

## RED CROSS LIFE SAVING TESTS TO BE GIVEN 26

Classes To  
Continue  
Until End  
Of August

Tests will be given this week to 26 boys and girls who have been taking the Red Cross Life Saving Course, at the University pool, under the supervision of Playground Director W. S. "Shack" Martin, Red Cross Director Rand and his assistants.

The small number taking advantage of this opportunity was a bit disappointing to the directing heads as it was hoped that about fifty out of the twenty-two who passed the qualifying test would complete the course.

The twenty-six who have spent fifteen or more hours in hard work and practice have done a fine job and appear ready for their tests this week. They deserve credit for their spirit and determination and are more accomplished swimmers as the result.

The Monday, Wednesday and Friday morning non-swimmers class (girls at 10:00, boys at 11:00) will continue through August 30. Recreational swimming for all swimmers, every afternoon from 2:00 to 5:00 will continue through August 31 while evening swimming periods for adults will close August 29.

Non-swimmers are urged to attend morning classes regularly even this late in the season as many can still learn to swim.

## LOCAL LADY WINS \$55 QUIZ PRIZE

Mrs. Crompton  
Wins Goodwill  
Cash Award

Mrs. Frank Crompton, 79 East Delaware Avenue, received her reward for six years of continuous listening to a favorite radio program and a tidy \$55 check to additionally compensate for her perseverance last week when she triumphantly answered correctly the Goodwill program telephone call in her home.

Busy engaged with morning chores, Mrs. Crompton was a faithful listener to the Mr. Goodwill program, having missed only one broadcast in the past six years. Listening more from habit than from the anticipation of winning anything, she was heartily surprised when her phone rang and Mr. Goodwill himself inquired, "Is your radio turned on?"

Receiving an affirmative answer, he next queried, "To what station are you tuned?" Again receiving the right answer he threw the pay-off question by asking, "What is the amount of today's award being offered by Mr. Goodwill?" Mrs. Crompton hit pay dirt by promptly and correctly stating \$55 and was rewarded by personal congratulations from Mr. Goodwill and the assurance that a check for the \$55 would be mailed promptly.

Broadcast over a Wilmington station six mornings a week, the Goodwill program makes daily telephone calls and awards a cash prize to the listener who can answer correctly the daily question. Upon failure to make the award one day, the amount is pyramided until the next, and so on, until someone hits the jackpot.

## Conrad Lewis Awarded Scouting's Eagle Badge

A colorful and appropriate ceremony was enacted at the J. Allison O'Daniel Legion Post, No. 10, meeting here Tuesday evening when Milton L. Draper, chairman of the Boy Scout executive committee, presented Conrad K. D. Lewis with the Scout Eagle badge, one of the highest awards in scouting.

Young Lewis, now serving in the armed forces, was present and had the coveted award pinned on him by his father, Conrad Lewis, Sr., with Jay S. Steinhauer, leader of Newark Troop, No. 55, an interested spectator at the proceedings.

Mr. Draper also presented Mrs. Conrad Lewis, mother of the Eagle Scout, with a pin emblematic of the Eagle badge which she may wear until her son is returned from the Army and is able to wear his Eagle badge himself.

## Gets Research Grant

James W. Westwater

## WESTWATER WINS U. OF D. RESEARCH FELLOWSHIP

Part Time  
Teacher Gets  
DuPont Award  
For 1946-47

Appointment of James W. Westwater to the DuPont Post-Graduate Fellowship in Chemical Engineering at the University of Delaware for the academic year, 1946-47 was announced Friday by Dr. A. P. Colburn, professor of chemical engineering. Mr. Westwater has been carrying on graduate study and part-time teaching at the university since 1941. He will utilize the fellowship to continue graduate study and conduct research in physical properties of plastics.

Announcement that the university would receive a DuPont fellowship was made earlier this year. The fellowship, which provides the opportunity for full-time post-graduate study is granted to an outstanding graduate who possesses the qualifications for success in research work.

Mr. Westwater was graduated from the University of Illinois with the degree of Bachelor of Science in Chemical Engineering in June, 1941. During his first two years at Delaware, he carried out research work on oxygen absorption by plastic films under the direction of Dr. G. E. Landt, research professor of plastics at the university.

Mr. Westwater received the degree of Master of Chemical Engineering at Delaware in 1943. He has since assisted in conducting war research work in the field of aircraft engines and in the investigation of the flexural strength of plastics as a cooperative study with the American Society for Testing Materials. His work under the DuPont Fellowship will be an extension of these studies on plastics.

Mr. Westwater lives at 323 Wyoming Road, is married and has two children.

## McBERTY AT LIONS CLUB

Cites Trend  
In Germany

President Ira C. Shellender presided over the weekly dinner meeting of the Newark Lions Club, held Tuesday evening, at the Country Club.

Following the dinner session, Mr. Shellender turned the meeting over to the program committee which presented a fellow-member, Ford McBerty, 14 West Delaware Avenue, who brought the club a highly interesting and enlightening talk on pre-war and present-day Germany.

Having visited Germany for three months recently, in the interest of the Department of Commerce, Mr. McBerty was able to present a graphic contrast of the Germany of 1911, 1937 and 1946, during which years he had been a visitor to that country. He outlined both present and pre-war conditions in the conquered nation highlighting the change of trends from previous years to the present time and citing post-war conditions and circumstances as compared to the 1946 mode of living in the United States and other allied countries.

Extremely timely, the currently historic information was avidly received by members of the club fortunate enough to be present at this meeting.

## NEWARK SCHOOLS WILL OPEN SEPTEMBER 4

August 19-23  
Final Period  
For Registration  
In Fall Term

Newark Public Schools will open the fall term on Wednesday, September 4. Wilmer E. Shue, superintendent, announced this week, stating also that all teachers for the forthcoming term have been selected and their appointments depending only on confirmation by the Board of Education, which is expected to be given at their next meeting.

Students previously attending the Milford Crossroad School will attend the Newark schools this fall due to a recent consolidation. The Milford school will be closed and application for a budget transfer is on file.

Final registration of primary students will be held at the high school from August 19 to 23. All students who have not previously been enrolled in Newark schools must register during this period, Mr. Shue stated.

Plans also are under way for a meeting of the Building Commission and School Board whereby it is hoped that the newly appointed building commission may be authorized to disburse the entire funds authorized in by past referendums. The building committee now is composed of Joseph M. McVey, Franklin Wilson, both members of the school board, and Norris N. Wright.

## PLAYGROUND TO SPONSOR HORSESHOE TOURNAMENT

Contestants  
Urged To File  
Applications At  
Early Date

Adults who enjoy a good game of horseshoes have the opportunity of entering the Newark Horseshoe Tournament which will get under way the latter part of this week directly behind Taylor Gymnasium, on Frazier Field, under the supervision of W. S. Martin, Recreation Director.

Entrants may play at any time convenient to both parties. They are requested to call either Mr. Martin or Tom Silk and report the official result. Best two-out-of-three series should be played with each opponent.

Six ringer tossers, completing three teams, already have entered the competition and are expected to begin their tournament play this week. They are: A. E. Tomhave versus Dr. Earl N. Moore, Hobby Evans versus John Williams and Stanley Gibbs who meets Otley Jordan, Jr. Others desiring to enter the tournament are requested to contact "Shack" Martin, or Tom Silk, at once. All play must be completed by August 26.

The Canteen, sponsored by the Recreation Association three nights a week at the New Century Club, under the direction of Miss Ann Chalmers, has been the source of much pleasure to teen-age boys and girls of Newark this summer. They have enjoyed wholesome recreation and refreshments at very nominal cost. The average attendance each Monday, Wednesday and Friday night has been slightly above 80 throughout the entire summer.

The first table tennis tournament sponsored by the Canteen has been spirited competition with Jack Fosssett losing in the semi-final round to Danny Hamilton who will now meet Tom Silk, last year's champion, the last of this week for the 1946 championship.

## August Clean-Up Days Next Wednesday, Thursday

Next Wednesday and Thursday, August 21 and 22, will be regular monthly clean-up days for August according to designation made by the Town Council at their last regular meeting.

All residents are urged to have their rubbish collected, placed in containers and set on the curb in front of their homes early on Wednesday morning in order that the town trucks may collect it on their rounds.

## State Police Mobile Emergency Unit

Pictured above is the recently acquired six-wheel, 10-ton, State Police mobile emergency unit, equipped to combat any type of emergency, which will be on display in Newark, in the rear of the Newark Country Club next Tuesday evening.

The exhibit will be accompanied by Col. Paul W. Haviland, superintendent; Major Herbert E. Barnes, executive officer; Sgt. Clarence K. Lynch, master of ceremonies and Sgt. Hickman who will have supervision of the picked four-man team which will provide spectators with a realistic demonstration.

Using actual ammunition, the unit will give an illuminating exhibition of plain and fancy pistol shooting at moving and stationary targets, machine gun fire, sub-machine gun, high velocity rifles, etc. Other phases of the unit include its equipment for fire fighting, inhalator, gas, riot and other types of apparatus. The public is invited to attend this exciting display, at no cost.

## SWIMMERS COMPETE IN CANBY PARK MEETING

25 Beginners  
Graduated In  
Recreational  
Swim Classes

Prudence Wyatt, Patty Reybold, Barbara Cornog, Bob Foster, Walter Martin and Danny Hamilton will represent Newark in the first annual Canby Park State Swimming Championships to be held at the Canby Park pool this evening, beginning promptly at 7:30.

Newark's participants in this water competition have been training diligently in the University of Delaware pool under the supervision of Playground Director W. S. "Shack" Martin and while it will be their first appearance in this type of competition, it is thought that they will turn in creditable performances.

Sandra Ayers, Mary Ann Miller, Charles McCauley and Mary Neave swam two lengths of the university pool and went off the diving board, the past week, to make them eligible to attend recreational swimming in the afternoons.

This brings the total number who have learned to swim this summer to twenty-five with about twenty others who can swim but not well enough to warrant their graduation from the non-swimmers or beginners class.

## LEGION AND AUXILIARY ON PICNIC

Groups Enjoy  
Annual Outing  
At Ball Run

Members of the J. Allison O'Daniel Post, No. 10, American Legion and Auxiliary Unit No. 10, enjoyed their annual summer picnic at Ball Run Park Monday afternoon with more than 150 members and guests in attendance.

Participants from both organizations entered enthusiastically into the program consisting of varied sports, games and contests under the direction of William K. Richardson, program chairman for the event. Equipment used was obtained through the courtesy of the Wilmington Recreation Commission.

Headed by W. O. White, general chairman, the Legion committee consisted of John Fader, who was in charge of the welcoming group; John Murray and Harvey Roberson, who handled the finances; Dr. John R. Downes, first aid and Vernon Steele who arranged transportation.

The Auxiliary committee, headed by Mrs. Leonard Rhodes, was composed of Mrs. John R. Fader, Mrs. F. Allyn Couch, Mrs. Conrad K. D. Lewis, Sr. and Mrs. J. Harvey Dickey.

## FIREMEN WIN PRIZE IN PARADE AT OXFORD

Aetna Plans  
To Enter Units  
In Three More  
Nearby Parades

A contingent of volunteers from the Aetna Hose, Hook and Ladder Company won a prize of \$75 for the company with the most men in line without a band in the firemen's parade at Oxford, Pa., last Friday evening. This is the second prize the local volunteers have won in nearby parades this season. Previously, they received an award for the company with the most men in line in a parade at Elkton, Md.

The company plans to enter marching units in three more parades this month and next. On Thursday, August 15, an Aetna contingent will march in the Smyrna, Del., parade beginning at 7:30 p. m. The firemen will leave the fire hall, here, at 6:15 p. m.

On Wednesday, August 21, the firemen will take part in a march at North East, Md., beginning at 8 p. m., with the volunteers meeting here at 6:30 p. m. On Wednesday, September 4, the Aetna men will join the ranks of the Middletown, Del., parade beginning at 8 p. m., leaving here at 6:30 p. m.

Three fire calls were reported in town the past week, the first occurring early last Wednesday morning when the motor of a Delaware Coach Company bus on the east end of town near Leak's garage caught fire. Although all passengers escaped without injury, the flames destroyed almost the entire rear of the bus before they were extinguished by Aetna volunteers. Damage has not yet been fully estimated, said Fire Recorder, Charles E. Moore yesterday. The bus was beginning its Newark-Wilmington run.

Near mid-morning on Saturday, an automobile owned by William Balling caught fire on East Main Street. The flames were brought under control before serious damage occurred.

On Monday, a grass fire broke out in a vacant area along Capitol Trail. No damage was reported. Owner of the property was not identified, according to Moore.

## Bus Excursions To Wildwood, Atlantic City

Continuing their practice of running periodic bus trips to nearby popular resort centers, Stiltz, Inc., this week has announced two more charter trips that will be made to Atlantic City and Wildwood, N. J., during the month of August.

Leaving promptly at 8 a. m., on the respective dates a reservation only trip will be made to Wildwood on Sunday, August 18. Passengers desiring to make the trip MUST make reservations in advance.

The second and final trip before Labor Day will be another day's outing at Atlantic City. This bus also will leave promptly at 8 a. m., on Sunday, August 25, for which reservations are not necessary.

## PERMANENT ZONING LAW COMMISSION IS SELECTED

Wheelless To  
Head Standing  
Group Appointed  
By Mayor Hubert

F. A. Wheelless has been named chairman for a term of six years, H. C. Boden a member for four years and Eugene Stiltz a member for two years of Newark's permanent zoning commission, which will supervise the adoption and enforcement of the town's forthcoming Zoning Ordinance. The appointments were made this week by Mayor C. C. Hubert.

It was further announced that a complete text of the new ordinance, as drawn up by specialists of the Institute of Local and State Government, University of Pennsylvania, in cooperation with local authorities, will be published in next week's issue of this newspaper.

First duty of the permanent zoning group will be calling the first of two public meetings on the new ordinance. Probable date for the first hearing will be September 9. Chairman Wheelless said yesterday, stating that complete details will be announced shortly.

Successors to the permanent zoning committee will be named to straight six year terms. Terms of the present members were staggered in order to insure the appointment of one new member every two years.

A board of adjustments, which will handle all complaints and appeals by individuals in connection with the zoning ordinance, was also appointed this week. The group is composed of Mayor C. C. Hubert, City Solicitor J. P. Cann and Chief Engineer Cleaver Price. Individual adjustments and settlements will be made through this body.

## F. H. CLARK DOG WEEK CHAIRMAN

Sept. 22-28  
Is Designated  
For Observance

Frank H. Clark, Christiansa Road, New Castle, will head Delaware's observance of National Dog Week, Sept. 22 to 28, according to an announcement from National Dog Week headquarters in New York City.

This year marks the 19th consecutive annual observance of National Dog Week, a movement of non-profit character which attempts to make the dog more valuable to his owner and more acceptable to the non-owner. General chairman for 1946 is Lowell Thomas, well-known lecturer, world traveler and radio commentator.

The seven-point objectives of National Dog Week include: A good home for every dog; eliminate stray dogs from the streets; better informed dog owners; teach consideration for dogs and all animals; emphasize the dog's use as a companion, helper and home protector; secure fair laws for dogs and their owners; and teach respect for the rights of dog owners.

## OFFICERS NOMINATED

Name McBerty  
For Commander

Commander George M. Haney presided over the regular monthly business meeting of the J. Allison O'Daniel Post, No. 10, American Legion, at the Legion room here Tuesday evening.

Following disposition of business and routine matters the meeting evolved into the nomination for officers for the ensuing year, to be elected at the September meeting and take office in October.

Nominations confirmed were: Ford H. McBerty for commander; William K. Richardson for vice-commander; Richard Couch for finance officer; George C. Price for sergeant-at-arms; and Arthur E. Tomhave for historian. Two nominations were made for chaplain, they were: W. O. White and John N. McDowell.

The election will take place at Legion headquarters at the September meeting.

## PEACH FESTIVAL AT GLASGOW

Grange Picnic  
At Riverview  
August 19

Pencader Grange, No. 60, met in the Grange Hall at Glasgow last Monday night with Worthy Master William T. Brooks in charge. The hall had been redecorated by the Home Economics Committee which was in charge of the program.

The literary program consisted of a vocal duet by Dorothy Conner and Audrey Brooks; short talks on "Safe at Home" and "Canning" were given by Miss Gertrude M. Holloway and Miss Louise Whitcomb, of the U. of D., with a piano solo by Anna Ellis.

August 19 has been designated by the Grange as the date for their annual picnic to be held at Riverview Beach, to be in the form of a covered dish supper. Mrs. Clifton Ellis, president of the Music Club, announced that the chorus would hold a peach festival at Glasgow on Saturday night, August 17, at 8 o'clock.

Committees for the festival were appointed as follows: Ice cream—Dorothy Conner; Peaches—Melvin Brooks; Tables and Lighting—Henry Brooks; Cakes—Audrey Brooks, chairman, Anna Ellis, Jeannette Brooks; Tickets—Charlotte Laws; Serving—Anabelle Laws.

## ROTARY AT MIDDLETOWN

Dinner Meeting  
Here Next Week

With regular dinner meetings dispensed with so far this month due to August being social and visiting month for the Newark Rotary Club, that organization journeyed to Middletown Wednesday evening for a return visit and softball game with that group.

Middletown Rotarians visited the Newark Club here previously and went down in defeat to the locals in a softball game to the tune of 8-4. The rivalry was continued last evening when Middletown hoped to avenge. A large number of local Rotarians planned to make the trip by motor.

The local Rotarians will revert back to their regular dinner meetings next week when they convene at the Newark Country Club, at 6 o'clock, with Dr. Harold E. Tiffany in charge. Program Chairman T. R. Silk is arranging an appropriate and interesting program for the evening although the speaker has not yet been announced.

### Supplies To Be Issued For Primary Elections

Final arrangements for the delivery of ballots, ballot boxes and other primary election supplies for the Republican and Democratic delegate and county primary elections were made at a meeting of the New Castle County Department of Elections in the Public Building last week.

Republicans held their delegate election Saturday and will hold their county primary election on Aug. 24. However, there are no contests for the election of delegates to the Republican state convention from the various county districts. The Democrats will conduct both delegate and county primary elections on Aug. 17.

## MOTORISTS REQUESTED TO REGISTER CARS EARLY

Inspection  
Compulsory On  
Expirations  
Dated Sept. 30

Every possible effort will be made by the Motor Vehicle Department to have the Delaware motor vehicle registrations expiring on Sept. 30, renewed without creating a last minute rush or causing any inconvenience for the owners of the motor vehicles.

A total of 27,779 registrations will expire on Sept. 30 and thus far a total of 4,675 have been renewed. This is a slight increase in the number of renewals at this time last year.

In connection with the Sept. 30 registration expirations this year, Mr. Williams pointed out that it is necessary for the motor vehicle to pass the inspection at a safety inspection lane before the registration can be renewed.

"Motor vehicle owners can apply for renewal of their registration by mail just like they did during the years in which there was no inspection," commented Mr. Williams, who added that this year in addition to the registration card and renewal fee, the inspection card showing approval of the motor vehicle must also be included.

Mr. Williams states that records in his department disclose that 40 per cent of the motor vehicles that have thus far visited the safety inspection lanes procured the renewal of their registration at the time their motor vehicle was approved.

This is not only a convenient method," stated Mr. Williams, "but it also prevents the possibility that the motor vehicle owner may lose the inspection card in which event it would be necessary to have the motor vehicle inspected again before the registration can be renewed."

Inspection of motor vehicles whose registration expire on Sept. 30 was started on July 1 with registration numbers within a block of 10,000 being assigned a week for inspection purposes. This week the numbers are between 60,000 and 70,000.

### Disability Pensions Of Vets Increased

President Truman has signed legislation increasing by 20 per cent the disability pensions of veterans of World Wars I and II.

The legislation also prohibits any reduction in pensions or disability payments during the time a veteran is being hospitalized. Under old regulations, veterans often received less while being hospitalized.

## SOUVENIR GUN ITEM ERRONEOUS

Story Printed July 4 Failed To Give Facts

Replying to an article published in The Newark Post, July 4, 1946, which stated: "Owners of unregistered souvenir guns or foreign weapons which have not been inspected and reported with the Alcohol Tax Unit branch of the Internal Revenue Bureau are risking a penalty of five years imprisonment plus \$2,000 fine, Paul C. Culp, investigator for the bureau with headquarters in the postoffice building, Wilmington, warned recently." C. M. Palmer, Newark R. F. D. 2, is in receipt of correspondence which makes the foregoing article seem erroneous and which puts altogether a different light on the registering of guns situation.

Addressed to Mr. Palmer, the letter from the National Rifle Association of America, signed by C. B. Lister, secretary-treasurer, states: "The item in the Newark Post, as usual, completely misleading. As you know, the only guns which are required to be registered under the Federal Arms Act are machine guns, sub-machine guns and the so-called sawed off shotguns or rifles having barrel lengths of more than eighteen inches. In the case of 22 calibre rifles the permissible barrel length is sixteen inches.

"I suggest that you call the Editor of the Newark Post and ask him to be good enough to relieve the minds of Delaware veterans by printing the true facts."

### Two Owners Are Barred By West Virginia Solons

The West Virginia Racing Commission today barred William F. Mink and Paul E. Middleton, Sr., both of Wilmington, Del., from all tracks under its jurisdiction because it said they raced one horse under another's name at the Charles Town track.

The commission said the two "raced the horse, Don't Delay, under the name of the horse, All Flo, on four occasions during the recent race meet of the Charles Town Jockey Club, Inc., the said horse having won one race and having run third in another."

Mink is the owner of All Flo and Middleton the owner of Don't Delay, a horse claimed for \$2,000 at Havre de Grace last spring.

The commission also barred the two horses until all refunds of purses collected as a result of the action are returned to the Charles Town Jockey Club.

## MORE PRICE BOOSTS ON FOOD, ETC.

Canned Goods, Other Staple Items Hiked

Prices housewives pay for canned corn, peas, tomatoes and tomato products were ordered up one to two cents a can last week to make up for subsidies which have been dropped. OPA made the increases effective immediately and also raised price ceilings one cent on 12-ounce packages of frozen corn and peas.

At the same time, the agency knocked out price controls on frozen and canned snap beans packed before last March 1. Price ceilings on snap beans packed since that time were suspended several weeks ago.

The price increases on canned and frozen vegetables meet terms of the new price control act. The law requires that when subsidies are cancelled, retail ceilings must be increased commensurately.

As a result, OPA said, number two sized cans of peas and tomatoes will cost two cents more, while corn and tomato juice go up one cent.

One cent increases also were authorized for 14-ounce bottles of catsup, and six-ounce cans of tomato paste.

Subsidy payments on these items amounted to \$39,200,000 during the fiscal year 1946 OPA said. Subsidies were terminated on the 1946 pack of vegetables last June 30, when the price control lapsed. Payments on the 1945 pack were stopped July 28.

Even before Congress trimmed OPA's new subsidy grant to \$1,000,000—half the amount requested—the agency had planned to discontinue vegetables subsidies in July.

In other actions today, OPA: Authorized retail price increases of two to three cents for cotton flannel work shirts, effective Aug. 12.

Announced increases of 1 1/2 per cent in wholesale and retail ceilings on oil cloth and five per cent on veg-

etable and fruit insecticide sprays. These increases also are effective, Aug. 12.

Approved higher ceilings for several industrial items, including certain types of aluminum wire and cable; radio capacitors, brass screw machine products, non-ferrous bushings and commercial metal furniture.

### Letters Testamentary

Estate of Evelyn Lowe, Deceased. Notice is hereby given that Letters of Administration upon the Estate of Evelyn Lowe, late of White Clay Creek Hundred, deceased, were duly granted unto Mary L. Davis on the Eighth day of August A. D. 1946, and all persons indebted to the said deceased are requested to make payments to the Administratrix without delay, and all persons having demands against the deceased are required to exhibit and present the same duly probated to the said Administratrix on or before the Eighth day of August A. D. 1947 or abide by the law in this behalf.

MARY L. DAVIS

Administratrix.  
Address John P. Cann, Attorney-at-law,  
North American Building, Wilmington, Del.

### STATE OF DELAWARE OFFICE OF SECRETARY OF STATE CERTIFICATE OF DISSOLUTION To All Whom These Presents May Come.

Greeting:  
Whereas, it appears to my satisfaction by duly authenticated record of the proceedings of the voluntary dissolution thereof, by the consent of all the stockholders deposited in my office, the

QUEEN CITY CUTLERY COMPANY,  
INCORPORATED

a corporation of this State whose principal office is situated at

No. 900 Market Street

In the city of Wilmington, County of New

Castle, State of Delaware

Corporation Service Company

being agent therein, and in charge thereof,

upon whom process may be served, has

complied with the requirements of the

Corporation Laws of the State of Dela-

ware, as contained in 2033, Section 1, to

2246, Section 214, Chapter 65, of the

Revised Code of 1935, as amended, preliminary

to the issuing of this

CERTIFICATE OF DISSOLUTION

Now, therefore, I, William J. Storey, Sec-

retary of State of the State of Delaware,

do hereby certify that the said corporation

did on the thirteenth day of August A. D.

1946 file in the office a duly executed and

attested consent, in writing, to the dissolution

of said Corporation executed by all the

stockholders thereof, which said consent

and the records of the proceedings

thereof, are now on file in my office as

provided by law.

Testimony Whereof, I have hereunto

set my hand and official seal, at Dover this

thirteenth day of August in the year of our

Lord one thousand nine hundred and

forty-six.

(OFFICIAL SEAL) William J. Storey,

Secretary of State

### CERTIFICATE OF REDUCTION OF CAPITAL

KISTLER LEATHER COMPANY, a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

(1) That on the 15th day of July, 1946 there was filed with said corporation the written consent bearing the date of July 3, 1946 of the holders of record of all the outstanding stock of Kistler Leather Company, both voting and non-voting, comprising first preferred, second preferred, and common stock, authorizing a reduction of the capital of the corporation from \$4,075,501.00, represented by 10,000 shares of first preferred stock of the par value of \$100, each, 30,763 shares of second preferred stock of the par value of \$100, each, and 7,000 shares of common stock without par value, to \$2,000,000.00, by the cancellation of 1200 shares of first preferred stock, 2022 shares of second preferred stock, and 3900 shares of common stock, all in the treasury of the corporation, and by the surrender of 4,253 shares of first preferred stock by the first preferred stockholders pro rata to their respective holdings of first preferred stock, and by the surrender of 13,290 shares of second preferred stock by the second preferred stockholders pro rata to their respective holdings of second preferred stock, all stock so surrendered to be cancelled.

(2) That the capital of the corporation has been reduced from \$4,075,501.00 to \$2,000,000.00 in the manner set forth above.

(3) That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been provided for.

IN WITNESS WHEREOF said KISTLER LEATHER COMPANY has caused its corporate seal to be affixed and this certificate to be signed by Charles H. Myers, its President, and Durham Jones, its Secretary, this 15th day of July, Nineteen hundred and forty-six.

FORD'S OUT FRONT!

Ford's smartness catches your eye instantly! From any angle, inside and out, it's refreshingly new! The newly designed front end is rugged yet poised for action! The road-clinging lowness of the all steel "Lifeguard" body is accentuated by long, flowing lines. The new two-tone interiors and deep restful cushions, upholstered with either rich broadcloth or long-wearing mohair, invite relaxation as you drive.

And for performance, the big new Ford is the liveliest car in its field—the only car in its field with 100 horsepower, the only car with the smoother V-type 8-cylinder engine! But see the car itself at our show-rooms! You'll agree that Ford's out front.

Newark, Delaware, Thursday, August 15, 1946

## ZONING NEAR FOR NEWARK

Zoning in Newark has drawn a step nearer with the completion of a draft of an ordinance for Town Council consideration.

The text of the draft is the work of a five-man board which has had the cooperation and assistance of experts from the Institute of State and Local Governments of the University of Pennsylvania. F. A. Wheelless, board chairman, has been invited by Council to be chairman of a permanent commission to be set up under the state law.

The community has arrived at a stage when measures to prevent detrimental growth are desirable. The protection thus afforded will be of lasting benefit in maintaining its present attractiveness.—Journal-Every Evening.

## DELAWARE FARM FRONT THIS WEEK

PMA Office  
Will Move  
September 1

Every dairyman knows that August is the most difficult month to produce milk, says Delmar Young, Extension dairy specialist for the University of Delaware. Dairyman who plan for this month can maintain production and thus produce more milk during the following months than those farmers who allow the cows to drop off in production in August.

Young suggests several methods of management which will maintain milk production and at the same time reduce feed costs. Among these are pasturing meadow aftermath, clipping permanent pasture to remove the dry, dead grass and encourage the growth of new grass, supplementing short dry pastures by feeding hay or silage, and taking inventory of food supply from now until May 1, 1947. Also important during hot weather is plenty of clean, fresh water and shade for cows.

A recent honey report of the Bureau of Agricultural Economics of the USDA shows that there were 3000 colonies of bees in Delaware estimated for 1946. That is the same number reported for 1945. In the United States as a whole, the number of bee colonies has increased from 5,480,000 colonies in July, 1945, to 5,780,000 on July 1, 1946. Although new bee equipment has been scarce, beekeepers salvaged old equipment to supplement the new and made a fairly substantial increase in number of colonies. In Delaware, 25 per cent of the colonies were reported as new spring colonies in 1946.

The great need for fat salvage is no secret—the United States wants fat for soap and other manufactured products, and foreign countries need it for food.

According to Miss M. Gertrude Holloway, State home demonstration leader and nutrition specialist for the Delaware Extension Service, many Delaware homemakers are not saving and using all the fats that come into their kitchens. New additional demands are being made upon the fat supply to help improve the scarce food stocks abroad, and with this urgent need for food, it seems inhuman for American people to waste fat—yet one-third of them do. And this third is without question continuing to buy its share of the available soap and other products made of salvaged fats. "Use and reuse all the fat you can," urges Miss Holloway, "and turn the rest in to your butcher."

The State Production and Marketing Administration Office and the County Agricultural Conservation Association Office will occupy a new building on South Academy Street, in Newark, after September 1, 1946, it was announced today by C. E. Coheltree, State director of PMA.

Increased need for class room space for the greatly enlarged enrollment of college students has made it necessary to vacate the space occupied by both the state and county offices in Recitation Hall for the past several years. Somewhat larger quarters will be obtained, along with less restricted parking space, Mr. Coheltree said.

## WILMINGTON SPORTSMEN CHARGED IN CONSPIRACY

Said To Have  
Raced "Ringer"  
At Charles Town,  
Bel Air Tracks

Magistrate Paul Cronin, Bel Air, has ordered that a "ringer" case involving two Wilmington, Del. horsemen be referred to the September Harford County Grand Jury.

Paul E. Middleton, Sr., and William F. Mink of Wilmington are charged with conspiracy to defraud and attempting to defraud the Harford County Fair Association by allegedly substituting the horse, Don't Delay, for All Flo at Bel Air Track July 24.

Several trainers and track officials testified at a lengthy hearing that a horse entered in the first race as All Flo and owned by Mink, actually was Don't Delay, owned by Middleton. Stewards ordered the horse scratched just before the race when its identity was questioned.

### Bail Continued

Meanwhile, Cronin ordered bail of \$2,000 for Middleton and \$1,500 for Mink continued.

One of the last witnesses was Robert Drummond, Mink's trainer, who testified that he received pay from Middleton once in 1945, and from Mink this

year, "but could get money from either one."

Drummond said he took the real All Flo, "then a green horse," to the Charles Town, W. Va., track in 1945. This year, he testified, Don't Delay was shipped from a Delaware farm to Charles Town, but Drummond said he did not know the horse wasn't All Flo.

The trainer said that Mink told him before sending him the horse that it had been worked hard and was run down a bit and because of this Drummond failed to recognize the switch.

### Rihard Sees "Mistake"

No witnesses were offered by the defense, although Paul Rihard, counsel for the horsemen, said he was certain there had been a "legitimate mistake" when the wrong horse was sent from Delaware. Rihard did not contest the claim identity of the horse scratched at Bel Air.

After winning one of four Charles Town starts at \$11 to \$1, Don't Delay was sent to Bel Air.

Frank R. Bassnett, Bel Air entry clerk, testified that Drummond entered the horse under the name of All Flo for the July 24 race.

Trainers Henry Bowyer—former owner of Don't Delay—and E. Bonwell testified they were certain the horse in question was Don't Delay.

It was Bowyer who said he noticed Don't Delay in the paddock at Bel Air but didn't see the horse's name on the program.

"I immediately recognized him," Bowyer said, and notified the stewards.

"Horses have characteristics like human beings, I suppose," Bowyer told the court. He said he recognized the horse, which he purchased at the Lexington, Ky., yearling sale, from leg scars, the small size of his ears, and his "odd way of standing."

Bonwell said he claimed Don't Delay for C. L. Leech, and another trainer, Robert Dean of Laurel, Md., said he claimed the horse last spring from Leech for \$2,000, for Mrs. Anita Garisto of Delaware.

Mrs. Garisto sold the horse to Middleton.

George P. Mahoney, Maryland racing commission chairman who attended the hearing, said recently that saliva tests taken July 24 showed that the horse in question had been drugged.

## Democrats To Leave Two Positions Vacant

Ballots for the Democratic primary election will have vacancies in two legislative posts when the polls open Aug. 17, it is indicated by party leaders. As all other posts on the slate were filled, the fifth senatorial district and the thirteenth representative district still remain vacant.

Joseph P. Schaaf, 504 Bayard Avenue, filed his candidacy for the nomination for representative from the fifth district and H. Drexel Harrington, Newark, a 26-year-old veteran, filed from the ninth representative district on August 7.

## RECORD U. S. SUPPLY OF FOOD SEEN

Sugar, Meat And  
Few Other Items  
Seen As Scarce

Americans will have more food in the next few months than at any time before in the nation's history, an A. & P. food stores survey disclosed today.

Based on reports from the U. S. Department of Agriculture and 140 A. & P. field buying offices throughout the country, the report said supplies of most foods would be substantially higher than last year's record levels.

Only sugar, Grade A meats, fats and oils and a few other scattered items will be on the scarce list for the next few months, the report said.

Truck farm crops are expected to be 14 per cent ahead of last year's peak, and heavy commercial vegetable production is expected to bring a larger canned and frozen food pack than a year ago.

Above average corn and wheat crops should continue heavy milk and poultry supplies and increase the amount of meat and butter available by providing more feed supplies, the report said.

The potato crop is estimated at 422,000,000 bushels compared with 425,000,000 bushels a year ago. Onions are up 39 per cent, cabbage up 12 per cent, celery 20, spinach 10, tomatoes 12, cucumbers 8, cantaloupe 4, lettuce 7, and beans 1 per cent, the survey showed.

Declines are expected for lima beans off 13 per cent, carrots and peas, each off 3 per cent.

The fruit crop ranges from the 83,000,000-bushel peach yield compared with a 10-year average of slightly more than 59,000,000 bushels, to the 106,000,000-bushel apple crop which is almost double 68,000,000 bushels last year when frost cut the crop.

Egg production for the next 12 months is estimated at 380 eggs per capita, almost equal to the 1945 record. Fish production continues heavy and slight gains are being shown in cheese, the report said.

### OUR CAPITOL'S POPULATION

The population of the city of Washington, D. C., was 61,000 at the outbreak of the Civil War. Latest figures place its population at more than 665,000.

## CANTALOUPE CROP LOST

Poor Melons  
Injure Price

Delaware farmers have lost \$150,000, the value of half the cantaloupe crop, through loss from mildew blight which could have been avoided with readily available fungicides, according to Dr. J. W. Heuberger, assistant plant pathologist at the University of Delaware Agricultural Experiment Station.

Farmers have done themselves and the public a disservice, Dr. Heuberger also charged, by rushing poor quality melons affected by the blight to various auction blocks. This resulted, he said, in the recent price decline from an average of \$4 per crate of 24 to less than a dollar per crate.

The university experiment station and extension service repeatedly warned growers to use fungicides in advance of the cantaloupe season, the patho-

logist said. Those who heed this advice are now able to ship good melons to northern markets.

The cost of treating melons for a season amounts to about \$30 an acre, Dr. Heuberger pointed out.

## ROSE-WHITTEN WEDDING ANNOUNCED

Mr. and Mrs. Marvin C. Rose, Forest Glen, have announced the marriage of their daughter, Miss Mathilda Rose, to Mr. Donald S. Whitten, son of Mrs. William Whitten, of New Castle, who is the only attending.

The wedding took place on July 26, at the home of the bride's parents.

Miss Mary Elizabeth Rose, sister of the bride, and Mr. Robert Sherwood, of New Castle, were the only attending.

Mr. and Mrs. Whitten have returned from a wedding trip to Atlantic City, and are now living at Forest Glen.

Miss Frances L. Cox's engagement was announced.

Dr. and Mrs. Elmer Jackson Cox of Waldorf, Maryland, announce the engagement of their daughter, Miss Frances L. Cox, to Mr. Harry R. McKenry, Jr., son of Mr. and Mrs. Harry McKenry, 337 South College Avenue.

Miss Cox, who was the H.M. Queen at the University of Delaware this year, will be graduated from the college in September.

Mr. McKenry is a graduate of the University of Delaware.

The wedding will take place next spring.

Rickey Diehl and Guest to Lead Fellowship Grp.

The Westminster Fellowship of the Head of Christiana Church will continue its Sunday evening meetings during August.

Rickey Diehl will be the leader for this Sunday, August 18, with the meeting opening at 6:45 p. m.

Captain C. H. Edwardsen, a house guest of Rickey's parents, has accepted Rickey's invitation to visit the Fellowship and give a talk to the Young People. Captain Edwardsen has recently returned from forty-four months of service in both the European and Pacific Theatres. He conducted the nurse services on Easter at Tokyo with more than six thousand people attending.

All members are urged to be present and bring their friends.

Junior choir rehearsal will be conducted following the meeting and the group has selected the special number for the regular church service of Sunday, September 1, when the regular church service will be resumed following the pastor's vacation. Please attend this rehearsal and the one of August 25, for the preparation for the first full service.

Come and do your share for your Fellowship and choir.

Adult counselors are cordially invited to attend all meetings.

RD. OF CHRISTIANA S. S. CONTINUES IN AUGUST

Mr. Frank Butterworth and Mr. Patrick Morgan, co-superintendents, of the Sunday School of Head of Christiana Church announce that Sunday School will continue the last two Sundays of August although there will not be any preaching service those two weeks.

Sunday School calls promptly at 10:00 a. m. with a class group for every age.

If not on vacation, please continue your attendance and be in line for a definite schedule of attendance in the fall work.

Bring your guests. The success of the school depends on you and your interest.

WEEKLY MEETING OF WOMEN'S BIBLE CLASS

The regular weekly meeting of the Women's Bible Class of the First Presbyterian Church will meet Sunday morning, August 18, at 9:45 to discuss together the subject "The Sacredness of Human Life."

Life, the one thing which rich and poor alike possess, is not bought with money but with many things of true wealth and greater esteem.

Summer attendance has been most gratifying. Continue your presence and bring your guests, it is our privilege to meet them.

REGULAR MEETING OF LADIES' BIBLE CLASS

The Supreme value placed by Heaven on human life and how we should recognize that value is the subject for class discussion this Sunday morning, August 18, in the Ladies' Bible Class of the Newark Methodist Church.

Since human life is one item not valued in dollars and cents, let us live worthily in recognition of its great value.

Summer attendance encourages a record for the fall work and its success depends on you.

## GLASGOW CLUB HELD PICNIC TUES. EVE.

The Glasgow Homemakers' Club picnic was held on Tuesday evening, August 13, for the club members and their families at Ball Run Park.

Mr. Stephan Barczewski, husband of the president of the club, whose birthday was also on Tuesday was given the surprise of a birthday cake which he shared with everyone.

After the picnic supper Mrs. Norman Slack and Mrs. Wilken McElwee took charge of the recreation and had games and contests for which they rewarded those taking part with prizes.

## PERSONALS

The Misses Dorothy and Mary Murray have returned home after a week's stay at Lake George, N. Y., and a motor trip to Montreal, Canada, and the New England States. They are the daughters of Mr. and Mrs. George Murray of near Newark.

Mr. and Mrs. John H. Bridgewater of 618 Academy Street, are receiving congratulations on the birth of a son, born August 7, in the Wilmington General Hospital.

Wallace G. Johnson, Seaman First Class of the Sea Bees, who has been in the South Pacific for the last seven months is now home and has received his honorable discharge through the separation center at Jacksonville, Florida. He is the son of Dr. and Mrs. Wallace M. Johnson, of 257 East Main Street.

Mrs. Wayne C. Nesbitt, of Ogletown Road, an employee of the Newark Trust Company has returned to her home from the Wilmington General Hospital where she has been a patient for an appendectomy.

Miss Beatina Sergeant, of West Main Street, spent the past week-end visiting with friends at McKeesport, Pa.

The Order of Eastern Star of Newark held their annual picnic on Saturday evening at Port Herman.

Rev. and Mrs. Evan W. Renne and their three children, Roland, Keith and Carol Lee, are visiting with relatives in New Jersey.

Mrs. Anna Van Sant and Miss Ann Little, of Steelton, Pa., were week-end guests of Miss Little's parents, Mr. and Mrs. Samuel Little, Elliott Heights. Mr. Little celebrated his eightieth birthday last week.

Lewis Maclary, Seaman Third Class, who is stationed at Norfolk, spent a short leave this week-end with his mother, Mrs. Helen Willis, of near Head of Christiana. Seaman Maclary also visited with Mr. and Mrs. Ashel Barrow and Mr. and Mrs. Albert Barrow, of Aberdeen.

Mrs. Anna Van Sant and Miss Ann Little, of Steelton, Pa., were week-end guests of Miss Little's parents, Mr. and Mrs. Samuel Little, Elliott Heights. Mr. Little celebrated his eightieth birthday last week.

Lewis Maclary, Seaman Third Class, who is stationed at Norfolk, spent a short leave this week-end with his mother, Mrs. Helen Willis, of near Head of Christiana. Seaman Maclary also visited with Mr. and Mrs. Ashel Barrow and Mr. and Mrs. Albert Barrow, of Aberdeen.

Mrs. Anna Van Sant and Miss Ann Little, of Steelton, Pa., were week-end guests of Miss Little's parents, Mr. and Mrs. Samuel Little, Elliott Heights. Mr. Little celebrated his eightieth birthday last week.

Lewis Maclary, Seaman Third Class, who is stationed at Norfolk, spent a short leave this week-end with his mother, Mrs. Helen Willis, of near Head of Christiana. Seaman Maclary also visited with Mr. and Mrs. Ashel Barrow and Mr. and Mrs. Albert Barrow, of Aberdeen.

Mrs. Anna Van Sant and Miss Ann Little, of Steelton, Pa., were week-end guests of Miss Little's parents, Mr. and Mrs. Samuel Little, Elliott Heights. Mr. Little celebrated his eightieth birthday last week.

Lewis Maclary, Seaman Third Class, who is stationed at Norfolk, spent a short leave this week-end with his mother, Mrs. Helen Willis, of near Head of Christiana. Seaman Maclary also visited with Mr. and Mrs. Ashel Barrow and Mr. and Mrs. Albert Barrow, of Aberdeen.

Mrs. Anna Van Sant and Miss Ann Little, of Steelton, Pa., were week-end guests of Miss Little's parents, Mr. and Mrs. Samuel Little, Elliott Heights. Mr. Little celebrated his eightieth birthday last week.

Lewis Maclary, Seaman Third Class, who is stationed at Norfolk, spent a short leave this week-end with his mother, Mrs. Helen Willis, of near Head of Christiana. Seaman Maclary also visited with Mr. and Mrs. Ashel Barrow and Mr. and Mrs. Albert Barrow, of Aberdeen.

Lewis Maclary, Seaman Third Class, who is stationed at Norfolk, spent a short leave this week-end with his mother, Mrs. Helen Willis, of near Head of Christiana. Seaman Maclary also visited with Mr. and Mrs. Ashel Barrow and Mr. and Mrs. Albert Barrow, of Aberdeen.

Mrs. Anna Van Sant and Miss Ann Little, of Steelton, Pa., were week-end guests of Miss Little's parents, Mr. and Mrs. Samuel Little, Elliott Heights. Mr. Little celebrated his eightieth birthday last week.

Mr. and Mrs. W. K. Gillespie and son, Mike, of 17 Lovett Avenue, left Monday of this week for a two-week vacation at Chief Logan Lodge, near Belleville, Pa. The Gillespies will not return to Newark following their vacation, but will go to Butler, New Jersey, where they will make their home. Mr. Gillespie is principal of the Schools of Butler.

Mr. and Mrs. Stanley Gibbs, of Colonial Apartments, are spending a two-week vacation at Chief Logan Lodge, near Belleville, Pa.

Mr. and Mrs. William E. Holton and Dr. and Mrs. Robert E. Price are on an extended trip through the Middle West.

William Pie, Seaman First Class, has graduated from the Naval Aviation School, Jacksonville, Florida, and is now attending a Naval Aviation School in Philadelphia. Seaman Pie has been in the service since February of this year. He is the son of Mr. and Mrs. Paul F. Pie, 313 West Main Street.

Mrs. Arthur W. Crawford, Jr., and daughter, Priscilla, and Miss Marie Johnston, of South College Avenue, were dinner guests last Thursday evening of their cousins, Mr. and Mrs. H. Clifford Lyman, of Milltown Road, Mrs. Crawford and her daughter left on Sunday for their home in Southern California, where Mr. Crawford has resumed his former work following his discharge from the Navy.

Mrs. Silas W. Pettit and daughters, Mary Elizabeth and Rosetta, are vacationing in Ocean City, Maryland, and will return the latter part of this month.

Dr. and Mrs. Wallace M. Johnson and son, Wallace G. Johnson, will leave today to visit Mrs. Johnson's parents, Mr. and Mrs. E. C. Wiley, of Hills Dale, Michigan. En-route to Mrs. Johnson's parents they will visit with Dr. Johnson's mother, Mrs. Janie A. Johnson, Uniontown, Pa.

Mr. and Mrs. Walter Geist, of Haines Street, are spending their vacation with their nephew and niece, Mr. and Mrs. Jack Geist, Fernwood, N. J.

Mr. and Mrs. Charles L. Hartman are receiving congratulations on the birth of a daughter, born August 11, in the Delaware Hospital, Wilmington.

Machinists Mate First Class and Mrs. Eugene Wickersham of Newark, R. D. 3, are receiving congratulations on the birth of a son, born August 12, in the Memorial Hospital, Wilmington. Mrs. Wickersham will be remembered as Miss Dorothy Jane Lee, daughter of Mr. and Mrs. Harry L. Lee.

Miss Patricia Ottey, of Nottingham Road, a student nurse at the Memorial School of Nursing, is spending her vacation with her parents, Mr. and Mrs. E. Orville Ottey.

Miss Margery Murray, daughter of Mr. and Mrs. George Murray, of near Newark, recently spent two weeks at Girl Scout Camp, Timber Ridge, near Elverson, Pa.

Miss Mary Beth Williams and Miss Ruth Ann Williams, of Westmont, New Jersey, arrived Wednesday of this week for a visit with their grandparents, Mr. and Mrs. H. P. Williams.

Miss Marjorie Jamison, Capitol Trail, is spending this week at Ocean City, Md., with Miss Frances Bartley, and Dr. and Mrs. O. A. Bartley, Dover, Del.

Mr. George Trague and Mr. H. E. Trague, of Newark recently visited the Endless Caverns at New Market, Va., while on a motor trip through the Shenandoah Valley.

Miss Nellie Hawke, of Washington, D. C., has been visiting Mr. and Mrs. Frank Welch, Capitol Trail.

Mrs. Anna Taylor, of Orchard Ave., Lumbrook, entertained at a family dinner on her lawn on Sunday.

Ebenezer Bible Class To Meet

The Men's Bible Class of the Ebenezer Methodist Church, Pleasant Hill, will hold a special meeting Sunday evening beginning at 8 o'clock in honor of Mr. Samuel Little, of Newark, on his eightieth birthday, and also Mr. A. D. Fisher, who is approaching his eightieth birthday.

Special music will be presented by the Men's Quartet, and soloists during the evening will be Howard Messick, Franklin Knotts and Paul Nelson.

Scripture reading will be given by Mr. Fisher who will also lead in the prayer. A short talk will be given by Mr. Little.

Refreshments will be served and birthday celebrations held at the conclusion of the meeting.

## Winter Wheat Crop Insurance Available

Crop insurance on winter wheat is now on sale at the New Castle County Agricultural Conservation office or through authorized agents, B. T. Hopkins, County Agricultural Conservation Chairman announced today. Wider choice in the amount of insurance he buys is offered the winter wheat grower this year, according to Mr. Hopkins. The buyer can choose from among several different amounts of coverage, pay a corresponding premium, and collect a corresponding indemnity in case of loss.

"Drought, flood, hail, insects, or plant diseases can ruin your wheat crop, but they won't mean financial ruin for you if you have crop insurance," Mr. Hopkins said. "No matter what happens, you will still protect the money you invested in your crop." Applications for insurance must be filed before planting but not later than September 28, 1946. The crop is protected against all unavoidable natural risks from planting time through harvest.

## Heart Attack Fatal To Conrad Football Coach

A heart attack suffered in a physician's office last Wednesday, August 7, in Athens, O., was fatal to Harlan E. Nelson, 32, head football coach of the Henry C. Conrad High School from 1939 to 1941.

Mr. Nelson, who was scheduled to return to his post this September following Army service, collapsed and died in his doctor's office in Athens where he had been visiting his wife's relatives. He was the son of Mr. and Mrs. William D. Nelson, of Delmar.

## \$736 Daily Double Winner Drops Dead

David Stein, 46, Millville, N. J., collapsed and died at the Atlantic City race track last Thursday just after Woolfe won the second race to complete a mutuel machine daily double of \$736.

Track officials found a winning ticket for the double in his pocket.

## Living Costs Highest Since January, 1921

Living costs in 65 cities surveyed by the National Industrial Conference Board reached on June 15 the highest point since January, 1921, climbing 1.4 per cent since March 15, the board reported today.

The board, an independent fact-finding agency, noted that since its index applied to June 15, price rises during the period when controls lapsed were not reflected.

Men's clothing rose 2.5 per cent in the period for the greatest increase, the survey showed, while women's clothing was up 6 of one per cent and food costs up 2.1 per cent.

Living costs climbed in all the 65 cities except Richmond, Va., where a decline of 2 of one per cent was reported. Largest increases were: Joliet, Ill., 3.1 per cent; Muskegon, Mich., 2.9, and Denver, Colo., 2.4.

## Duck Season

(Continued from Page 6)

The possession period for possession of migratory game birds remains 90 days.

## Bait Prohibited

The regulations prohibit the taking of waterfowl by means of bait or with the aid of five decoys or goose decoys. The regulations were drafted by the Fish and Wildlife Service after consultation with state game administrators. They were approved by President Truman, as well as Secretary Knud.

The regulations included the following:

No open season is provided on snow geese or on Ross' geese and swans in the waters of the Atlantic Ocean. The open season for wild ducks, geese, brant and coot (both ducks and geese) in New Jersey, Connecticut, Delaware, New York (except certain portions of Essex, Clinton, and Washington counties) including Long Island and Pennsylvania, Oct. 26 to Dec. 8.

halls and gallinules—The open season on mallards and gallinules (except coot) shall be from September 1 to Nov. 20, both dates inclusive, except in New York, including Long Island, Oct. 26 to Dec. 9.

## Woodcock Season

The open season on woodcock shall be as follows, both dates inclusive: Connecticut, Oct. 19 to Nov. 2; Delaware, Nov. 13 to Nov. 29; New Jersey, Oct. 20 to Nov. 3; Pennsylvania, Oct. 10 to Oct. 24.

## Bag and Possession Limits

On the opening day of the season no person may possess any migratory game birds in excess of the daily bag limits.

Daily bag limits on ducks (except the American and red-breasted mergansers) are 7 in the aggregate of all kinds, including in such limit not more than 1 wood duck. Any person at any time may possess not more than 14 ducks, including not more than 1 wood duck.

The daily bag limit on geese and brant (except snow geese and Ross' geese anywhere) is 2 of any kind in any combination, including brant, plus 2 snow geese or 2 blue geese singly or in the aggregate. No person may possess more than these limits.

Bills and gallinules (except sora and coot)—Fifteen in the aggregate of all kinds, and any person may possess not more than 15 in the aggregate of all kinds.

Coot—Twenty-five, and any person may possess not more than 25.

Sora—Twenty-five, and any person may possess not more than 25.

Woodcock—Four, and any person may possess not more than 8.

Mourning or turtle dove and white-winged dove—Ten in the aggregate of both kinds, and any person may possess not more than 10 mourning doves or more than 10 white-winged doves.

Band-tailed pigeon—Ten, and any person may possess not more than 10.

## CERTIFICATE OF REDUCTION OF CAPITAL

SHIPPEN HARDWOOD LUMBER COMPANY, a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

(1) That on the 7th day of August, A. D. 1946, there was filed with said corporation the written consent of the holders of record of the total number of shares of the corporation outstanding and having voting powers authorizing reduction of the capital of the corporation by the amount of Two hundred ninety thousand Dollars (\$290,000.00) in the following manner:

By reducing the capital represented by 2,000 issued and outstanding shares without par value from \$300,000.00 to \$10,000.00.

(2) That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said SHIPPEN HARDWOOD LUMBER COMPANY has caused its corporate seal to be affixed and this certificate to be signed by L. J. GUNSON, its President and R. L. FRUCHTERMAN, its Secretary, this 7th day of August, A. D. 1946.

SHIPPEN HARDWOOD LUMBER COMPANY

## CERTIFICATE OF REDUCTION OF CAPITAL STOCK

PRAIRIE STATE DRILLING COMPANY (By Written Consent of All Stockholders)  
The undersigned President and Secretary of the PRAIRIE STATE DRILLING COMPANY, a corporation existing under the laws of Delaware, do hereby certify under the seal of said corporation as follows:

(1) That all of the stockholders of record of said corporation did on the 23rd day of July, 1946, consent in writing to the reduction in issued capital stock of said corporation as hereinafter set out:

(2) That pursuant to the written consent and direction of said stockholders the officers of the corporation caused six hundred shares of its capital stock, held by the corporation as treasury stock, to be surrendered and cancelled, thereby reducing the capital of the corporation from Four Hundred Thousand Dollars (\$400,000.00) to Three Hundred Forty Thousand Dollars (\$340,000.00).

(3) That pursuant to said consent and direction said stock is held as authorized but unissued capital stock subject to re-issue at par.

(4) That pursuant to the direction of the shareholders there has been charged against the capital of said corporation an amount equal to that part of the capital of said corporation represented by such cancelled shares.

(5) That the assets of the corporation remaining after such reduction in capital are sufficient to pay any debts, the payment of which shall not have been otherwise provided for.

IN WITNESS WHEREOF said President and Secretary have hereunto set their hands and affixed the seal of said corporation, this 23rd day of July, 1946.

JAMES E. THOMPSON, President.  
SIBYL SNEED, Secretary.

# What's your score in this Money quiz?

Q. Are a fool and his money soon parted?

A. They usually are! But fortunately you and millions of other Americans are no fools. You've learned that the Payroll Savings Plan is the safest and surest way of piling up dollars for your future. That's why wise Americans keep on buying Bonds through the Payroll Plan—why they keep all the Bonds they buy!

## SAVE THE EASY WAY... BUY YOUR BONDS THROUGH PAYROLL SAVINGS

Q. Will money make the mare go?

A. Yes, sir! Of course it doesn't mean putting your hay-burner on a diet of dollar bills. But this old saying *does* emphasize the fact that an income of hard, cold cash is necessary for the existence of any individual, any family, any business. Every dollar you put into Savings Bonds now, assures you an income—in hard, cold cash—later on, when you may want or need it most!

Q. Does it take money to make money?

A. It sure helps! And just about the best way to put your money to work is in U. S. Savings Bonds, where the \$75 you invest today will come back as \$100 in 10 years. So, if you want your money to make more money—if you ever expect to have enough to buy a home, or to travel, or to quit work for good—put every dollar you can spare into U. S. Savings Bonds!

## STUDY GROUP SAILING TO SWITZERLAND

Foreign Study Group Leaves N. Y. Tomorrow

Forty students from twenty-two colleges and universities throughout the nation comprise the first post-war University of Delaware foreign study group, which will sail from New York on August 16 aboard the Queen Mary to spend their junior year in study at the University of Geneva, Switzerland.

Director of the 1946-47 Delaware Foreign Study group is Dr. David M. Dougherty, who already is in Geneva making final preparations for the arrival of these students.

A pre-sailing conference of the group will be held in the Hotel Pennsylvania, New York City on this afternoon, at which time the students will be greeted and addressed briefly by Dr. William S. Carlson, president of the University of Delaware; the Honorable Charles E. Rosset, Swiss vice-consul, and Dr. Stephen Duggan, Director of the Institute of International Education.

Immediately following Thursday's meeting, there will be a reception at which students and their relatives and friends will be the guests of the University of Delaware.

## \$250 MUSIC SCHOLARSHIP

U. of D. To Make Presser Award

The Presser Foundation of Philadelphia has designated the University of Delaware to award a music scholarship of \$250 for the academic year 1946-47, it was revealed recently by Prof. Anthony J. Loudis, head of the music department at the university.

The foundation was established by Theodore Presser, well known publisher, to stimulate the education of musicians and music teachers in the United States. This is the first time that the University of Delaware has been one of a number of universities throughout the nation to be so honored.

Persons interested in securing detailed information concerning the scholarship may address queries or applications to Mr. Loudis at the University of Delaware.

## Payment Of Jobless Benefits Decrease

Albert Stetser, executive director of the Delaware Unemployment Compensation Commission, said last week that only 1,484 checks were issued to state benefit claimants last week, the lowest number since V-J Day. Veterans received 2,722 checks, a drop of more than 1,000 since the high of 3,778 during the week of March 6.

The total of 4,206 issued to both state and veteran claimants represented the lowest over-all compensable unemployment since November of last year, Mr. Stetser said.

## Phils' Lease On Shibe Park Extended 10 Years

The Philadelphia Phillies' lease on Shibe Park was extended 10 years to 1957, President Bob Carpenter announced last week.

The terms permit the Phillies to withdraw on payment of a fee in the event they build and move into a ball park of their own, a plan reported frequently during the last several years. Carpenter said he feels conditions are too unstable to undertake construction of such a park at present.

## Rites For Timothy Fatty Held Tuesday Afternoon

Timothy A. Fatty of Lancaster Pike died Friday morning, August 9, in the Delaware Hospital where he had been a patient for two weeks.

Funeral services were conducted from his late residence, Lancaster Pike, near the Masonic Home, at 1 p. m. Tuesday afternoon by the Rev. R. High Adams, with interment in Silverbrook Cemetery.

Mr. Fatty was a native of North East, Md., and has lived at the above mentioned residence for the past thirteen years having moved there from the farm formerly known as the McLaughlin Farm on the Nottingham Road, near Newark. He has been employed as a gardener on the estate of Mrs. Charles Rupert. His wife, Gertrude, died twenty-one years ago this month.

Surviving are seven children: Mrs. Konard Potts, with whom he made his home; Mrs. Thomas Crouch, Gladwyn, Pa.; Mrs. Hugo Frank, Marshallton; William Fatty, Newark, John and Curtis Fatty, both of Marshallton Heights; and Lawrence W. Fatty, of Marshallton, and nine grandchildren.

## LEGION TO CONVENE

Annual Meeting At Hotel DuPont

R. Graham Huntington, New Jersey, national vice-commander of the American Legion, will be principal speaker at the 29th annual convention of the Department of Delaware, American Legion, which opens at 1 o'clock, Friday afternoon in the Hotel DuPont.

Friday afternoon will be devoted to registration and start of business. Committees will report and action will be taken on resolutions. The annual election of officers of the department will be held Saturday.

One of the most important events of the convention will be a banquet at 7 o'clock, Friday night, in the Hotel DuPont. Mr. Huntington will speak, and guests will include U. S. Senators James H. Tamm and C. Douglass Buck, U. S. Rep. Philip A. Traynor, Gov. Walter W. Bacon, Mayor Joseph S. Wilson, and visiting Legion officials.

Delegates representing the J. Allison O'Daniel Post, No. 10, from Newark, are George M. Haney, commander, William K. Richardson, Ford H. McBearty, George Harris and John R. Fader, who is also a member of the convention committee.

## Speed-Up In Auto Tire Production Planned

Production of tires for passenger cars and motorcycles will be stepped up the last half of this year, the Civilian Production Administration announced recently.

W. J. Sears, director of the CPA rubber division, reported that a goal of 69,150,000 tires for this year can still be attained even though only 3,841,101 were produced in the first six months.

CPA announced that tires for trucks and buses totaled 7,705,894 in the first half of this year, more than half of the year's goal of 13,860,000 units. As a result Sears said the supply of bus and truck tires is capable of meeting current demands except for small delivery and pickup vehicles.

## RESTAURANT PRICES MAY BE RAISED, SAYS OPA

Adjustments Granted On Items Of Decontrolled Ingredients

The road to higher ceiling prices in restaurants was opened last week when Delaware OPA officials told restaurant operators they may adjust their prices on meals or food items the majority ingredient of which has been removed from price control.

Since meats, poultry, fish and eggs have been removed from price control, most restaurant meal prices, and the a la carte prices of a great many individual items are subject to revision.

Restaurant men said prices currently being charged in many establishments have already been raised about 10 to 15 cents on dinners and about five cents on lunches as compared with the former ceilings, and they doubted that further increases would be made. "Prices will go no higher than we are forced to put them by the increased cost of meat," one restaurant operator said, adding that competition is keen in a city the size of Wilmington.

One restaurant man said he "held the line" for about two weeks after the OPA expired, but then was forced to increase the prices on his menus. The current prices are likely to be his new ceiling prices, he indicated.

The explanation of the current regulations was made by John Bancroft III, price executive of the Delaware OPA, and Samuel Handloff, price attorney, at the meeting of the hotel and restaurant division, retail merchants' section, Chamber of Commerce, recently in the chamber offices.

Mr. Bancroft explained that the restaurateurs may alter their ceiling prices under Amendment No. 13 to Maximum Price Regulation No. 2, which regulates prices in eating and drinking establishments. The amendment was issued on June 13, only about two weeks before the OPA's controls temporarily expired.

The amendment permits restaurateurs to compute new ceiling prices on "any food item, meal or beverage the major ingredient of which is exempt from price control at all other levels," Mr. Bancroft explained.

## DAIRYMEN IN CONFAB

Feed Problems Discussed Here

Adoption of an emergency feeding program for dairy cows was urged on Delaware farmers Tuesday by Delmar J. Young, dairy specialist, of the Delaware Agricultural Extension Service.

Unless dairy farmers cooperate in a program of this kind, Young said, their revenue from raw milk will fall off sharply during the fall and winter months.

The dairy specialist strongly recommended the program and outlined details of its operation to county agricultural agents and dairy field representatives at an all-day conference at the University of Delaware.

Special emphasis was placed by Young on "home feeding" of dairy cows because of the nearly prohibitive prices and the scarcity of commercial grain.

To obtain the best results in the present emergency, A. E. Tomhave, head of the animal and poultry industry department at the University of Delaware, advised dairymen to "use up old supplies on hand" and "make maximum use of home grown feeds."

**RECRE  
HEADS  
FINAL**  
Commu  
To End  
Friday,  
As the formal  
summer recreati  
unity sing, open  
will be held in  
Academy Buildin  
It was announ  
The affair is be  
Newark Recreation  
gala conclusion to  
season. Tentativ  
dancing with m  
P. A. system were  
affair is not a b  
will be made.  
Other highlight  
be the awarding o  
and team winner  
lute phases of th  
mer. Certificates  
those who passed  
Life Saving Cour  
In other phase  
program this wee  
that three local s  
in the recent stat  
at Canby Park p  
second in the fanc  
unlimited class, v  
came in second in  
for junior girls  
for junior girls.  
Medal winner in  
was Hugh Miller.  
in the 50-yard bac  
In the horseshoe  
week behind Tay  
Williams emerged  
Tomhave and Eva  
semi-finals. A m  
and Jordan will c  
finalist.  
**Cow Killed W  
Struck By Au**  
An automobile  
G. Shepperd of n  
and killed a cow  
L. Davis, of near  
Tl, in front of the  
Shepperd, arres  
on a charge of re  
dred \$25 and cost  
vin H. Staats, of S  
said the cows wen  
the crossing and  
cow was valued at  
Damage to Shepp  
stated at \$150 by
