Dear Jimmy,

I thank you so much
for the flowers. It was so nice
of you to send them. I am sorry
to be so long in thanking
you. He not knew I would be
in Cuernavaca over the week-
end, so wanted to send them,
and he got for a day or two, and when
she called, we were about ready
to go again, so I told her I would
call her, about when to send them.
I forgot to ask, who had sent
them, so I could write a thank
you note to them. She went away
& I had to wait for her to come.

books. Anyhow it is all arranged
for her to send them next week
for a dinner we are having for
the British Ambassador and
you can think of us enjoying your
flowers in the middle of the table
on Dec. 1st.

Till June I enjoyed her letter
and am so glad she liked the
silver.

Serge got your letter yesterday.
and we are delighted to hear
your father may come to Mexico
on his return. We will be glad to
have him and any one who
comes, with him, here in
Cuernavaca.

Everybody was so happy to
have you back in Mexico, so
do come soon again + bring June.
With much love to you all
affectionately
Ma and Messersmith
