THE UNDER SECRETARY OF STATE
WASHINGTON

November 22, 1935.

Dear Mr. Messersmith:

This is just a hurried line to thank you for your recent letters, the last one dated November 5th.

I am headed shortly for London to give a hand in the forthcoming Naval Conference and hope to gain something of the British and perhaps European atmosphere in the process. I wish I could take a run down to Vienna, but I doubt very much whether I shall do more than have a glimpse of Paris at Christmas time.

With every good wish for a Merry Christmas and a Happy New Year.

Sincerely yours,

The Honorable
George S. Messersmith,
American Minister,
Vienna.
