NEWARK, DELAWARE, THURSDAY, DECEMBER 10, 1936

NUMBER 46

COUNCIL "MUFFS" NEW ORDINANCE

PARKING LAW ADOPTED BUT IS IN ERROR

Police Ordered to Continue Enforcement of 3-Hour Law For Present

CORRECTION PROMISED Donations Voted to Firemen and Ambulance Drive; To Maintain Vehicle

On again, off again—Finnigan—is the status of any new legislation to govern the troublesome parking situation in Newark.

While members of the Town Council somnambulated through the major portion of the regular December meeting Monday night, voting "aye" to proposals from all sides, a clerical error in a new ordinance, intended to limit parking to two hours on Main Street from the Baltimore and Ohio tracks to the tracks of the Pomeroy Branch of the Pennsylvania Railroad between the hours of 8 in the morning until 8 at night, caused official postponement of any action for another month.

"Passed" New Law

The body "passed" a new ordinance, which was scheduled for its third and final reading, but it required a series of objections from various sources before Mayor Collins and his stalwarts awoke to the fact that the "passage" was completely out of step with the law controlling such action.

Re-consideration of the entire matter will be made at the January session.

The new measure, rewritten following the first and second readings, would have limited Main Street parking in the specified area to two hours throughout the entire day and night, excepting Sundays.

Objections Filed

Unmindful of objections made by C. Vernon Steele, secretary, before a vote was taken, and disregarding the fact that Councilman C. Emerson Johnson, father of the original bill, refused to act on the incorrect ordinance offered, the Council unanimously approved the measure.

Fireworks were threatened on Tuesday, however, when Louis Handloff, proprietor of the State Theatre and a former member of the Council stepped into the picture, promising legal action against the ordinance, its passage and enforcement.

Music Society To Give The 'Messiah' In Mitchell Hall

The second annual performance at the University of Delaware of the "Messiah," composed by George Frederick Handel, will take place in Mitchell Hall next Thursday evening, December 17, at 8 p. m. This presentation is under the auspices of the Newark Music Society.

A sixty voice chorus and a twenty-two piece WPA, Wilmington Civic Orchestra, will be accompanied by Miss Elizabeth McNeal at the organ. Professor T. D. Mylrea will again direct the performance.

Depicts Life of Christ

This remarkable piece of music was written in twenty-two days. The Messiah is a series of orchestral numbers, vocal solos, and choruses depicting the life of the Christ from the prophecies of His birth, through His life to the crucifixion and the resurrection.

At its first performance in the city of Dublin on April 13, 1742, where it was given for the benefit of charity, King George was so impressed by the grandeur of the Hallelujah Chorus that he rose and remained standing until the close of the number. It has since become traditional for the audience to stand throughout the Hallelujah Chorus.

Because of the sacred character of the music, it is requested that children be accompanied by an older person. Admission is free.

COMPLETED PROGRAM

James Q. Smith

Commander of the J. Allison O'Daniel Post No. 10, American Legion, Mr. Smith, who is also tri-state chairman of hospital entertainment for veterans at Perry Point and Cotesville hospitals, ended his year's work in the latter capacity last Sunday when the committee held its annual session in Wilmington.

PLANS AFOOT TO FORM NEW GROUP

Mrs. Henry Robertson, State Pres., Addresses Local D. A. R. Chapter

Mrs. Henry Robertson, state president of the C. A. R., was the guest speaker at the meeting of Cooch's Bridge Chapter, D. A. R., on Saturday at the home of Mrs. G. S. Skinner, Amstel Avenue. Mrs. Skinner and Mrs. A. B. Eastman were hostesses.

Mrs. Robertson spoke in regard to the formation of a C. A. R. in Newark. A short Christmas program was given by Mrs. Edward W. Cooch, Mrs. Ernest Frazer, Miss Helen Eastman and Miss Marcella Skinner.

Vote To Scholarship Fund

Twenty-five dollars was voted for the state D. A. R. scholarship fund. More will be appropriated later as contributions are received.

Mrs. A. B. Eastman, chairman of radio programs, announced that the Cooch's Bridge chapter would have charge of the Dec. 21 program which will be presented over WDEL. No plans have been made as yet.

It was voted to place two official markers on the graves of deceased D. A. R. members.

Mrs. Harvey B. Steele announced that about five dollars had been donated for the box for Ellis Island. Five dollars was voted for welfare and it was decided that D. A. R. welfare work should be devoted to those not eligible for relief but who were in need.

Delegates Appointed

The following delegates were appointed to attend the state conference in February, at Wilmington: Mrs. Ruth A. McKinsey, Mrs. Ernest Frazer, Mrs. Harvey B. Steele, Mrs. Walter Blackwell and Mrs. G. S. Skinner. Those chosen as delegates were: Mrs. J. Pearce Cann, Miss Anna Frazer, Mrs. A. B. Eastman, Mrs. Lucinda Shriner and Mrs. Mary L. Foreman.

Business Women Meet Next Tuesday Evening

Taking the form of a Christmas party, the next meeting of the Newark Business and Professional Women's Club will be held at the Delaware Tea House, Ball Run, on Tuesday evening, December 15. Dinner will be served promptly at 5.45 o'clock.

Church Bake Saturday

The ladies of St. John's R. C. Church will hold a bake on Saturday morning at 10.30 o'clock at Rhodes Drug Store.

AUXILIARY TO AID IN PLANS TO HELP VETS

Perry Point Patients To Be Cheered By Xmas Party; Tea Follows Meeting

MEET IN LOCAL HOME

More than 35 state officers and chairmen of the American Legion Auxiliary attended the second executive meeting of the year which was held at the home of the department president, Mrs. J. R. Fader on Saturday afternoon.

Plans for the annual Christmas party for the veterans at Perry Point were drawn. Delaware Unit No. 1, of Wilmington, will sponsor the party, but all members of the auxiliary are urged and invited to join them in their efforts to cheer the veterans.

Prize Awarded

Mrs. George Hill, immediate past-president of the auxiliary, announced that Lawrence Roberts Unit, Wilmington, had won the award of \$2.50 which she had offered to the unit which attained its largest percentage of membership by the time of the roll call on November 24 at National headquarters.

The members appointed to represent the Department of Delaware Auxiliary on the Women's Joint Legislative Committee are as follows: Mrs. C. M. Dillon, Wilmington; Mrs. William N. Cann, Wilmington; Mrs. George D. Hill, Dover; Mrs. J. R. Fader, Newark. The alternates are Mrs. John Bader, III, Wilmington; Mrs. William Matthews, Jr., Smyrna; Mrs. Allyn Cooch, Newark; and Mrs. Leslie Gooden, Dover.

Tea Follows

A delightful tea followed the business meeting. The following members of J. Allison O'Daniel Unit, who are on the executive board, assisted with the serving: Mrs. A. E. Tomhave, Mrs. Leon Case, Mrs. Paul D. Lovett, Mrs. Francis Lindell, Mrs. K. D. Conrad Lewis, Mrs. Harry Gabriel, Mrs. Allyn Cooch and Mrs. Orville Little.

The junior organization was present at the regular meeting Monday evening, presided over by Mrs. Allyn Cooch, head of the unit. Miss Miriam Lewis, president of the younger body was in charge of the juniors.

Mrs. Harry Gabriel extended an invitation to attend the December and January meetings, at which time legislation affecting education and child welfare problems will be discussed. Speakers will be announced later.

A Christmas party followed the business meeting. The junior organization rendered a splendid program of entertainment as follows: group singing of Christmas carols; duet, "Silent Night" by Jean and Miriam Lewis; tap dance, Nancy Cooch; and a piano solo, "Santa Claus is Coming" by Lois Mae Tomhave.

Home Missionary Meeting

The December meeting of the Young Women's Home Missionary Society of the Newark M. E. Church will be held on Monday evening, December 14. Mrs. Hazel Kendall and Mrs. Maxine Powell will be hostesses.

DELAWARE BOY IS LAUDED AT MEETING HERE

George Cook Is Praised For Paper Delivered At Relations Conference

225 DELEGATES MEET

George Cook, of Buffalo, N. Y., a student at the University of Delaware was highly praised for his paper on "Democracy vs. Dictatorship in Spain," which he read during the course of the International Relations Club Conference held here on Friday and Saturday. Dr. Otto Nathan, guest speaker commented highly upon the work of the local student.

Attendance was estimated at 225 delegates who represented 57 colleges and universities throughout the Middle Atlantic States.

Miss Martha Trippe, of Auburn, Easton, Md., a senior at Women's College, presided over the two-day meeting. She was elected president at a meeting held at Syracuse University last year.

Location of next year's conflag has not been set and has been placed in the hands of the Carnegie Endowment for International Peace which sponsors the meetings.

Dr. Hullahen Opens

Dr. Walter Hullahen, president of the University of Delaware, delivered the opening address and a response was made by Mr. Johnson Breneman of Pennsylvania State College, who is vice-president of the conference.

Miss Amy Heminway Jones, division assistant of the Endowment, who is in charge of the International Relations Club work, extended greetings to the delegates.

Principal guest speaker for the conference was Dr. Nathan, economic adviser to the German Government during the Republic and now lecturer in economics at New York University. He was present as a guest of the Endowment.

Various Topics

Other speakers were: Dr. William C. Johnstone of George Washington University, who spoke on "The Economic Foreign Policy of the United States;" Dr. Ernest Minor Patterson who delivered an address on "The Economic Foreign Policy of the United States;" Dr. Benjamin H. Williams of the University of Pittsburgh, who spoke on "Keeping out of a World War."

Round table discussion topics included "The New Pan-Americanism," "Democracy vs. Dictatorship," "League of Nations," and "Conflict in the Far East."

Arrangements were made under the direction of Dr. George H. Ryden, head of the Department of History and Political Science at the University of Delaware; Dr. Francis H. Squire, adviser to the Athenaeum Society and Dr. J. R. Gould, adviser to the Women's College Forum.

Local students who contributed to the success of the meetings were: Miss Margaret Trumbull, chairman of publicity; and Messrs James Stoll, Osborne Mackie, Samuel Arnold, and James X. Hutchison, who acted on the housing and transportation committees.

Delaware Safety Council Issues Pertinent Information Relating to Automatic Signals

Automatic traffic signals are provided for a purpose. It is true that some have been placed without proper consideration. But on the whole, traffic control by automatic signals has done a great deal toward bringing order out of chaos at busy street intersections.

According to the Delaware Safety Council there is little doubt in the public mind regarding the meaning of the red light in the traffic signal. It doesn't mean to proceed cautiously or in any other way. It means STOP!

Doubt About Light

There is more doubt about the meaning of the green light. While it means "go" it doesn't mean "go" regardless of anything that might happen although some drivers "step on it" as soon as the green light comes on before pedestrians have had a chance to clear the intersection. It gives permission to proceed with care under existing circumstances.

Alert At Intersections

A vehicle approaching an intersection at legal speed, say 20 miles per hour, can stop within 50 feet, even though it has only moderately

CHOSEN AS SPEAKER

John Raymond Fader

Recently elected to the House of Representatives from the Ninth District, Mr. Fader was the unanimous choice of nine Democratic members from New Castle County for speaker of the lower branch of the General Assembly which gathers on January 5. The caucus was held at the Hotel Darling, Wilmington, Tuesday night.

APIARISTS MEET FOR ORGANIZING

Session Called Tonight For Association Attempt; Rice In Charge

Formation of a state beekeepers association will be made tonight when Delaware apiarists meet at the Caesar Rodney School, Camden-Wyoming, according to an announcement made this week by Paul L. Rice, extension entomologist at the University of Delaware, who will be in charge of the meeting.

"The formation of such an organization will fill a long-felt need in Delaware," Rice said, "and, at several county meetings held recently, plans for the founding of a beekeepers association were discussed."

Hambleton To Speak

Scheduled to address the beekeepers, whose meeting is scheduled to begin at 8 o'clock, is James I. Hambleton, in charge of bee culture work for the U. S. Department of Agriculture, who will talk on, "A Resume of the Research Conducted by the Bureau of Entomology and Plant Quarantine in the Field of Bee Culture."

George J. Abrams, specialist in bee culture at the University of Maryland, is also expected to discuss the extension work in beekeeping as carried on in Maryland and an additional talk will be made by a yet unchosen practical beekeeper.

To Consider Laws

By-laws and a constitution for the new organization, which have been worked out by committees appointed at the recent county apiarists meetings, will be brought before the group for discussion and adoption and the new association will be officially launched at the meeting.

According to Rice, all Delaware beekeepers or those interested in beekeeping are invited to attend the meeting and to participate in the discussion.

New Century Club To Hear Fruit-Peel Talk

The bi-monthly meeting of the Newark New Century Club scheduled for Monday afternoon, December 14, will be featured by a demonstration and talk on methods of making crystallized fruit peel. The subject will be handled by Mrs. Kate Henly Daugherty, home demonstration agent for New Castle County.

Christmas music will form a part of the program.

Glasgow Card Party

A "500" card party will be given at Brook's Hall, Glasgow, on Saturday evening, December 12, for the benefit of Pender Grange.

POLICE HOLD LOCAL NEGRO ON 7 COUNTS

Prisoner Admits Efforts To Wreck Express Train, Statement Holds

PARKED CAR ON RAILS Apprehended on Wednesday After Stealing Second Vehicle "For Trip"

Following the arrest Wednesday of Walter E. Holland, alias Hyland, 18-year-old Negro of South Chapel Street near the Pennsylvania Railroad tracks, Chief of Police William H. Cunningham announced last night that the prisoner had confessed to seven crimes recently committed in Newark.

Apprehended yesterday morning after abandoning a car said to have been stolen from near the South College Avenue depot about two hours before, Holland was subjected to an all-day grilling by Chief Cunningham, Officer LeRoy Hill, Lieut. H. W. Spencer and Sergeant G. W. Baker, the latter pair of the P. R. R. police.

He is held in the local jail pending the filing of charges of larceny of a motor vehicle, a bicycle, pilfering goods from automobiles, trespassing and attempting to wreck a train.

Preliminary testimony will be given before Magistrate Daniel Thompson today.

Signs Lengthy Confession

Stating originally that he was merely an accomplice of another Negro, Elbert Dutton, a track laborer employed by the railroad who is thought to live in Wilmington, Holland later accepted full blame, police state, for a series of local automobile thefts and misdemeanors.

He absolved Dutton of all guilt in a later story told police. Holland was also employed by the railroad as a track laborer until furloughed last week.

Regarded as a suspect since the larceny of a car belonging to J. H. Rumer, 63 E. Delaware Avenue, from in front of the postoffice on the night of November 24, Holland walked into a police net yesterday morning when he drove off with a car belonging to Howard Dickerson, an Avondale, Pa., Negro employed by the railroad, from near the P. R. R. station.

Traced to Elkton

Traced to Elkton where he stated he had gone to collect his final pay check and where he was under the watchful eye of Officer Coudon Reynolds of that town, Holland returned

Lesson for December 13

JOHN'S VISION ON PATMOS

LESSON TEXT—Revelation 1:4-18. GOLDEN TEXT—Fear not; I am alive for evermore. Revelation 1:17, 18. PRIMARY TOPIC—When John Saw Jesus Again. JUNIOR TOPIC—Jerusalem, the Golden. INTERMEDIATE AND SENIOR TOPIC—Listening to the Ever-Living Christ. YOUNG PEOPLE AND ADULT TOPIC—The Living Christ Among the Churches.

The first chapter of the Revelation, while it is an introduction to the entire book, is worthy of study by itself as a glorious revealing of Jesus Christ, his person and work. Some will wish to use the chapter as a preface to the study of the solemn and instructive messages to the seven churches of Asia which are found in chapters 2 and 3; but for most schools it will be better to concentrate on the messages of the chapter itself.

I. His Person.

While many of the characteristics of the Son of God are here presented, two are particularly emphasized.

1. His eternity (vv. 8, 11, 17).

In a world which understands but little of the meaning of its past, which lives in a badly befuddled present, and admittedly knows nothing of the future, it is a source of the deepest satisfaction and peace of heart to know and serve the One who "is and was and which is to come, the Almighty." He already "was in the beginning," and is to be through all eternity.

2. His glory (vv. 5, 13-16).

Jesus Christ is presented in verse 5 as "the faithful witness and first begotten of the dead," who is the ruler "over all the kings of the earth." The followers of Christ have a glorious captain and leader. The kingdoms of all the earth are his by right. Some day he will rule in fact and in person.

The infinitely beautiful description of our Lord in verses 13 to 16 is almost beyond interpretation. Have you seen him in his majesty and glory? The one who is "in the Spirit on the Lord's Day" can still see "him who is invisible" (Heb. 11:27).

II. His Work.

1. His victory (v. 18).

He died for our sins but "was raised again for our justification" (Rom. 4:25). We have not a dead, but a living Saviour. He has "the keys of death and hell." The one who follows a human leader parts with him at the grave. But he who follows Christ does not lose him when he passes over into the next world, for he is there, and he has the keys of all authority, not only in this world but also in that which is to come.

2. His love (v. 5).

How deep and rich was his love toward us. It sent him to the cross.

3. His redemption (v. 5).

He "washed us from our sins in his own blood." We read in Hebrews 9:22 that "without the shedding of blood there is no remission." The cults and creeds which deny or ignore the need of cleansing in the blood of Jesus Christ may be religious but they are not Christian.

4. His fellowship (v. 13).

The candlesticks are churches and the stars are God's messengers. They are not alone in the world; he is "in the midst." Do we recognize his presence?

5. His return (v. 7).

"Behold, he cometh with clouds." How can anyone read the New Testament and fail to see, and to teach and to preach the Lord's return?

He is coming again. What is our duty in the light of his coming?

a. To live lives of purity and Christian nobility. (Read I John 3:3, and compare vv. 1 and 2.)

b. To be diligent in sacrificial service. "Occupy till I come" (Luke 19:13) is the command of the one who "went into a far country to receive for himself a kingdom and to return" (Luke 19:11).

Love of Nature

The presence of the love of Nature is an invariable sign of goodness of heart and justness of moral perception, though by no means of moral practice. When it is originally absent from any mind, that mind is in many respects hard, worldly, and degraded.—Ruskin.

A Wife

There is one name which I can never utter without a reverence due to the religion which binds earth to heaven—a name cheered, beautiful, exalted and hallowed—and that is the name of wife.—Bulwer.

Pride and Humility

Pride is not the heritage of man; humility should dwell with frailty, and atone for ignorance, error, and imperfection.—Sydney Smith.

Great Duties

Great trials seem to be a necessary preparation for great duties.—E. Thomson.

Ability and Opportunity

Where there exists honest ability there exists also real opportunity.—G. C. Golden.

DECEMBER 10, 1936

TIME FOR CONCERTED ACTION

Newark merchants are becoming quietly but steadily aroused over a series of petty shop-lifting instances during the last four weeks. A group of school boys—white and colored—have been helping themselves to assorted merchandise in various Main Street stores.

Following private investigations, the merchants have succeeded in tracing many pilfered articles to homes in this town. Many other articles taken without their consent and knowledge have been returned when arrests were threatened. Yet the practice goes on, and with the increasing display of Christmas merchandise, it seems to grow.

No more warnings will be issued. The merchants, their patience sapped, plan immediate legal steps against the nuisance that is proving to be a growing evil.

Distasteful as it is, the situation is one for all parents, school heads, social workers, Boy Scout authorities and other agencies to consider and act against immediately.

A word now to a weak or thoughtless boy or girl—about behavior, associates and the like—might preserve the happiness for Christmas and the years to come that will otherwise, in many cases, be marred by stern action on the part of juvenile authorities.

WHY DESTROY NATURE AT CHRISTMAS?

You who are infested with the Christmas spirit which dominates all of us at this time of the year far too often take extreme measures to bring about a Yuletide atmosphere by driving into the country and desecrating nature's gifts.

Year after year a vast army of citizens migrate to the rural sections for the purpose of mutilating nature's possessions—holly, laurel and evergreens, or any other form of shrub which appeals to the eye.

We make a plea for this desecration to stop—the state law demands that such practices cease. A fine of \$200 is imposed upon persons found destroying nature in this manner.

Why not leave the plants and shrubs in their natural environment—life for them will be longer, more beautiful and of more benefit.

Police Hold Local Negro On 7 Counts

to Newark and was promptly picked up by Chief Cunningham who was working in plain clothes.

Following his return from Elkton, Holland drove to the end of East Main Street where he abandoned the Dickerson car near a filling station operated by George Leak after being stopped by a flat tire.

It is said that he was accompanied by another Negro, thought to have been Dutton, when the car was abandoned. Picked up by Cunningham on Main Street near Academy, the suspect at first placed blame for stealing the car on Dutton, who had disappeared, but then stated that he (Holland) had received twenty-five cents from the missing boy for hauling him from Elkton to Newark.

Tried to Wreck Train

Resenting a reprimand issued by his foreman, Norma Battersby, 224 S. Chapel Street, on the morning of November 24, Holland took the Rumer car that night and placed it on the P. R. R. tracks at the South College Avenue crossing in the hope of causing a train wreck "to get square," police state.

Prompt work by railroad men averted a mishap when the car was removed barely eight minutes before a passenger express train passed the point.

On another occasion, according to the alleged confession, Holland stole a bicycle from William Gray, Delaware Avenue, and left it on the tracks in an attempt to cause a wreck.

Holland was arrested on September 18 for driving his step-father's car without a license and without consent of the owner. He was picked up following a collision on Cleveland Avenue while racing with another car.

Admits Other Thefts

Included in a list of seven recent crimes, said to have been committed by the prisoner, is the theft of a pocketbook from a car owned by H. L. Wollens, New London.

Cash and two gold rings were in the purse which was taken on Saturday night, November 21, while the Wollens' party attended a local motion picture show. The car at the time of the theft was parked on S. College Avenue, between Main and

Delaware Avenue.

Holland states, according to the police, that he threw the rings and purse on the University of Delaware campus near Old College. Efforts are being made to recover the items for the owner through the cooperation of college authorities and students, if found.

It is also charged that Holland ransacked a car on Amstel Avenue later the same week.

Motorist Arrested

Officer Hill arrested Richard Meredith Tunis, 32, of Kennett Square, Pa., Sunday night for running through a red traffic signal at Main and Chapel Streets. Magistrate Thompson fined him \$5 and costs.

A woman's tip to Sheriff Eugene Racine frustrated early Sunday an attempt of two prisoners to break out of the Cecil County jail at Elkton.

One of the men, Benjamin Sartin, 21, was turned over to the Cecil County authorities after being arrested here by Chief Cunningham some weeks ago. He is charged with stealing poultry, sheep and corn from farmers in that vicinity.

good two-wheel brakes. Therefore, if the vehicle is 50 feet or more from the intersection when the yellow light appears—or the red light, if no yellow is used—it should stop before entering the intersection or crosswalk. If, however, the vehicle is less than 50 feet from the intersection when the light changes, it should proceed, rather than stop in the intersection or across the crosswalk. Signals mean nothing except as they are obeyed. The driver who crosses against the red light because "there is nobody coming," often finds that the signal was provided because individual judgment could not be relied upon to prevent accidents and congestion in that location. While, in extreme cases, obedience to a traffic light may seem like an unnecessary delay to some drivers, the thinking driver will realize that the welfare of the vast numbers who use that particular intersection must supercede his own individual convenience and he should obey in the interest of public protection and the promotion of safety habits.

The driver should approach an in-

BAD WEATHER NO STOP FOR CHURCH FETE

Christiana Congregation In Homecoming Services; Many Attend

PLAN CANTATA SUNDAY

By Mrs. Edna A. Dickey
Christiana, Dec. 9.—The Homecoming services at the Christiana M. E. Church on Sunday were very well attended in spite of the rainy day. Dr. Francis Harvey Green of Pennington, N. J., brought an inspiring address in the morning. His text was, "Whatsoever He Sayeth Unto You, Do It."

Rev. J. E. Layton, of Holly Oak, spoke in the afternoon. Rev. Layton was accompanied by his choir, which offered several pleasing numbers. Mr. Stanley Lane sang a solo. Mr. and Mrs. Arthur Wilson, of Wilmington, sang at both the morning and evening services.

Former Pastor Returns

Rev. P. W. Spence, Jr., of Preston, Md., a former pastor, brought the message in the evening. A large crowd was out to greet him.

Next Sunday evening at 7:30, the Ogletown Adult Education Singing Class will present a cantata in the Christiana M. E. Church. Miss Helen A. Russell of the Women's College, U. of D., is the director.

Rehearsals for the Christmas pageant, "When the Light Shone," are being held Tuesday and Thursday evenings of each week.

The Christiana-Salem Consolidated School will hold its Christmas program on Wednesday afternoon, December 23, with all grades participating.

The annual Christmas party of the Christiana Improvement Association will be held on Tuesday evening, January 5, the regular meeting night of the association. The committee arranging the program consists of Mrs. George Butler, Mrs. Margaret Thornton and E. A. Dickey.

Social To Meet

The Christiana M. E. Social will meet in the basement of the church on Wednesday evening, December 16. Their annual Christmas party will be held at this time.

Friends of Mr. Louis Denn have received cards telling of his safe arrival in Racine, Wisconsin, where he is visiting his daughter, Mrs. Lucy Jones.

Burton Elliott, son of Mr. and Mrs. Robert Elliott, has returned to his home from the Wilmington General Hospital. Burton was injured in an automobile accident several weeks ago. His many friends are looking forward to the time when he will be out again. Earl Broomall, another young man, injured in the same accident, is improving but is still confined in the hospital. Vincent Cannon has sufficiently recovered to return to the Newark High School.

A. H. Vincent, H. A. Marshall, Mrs. John Hanna and Mrs. George Davis, who have been ill at their homes, are convalescing.

Mr. George McCarns of Wilmington has purchased the home of Mrs. Charles Barrett.

SOME FAMILY

To spite Mamie, his girlfriend, Leo married her mother, making Mamie his daughter. However, Leo's old man married Mamie and then Leo's daughter became his mother; his father became his son-in-law; and his wife was his grandmother. Suddenly Leo awoke to the fact that he was his own grandfather and now he wants know what relation his new born son is to the offspring daughter of Mamie and his old man.

tersection knowing what he is going to do and driving in the proper lane of traffic. If he intends to turn right he should approach in the extreme right lane; if he expects to turn left he should draw over next to the center line of the street. Then, he is ready to make his movement quickly and with least interference with other traffic. The go signal should be approached at moderate speed and with the vehicle under complete control. A light that was green when the vehicle was a half block away may not be green upon its arrival at the intersection. The only safe way is to watch the light when approaching it and be ready to stop within a reasonable distance if it changes.

Exercise Real Judgment

A red light in a stop and go signal should be approached slowly, giving it a chance to change before the vehicle is brought to a complete stop. Unless the light is on for an unusually long time, the driver's chances are good for going through without stopping if he thus reduces his speed. This, of course, means that the driver must exercise real judgment in driving and that some of the thrills

of nosing in ahead of other drivers and complicating the get away after the light changes, are to be sacrificed. It robs the dare-devil driver of the chance to test his brakes and compare the pickup of his car with that of others. But it stamps him as a reasonable and careful driver.

Parking Law Adopted But Is In Error

(Continued from Page 1)

Council then—and not until then—took definite steps to rescind the move. A special meeting was proposed for last night, but the entire matter has been shelved until January.

Police, meanwhile, have been instructed to continue the enforcement of the three-hour parking law now in effect.

Donate To Fund

Among the things accomplished during their waking moments, the councilmen pledged their full cooperation to the Aetna Hose, Hook and Ladder Company in the operation of the new community ambulance.

The firemen's committee, composed of Chief Elmer Ellison, Assistant Chief Charles Tasker and Second Assistant Chief Edwin Shakespeare, will report the Council's action to a special meeting of the Aetna organization Friday night when housing for the ambulance will be approved or denied.

Meeting on Tuesday with the Community Ambulance Committee, the firemen's representatives were assured that the new vehicle would be turned over to them without incumbencies of any kind.

Donations of \$500 to the firemen's 1936 fund and \$250 to the recent ambulance drive were voted by the Town Council. The body also expressed willingness to maintain the vehicle and pay for its operation providing the firemen vote to house and drive it.

Other Affairs Settled

Several work relief projects were discussed and it was voted to set

aside an appropriation of \$500 for this purpose.

Treasurer Vernon Steel reported the balance on hand November 30 was \$8,238.38, with November expenses listed at \$8,151.07.

Dec. 16 and 17 were designated as municipal cleanup days and all citizens were asked to cooperate.

Chief of Police William Cunningham reported 15 arrests with a total of \$157 collected in fines.

Lions Change Annual Plans For Christmas

Due to the improved economic condition of families in Newark and vicinity, the local Lions Club at the weekly dinner-meeting held Tuesday evening at the Deer Park Hotel, announced a change of policy regarding the annual Christmas program.

Instead of the customary dinner for underprivileged boys, which fell from sixty guests a few years ago to nineteen last Christmas, the service group will adopt some other means of marking the holiday.

While a special committee is working on a revised plan, arrangements are going forward for the celebration to be staged at the New London Avenue School.

J. K. Speicher, vice-president of the body, presided at the session in the absence of Joseph M. McVey, president.

Local Students Take Part In E 52 Production Tonight

Three local students at the University of Delaware will take parts in the E 52 Players' production of John Galsworthy's last play, "The Roof," which will be presented in Mitchell Hall tonight.

ROAMIN' WITH RUTLEDGE

A Crying Need

Wilmington and Newark sports writers were dined at the Hotel DuPont on Monday night by the alumni group and some of the head men connected with the University of Delaware athletic council.

It was a grand party and one that deserves something more than a passing bow of appreciation. Unlike many gatherings of the kind, however, plenty of constructive work was done by way of suggestions aimed at the athletic policy at the school.

Accord greeted the idea that considerable stimulus might be given the sports picture at Delaware without lowering the high scholastic standard of the institution.

The newsmen were both thanked and mildly berated for their past performances in handling Delaware's comparatively limited sports material. Which merely goes to prove that the long existing need for a publicity man on the Blue Hen campus should be filled without further ado.

Can't Do Everything

Relieved of his duties as basketball coach in a recent change, Doc Doherty was immediately assigned to the new post of director of athletics, while retaining the roles of graduate manager and basketball mentor. The responsibility embraced in those trying offices make it next to impossible for him to "double in brass," as it were, by also acting as a publicity man for the entire university.

Yet it is to Doc that almost every reporter is forced to turn when seeking information—regardless of whether it pertains to sports, engineering, chemistry or English literature. And he's bothered plenty!

John Skinner, partially paid by a government appropriation, does a great job of publicizing the Department of Agriculture's extension service and allied divisions. His services should prove to the powers controlling the general situation that publicity pays.

Somewhere along the financial line it should be possible for the University of Delaware to scrape together sufficient money for maintaining the semblance of a publicity division.

It's sorely needed and would come as a welcome relief to Doc Doherty and the willing but handicapped newspapermen handling Blue Hen material.

Flattered No End

Despite the fact that our integrity was questioned, that we were mauled, hauled, ham-strung, hog-tied and loaded down with weights—ready to be dropped into the Chester river—we are flattered no end to receive the better portion of two full columns conducted by Harry S. Russell under the title "The Lancer" in THE ENTERPRISE, Chestertown, last week.

Harry, for the benefit of the uninitiated, handles publicity at Washington College from whence he graduated after playing football and various other sports. In addition, he is an ardent and patriotic Chestertonian.

It was not surprising, therefore, that he should take exception to cracks aimed at the first half of the recent Delaware-Washington football imbroglio contained herein two weeks back.

Outside of stating that we are a liar, (not so crudely, of course), when listing places we've been and events we've viewed, and expressing a willingness to stake his peepers against ours any day at catch weights, Harry adds nothing by way of a convincing argument to dispel anything we have already written concerning the game in question.

He naively believes that broken relations between two schools should be the matter for players to decide. (Just as though they have anything to do with booking contests in the first place). And Harry, with that childish notion, tumbles from the perch where we were formerly willing to look up to him as somewhat of an "expert" regarding situations in this sector.

Come again, Harry.

BLUE HEN DRIBBLERS SET FOR CLASH WITH PHILADELPHIANS

Jack Daly Is Slated For Starting Berth At Forward Post; Ferris Wharton, Another Local Lad, May Also Be Used; To Present Well-Balanced Combine

By Bill Fletcher

Eleven men form the nucleus for Coach Loyal Clark's squad which will be seen in its first home appearance Friday night when they match shots with the Osteopaths from Philadelphia.

A smattering of every asset is present in this Blue Hen combine which will engage in three more tough battles before the Christmas recess. In Earl Sheats, Lou Carey, Jack Daly, Teedie Wilson and Bruce Lindsay, Coach Clark has a quintet of dribblers that may break loose at any time and start "ringin' 'em up."

Height has also added more to Delaware's chances this year for Fritz Ware, Tom Pennock, Lou Hayman and Sheats scale six feet or over, an asset that has been lacking in Delaware teams of recent years.

"Teedie's" Tosses Total

In Captain "Teedie" Wilson, Coach Clark has not only a fine defensive guard but an ever-dangerous point maker who has broken through with field goals in many past pinches. Hayman and Lindsay loom as running mates to the Blue Hen leader. Lindsay's ability to chalk up the two-pointers is well known. Hayman is, as yet, untried.

At the pivot post, Sheats, still undeveloped and a little green, will get the call over Pennock and Ware. The Middletown product is expected to prove a big gun on the offensive and is a good team man, although slow in covering the court.

Stock of Forwards

Jack Daly and Lew Carey, both well-known in Delaware sport circles, are slated to open the Hens' basket attack from the forward posts. Both performed in a capable manner last year and, barring injuries, the pair should be headed for an excellent year. In Ferris Wharton, Stashu Manista and Earl McCord, Coach Clark has three capable replacements for Daly and Carey.

Following the Osteopathy tilt, the Hens will meet Hampden-Sydney on Tuesday, December 15, and Haverford on Friday, December 16, on the home boards. Rutgers will furnish the only opposition on foreign courts on Wednesday, December 16.

Coach Dessen used all of his men in the opening of the City College League in which Osteopathy defeated Westminster 34-19. This gave him an opportunity of trying out the best combination for their first outside game, which will be played Friday night, against Delaware.

Co-Captains Star

Co-captains William Furey and Art Bunting lived up to all expectations, both taking the lead in the number of field goals and points scored for Osteopathy. The playing of Charles Long, Wallace Gregory, and Wesley Rowe gave indications of Dessen having a stronger number of substitutes than ever before in the history of local organizations.

Like all opening games, ragged passing and inability to make every basket count, was responsible for a number of substitute changes and the low score.

Westminster surprised Osteopathy by having three men on their squad who played against them two years ago when Wheaton College, on their eastern trip, met P. C. O.

Expect Battle

Coach Dessen anticipates a very close battle at Newark this Friday night, and is planning a very strong line-up to appear against the Delaware quintet.

The following twelve men will leave with Coach Dessen early Friday afternoon: William Furey, Arthur Bunting, Henry Maciejewski, Norman LaBove, Ferdinand Marzullo, Charles Long, Wesley Rowe, Wallace Gregory, John Pulker, Richard Jamison, Manager Bill Soden, and Assistant Manager William Behringer.

Baskets and Bleachers

By Coach Harry W. Simester Brothers College, Drew University Madison, N. J.

PASSING

The hero of the gallery may be the man who tosses the ball through the ring, but the men who make it a victory are the chaps who know how to pass. Shooting is just one of the important fundamentals of the game. Dribbling and running are also essential, and passing and ball handling are perhaps the most important of all.

Several things should be kept in mind. (1) The pass should be so made that the receiver need not change his speed or direction. When the receiver is moving, the ball should be thrown ahead of him. (2) The ball should be passed to a man who can see it, not a player who has his back to the passer. (3) The ball itself must be kept easy to handle—not too much spin. (4) Passes to men standing still should be waist high; those to men who are moving for the basket should be chest high and ahead of the receiver. (5) A good passer can shoot the ball accurately to the receiver without looking directly at him. (6) A jump ball is better than one sure to be intercepted—you have an even break on a jump. (7) Basketball is a team game. Baskets win games, but accurate passing and ball handling are what put the team in a scoring position. Teams of good passers are always dangerous.

Master the fundamentals. They win the games. The spectators will remember the man who makes the greater number of points, but the fellow who gives him the ball builds up the game and the victory. To one who knows basketball, the thrill comes in watching the team get ready to score.

Blue Hen Basketeers Defeated by St. Joe's

Although displaying good early season form, the University of Delaware's basketball team dropped a 37-30 decision to St. Joseph's College at Philadelphia Wednesday night.

The veteran Hawks jumped into the lead midway in the first period and sported a 23-11 edge at the half. Earl Sheats at center and Rube Hayman, guard, both freshmen members of the Hens, led the locals' scoring with six points apiece.

Fort DuPont Grid Team Rewarded for Good Year

With some 75 guests assembled at the Hotel Darling, Wilmington, last Saturday night, presentations of gold wrist watches were made to 41 members, officers and attendants of the Fort DuPont football team which recently completed a grand season of twelve victories and no defeats.

Colonel C. L. Hall, commanding officer at the post, made the awards while Major Clinton W. Ball acted as toastmaster. Captain Benjamin Franklin Chadwick, coach, praised the squad for its work.

Former Football Star At Army On Long Leave Here

Lt. George E. Fletcher, who starred as an end with West Point football teams in 1928, 1929 and 1930, is spending an extended leave with his parents, Mr. and Mrs. A. E. Fletcher, 130 Kells Avenue. Stationed at Fort Davis, Panama Canal Zone with the 19th Infantry for the last two years, Lt. Fletcher is accompanied on the current trip by his wife and daughter, Cynthia.

Following his graduation from Wilmington High School in 1924, he attended Staunton Military Academy where he finished in 1926. He entered the United States Military Academy the same year and graduated with the class of 1931.

College Sports Official

While stationed in Texas prior to the Panama assignment, Lt. Fletcher qualified as an intercollegiate referee of football, basketball and boxing. He holds a certificate in the national association for approved officials. Football games at Rice Institute, Southern Methodist, Texas Christian, University of Texas and Arkansas were featured by his work.

Remaining here until after the New Year, Lt. Fletcher will report for duty at Fort Washington, near Washington, D. C., early in January.

Fossett Enters Billiard League; Loses First Tilt

Jack Fossett, local cue wielder, became an added starter in the new Tri-State Pocket Billiards League when Phil Kurtz, a replacement entry from Aberdeen, failed to meet the schedule.

In his first match of the campaign, Fossett bowed to Don Cunningham, youthful Port Deposit star, 125-103, in a test that was close throughout. The match was played at Martin's State on Tuesday night.

Brown defeated Huss at Oxford on Monday, 125-97, while Martin goes to Rising Sun on Thursday to engage Hanna.

Newark High School Squad Again Entertained By Mothers; Awards Made

By LeRoy Carlisle Hill, Jr. (High School Correspondent)

Members of the Newark High School football squad were entertained at the fourth annual banquet in the school cafeteria Tuesday night by mothers of the boys.

Coach W. K. Gillespie acted as toastmaster. Guest speakers were Superintendent Carleton E. Douglass, Mr. John Richards, Dr. P. K. Musselman, Assistant Coach Ralph O'Connell and Dr. J. R. Downes.

Nineteen members of the team were awarded the varsity "N," nine of whom were seniors. Those who received the letter awards were: Gregg, Doordan, Crater, Butts, Hudson, Skillman, Ingham, Hill, Treut, co-captains George and Egnor, Brooks, Hancock, Robinson, Ewing, Grundy, Reynolds, Morgan, and Harrington. Following the awarding of letters, Coaches "Gloomy Gil" Gillespie and "Irish" O'Connell were presented gifts by the squad.

Intra-Murals Open

The Senior boys nabbed an early lead in the Newark High School intra-mural opens by trouncing the Juniors 25-6 in the first game Monday evening and following Tuesday with another 23-11 trouncing delivered to the Sophomores.

In the lower bracket the Freshmen whipped the eighth grade by an 18-7 count.

Morrison and Dawson stood out for the victors; the former in the first game with six points and the latter in the last tilt with eight.

FLASHES

By BILL FLETCHER

WE GROANED RIGHT WITH YOU in days gone by but not forgetting when Delaware cage teams were knocked all over the lot by the opposition. This year may disclose a different story, however, for the Blue Hens will present an aggregating that should be able to hold its own against the onslaughts of teams formerly physically able to do more than a little box twisting and get away with it.

In Fritz Ware, Lou Hayman, Earl Sheats and Tom Pennock, Coach Clark has a quartet of high and mighty packers of beef which should provide enough protection to allow Lindsay, Lew Carey, Daly, Wharton and a few more of the smaller guys to prance around unhindered. Even Daly small in stature (he is, can dish out a mean elbow when necessary and Lew Carey has never been any slouch when the going gets rough.

We're not advocating or predicting a rough and tumble, boxing wrestling type of basketball this year—merely remarking that it's a good thing there are a few big boys on the club. Every once in a while the Blue Hens will run up against a crew using as its most effective offensive measure these underhand tactics. The presence of size will more or less curb this offensive and when the tough guys persist—they'll be forced to "take it" as well as "dish it out."

MUCH IS EXPECTED OF Earl Sheats, Middletown product, who is already a familiar figure to Newark ball fans. According to Coach Clark he's still more than a little green, but he's a good team man and an excellent shot.

It looks as if Delaware will have another four-letter man within the next four years. Sheats, in addition to basketball and baseball, is in line for an end post next year and according to reports, he can lift and set those dogs down in a mean manner on the cinders.

PLEASE NOTE—Bayard Horn, manager (honorary manager, according to Bernard P. Doordan, asst. mgr.) of the Blue Hen cage squad, was kind enough to inform us that Manista, Salasarian turnout, has been very much irritated by the press. The source of irritation, says Bayard, is in referring to the peevish one as "Stan." Says Bayard—"He wishes to inform you his name is Stashu—not 'Stan.'" And so we abide—Hall Stashu.

Stashu to you, too, if you wish to avoid the curse of a Manista's wrath.

GETTING BACK TO ALTITUDE—you'll have to look up to the Rutgers basketball team this season, that is, unless you range over six feet two inches in height for that's what this quintet averages.

Carl Miller, veteran guard, is the midget. He falls short of the six foot mark by a half inch, but George (Continued on Page 7)

NEWARK HIGH SCHOOL NEWS

By Bill Richardson
Editor, "Yellowjacket Buzz"

Through the request of the Senior Class the Activities Program has again returned to the high school. Previous activities periods have been provided each week—one on Tuesday morning and the other on Friday afternoon.

The regular one-hour periods have been shortened to forty-five minutes. Seven dramatic clubs have been formed, thereby permitting 128 students to participate.

The school orchestra, conducted by Miss Elizabeth Staten, has attained a membership quota of sixty-four. Fifteen students, including members of the YELLOWJACKET BUZZ staff, attend journalism meetings twice weekly. The school chorus consists principally of girls and approximates a total of one hundred.

Commercial Club Meets
The Twentieth Century Commercial Club held its third monthly meeting at the high school on Monday evening, December 7. The club was addressed by Mr. William Holloway, a graduate, who is now employed as an automobile salesman. His subject for discussion was "Your Opportunities in the Commercial World."

Evidently the Seniors are determined to be basketball champions of the school. They succeeded in taming the Juniors and Sophomores. Then the Juniors defeated the Sophomores as they stand—1, 2, 3—Seniors, Juniors and Sophomores. That's the right order anyhow!

The Seniors will meet the Faculty team later this season. With the addition of "Irish" O'Connell to the quietest, the teachers should place a formidable combine on the floor.

Thanksgiving Issue
The Thanksgiving issue of the YELLOWJACKET BUZZ, the only student publication, proved to be the finest put out yet this year. The highlight was a photograph of a turkey, taken by David Anderson, which adorned the front cover.

News from each individual home-room appeared. Under the Feature Department three delightful columns, which its promised are to be regular features, made their appearance for the first time. They were entitled: "Queen Queries," "Buzzes," and "Following the Bandwagon."

Christmas Issue Soon
The Christmas issue will be on sale Tuesday, December 22. The Literary Department is conducting a contest, offering prizes for the best Christmas stories and poems in the junior and senior high schools. In this same issue the students will be permitted to state their choice for the best photoplay of 1936.

The result will be published in the Valentine issue, to be published on February 14, 1937, Valentine's Day. Due to the enthusiasm expressed by both the student body and several members of the alumni, the BUZZ staff is expecting that the circulation will be the greatest of the year.

Sale of both the October and Thanksgiving issues proved quite successful.

FLASHES
(Continued from Page 6)
Battle, sophomore center, makes up for this by towering six inches above the mark.

With four veterans available for the first string forward and guard positions, the pivot post was regarded as the only possible weak point in the Scarlet five, but in the first contest, Battle allayed all doubts as to his qualifications for the berth by contributing to the 60-48 victory over Montclair Teachers College. He looms now as Rutgers' greatest center of the present decade.

With the old "bucket" play outlawed, Coach Frank Hill has developed an attack which makes use of three pivot positions, one in each corner and one near the foul line. Two men move the ball out in front. This style is very effective in opening wide the opposing defense. It looks as if the Blue Hens will need all the vertical expansion they have when they tangle with Rutgers' team of giants.

Red Men Preparing For Reception to Edw. W. Cooch
Lieut.-Governor-Elect Edward W. Cooch, of Cooch's Bridge, will be the guest of honor at a reception to be given next Tuesday evening by Minnehaha Tribe, No. 23, I. O. R. M., in their wigwam in Fraternal Hall. A number of prominent men of affairs will be present and the main speaker of the evening is expected to be a man of national prominence, who has

assured the committee in charge that he will be present if he can make the necessary arrangements for the trip to Newark. A definite answer is expected from this gentleman before the end of this week.

Last Saturday evening two buses were required to transport members of Minnehaha Tribe and some guests from other nearby tribes, to Philadelphia, where they were entertained in an elaborate fashion by Teocco Tribe, 343. The Great Sachem, Great Senior Sagamore, Great Junior Sagamore, and Great Keeper of Records of the Reservation of Pennsylvania, and other prominent Red Men were present, and gave very interesting talks. Orville Sidwell, Chief of Records of Minnehaha Tribe, by special invitation, acted as assistant master of ceremonies. Among the members of Minnehaha who spoke briefly were Past Great Sachem of Delaware Frank H. Balling; Past Sachem Albert Lewis; Degree Captain Vaughn Heavellou; Albert Bruen; and Prof. Ira S. Brinser, former Superintendent of Newark Schools, now Superintendent of Public Schools at Wallingford, Delaware county, Pa.

Keeper of Records Reinhardt, of Teocco Tribe, acting as master of ceremonies, presented a Sachem's tomahawk to Minnehaha Tribe, as a memento of the visit. Frank Johnson, Sachem of Minnehaha, was called upon to take charge of the gift, and accepted the responsibility in a few well chosen words.

Future Farmers To Hold Dinner On December 15

Members of the Newark chapter of Future Farmers of America and the Vo-Ag Boys of the Newark High School will be dining in the school cafeteria on Tuesday evening, December 15, at 6:30 p. m. Approximately 100 guests are expected to attend.

Invited guests include: Dr. H. V. Holloway, Dr. John Shilling, Dr. R. W. Heim, Mr. W. Lyle Mowlds, Dean Charles A. McCue, Mr. George Schuster, Mr. George Worrlow, Mr. C. E. McCauley, Mr. C. E. Phillips and Mr. Carroll Mumford.

Past members of the association, their parents, and the fathers of the present members of the association, school board members, and the male members of the faculty will be guests of the association.

To Show Films
The program for the evening will consist of the movies taken on the summer outing last summer, and an address on "Action" by Mr. E. Paul Burkholder, Rural Supervisor of Schools of Sussex County.

Mr. Raymond E. Beyerlein will preside as toastmaster. Mr. John L. Phillips, instructor of vocational agriculture at the Newark High School, is adviser and sponsor of the club.

MARSHALLTON ARRANGING A CHURCH XMAS

Holiday Entertainments Are Planned; Seeds, Victim of Fall, Buried

HOMES BEING ERECTED

Marshallton, Dec. 9.—Christmas entertainments are planned preceding and following the holiday by children of the Marshallton M. E. Sunday School and St. Barnabas' P. E. Church School. Rehearsals began Tuesday evening for the M. E. program which will be presented on December 22. The annual entertainment at St. Barnabas' Church will be given on Tuesday, December 29. Candy and fruit will be distributed to members of both churches.

The Epworth League of the Marshallton M. E. Church will meet tonight (Thursday) for a business session and social at the parsonage. The Misses Margaret and Rosemary Kelso will be hostesses. Charles Rector, president, will conduct the business session.

Funeral Is Held

Funeral services were held Tuesday afternoon for Aubrey O. Seeds, 26 year old, from the home of his brother-in-law and sister, Mr. and Mrs. Franklin Knotts. The young man was killed last Friday when he fell from the tenth floor of the new Newmours Building, Wilmington. Interment was in Longwood cemetery.

A luncheon will be held today by members of the Ladies' Auxiliary of the Mill Creek Fire Company in the fire hall. Plans for Christmas activities were made at the meeting of the auxiliary on Tuesday night with Mrs. James Eden, president, presiding. Representatives of the organization attended the New Castle County Auxiliary meeting last night in Claymont at which officers were installed. Mrs. Nan Laws Woods of Richardson Park, was recently reelected president of the county auxiliary.

Miss Mary Straub of Pitman, N. J., is the guest this week of Mr. and Mrs. John Pieper.

Son Is Born

Mr. and Mrs. Lloyd Saunders are receiving congratulations on the birth of a son Monday at the Delaware Hospital. The Saunders have two older boys. Mrs. Saunders is the former Miss Myrtle Conkle.

Samuel M. Cranston, 90 years old, who fell last week and suffered severe bruises to the hip, is now said to be recovering. Mr. Cranston makes his home with his son-in-law and daughter, Mr. and Mrs. Alonzo Newlin.

Mrs. Mary Deighton is recovering at her home from an illness of pleurisy during the past two weeks.

Mrs. Charles N. Bradway, who suffered a broken leg when struck by an automobile last week in Wilmington, is recovering at her home.

Ladies' Aid Meeting

Meetings of the Ladies' Aid Society and official board of the Marshallton M. E. Church on Monday night were followed by a joint social and oyster roast. Miss Addie T. Williams presided at the Ladies' Aid meeting during which routine business was transacted.

Mrs. Martha D. Mackey, of Cranston Heights, is the retiring worthy matron of the Fire Points Chapter, No. 13, Order of the Eastern Star. New officers of the chapter will be elected at a meeting tonight in Richardson Park.

A Christmas party is planned for Wednesday night, December 16, by members of the Ladies' Auxiliary of the Cranston Heights Fire Company. The committee arranging the party will meet next Monday at the home of the chairman, Mrs. Oliver Melson.

Card Party Held

A bridge and five hundred party was held last night in the parish house

of St. Barnabas' P. E. Church for the benefit of the Marshallton Parent-Teacher Association.

A covered dish luncheon was held yesterday by members of the Marshallton Civics Club at the home of Mrs. Fannie Nauman in Cranston Heights.

Several new homes are being erected in and near Marshallton. Walter Mose has started work on a bungalow on New Street, the first of four to be erected there, while Bonnie Gilbert is completing a bungalow in Marshallton Heights. This bungalow is also the first of several to be built by Mr. Gilbert. Another new home is that being built by D. Knotts in Cranston Heights.

Local School Third In Red Cross Tabulations

Newark schools, with a total of 1,124 students enrolled in the Junior Red Cross during November, were third on the state list that included 41 schools reporting, according to the organization's monthly report made public this week. A total of 13,207 students were registered throughout the state.

Other schools in this district reported as follows: Milford X Roads School No. 37, 19; Hockessin School No. 29, 133; Delaware City School No. 118-C, 38; Newport School No. 106-C, 145; and Marshallton School No. 77, 550.

With Walter Dent Smith serving as chairman, first aid classes are being carried on in the following schools: Yorklyn, three classes, 32 pupils, Harry B. Massey, Jr., instructor; University of Delaware, eight classes, 80 students, Joseph Shields, instructor; Newark 4-H Club leaders, three classes, 62 students, Harry B. Massey, Jr., instructor.

Fire Destroys Barn At Juniors' Children's Home

"American Flag Council No. 28, Jr. O. U. A. M. is about to take account of its accomplishments during the past year," said A. Neal Smythe, publicity chairman for that organization, in an interview this week.

"Our weekly attendance has been high, our interest has increased, our membership has gained," he continued, "and we are not content."

"We still have four meetings before closing our 1936 ledger, time to get our friends to join our ranks," Mr. Smythe said.

"Our poultry popularity contest is in high gear," he continued, "for which prizes will be awarded Monday night, December 21."

"Steps are being taken to replace the barn at once," Mr. Smythe concluded.

Eighty-four men were killed on the Boulder Dam project.

IN MEMORY

In memory of our father, N. Sarkes, who passed away on December 12, 1935.
We often sit and think of you
Of the things you used to say
and do
And we wonder why you had to die
Without a chance to say good bye
Sadly missed by,
