LEGION POST ENROLLMENT SETS RECORD MARK OF 174

**Local Group
Is Labeled As
First In State
To Make Quota**

Enrollment at the J. Allison O'Daniel Post No. 10, American Legion, has reached an all-time high of 174 members. Commander Ford McBERTY announced this week. The local group, added, is now joining with the other posts in Delaware in a state-wide membership campaign.

The Newark post has been cited by state adjutant, Julian Todd, for its record as the first organization in Delaware to equal last year's paid-up membership of 166. To date, the local group has on its rolls 174 paid-up members and is leading all the other posts in the state in renewals and in new members.

The membership committee met in the Legion Room of the Old Academy building last week to complete plans for the local drive. Wm. K. Richardson and Wm. Beswick are heading the committee, composed of Raymond Beers, Don Case, J. F. Daugherty, W. S. Millon, Jr., Alvin Handoff, Fredrick B. Kutz, Valentino Nardo, Eric Winton, Norval Robinson, Thomas H. J. Q. Smith, Grover Surratt, Elmer Steedle, Harry Truitt, Harry Williams, Clayton Keith and Miriam Lewis.

A special invitation to join the post being extended to women who were formerly members of the Waves, ACS, or Marines. Last week three new members, Miriam Lewis, Barbara Carothers, and Virginia Gilmore, joined.

"Open House" has been declared by the commander for the next meeting to be held in the Newark Country Club Tuesday evening. Refreshments will be served. Every Legionnaire is urged to bring one prospective member.

HOUSEHOLD EFFICIENCY IS CENTURY CLUB TOPIC

**Speaker Is
Dr. Gilbreth,
Authority On
Management**

Advice on managing an efficient and happy home was given the members of the Newark New Century Club by Dr. Lillian M. Gilbreth, professor of management at Purdue University, in an address here Tuesday afternoon.

Stressing the fact that management is as important in the home as in any other well-run organization, Dr. Gilbreth, who herself is the mother of 12 children, discussed some of the problems encountered, first of all, in designing and building houses and housing projects, and also difficulties encountered in the efficient operation of a household, especially matters concerning personal relations.

The goal of the homemaker, she said, is a satisfying home life meeting the needs of the individual members and the group as a whole.

Mrs. R. O. Bausman, president, presided, and the speaker was introduced by Mrs. T. D. Mylrea, program chairman.

The fine arts table, arranged by Mrs. R. T. Jones, contained a collection of unique items brought from China by Mrs. Jones' sister, Miss Mabel Jones, for many years a missionary in the Orient. The exhibit included a Scholar's Box, or kit for writing materials, used by itinerant scholars who travel from town to town, copying letters for those unable to write. Also included in the display were rare linens, Chinese brocade coats, shoes, bowls, and a Chinese bride doll. Mrs. Jones related interesting anecdotes connected with many of the items.

Tea was served by Mrs. Arthur Jackson and her committee: Mrs. Jay Robinson, Mrs. Reginald Rockwell, Mrs. Charles Runk, Mrs. Wilmer Shue, Mrs. George Sinclair, Mrs. W. C. Skoglund, and Mrs. Richard Snyder.

Mrs. David Eastburn and Mrs. Walter Hultihen presided at the tea table.

The Rev. and Mrs. Eugene Ayton, who are on furlough in this country after eight years missionary service in China, will be the guest speakers for three services this Sunday at the Ebenezer Methodist Church, the Rev. A. W. Ward, pastor, announced this week.

Intimately familiar with much of present day Chinese life, the Rev. and Mrs. Ayton, who plan to return to the Orient in early fall, will discuss some of their experiences gained during the vicissitudes of the war years.

During the Church School Hour at 9:45 a. m., the Rev. Ayton will speak and also lead a discussion period on that part of China with which he is familiar. At the 11 a. m. worship service the Rev. Ayton will again talk, as well as present several vocal numbers.

In the evening at 7:30 o'clock, the Women's Society of Christian Service will sponsor a service with Mrs. Ayton as the principal speaker. An inspiring service is being arranged by the program committee including: Mrs. Catherine Nelson, Miss Dorothy Hollingsworth and Mrs. Anna Rae Major.

An informal discussion of the entire question of teachers' pay in Delaware was held by the members of the Newark Lions Club at this week's dinner session Tuesday evening. The forum was arranged when it was learned the scheduled speaker would be unable to appear.

No formal resolution was adopted at the session, since the Lions are already on record as favoring the legislative program proposed by the Council for Delaware Education, Inc., which calls for a minimum of \$2400 annually for beginning teachers.

A number of guests were present from the Green Hill Lions Club as follows: E. H. Kolb, president, H. Kendall, D. Long, C. Machutt, R. Donovan and J. L. Chambers.

Last week, the speaker was Al Kish, assistant research poultryman at the University of Delaware, who gave an interesting talk on poultry breeding, with emphasis on the extension bureau's efforts to develop a 14-week broiler, which will meet the rigid market requirements.

Originally priced at \$1761, the equipment, which includes vitally needed items of furniture such as filing cabinets, desks, chairs as well as children's recreation equipment, can now be purchased for \$75. No assurance could be given, however, that the local school's application for purchase would be granted.

LOCAL AVC CHAPTER TO MEET TONITE

Gov't. Support
For Students**

The Newark Memorial Chapter of the American Veterans Committee, which is planning an expansive program for the betterment of veterans' welfare, will hold its bi-monthly meeting tonight at 7:15 p. m. at the Newark Elks Club, South Cleveland Avenue.

Joining with the 150 AVC chapters in colleges throughout the country the Newark Memorial Chapter will campaign for the support of the American Veterans Committee bill introduced in Congress by Rep. Edith Nourse Rogers (R-Mass.) which provides for an increase in student veterans subsistence to \$100 per month for single men and \$125 for married vets.

This bill will not only aid students materially but, if passed, would increase the income of Newark business establishments. Daniel Bloch, Richard I. Konstantin and John Schmidhauser head the "365 Question" campaign committee.

Also on the AVC agenda are plans for solving the present housing problem in Newark, not only for veterans but for all citizens, and a program for keeping the lid on rent ceilings, the removal of which would probably result in numerous evictions.

Chairman Robert H. Levine urges all veterans who are interested in accomplishing things for the veteran through an active program in an active veterans organization of World War II to attend this meeting.

JONES IS APPOINTED PRESIDENT BY C. OF C.

**Weinberg Is
Vice-President;
Members Hear
Talk By Boggs**

Theodore S. Jones, popular local business man, was named to succeed Postmaster C. E. Rittenhouse as president of the Newark Chamber of Commerce at the group's annual banquet meeting last Thursday evening in the Country Club.

Speaker of the evening was U. S. Rep. J. Caleb Boggs, who discussed domestic problems confronting the nation and urged that they be approached by "minimizing the importance of government and emphasizing the importance of the individual."

New directors elected by the general membership for three year terms were: George Neighbors, Lou Staats, Jerry Weinberg and C. E. Rittenhouse. The board named the following officers from among its members: Mr. Jones, president; Mr. Weinberg, vice-president, and William S. Hamilton, secretary-treasurer.

Guests present were: University of Delaware president, Dr. and Mrs. William Carlson, Lions Club vice-president, Mr. and Mrs. J. D. Counahan; Dr. A. J. Jackson, pastor of the Methodist Church; and Mr. and Mrs. Jack Handloff, representing the Newark Junior Chamber of Commerce.

Mr. Boggs listed four obstacles confronting business and the private individual. "First, there is the huge and overburdening cost of operating our federal government," he said. "Second, there is the tremendous national debt. Third, there are the abuses of our American way which have developed in recent years in government and in our industrial life. Fourth, we have the widespread specter of class taxes."

Members of Congress, he said, are approaching these subjects "with a careful, thoughtful, attentive attitude." He added that this cautious attitude is more to be desired than a precipitous one.

RECRUITS NEEDED FOR BATTERY 'C'

**Also Seek
Officers For

Additional recruits are still being sought by Newark's newly activated National Guard unit, Battery "C" of the 736 Gun Battalion, 198th AAA Group. Officials are striving to meet the quota of 24 men which must be secured by April 27 in order for the unit to retain federal recognition.

Four more men have been signed since the unit's activation in January, bringing the total enrollment to sixteen. Lt. Joseph Bulboch, commander said yesterday. The new recruits are: Edward N. Dill, John G. McCleary, Marvin F. French and Harry Ewing.

Openings for three officers also exist on the Battery's staff, Bulboch asserted, pointing out that applicants must be former anti-aircraft artillery officers.

New uniforms are now being issued to the battery members, and a change in drill time from Friday to Wednesday from 7:30 to 9:30 p. m. has also been made.

Several machine guns, the first heavy equipment to be issued the battery, are expected to arrive in a few days. Although the unit's principal armament will be three 90 MM anti-aircraft guns, the smaller weapons are standard battery equipment, designed as protection for the larger guns during enemy strafing onslaughts and other close range attacks.

D. GAUGER IN JAPAN

Private Donald G. Gauger, son of Mr. and Mrs. Martin J. Gauger, R. D. Newark, was recently assigned to the 24th "Victory" Infantry Division, occupying the Island of Kyushu, southernmost and third largest of the Japanese home islands.

Gauger entered the Army in September, 1946. After taking basic training at Fort Bragg, North Carolina, he was transferred to Camp Stoneman, California, for assignment to duty in Japan. Upon his arrival at the 24th Division, Gauger found many improvements under construction. In an effort to make life overseas equal to that of soldiers stationed in the United States, the "Victory" Division has furnished its men with modern living quarters and the best recreational facilities available.

Prior to entering the Army, he had been attending Baltimore City College.

YOUTH EARNS PARA WINGS

Private John Ponsell, 17-year-old paratrooper from Newark, recently returned to his organization after training at the 11th Airborne Division Parachute School where he successfully completed the rigorous course and won the silver wings of the Paratrooper, an announcement from the Eighth Army in Japan said this week.

Private Ponsell entered the service in July of 1946 through Fort Dix, New Jersey. From there he was sent to

Fort Bragg, North Carolina, for his basic training. He came overseas in November of 1946, and, shortly after arriving in Japan, he volunteered for duty with the Paratroops. He was then sent to his present organization, the 457th Parachute Field Artillery Battalion. His present duty is with "A" Battery as a Cannoneer.

Prior to his entry into the service, Private Ponsell was a student at Newark High School, and plans to attend

College upon being discharged.

He is the son of Mr. and Mrs. John Ponsell who reside at 101 South Chapel Street, Newark.

In loving memory of our son and brother, Staff Sergeant Elmer D. Miles, who was killed in action in Germany, February 24, 1945.

There are parents who miss you And find the time long since you went And we think of you dearly and hourly But try to be brave and content But the tears we shed in silence And we breathe a sigh of regret For you were ours and we remember 'Till all the world forgets.

Not dead to us who loved you, our son, Not lost but gone before But though we're parted for a while We know we'll meet again. Some day we hope to meet you Some day we know that when we meet We shall meet in a better land And never part again.

Sadly missed by Mother, Father and Brothers.

We note that in New York—where a lot of good things as well as bad ones originate—a society is being formed to advocate the dropping of the "dear" salutation from business correspondence.

The superfluous use of the exclaiming adjective is, in truth, a meaningless courtesy but it is one of those little things in life that sometimes soften blows to come. And, after all, one would have to use some form of salutation, wouldn't one?

Or, perhaps the society would favor such salutations as "Hi Ya, Babe!" in the event the addressee was feminine or something like "Lo, Soak" or "Morning, Grumpy!" in the case of a masculinely addressed letter—depending on how familiar you are with the personal character of the intended recipient.

Personally we favor retention of the use of "dear." It's got a nice, cozy sound and although the contents following may repudiate the term of endearment used, the "Dear Mr. Blotz" heading tends to lull one into a false sense of friendliness at the beginning—regardless of what form of mayhem may be aroused in the contents of said addressed missive.

Dorothy Berry, educational director of Helena Rubinstein, who lectured to women of the U. of D. today, is an excellent example of what the correct use of cosmetics will do for you . . . if you have natural beauty to begin with.

Many friends of Loyal Clark hereabouts will be pleased to hear that Wesley Fessler, soon to become head football coach at Ohio State, expects to take Clark with him as end coach when he goes to Columbus.

Not the most successful but undoubtedly one of the most popular coaches ever at the local University, Loyal, head Blue Hen grid coach from 1935 to 1937, went to Harvard with Dick Harlow in 1938 when Steve Grenda succeeded him at the U. of D. Kent County, Md., has just released 500 rabbits as a part of their spring and summer game restocking program. Last year they banded and released 1,700 quail . . . we have observed nothing but silence from the Delaware Game and Fish Commission about the amount of game restocked in this state last year—or the amount to be stocked this year.

Whom do you think is the voice of Mrs. Hush?

"Till The Clouds Roll By," technical extravaganza playing at the State Theatre Wednesday, Thursday and Friday, one of the best motion pictures to be presented here in 1947—in our opinion.

Carrying the slogan, "Business is as business does," the first issue of the long-awaited Newark Shopping News made its appearance on the stoops and lawns of residents here last week . . . and, it is an extremely appealing and attractive publication.

Replete with local advertising, household, beauty, health and educational comment, the well-printed, 10-page tabloid reflects credit on Publisher Wm. S. Hamilton and Editor Frederica Kirchner, wife of assistant history professor Walther Kirchner, at the U. of D.

A couple of local recipients of comic Valentines (not too pleased with the crude caricature and love-less verse embodied in their greeting) would like to know the identity of the sender.

The Chamber of Commerce finally made an excellent selection when it chose Theo. S. Jones as its president, at their annual dinner meeting last week. Officials of this body SHOULD be local retail merchants whose interests are identical with commerce.

Understand the presentation of "The Barretts of Wimpole Street," given by the University Drama Group, was one of the best local talent plays to be seen here in many a year.

Have you seen the six cute little red cocker spaniel puppies adorning the Main Street display window of Lou Staats and Dick Case's Newark Farm and Home Supply Co.?

They're well worth your stopping to see—but whether they're worth the asking price or not is something for individual purchasers to answer.

Have you heard, "Who Did It To Mary" which, we hear, is the title of one of the newer red-hot recordings in demand these days.

"Twenty Questions," broadcast over Station WOR every Saturday night from 8 to 8:30 is still our favorite radio program. We also like Jack Benny, Bing Crosby, Information Please, Fred Allen, Pot O' Gold and the Grand Ole Opry.

For our reading pleasure, we appreciated the neighbors loaning us their copy of "Deeper The Heritage," which we liked. Also, we like, very much, "The Walls of Jericho." But maybe that's because it deals with a newspaper editor and his politician friend.

Our guess is that Herman Tolmado will be declared the legal Governor of Georgia when the Supreme Court gets around to handing down its decision.

Reported that real estate values and/or sale prices are on the downgrade but recent local transactions fail to reflect that trend.

We're certainly guilty of having a loud mouth. So, naturally, we're wondering if the person who wrote this line was referring to us when he wrote: "A loud mouth denotes low intelligence" . . . could be that he's right on two counts.

But the one we liked best is the one that goes like this: "What holds us back are not the things we want to do but can't, but the things we ought to do but don't."

NEWARK A. A. CAGERS TOP SUSKY LOOP AND TIE FOR THIRD IN COUNTY CIRCUIT

Local Sport Club's Two Teams Likely To Earn Play-Off Spots In Both Loops; Meet Oxford In Susquehanna League Race Tonite

The Newark Athletic Association, with basketball teams entered in both the New Castle County and Susquehanna League, is building an outstanding record in the two circuits.

In the County League, where they currently hold a three-way tie for third place, Newark appears certain of a spot in the Shaughnessy play-offs, while in the Susky race they are in undisputed possession of the loop lead, with only one more game to be played.

Their final tussle in the Susky competition will come tonight,

HENS TAKE NOSE DIVE PAST WEEK

Bow To Drexel And Ursinus; To Meet Jays Sat.

After skidding to unexpected defeats twice the past week, the Blue Hen courtmen will attempt to regain their footing in time for a return meeting in Baltimore, Saturday night, with Johns Hopkins, their previous victims by a 31-29 score. On Wednesday night, they desert the campus again for a second encounter with Ursinus, who downed them by a slim 35-34 score in a slow-moving game here last Wednesday night.

The severe 65-56 cuffing handed the Hens by Drexel's Dragons in Philadelphia on Saturday night came as a surprise jolt, since Delaware had won out over the Dragons, although by a close 38-37 score, in their previous encounter here.

In their home lair, however, the Dragons proved too fiery and sent the Hens home with their worst singeing of the season. Drexel took over at the opening whistle, ringing up 18 points before the Hens managed to split the cords. For there on it was the Dragon's party, even though Delaware came partially to life in the second quarter and cut their opponent's lead to 42-30 by half-time. In the final two sessions, the Hens returned to their somnolent state, and Drexel continued to make merry.

Jim McFadden, who was the only occupant of the Hen house who didn't roast early, flipped in five field goals and two penalty throws to make him Delaware's top scorer.

Against Ursinus on Wednesday evening here, the Hens were equally phlegmatic, exhibiting perhaps their poorest form of the year before the home fans. Trailing through most of the game, Delaware came momentarily to life in the final quarter, pouring up 13 points to eight for Ursinus, but a late minute goal by the Bruin's Dave Zeigler gave Ursinus the victory by a single point.

The game was a drowsy affair, with only 12 points being scored by either club the first quarter. Delaware trailed 15-13 at the half and 27-21 at the end of the third.

Pigeon Club Plans For Season's Start In April
Plans for the forthcoming racing season, which opens early in April, were discussed by the members of the Newark Pigeon Club at a meeting Friday at the home of Leonard Moore, Paper Mill Road.

Announcement was made of a special 600 mile race for the "Secretary's Trophy" from Savannah, Georgia, on May 4.

Attending the meeting were: Harold St. J. Paul Jones, Clifford Shew, Norbert Cahell and Fred Wakefield, social meeting, following the business Mr. and Mrs. Moore were hosts for a session.

SEEK RECRUITS FOR NEWARK BALL NINE

Local baseball players interested in signing up for the Newark nine to be entered in the Susquehanna Baseball League this spring are urged to attend a meeting this Sunday afternoon at 2 o'clock at Jackson's Hardware Store.

The local club will be one of the eight teams competing for circuit honors in a 21-game schedule opening May 4.

Other teams in the league will be: Elkton, Rising Sun, Kennmore, North East, Aberdeen, Perryville and Bel Air.

All amateur players in Newark and vicinity are eligible to join the outfit. A drive to provide uniforms for the team is now underway, with a number of local merchants already agreeing to contribute funds.

NHS MEETS P. S. DUPONT TOMORROW

With only four more games remaining on the 1947 schedule, the Jackets' chances of improving their season's record appear slim. Tomorrow night they again will be the underdogs when they meet P. S. duPont scheduled for the local gym. Next Tuesday, the odds will be better balanced when they tangle with Smyrna on the latter's court.

Following the P. S. game tomorrow, the Jackets will make only one more appearance before the home fans—a contest with powerful Brown Vocational Friday, Feb. 28.

Last week, Newark dropped two more contests, losing a heartbreaker to Conrad High, 41-40, on Friday, then succumbing to Friends School on Tuesday afternoon here by a 45-38 count.

A lone foul shot in a tense, close-fought overtime period was Conrad's margin of victory over the Jackets on Friday. Battling on even terms throughout the contest, the game reached a thrilling climax in the fourth quarter when, with 20 seconds remaining, the Jackets moved into a two-point lead on a goal by Bob Martin, but Conrad immediately retaliated with a shot by Nick Evionblades to knot the count and force the game into the extra session.

An indication of how closely the teams were matched is the fact that the score was tied at the end of every period. Gregg with 13 points and Sacconey with ten were the top Newark point makers.

On Tuesday here against the Friends School, the Jackets were outclassed, the Quakers outscoring them in every period except the last to take the match by seven points.

In a final period rally, the Jackets topped their opponents, 20-8, but could not muster enough points to close the gap.

Tony Cosetti led the locals with 14 points, while Sacconey was runner-up with 11.

UNDEFEATED DUKES TAKE TOWN COURT LOOP TITLE; 3-WAY TIE FOR 2ND PLACE

Play-Offs For Runner-Up Slot On Feb. 27 And March 6; Dukes Easily Cop Crown After Taking Both Halves Without Single Loss

Maintaining their season's record unblemished, the Dukes easily emerged the title holders in the Community Basketball League last Thursday evening, when they toppled the Pinball 43-31, to wind up the circuit race. Previously victors in the half competition, the formidable Dukes handily copped all honors for the league.

The second game of the twin-bill, which saw the Red Men scalp the Spiders, 48-25, threw the three remaining teams into a tie for second place. Play-offs to decide the issue will be held on Thursday and the week following.

MAT SHOW AT ARMORY

Two of the biggest men in the mat game will meet tonight at the State Armory when Bearded Ben Morgan, the six-foot five-inch 330-pound ex-blacksmith, tangles with Robert Ashby, better known in these parts as the Golden Terror, in the one-fall to a finish feature bout.

Ashby, or the Golden Terror, is well over 300 pounds and stands in the neighborhood of six-foot four-inch.

In his last appearance at the Armory Morgan defeated Frank Marconi of South America in a very easy fashion. The huge Texan made use of his superior weight and height to pin the clever South American champion.

But Ashby, last week, proved his mettle by defeating the extremely capable Texas Babe Sharkey, the ex-mat king, in ten minutes.

The semi-final bout, a half-hour affair, finds Marconi taking on a rugged newcomer in Irish Red Ryan of Chicago. Ryan isn't very well known in these parts, but enjoys a reputation in the West and Far West as being one of the toughest grapplers in the business.

Three preliminary bouts, all of half-hour duration round out the card.

In the top prelim Eric Holmback of California, will clash with Jesse James of Washington, D. C., in what promises to be a fast fought bout. Holmback, who is called The Chest, because of his tremendous expansion, has proven to be quite popular with local fans, while James, because of his rough and illegal tactics is just as well disliked.

Another newcomer, Tony Milano of Brooklyn, clashes with the clever Eddie King of Albany in the second bout, while the opening contest brings together Joe Komoroff of Russia and George Brockman of Washington, D. C.

The Red Men will meet the Pinball in the first match of the series on Thursday evening. The Dukes will play the idle team to round out the double header. On March 6, the winners of the Red Men-Pinball match will meet the Spiders in the final contest for second place honors.

In clinching the league crown on Thursday, the Dukes scored a victory with their customary dominance, winning out by 11 points. Buttermilk with 10 field goals and a penalty was the key man in the Dukes' attack, while, for the Pinball, Phillips, Casheil divided the scoring with 10 apiece.

In the second game, the Red Men found little opposition from the Spiders, brushing them off by 13 points. Spiller with six action shots and two layups was the big injun' for the Red Men, while O. Dougherty leading able support on six field goals.

Top man for the Spiders was a sassy with nine points on four layups and a foul.

No recreation program even scheduled for tonight in the field gym.

Both yesterday's program and tonight's were postponed due to the fact that the auditorium is being reserved for the dramatics class for its latest production.

MARK 4-H CLUB WEEK

National 4-H Club Week, March 1 to 9, will be celebrated by Delaware's 4-H Club members, along with 1,700,000 members throughout the United States.

The theme of this year's national observance, "Working together for a better home and world community," is endorsed by the Delaware clubs. At the beginning of a new project year, these boys and girls will not only "get set" for a successful year, but will make an effort to interest other eligible young people in becoming 4-H Club members.

Among the objectives for the observance of National 4-H Club Week, besides increased enrollment, are: Informing parents of the 4-H Club program and what it will do for their own children; enlisting more public-spirited citizens as local leaders; providing opportunities for communities to give further support of club work; and recognizing the far-reaching results of 4-H Club work from the standpoint of the nation, State, county and local community.

It is the hope of Delaware clubs that all their members will become familiar with the 1947 theme and to see that it is emphasized in their 1947 program, in relation to the 10 4-H guideposts. During the National Week, Delaware club members will also reaffirm their intentions of carrying their 1946 club goals to completion.

Special events in observance of the Club Week in Delaware will include membership drives, organization of new clubs, exhibits in local stores, special broadcasts, and the flying of the 4-H flag over the State Capitol Building in Dover.

UNIVERSITY FUND DRIVE IS OPENED AT DINNER

Fund Goal Is Student Union Building Here

The 1947-48 University of Delaware Development Fund, the principal goal of which is the raising of funds for erection of a student union building on the campus here, was launched at a banquet in Old College on Monday night for the 70 Alumni solicitors.

Sponsored by the Alumni-Alumnae Association, the drive is under the direction of Dr. W. Owen Sypherd, past president of the university, who pointed out that, although sufficient funds for the building probably will not be raised this year, the drive will serve to focus attention on the growing need for such a structure here as well as take a long step towards securing the sum required.

The necessity for such a building, long recognized by university officials and students, has increased as a result of the university's doubled enrollment, with its high percentage of commuters. The building would serve as a meeting place for faculty, students and alumni, for extra-curricular activities, as well as a headquarters for certain student organizations. Dr. William S. Carlson, university president, said "No building is in more serious demand than a student social center."

Contributions will be sought from students, faculty members and friends of the university, who may specify that their gifts go toward a particular development. In this connection, Dr. Sypherd announced that \$19,000 already has been contributed to the fund, including \$10,000 for a poultry house for the School of Agriculture.

Contributors are also being asked to indicate their reaction to the board of trustees' proposal that the building be dedicated as a memorial to university veterans of World War II.

Howard Folk Earns Rank Of Life Scout

Harold Folk, member of local Boy Scout Troop 55, will receive the rank of Life Scout at the annual Scout Dinner to be held at the First Presbyterian Church tonight.

Folk has earned 33 merit badges, enough to win him the rank of Eagle Scout plus a gold palm, but, due to scout requirements, he must wait six months after receiving his Life award before attaining Eagle rank.

Deer Park Hotel Undergoes Large-Scale Redecorations

One more local business establishment to join the growing number now carrying out wide-scale improvements and renovations is the Deer Park Hotel, the ground floor of which this week underwent complete remodeling and redecoration.

Feature of the improvements is an elaborate, new square bar, accommodating approximately thirty persons. The bar, which is complete with attractive fixtures and a colorful decorative scheme, was installed Tuesday in the tavern.

The other rooms also have been tastefully redecorated and refurnished for the convenience of patrons to make the

Deer Park one of the most modern and attractive "relaxing spots" in this area.
