Definitive date for the annual Newark High School Alumni Banquet in honor of the current graduating class has been set for June 3.

Conrad Lewis, Jr., has been named general chairman for the affair, plans for which were discussed at a meeting Monday night of the association's officers along with Supt. Wilmer E. Shaw and Principal Frederick B. Smith. Sam Tulucci, Alumni president, presided at the session.

On Mr. Lewis' committee are: Ray Conte, decorations chairman; Harold Phillips, publicity; Mr. and Mrs. Henry Mote, reception; John Jamison, caterers; Mrs. Edward Fisher and Russell Phillips, program.

The scholarship fund drive will be under the leadership of Mrs. Edward Fisher.

Students To Take Over Teachers' Jobs

Students at the Newark High School will take over the duties of the teachers when they will change places with the teachers and run the school during the annual Student Day observance.

The entire school staff from Supt. Shaw to the janitor will give up their desks to the students, and the boys will sit by while the faculty runs an assembly.

Nominations for Student Council officers will commence the third week of April, with elections the early part of May.

New Grade School Still Far Short Of Needs, Shue Says

Despite the completion of the new elementary school building here, the Newark district will need ten more classrooms by 1952, Supt. Wilmer E. Shaw pointed out in his talk at the school dedication exercises here Saturday.

Although it will do much to ease the present overcrowding, the new school is still far short of meeting even the immediate needs of the community, Mr. Shaw stressed. His talk ranged over the outlook for the district, pointing out needs in various departments.

When the plans for the new building were being drafted, officials felt they would not be adequate. As early as 1945, Mr. Shaw said, it was recognized that the district would need a new classroom building but only 23 had been worked into the present building because of budgetary restrictions.

He hoped the new building would ease the entire elementary school, including grades one to six, thus freeing the main building, except for audi-

Easter Sunrise Service Starts At 6 A. M. On High School Athletic Field

An Easter sunrise service will be held on the high school athletic field starting at 6 a. m. under the auspices of the Bible Presbyterian Church.

The general public is invited to the service, plans for which were announced yesterday by the Rev. Hayes Henry, pastor.

The principal speaker will be the Rev. Jack Ludlum, pastor of Grace Bible Chapel, Zion, Md.

Music will be provided by Harry Hobart, trumpet soloist, from Faith Theological Seminary and the mixed quartet of the church. Vocal selections will be given by Thomas Newman.

Arrests By Police Total 28; Speeding Again Top Offense

12 Fined For Violating 25-Mile Limit; 14 Investigations Carried Out

A total of 28 arrests, the majority for speeding, were made by the Newark Police during March, according to Chief William Cunningham's report.

Twelve motorists were fined for violating the 25-mile limit.

The force also carried out 14 investigations, including eight accidents, two larcenies, one report of lewdness, a forged check and a report of receiving money under false pretenses. Two persons were held for the Court of Common Pleas, one for the Family Court and one was sent to the workhouse.

In addition to the speeding fines, the arrests were: drunk on public highway, two; buying alcoholic drinks for minor, one; assault and battery, one; knowingly permitting, one, no operator's license, two; no registration car, one; disorderly conduct, two; lewdness, one; passing red light, two; drunk, two; failing to stop at "stop" sign, one.

Twenty street lights were reported out of order during the month. The force handled 240 telephone calls. The police car travelled 3,426 miles. Overnight lodging was provided for two persons.

Rites This Afternoon For Harry C. Nelson

Harry C. Nelson, of near Newark, retired employee of the National Vulcanize Fibre Company, died on Monday in the Delaware Hospital. Services will be held today at 2 p. m. from the Shellender Funeral Home, with interment in White Clay Creek Cemetery.

Mr. Nelson, who was taken to the hospital last Thursday, is survived by his wife, Mrs. Carrie Nelson; a daughter, Mrs. Chester Ewing, of Newark; a sister, Mrs. Elva Smith and a brother, Fletcher Nelson, both of St. Georges.

Born near Delaware City, Dec. 25, 1890, Mr. Nelson was a farmer there until moving to Newark about 1917. He was the son of the late John B. and Rachel B. Nelson.

Services This Morning For Sarah E. Bennett

Services were held this morning for Mrs. Sarah E. Bennett, widow of William N. Bennett, who died here Sunday. Mrs. Bennett, who was 77, lived with her daughter, Mrs. Emily B. Godwin.

Born in Maryland, Mrs. Bennett had lived in Newark for the past 13 years. In addition to her daughter, she is survived by a brother, Levin B. Wright, of Milford, four grandchildren and one great-grandchild.

Services were held at the McCreary Funeral Home, Wilmington, with interment at Barratts Chapel Cemetery, near Frederica.

4 Alarms In Little Over 4-Hour Period Keep Aetnam Busy

Series Of Grass Fires Sunday; Volunteers Also 'Cover-Up' For Elsmere

It was anything but a calm Palm Sunday for the Aetnam. They handled four fires in a two and a half hour period, then sent 12 men to Elsmere to "cover up" for that company during the general alarm fire in Wilmington.

The alarms were all for brush fires, and no serious damage was caused.

Sunday's peace was first disturbed around 1:40 p. m., when a call came for a wood's blaze at Ogletown. While the Aetnam were still fighting that, an alarm sounded for grass near Ogletown. Another contingent of volunteers in the reserve engine handled this. About 2:30 p. m. a grass fire broke out near Corner Ketch, and a half hour later grass was reported ablaze at Pleasant Valley.

Shortly after 6 p. m. the engine was sent to Elsmere for a six-hour stint guarding that community while its volunteers assisted in Wilmington.

The only other call the past week came on Saturday, around 4:30 p. m. for grass near the Pennsylvania Railroad along Elkton Road. The property is being farmed by Edward Wilson.

St. Thomas' To Hold Two Easter Services

Meditation Service Planned For Good Friday

Easter Day services at St. Thomas' Church will be held at 8 and 11 a. m. Both services will be celebrations of the Holy Communion with music.

The Junior Choir of the Church School will sing at the early service under the direction of Mrs. Arthur Johnson, organist. The anthem will be "Again the Morn of Gladness," by Peter Lutkin. The early service is intended particularly for families whose children are in the church school.

At the later service the choir will sing the familiar Easter hymns and the anthem: "Alleluia! We Sing With Joy," by Jacob Handl. The choir is under the direction of Mr. J. Robert King of the University of Delaware.

Good Friday will be observed with a half-hour service of the Ante Communion at 12 noon. The service of meditation on the Crucifixion will begin at 2 o'clock.

Recreation Group To Elect Officers

Fund Drive Set For Latter Part Of April

Officers will be elected by the Newark Recreation Association next Thursday night at the New Century Club.

The officers will be chosen from the board of directors by the general membership.

Three new board members selected at an executive meeting Tuesday night are: Mrs. Allen Colburn, Miss Ann Chalmers, and Alden "Whitey" Burnham. They replace George Haney, Edwin McCully and Dr. John R. Downes, whose terms expired.

A fund drive for this summer's program is scheduled for the latter part of April, according to Paul Dolan, general chairman. George Haney, retiring treasurer, reports that the association's cash reserves now total \$226.27.

In addition to the new members listed above, the board of directors now includes: T. D. Smith, Mrs. Robert Lewis, Dr. Paul Dolan, Mike Kubicko, H. W. Rawstrom and Dr. A. J. Jackson.

Services Sunday For John Frederick Salminen

Services were held Sunday for John Frederick Salminen, 51, who died Friday at the Memorial Hospital, where he had been a patient for about 10 days. Mr. Salminen, who was the owner of the Iron Hill Poultry Farm, near here is survived by his widow, Mrs. Maria Salminen and son, Ollie Salminen, living at home.

The Rev. George H. Mueller, pastor of the Concordia Lutheran Church, officiated at the services Sunday. Interment was in Pencader Cemetery at Glasgow.

Mrs. May B. Geist Interred Yesterday

Mrs. May B. Geist, 79, wife of Walter Geist, Haines Street, died Saturday in the Wilmington General Hospital after a three month's illness.

Services were held yesterday from the Jones Funeral Home, with the Rev. Theodore L. Ludlow, rector of St. Thomas' Church, officiating. Interment was in Loudon Park Cemetery, Baltimore.

Born in Baltimore, Mrs. Geist had lived here for many years. Her husband is the only survivor. She was a member of St. Thomas Church.

3-Way Contest Arises For Mayor At Filing Deadline Saturday

William Swan Enters Mayor's Race; Committee Formed To Oppose Sunday Movies; Full Election Slate Listed

The town election race moved into the down stretch this week, offering local voters one of the most varied slates in years.

A three-way contest for mayor developed just before the filing deadline Saturday when William B. Swan, 20 Tyre Avenue, announced his candidacy.

He was the only last-minute candidate to appear, but contests were already plentiful in the vote scheduled for Tuesday at the firehouse from 7 a. m. to 7 p. m.

Adding interest to the balloting will be the referendum on Sunday movies. Opposition developed openly this week when a group calling itself the Joint Committee Opposed to Commercialized Moving Pictures on Sunday began seeking support among the voters. Its position, which aims at keeping "the Sabbath peace and quiet of Newark" is stated in full in a letter elsewhere in this issue. The policy of the State Theatre's management is outlined in an advertisement on page 3.

The opposition committee claims that if movies are permitted here on Sunday other commercialized activities, such as dance halls, bowling alleys, pool rooms, cannot be justly kept closed and eventually Newark will become a "wide open" town on Sunday.

The State Theatre management points out that every community, large and small, within a reasonable distance of Newark is now enjoying Sunday shows. Here in Newark, families that can afford television sets, golf and other sports may indulge themselves on Sunday but the average working man unable to afford such luxuries, is denied the opportunity for relaxation and entertainment.

Mr. Swan, the latest candidate for mayor, retired in 1941 from a position as accountant with the federal government. Now self-employed, he holds master degrees in law and patent law from National University and a degree in accounting from Benjamin Franklin School of Accounting, Washington, D. C. A native of Iowa, he has been a resident here since 1942.

Although he has never held public office here, he has twice been a candidate for Council, running against both John S. Hopkins and Norman Battersby in eastern district. He was defeated on both occasions.

In a statement yesterday, Mr. Swan said that as mayor he would be against any increase in town taxes and in favor of a more equitable town assessment to be carried out exclusively by town employees. He also said that under his administration the position of Town Secretary-Treasurer, which now virtually carries the duties of town manager, would be limited to the duties implied in the title, and that as mayor he would take over the duties of town manager full-time.

The election candidates put themselves on the spot last night at an open meeting in the New Century Club. Each outlined his stand on local issues, and at the conclusion, the session was thrown open to questions from the floor.

For Mayor
Ford H. McBERTY, incumbent, DuPont engineer.
Dr. Wallace Johnson, physician.
William B. Swan, retired accountant.

Western District

Town Cash Balance Falls Off In March

Falling off slightly from the \$23,187.66 carried over from the preceding month, the town's cash reserves totaled \$20,856.65 at the end of business in February, according to Town-Secretary Treasurer F. A. Wheelless' report.

Biggest revenue item was \$12,973.49 in electric power receipts. Next was \$7,416.56 in power receipts and third was \$1,772.30 in water rents.

Gross income for the month came to \$23,127.49, but expenses amounted to \$25,456.50, accounting for the dip in the reserve.

Rites Saturday For Mrs. Amanda T. Johnson

Mrs. Amanda T. Johnson, 66, widow of Curtis W. Johnson, Eastburn Heights, Marshallton, died last Wednesday in the Memorial Hospital, where she had been a patient a little over a week.

The Rev. Preston W. Spence, pastor of the Atonement Methodist Church at Claymont and the Rev. George T. Walton, pastor of Salem Church, officiated at the services, which were held Saturday from the Jones Funeral Home here. Interment was in Salem Cemetery.

Mrs. Johnson was a member of the Salem Methodist Church and the Christiana Home Demonstration Club.

Surviving are seven children, William Johnson and Albert C. Johnson, of Eastburn Heights; Miss Ada Johnson, of Salem, N. J.; Wesley Johnson, Oxford, Pa.; Mrs. Charlotte Haines and Mrs. Grace Henry, New Castle; Mrs. Helen Burrows, Newark; nine grandchildren, and seven sisters and three brothers, all living in lower Delaware.

Problems Of Local Statecraft Would Try Even Dean Acheson

Newark's lawmakers on the Town Council may not be called on to grapple with the major problems of statecraft, but the issues they do get involved in would set even Dean Acheson to biting his mustache and mumbling to himself.

For instance, our local statesmen recently decided it was about time to hire another policeman and the question came up as to whether or not the new man had to be a resident of the town. Seemed like a simple matter. Just consult Newark's constitution, the Town Charter.

They did and found that sacrosanct document a bit vague on the matter. Town Solicitor John P. Sinclair was called in and told to weigh the question in the legal light.

He did. Disappeared for weeks, in fact, finally showed up, wan and pale from midnight studies, to say he wasn't sure either. He brought with him a

five-page typewritten manuscript, a model of inductive reasoning, judicial objectivity and legal clarity. It gave succinct and persuasive arguments for both sides of the question. It concluded, rather hesitantly, with the "opinion" that the new man does not have to be a resident of the town, but, from the tone of the essay, Mr. Sinclair wouldn't want to be backed into a corner and forced to swear to it.

The lawmakers looked at the manuscript and goggled. They're still studying it.

Just to show you what the high-level thinking power it takes to be a statesman in Newark, we quote from Mr. Sinclair's opinion, in which he gives a fascinating display of a man verbally fencing with himself.

First the negative side:

Town Council Rules On Queries Raised Over Local Election

Lawmakers Settle Questions Raised By Voters And Candidates

A number of questions concerning the town election on April 11 were ruled on by the Town Council at its first monthly meeting on Monday night.

The lawmakers, three of whom are up for reelection, were in an amiable though cautious mood, and devoted most of the evening to routine business.

The election rulings, resulting from questions raised by citizens and candidates, were as follows:

(1) Citizens in arrears several years in their capitation tax need pay only the year's tax currently due to be eligible to vote. They will still be liable for the unpaid tax, however.

(This question, raised by Candidate George Wilson, was settled only after much discussion by the lawmakers and charter thumbing by Town Solicitor John P. Sinclair.)

(2) A citizen who has moved to a new district and is listed on the town voting rolls at his former address should vote in the district in which he now resides.

(3) A citizen who owns property in one district but lives in another where he paid a capitation tax may vote in either district but not in both. (This also sent Solicitor Sinclair's nose into the charter for a lengthy period.)

(4) Any candidate in the election may secure a list of citizens in his district whose capitation tax is unpaid.

The Council also accepted with regrets the formal resignation of Town Secretary-Treasurer F. A. Wheelless, effective April 18. Mr. Wheelless, who announced his intention to resign some time ago, has held the post since the resignation of Vernon Steele last December.

In accepting his formal withdrawal, the Council complimented Mr. Wheelless on the efficient and capable manner in which he had handled the office.

First Presbyterian Youth Easter Service

The annual Youth Easter Service at the First Presbyterian Church will be held at 7:45 a. m. on Easter morning and will be followed by a Youth Fellowship breakfast for the group, given by the Women's Adult Sabbath School Class under the direction of Mrs. Carolyn Lowry.

Peggy Smith and Judy Colburn will lead the meditation and Clarence Mattison will read the Scripture following the Call to Worship by Barton Mackey, Jr.

A guest soloist, Mrs. C. V. Foster, will sing "I Know That My Redeemer Liveth," accompanied by Miss Dorothy Draper.

The service will be led by Donald Knauss.

An outstanding feature of the service will be two anthems by a Youth Chorus under the direction of Mrs. Louis Mattison, accompanied by Mrs. C. V. Foster.

The entire program was planned by Mrs. Elgin Shaw.

FORGOTTEN MAN

Fifty years a resident of Newark yet ineligible to vote in Tuesday's town election—that's the case of Leslie Hill, Choate Street.

Mr. Hill, a non-property owner but a solid citizen nonetheless, checked up recently at the Council offices and found his name was not on the voting lists—the old story—missed in last year's town census.

"Overight, they tell me," snorts Mr. Hill, "fah! If I ever get my shotgun sights on one of those senseless takers, it'll be all over for him."

Legion Auxiliary Unit Lists Winner Of Essay Contest

Phyllis Harrison Submits Best Paper On "Why Are We Loyal To U. S."

Phyllis Ann Harrison, a sophomore at Newark High School, is the winner of the essay contest sponsored by the J. A. O'Daniel Unit, No. 10, American Legion Auxiliary.

The announcement was made at the unit's April meeting on Monday by Mrs. Ford McBerty, Americanism, chairman. Miss Harrison's topic was "Why Are We Loyal To Our Country." Runners-up in the contest were Janice Olson, Irene Khar and Ellen Cooper, all high school students here.

Speaker at the meeting Monday was Mrs. Marie Conway, of Dover, who discussed the life and customs of Ecuador, the country chosen for study this year in the Auxiliary's Pan American Project. It was pointed out that April 14 is Pan Americanism Day, marking the formation of the Pan American Union.

The Child Welfare Chairman, Mrs. J. Harvey Dickey, announced that the Auxiliary had completed a 25-year period of aid to needy children. She stressed the fact that child welfare is a year round program and that the Auxiliary stands always ready to help deserving children of the community. She also asked support for the state's children by buying Easter Seals.

A nominating committee, comprising Mrs. Harold Sheaffer, Mrs. Lila Little and Mrs. Lee Lewis, was formed to select a slate for the unit's annual election. It will report at the May meeting.

The unit will sponsor a card and bingo party starting at 8 p. m., April 17, in the Legion home.

Seek Volunteers For Cancer Drive Here

Aim To Get Cancer Detection Data In Every Home

Volunteers are still being sought for the Cancer Crusade now underway here, according to Mrs. Samuel Handloff, general chairman. Anyone interested in taking part is urged to call Newark 2-0581.

A primary aim of the drive to get literature on the detection of cancer and the work of the cancer society into every Newark home. Especially important is the need to make every citizen able to recognize the seven cancer danger signals. Detection of these in time can save lives.

Mrs. T. D. Mylrea has been appointed honorary chairman of the Newark drive in recognition of her years of service to the American Cancer Society, especially as Field Commander for Delaware of the Women's Cancer Army.

Contributions in check form should be made out to "Delaware Cancer" and sent either to the American Cancer Society, 1324 Market Street, Wilmington, or Mrs. Handloff, South College Avenue.

The Newark committee includes: Mrs. Perrie Arnold, Mrs. Arthur Ayers, Mrs. Alex D. Cobb, Mrs. John E. Fisher, Mrs. Edward H. Elliott, Mrs. Paul Hodgson, Mrs. Harry McKenry, Jr., Miss Sadie Roy, Linwood Robinson, Mrs. Homer Seely, Mrs. T. D. Smith, Miss Wilda Walker, Miss Myrtle Watson, Mrs. Ernest Wilder, Mrs. H. Gibbons Young, and Mrs. Dorothy Freeman.

Dinner Dance Held At Rotary Club

The Rotary Club of Newark held a dinner and dance Monday night at the Newark Country Club in lieu of its regular weekly meeting. A large number of members and their guests enjoyed a fine dinner and dancing to the orchestra of Joe Haverback.

Charles Southwell, director of Rotary Blackbirds of 1950, which was given last week by the club, and Mrs. Southwell were guests, as were William Marrs, president of the Lions Club and Daniel Harvey, president of the Kiwanis Club. Other guests included members of the cast of the minstrel show.

Group singing was led by Alden H. (Whitey) Burnham, who also entertained by offering a take-off on the minstrel rehearsals as conducted by Charles Southwell.

District Governor William W. Reynolds has extended an invitation to every member of the club to attend the 272nd District Conference of Rotary International which will be held at Atlantic City on April 16th and 17th. A large delegation headed by President Jack Handloff, and President-elect Joseph Shields is planning to attend the conference.

Council Meet

ner with which he had handled the duties of the office.

In further business, the lawmakers granted permission for holding the annual Memorial Day parade here on May 30. The ceremonies will be in charge of a committee under Curtis Morrison, VFW Commander, and William Beswick, Legion head.

Town Solicitor Sinclair was ordered to work up an ordinance draft calling for the licensing of plumbers and electricians. The law is being considered as a means of halting the practice of by-passing town meters, which some electricians are alleged to do when making temporary installations.

A request by the University Garden Apartments that the town bear the cost of installing two fire hydrants and an enlarged water main to serve the Elkton Road apartment house project was referred to the water committee. Estimated cost of the work is \$3,500. The corporation says the hydrants, required under town safety regulations, were not called for in the original plans for the development and their inclusion now would put the builders to considerable unforeseen expense plus more technical maneuvering with the Federal Housing Authority.

A claim for \$200 made against the town by William L. Lynch was referred for settlement to the Town Solicitor. Mr. Lynch says that a loose manhole cover flew up under his car some time ago doing considerable damage. Solicitor Sinclair was ordered to make arrangements for dedication to the town of properties below Haines Street with a view to extending that thoroughfare to East Park Place.

Purchase of eight reflector signs for installation at every town entrance was authorized. The signs to cost \$9.50 each will warn incoming motorists that the 25-mile speed limit here is strictly enforced.

Walter Wassmer, 404 Delaware Avenue, renewed a complaint of long standing on behalf of the residents of Read Village regarding street and curb conditions there. He maintains that when the area, a wartime housing project, was deeded to the town by the federal government, the Council obligated itself to bring the streets and curbs up to the standards of those in other sections of town.

Whether or not the town assumed any such responsibility is in question, and Mr. Wassmer was referred to the minutes of the session at which the property transfer was made. The minutes are available to anyone interested at the Council office.

Councilman Robert Levis reported on the negotiations underway some time between the town and the Danita Hosier Company in which the latter claims that the Council has been overcharging it for electric power for a period of two years. A considerable sum is at stake in the investigation, which Mr. Levis says is coming along favorably from the town's standpoint.

Local Statecraft

(Continued From Page 1)

is not a resident of the town is limited to residence at the time of his 'election.' Therefore, if a town constable is not an elected officer, the requirement of residence is not applicable. The charter recognizes in Section 5 that officers of the town may be either elected or appointed for it provides in that section that the officers must take an oath to perform the duties of the office to which he has been elected or appointed. The provisions concerning the alderman, the secretary, the treasurer, the assessor and the collector, found respectively in Sections 10, 15, 17, 30 and 32, all provide that these officers shall be chosen by the Council which shall 'elect by ballot.' Section 22 on the other hand provides that the Council may 'appoint by ballot' the town constable. The use of the word 'appoint' instead of the word 'elect' in the case of constables when read in connection with the recognition of 'appointed' officers in Section 5 indicates that the drafters of the charter meant to differentiate the constable from the other officers mentioned above. The only point of differentiation which is apparent between an officer appointed by ballot and an officer elected by ballot is that the former is being an appointed officer does not come within the requirement of residence prescribed for elect-

ed officers. An additional argument may be made from the fact that Section 10 contains an express provision that the alderman shall be a resident of the town. This provision is surplusage if Section 4 requires all officers to be residents. (Residence is a requirement)—"Section 3 of the charter lists the town officers and includes constables in that list."

"The purported distinction between 'appointed by ballot' and 'elected by ballot' is meaningless because the two methods of selecting an officer are synonymous in everything but nomenclature. In other words, the mechanism for appointing an officer by ballot is exactly the same as electing an officer by ballot, and both are in fact appointive officers of Council and not elected officers. There are, therefore, only two classes of town officers, the one being the President of Council and the members of Council who are elected officers, and the second being all other officers of the town who are appointed officers."

"Section 4 not only provides that no person shall be eligible to any office who is not at the time of his election a resident of the town, but also provides specific additional requirements for the President of Council and members of Council. Since the President and members of Council are the only elected officers of the town, the requirement of residence in the first sentence of Section 4 is meaningless if it is limited to the President of Council and members of Council since they are specifically required to be residents in the second sentence of Section 4. Inasmuch as all words in the charter are presumed to be purposeful, it therefore follows that the requirement of residence in the first sentence of Section 4 refers not only to the elected officers (i.e. President and members of Council), but also to the other officers of the town listed in Section 3."

Conclusion

"After carefully considering the arguments on both sides of the question, I have come to the conclusion that the town charter does not require a constable to be a resident of the town. I base this conclusion on the fact that the town constables are appointed officers in fact and are described as appointed officers in Section 22 of the charter. Therefore, they do not come within the requirement of residence contained in Section 4 unless we read into that section words that are not there, namely, the words "or appointment" after the word "election."

A FRANK STATEMENT

The Moving Picture Theatre is an institution of our community as are schools, newspapers, radio and places of worship. A recent U. S. Supreme Court decision declares "moving pictures, like newspapers and radio are included in the press whose freedom is guaranteed by the First Amendment."

The management of this institution, The State Theatre, has received many requests for Sunday movies and explanations of why Newark has no Sunday Movies.

IT HAS BEEN POINTED OUT TO US THAT VIRTUALLY EVERY COMMUNITY, SMALL OR LARGE, WITHIN A REASONABLE DISTANCE, IS NOW ENJOYING SUNDAY SHOWS.

FURTHERMORE, FOR THE FAMILY THAT CAN AFFORD A TELEVISION SET, MOVIES ARE IN THE HOME SUNDAYS. FOR THE MAN WHO CAN AFFORD A COUNTRY CLUB, GOLF AND OTHER SPORTS ARE AVAILABLE ON SUNDAYS. FOR THE MAN

WHO CAN AFFORD THE TARIFF OF A TICKET FOR FOOTBALL OR BASEBALL, THESE ACTIVITIES ARE AVAILABLE ON SUNDAYS.

But, for the average, everyday working man, who cannot afford the expensive luxuries, but who still has the same normal desire for relaxation and entertainment as afforded by moving pictures the doors are closed on Sundays—closed, that is, in Newark. Many of these people will not be denied and are leaving Newark in substantial numbers for surrounding communities. This, they point out, adds additional expense and inconvenience and is obviously unjust.

In the face of these facts that permit no contradiction the problem was placed before our Town Council. It was decided the voter will be given an opportunity on Tuesday, April 11, 1950, to show his preference for or against Sunday Movies.

The Management of the State Theatre is obligated to serve our community as the voters direct. We will abide by the results of this vote.

If the majority are in favor of Movies on Sunday in Newark the policy of this management will be as follows:

There will be no showing during normal church hours of worship. Theatre will not be open during the hours of 6 to 8 P. M.

Only pictures acceptable for family audiences would be shown on Sunday.

Admission prices on Sundays would not be higher than surrounding communities, and in all probability would be lower than most, as they are now.

Newark, Delaware, Thursday, April 6, 1950

OPEN LETTER

At the annual town election, on Tuesday, April 11th, between 7 a. m. and 7 p. m., an attempt will be made to have commercialized Sunday moving pictures legalized in the town of Newark.

We believe the majority of Newark residents want to help maintain the enviable reputation our town has as an outstanding residential community and that a good citizen will not take the attitude that since he does not go to Sunday movies himself, the question is of no concern to him or to his family.

We believe that most people will agree that six days a week should be enough for movies, without encroaching on the day that so many consider sacred.

If moving pictures are permitted on Sunday, how can dance hall, bowling alleys, pool rooms, and other commercialized activities be justly denied permission to open? Anyone who has been in a wide open town on Sunday can appreciate the Sabbath peace and quiet of Newark. There is nothing to prevent those who prefer a noisy hilarious Sunday from going to nearby towns where Sunday is just another day.

We believe that the majority of the parents of Newark believe in the sanctity of the Sabbath and want their children to feel that Sunday is different from other days of the week, a day to catch up on inspiration and uplift after the week's grind.

Those eligible to vote are property owners who have paid a town tax during the past year and non-property owners who have paid last year's and this year's capitation tax before the day of election.

YELLOWJACKET HIGHLIGHTS

A Column of News Contributed
By the Journalism Class At
Newark High School

We Ask the Seniors About Washington Oh, Yes! It will soon be time for those darling little seniors to go on their Senior Trip. You walk around the halls, up the street, all around and what do you hear? "What are you going to take?" "What are you going to do during your free time?" "Shows?" "What Kind?" Yes there are just a few of the questions that have been popping up. The answers—well, we are going to do you cute little seniors a favor. (We think). We have been doing some inquiring and here are some of the things we have found out.

As for ourselves—"Pud" is going to have the time of her life. Of course her time will be shared with the quiet (?) senior named Bill. As for clothes—well, navy suit with some white accessories is to be her outfit.

On the other hand Sue Jane is going to wear navy blue with white plique accessories and says "I bet I get mumps. If not I'm going to raise the mice in the mattress."

Now for the others. There's Burton Schaefer. "What about you, Burton?" "I'm going to have a rare time—bring home some souvenirs—Dates? A new gray suit for me?"

"Oh, there's another prospect What do you have to say, Judith Kase?" "I'm going to try my best to acquire a well rounded education. I shall take advantage of all possible opportunities to do so."

"Thank you, Judy." Now we will ask Ross. "What say, Ross?"

"Well, I'm planning to have a very interesting talk with the house detective, and I wish very much to hear Harry play the "Missouri Waltz".

"Look! Here comes a gang of the kids, Betty Ann Timmons, Ruth Ann Lockard, Jim Towers, Bill Records, Paul Hodgson and "Buck" Buckingham. "What are you going to do on the trip, Betty Ann?"

"I am going to have the time of my life—No sleep—a brown and tan suit with brown accessories is my outfit!"

"How about you, Buck?"

"I plan to spend my leisure time in the Fine Arts Museum. Heh Heh!"

"That's Buck for you Now you, Ruth Ann?"

"I'm going to have a swell time and reunion with my friends (Smyrna)." "Say, Jim Lewis, are you going on the trip?"

Yes man, with bells on. As for dating—I'll leave that to the rich kids."

"Now, Bill, what are your plans?"

"A good time—most of it with Pud—dates as long as they are good eating. A blue suit with necessary accessories."

"Paul Hodgson, what are you planning?"

"Me—sleep!"

"Thanks, Kids. Look, here comes Cissie Murray and Bill Reybold. What do you all have planned for your trip, Cissie?"

"Be good and have a wonderful time."

"Bill?"

"I'm going to get my money's worth."

"So long and thanks! Look, Sue, here comes Wally David and Ted Davis. What are your plans for the trip in May, Ted and Wally?"

"Ted?"

"I am going to look up a girl named Peg."

"Wally?"

"As for my, I'm going to have a good time and see some of the sights I've missed before."

"Well, Kids, that's all for now. Pud Thornton

Student of the Week—Phil Harrison

Phil Harrison, our six foot, three inch Student of the Week, is a good student, a very popular person with everyone, and, of course, is one of Newark's most outstanding athletes.

Phil, who is eighteen years old, hails from West Grove, Pa., where he was born. Later he moved to Wamson, N. Y. He came to Newark in the third grade and has been here ever since.

Phil's favorite sports are basketball, baseball, football and track. His hobbies are collecting sport magazines, coaching games, and playing on athletic teams. As to his career, he is undecided. A suggestion offered by Phil for ways to improve our town is, "More recreation for the town to help deserving young athletes."

Phil says going steady in high school is "all right." How about it, Nancy?

Phil also says that "Buz" is a good school paper, however, he believes that there are too many outside activities covered, and not enough activities that go on in high school.

The two number that the Newark High School Band played were "March Gloria," and "March Slave."

U. of D. Nine Loses In Debut Monday With Quantico Marines

Hens Jolted At Start Of Six-Game Southern Tour; Marines Leap To Six-Run Lead In Opening Inning

The University of Delaware nine got off to a rocky start in its 1950 baseball campaign Monday, when they bowed, 13-5, to the Quantico Marines in a game at Quantico, Va.

The contest was both the season's opener and the start of a 6-game southern swing for the Hens.

The Marines landed with a thump in the opening stanza, pouring across six runs while the Hens fluttered about nervously. Two walks, backed up by a couple of singles, a solid triple, and clean-up circuit bloop accounted for the Marines first inning outburst.

Girl Leaders Offer Services To Bacon Center

Every Saturday there are at least five girls from Girls Leaders' Club who go over to the Bacon Health Center to help with the recreation program. The girls teach the children different games, give them baths, and help to keep the place clean.

A group of Newark girls with the help of Mr. Kelecheva made Easter baskets and filled them with candy. All girls contributed 15c to purchase the candy used in the baskets.

The baskets were presented to the children at the center on Saturday April 1, 1950.

The 8-1 section gave their luncheon on April 3. Mr. Morrison and Mr. Kutz were their guests. Mrs. Burghmuller is in charge of this work in home economics.

6th Graders Visit Airport, WDEL

About forty boys and girls from Grade Six (room 107 and 111), visited the New Castle Airport on March 28 to carry out their project on the study of communications. Their tour of the airfield included visits to the hangars and an opportunity to see planes in action.

April 4, the same group made a visit to the radio station WDEL. They were received at the station by the program chairman and had a chance to witness a "behind the scene" phase of a broadcast.

School Assemblies Discussed

"Better School Assemblies," was the topic of a recorded panel discussion held in Mr. Nickle's Business English class last week. The purpose of this discussion was to decide what the students of our school can do to improve our assemblies.

Members of the audience asked questions which were answered by members of the panel. A chairman was chosen by the panel to give a summary. After the discussion the recording was played back to the stenographic class who attempted to take dictation. It was surprising to the group to learn how rapidly they talked.

NHS Baseball Squad Steps Up Drills For Opener On April 18

Mercer Lists Outstanding Candidates For Berths On Varsity

Balmy weather this week saw Newark High School's diamond hopefuls speed up their practice sessions on the athletic field in preparation for their opener April 18 with Conrad.

With a solid core of experienced materials to work with, Coach Frank Mercer is fairly optimistic about the season's prospects and expects to equal or better last year's mark of eight victories and five losses.

The mound talent is rounding nicely into form, according to Mercer, with Frank Porter, Tom Baker and Ted Davis showing promising stuff. Leading contenders for the catching slot right now are Joe Gregg and Ronald Bramble.

The infield is still in doubt but the outstanding prospects for starting posts at the moment are: Phil Harrison, Jim Knotts, Bill Knotts, Ralph Buckingham, Ralph Barrows, David George and Jack Cleaves.

Four candidates currently topping the competition for outfield berths are: Alvan Sparks, Bernard Blaney, Buddy Wilson and Joe Thorpe.

\$700 In Tool Thefts At New Grade School

Reward Offered For Information On Series Of Robberies

A series of thefts, involving some \$700 in construction equipment and tools, took place during the building of the new elementary school here.

The thefts, which extend over a four months period, were disclosed this week by the Wayne Detective Agency, which is offering a \$50 reward for information leading to the arrest and conviction of the guilty person or persons.

Anyone with such information is urged to call Wilmington 4-8049 or Newark 2-8251.

Among the items stolen, all belonging to the Ruppert Construction Company, which erected the new building here, were: a caulking gun, two electric skill saws, two aluminum frames, two radiators, a shower head, 50 feet of steel tape, 6-foot Stanley rule, a nickel-plate plumb ball, and three cartons of rubber tile.

J. H. Boy of the Week—Billy Nichols Junior high boy of the week, Billy Nichols, entered Newark in his 7th year. Before that he attended the West Bank and South Bank Schools. His hobby is photography and he plays the clarinet in the band. As yet he has not made up his mind as to what he will be when he finishes high school.

Chicks Knot Play-Off Series With Newark In Game Thursday

Possible Series Deciding Game Set For Tonight At Elktion Army In Sucky Basketball Loop Play-Offs

What could prove the decisive game in the title play-offs of the Sucky Hanna Basketball League will take place tonight when the Newark AAU team meets the Elktion Army.

After drawing first blood in the opening of the finals last week, Newark dropped a heartbreaker, 51-49, in the second game of the best-three-out-of-five series last Thursday. The clubs met again this Tuesday night to break the deadlock.

Last Thursday's contest was a hair-raising fight all the way. Deadlock, 18-18 at the halftime, the teams continued to battle on even terms through the third quarter, the Chicks trailing with a one point margin at 24-23. The final period had the fast feeting Chicks pile up eleven points, and a victory tonight will give them the play-off title.

Newark won out over the Chicks 68-67, in a hair-raiser Tuesday night at the Elktion Army. Newark's local club one up in the series, and a victory tonight will give them the play-off title.

Persons eligible to vote for the first time or those who have changed their voting districts are expected to take advantage of the supplemental registration for the 1950 election opening today in New Castle County at the Bureau of Registration office on the first floor of the Public Building, Wilmington. The hours are from 7 p. m. to 9 p. m.

Other night registration periods, all from 7 o'clock to 9 o'clock, are: April 13, 20, 27; May 3, 11, 18, 23; June 1, 8, 15, 22, 29.

In addition to these night hours the Bureau of Registration offers for the first time this year day periods, Wayne C. Brewer, president, pointed out. The day dates, with hours from 1 p. m. to 4 p. m., will be April 14, 21, 28; May 4, 12, 19, 24, and June 2, 9, 16, 23, 30.

There will be two supplemental registration days later when all of the 215 districts in the county will be set for this work. They will be Wednesday, July 12, and Saturday, Oct. 21, when the registration places will be open from 8 a. m. to noon and 1 p. m. to 7 p. m.

Book Overdue 50 Years Returned To Library

A book, nearly 50 years overdue, was back in the Minneapolis Public Library recently.

If charged for at the regular rate, the book would have been subject to a fine of \$306. But in actual practice, the library doesn't charge more than the value of the book.

It was returned by T. M. Broderick, now of Calumet, Mich., who explained he found it when going through material that had been stored. The book was taken out in October, 1900.
