew Subscriptions**

Opening its one-week campaign for new membership subscriptions on Monday, the Newark Community Concert Association already reports favorable response from its old members seeking subscriptions and renewals.

The drive for new members will be inaugurated at a dinner in the Presbyterian Church for volunteer workers, who, it is planned, will solicit subscriptions throughout the town.

Headquarters for the drive, where subscriptions will be on sale, is 73 E. Main Street. Any resident is eligible to purchase a membership, officials stress. Purchases, however, must be made before the deadline on Saturday, as no subscriptions will be sold thereafter.

A partial list of volunteer workers aiding in the drive is as follows: Dr. and Mrs. G. C. Webber, Mr. and Mrs. R. E. Stone, Mrs. I. W. Linton, Mrs. Harry Davis, Mrs. Barton Mackey, Mrs. R. O. Bausman, Mr. and Mrs. George A. Hyde, Mrs. P. K. Musselman, Mrs. Perrie Arnold, Mrs. George Schuster, Mrs. A. D. Cobb, Miss Freda Ritz, Mrs. George Dutton, Mrs. Margaret Cann, Mrs. S. duPont Thomson, of Elkton; Miss Nell B. Wilson, Mrs. J. S. Gould, Mrs. Waldo Fox, Mrs. Richard Coch, Mr. Harry McKenry, and Dr. W. O. Syphard.

A large number of University students are cooperating with Professor A. Louis in the drive, along with instructors Miss E. Dyer and Miss Jean Bryan. Dean Margery Golder is also assisting the officials of the Association.

## Isaac Vansant Services Held Here Yesterday

Funeral services for Isaac Vansant, who died suddenly on Sunday after a long illness, were held yesterday from the Shellendor funeral home. The Rev. H. Everett Hallman officiated. Interment was in Head of Christiansa Cemetery.

Mr. Vansant, who was 85 years old and a native of Newark, retired about eight years ago after long service with the National Vulcanized Fibre Company.

Active in fraternal circles, he was a member of Hiram Lodge No. 25, A. F. and A. M.; Minnehaha Tribe No. 23, I.O.R.M., and Newark Lodge of Odd Fellows.

Surviving him are his wife Mrs. Elizabeth Vansant, one sister, Mrs. Belle McCormick, of McClellandsville; and a brother, John Vansant, of Wilmington.

## CONTROL OF PEACH TREE BORERS IS OUTLINED

Entomologist Advises Use Of P-D-B Now To Eliminate Pest

Throughout the greater part of Delaware, peach tree borers that have hatched from eggs laid during the present season will be starting their burrowing into trees between now and October 1. These borers feeding in the tree trunk at or just below the surface of the ground can do real damage if no control measures have been applied, states John M. Amos, assistant entomologist for the Delaware Agricultural Extension Service.

To eliminate peach borer damage, Amos recommends the application of paradi-chlorobenzene, commonly called P-D-B, between now and early October, since it is important that soil temperatures remain above 60 degree F. for two weeks after application is made.

When using P-D-B, orchardists are advised to scrape all litter and trash from around the base of the tree for a distance of from 15 to 18 inches. Apply the crystals in a ring completely around the base of the tree not closer than one inch, nor farther than three inches from the tree trunk at the rate of 1-2 ounce for trees up to three years old, 3-4 ounce for trees three to six years old, and 1 to 1 1/2 ounces for older trees, depending upon the diameter of the trunk at the surface of the ground. As soon as the crystals are applied, cover with a few shovelfuls of dirt to form a cone-shaped mound against the trunk of the tree.

Experiments with the use of ethylene dichloride emulsion for peach tree borer are underway. Until the effectiveness of this control measure is known, Amos suggests that fruit growers continue the use of P-D-B.

## ADDITIONS TO STAFF OF BOARD OF HEALTH

Dr. T. Burroughs, Dr. R. Strobach Loaned By U. S. Health Service

Dr. Edwin Cameron, executive secretary of the State Board of Health, announces that two additions have been made to the staff of the Board through loan by the United States Public Health Service. Dr. Travis Pollard Burroughs, a Surgeon in the Reserve Corps of the U. S. Public Health Service, with the rank of Major, will be acting director of the Division of Communicable Disease and Dr. Rolla L. Strobach, a Past Assistant Surgeon with a rank of Captain, will be acting director of Venereal Disease Control for Delaware.

Dr. Burroughs comes here from the New Hampshire State Board of Health where he served as executive officer of the Board for nearly 6 years.

He will make his home in Dover and his office in the State Board of Health headquarters in the State House in the state's capitol. Dr. Burroughs is married and has 3 children.

Dr. Burroughs will carry on the work of Dr. T. D. Hynson of Smyrna, formerly acting head of the Division of Communicable Disease for the state, now on leave for duty with the United States Public Health Service in Kentucky.

Dr. Rolla L. Strobach, who will be acting director of the Venereal Disease Control work in Delaware, comes here from Missouri where he has been connected with the Missouri State Health Department since 1938. He and his family will make their home in Dover and his office will be with the State Board of Health. Dr. Strobach replaces Dr. Neal Carter who has accepted the post of chief health officer for Wilmington, effective October 1st.

The two new physicians are loaned to Delaware by the United States Public Health Service because of the shortage of personnel during the war emergency and they will carry on any programs in their respective fields that the Board of Health plan for maintaining the health of Delaware citizens.

## A-2 Coupons Now Valid, A-1's No Longer Good

Delaware motorists with "A" books began using the second group of coupons designated A-2 this week.

The first two-month period of coupon rationing ended Monday at midnight and therefore any units remaining on the first page of eight coupons are invalid.

The eight Number 2 coupons which must last the A book-holders for the next two months have the same unit value as the number 1 coupons—four gallons. They are good until Nov. 22.

The expiration date does not affect the validity of the supplemental "B" and "C" books and motorcycle books.

## METHODIST BIBLE CLASS HEARS TALK

W. E. Skellenger Addresses Group In Marshallton

Marshallton, Sept. 22 — The Rev. and Mrs. John M. Kelso entertained on Sunday Mr. and Mrs. Frederick Kelso and son Barton Lanning Kelso of Elkins Park, Mrs. Eva Lanning of West Orange, New Jersey, Mr. and Mrs. Edward E. Gray and daughter Martha Jeanne Gray, Miss Rosemary Kelso and Mr. George Noyes of Baltimore, Maryland.

The Rev. John M. Kelso, pastor of Marshallton Methodist Church, leaves today to assume his teaching duties as a member of the faculty at the New Wesley Junior College in Dover.

Mr. Kelso will be an instructor in languages and will spend each Tuesday, Thursday and Friday in Dover.

William E. Skellenger, superintendent of St. Paul's Methodist Church School in Wilmington, and president of the city council, was speaker Sunday night at the service sponsored by the Adelphi Young Adult Bible Class at the Marshallton Methodist Church. His subject was "The Right Kind of True Religion."

At the morning service the Rev. John M. Kelso baptized two of his grandchildren and one other infant. His grandchildren are Barton Lanning Kelso, son of Mr. and Mrs. Frederick Kelso of Elkins Park, Pa., and Martha Jeanne Gray, daughter of Mr. and Mrs. Edward E. Gray of South Maryland Avenue, Wilmington.

The other child christened was James Franklin Jones, III, son of Mr. and Mrs. James F. Jones, Jr., of Bruck-EX.

The first fall meeting of the Red Clay Creek, Aid Society, will be held Thursday night at the home of Mr. and Mrs. G. K. Boll on Creek Road.

Full activities of the Womans Missionary Society of Red Clay Creek Church will begin with an all-day meeting and covered dish luncheon Thursday at the home of Mrs. Swithin Springer in Marshallton.

Members of the Young Womans Bible Class of Red Clay Creek Presbyterian Church, with their families, held a covered dish supper Saturday in the Sunday School room.

Robert Rudolph, director of the West Presbyterian Church Chorus, sang and games were played being conducted by Henry L. Gass.

Those present were: Mr. and Mrs. H. L. Gass, Mr. and Mrs. Earle Ewing, Mr. and Mrs. W. H. Naudain, Mr. and Mrs. Calvin H. Ball, Private and Mrs. W. H. ## GAS BOOK RENEWALS TO BE MAILED

'B' And 'C' Forms To Be Re-Issued Through the Mails

Aiming to avoid inconvenience and standing in line at the rationing board, the re-issuing of supplemental gasoline "B" and "C" ration books will be handled by mail. The announcement was made by state rationing administrator James L. Luke, Jr.

Rationing boards expect to have new supplemental books in hands of the users well before the expiration date of the old on November 21.

Boards will begin sending out applications of renewals to present holders of the two types of books next week. It is expected.

Applications will be filled in by the holders and returned to the board in a self-addressed stamped envelope which will be enclosed when the application is sent.

After reviewing the applications, the board will advise those entitled to books as to when and where to pick them up.

A warning to motorists that it is illegal to "lend" coupons from one person's book to another's, was also issued by Mr. Luke.

Such a practice is a violation of regulations and persons guilty are liable to full penalties provided under the law, he said.

## STANTON RALLY DAY OCTOBER 14

September 27 Promotion Day In Sunday School

Stanton, Sept. 24th — Services in the Stanton Methodist Church on Sunday were in charge of the Rev. F. O. Baynard, pastor. On Sunday evening, Rev. Baynard started a series of eight sermons on the Lord's Prayer.

The Sunday School Board of the Stanton Methodist Church resumed meetings on Wednesday evening, which time a program was outlined for the fall and winter months. New classes are being organized in the Sunday School, and new missionary programs arranged, emphasizing missionary work on home and foreign fields. Sept. 27 will be Promotion Day in the Sunday School, and Rally Day will be observed on October 4th. Communion will be on October 11th.

Mrs. Alma Boulden of Stanton, Deputy of Lady Miller Lodge No. 6 of Wilmington made her last visit to the lodge on Monday evening, before leaving for the annual Shepherds Convention in New York City on Sept. 28th and 29th. Mrs. Dorothy Wilson, Deputy of Friendship Lodge of Stanton, will make her last visit to the lodge on Tuesday evening before leaving for the Convention in New York.

## "The Mission Had Been Accomplished"

"A running fight between the bomber and the 18 Japanese pursuit planes continued for 75 miles . . . continued until the remaining pursuit ships exhausted their ammunition and turned back. With two engines gone and the plane practically out of control, the American bomber returned to its base after dark and made an emergency landing. THE MISSION HAD BEEN ACCOMPLISHED."

—President Roosevelt, in his Fireside Chat, April 28, 1942

THERE, in the words of President Roosevelt, is one of the war's most stirring episodes—a demonstration of how, with one man killed, another man's hand shot off, and a third man injured, our American boys stuck to the fight, bombed their objective, and brought their plane home.

Undoubtedly you felt a thrill when you heard it over the air, and maybe you'll have another thrill reading it again.

But your thrills won't win the war!

It takes planes—thousands of them—and tanks—thousands of them—and shells—millions of them—and bullets—billions of them! It needs ships and guns and jeeps . . .

It takes money.

It takes the money of all of us—the girls at their typewriters, the men at their machines—the clerks, the farmers, the messengers, the bookkeepers and the salesmen.

It needs a surging, patriotic Nation of people who love their country enough to buy a share of America by investing 10% of their wages every payday—a dime from every dollar—in War Bonds.

It needs—and it's getting it!—the cooperation of Labor and Management to put the Payroll Savings Plan over the top.

Your money in War Bonds—10% of your salary every payday—not only will help pay the bill to create the most powerful blasting force ever put together—but you'll do yourself and your family a favor, too.

Because every time your savings amount to \$18.75, you'll get a War Bond—worth \$25 in ten years.

You don't give your money—you invest it, both for Victory, and for your own personal security.

That's your mission—will you accomplish it?

EVERYBODY— EVERY PAYDAY 10% IN WAR BONDS

## DANCE AT NEWPORT SERVICE CENTER

Krebs School  
Installs New  
Cafeteria  
Equipment

Newark, Sept. 24th — D. J. Richey, Principal of the Krebs School, has announced that they are in need of one additional teacher to do junior high school work. This vacancy was caused by the transfer of a teacher engaged at the beginning of the school term. Mrs. Frederick Denoit, a former teacher at Krebs School, is substituting there for Mrs. Margaret Ford.

Frank L. Lindsay, a Krebs School trustee, stated that installation of a new stainless-steel top steam table was completed in the school cafeteria on Saturday. Other new equipment which had been purchased and installed in the cafeteria this year includes a large general purpose table, new steel dish cabinet, and a dish buggy which will be used in removing dishes from the tables to the kitchen. The cafeteria this year is under the direction of Mrs. P. R. Hall and Mrs. William Butterbaugh.

Dr. H. B. King, Assistant State Superintendent of Public Instruction and Mrs. Phyllis Heck, Supervisor, were visitors at the Krebs School this week, observing methods of instruction.

Mrs. Frank R. White, President of the Krebs School Parent-Teacher Association held a meeting of the Executive Board at her home on Monday evening. Officers serving the P-T-A. this year include Mrs. White, president; Mrs. Charles D. Stumpf, secretary; and treasurer, Lee Nichols. Mrs. Peterson, vice president, has moved from this section, and this vacancy will be filled at the October meeting.

The sale of Defense Stamps was resumed at the Krebs School this week in charge of Mrs. P. W. Gardiner, Defense Chairman of the P-T-A.

Over 100 guests attended the dance held Friday evening in the Newport Service Center, including service men from the New Castle County Airport, and young women guests, invited to dance with them. The hostesses this week were members of the Auxiliary of the Veterans of Foreign Wars of Richardson Park, and included Mrs. Leon Gallagher, Mrs. Francis Callahan, Mrs. A. Himmelsbach and Mrs. Samuel Fulton. The hostesses served sandwiches and coffee to the guests. Mr. and Mrs. Yarsley, a Past Master of Armington Lodge of Newport, was a guest Friday evening, and assisted Mr. Harry Hule, the lodge representative in charge at the Center.

On October 15th, the Pythian Service Organization of Wilmington will sponsor an evening's entertainment at the Service Center. A Variety Program will be arranged, and the proceeds from same will be used to cover expenses at the Center and the entertainment of the service men.

Mrs. Leasure as field worker for the Newark Ration Board also wishes to announce that all applications for canning sugar must be made before September 30th, as no sugar coupons for canning will be issued after that date.

### ENGLISH READING

The Department of English of the University announces the first of its annual series of readings by members of the department to be given on Tuesday evening, September 22, at seven o'clock in the Hilarium of the Women's College. Dr. W. O. Sypher, head of the department has chosen as his topic "War in Poetry and Prose." Everyone is cordially invited to attend.

*What's the Answer?*

When was the first automobile made?

ANSWER: Credit for the first "road wagon" propelled by its own engine is generally given to Nicholas Cugnot, a Frenchman, who about 1770 built a three-wheeled carriage, with a cumbersome steam power plant operating on the single front wheel.

Where can you find a handy list of the automobile repairers in your vicinity?

ANSWER: You'll find your local AUTOMOBILE REPAIRERS—as well as the SERVICE STATIONS, CHIROPRACTORS, JUNK DEALERS, UPHOLSTERERS, and many other services—conveniently listed in the Yellow Pages of your telephone directory.

You'll save time these busy days if you look in the Yellow Pages when you want to know "where to buy it" or who will do the job.

## LET'S SEE 'EM OFF!

You can see the difference. They're a lot of familiar faces missing around town these days. Since a year ago they've been slipping away in bunches of a dozen or so.

One day they just pack up and leave, and that's all. Often the rest of us never notice. A week or so later someone will say, "Did you know so and so left?" We didn't know, but now that it's mentioned, we remember not seeing him around for some time. We feel a momentary twinge, perhaps, remembering we still weren't used to seeing him in long pants, then the whole thing slips from mind again.

But we wonder about that kid, your neighbor's kid, who just packed up and left — for the last time. Do you think he felt a little hurt?

He wouldn't say so, of course, but maybe he thought his going was just a little more important than that. Certainly, a lot of big-shots told him it is—newspapers, speechmakers and all that. But he wonders, maybe, when he fades out of his hometown without a ripple, and things go on as if he had never existed, just how important his going is.

The only way he will ever know is for us—his hometown friends who have watched him grow up—to tell him so. And tell him without mistake, altogether, in a body. And be darn sure when he goes, that as far as Newark is concerned, he is one of the most important soldier boys in the whole danged army.

Nobody else can tell him that, or make him feel that. Not all the leaders, writers, or all the speeches on Democracy and Our Way of Life.

The only way of life he knows is right here. And although he is involved in something bigger than himself, his personal fight is for his hometown. For him, Democracy, Freedom and a better world are all concentrated in one word—Newark. That's the only meaning his going away has.

Belatedly, a lot of us are beginning to feel we should do something about it. An official send-off, it's usually called. What we really mean is a communal pat on the back, a smile, and an encouraging word. Not much, nothing elaborate, he wouldn't want us to get sloppily sentimental. Besides, we can't tell him how much we owe him; we can only try to show it. But to let him know we're behind him will do more than all the charters and treatises in letting him know what he's fighting for.

The Post can merely suggest. It is up to town officials, and civic organizations to do the rest. All of us, surely, want to do it; it is only that a few of us must stir ourselves, plan it, and organize it. At the next meeting of any and all town organizations, let some plans get underway.

There will be another group of Newark boys leaving soon. This time let's see them off.

## COUNCIL COMES THROUGH

We believe we represent the majority sentiment of residents of Newark when we express appreciation to the Town Council for the acceptance of its just responsibility in calling a special conference of Council members and the resigned staff of the Newark Civilian Council for Civilian Defense, last Thursday, which accomplished reinstatement of Civilian Defense staff members and complete accord between that volunteer organization and the Town governing body.

The safety of and adequate protective measures for town residents is definitely a community responsibility, not that of just a few interested residents who have volunteered their services. The provision of proper alarm devices and equipment should, naturally, be borne by the town as a whole and not by contributions from a few. We commend the Town Council for its understanding and action in agreeing to provide sirens, sector dressing stations, ambulance supplies and other equipment deemed necessary for the preparedness of Newark. We congratulate local staff members of the Civilian Defense Council for their willingness to again accept their posts and continue to serve residents of Newark unselfishly.

With Newark siren and equipment problems satisfactorily solved, there now remains the necessity of raising funds to equally equip the outlying rural territories included in the Newark area. To this end the Newark Post will continue to accept contributions to help defray the costs of sirens, dressing stations, supplies, etc., for these zones. The Council has shouldered its responsibility to the Town — rural residents must now come through and accept their duty to their area by contributing to the cost of equipment needed in their respective neighborhoods.

Checks covering contributions may be made payable to Paul D. Lovett, Treasurer, and mailed to Postoffice Box 60.

## WAR BONDS ARE A SAFE BUY

Washington and the country is being thrilled by a grand galaxy of movie stars, selling war bonds. Ann Rutherford, Greer Garson, Irene Dunne, Hedy Lamarr, Walter Abel and Virginia Gilmore are certainly good to look at!

As a purely business matter the war bonds issued by the Government are absolutely secure investments. They will not earn fat interest, but when the years roll by, and whenever you want to use your money the bonds can be converted into cash.

Other kinds of investments may yield bigger profits—or let you down flat.

Should there be a millennium in which everything goes to pot the Government will be last of all to fail. If the unbelievable should happen to impair the safety of the Government then everything else would go down with it. This isn't pep talk—this is just common ordinary horse-sense.

## DIRECTORY LISTS FARM AGENCIES

A wartime directory of agencies serving rural families in Sussex County is now being distributed by the Sussex County Extension Office.

In announcing this wartime directory, J. Frank Gordy, Sussex County Agricultural Agent, states that its purpose is to provide a convenient listing of those agencies which farm people must frequently contact.

For the present, this is the only county of the State in which such a directory has been prepared for distribution. Through the cooperation of the Sussex County Extension Service, Sussex County was selected as a sample county in the northeastern states by the Regional Office of the Bureau of Agricultural Economics to determine the usefulness of such a directory to farm people.

Prepared under the supervision of Walter C. McKain, of the Bureau of Agricultural Economics, the directory includes the location of the offices of all State and national agencies serving rural Sussex County. Space is also provided for each family to list such local information as the location of ration boards, police and fire departments, air raid wardens, forest fire wardens, and other agencies which farm people may find it necessary to consult.

## Additional Society

### DRAMA LEAGUE TO MEET ON TUESDAY

The University of Delaware Drama League will meet at 8 o'clock on Tuesday evening at Old College for the first business and social meeting of the year. George T. Boli, president, will be in charge of the meeting.

Plans for the first full-length play which will be given early in December, will be discussed. An election of officers for the positions of secretary and treasurer will be held. The election is necessary due to the fact that those members of the group who previously held the positions have moved from Newark.

### NEEDLEWORK GUILD CONTRIBUTIONS NEEDED

Mrs. Charles B. Evans, president of the Newark Branch of the Needlework Guild of America, announces Friday, October 9, at 4 p. m., at her home, as the time and place for the annual exhibit of contributions to the Needlework Guild.

New clothing for men, women and children (2 articles of the same style and size) and articles of household linen such as blankets, sheets, pillow cases, and also money, are asked for. The money is spent for shoes. Clothing for children is greatly needed. These garments are all distributed in Newark and found very helpful especially for children of school age, 6 to 14.

Contributions may be sent to Mrs. Evans, 19 N. College Avenue, before October 9, or sent to any of the following directors: Mrs. Robert Bausman, Mrs. H. L. Bonham, Mrs. Irvin Dayett, Miss Anna Frazer, Mrs. G. E. Hancock, Mrs. Robert T. Jones, Mrs. James Hastings, Mrs. Wm. Holton, Mrs. C. O. Houghton, Mrs. Walter Hullihen, Mrs. Robert Lewis, Mrs. Wm. Lynam, Mrs. George Rhodes, Mrs. Frank Ridgway, and Mrs. George Townsend.

### PRESBYTERIAN BIBLE CLASS MEETING HELD

The Women's Bible Class of the Presbyterian Church held its regular monthly meeting at the home of Mrs. Paul D. Lovett on Monday evening.

Following the business meeting, the evening was spent in interesting contests, following which refreshments were served.

The class meets every Sunday morning at 9:45 in the Sunday School auditorium of the church. Visitors are cordially invited to attend.

## CHURCH SCENE OF EVANS-VAUGHN WEDDING

Miss Virginia Ralston Evans, daughter of Mr. and Mrs. G. Taggart Evans, of South College Avenue, became the bride of Lieutenant Molloy Clark Vaughn, Jr., U.S.A., son of Mr. and Mrs. M. C. Vaughn of "Dixie-Del Farms," Lewes, on Friday evening in the First Presbyterian Church. The Rev. R. Everett Hallman, pastor, performed the double ring ceremony.

A military atmosphere prevailed and the couple, as they left the altar, walked between the crossed sabres of the bridesmaids.

Mr. Evans gave his daughter in marriage. She wore an ice blue satin gown with a close fitting bodice, sweetheart neckline, and long sleeves which extended into points over her hands. The veil of illusion fell from a Juliet of pearl pearls. She carried a bouquet of orchids, gardenias and stephanotis.

Miss Louise Laval Vaughn, sister of the bridegroom, was the maid of honor and bridesmaids included Miss Barbara Medenbach and Miss Frances Williams, both of Baltimore; Miss Isabelle MacQueen Ashbridge, and Mrs. John Prior Sinclair of Newark.

The attendants were gowned alike in silver blue satin and faillie made with faillie bodices trimmed in narrow bands of the satin, and dainty skirts. They carried shower bouquets of yellow chrysanthemums and their head-dresses were shoulder length veils of silver blue held in place with clusters of yellow pom poms.

Mr. Stephen C. Vaughn, Lewes, served as best man for his brother. Ushers were Lieutenant Russell J. Willard, Jr., of Fort Miles; Mr. A. J. Mowbray, Jr., and Mr. C. S. Reburn of Wilmington; and Mr. Paul C. Gerner of Swarthmore, Pa.

Mrs. Evans, mother of the bride, wore a gown of moss green marquisette with an embroidered cream marquisette bodice and a corsage of orchids.

Mr. Howard C. Walker of Toronto, O., paternal grandmother of the bride, was gowned in purple crepe with pink sequin trim and gardenia corsage.

A gown of light blue chiffon with sequin detailing on the blouse was worn by Mrs. Vaughn, mother of the bridegroom. She wore a corsage of lavender orchids.

Miss Neil Wilson gave a recital preceding the ceremony and played the wedding music. Miss Jean Bryan of the music department of the University of Delaware sang "Because," and Ich Liebe Dich.

The church decorations consisted of Cathedral candles, palms, cymbodium ferns, and white gladioli.

A reception followed at the Newark Country Club. The sabre used by the bride in cutting the wedding cake was the same one used at the wedding of Mr. and Mrs. D. M. Ashbridge, friends of the bride's family.

Both the bride and bridegroom were members of the 1942 graduating class of the University of Delaware. Lieutenant Vaughn is stationed at Camp Tyson, Tenn., where he has been attending the Balloon Barrage Training School.

After a wedding trip through the South, the couple will reside in McKenzies, Tenn.

## REED-WALLS WEDDING ON SATURDAY EVENING

Miss Dorothy Reed, of Choate Street, daughter of Mr. and Mrs. Frank Reed, former residents of Newark, and Mr. Clarence Walls, son of Mr. and Mrs. Robert Walls of near Newark, were married at 7:30 p. m. on Saturday at the Christiana Methodist Church. The Rev. Walter A. Glass performed the ceremony.

The bride was given in marriage by her father, Mrs. Elizabeth Tressler of near Newark sister of the bride, was matron of honor.

Mr. Robert Miller of Newport was best man. Ushers were Mr. Arthur Coesman and Mr. Frank Thorp, of near Newark.

Mrs. Helen Hawthorne of Oglethorpe sang "O Promise Me" and "I Love You Truly." The wedding music was played by Mrs. Elizabeth Morrison.

The bride wore a white lace-top gown and her head-dress was a shoulder-length veil held in place by a coronet of white flowers. She carried a bouquet of white chrysanthemums.

Mrs. Tressler wore a pink organza gown with lace trimming, and carried a corsage of white roses.

The bride's mother wore a dress of solid blue with matching accessories and a corsage of white roses.

Mrs. Walls, mother of the bridegroom, chose a tan silk print dress with British Tan accessories.

A reception was held at the church following the ceremony.

The bride is a graduate of Newark High School and is employed in the office of the Continental-Diamond Fibre Company.

Mr. Walls is a graduate of Wilmington High School and is employed at Bellanca Airport.

## WOOL RECEIVED BY RED CROSS

Mrs. George E. Dutton, Newark Red Cross Knitting Chairman, has received a large amount of wool from Mrs. Sylvester, production chairman of the Delaware chapter.

Workers are urged to make up the wool at once into service sweaters, mufflers and wristlets, laying aside for the moment any other knitting they have been doing.

## BATTERSBY-BROOKS WEDDING ANNOUNCED

Announcement is made of the marriage of Miss Audrey C. Battersby, daughter of Mr. and Mrs. N. E. Battersby of South Chapel Street, to Mr. Claude Melvin Brooks, son of Mr. and Mrs. C. C. Brooks of Glasgow. The ceremony took place at 9 p. m. on May 15 at Red Lion, Delaware, at the home of the Rev. David J. Moore, who performed the ceremony.

## The Lamp In The Window

You don't see them very frequently these days, but once they were in every drugstore window, symbolic of the pharmacist's ability to serve.

The lamp in the window, filled with its colored solution, was a beacon to the distressed and afflicted.

Perhaps you've noticed the traditional lamp still hanging in our window, a sign, that despite modern improvements, the principles of pharmaceutical ethics have not changed.

True to our calling, we still recognize service to the sick as our most important function.

**A NEW WARTIME INDICATION OF** a dangerous decline in moral standards, playing the very device with the foundations of society is the rise in the use of the toothpick, a gadget long regarded as beyond the pale by polite company.

To a few of us abandoned ones, in the habit of secret debaucheries with the cavity cleaner, the toothpick's increased appearance in public is a welcome sign.

Although a hush-hush policy has surrounded the problem for years, an inner few have long admitted there is no more soul-satisfying experience than, after a hearty calorie intake, to probe about the fangs, meditatively removing the excess rations.

With a toothpick in action, worries over the world situation fade; one is at ease with creation.

**CLIMAX, OF COURSE, IS THE EC-** static moment when you dislodge that particular succulent tidbit between the left eyelid and the first bicuspid, which should be relished with epicurean satisfaction before swallowing.

Suppressed truth though it is, these little caches are rare delicacies, offering tenderness and flavor secured only through its special seasoning process.

All of this, of course, is common knowledge, yet for years men have denied themselves the toothpick. Convention frowns on its use, and free men are forced into the dispiriting practice of tongueing their teeth. Even this must be done stealthily with a minimum of jaw motion and facial distortion—while all the time every nerve and fibre yearns to grasp the toothpick and begin major evacuations.

**MEN'S DEEPEST URGINGS ARE** thus frustrated and, as a result, in the last decade much surreptitious tooth-picking has been going on. Men of respected position have been known to bootleg the things into their homes, hiding them, perhaps, in the china closet and using them furtively in the privacy of their immediate families.

In public, however, even in this last age, a gentleman is still expected to mouth his way as best he can, exploring with blunt and unwieldy tongue the well-stocked molar.

Besides being a hardship, this restriction is a deterrent to individual morale. The toothpick bolsters the user's self-confidence. Merely holding it between the lips makes it a spear of self-assurance jutting at the world.

This also holds true for match stick munchers.

## OPA Moves To Aid Retailers Lower Costs

A program to eliminate the "frills and furbelows" from public buying habits so that retailers may lower the cost of their operations was being formulated this week by Price Administration officials.

A committee of retailers from all parts of the country, formed by Price Administrator Leon Henderson, will meet in Washington next Tuesday and Wednesday to assist in development of the program.

Among the points that will be discussed at the meeting will be "the extent to which stores should be allowed to reduce deliveries, to reject return merchandise, to restrict free toll telephone service and telephone orders for the delivery of small purchases, and to limit store-aways."

## Ike Pearson Enters Marine Corps School

Isaac O. (Ike) Pearson, member of the Phils' pitching staff, this week took the oath of office as a candidate for the officers training school of the U. S. Marines.

"I'm glad to be signing up with a first-place team," grinned Pearson. A graduate of the University of Mississippi, '39, he joined the Phils direct from the campus. He expects to enter the Marines School at Quantico, Va., in December.

## SHO'MEN CANCEL '42 FOOTBALL SCHEDULE

**Probably Out For Duration; Transportation Chief Reason**

Cancellation of Washington College's 1942 grid schedule was announced this week by President Gilbert W. Meade, who indicated that football would probably be discontinued for the duration.

Transportation difficulties from Chestertown and the fact that numerous teams scheduled had cancelled their trips led to the move, Dr. Gilbert pointed out.

Athletic director Fred W. Dumschott, recently appointed in the absence of Thomas Kibler of the U. S. Army, outlined the problems facing the football program, saying that each trip of the team would take at least 22 men away from the school for three-day periods. The wartime program at the college to prepare men for the emergency would be jeopardized, it was felt.

An intensified physical education program will be substituted for football, with all male students required to take part five days a week. Intramural soccer, touch football and softball schedules will also be maintained.

The basketball and baseball schedule were not affected in the move; both programs will be continued.

## Duck Hunter Praised And Fined For Feat

Edison C. Senniger's remarkable feat of bagging two ducks with one shot drew praise—and a fine—from Federal Judge John C. Collet.

"I don't know whether you should be punished or given a medal," the judge remarked as he levied a \$5 fine for shooting ducks last November without a government duck stamp.

Senniger said he never had shot a duck before and when they appeared overhead the temptation to blast away was too great to resist.

## Yankees Sell Out Reserve Seats For Series

The New York Yankee office today announced a complete sellout of reserved and box seats for World Series games at the stadium, and requested that no more orders be submitted.

Though beset by injuries in recent practice drills, the Blue and Gold will field a powerful combination against W. C., who have already tasted front-line action this fall, opening with a 6-0 victory over Moravian last week.

Principal change in the first-string line-up which has been working out in the daily drills and which, barring further developments, will form the starting combine in the arc light tussle is at the halfback post, where Lee "Bugs" Baer will replace Art Millman. Baer has been showing increasing promise and gets the initial call.

Headed by Paul Hart, passing and running ace, Delaware's backfield presents a powerful array. Teaming with Lee Baer and the other halfback post will be Walt Paul, Hen safety man and expert aerial snatcher. Calling the signals will be Al Newcomb, senior veteran, whose blocking and heady signal calling has been a big factor in past campaigns.

The forward wall will be manned by a full quota of hefty talent leading off with Buck Thompson at the end with possible substitution of George Barlow due to the former's ankle injury. At the other terminal point will be Wade Pitt.

In the tackle slots will be Bob Furman and veteran Tony Stalloni, with Walt Marusa, defensive ace, and Hugh Bogovich, who received honorable mention for All-American last year, guards, and Barney Hancock in the pivot spot.

The Hens have their work cut out for them against West Chester. The Rams' 6-0 victory over Moravian was more decisive than the score indicated, with West Chester showing plenty of power, putting on a number of scoring thrusts, two of which were stopped on the five-yard line, one on the two-yard stripe, and one on the one-yard line, while Moravian had almost no scoring opportunities. Man to watch Friday nite on the Ram eleven is Nickle Gionta, elusive ball lugger, who set up several of West Chester scoring chances with his flashy running, returning one punt for 58 yards for the biggest thrill of the game.

## LOUIS AND CONN SIGN FOR FIGHT

**Arrangements Made For Title Bout To Be Held October 12**

It's another fight between a sergeant and a private, only this time an extra special one, to be held in the Yankee Stadium.

Sergeant Joe Louis and Private Billy Conn, who have been training for their tussle, left their camps Tuesday for New York to sign the contract for their world heavyweight title fight on October 12.

The signing will take place in the offices of the New York Boxing commission at noon.

Louis will come in from Greenwood Lake, N. Y., where yesterday he romped through a six-mile stretch on the road and then pounded four sparring mates. After the drill the champion weighed 213 pounds.

Conn is going through his camp paces on the Rumson, N. J., estate of Promoter Mike Jacobs.

A major portion of the receipts from the bout will go to Army emergency relief.

## Florida Racing Season To Start As Planned

The Florida winter racing season will start as planned Dec. 21, Henry L. Straus, president of the Gables Racing Association, said upon his arrival here from New York.

The association, he asserted, will operate its fall and spring meetings "unless government restrictions in the future prohibit it."

Tropical Park has a 50-day split season, running from Dec. 21 to Jan. 12, and from March 8 to April 10. Hialeah Park operates a 46-day season from Jan. 13 to May 6.

The First Battalion, Fifth Marines, received its training at Quantico, Va., prior to joining its regiment for duty overseas in 1917.

## Snap Fisher Named Day Captain At Possum Park

John (Snap) Fisher has been appointed Day Captain for Wednesday at the Possum Park Observation Post which is situated near Milford Cross Roads. Mr. Fisher replaces Roger Williams, who has been recently employed by an explosive factory in Elkton and who will be necessarily occupied every day in the week by his new position.

All observers who spot on Wednesday should communicate with Mr. Fisher in case of any difficulties. He resides at the Academy Apartments and his telephone number is 4604.

## PRIZE LIST AND STAKES FOR OCTOBER ANNOUNCED

**Beagle Club Lists Stakes And Running Order For October Dog Trials**

A program of stakes and prize list for field trials to be held during October has been announced by officials of the Eastern Beagle Club.

Trials will be held at S. Hallock du Pont Estate, Milford Crossroads. Stakes and their running order are as follows: Oct. 4, 13' All-Age Bitches; Oct. 5, 13' All-Age Dogs; Oct. 7, 13' Derby; Oct. 7, 15' Derby; Oct. 8, 15' All-Age Bitches; Oct. 9, 15' All-Age Dogs.

Any stake not finished on the day scheduled will be completed the following day. All stakes will be run strictly by A.K.C. rules and enforced. Any brace not present within 15 minutes of the time of calling will be scratched and the money forfeited.

Prize list for the All-Age Stakes calls for 50 percent of the Entry to be divided, of which 40 percent will go for first prize, 30 percent for second, 20 percent for third and 10 percent for fourth.

Prizes for the Derby stakes are: \$15.00 for first, \$10.00 for second, and \$5.00 for third.

Drawings will take place at Eastern Beagle Club Clubhouse at 8:30 each morning. Judges will be Clark Hetrick, Jr., Struthers, Ohio, and Bob Hunt, Pittsfield, Mass.

Officers of the Club are: president, Charles S. Hopkins; vice-president, Joseph Dougherty; secretary, Raymond V. Buckingham; and treasurer, Charles Marlow.

## HIGHWAY ACCIDENTS DECLINE 22 PERCENT

**Figures Cover With First Eight Months of '42; 39 Fatalities**

A decline of 22 percent under the same period of last year was marked in deaths from vehicular accidents in Delaware, outside of Wilmington, according to figures gathered by the state police.

A total of 1,010 accidents for the three-quarter period this year with 39 fatal is somewhat a drop under the 1,394 accidents for the same period last year in which there were 50 deaths.

During last month there were 116 accidents of which five were fatal, against 227 for August 1941 when there were 14 fatalities, a decline in the death toll of 65 per cent. Fewer cars on the road apparently caused the decrease in accidents last month.

For the eight month period the police report shows a total of 837 accidents on state highways while 173 occurred in towns. Nine of the victims were pedestrians; three were bicyclists.

There were 533 persons injured in accidents during the eight months of this year compared with 782 for a contrasting period a year ago.

Twenty-two drivers between 20 and 34 years of age figured in fatal accidents while six were between 16 and 19 years. The summit, shows 326 of the accidents were caused by cars travelling between 11 and 20 miles an hour.

Of 1,118 violations by drivers 148 were for exceeding the speed limit. Seven of these drivers were involved in fatalities. There were 118 accidents attributed to drivers being intoxicated.

Most of the 1,010 accidents were on Saturdays, 213, followed by Sunday, 183, and the least on Wednesday, 107. Most of the accidents, 73, occurred between 5 and 6 p. m., and the least, 12, from 5 to 6 a. m. The report shows 703 of the accidents on clear days, 158 on rainy periods, and 106 in cloudy weather. Fog was held responsible for 15 accidents and snow for 27.

## YELLOW JACKETS IN SIGNAL DRILLS, DUMMY SCRIMMAGE; THREE TEAMS WORKING OUT

**Transportation Problem Remains Unchanged; Still Doubt As To Whether Team Can Fulfill Slate; First Scrimmage Slated For Today**

With Coach "Bill" Gillespie issuing heavy equipment on Monday, the Yellow Jackets settled down to serious workouts this week, toughening up for their Oct. 3rd opener with Brown Vocational.

## GUARDS AND DIETITIANS NEEDED BY GOVERNMENT

**Civil Service Commission Eases Original Requirements**

To recruit additional Departmental Guards, at \$1,500 a year, and Staff Dietitians, at \$1,800 a year, the United States Civil Service Commission announces amendments liberalizing original requirements for these jobs.

Wanted particularly are Departmental Guards for service in Washington, D. C., only. To obtain them the Commission has done away with experience requirements, and simplified physical standards. Now applicants may qualify by passing a general test and satisfying appointment officers of their physical fitness to be guards.

Staff Dietitians in increasing numbers are also sought. Applicants who have completed a 4-year course in a recognized college with a major in dietetics may now substitute 1-year of successful experience as dietitian in a hospital of at least 200-bed capacity for each 6-months of graduate training hitherto required. No written test is given.

There is no maximum age limit for either of these positions. Applications will be accepted until the needs of the service have been met, and must be filed with the Washington office of the Civil Service Commission. Applications are not desired from persons engaged in essential war work unless a change of position would result in utilization of higher skills possessed by the applicant.

Full information as to requirements, and application forms, may be obtained from Ralph B. Kee, Secretary of the Board of U. S. Civil Service Examiners at the post office or customhouse in this city, or from the Secretary of the Board of U. S. Civil Service Examiners at first- and second-class post offices.

## Basketball and War Similar, Says Coach

Lieut.-Col. Tom Haggerty points out a striking parallel between sports and war.

"You take the three principles on which basketball is based, apply them to soldiering and you'll see how closely sports and warfare are related," says the former De Paul athletic director and basketball coach. "To be a good basketball player you've got to have speed, shooting accuracy and endurance. Those are the fundamentals every coach demands, and they're exactly the principles the Army stresses."

Dummy scrimmage, with A, B, and C teams running through plays, strategy being laid on the assigned offense or defensive task of each man, featuring the sessions earlier this week.

Beginning to sound out his material in earnest Coach Gillespie gave his charges their first taste of scrimmaging today. New talent will be given plenty of opportunity, with newcomers having a good chance of seeing action in fall. Only four jacket lettermen turned this year, meaning numerous posts are wide open.

Intensive workouts on the charging sled and blocking machine also marked the daily sessions.

No change has developed in the transportation problem as outlined last week, said Coach Gillespie. Difficulty if no impossibility of obtaining buses to transport the team out of town, except by using regular scheduled routes, makes it somewhat doubtful the Newark's grid team will be able to fulfill its schedule.

Coach Gillespie has been using the teams A, B, and C in practice drills with none regarded as a permanent combination.

The A team is manned as follows: Clifford Lee and Eugene Robinson ends; Ted Trempey and Lynn George tackles; Harold Hill and Buckingham guards; Andrew Walp, center; James Davis and Wayne Pollan, half backs; Earl Henderson, quarter; and Walter Martin, fullback.

Team B is composed of: Guy and Morrow, ends; Butler and Sadler, tackles; Hammond and Bellack, guards; Talucci, center; Cappel and Connell, halfbacks; Miller, quarterback; and Houston, fullback.

Team C: Gregg, B. and Helmbrecht, ends; Butler and Wells, tackles; Lane and Gregg, H., guards; Kelley, center; Davis, Griffin, McCormick, and Le halfbacks; Hamilton and Cataldi, quarterbacks; and Ferry and McMillan, fullbacks.

## 7-Day Race Meet For Army, Navy Relief

Arrangements for a seven-day race meeting at Belmont Park, Nov. 5-12, expected to yield close to \$200,000 for the Army and Navy Relief Funds will be announced this week by Herbert Bayard Swope, chairman of the Turf Committee of America.

The racing associations of New York have agreed to finance the meeting, which comes at the conclusion of the regular New York season. The net profits will be divided among the three war relief agencies with the shares to be announced later.

It is the hope of the committee to bring together all of the country's leading horses in a series of "champion ship" races. The purse distribution will be about \$100,000 with a \$1,500 maximum, New York's legal scale. No prize is expected to exceed \$5,000 but the winner will be awarded the winning trophy.

## NIBLETT-ROBINSON WEDDING ON SATURDAY

Brack-Ex Ceremony Held At Home Of Rev. Adams

Brack-Ex, Sept. 23 — The wedding of Miss Barbara Elizabeth Niblett, daughter of Mr. and Mrs. Walter J. Niblett of Milltown Road, the Cedars, and Mr. Everett Wright Robinson, Jr., son of Mr. and Mrs. Everett W. Robinson, Roselle, took place Saturday afternoon in the home of the Rev. R. High Adams of Ferris Road, Brookland Terrace.

Miss Mildred Louise Niblett, sister of the bride and Mr. John B. Robinson, brother of the bridegroom, were the attendants. Little Janet May Niblett, another sister of the bride, acted as flower girl.

A reception for members of the family and a few friends was held after the ceremony at the home of the bride's parents, after which Mr. Robinson and his bride left on a wedding trip. After September 30th, they will be at home at 2414 Main Road, Brack-Ex.

The bride is a graduate of the Delaware Hospital School of Nursing and is now doing special work at the hospital. Mr. Robinson is associated with Stryer and Cook, Wilmington. Both are graduates of the Henry C. Conrad High School, class of 1939.

About 150 persons attended the "Flower Sunday" services Sunday morning in Brack-Ex Methodist church. Many attending the service brought baskets and vases of flowers and the church altar and pulpit was banked with them.

The Rev. John Edward Jones, pastor, preached on the subject "The Lesson The Flowers Teach Us," the senior choir, directed by Roy Slawter, sang the anthem, "The Blessed Gospel."

The Junior A-Capella Choir directed by Miss June Wallace sang "He Chose The Cross."

Four new members were received into the fellowship of the church by the Rev. Mr. Jones. They were Mr. and Mrs. Delbert Peel, by transfer from Christiana Methodist Church, and Mr. and Mrs. Wendell T. Griffith.

At the evening service the Rev. Mr. Jones preached on "Victory," and the senior choir sang the anthem "At Sunset."

Following the services the flowers were distributed among the sick and convalescents in the community and hospitals.

The Rev. John E. Jones, pastor of Brack-Ex Methodist Church was the guest speaker on the daily religious broadcast on the Wilmington Council of churches over Radio Station WDEL Monday morning.

Mr. and Mrs. Ralph E. Magaw, of 16 North Woodward Avenue, Roselle, were visitors Sunday with friends in Baltimore, Maryland.

Clamere Presbyterian Church Boy Scout Troop No. 65 has resumed its weekly meetings for the fall and winter months and will meet each Monday night at the church with Scoutmaster Herman G. Hopkins in charge.

A series of tests is being planned to speed up the advancement program and on Friday night a board of review will be conducted at the home of Scoutmaster Hopkins in Oak Grove. Three Scouts, Robert Hoffman, Raymond Murphy and Kenneth Will seek advancement to the rank of second-class at that time.

Four members of Brack-Ex Methodist Church Boy Scout Troop No. 54 were candidates for merit badges at the board of review which was held Monday evening at the home of assistant Scoutmaster William Koch, of Elm Avenue, Brookland Terrace.

The candidates and the requirements in which they were reviewed were as follows: John Koch, first aid and public health; Paul Mitchell, firemanship; William A. Fincher, Jr., cooking; and Justin Keyser, pathfinding.

The members of the board of review who assisted in examining the scouts were Harry A. Menser, Scoutmaster

John Raymond Blackson, Claude E. Stephenson, Charles G. Green, J. Thompson Linster, Fred R. Holland and Mr. Koch.

## RENTED TYPEWRITERS RECALLED

Typewriter dealers required to recapture by September 15 all post-1935 non-portable typewriters now on rental were notified yesterday by James L. Luke, Jr., State Director, OPA, that Federal Government agencies are an exception to this rule. Agencies of the Federal Government will be allowed to retain such rentals to December 15.

The ban on rentals came as the result of a drive recently launched by the War Production Board to secure 500,000 machines for the Army and Navy. Though the Army and Navy cooperated in reducing down their requests wherever possible, the War Production Board has not yet been able to recover the needed machines.

The changes in rental regulations, besides establishing a three-months rental maximum and forbidding new machine and recently manufactured non-portable rentals, provide that no rental renewals may be made except at the end of each rental period. Rental fees or charges for more than the three month period may not be accepted in advance, and options to purchase are expressly forbidden except to eligible purchasers.

### NOTICE OF BOND SALE

The Board of Education of the Newark Special School District, New Castle County, Delaware, will receive sealed bids at the office of the said Board of Education, located in the public school building, situated on Academy Street, in the Town of Newark, aforesaid, for all or any part of an issue of SIXTY THOUSAND DOLLARS (\$60,000) tax free school bonds authorized to be issued by the said Board of Education of said School District by virtue of the provisions of the School Building Law of the State of Delaware, each of said bonds shall be of the denomination of ONE THOUSAND DOLLARS (\$1,000.00) each, and all will be dated as of November 1, A. D. 1942, and will bear interest at the rate of two and one-half per cent (2½%) per annum, payable on the First day of May, A. D. 1943, and thereafter semi-annually on the First days of November and May of each year so long as any of said bonds shall remain outstanding and unredeemed. The proposed issue consists of a series of SIXTY THOUSAND DOLLARS (\$60,000.00) of like date, and numbered from 1 to 60 inclusive, all bearing interest at the rate herein set forth and the principal of said bonds to be redeemed in equal payments each year in the sum of Three Thousand Dollars (\$3,000.00) principal amount, for the period of twenty (20) years. The principal and/or interest of said bonds to be payable at the Farmers Bank in Wilmington, New Castle County, Delaware.

No bids will be accepted at less than the face value of said bonds and the right is reserved to reject any and all bids. In the case of individuals, certified checks for ten per centum (10%) of the amount bid, and in the case of banking institutions, Treasurer's checks for ten per centum (10%) of the amount bid, must accompany each bid. All such checks of unsuccessful bidders will be returned on the day of the opening of the bids and the award of the issue; but the check or checks of the successful bidder or bidders will be retained and applied to the purchase of the bonds, in accordance with the terms of any bid or bids. The Trustees being free from fault, the checks thereto received for ten per centum (10%) of the amount of such bid or bids will be forfeited.

The said Board of Education has been advised that said bonds cannot be issued in serial form under the present law of the State of Delaware, but the Board proposes after the acceptance of a bid or bids for said bonds to adopt a resolution providing for the retirement of said bonds in numerical order at the rate of three (3) of said bonds each year.

Bids must be received by the said Board of Education on or before 8 o'clock P. M. on the Twenty-ninth day of September, A. D. 1942, at which time said bids will be opened in the presence of bidders or their representatives and of the public, at the office of said Board of Education, located in the public school building, situated on Academy Street, in the said Town of Newark.

This notice is in lieu of all notices heretofore published and the terms contained in the same are hereby declared null and void.

### Dr. Hullihen To Attend Colgate Inauguration Rites

The University of Delaware will be represented on Sept. 24 when Everett Case, former assist. dean of the Harvard University Graduate School of Business Administration, is inaugurated as Colgate University's ninth president. Dr. Walter Hullihen, president, will represent the University of Delaware. One hundred and twenty-one institutions of higher learning from 31 states, three Canadian provinces and the District of Columbia will be represented at the ceremonies. Dr. Harold W. Dodds, president of Princeton University, and Dr. James B. Conant, president of Harvard University, will be the principal speakers.

### D.A.R. TO ENTERTAIN FINNISH ASSOCIATION

**Group Will Be Guests At Welsh Tract Church On October Third**

The Finnish Association of Iron Hill will be the guests of Cooch's Bridge, Chapter D.A.R., at the Welsh Tract Church on October 3 from 2:30 to 3:30 p. m. The business meeting will begin at 3:30 p. m. This will be a rare opportunity for members and friends to see the church and its relics, as this is the first time the Church Board has invited a group to visit the church.

Welsh Tract Church was the mother church of the American Primitive Baptists. It had its beginning in South Wales where, in the spring of 1701, sixteen Baptists in the counties of Pembroke and Carmarthen resolved to go to America with Thomas Griffith as their pastor. They embarked on the "James and Mary" at Milford Haven in June, 1701, arriving at Philadelphia in September. They settled temporarily at Pennepek, north of Philadelphia, but bought the Welsh Tract, New Castle, Del., in 1703.

Thomas Griffith was accompanied from Wales by Griffith Nicholas, Evan Edmond, John Edward, Elisha Thomas, Enoch Morgan, Richard David, James David, Lewis Edmonds, Elizabeth Griffith, Mary John, Margaret Mathias, Mary Thomas, Jennet David, and Jennet Morris. While at Pennepek, church membership rose to 37. John Miller, descendant of the Griffiths and long associated with the church, will be present on October 3 to give the history of the church, describe early Welsh families and to show the relics of the church.

The informal reception and program which is in charge of Miss Anna Gallaher will precede the regular meeting which will begin at 3:30. Mrs. Elsie Armstrong, treasurer, will receive the annual dues. All chairmen of committees are asked to state briefly their plans for the coming year. Mrs. W. E. Holton will serve as chairman of Hostesses and will be assisted by Mrs. Rees Jarmon, Miss Mildred Jarmon, Miss Audrey Miller and Mrs. E. W. Cooch. Arrangements for the use of the church were made by Mrs. Jarmon, Miss Jarmon and Miss Miller. Hostesses for the occasion will be the members who are either descendants themselves or of early Welsh Tract families: Mrs. W. E. Holton, Mrs. Mary L. Foreman, Mrs. Lucinda Shriner, Mrs. Emma Bogart, Mrs. Rees Jarmon, Miss Mildred Jarmon, Miss Audrey Miller, and Mrs. E. W. Cooch.

### Defense Chiefs, Council Agree

(Continued from page 1)

was appointed a member of the Defense committee.

Defense needs in Newark were given a complete airing at the meeting, with heads of the various branches outlining their essential requirements.

In discussing funds required to equip sector dressing stations, Vice-chairman A. W. Perry pointed out that Dr. T. M. Swan had volunteered the use of his office and equipment as a station, which could be fully set up at minimum cost. Funds were also needed for proposed stations in the New London Ave. school and the American Legion building.

Auxiliary fire equipment required was outlined by Fire Chief Elmer C. Ellison and Assistant Chief Ira C. Sheldner, who pointed out that much could be obtained through government lease lend procedure, with the Town possibly going surety on the bond.

A representative of the Diamond State Telephone Company was present and emphasized that one of the main purposes of installing sirens was to relieve pressure on telephone equipment during an air alert, there being a danger that the service would break down under the load of calls during an emergency.

Essential needs of the decontamination squad were presented by Dr. Glenn S. Skinner, head of the unit, and council members agreed, pending further investigation, to furnish necessary equipment.

During the discussion, Mayor Frank Collins, who apparently felt that the Council should not be called on to provide defense funds, suggested that a special tax levy be put to a referendum of the people. No action on the proposal, however, was taken.

## USDA STOPS SALE OF FARMING MACHINERY

**Temporary Ban Is Necessary To Insure Fair Distribution**

The U. S. Department of Agriculture order of September 17, temporarily "freezing" all farm machinery in the hands of farm machinery dealers, states C. E. Oehlert, chairman of the Delaware U.S.D.A. War Board, is necessary to insure fair distribution of available equipment and its placement where it will do the most good in wartime farming production.

Rationing of the farm machinery will be handled by a county rationing committee composed of the county Triple-A chairman and two farmers appointed by the County Agricultural War Board. Two alternates will also be appointed.

Farm machinery has been placed in three classifications. Group A includes farm machinery which is scarce and is especially needed to meet current agricultural needs, and may be sold only upon approval by the county farm machinery ration committee. Machinery is a second category—Group B, including items somewhat less scarce, may be sold upon certification by the farmer to the dealer that it is required to meet current agricultural needs. A third classification—Group C, includes the smaller items that may be sold without restrictions.

There are no restrictions on sale of used farm machinery equipment or repair parts. Under the rationing plan, to be eligible for Group A purchases, farmers must show the inadequacy of their present equipment and their inability to meet farm production goals by repairing, purchasing or renting used machinery, or by custom work. Equipment in Group A must not be purchased later than October 31, 1942.

For further details as to the machinery included in the classifications, farmers are urged to contact their County Triple-A chairman, or their county agricultural extension agent who serves as secretary of the County U.S.D.A. War Board.

## TRUCK DRIVERS SOUGHT

**Need Volunteers To Help Collect Scrap Material**

The Newark Salvage committee met at the Town Council offices Monday evening and heard Chairman K. W. Oberlin stress the need for volunteer drivers on the Salvage truck in the collection of critical scrap rubber and metals. Mr. Oberlin made a special plea for any residents willing to volunteer their services in driving a truck at any time during the week to contact him at the University of Delaware.

Collection of tin cans will continue to be made on the third Monday of each month. Housewives are urged to preserve their tin cans, have them cleansed and flattened and placed in front of their residences early in the morning of the collection days.

Miss Mildred Burney and art students of the Newark High School are working on posters to be used in advertising an obsolete key drive to be conducted here in the near future. Designated containers will be centrally placed in town and persons are requested to drop all obsolete and discarded keys into them on designated days.

Other members of the Salvage committee present at the meeting were Councilman George E. Ramsey who represents Town Engineer George C. Price, C. E. Douglas, Charles Lanier, J. F. Daugherty, R. T. Ware and Julius A. Ryland.

## LIONS HEAR FOOD TALK

**Nutrition Value Stressed**

Miss Pearl MacDonald, Extension Nutrition Specialist for the University of Delaware, was guest speaker at the regular weekly dinner meeting of the Newark Lions Club, held in the country club, Tuesday evening.

Introduced by Jos. M. McVey, program chairman, Miss MacDonald gave a highly interesting discussion on the value of proper nutrition and its relation to the healthy body, citing instances where proper dieting and increased nutrients had played important parts in overcoming physical handicaps.

President L. T. Staats conducted the business session of the meeting which saw birthday congratulations extended to both himself and E. A. Curtis, J. D. Counahan had as his guest at the meeting his father, J. M. Counahan.
