COL. J. B. HAFER

Engineers' Festival Features Alex Bartha — Semi-Formal—

The annual Engineers' Ball will be held this evening in the Carpenter Fieldhouse, from nine till one. Alex Bartha and his orchestra will furnish the music for the semi-formal dance sponsored by the four engineering societies and Tau Beta Pi.

Last week an article appearing in the REVIEW on this function said that the dance would be informal. This was correct at the time of publication, but at a later meeting of the Engineering Council it was decided to change the dance from informal to semi-formal.

It is unnecessary for the escort to be an engineering student; the dance is open to the student body. Tickets for the dance cost \$2.75.

Varsity Club Picnic

The annual Varsity Club picnic will be held May 4. Don Bardo, Cy Kaplowitz, John DeGasperis and Milt Keene are in charge of the plans for the affair.

All varsity letter winners who desire to become members of the club are invited to attend the initiation April 26 in Old College Lounge at 7:30. This will be the final initiation of the year.

World Student Service Fund Drive to be Held

The S.G.A. is planning to conduct a drive from April 30 to May 7 for the benefit of the World Student Service Fund. This is the agency through which American students and professors at the high school and college level share materially, as well as intellectually, with their needy colleagues throughout the world.

Further details will be released in next week's REVIEW.

Hafer Appointed As ROTC Head Col. Hause Retires

By GLENN DILL

Colonel Joseph B. Hafer, a veteran of thirty-four years of military duty, has been assigned by the Department of the Army to serve as professor of military science and tactics at the University. This position places Col. Hafer in charge of all military operations at our university.

The appointment was made following the recent retirement of Colonel F. A. Hause, who formerly held the position.

Colonel Hafer attended Stanford University from which he received a second lieutenant's commission in the Coast Artillery in 1917. He spent two years in the Army of Occupation in Germany. Then, following further schooling, he served in Hawaii, Corregidor, Indo-China, Singapore, and Hong Kong. In the early stages of World War II, Colonel Hafer returned to Texas to join the 604 AAW Regiment which later provided anti-aircraft defense for all of greater New York. His next assignment took the officer to North Africa, further orders sent him to France, Germany, and Austria. Such decorations as the Legion of Merit, French Croix de Guerre with silver star, Army Commendation Medal and American Defense Medal with Bronze Star were presented to Colonel Hafer in recognition of his excellent performance. After the close of the war, Col. Hafer returned to the states where he assumed the duties of deputy G-1 for the First Army Headquarters at Governor Island, N. Y. This was the Colonel's last assignment before joining the University faculty.

Once here, Colonel Hafer found that favorable reports from Washington of the University were not unwarranted. The Col. is justly proud of the Delaware ROTC, stating that this is an efficient, earnest, and cooperative unit. When asked by the REVIEW for any weak points, the Colonel politely stated "No deficiencies." The professor was very much impressed with the work of the Scabbard and Blade and the Delaware Rifles.

In a statement directed toward the entire student body, Colonel Hafer remarked, "They should be very proud of their ROTC unit and continue to support them in the future as they have done in the past." The officer also stated that Delaware's ROTC has a high standing in comparison with units in other institutions. He added that he hoped to keep and improve that standing.

P.M. Classes Recessed For Perkins' Inaugural

By HAROLD SMITH

Dr. Allan P. Colburn, provost of the University, has announced that all classes will be terminated at 1 p. m. this afternoon so that all students will be able to attend the formal investiture of Dr. John A. Perkins as twenty-first president of the University. The inaugural ceremonies will start at 2:45 p. m. with an academic procession of the faculty from Wolf Hall to the steps of University Hall.

The invocation will be given by the Most Rev. Dr. Edmond J. FitzMaurice, bishop of the Roman Catholic Diocese of Wilmington. Then Dr. W. Owen Sypherd, professor emeritus and a former president, will welcome the guests. Dr. Perkins will be greeted on behalf of the student body by Samuel J. Talucci, president of the Student Government Association. Gov. Elbert N. Carvel will extend the state's official greetings; the alumni speakers will be Mrs. T. Muncy Keith and Milton L. Draper. Dr. Augustus H. Able will speak on behalf of the faculty. Benediction will be asked by the Rt. Rev. Arthur R. McKinstry, bishop of the Protestant Diocese of Delaware. Entertainment for the inauguration will be provided by the Delaware Symphony Orchestra, directed by Professor John King.

JOHN A. PERKINS

If inclement weather prevails, the ceremonies will be moved into Mitchell Hall. Those holding tickets will be seated first, and then as many others as possible. Amplifiers will be set up in the Chemistry Auditorium for those who are unable to be seated in Mitchell Hall to hear the speeches. If the inaugural is held indoors, the organ will be used for entertainment instead of the Symphony Orchestra.

In his inaugural address Dr. Perkins will speak on the philosophy of education. Because of the importance of the ceremony to the University and the nature of the president's speech, Dr. Allan P. Colburn, chairman of the inaugural committee, has urged all students to attend the ceremonies. Dr. Colburn stated that the inaugural will center around the State of Delaware, and that all residents of the state are invited to witness the inauguration.

Governor to Crown Queen At Annual Military Ball

The fifth annual Military Ball will be held Saturday evening, April 28th, from eight till twelve in the Womens' Gym. The Scabbard and Blade, national military society, is sponsoring the ball and has selected the Delmelodians as the orchestra for the dance. The climax of the evening will be the coronation of the Queen of the Ball by the governor.

Jim D'Angelo is the general chairman of the program and Al Graves is his assistant. D'Angelo, a senior majoring in business administration, is regimental adjutant in the ROTC unit ranking as Cadet Major. Graves, also a senior, is a psychology major. In addition to serving as a battalion adjutant ranking as Cadet Captain, Graves is president of the Scabbard and Blade.

The Queen of the Ball will be crowned by the governor and presented with flowers. After being photographed, the Queen will reign throughout the remainder of the ball. She is to be selected by a committee made up of the governor and several high-ranking officers. The honored guest of the evening will be Colonel Hafer, new professor of military science and tactics at the University. The other guests will include the governor, President Perkins, and many distinguished officers in the Second Army District.

The ball is limited to ROTC students and veterans and is military formal which means class A uniforms for the ROTC students and formal for the dates. The veterans may come formal if they do not desire to wear uniforms. The affair is to be non-corsage.

The dance committee includes: Joseph Kwiatkowski and Walter Benoit, tickets; Greg Gause and Chris Christfield, decorations; Frank Locke, orchestra committee; Finney Downham, programs; and Edward Fahey, publicity.

The tickets for the dance are \$2.40 per couple and are being sold by various representatives in the dormitories and fraternities. Tickets will also be on sale in the basement of the library on Thursday and Friday, April 18, and 19.

Another College Hour Violation

The Photography Club had to cancel the College Hour program of African films it had been planning for the past several months. Why? What happened? A drill was scheduled by the Department of Military Science for Thursday and all R.O.T.C. students were required to attend. Your attention is called to the letter at the right on this subject.

As matters stand now, this newspaper is one of the few ways in which students can have a voice in matters concerning the university. The Rally Committee had a meeting this week and is planning various programs for Thursdays at 1:00 P. M. By next semester, with everyone's cooperation, College Hour will be an actuality.

We wish to go on record as disproving the action of the Military Science Department, and recommend that such an infringement of the privileges of students not be approved by University officials in the future.

This and Successive Issues

As was explained in Fred Hartmann's editorial last week, *The Review* is suffering from a badly depleted budget. Our financial situation makes it impossible to print more than six pages in this and next week's issues. We were authorized by the S.G.A. in its last meeting to print six pages for these issues, and a complete financial analysis will then be made to determine the needs of *The Review* for the remainder of the semester.

We have contracted with National Advertising Service, Inc. to print a rather large amount of ads each week, regardless of the size of the paper. Unfortunately, these must be printed at the sacrifice of editorial content. If this *Review* appears to be below the standard of preceding issues, please realize that our limitations are strictly financial and that it is impossible for us to publish more news in fewer pages with more ads.

NEWSPAPERS AND WOMEN:

It may be said that women and newspapers are similar in many respects—They both have forms. Back numbers are not in demand. They always have the last word. They are well worth looking over. They have a great deal of influence. Every man should have one of his own and not borrow his neighbor's.

A MATTER OF TASTE:

Leaning over the fence, an inmate of an asylum watched a farmer drive by with a wagon load of manure. "What are you going to do with that?" he asked. "I am going to put it on my strawberries," the farmer answered.

"Well, now, that's funny. We use sugar and cream on ours."

—Joe Miller

IT HAS BEEN SAID:

The mattress is the most financially rewarding invention of all time. Millions have been made on it.

The most unremunerative investment that can be made is taking one's own sister out on a date.

—C'est la vie.

The SILVER AND GOLD, campus paper of the University of Colorado, in an editorial about the new loyalty oaths required of its faculty told the following anecdote. "It seems that a member of the University faculty was speaking at a luncheon somewhere in Colorado recently. At the conclusion of his address, a gentleman arose and said, 'Sir, I understand that they teach Communism in the classes at the University. Is that true?'"

"The faculty member replied: 'Sir, that is quite true. We do teach Communism in our classes, and in our medical school we teach syphilis. But, we don't advocate either.'"

—C'est la vie.

CAUSE AND EFFECT:

A young man about campus approaching a drug store counter behind which stood a cute young thing:

"Do you keep stationery?"

"Yes, up to a certain point—then I just go all to pieces."

—C'est la vie.

"You're the first girl I've kissed"—he said, as he shifted gears with his knees.

—C'est la vie.

NOTICE

Every week THE REVIEW receives a large number of publicity releases from agencies offering job opportunities, study tours, scholarships, etc. It is impossible to print most of these, but all of them are filed in the office of THE REVIEW, and are available to anyone interested enough to check through the file. Interested persons should stop in the office for complete information.

Soda Fountain Price Analysis

For some time there has been discussion on campus on whether the prices of the Student Union compared favorably with those of uptown eating establishments. In response to several suggestions, a survey of prices in the Student Union and four local soda fountains has been made by *The Review* in conjunction with the S.G.A. The 20 typical items listed are intended as an impartial cross section of prices in the several establishments.

Letters to the Editor

April 13, 1951

Editor
 Review
 University of Delaware
 Dear Sir:

In regard to your "African Films" story and your editorial concerning College Hours in last week's issue of the Review, I would like to thank you for acknowledging the fact that the Photography Club is the first club to sponsor a College Hour. I feel that club-sponsored College Hours are especially advisable if the whole student body would find the function of interest. I fully support your request for more College Hours and want you to know that our club will do its utmost to help.

It should be of interest to you to know that we have cancelled the showing of the films next Thursday. We have done this as a result of action taken by the Department of Military Science. It seems that they would like to hold more drills and have scheduled a parade at the time when the films were to be shown. Obviously a large proportion of the student body is unable to attend. I feel sure that many of those in the ROTC would like to see the films and would be unable to under the circumstances.

We understand that extra drills may be necessary, but why should they be scheduled on such short notice and without any consideration for previously scheduled events? The Photography Club has had these films scheduled for about three months now.

We of the Photography Club agree with the REVIEW that the hour from 1:00 p.m. to 2:00 p.m. on Thursdays should be kept open for this type of function. We want as many people to be able to see these unusual and interesting movies as possible so we are cancelling the showing in spite of the fact that we have already ordered advertising material. We hope to be able to have the films shown at some future date if possible.

Very truly yours,
 Gerald B. Shepen, Pres.
 Photography Club of the University of Delaware

Dear Sir:

Why are there so many semi-formal dances and so few informal dances? Even dances, such as the Engineer's Ball, that are originally scheduled as informal are changed to semiformal. Do you realize that there has not been a single, orchestrated informal this term?

I do not think people really prefer the semiformal. Even the girls, for whose benefit they seem to be held, are not in favor of them. I would like to suggest that all dances be made either formal or informal, and the halfway-formal be dropped altogether.

Perhaps, the REVIEW could campaign along this line or at least poll the campus to get a representative opinion.

Sincerely,
 F. Kelley

Dear Editor:

"... the lack of financial foresight on the part of the S. G. A. ..."

The above quote from the column titled "The Old" by Fred Hartmann, retiring editor of the REVIEW, is certainly an unjust statement.

The S. G. A. spent much time on the consideration of the REVIEW Budget for the 1950-1951 school year and could not see its way clear to grant the full amount requested by the REVIEW.

Due to the reduction in the funds of the S. G. A. and due to the great demands on the Student Government Association, the group was compelled to cut the budgets which were considered in order to make ends meet.

In view of all this the editor and his staff were told to budget and to spend their money so that the REVIEW would not be in financial difficulty at the end of this school year.

After considering this, I am of the opinion that the responsibility for the financial condition of the REVIEW lies firmly on the shoulders of Fred Hartmann and his administration.

Sincerely,
 Samuel J. Tallucci
 President, Student Government Association

The winner of this Letters to the Editor Contest this week is F. Kelley. The prize is a carton of Chesterfields.

S. G. A. Advocates an Increase In the Student Activity Fee

By SALLY MOORE

The S.G.A. has gone on record as favoring a "nominal increase" in the student activity fee, to be determined by a S.G.A. appointed committee. In last week's joint meeting of the retiring and newly elected association, a motion to this effect was made by Jack Christfield and unanimously approved by both groups.

The matter will proceed to the student coordination committee and from there to the President and the Board of Trustees for approval. A specific increase will be proposed by the S.G.A. after a complete financial analysis of the situation. They will probably recommend an increase of about \$2.50 over the regular \$5.00.

The student activity fee was \$5.00 in 1940, when the University maintenance fee was only \$47.50. The maintenance fee has more than doubled in the past eleven years, while the activity fee has not increased.

At the meeting, a motion was passed authorizing **THE REVIEW** to publish six pages for two weeks and then to present its financial problem to the S.G.A. for solution. Don Kiddoo, editor of the **REVIEW**, presented the paper's financial problem to the meeting. The motion was initiated by Christfield. Sam Talluci, retiring President, announced that President Perkins will attend the installation of the incoming S.G.A. at the next meeting.

Kappa Delta Pi Elects New Officers

On April 11, the Zeta Omicron Chapter of Kappa Delta Pi elected Anthony J. Cotoia president for the coming year.

Others elected to office at the meeting held in the Hilarium of Warner Hall, are Norma P. Jampolsky, vice-president; Jean Arlene McGee, secretary; Joseph M. Lank, treasurer; Emma Elizabeth Simon, historian-reporter. Mr. George Henry was appointed to succeed Dr. Ardwin J. Dollo as Counselor for the local chapter of Kappa Delta Pi, Honor Society in Education.

After the business session, Mr. Henry spoke informally to the society on some of the more inspirational aspects of the teaching profession.

The Chapter's final activity of the year will be a picnic and hot-dog roast on May 9.

Perkins' Will Hold Open House Series

Dr. and Mrs. John A. Perkins will hold a series of student teas at their home within the next month. Each class will be entertained. All students are urged to take advantage of the opportunity of visiting the President's home.

Dr. and Mrs. Perkins will be at home to the Senior Class Tuesday, April 24, from 3:00-5:00 p. m.; to the Junior Class Wednesday, May 2, 3:00-5:00 p. m.; to the Sophomore Class Wednesday, May 9, from 3:00-5:00 p. m.; and to the Freshman Class, on Wednesday, May 16, from 3:00 to 5:00 p. m.

The President's home is "Belmont Hall", located on West Main Street, opposite 204 West Main.

President Perkins said, "We want you students to feel that our house is your house, both as undergraduates and alumni. We hope to keep this up year after year. We hope the student will take the opportunity to come to our house several times during his or her academic career."

A Cappella to Perform

Kurt Well's folk opera, "Down in the Valley," will be presented by the 56-voice A Cappella Choir of the University on Monday, April 23. It will be open to the public without charge.

The opera is written for chorus and soloists, and has several minor speaking roles. Leading roles will be sung by Jane Good, soprano; David Marvil, tenor; and Gleason Frye, baritone.

Miss Good, daughter of Mr. and Mrs. Willis H. Good of 2210 West Eleventh Street, Wilmington, will sing the part of Jennie Parsons. She sang a leading role in the E-52 production of "Party Line" last year.

Marvil, son of Fred L. Marvil of Laurel, will sing the role of Brack Weaver. Frye, son of the Rev. and Mrs. A. B. Frye of 102 West Thirtieth Street, Wilmington, will have the part of "the leader."

The entire performance is under the direction of Marvin R. Fennema, choral director at the university. The staging is by Francis Green and lighting by Turner Edge.

Bill Hearn Elected New S. G. A. Head

William S. Hearn was elected President of the S.G.A. in the recent campaign. Joan McCain won the title of Vice President by receiving the second highest number of votes for President.

William Nicoll was elected Corresponding Secretary. Barbara Martin won the office of Recording Secretary. As Treasurer of S.G.A., the student body elected Joseph Lank. Donald Cherr won the office of Social Chairman. As Chairman of Men's Affairs, John Buechele was elected while Betty Boyce was elected Chairman of Women's Affairs.

The representatives of the different schools are as follows: Education, Kate Leggett; Home Economics, Nancy Diehl; Agriculture, Jack Lester; Engineering, Wilson Lewis; Arts and Science, Charles Rodriguez and Ann Catts.

Class representatives to S.G.A. for the senior class is Frank Hewlett. For the junior class the winner was Neal Robbins. Peter Runkle won the position of sophomore representative.

Nancy Schnabel and Elbert Chance have been awarded the leading roles in the forthcoming musical comedy, "Finian's Rainbow," to be presented on the Mitchell Hall stage May 7, 8, 9, 10, and 11. The supporting actors will be Parke Perrine, Rod McWhorter, Polly Goller, and Kirk Cannon.

"Finian's Rainbow" will feature three actors relatively new to University theatergoers. Nancy Schnabel will be playing her first lead on the E-52 stage in the new musical. She will play the part of Sharon, Finian's lovely daughter. Miss Schnabel is a transfer student from Middlebury College, Vermont, and has acted in both "High Tor" and "Juno and the Paycock."

There are two other newcomers in "Finian's Rainbow." Rod McWhorter is a transfer student from Kings College. He has never before appeared in an E-52 production. Kirk Cannon, a freshman, who appeared in "High Tor," will portray the villainous Senator Rawkins.

The comedy team that everyone enjoyed so much in "High Tor" is back with us again. Elbert Chance and Parke Perrine are teamed together as Woody and Og, the leprechaun. Mr. Chance is a junior majoring in dramatics, and has appeared previously in "The Rivals," and "Party Line." Mr. Perrine is a past president of E-52, and a senior. Among the many productions he has appeared in are: "Again Its Yesterday," "The Rivals," "Party Line," and "High Tor."

Professor Pegg will again direct the spring musical production. He is well known about campus for his magnificent directing in "Mary of Scotland," "Summer and Smoke," and "High Tor." The production manager, Oble Edge, is another veteran E-52 member, having appeared in many past productions. He will add to his extensive dramatic experience by playing the part of

Clem, in addition to his technical work.

Although the major parts are all filled, a few minor roles are still open, along with the formation of male singing and dancing choruses. Professor Pegg and Mr. Edge have both issued urgent requests for more help in their respective departments. Any men interested should contact either Mr. Marvin Fennema or Miss Elizabeth Crooke, both located in Old College. Mr. Edge needs students to help with costuming, constructing scenery, and property management. Those interested in such work should apply to the Production Manager in Mitchell Hall.

Tickets for "Finian's Rainbow" may be purchased starting next week, at the Mitchell Hall box office. Student tickets will be honored.

Summer Session Dates Announced

The dates for the 1951 Summer Session at the University are announced as June 11 to July 20, and July 23 to Aug. 30, in the bulletin for the session, just published.

Copies of the bulletin are available from the Admissions Office at the university, according to Dean Carl J. Rees, director of the Summer School.

In addition to general information the bulletin lists the offerings of 27 fields of concentration.

For teachers, there will be courses dealing with elementary school, secondary school, reading, guidance, learning theory, health and physical education, curriculum, tests and measurements, group dynamics, parent-teacher relationships, supervision, administration, and research.

Freshmen will be admitted this year to the Summer Session, and will be able to study in each of the five undergraduate schools. An ROTC course will be included.

A recreation program of movies, entertainments, lectures, and outings under the direction of J. Robert King also is listed in the bulletin.

Registration on June 11 at the Carpenter Fieldhouse will be for students attending the first term or both terms. Classes will begin June 12 and will continue on a five-days-a-week schedule until July 20, except for the July 4 holiday, and Saturday, June 16, when the only Saturday classes of the session will be held.

Campus Interviews on Cigarette Tests

He knows from smoking experience there's just one intelligent way to judge the mildness of a cigarette.

It's the sensible test . . . the 30-Day Camel Mildness Test, which simply asks you to try Camels as a steady smoke — on a pack-after-pack, day-after-day basis. No snap judgments needed. 'Neath the Arches'

By TOM O'DONNELL with JACK FAIRCHILD

Those boys who tried to get dates for the week-end beginning on unlucky (?) Friday 13th are aware of the many colorful events that took place. The week-end began with the two fraternity formal dances of Sig Ep and A.T.O.

Sig Ep started the fire-(water?) works at the Newark Country Club, dancing to the music of Jack Garnet and his orchestra. On Saturday night Joanne DiSabatino was M.C. at the "Roarin' 20's Beach Party" in a Sig Ep house which was decorated by the girls. Ida May Ladd, Marilyn Johnson, Ann Massoth, Diane Kipp, and Gay Clower were the funniest part of the affair. Some of the prominent "bathers" were: "Chief Justice" Miller and Lorraine Robinson; Don Huston with Diane Kipp; Ducky Carmichael happily coveted by Ann Marie Dumas; Rog Browning and Ida May Ladd; Monk Evans with Trudy Gilengast; Ozie Grier and some cutie; "Shakespeare" Burk studying Lois Hilleman; Bill Dick and Jesse Burks; and "POP."

Meanwhile, the ATO's set off their share of the fireworks with a dance at the Kennett Square C.C.—music by the Delmelodians. Saturday night, those at the House Party were serenaded with several tear-jerkers by the "Hammer's Philharmonic"—the tears were tears of pity for the Singers. Among the "free-loaders" at the newly-christened ATO "game room" were: "Finlan" Chance and "Patty-Cake" Phillips; Dick Chappel and Marie Reynolds; J. O. Fiorio with "Oatsie" Hauser; W. C. MacWright with Corrine Russo; Roland Mills and Mitzl Greeley; and Anne Cooke searching for her date.

Adding to the fireworks and helping to distract from the attendance at the Frosh-Soph Hop was the Del's annual APACHE PARTY. The House was supplied with many gambling devices such as roulette, dice, Black-Jack, pleasingly pleasant peasant blouses, and slit skirts. Nagy's Frolics provided the pre-arranged(?) entertainment with such stellar performers as "Madame" Allen and "Duuuu" McFarlin. During the intermission of the "April Cruise," in drifted some unexpected but welcome visitors, among whom were Jack Kinter with Claire Alava, "Smitty" Smith with Sue Anderson, and Bill Nicol and Bobby Martin. Inter-Fraternity relations were further cemented at this affair by the presence of Gene Lent with Jeff, and "Chick" Carey with Marilyn Colwell—all in appropriate costume. Dancing, gambling, or "partying in corners," could be seen (through the haze): Alumnus Harv Day with Mary Coleman; "Daddy-Q" Morris with Jean Roland; "Chuga-lug" Burton with Mary Ellen Bull; Tom Mulrooney and Mary Lou Bice; Jack Christfield with Mike Phillips; "Horizontal Ed" Milligan and "Ava" Ferguson; and Alice Martin escorted by a pair of shorts.

IDLE CHATTER:
Sally Bodley leading the fashions with pink this spring ATO's occupying a booth in lounge on Monday—dead to the world Bill Hearn conducting a campaign at the last minute for the Jr. Class roller skating party God Bless the Sigma Nu pledges, it's Hell Week and "Al" Kinter is loose Hank Hammond sporting a lovely red-orange bow tie at ATO formal "Og" Perine of FINIAN'S RAINBOW fame struttin' his stuff after a rough week-end. What a man? Marilyn

All-School Picnic Planned for May 13

An "All-School" picnic Sunday afternoon, May 13, will provide the perfect conclusion to May Day Week-end. Claus Droebeek's farm has been chosen as the site of the excursion.

The picnic will be open to the entire student body, although campus organizations are especially invited to attend as groups. Social Chairmen of these organizations are urged to begin making preparations immediately for group participation. Several fraternities are already making their plans.

Picnickers are expected to bring their own refreshments.

If enough interest is aroused in this picnic, the result will be enjoyed by all. Make plans now to come to the school picnic. Your participation will assure success.

Sophomore Cruise Well Decorated

By NANCY BROOKS

Last Saturday night at 8:00, the U.S.S. Carpenter embarked on its maiden voyage with a full crew and approximately 180 pleasure-seeking passengers. The joyous excursion was under the capable direction of Captain Bob Harry and his fifteen deck hands.

Although the ship was not filled to capacity, those present enjoyed dancing on the main deck under a

star-studded sky.

Looking out over the starboard side, glimpses of an enormous green whale could be seen cavorting among other sea creatures—an octopus, sword fish, star-fish, and sea horses.

Some outstanding attractions were the center piece, consisting of a mast complete with crow's nest and look-out, the gang plank, light-house, steamer, and the silhouetted skyscrapers of a distant city.

A new and unusual feature of the dance was the decoration of the outer lobby. A huge life preserver and the customs office beyond created the atmosphere of a dock.

Hanson Visits A. I. Ch. E.

Professor Hanson of the Geography Department was the guest speaker at the monthly meeting of the A.I.Ch.E. Professor Hanson's talk was on the Four Point Plan.

At this meeting officers were elected for the coming year. John Burpulus, a junior, was elected president. Other officers are as follows: vice president, Art Eglington; secretary, William Webb; treasurer, Byron Babcock; representatives to the engineering council, Bob Gibson and George Gronde.

It was also announced that Herb Zachow and John Burpulus would present papers at the A.I.Ch.E. convention at Bucknell University April 21.

Plans for the annual spring picnic were also discussed. The date of the picnic will be announced later.

Newman Club Breakfast

The Newman Club is holding its Retreat and Communion Breakfast on April 19 through 22. At St. John's church confessions will be held after evening services, during the morning masses and on Saturday from 4-5:30.

The Communion Mass will be held Sunday, April 22, 9 a. m. at St. John's. Breakfast will be held at 10:15 at Kent.

Tickets for the breakfast may be obtained from Mary Bueche, Jean Lawless, John De Gasperis and Joe Kwiatkowski. The tickets are \$1.00, if dues have not been paid.

Math Frat Banquet Today

Pi Mu Epsilon, the honorary mathematics fraternity, will hold its annual banquet and initiation on Friday, April 20, in Brown Hall Lounge. The initiation will begin at 5:30 p. m., the banquet will follow, and at 7:00 p. m., a meeting will be held in Recitation Hall.

The initiates are as follows: Undergraduates—Thomas Clements, Robert Knox, Keith Parthemore, Neal Rothman and Gerald Spheen; Graduates—Earl Bomberger, Robert Elssner, Norman Harberger, Harold Hasenfus, Harold Hurlburt, and Carl Kerr; Faculty—Harold Birkness, Ralph Kuehn, E. Vernon Lewis and Henry Teicher.

The speaker for the meeting is Dr. Arnold Dresden of Swarthmore College.
