

## YELLOWJACKET HIGHLIGHTS

A Column of News Contributed By the Journalism Class At Newark High School

### New Castle County Teachers' Meeting Held At Mt. Pleasant

New Castle County Teachers' Meeting this year was held at the Mt. Pleasant High School, last Friday, March 17.

There was a conducted tour of the Silverside School from 9 to 9:45 o'clock.

Following this there was an invocation by Mr. Joseph F. Reiney, superintendent of the Mt. Pleasant Special District.

The music was by the Mt. Pleasant Senior High Chorus, directed by Starr L. Cole. At 10:15 there was a business meeting and the feature addresses were by Dr. George R. Miller, Jr. and Mr. Robert L. Durke.

The theme this year was "School for the Whole Child." From 11 to 12 there were sectional meetings including the following: I—Reading on the High School Level; II—Human Relations; III—High School Guidance; IV—Elementary Guidance; V—Speech and the Teacher in the Classroom; VI—Child Development; VII—School Building Construction. At 12 o'clock a luncheon was held at the Mt. Pleasant School Cafeteria. In the afternoon a movie entitled "Meeting Emotional Needs in Childhood" was shown at 1:40 o'clock. Following that Dr. Ralph McDonald, Director of the National Commission on Teacher Education and Professional Standards spoke.

This was the first time in several years that the Newark Public School teachers have attended the New Castle County Teachers' Meeting as a group.

### "Buzz" To Be Issued March 28

"Yellow Jacket Buzz," the monthly newspaper, will be issued next Tuesday, March 28.

This issue will contain an article on the trip of several members of the staff in March to the Columbia Scholastic Press Conference in New York. The staff has not yet decided whether the Buzz will be printed on glossy paper or on newsprint. Whichever they decide upon, the Buzz will still cost the same ten cents.

There will be six hundred copies printed so that there should be one for everybody. Even so you had better order your copy so that you are sure to get one.

Bill Everhart.

### Introducing a Junior High Student—Loretta Windle

Loretta Windle, a well-liked 8th grade student, is a native of Newark. Her favorite sport is basketball and she is very much interested in her hobby collecting recipes. Loretta's favorite saying is "Oh, chicken feed and corn cabbage." She likes mathematics very much. Her favorite movie star is Betty Grable. Loretta's interest in interior decorating and cooking is responsible for her ambition to settle down in her own home someday.

### 7-1 Section Presented Three Skits In Homeroom on March 10

As part of their homeroom activity the 7-1 section gave three short humorous skits in room 217 on Friday, March 10. The first skit, "Mary Had a Little Lamb," consisted of three scenes, two in the school room and one in Mary's home. The characters were: Mary, Carolyn Chalmers; teacher, Dorothy Mayne; children, Frances Grundy, Barbara Ness, Grace Miller, and Kathy Lanning; Mother, Ginger Lanier; Father, Wright Poffenberger; big brother, Turpin Rose; big sister, Carolyn Nutter.

"Wisdom Tooth," the next skit, featured a tortured patient played by Sue Roberts; nurse, Kathy Lanning; other

patient, Barbara Ness; doctor, Francis Grundy. The doctor got his tooth from the first patient.

The final skit was entitled, "Three O'Clock in the Morning." Characters were: Drunk, Turpin Rose; Policeman, Howard Priestley; Lady, Carolyn Chalmers.

Ginger Lanier—Junior Journalist.

### Girls Intramurals Come To Close

Girls' intramural basketball games have been played every Tuesday, Thursday and Friday after school from 3:30 to 4 o'clock during the past season. There was a bus team for bus students which played on Friday, third period.

The girls from Leaders' Club were chosen to manage the different teams. The play-offs started with the seventh and eighth grades. The two winning teams were Eagle Beavers and Lively Lizards. The Eagle Beavers won the championship for these two grades with a score of 20 to 17.

The ninth and tenth grades were the next ones to play. These games were played on Thursday, March 10. They were called the Dribblers and Teasers. The tenth grade or the Dribblers won by a score of 17 to 7.

On Thursday, March 16, Ananias and Rockettes, both eleventh graders, played to see who would play the Garter Girls for the championship. The Rockettes won by a score of 11 to 28. They then played the Garter Girls and won by a score of 9 to 8. This made the Rockettes champions of the eleventh and twelfth grades.

Wednesday, there will be ribbons of all colors worn all day by each team which won the championship of its respective grade.

Mary Alice Fulton.

## Value Of Reading Will Be Stressed In Grade Assembly

One-Act Plays And Skits To Be Presented Next Wednesday

The importance of reading will be the theme of an assembly to be presented by Mrs. R. E. MacLary's homeroom next Wednesday morning at the Newark schools.

The program will include a number of short plays and skits stressing the pleasure and value of the reading habit. Carolyn Jones will preside and the scripture reading will be by Fiore Nardo.

In the cast of the first play, "Books Go On Forever," will be: Gene Porter, Mary Ann Boyle, Howard Joiner, Marvin Sullivan, Harriet Wagner, Gino Ratti, Jean Skold, Paul Flood, Roy Blomquist, Wilbur Hutchison.

A short skit, "Boarding House Jokes" will follow. The cast will include: Frank Skillman, James McCleary, Charles Lynch, Gunnar Nelson, Franklin Fuller, and Paul Flood.

Frances McCullough will introduce the next play, entitled "Neighbors." The cast: Anita Long, Joan Gustine, Jean Skold, Carolyn Jones, Louise Lattomus, Rebecca Wimmer Miriam Rehmeier, Mary Ann Boyle, Sandra Capel and Julia Wood, Lois Leid, Robert Greenplate, Betty Bowser and Carolyn Tweed.

Songs by the entire class will be accompanied by Roy Blomquist on the accordion. The school band, under direction of Ernest Wilder, will furnish the music.

## Surplus Dried Eggs, Milk Now Available To Schools, Agencies

Offered Free To Public Welfare Groups And For School Lunches

Dried eggs and non-fat dry milk solids from U. S. Department of Agriculture's price-support stocks are being offered free at the points where they are stored in school lunch programs and to Federal, State, and local public welfare agencies for the assistance of needy persons in Delaware. This was announced recently by Ernest S. Mattford, chairman of the State Production and Marketing Administration Committee.

These commodities will be handled under the system of distribution provided in Section 416 of the Agricultural Act of 1949. This law sets up several priorities on distribution of Government surplus foods by various types of recipients, and it provides that recipient agencies must pay handling charges and transportation from the points of storage.

Mr. Mattford said that distribution of dried eggs and non-fat dry milk solids will be limited to the first category of eligible agencies described in the Act, which, besides school lunch programs and public welfare agencies, includes the Bureau of Indian Affairs. Potatoes, already being offered under the Section 416 plan of distribution, are available on an even broader basis, including private welfare organizations for assistance of needy persons, both in this country and abroad.

Schools and interested public welfare agencies in Delaware, according to Mr. Mattford can get full information on available commodities and details for handling from:

Schools—Mrs. Ethel B. Emmert, School Lunch Supervisor, State Dept. of Public Instruction, Dover, Delaware. Welfare and Public Institutions—A.

Tarumianz, Asst. Business Manager, Delaware State Hospital, Farnhurst, Delaware.

### ALL CORN

The sweet corn that goes straight from the garden patch to the boiling kettle has the best flavor. Ears of corn go on ripening after picked and with any length of storage their sugar content turns to starch. There is little loss of flavor in canned corn because the processing is done in canneries near the fields, and within three hours after the corn is picked, it is sealed in cans. The pack size proves the popularity of this truly American, sweet vegetable—about 800 million ears of cream style and whole kernel corn, in both the white and golden varieties, were turned out last season by corn canners in 28 states.

A safety report was given by Mrs. Walker and a check of the Glasgow Club is to bring the Bear Club on April 17th.

Bear Club is to visit Christiana Club May 4th. Leader for next month will be Mrs. L. J. Walker. Plans were made for National Home Demonstration Week. The club plans to go to Christiana Methodist Church on April 30th. Also a window display is being planned to be arranged in the Newark Farm and Home Supply Store. Mrs. Horace Eastburn, Mrs. Clarence Highfield, and Mrs. J. Leslie Ford will be in charge. The meeting was then turned over to Home Demonstration Agent Miss Katherine Jones in charge of "Recent Developments in Nutrition." Refreshments were served and the meeting adjourned to be held in Red Lion Community Hall on April 17th.

# HOW MUCH BLIND SELFISHNESS WILL IT TAKE TO BREAK DEMOCRACY'S BACK

The cold war going on in the world today is a struggle for men's minds, their hearts, and their loyalties. The Communist masters in the Kremlin know they cannot beat America by direct frontal attack. So they are counting on seeing America defeat itself by permitting the forces of blind selfishness to go unchecked. What Moscow hopes for in this cold war is another American depression — a repeat performance of the dark years after 1929, when millions of Americans lost their jobs, lost their farms, lost their homes, and lost their hope.

**1929 CAN HAPPEN AGAIN IF  
BLIND SELFISHNESS DRIVES  
A FEW TO GRAB MORE AND  
MORE OF THE FRUITS OF IN-  
DUSTRY WHILE DENYING A  
FAIR SHARE TO THE MANY.**

Unemployment has increased to 4½ million. Still, there is as much work to be done in peace as there was in war. The needs of the American people are unlimited. Our problem is not over-production; our problem today, as in 1929, is under-consumption. Millions of American families simply don't have the money to buy the things they need, which we can produce in great abundance in our factories and on our farms.

Mass productive power must be balanced by mass purchasing power. Freedom will be made secure in the world only if American democracy demonstrates the moral strength and the practical know-how to mobilize its productive power to meet the needs of the great mass of people. We must remove the road blocks of blind selfishness that obstruct the way to achievement of an economy of full production, full employment and full distribution.

**CHRYSLER'S BLIND SELFISHNESS IS**

**ECONOMICALLY STUPID . . .**

**MORALLY WRONG . . . AND A**

**THREAT TO AMERICAN DEMOCRACY!**

## Look at the FACTS:

- 1 ... In 1949, Chrysler made a profit of \$213,170,096 before taxes. This was a return of 55.4% on their investment.
- 2 ... In 1949, Chrysler made a profit of \$132,200,000 after taxes, or a return of 34.4% on their investment.
- 3 ... In 1949, Chrysler made more than \$2,000 profit per employee.
- 4 ... In 1949, Chrysler could have paid every employee a 10 cent per hour increase and still have made a profit of 31.5% on their investment after paying all their taxes and operating expenses.

## CHRYSLER'S BLIND SELFISHNESS BLOCKS SETTLEMENT

*In a police state where democracy has been destroyed, industrial peace is possible without justice. But in a society of free men, industrial peace is possible only if it rests upon a foundation of economic and social justice. Chrysler's blind selfishness denies its workers justice, and so blocks the road to industrial peace. The Chrysler Corporation weakens America's position in the cold war, by clinging to selfish policies that threaten to drive us back to depression, decay and defeat. The Chrysler strike will be settled when blind selfishness gives way to reason. The strike will be settled when the Chrysler Corporation meets its responsibilities to its workers and to the community.*

### CHRYSLER EXECUTIVES VOTE MILLIONS TO THEMSELVES . . . WHILE DENYING WORKERS THEIR JUST DEMANDS

1 ... K. T. Keller, Chrysler Corporation President, was paid \$250,800 per year, or \$125 per hour on the basis of a 40 hour week. When Mr. Keller is too old to work and too young to die, Chrysler will pay him a pension of \$25,200 per year.

2 ... B. F. Hutchinson, Chrysler Corporation Vice President, was paid \$225,800 per year, equal to \$112 per hour. When he is too old to work and too young to die, Chrysler will pay him a pension of \$23,400 per year.

3 ... Out of the 1947 and 1948 Chrysler earnings, a handful of high-paid executives divided up a bonus of \$10,130,000. They will get another huge bonus out of 1949 earnings.

4 ... As a result of their getting a slice of this \$10,130,000 bonus, high-paid Chrysler executives will not buy one more loaf of bread, one more pair of shoes, one more suit of clothes, or call the Doctor one more time. The Chrysler executives already were able to buy all the things they and their families needed out of their high salaries, before they received their cut of the ten million dollar bonus.

On the other hand, 10 cents per hour in the pay checks of 89,000 Chrysler workers would have enabled them to buy more bread, more shoes, more clothing, and call the Doctor when needed.

**CHRYSLER'S BLIND SELFISHNESS DICTATES \$10,130,000 IN A BONUS FOR HIGH-PAID EXECUTIVES BUT ONLY 3 CENTS PER HOUR IN A PHONY PENSION OFFER FOR THE \$1.36 PER HOUR WORKERS.**

### WORKERS' DEMANDS ARE REASONABLE AND JUST HERE'S WHAT THEY WANT:

- 1 ... A guaranteed pension plan based on an actuarially sound trust fund supervised by the United States Treasury Department. The Company's vague promise to pay pensions will not give Chrysler workers security in their old age.
- 2 ... Raises for Newark employees to give them the same pay as Chrysler workers in other plants. Chrysler is now paying other workers under UAW contract. Newark men and women now receive less money for the same work.
- 3 ... More protection against the hazards of sickness and accident for Chrysler workers and their families. The Company offers only to cooperate in a plan in which the workers pay all of the costs of hospitalization and medical care.
- 4 ... Badly needed contract improvements. The Chrysler contract must be brought up to date to provide greater job security for the workers, better working conditions, security for the Union, elimination of wage inequality and other Company abuses. The Company proposes weakening seniority and other contract provisions and going back to the Red Apple Club days when every worker was at the mercy of his foreman.

## Chrysler Refuses to Meet the Pattern

Chrysler's competitors, with a less favorable economic position, have agreed to pay 10 cents per hour to meet the cost of pensions and hospital-medical care programs. Chrysler's competitors, including Ford, Nash-Kelvinator, Kaiser-Frazer, Seely-Harris, Budd Manufacturing and other companies, have agreed to guaranteed pension plans based upon the company making payments into an actuarially sound fund, which is the only basis that will assure workers guaranteed pension payments in their old age.

Chrysler's competitors have agreed to a joint Board of Administration to permit the workers to democratically participate in the administration of their pension plan.

### Potato Grower Pulls Fast One On Govt.

Farmer Art Wardner, of East Grand, Minn., sold 160,000 pounds of potatoes to the government recently at 14¢ per hundredweight and promptly bought them back for one cent per hundredweight.

Wardner took advantage of the government's potato-buying program, stepped up in Minnesota, in an effort to turn off huge stores of surplus spuds that otherwise might rot in farmers' bins.

Wardner never lost possession of the potatoes in the transaction. He got a federal check on the sale and wrote out one of his own to buy the potatoes back.

At	Distance
20 MPH	40 ft.
30 MPH	75 ft.
40 MPH	115 ft.
50 MPH	166 ft.
60 MPH	226 ft.
70 MPH	295 ft.

Remember, these are excellent conditions — good brakes and straight, level, dry, smooth, hard-surfaced roads.

Some Sunday morning perhaps, when your car is standing at the curb, pace off a few of the above distances. You'll have a new appreciation of the dangers you face while traveling at high speed.

## 3 Judges Selected For U. of D. Writing Contest

Judges for the fifth annual creative writing contest sponsored by the University of Delaware's English Department for all undergraduates, were announced today by Mrs. Sara B. Rogers, chairman.

The contest, which closes March 27, offers prizes in four fields: fiction, non-fictional prose, poetry, and drama. The first prize in each category, consisting of a book with suitably inscribed book plates, will be presented at Honors Day in May.

The judges are Miss C. Louise Jackson, head of the English Department at Henry C. Conrad High School; Clarence A. Fulmer, principal of the Wilmington High School; and W. Emerson Wilson, city editor of the Wilmington Morning News.

## Tickets Available Still For Rotarian Minstrel Next Week

Rolling Show Promised Tuesday And Wednesday By Local Club

When E. C. (Curley) Mahanna meets his cutie on the Two to Two in "Rotary Blackbirds of 1950" the old time minstrel show being offered by the Rotary Club of Newark in the High School Auditorium in Newark on next Tuesday and Wednesday evenings, the audience will receive one of its best treats in many a day.

Professional talent will be featured in the person of Hope Nicholson, who has just signed a contract to appear on television on Station WMAR-TV and will appear in the show in a dance specialty.

Final plans have been made for the two performances, the proceeds of which will be used to provide a scholarship for a graduate of the Newark High School and a visual aid to education laboratory for the Newark School System.

Jerome C. Weinberg, production chairman, announces that reserved seats are still available at the Newark Department Store but urges prompt action in securing reservations. He also suggested that those who have purchased tickets elsewhere have them reserved immediately without additional charge.

"Rotary Blackbirds of 1950" will offer ten soloists. In addition to the end men, Alden (Whitey) Burnham, Gibby Young, E. C. (Curley) Mahanna and G. Taggart Evans, musical solos will be sung by Dee Clark, Robert H. Jones, Robert K. Strahorn, Robert F. Klippel, Andy Dick and Frank Rago. The Cotton Pickers Quartet will be featured, including Don Butterworth, Don Martin, Tom Martin, and Robert Murphy. Another quartet will introduce as a unit Robert Strahorn, Robert H. Jones, Robert F. Klippel and Dee Clark.

To add variety to the show, mystifying magic will be featured in the person of Martin Singer and William Davis will provide music through an unusual musical instrument, the musical saw.

Charles Southwell, who is well-known in Newark for his coaching of music will direct the show and Mrs. S. W. (Shack) Martin will play as accompanist.

## Drama Group Plans For Beaux Arts Ball

## Robert Kase Heads Committee For Annual Event

Plans are being made for the finest and most colorful beaux arts ball in the history of the University Drama Group, according to Michael A. Kubicek, president. The exact date for the event, which will be held sometime in May, has not yet been fixed.

Robert Kase has been named general chairman, and Virginia Mahanna is in charge of the entertainment for the affair, the leading social event of the season for the drama group. In accordance with the usual custom, a theme will be selected for costumes to be worn on the occasion.

"The Informer," a one-act play, has been selected as the group's entry in the state drama festival to be held in Newark, April 28 and 29. Betty Kase will direct the production, the cast for which is being selected. The group won recognition for the best place twice in the last three years.

### Newark Town Election Campaign Issues

Editor Megargee's quizzical comments deserve a reply.

The campaign issues in the Town elections on April eleventh are very simple: Do you, who vote, want capable Town government? Are you willing to take the trouble to find out which candidates are able and willing to give you capable Town government; and to help get those candidates elected?

Town councilmen and the president of Council receive no pay from the Town. People may run for election to serve the community, to broaden their experience, or for business reasons.

Running the Town is a sizeable business. Gross income is some \$300,000 per year; there are about 35 employees. The appointment by the Council of two or three key employees determine how wisely money is spent. Good appointments make \$20,000 or \$30,000 more per year available for improvements. Most of these funds can be said to be from the sale of electricity; this revenue must be constantly safeguarded against possible encroachments.

Wise spending of \$50,000 or so available each year for Town improvements can make these dollars stretch. Councilmen need thoughtfully to examine many possible uses for these funds; to select with imagination and foresight the most suitable applications. The Town lives and grows; expenditures should not seem foolish ten years hence.

Town government has but one objective: to serve the people—all the people. The people should know what is being done, and why. Councilmen who seek election to serve the people, to broaden their experience, will wish to take the people of the Town frankly and fully into their confidence.

Won't you, Newark voter, make it your personal business to help elect capable, sincere councilmen this year?  
F. H. McBerty

Mrs. J. Pearce Cann presided at the speakers' table, and among the distinguished guests were Mrs. Burton Meyer, president of the State Federation of Women's Clubs; Mrs. Howard Brannan, vice-president for New Castle County; Mrs. Floy Booth, state parliamentarian; Miss Etta Wilson, state chairman of youth conservation; Mrs. John J. DeLuca, president of the Wilmington New Century Club; Mrs. Walter Dew, president of the Gardens Century Club; Mrs. William Cavanaugh, president of the Dover Century Club; and Mrs. Philip Jacobs, vice-president of the Milford New Century Club.

Mrs. W. O. White was general chairman, assisted by Mrs. R. O. Bausman, luncheon chairman; Mrs. Charles Maddock, decorations; Mrs. Delmar Young, table arrangements; Mrs. George Haney, reservations; and Mrs. David Eastburn, flower arrangements.

Entertainment was furnished by Miss Beulah Roth, radio and television entertainer, in a series of dramatic sketches with music, entitled "Across Our Land." Miss Roth was introduced by Mrs. Jay Robinson, program chairman for the day.

Another feature of the meeting was a display of first editions, limited editions, and choice examples of the art of bookmaking from the collection of the Curtis Paper Company, of Newark, and printed on Curtis Company paper.

"Cathedrals" will be the subject of a talk by Miss Harriet Bailey of the University of Delaware art department at the next club meeting on April 3.

man of the Economics and Business Administration Department at the University of Delaware.

Mr. Wheelless' retirement from the picture leaves Ernest L. Nachod, Jr., still unopposed in the eastern district.

Mr. Harvey, the new entry in the eastern district, is a native of Elkton, Md., and a graduate of Elkton High School. He was employed in refrigeration maintenance by the Abbotts Dairies in Elkton for many years and, during the war, was in charge of refrigeration and air conditioning at Triumph Explosives, Elkton.

A resident of Newark since 1945, he launched his own refrigeration repair and sales business here a year later. He is president of the newly formed Kiwanis Club and is a boy scout committeeman for this district. He lives with his wife and two children at 27 Tyre Avenue.

## STADIUM SITE SPECULATIONS

By Sam Cohen

When its new stadium is built, the University of Delaware football team will be making a trek back to where it left its high school shoes. Down the old Depot Road in the direction of Red Men's Home, or as the place was known in the guard-back era, the Pie estate.

True, they'll be going a little farther along the road, to the college farm, but, like as not, when they pass Red Men's Grove, an individual dressed in old-time football garb will loom from behind a tree and call out: "Hi, fellows, need an extra player?"

Former Rep. Phillip A. Traynor is authority for the statement that not a few of Delaware's games were played on the Pie estate. The first game, he believes, was played on what later became Frazer Field, in September, 1889. Two years later, he recalls, a military training hall was built there, so the football team picked up its equipment (a water bucket) and moved down to the Pie estate.

But the first game? Who won? Unfortunately, the Delaware Field Club did, by a mere 74-0.

Of the game itself Dr. Traynor recalls one principal incident—how the law stepped in and almost cut short Delaware's first try at football.

When the news leaked out in Newark that the college boys were going to take up mayhem and first-degree massacre, and masquerade them as "football," Sheriff Bill Simmons swore up and down Main Street that the first corpse carried off the field would mean the end of the game.

He almost made good his threat. During the game one of D. F. C.'s guards, William Michael Byrne, got a face lifting. Blood flowed like water, but while the appalled sheriff pondered calling the game, the players closed in on him. Once they stemmed the blood, they told the sheriff Byrne would be as good as new. As they argued, the first aid was applied, the blood finally stopped flowing, and the sheriff picked up his warrants and let the game proceed. After dousing the bloody field with that same water bucket, the teams got their flying wedges in operation again. Incidentally, there is no record of a substitute for Byrne.

For Delaware Burr Edmundson played center, Delaware Rothwell and Skeeter Ellis were guards, Clarence Short and Brooks Ross, tackles, Sylvester Bookhammer and Kirke Martin, ends. In the backfield, Captain Ed Martin directed the play from quarterback and had as his assistants John Wilson and Joseph Hossinger as halfbacks and John Armstrong as fullback. Blair Pie was a substitute. On the Delaware Field Club team, Philip Churchman served as center; Byrne and Al Cummings were guards, and Edmund Shortridge and Red Gause were ends. Frank Carpenter and William Hillis were in the backfield, but the other players Dr. Traynor's memory does not encompass. However, U. S. Senator Thomas F. Bayard and David J. Reinhardt, former attorney-general, played fullback and quarter back.

In addition to playing on Pie field, the Delaware College football team occasionally traveled to Wilmington of a Saturday afternoon and tussled on the turf at the Front and Union Street grounds or on the Riverview field, then situated at about Twenty-fifth and Market Streets. There two fields were enclosed, and Delaware needed funds to pay expenses for the football team.

The wandering eleven, however, finally found a haven on the Evans lot, later known as Frazer Field, when the training hall was torn down, and the open field was exposed and then enclosed. The inclosing of the field came as the result of the death of Joseph Heckart Frazer, one of the college's most brilliant alumni. Frazer, a graduate of Delaware in 1903, was born in Port Deposit, Md., in 1882, and when he was 6 his family moved to Newark. Soon after graduation from college, he went to Bolivia with a railroad construction crew. Young Frazer stayed on in Bolivia to become a contractor. At 29, when he died, he was one of the leaders of his profession. His death came as a result of a cold contracted on a hunting trip.

Frazer's father, the late Eben B. Frazer, druggist and Newark's best-remembered mayor, decided upon a monument to his son—a concrete wall and grading that turned a pasture field into one of the prettiest college fields of its day.

The wall was finished in 1913, and celebrations marked the opening of the new field in January of that year—and Frazer Field came into existence, giving Delaware an athletic site and a tradition. Thirty-three years passed before Oct. 26, 1946, when the Blue Hens played their last game on Frazer Field. With Drexel as the opponent, Delaware celebrated Homecoming Day for alumni with a 52-0 victory. But most of the throng of several thousand spectators had to stand up throughout the game, and scheduling of additional games for the field's limited seating capacity never was found feasible.

## Newark AA Downs Roccas Twice To Move Into Play-Off Finals

### Two Upset Victories First For Newark This Year Over League Leaders; Local Club In State Tourney Starting Saturday

The Newark AA eagles, who finished fourth in the Susquehanna League standings, are now well on their way to taking the play-off title. Two resounding upset victories last week over the Roccas, top team in the season's standings, moved Newark into the play-off finals. Their opponent will depend on the outcome of a series now underway between the Cecil Post and the Wilmington Chicks.

The ease with which Newark eliminated the Roccas from the play-offs came as a surprise, to even their most loyal followers, since the two victories were the first the local club managed to score over the league leaders all season.

The first last Tuesday was a nerve-racking, 57-56 affair, the decision coming only in the last ten seconds, when Jimmy McNeal sank one from the floor to provide the slim victory margin.

Once they had taken the Roccas' measure, though, the local club moved into high, and in the second game last Thursday polished off the erstwhile league big-guns to the tune of 72-43. The Newark club, displaying its best form of the season, led from the start, although they still had only a four-point advantage at half-time. The local five found its stride in the second half, rattling off 50 points while holding the Wilmington team to 25.

Gene Schen paced Newark with 19 points, while Tony Cosetti took second place honors with 14.

Newark has also accepted an invitation to compete in the Delaware State Amateur Basketball Tournament starting Saturday night in Fournier Hall, Wilmington. Nineteen teams are entered. Last year Newark finished fourth in a field of 15.

## Newark, Dover Golf Clubs Will Rotate Amateur Tourney

### Agreement Seen As Step Toward Formation Of State Golf Association

What may be the first step toward the formation of a Delaware state golf association was taken last week, when the Newark and Dover Country Clubs announced an agreement for rotating the sponsorship of the Delaware State Amateur Golf Tournament.

The event, which has been staged the past three years by the Newark club, will be held this year at the Maple Dale Country Club of Dover, July 15 and 16.

The Maple Dale club requested permission from Newark to hold the event, and, at a meeting last week between Dover and local linksmen, a rotating agreement was arranged. The event will return to Newark in 1951 and move to Dover again the following year, unless other clubs become interested and a larger plan, leading possibly to a golf association, can be worked out.

Both the Newark and Dover clubs are anxious to see such an association formed. Their hope is to organize all nine of Delaware's clubs into a competitive circuit. Newark's Al Dollins has informally sounded out a number of officials of down state clubs and found the general sentiment favorable to the plan.

In announcing the agreement with Dover, P. K. Musselman, president of the Newark club, said "We were pleased to hear that Maple Dale was anxious to hold the tournament and even more pleased to be able to fulfill the request. This should be a stimulant both to the tourney and down-state golf, because there undoubtedly will be a heavy entry of Kent and Sussex players, and I do not believe the switch will greatly reduce the number of contestants from Wilmington clubs."

## Stake Money For Delaware Park Meet To Total \$210,000

### 32-Day Race Program To Get Underway May 29; Stake Figure Increase For Twelfth Consecutive Year

For the twelfth year in succession Delaware Park's stake program has been increased in value, according to an announcement from J. G. (Gilt) Haus, racing secretary and handicapper, who has just completed consultations with President Donald Ross and General Manager Bryan Field. For the race meet, which will open May 29 and run for 32 continuous days, until July 4, the stake will be \$210,000 in fifteen stakes. In all approximately \$1,000,000 will be in horsemen in combined purse and stake money. Thus without a break, Delaware Park has increased its added money in stakes from the inauguration of the track in 1937.

Delaware Park's two rich futurity events, the Leonard Richards Stakes, exclusively for three-year-olds, and the Delaware Oaks, for three-year old fillies, are responsible for the 1950 increase. Each will carry a new value of \$22,500-added, marking a gain of \$2,500 over the 1949 listing. These classics will gross approximately \$32,000 for their 1950 renewals. There are 126 fillies eligible for the Oaks, which will be held on Saturday, June 24, and 137 sophomores on the list for the Leonard Richards, mile and a furlong feature on closing day, July 4.

Secretary Haus will open the stake events in 1950 with the popular sprint feature, the six-furlong Wilmington Handicap, a customary curtain raiser that attracts topnotch speedsters of all ages, beginning at the three-year old level. Last year found Mrs. E. duPont Weir's crack campaigner, Royal Governor, winning the inaugural dash from an outstanding field. Royal Governor also won the Brandywine Handicap in 1949, a mile and a sixteenth event that is listed for the first Saturday's racing this year, June 3. The star of Mrs. Weir's stable went on to become one of the top ranking handicap horses of the year and will be back to defend his laurels in the Delaware Park inaugural on May 29.

The three \$25,000 races will occupy their usual prominent listings on the 32-day continuous racing program. They are the Kent Stakes, mile and a sixteenth affair for three-year olds, scheduled for Saturday, June 10; the Sussex Handicap, a mile and a quarter test for three-year olds and up, to be run on Saturday, June 17; and the New Castle Handicap, mile and a sixteenth exclusive for fillies and mares of three-years and upwards, slated for the final Saturday, July 1.

Five of the fifteen stakes are to be contested over the jumps at Delaware Park. The leapers begin their campaigning on Monday, June 12, thirteenth day of the continuous 32-day season. The fourth running of the Tom Roby Stakes, \$10,000-added inaugural for the jumpers will be held that day. This is a unique race wherein the trophy goes to the winning jockey.

Although Delaware Park has a minimum stake value of \$10,000, there are two exceptions to the rule, wherein the added money is established by the National Steeplechase and Hunt Association.

Monday, May 29—The Wilmington Handicap, 3-years-old and up, six furlongs, \$10,000 added money. Tuesday, May 30—The Christiansburg Steeplechase, 3-years-old fillies, five furlongs, \$10,000 added money. Wednesday, June 7—The Poly Dragoon Steeplechase, 3-years-old fillies, five furlongs, \$10,000 added money. Saturday, June 10—The Kent Stakes, 3-years-old, one mile and a sixteenth, \$22,500 added money. Monday, June 12—The Tom Roby Steeplechase, 3-years-old and up, six furlongs, \$10,000 added money. Friday, June 16—National Maiden Stakes, 3-years-old and up, one mile and a quarter, \$25,000 added money. Saturday, June 17—The Sussex Handicap, 3-years-old and up, one mile and a quarter, \$25,000 added money. Sunday, June 21—The Dover Stakes, 2-years-old, five and a half furlongs, \$25,000 added money. Tuesday, June 22—The Governor Steeplechase, 3-years-old and up, six furlongs, \$10,000 added money. Saturday, June 24—The Delaware Oaks, 3-years-old fillies, one mile and a sixteenth, \$22,500 (estimated gross \$32,000). Tuesday, June 27—The Spring Wagon Steeplechase, 4-years-old and up, six furlongs, \$10,000 added money. Thursday, July 1—The New Castle Handicap, 3-years-old, one mile and a sixteenth, \$22,500 (estimated gross \$32,000). Number of Stakes—Fifteen. Value of 15 Stakes—\$210,000 added.

Two representatives of each of the Home Demonstration Clubs in Delaware County will gather at Wolf Station, University of Delaware, on March 10 for the spring meeting of the Delaware County Home Demonstration Council. According to Mrs. Carl Ross of Marshallton, council president, the meeting will start at 1:30 p. m. Tentative plans will be made for County Achievement Day and National Home Demonstration Week will be discussed.

Mrs. Sallie Highfield, a lifelong resident of Mill Creek Hundred, quietly celebrated her ninety-seventh birthday last Saturday at her home on Old Wilevelton Road, near Hockessin. Mrs. Highfield lives with her daughter, Miss Hannah Highfield, and her son, Percy Highfield. She has been confined to her room for several months by many friends and relatives.

What's New in Nutrition? was discussed by Miss Katharine Jones, county agent, at the monthly meeting of the Wilevelton Home Demonstration Club last Wednesday. Mrs. John Edler, Jr., and Mrs. William Gass were named to assist the training school on refurnishing furniture to be held March 28 in Ebenezer Church. Mrs. Charles Kane spoke briefly about the earliest settlers in Delaware while Mrs. Gass conducted a quiz on "Safety." Mrs. Warren Gass was named chairman for the arrangements on National Home Demonstration Week April 30 to May 6, which all clubs will observe.

Fifty members and guests attended the annual "Family Night" for the Beverly Club held last Wednesday night. Miss Elizabeth Peach, president, welcomed the group while Mrs. Ellis person, program chairman, introduced the guest speaker, Mr. William Spencer of Wilmington, who told of his native country, "Scotland," and his recent trip there. He also played harmonica and sang. Piano solos were given by Mrs. Marion Gilmore Wilson and Jackie Seidman.

Mr. and Mrs. Lewis W. Colmery celebrated their fifty-second wedding anniversary with a family party held Sunday at their home on Limestone Road. The Colmerys were married March 20, 1900.

Philadelphia, by the Rev. Thomas Davis, pastor of Pitman Methodist Church. Mrs. Colmery was the former Miss H. Schull, of Newport, N. J. ## CORN KETCH

One hundred fifty members of various tribes of Red Men in Chester County, Pa., Maryland, and Delaware, witnessed the adoption of ten "pale faces" at the weekly meeting of Wa Wa Tribe, No. 45, I. O. R. M. The degree work was exemplified by Ochlokonee Tribe of Oxford, Pa. Two of the new members were from Little Bear Tribe at Bear. A special guest of honor was the Great Sachem of Maryland, Theodore Swanner, of Ritchey Highway, Baltimore. On March 27, the tribe and Lola Council will nominate and elect new officers for the next six months.

Gene Dempsey will be host to the Kerner Ketch 4-H Club tonight.

Red Clay Creek Presbyterian Church, Fred Schuppe, Jr., of Arlington, Va., a member of the Gideons, spoke at Red Clay last Sunday. The flowers on the altar were placed there by Mr. and Mrs. Evan H. Klair, of Stanton, in honor of their 55th wedding anniversary on March 15th.

The youth visitation week-end will be this week, starting Friday evening and closing Saturday night with a banquet.

## MERMAID

Through the cooperation and courtesy of the State Police, the color film "Shadows to Death" was able to be shown at the Harmony PTA last week. Directed by Mrs. Elsie W. Stradley, teacher, the primary chorus and the glee club sang several numbers.

Candidates from Union Grange as well as Harmony Grange were initiated Monday night in the first and second degrees at the local hall. Visitors from Diamond State Grange at Stanton were also present for this degree work. The final subordinate degrees will be given this joint class at Corner Ketch on April 6th. Tickets are now on sale for Harmony Grange's minstrel show on March 31 and April 1, also the annual poultry supper on April 13th.

## News of London-Britain Vicinity

Marthaler Ness, Correspondent  
Phone Kemblesville 2171

Mrs. Alma O'Leary has returned from Allentown, where she attended the funeral of her grandmother, who passed away Wednesday, March 8, at the age of 94.

At the March 14 meeting of the Home and School League, following a discussion of "Future Educational Requirements for London-Britain Township," it was suggested that the School Board appoint a planning committee to assist them in a firm assessment of our educational requirements and how to resolve them with an economic expenditure of tax monies.

Mrs. Ralph K. Hill was taken sudden ill Saturday night, and is confined to her home at present.

March 11 brought a Canasta party at the George Kalbs. Guests included the Russell Eatons, the Morris Sanborns, Bill Nichols, Bill Mackey, and Mr. and Mrs. John A. Kalb.

Young Johnny Nichol was two on March 12. Time marches on!

Did anyone else hear the birds singing merrily during the soft spring rain the morning of March 13? Wasn't it a promising sign? It inspired your reporter to march around looking hopefully once more for at least some of those seeds of daffodils planted last year. Bless their little hearts, there they were, at long last. Is there anything so impatient as the mood of an ardent gardener, waiting for spring?

Thinking of those daffodils, helps one keep hold of a consoling thought as one squares off to face the reality of the times. Rev. Julius Meyer and Mrs. Meyer were on a list of preachers, doctors, nurses and teachers selected by the Army to be in on the initial organizational efforts (under Army auspices) to prepare our citizens for the possibility of atomic warfare. The Meyers attended a demonstration of the atomic bomb, which was held last Thursday at the West Catholic High School Auditorium in Philadelphia.

A number of films were shown, demonstrating the atomic explosion, and the after effects of such an explosion. Then there were lectures by the Army Medical Staff on the best way to approach the scene, what to expect, and how to handle any first aid cases, bearing in mind the special requirements, which cases of this nature would normally require.

This is the beginning of a "big push" to organize the first aid resources of the nation. The approach is to organize county units through the fire departments, the police departments, and the churches. There will be many opportunities to serve in various ways, for a civilian ambulance corps will be a vital part of the picture. The Red Cross is in there working on this thing, and is starting a stepped-up campaign for more donors and a bigger blood

bank.

The WSCS of the Hamorton Methodist Church, sponsored the concert given at the church last Thursday, March 16, by the Oxford Methodist Choir.

The Landenberg Men's Choir will meet at the church March 21, and on the program will be colored Travel Pictures. A number of new potential members plan to attend.

Congratulations to Mr. and Mrs. Bertram Owen, Jr., on the birth of a nine pound boy last Monday, March 6. The lad is to be known as Bertram Owen III.

The Wesleyan Guild of the Landenberg Methodist Church, along with the Membership Class of said church, will journey to Philadelphia on March 23 to visit the Fifth Street Mission, along with other points of interest. Incidentally, all girls between the ages of 12 and 25 are welcomed to the meetings of the Wesleyan Guild.

The dance which was scheduled for Kemblesville Hall was held at New London the evening of March 13. Volk's Orchestra played, and a grand time was had by all.

The New London Grange has a dance at the Grange Hall every first and third Wednesday. There is modern and square dancing, and the dance is open to the public.

The next square dance at Landenberg Hall will be held the evening of March 23. Volk's Orchestra is playing, and judging from several reports, the dances are gaining in popularity. Any profit is being contributed to further improvement of the hall.

The Kemblesville WCTU met Wednesday at 2 p. m. with Mrs. Everett Hols at her home in Elkview.

WCS (Flint Hill) met at the home of Mrs. Harry Swain at 2 p. m. on Thursday. Officers for the coming year were elected, and the hostess served refreshments.

The Musical Committee for the Methodist Churches of Flint Hill, Kemblesville, and New London, met at the parsonage in New London, March 15, at 8 p. m. This meeting was devoted to planning the Easter music and programs for the three churches.

Moving pictures on "Wild Life," were shown Wednesday evening in Kemblesville Hall for the benefit of the 4-H Club.

Mrs. Wilmer Wilkinson returned home from the University Hospital in Philadelphia, Friday, March 10. She had undergone an operation, and it is at present much improved.

Mrs. Paul MacClary returned from Chester County Hospital March 8 following a minor operation.

Mr. and Mrs. Earl Richards returned from Florida ahead of schedule, Thursday, March 9.

day, March 9.

Mrs. Cecil Tome is home from the Memorial Hospital in Wilmington, where she underwent a minor operation.

Mrs. James MacMullen spent a week and visiting relatives recently.

## Easter Seal Sale To Benefit Crippled Children And Adults

Plans for the second annual Easter Seal Sale have been drawn up by the Executive Committee of the Delaware Society for Crippled Children and Adults.

A total of 50,000 letters with a sheet of 100 seals in each letter have been mailed to friends of crippled children. It is hoped that, through generous response to these letters, the society will be able to attain its goal of \$23,500.

A program of activity for 1950 has been approved by the Executive Committee. Continued support and development of the Day School for Handicapped Children will be a part of the 1950 program. Further coordination of the society's work with that of other public and private agencies rendering services to the handicapped was also written into the 1950

program.

Mr. George Ehinger, president of the society, announced that Governor Carvel will again serve as honorary chairman of the Easter Seal Committee, with Mrs. William N. Cann as active chairman.

A summer camp program for children too seriously handicapped to be able to attend the regular children's camps was discussed. A cooperative plan will be worked out with the board of directors of the Children's Beach House.

## Council Meet

cluded Manuel Street, south from Kella Avenue for 150 feet and Winslow Road from Townsend to Beverly Road.

Other items proposed were the widening of South College Avenue from Main Street to the end of the former Evans property and the rounding of the corner of the Baltimore and Ohio Railroad property at the corner of Main Street and Elkton Road.

Regarding the proposed extension of East Cleveland Avenue, the report advised securing a quick deed to establish a right of way east to the town limits and to carry on present negotiations with the State Highway Department regarding an outlet on Capitol Trail.

The report concluded with the suggestion that the town develop plans for handling the traffic congestion likely to arise when the proposed University of Delaware football stadium goes into use here. "When more definite plans for the outlets from the proposed stadium are available," the report said, "plans should be made to route traffic away from congested parts of town."

It was also disclosed at the meeting that work on the long delayed 60-family apartment house development, known now as the University Garden Apartments, is expected to begin in the near future. Arrangements with the town for sewer lines are now being made by the builders, and it was indicated that the plans have finally been cleared through the Federal Housing Administration. The project was first proposed here over two years ago.

The lawmakers also directed Engineer Hauber to draft a rough layout of Read Village showing how sidewalks should be laid to conform to the new town ruling that the inner edge of the walks should coincide with the town right of way.

Town Secretary F. A. Wheelless read a letter from Mrs. C. E. Ritenhouse thanking the Police Force for its efforts in tracing her immediately after her husband's death.

## AN ENTIRELY NEW IDEA OF LUXURY

Completely new comfort never possible before, awaits you in the 1950 Nash Ambassador.

Here alone is an Airliner Reclining Seat . . . the spaciousness of a Sky-Lounge. Here is the smoothest ride with super-soft coil springing on all four wheels.

Drive it and listen. In this car of best aerodynamic design, wind-noise is hushed. And with Airlyte Construction, body-bolt squeaks and rattles are ended.

Here is new Turbo-Head high-compression power—a revelation in performance and economy. In the 1950 Grand Canyon Economy Run, the Nash Ambassador averaged 26.4 miles to the gallon!

Yet the Nash Ambassador, even the luxurious Custom model, costs as much as \$1,000 less than other cars of comparable size and quality. See it today. Hydra-Matic Drive is available at new low price.

## Only Nash Ambassador Owners Enjoy All These Fine-Car Features

**TURBO-HEAD** high-compression engine—now 7.3 to 1 ratio. 7-bearing, 100% counter-balanced crankshaft. Premium performance on regular gasoline.

## Musselman Defends Proposed Fluorine Plan In Club Talk

Tells Rotarians Monday There Is No Evidence Fluoridation Is Dangerous

Contradicting the charges of Dr. H. C. Gulledge that the proposed town fluorine experiment is a danger to public health, Dr. P. K. Musselman, head of the town fluorine committee, said Monday night in a talk at the Rotary Club that there is no evidence that the artificial fluoridation of community water is dangerous.

His talk was a follow-up on an address at the club last week by Dr. Gulledge who gave the "negative side" of the fluorine question. Dr. Musselman's topic was: "The Use of Fluorine in Community Water Supplies to Lessen Dental Caries."

"There is no reason," he said, "to anticipate any difference in action between artificially added fluorine and that present naturally." He stated that fear of the consequences of artificially adding fluorine in quantities of one part per million is unwarranted, because there is no evidence that fluorides in such quantities have any harmful effects. While it might make some imperceptible mottling on posterior teeth in a few cases, it does not create any mottling on the anterior teeth, said the speaker, and does not present any cosmetic problem.

Dr. Musselman said that to wait for present tests to be completed would deprive many children of the beneficial effects of fluorine, and that if any bad effects did show up, which he doubted, the Newark test could be stopped before such effects could appear here. He justified the test in Newark as a proper exercise of legislative action by Council on the ground that no improvement in public health can come from voluntary methods.

Hugh Gibb, chairman of the Ladies' Night Committee, reported that plans were nearing completion for the Dinner Dance to be sponsored by the Newark Rotary Club. It will be held on Monday evening, April 3, at 7 o'clock, at the Newark Country Club.

Elections for the next Rotary year will be held at the meeting of the club next Monday evening.

## Five Minor Grass Fires Here In Week

Six fire alarms the past week, five for minor field blazes, brought to 29 the number of calls handled thus far this month by the Aetna volunteers.

The firemen began the week's work-out on Thursday at 1:30 p. m., when they were summoned to a grass blaze at the old Milligan Airport, near Cooch's Bridge.

After a brief rest back at the firehouse, the volunteers were off again, this time to extinguish a brush fire on the property of Thomas Reilly, Elkton Road. That night another field fire brought the firemen to Polly Drummond Hill.

Friday was a comparatively quiet day, with only one call for burning grass on a vacant lot along Paper Mill Road. The call came about 5:30 p. m. Action began Saturday around 10 a. m., when a chimney caught fire at the Foxden Farms, Milford Crossroads. The damage was slight.

Monday a grass fire was reported on vacant property in the rear of the Knapp Barrell Company, South Chapel Street. Another field fire occurred Tuesday in the rear of the Newark Country Club.

A total of 1,176 registered cows are on Delaware Herd Improvement Test—54% of all the cows on test. Of these, 220 are Ayrshire; 363, Guernsey; 510, Holstein; and 83, Jersey.

## Former Newark Resident Dies In Atlantic City

Mrs. Hanna Thompson Pilling Buzby, a native of Newark, who last resided here about 20 years ago, died on Monday at her home, Dennis Cottage, Atlantic City, N. J.

She was formerly the wife of the late John Pilling, of Newark. She is survived by her husband, Walter J. Buzby; two daughters, Mrs. Donald Horsey, of Wayne, Pa., and Mrs. C. A. Taylor, of Richmond, Va.; two brothers, Daniel Thompson, of Newark and Roland Thompson, of Milford, and five grandchildren.

Funeral services were held at her home yesterday morning. Interment will be in Head of Christiansa Cemetery, Newark.

## Chrysler's Position In Current Strike Given By Official

Vice-President Weekler Says Firm Offered Sound Pension Plan Before Strike

In an effort to bring the local public abreast of the company's position in the current Chrysler strike, Herman L. Weekler, vice-president and general manager of the corporation, issued a statement this week saying that the strikers could have secured the "package" benefits they seek without going on strike at all.

About 160 Newark workers joined UAW-CIO workers for Chrysler in the walkout January 30. To date there is no sign of a settlement.

In a review of the company's basic position, Mr. Weekler said:

"The hardships this strike inflicts on the public, on Chrysler employees, its dealers and stockholders are wasteful and unnecessary. They follow the utmost effort on the part of the Chrysler negotiators to work out this problem in a sensible and reasonable way.

"If the Union demand for pensions and insurance benefits is an honest one, Chrysler has met it—guaranteed pensions of \$100 a month, increased life insurance, improved sickness and accident and disability benefits.

"Chrysler's pension and insurance offer is better than the so-called pattern of economic gain put out by the Union.

"Chrysler's offer to pay pensions to retiring employees has behind it the highest credit a company can have, plenty of assets and good earnings.

"To the Union leadership the employee benefit that Chrysler has offered are apparently secondary to other Union ideas.

"These Chrysler benefits, superior to any the UAW has negotiated elsewhere, were obtainable without a strike. The Union leadership however, has chosen to sacrifice Chrysler employees in an effort to escape a political dilemma of its own making.

"The Union leadership wants a 'kitty' that it can get its hands on for other purposes. That is the only plausible excuse for its demand that regardless of Chrysler's guarantee to pay pensions to retiring employees, 10¢ an hour must be set aside in a fund over which the Union can share control.

The Union leadership sabotaged the collective bargaining conferences. It refused to discuss seriously anything but its demand for 10¢ an hour to be put into a fund. Chrysler repeatedly made it clear that the Company would stand responsible for the payments promised.

Chrysler's proposals were offered in good faith. These were subject to development and clarifying. The Union was not interested. For instance, questions as to service eligibility for benefits were bargainable. The Union leadership never got around to bargaining on these things.

Chrysler pays wages regularly. It

pays its bills regularly. Its pension and insurance payments would be just as sure and sound. The pension benefits of employees retiring under the Chrysler proposal would be similar obligations.

"Insisting on a cents-per-hour basis for pensions and insurance, the Union leadership ignores the essential thing; which is, that employees can count on getting these benefits as promised—regardless of the cost-per-hour to Chrysler.

"Even actuaries cannot say definitely what the cost per hour would be or that the cents per hour demanded would assure the payment of the benefits promised.

"As for the Company's proposal to extend the contract for five years: Pensions and insurance came into collective bargaining as Union demands. They would be just as much subject to collective bargaining at the end of five years as now. We do not know any industry pension plan that is perpetual. Comparable pension plans accepted by other CIO unions last year have terminating clauses and also are subject to renegotiation in the light of practical experience. The coal miner's experience shows that creating a fund does not guarantee perpetuity of benefit payments.

"Calling Chrysler employees on strike in the face of the pension and insurance benefits Chrysler has offered, shows again how difficult, if not futile, it is to try to do business with people who do such irresponsible things.

"The employees have no choice. The strike vote was taken last September before the Chrysler program of benefits was formulated and made known to our employees.

"It is too bad that Union leadership makes Chrysler employees go through the hardships of a strike in order to get the benefits 'package' they could have gotten without striking."

Many men stand out in the sun and fish because it is too hot to go to church.

## Staats Joins In Chrysler Strike Parleys In Detroit

Louis Staats, president of Newark Local 404, UAW-CIO whose approximately 160 members are out on strike at the Chrysler Parts Depot here, is in Detroit this week serving on the Union's national negotiating committee currently bargaining with representatives of the Chrysler Corporation.

He will seek to tie-in local demands with over-all union settlement. The chief concession being sought by the local works is a pay rate equal to that granted Chrysler workers in Detroit and Kansas City plants.
