

THE SECRETARY OF STATE
WASHINGTON

February 12, 1937.

My dear Mr. Minister:

Thank you very much for your letter of January thirtieth, in which you so ably described the recent political developments in central Europe. I am indeed grateful for these periodic reports, which I find of considerable assistance to me in the appraisal of the current situation prevailing in Europe.

I look forward to the pleasure of a visit with you during your home leave.

Hoping that you have a very pleasant voyage and with all good wishes,

Sincerely yours,

The Honorable

George S. Messersmith,
American Minister,
