Dear Henry -

Your letter April 8 is very
interesting & helpful. So come to
New York to be there for my
arrival. I shall need you
there. I will send Telegrams
to Marysmall to this effect.

As for Mrs. Clayton, if
she wants this leave without
pay it is all right

with me. She is a good
worker, etc., and altho I
shall need her, I would
prefer her take the
leave, and leave her for
the longer pull, than
lose her. It is ok with me.
Can't write as I have
much to do.

Please bring Marion's
& my Mex. con papers with
