

3-IN-1 CLUB TO OBSERVE HOME WEEK

Service Sunday At Ebenezer To Open Activities

At the meeting of the Three-In-One Club held last Thursday, at the home of Mrs. George Alcorn, plans were made for celebration of Home Demonstration Week, to be held May 1 to 7.

The group plans to start off the week by attending services at Ebenezer Church Sunday morning, May 1, at 11 o'clock. A large attendance is expected.

It was agreed that the group would accept an invitation from the Glasgow Home Demonstration Club for Open House to be held at the Newark New Century Club, May 3, at 1:30 o'clock.

Members of the club have decided to meet at Smyrna on Thursday, May 5, at the high school auditorium where, beginning at 10 o'clock, a full day of interesting events is scheduled. There will be music and reports on hooked rugs, comforters and many other items of interest to the homemaker. It was decided to have a tea Saturday afternoon, May 7, at 1:30 in honor of Mrs. Essie Little, a charter member, and also the oldest member of the club.

It was brought out at the meeting that Mrs. Hans Lebach was donating her services to the Governor Bacon Health Center. A report was given by Mrs. Lebach on Family Living, which had been condensed from a report which had been given by Miss Whitcomb.

The club is donating \$5 to the Cancer Control Fund. Contribution of \$5 was also made to the Visiting Nurse Association.

A shower of baby clothes for a needy family were collected also.

It was decided to have a bake at a later date, the proceeds to be given as a contribution toward the Girl Scout's new camp.

Members of the club who had studied tailoring under Miss Adeline Hoffman, were invited to attend the Middletown festivities on May 17 at the Middletown New Century Club. It is said this will be quite a gala event. Those who made their suits and coats and who plan to attend are as follows: Mrs. William Singles, Mrs. Raymond Lynam, Mrs. Frederick Woodward, Mrs. Raymond Cochran, Jr., Mrs. Rodney Eastburn.

Junior Chicken-of-Tomorrow Contest For Delaware Youth

A Junior Division will be a feature of the 1949 Chicken-of-Tomorrow Contest in Delaware, says J. Frank Gordy,

chairman of the youth committee for the contest.

Any resident of the State who will not reach his 21st birthday before January 1, 1950, is eligible to enter, according to Gordy, who specifies that entry blanks must be mailed to him, at Box 130, Newark, Delaware, not later than May 15, 1949.

The contestant must enter at least 50 chicks, but more may be raised in the same flock. The 50 birds must be wing banded at the beginning of the contest. All chicks must be hatched between Tuesday, June 28 and Tuesday, July 5, and all chicks in a single entry must be the same age. Each contestant is permitted to make only one entry.

Ten cash awards have been designated for the top winners. In addition, a trophy will be given to the first place winner.

The awards for the Junior Division will be presented at the time the State-wide Chicken-of-Tomorrow Contest is held, during the week of September 26. This is the first year of a three-year program in Delaware as in many other states, to develop a bird with still more meat—bigger drumsticks and extra white meat.

Details of the junior contest are available from members of the junior division committee: W. Lyle Mowlds, Dover; George M. Bringham, Dover; John Herholdt, Dover; Miss Jean Lee, Newark, and Mr. Gordy.

Spring Concert

(Continued from Page 1)

My Land, Romberg.
The program will end with nine numbers by the band under Ernest Wilder. The feature will be a French Horn solo, by Paul Shaw. The band will play: Officer of Day, Hall; Overture—Mantilla, Yoder; Rangers Song from "Rio Rita"; Fairest of Fair; Sousa; Grenlin Ball, Hall; Independentia, Hall.

Delegates Named To National 4-H Camp

Four delegates have been chosen to attend the National 4-H Club Camp in Washington, D. C., June 16-22, it was announced today by Miss Jean Lee, state 4-H specialist. They are: Jacqueline Davis, of the Korner Ketch Club, Newark; Charles Ross, Clayton Clodhoppers Club, Clayton; Betty Ann Bostick, Felton Paradise Club, Felton; and Edward Workman, Little Oaks Club, Delmar.

Miss Bostick is an alternate delegate for Elizabeth Webb, Goldsboro, Md., who will be unable to attend the camp.

According to Miss Lee, delegates to the National 4-H Camp are chosen on the basis of 4-H project and leadership achievement. This honor is bestowed on members who show promise of the most benefit from the opportunities and experiences gained at the National

Camp and will continue as leaders in their home communities.

The National Camp is an annual event in Washington, to which come some 200 4-H'ers from United States, Alaska, Hawaii and Puerto Rico. It is under the cooperative supervision of the state agricultural extension services and the extension service of the U. S. Department of Agriculture.

Songs of Satisfaction

Examined the new DE SOTO? You won't know what's happened until you do!

"The Car Designed with YOU in Mind" is changing a lot of minds!

Crowds of people have visited our showrooms since the first announcement of the new De Soto. It has been very interesting to watch their reactions.

First of all, of course, they walk all around the car and admire its smart, low lines and its sleek appearance. They tell us they like its looks because it is "modern but not modernistic."

But the big surprise comes when they open those wide doors and step inside. The roof does not hit their hats. There's lots of headroom. The steering wheel doesn't hit the driver's knees. And because the luxurious seats are chair high, you can see everything without craning your neck.

Get in. Front seat or back, they're both wider. There's more leg room for all passengers, too. And you get all this extra space without sacrifice of convenience, because the outside dimensions of the new De Soto are not increased. You can still park with ease. And you needn't rebuild that garage.

Before you make any decision about any new car, come in and let us show you De Soto's many great features including Tip-Toe Hydraulic Shift with Fluid Drive, that lets you drive without shifting. Compare this car with any other at any price . . . for beauty, comfort, safety and value. Then decide. Tune in "HIT THE JACKPOT" every Tuesday night, all CBS stations.

DE SOTO FEATURES THAT MEAN MORE ENJOYMENT EVERY MILE

- ★ Tip-Toe Hydraulic Shift with Fluid Drive
- ★ New Feather-Light Steering
- ★ High Compression Powermaster Engine
- ★ New All-Weather Comfort System
- ★ Faster Getaway
- ★ New Ignition System
- ★ Longer Wheelbase with full "cradled ride"
- ★ Safeguard Hydraulic Brakes with new Cycle-bonded linings
- ★ Scuff-Resistant Finish on Cylinder Walls
- ★ Safety Rim Wheels and Super Cushion Tires

DE SOTO LETS YOU DRIVE WITHOUT SHIFTING!

HOW to do it . . .

WITH CONCRETE

While you're improving your farm to greater production, do the job for keeps, with concrete! Here's a "how to do it" book that will help you build such essential structures as:

- Barn Floors
- Feeding Floors
- Walks, Runways
- Foundations
- Concrete Masonry Construction
- Cisterns
- Watering Tanks
- Septic Tanks
- Home Improvements
- Manure Pits
- Trench Siles
- Hog Wallows
- Sail-Saving Dams

Remember, concrete is fireproof, termite-proof, easy to work with, low in first cost, needs little upkeep, endures for generations.

NEWARK TWENTY-FIVE YEARS AGO

Child Injured "Hitching" Ride On Rear Of Farm Wagon; Ten Vote In Town Election; Rare Trout Caught

From Issue of April 23, 1924

A fatal accident was averted by quick work of bystanders last Saturday when James Hutchison, Jr., 6-year-old son of Mr. and Mrs. James Hutchison, West Main Street, caught in the wheel of a heavy farm wagon near his home.

He suffered a double fracture of the leg. He escaped death due to the presence of mind of Dr. F. M. Foster and the wagon's driver, Mr. Elliott. Attempting to "catch a ride" on the back of the wagon, "Jimmy's" leg became entangled in the spokes of a rear wheel and he was hurled to the ground. Dr. Foster, walking by, noticed Mr. Elliott, who pulled the wagon up sharp before the child was crushed under the wheels.

St. Thomas' Vestrymen
St. Thomas' Episcopal congregation held the following vestrymen at their annual meeting this week: Albert A. Curtis, Dr. George A. Harter, David C. Rose, Jr., William D. Dean, George Dobson, D. Lee Rose, John S. Shaw, George Carter and Dr. Walter Smith. Mr. Curtis was named senior warden.

Town Election
So quiet and orderly was the Town Election here two weeks ago when Widdows, Patchell and Grier were named to seats on Council then that the candidates themselves were not in evidence. About 10 votes were

cast, even these had to be rounded up.
Rare Trout Caught
Edward Hawn, Newark, while cleaning out the race at the Curtis Paper Mill here picked out a 2 and a half pound Red Spot Trout. The fish had become entangled in the debris at the rake was easily captured.

The Stork
Mr. and Mrs. Fred W. Stierle, Prospect Avenue, were the recipients of a little daughter, Betty Jane, last Thursday. Mother and child are doing very nicely.

Personals
One of the largest card parties of the season was given last evening in the New Century Club here by Miss Elsie Wright. About 100 guests attended.

Mr. and Mrs. George W. Chalmers were tendered a rousing serenade by members of the Continental Band and many other friends at their home on Possum Park Road, last Thurs. evening. The occasion was the celebration of their 25th wedding anniversary.

Guest at the home of Mrs. Charles Bryson recently was Master Frank Butterworth of Newark.

Although the heavy rain and wind storm Friday cut down attendance, the showing of the famous movie "The Covered Wagon" here was a distinct success.

YELLOWJACKET HIGHLIGHTS

Contributed By Members Of The Journalism Class At Newark High School

Student Day To Be Observed

"Oh, how I would like to be a teacher for a day," is an expression of students heard many times in the schools throughout the world. This day is coming to Newark High School on April 27. The complete management of the classes, under the supervision of the faculty, will rest in the hands of the student teachers, who will be carefully chosen from the pupils most qualified for this task.

Students who have been chosen to take the place of the administrative force are as follows: Jim Ford, superintendent, Nancy Smith, principal. Office workers will be Ruth Gray and Tom Sheaffer.

Each teacher will give over her classroom work to a pupil-teacher for each of her classes and study halls during the entire day. She will feel confident that her work will be carried on by the students who are in control on Student Day at NHS.

H. McGinnis—12B.

Intramurals Play Important Part

In the NHS intramural softball program, there has been considerable activity recently. Last week the Seniors triumphed over the Juniors, 14-8. Thursday before vacation, the Sophomores nosed out the Freshmen, 18-12. The Juniors played the Sophomores winning top honors by a score of 7-2. In addition to the softball league, Mr. Walter Matt, athletic director, has weighed in class participants for an active wrestling program.

Earl Schaeen—10C

Tom Gray—11C.

Del. Hospital Plays Host to Students
Forty-three prospective nurses en-

joyed a tour of the Delaware Hospital on April 16 to gather information about the career of caring for the sick. The girls, upon arrival at the hospital, were divided into groups of twelve with a guide assigned to each group. Two operations were allowed to witness each for a brief period.

The girls noted the many facilities in the patients' rooms—telephone, wash bowl, bureaus, unique stands for eating purposes, etc. The groups had an opportunity to see the children's wards and the incubator babies. One baby observed weighed only two pounds, eight ounces at birth.

After the hospital tour, the visiting students were shown through the nurses' home. They heard about the educational, social, and home life of a nurse. Further details were given to the combined groups at the end of the tour concerning nursing opportunities. Requirements for entering and questions were encouraged by those in charge.

The girls making the visit wish to express appreciation to Mrs. Charles Cooper and the homeroom mothers for securing transportation and to the parents who provided cars, waiting patiently when the entire visit lasted a half hour over the scheduled time.

Barbara Humphries—"Buzz" Staff.

F. F. A. Youths Plant Trees

The Newark Chapter of F. F. A., under the direction of the Soil Conservation Division of the U. S. Government, will plant trees in an effort to preserve the soil and wild life of our community.

The chapter will plant these trees during the class periods in order that they may have practical experience as well as supervision. Any farmer who recognize the value of tree planting may request the assistance of the local F. F. A. boys in a tree-planting program for their farms.

Norman Wilson—12C

Max Zeitler—10C.

U. Of D. Writing Contest Judges Are Announced

Judges of the fourth annual undergraduate creative writing contest sponsored by the Department of English of the University of Delaware have been announced as Robert V. Lancaster, Philip John Taylor, and H. Lloyd Jones, Jr., all graduates of the university, and all now doing advanced work in English at the University of Pennsylvania.

The judges' decision will be announced May 19 at the annual Honors Day, when prizes will be awarded for the best entries. All contributions are to be received by Friday by the committee in charge, consisting of Mrs.

America's most important building program

Every family who have ever built their own home realizes the feeling that America's No 1 building program is their own particular home. And well you should feel that way because it is the place you're going to live in for many, many years.

But whether you're building, buying or now own your own home, the satisfaction you'll get out of it is, to a large degree, dependent upon the amount of "future living" you build into it today. Plenty of electrical circuits and an adequate number of conveniently placed ap-

pliance outlets will help make the future living more enjoyable . . . help your home grow electrically throughout the years as new and better electrical things are developed.

So, even though you may not now have all the time, effort and money-saving electrical appliances you want, build for the future—get your wiring system ready now for all those you want to add throughout the years.

Consult your electrical contractor and rely on his experienced advice. Call him today.

SCHOOLS WIN ATTENDANCE AWARD AGAIN

The Newark Schools won the attendance banner for New Castle County for the fifth straight month by registering a 93.84 figure in March. Absences were less than one pupil per class in the senior high school here.

The March figure was the second highest for the year, the record being set in September when the attendance was 97.75. In the seven months since then, the mark has only once been below 95 per cent. This was in January, the middle of the "cold" season, when the figure fell to 94.50.

In the junior high school attendance was not stood up so well, although the mark has never been below 91 per cent this year. As with the senior high, the record for the year came in September and the low in January.

A total of 21 homerooms in grades 7 through 12 registered 95 per cent better attendance in March. Heading the list was Miss Ann Wootton's seventh grade which set a mark of 98.1, followed by Miss Ann Stauter's twelfth grade with 96 per cent, and third was Mrs. Ann Cashell's third grade with 95.1.

AAUW MEET HERE MAY 2

Earl Parker Hanson, Professor of Geography at the University of Delaware, will speak on "New Worlds Emerging" before the Newark Branch of the American Association of University Women at its next general meeting in Warner Hall at 8 p. m., on May 2. Mr. Hanson, whose newest book is to be published by Duell, Sloan, and Pearce on April 20, is now engaged in research into how the white man lives in the tropics, under the auspices of the Office of Naval Research. He is a graduate of the University of Wisconsin and has gained experience as engineer, consultant and geographer in such widely separated fields as Chile, Iceland, Manitoba, the Amazon basin, Puerto Rico, and Liberia. Among his wartime activities was the editorship of the New World Guides to the Latin-American Republics prepared by the Office of the Coordinator of Latin-American Affairs.

At the annual conference of the Delaware Division held April 9 at the Hotel DuPont, the delegates voted to name the Delaware State International Study Grant in honor of Dr. Annie Jump Cannon, a Delawarean who became the world's outstanding woman astronomer. Dr. Cannon was born in Dover in 1863 and received the degree of Doctor of Science from the University of Delaware in 1918. She was also the recipient of the first honorary degree in science ever awarded a woman by America's National Academy of Science. She was an assistant and later curator of the Harvard College Observatory from 1897 until her death in 1941, the author of numerous publications, and a member of A. A. U. W.

The present holder of the grant, Miss Yolande Loesch of Luxembourg, was present at the conference and spoke on "Economic Recovery in France."

Mrs. George W. Rigby, state president, presided at the conference, at which Mrs. C. Lynn Waller, of Seaford, was reelected vice-president, and Miss M. Caroline Budd, of Dover, treasurer. Highlights of branch activities were presented by the four branch presidents, Mrs. W. M. Richardson, of Dover, Mrs. F. H. Squire of Newark, Mrs. C. Lynn Waller, of Seaford, and Mrs. T. Muncy Keith of Wilmington.

Here is a DISC HARROW that really levels!

You know how many tandem discs dig in on the outside and ridge up ground in the middle? The improved design of this disc prevents this trouble. Try this disc, and you'll find it leaves the ground flat and level and well pulverized.

Best of all, with Ford Hydraulic Touch Control, you angle the gangs or straighten them... with finger tip ease... for turning, crossing grass or gullies. Saves wear on the disc, tractor fuel and time. Study the pictures, then see us.

FADER MOTOR COMPANY
Newark, Delaware

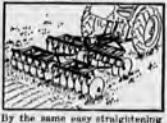

With Triple Discs, Attaching you are away in a minute or less.

With Ford Hydraulic Touch Control you angle the gangs without levers.

Touch Control straightening of gangs in turns prevents mounding dirt, saves fuel.

By the same easy straightening of gangs, ground areas are protected.

It has a Heart of steel and that new '49 Ford "Feel"

The new look of the Ford Station Wagon tells you why Ford was chosen "Fashion Car of the Year" by the Fashion Academy of New York. Behind this beauty is an all-steel construction, a sturdier, safer body that's an important part of the new Ford "feel."

Note how the all-steel body is welded into a rigid unit. Exterior wood panels are bolted to the body. They can easily be removed and replaced. Laminated and molded, they resist water, warping and splitting.

Wide seats are easy to remove leaving truck-size utility space. Load through the extra-wide side doors or the rear "freight entrance."

Attaching Flange Steel Body Shell

Wood Trim

You'll notice the new Ford "feel" in "Fingertip" Steering, "Magic Action" Brakes... "Equa-Poise" Power. Come in and place your order today.

Take the wheel...try the "Feel" at your FORD DEALER'S

LEUPOLD-CLEAVES WEDDING SALEMIZED

The wedding of Miss Mildred Louise Leupold, daughter of Mr. and Mrs. J. Leupold, of Philadelphia, and Mr. H. Cleaves, son of Mr. and Mrs. H. Cleaves, of 19 Kells Avenue, took place March 26, in the Seventh Presbyterian Church, Philadelphia, Pa., with the Rev. Dr. Walter Lippert, pastor of the church, officiating.

Mrs. Frank Hall, sister of the bride, was matron of honor and Miss Nancy Hall, niece of the bride was junior bridesmaid.

Mr. Gordon S. Cleaves, brother of the groom, was best man, the ushers were Mr. Stewart C. Strickland and Mr. Fred R. Strickland, cousins of the bride, of Elkton, Md.; Mr. Hiram L. Strickland and Mr. Andrew W. Cochran, of Newark.

A reception was held at the church after which the young couple left for wedding trip to Washington, D. C. and south.

Mr. and Mrs. Cleaves are now residing at 66 Main Street, Newark.

MOORE-SCULLION ENGAGEMENT ANNOUNCED

Mr. and Mrs. Edward Moore, of Philadelphia, announce the engagement of their daughter, Miss Mary Moore, to Mr. Allen Scullion, son of Mr. Lloyd Scullion, also of Philadelphia.

The wedding will take place in June.

NEWARK WOMEN WILL ATTEND PRESBYTERIAL

Miss E. P. Jellis, Mrs. W. Harry Dawkins, Mrs. Edith B. Tiffany, and Mrs. Raymond W. Helm, delegates and alternate to the Presbyterian Society of the New Castle Presbytery from the First Presbyterian Church, Newark, will attend the meetings planned for Tuesday, April 26, in the Presbyterian Church at Dover.

Miss Sarah Chalko, president of Isabella Thoburn College at Lucknow, India, will be one of the guest speakers. Miss Chalko is recognized as one of the outstanding women leaders in the world church and spoke at Amsterdam last September and is scheduled to address a Protestant rally at Madison Square Garden next month.

Mr. J. Harvey Dickey, also a member of the local society, will attend and others will give departmental reports. Mrs. Dickey is chairman of the service.

TWO WEEKS OF MOVIES AT PARISH HOUSE

COOCHS CELEBRATE ANNIV. AT HOMESTEAD FARM

Mr. and Mrs. Francis Allyn Cooch, of Homestead Farm, near Dillsburg, Pennsylvania, entertained at a reception for their family and local friends on Tuesday, April 12, in celebration of their fiftieth wedding anniversary.

Mr. Cooch, then a resident of Cooch's Bridge, and Mrs. Cooch, the former Mary Josephine Logan, were married on April 12, 1899, in the Manokin Presbyterian Church, Princess Anne, Maryland, by the Rev. William H. Logan, the bride's father, then pastor of the church. Four members of the original wedding party were in the receiving line at the reception, Miss Nellie Logan, of Wilmington, the bride's sister, maid of honor; Dr. Martha Logan Bailey, of Dillsburg, the bride's cousin, a bridesmaid; Mrs. William S. Schoolfield, of Sharon Hill, Pa., the bridegroom's sister, the organist; and Mr. Edward W. Cooch of Cooch's Bridge, the bridegroom's brother, the best man.

Mr. and Mrs. Cooch have three sons, four grandchildren, and five great-grandchildren.

Those attending the reception from Newark included: Mr. and Mrs. Francis Allyn Cooch, Jr., their daughter, Mrs. Robert N. McCormick, and her son, Martin Michael McCormick, and Mr. and Mrs. Richard Logan Cooch.

Also present were Mr. and Mrs. Thomas Cooch, of Wilmington and Mr. and Mrs. Edward W. Cooch, Jr., of New Castle.

Mr. and Mrs. Cooch's third son, Dr. Joseph Wilkins Cooch II, with his wife and daughter, Louise spent the preceding week-end at Homestead Farm.

FRIENDSHIP TEMPLE PLANS SPECIAL EVENTS

A harvest bingo party will follow this week's meeting of the Friendship Temple, No. 6, Pythian Sisters.

The members of this Temple are planning for a banquet for the evening of April 29, honoring the twenty-sixth anniversary of the local temple.

Mrs. Olive Walther is in charge of reservations of the banquet which will be in the Chimes Restaurant. A special program will follow in the lodge room.

FOOD AND BAKE SALE SATURDAY, APRIL 23

The members of Group No. 7 of the Women's Auxiliary of the First Presbyterian Church will conduct a food and bake sale on Saturday morning, April 23, at the Newark Auto Sales room, 164 East Main Street.

Mrs. Richard Snyder, group leader, is general chairman and will be assisted by Mrs. George Haney, Mrs. Wayne Brewer and Mrs. Edith Tiffany.

Bride of Saturday

Mrs. Jack Hillary Smith

Miss Very Elene Gould, daughter of Dr. and Mrs. Joseph S. Gould, of 24 Kentway, became the bride of Mr. Jack Hillary Smith, son of Mr. Charles B. Smith, of Crownsville, Maryland, and the late Mrs. Smith, on Saturday afternoon, April 16, at 4 o'clock in St. Thomas' Episcopal Church, with the Rev. Arthur R. McKinstry, bishop of the Diocese of Delaware, assisted by the Rev. Theodore L. Ludlow, rector of the church performing the ceremony.

The bride, given in marriage by her father, chose a gown fashioned of white brocade satin which her father brought from China. The fitted bodice featured a sweetheart neckline, long sleeves pointed over the hands and was attached to a gathered skirt which fell into a short trail. Her fingertip length veil of French silk illusion was attached to a cap of the dress material. She carried a bouquet of white lilies, white roses and lilies of the valley.

Miss Patricia Gabriel of Ithaca, N. Y., was maid of honor and Mrs. Frank Massin, Drexel Hill, Pa., and Miss Christine Dorsey, Wilmington, were bridesmaids.

All of the attendants wore frocks of delphinium blue marquisette made with off-the-shoulder bertha and illusion yokes. They wore coronets of daisies and carried arm bouquets of the same flowers.

Mr. Lee Troostwyk, of New Haven, Conn., was best man and the ushers were Mr. Frank S. Craig, Jr., Mr. Hall

Burt, Mr. W. Murray Campbell and Mrs. Baudy Grier.

The wedding music was played by Mrs. Arthur J. Johnson and white Easter lilies and fern featured the decorations.

A reception at the Newark Country Club followed the ceremony.

Mrs. Gould, mother of the bride, wore a sand beige gown with matching hat and accessories and a corsage of tulle roses.

Following a wedding trip to Virginia and Washington, D. C., the couple will reside at 24 Kentway until September. The bride attended Oberlin College and was graduated from the University of Delaware.

Mr. Smith is a member of the June '49 graduating class of the University of Delaware.

Mr. and Mrs. Herbert Moody, of Philadelphia, attended the Gould-Smith wedding on Saturday and were the guests of Prof. and Mrs. A. E. Tom have over the week-end.

FILLIN' IN

We followed with interest the near future stirred up in the neighboring metropolitan press by last Tuesday's town election here. It was marked chiefly by an exchange of smoothly worded inaccuracies by an editorial writer and a letter-to-the-editor writer, with the latter injecting a belated note of hysteria and rabble rousing into the local campaign.

First came an editorial in the WILMINGTON MORNING NEWS entitled "There's Life in the Old Towns" (referring to Newark and New Castle). It was a kindly but condescending piece, which awkwardly put its finger on the fact that the elections in the two towns were "by no means revolutionary" but did indicate "a widespread interest in better government." The essay went on to say that "about 700" citizens voted here and concluded that the turnout (both in Newark and New Castle) indicated "There's plenty of life in the old towns."

From the tone of the essay, one got the impression of a cool, high-powered editorial brain, brooding austere in a lonely office high in the towering News-Journal building in the center of teeming Wilmington. Weary of grappling with the vast issues of America's umpteenth largest city, the writer seeks respite for his panting brain by turning his thoughts to the faire country town of Newark, where, he remembers, a quaint, little election was held recently. Smiling gently to himself, he dashes off an affectionate essay, garbling his facts in a pleasant way and registering mild surprise that the citizens of this sleepy village are still able to drag themselves to the polls. When he finishes, he is convinced he has done his editorial good deed of the week.

He must have gotten quite a jolt a few days later when a letter arrived exploding in a few violent sentences all his gentle musings about the "old towns." Signed "Old Timer" and carried in Saturday morning's edition, the letter opened as follows: "Your editorial 'There's Life in the Old Towns' did not indicate anywhere near the amount of life in the Newark election. There were 2,350 votes cast in the three districts."

Not content with thus piling error on error, Old Timer went on thumping his cane and mumbling in his beard as follows: "The would-be 'Socialist' or 'New Deal' ticket of the mayor only got a total of 575 votes. The long time residents of Newark are proud of their low tax town and this is what happens to carpet-baggers when they try to take over."

We haven't noticed it, but if Old Timer is right, this must be a haunted town—with Roosevelt's ghost stalking the Council offices, shades of socialism investing the firehouse and musty odors of post Civil War corruption emanating from the Mayor's brief case.

We can only hope Old Timer's reasoning is as faulty as his voting figures. Otherwise, the election, if not a revolution, narrowly averted being one, and we all must now be sitting on a political powder keg.

We don't know what kind of luggage Mr. McBERTY carries, but we feel sure you won't find it in plans for violent overthrow of the Town Council nor a blueprint for corrupting the local government.

And now, if Old Timer and the MORNING NEWS can stop glaring at each other for a moment, we would like to put them straight on exactly how many people voted here last Tuesday.

According to acting town secretary George E. Ramsey, the chief election official, there were 1746 ballots dropped in the box of which 32 were declared void for being improperly marked. This makes a total of 1714 legal votes.

There you have it, gentlemen, and, in a strained effort to end this on a harmonious note, we would like to point out that there is one thing we all seem to agree on—there's still life in the old town. The 1714 figure is a record for voting here. In fact, it's a staggering figure if you check past totals. Mr. Ramsey says he can remember times during his 14 years on Council when the town secretary had to go out on the street and plead with a few citizens to cast a ballot just to make the election official. In those days 12 or 14 votes were average. And in this week's TWENTY-FIVE YEARS AGO, you'll find that a grand total of 10 votes was cast in 1924.

All of which points to the fact that Newarkians are gradually beginning to realize that what goes on at the Town Council offices can be as important to them as what goes on in Washington, D.C., is to the nation at large.

Protein Rich Foods Are In Good Supply
Protein-rich foods such as eggs, cheese, dry beans and peanut butter head the Plentiful Foods List for March.

Also in good supply is a wide variety of reasonably priced fresh fruits and vegetables, such as onions, cabbage, potatoes, carrots, spinach, oranges and winter pears. Processed orange products are plentiful, too.

Dairy products in abundant supply are evaporated milk, butter and non-fat dry milk solids. Other foods homemakers will find for economically priced meals are dried peas, prunes and raisins and canned corn and peas. Grocery shelves also are well stocked with honey, oat products and corn products, including grits, meal and slurr.

NEWARK AA TO MAKE BOW HERE SUNDAY IN PEN-MAR CONTEST WITH 'TOUGHIES'

Hock To Take Mound Against Toughkenamon In Game Slated For 2:30 P. M. On Continental Field; Line-Up Still Uncertain

The Newark AA baseball nine opens its season here Sunday in a Pen-Mar League contest with the Toughies of Toughkenamon, another new entry in the loop. Game time will be 2:30 p. m. on the Continental Field.

The locals will start Lefty Bob Hock on the mound, while "Mike" Slyvania will toss for the "Toughies." Slyvania is familiar to Newark fans as the mainstay of last year's Elkton team.

The remainder of Newark's starting line-up is still in doubt, with final selections to be made during three practice sessions previous to Sunday's contest. Drills will be held tonight and tomorrow night, while a tune-up game is set for Saturday.

The infield seems to be pretty well set with Bobby Challenger at first, Bobby Gregg, second, Gene Schaen, shortstop, and Buddy Cataldi at third.

The outfield still poses a problem for Manager Leroy Hill, who has a wealth of material on hand, including several long ball hitters. The latter are something the team has lacked the past several seasons.

Clyde Baylis, a regular in previous years, seems to have the inside track for the left field spot. Merritt Lynch and Arthur Donovan have been impressive with their long ball hitting in drills so far.

The catching chores will be handled by George Schaen, while Howard "Blubber" Wilson, "Fuzzy" McCormick and Howard Messick support Hock on the pitching staff.

In addition to Newark and Toughkenamon, the Pen-Mar League includes teams from New London, Andrews Bridge, Landenberg, Hickory Hill, Bay View, and Providence.

According to C. M. Bailey, of Oxford, Pen-Mar president, the league hopes to be as strong as the Susquehanna League, in which Newark competed last year. Every effort has been made, he said, by all teams in the circuit to provide the fans with the best semi-pro ball in this section.

Jackets Lose Opener To Conrad High, 9-6
A four run rally in the ninth gave Conrad a 9-6 victory over Newark High Tuesday afternoon in the Jackets' opener. The game, originally scheduled for the Conrad field, was switched at the last moment.

Haman, after yielding four runs to the invaders in the opening inning, held them to a single additional run until the final outburst. The Jackets, meanwhile, inched back into the picture on single runs in the first and second, two in the fourth and another brace in the ninth.

The qualifying rounds for Classes of Eight, postponed last week-end due to inclement weather, will be held this Saturday and Sunday at the Newark Country Club.

The medal prize will be awarded on a basis of Saturday's score, according to Robert Stewart, Jr., match committee chairman. Since this is a handicap event, the committee urges as many members as possible to qualify for the classes.

A sweepstakes will also be run off over the Saturday and Sunday week-end, and some type of competitive event is scheduled for every week-end throughout the coming season, according to Stewart.

The mixed Scotch Foursome, scheduled for Saturday and Sunday, has been postponed until a later date.

Events for women are also being planned. A blind bogey tournament will be held on Tuesday.

In addition to Mr. Stewart, members of the men's match committee are: George Anderson, Roland Wollaston, William Pie, Len Fossett, Biff Richards and Al Dollins.

Country Club Plans Classes Of Eight
Qualifying Rounds To Be Held This Week-End, Sweepstakes Also Planned

The qualifying rounds for Classes of Eight, postponed last week-end due to inclement weather, will be held this Saturday and Sunday at the Newark Country Club.

The medal prize will be awarded on a basis of Saturday's score, according to Robert Stewart, Jr., match committee chairman. Since this is a handicap event, the committee urges as many members as possible to qualify for the classes.

A sweepstakes will also be run off over the Saturday and Sunday week-end, and some type of competitive event is scheduled for every week-end throughout the coming season, according to Stewart.

The mixed Scotch Foursome, scheduled for Saturday and Sunday, has been postponed until a later date.

Events for women are also being planned. A blind bogey tournament will be held on Tuesday.

In addition to Mr. Stewart, members of the men's match committee are: George Anderson, Roland Wollaston, William Pie, Len Fossett, Biff Richards and Al Dollins.

BLUE HEN NINE TO MEET PMC AT CHESTER ON SAT.; BULLETS HERE WEDNESDAY

Fullest Week On Spring Sports Calendar At University Looms; Golf, Track, Lacrosse, Tennis Contests Scheduled; Many Here

Baseball against P. M. C. at Chester, Pa., will feature the University of Delaware sports calendar Saturday, while at Newark the Blue Hen tennis players and golfers will tangle with teams from St. Joseph's College.

A triple program is set for Tuesday, when the West Chester Teachers will invade Newark with their golf team, the Hens will meet the Teachers in lacrosse at West Chester, and the Delaware cindermen will go to Lancaster, Pa., for a meet against Franklin and Marshall.

BIG LEAGUE SCOUT WILL SPEAK HERE

Jacko Collins, Phillies scout, will be the speaker at the annual All-Sport Banquet, honoring both boy and girl athletes at the Newark High School next Wednesday at 6:30 p. m. in the cafeteria.

Feature of the evening will be the awarding of letters to boy and girl varsity players in all sports.

Master of ceremonies at the dinner will be principal Frederick B. Kutz. Funds for staging the affair have been provided by local service clubs.

Among the invited guests are: Dr. John Shilling, assistant state superintendent of public instruction; Meade Regan, Clinton Knotts, Superintendent; Wilmer E. Shue, Dr. John R. Downes; Beatrice Hartshorn, M. C. R. Ylander; Elizabeth Lawrence, Ray Ciesinski; Fred Spasato, and W. S. Mote.

Others have been asked but their acceptance has not been received as yet. Chairman for the dinner is Mrs. Grace Gibb, girls' athletic director at the high school.

Motocycle Races Draw Top Drivers
The Hubers, the Channs, and many other names prominent in motocycle racing, will pry open the AMA Eastern cycle race season at the Reading Fairgrounds, Sunday, April 24.

Officials of the Pagoda Motocycle Club of Reading, sponsors of the half mile track events, said this week that nearly every outstanding race rider in the East and Midwest is expected to compete in the curtain raiser.

J. Lester Hillbush, retired national cycle racing champion, and treasurer of the Pagoda Club, said the program has been designed for expert, amateur and novice riders. He said two six-lap heat races and a 10-lap feature race are scheduled in each rider classification, with qualifying time trials preceding the program of competitive races.

The track meet was anybody's guess the last event, the broad jump with the Hens two points in the lead but time. Hopkins took first and third in the jump and won the meet by a point margin. Jack Gallagher's total trip, the low hurdles proved to be a comic accident, and the absence of injured Harry Loose in the quarter mile made a difference, as the Blue Jays took first and second in that run.

The Drexel stickmen kept the pace of the time while the Delawareans were unable to settle down as the Dragons ran up a dozen goals. Drexel Ed Stier scored half his team's points and Leo (Moon) Mullins and the Big man boys, Cattie and Gordy, played the best Delaware game.

The Hen racket welders pushed Western Maryland on the courts with most of the matches going into the third set or into extra games, but Marylanders held the edge in two of the contests. Tom Runk, Newark and Ed Clark, Wilmington, won the doubles, while Hen singles victors were John Hovsepian and Bob Kirkland.

FIBRE MILL AND UNION SIGN PACT

The National Vulcanized Fibre Company and Local No. 144 of the United Electrical Radio and Machine Workers of America jointly announced recently that they had negotiated a collective bargaining agreement which will run until April 4, 1950. The announcement was made by John L. Mabel, Jr., personnel director of the company and Gene Derriksen, field representative of the Union.

The Collective Bargaining Agreement was ratified by the membership of the Union at a meeting held on Sunday night, April 3. It followed after 12 meetings between the negotiating committee of the Union and Mr. Mabel.

The new Collective Bargaining Agreement provides for a 5 1/2 percent "package" increase for approximately 800 workers of the National Vulcanized Fibre Company in their plants at Wilmington, and Yorklyn, Delaware, and the Phenolite Division at Kennett Square, Pa. All three plants are now covered by a master agreement.

The new Collective Bargaining Agreement grants six (6) paid holidays and a two and one-half cents (2 1/2) percent wage increase, renews the present vacation plan, and provides for time and one-half for all work performed on Saturday, and double time for work performed on Sunday and holidays. The settlement also includes an improved Sick Relief Plan.

NHS NAMES BOY STATE DELEGATES

Martin And Sheaffer To Go To Dover

Tom Martin and Tom Sheaffer will represent the Newark High School at the annual Boys' State in Dover on Friday and Saturday.

They have been elected by their fellow students to serve as Representative and Attache respectively at the annual event, when youths from schools throughout Delaware will take over the administration of the state government.

As a representative, Martin will sit in on sessions of the lower house, voting on student bills. So far he has no plans for proposing special legislation of his own.

Purpose of the event, which is sponsored by the Delaware Department American Legion, is to give the youths first hand experience in the workings of representative government and democratic procedure in politics.

As last year, the student legislators will be divided arbitrarily into Liberals and Conservatives. The boys will not know their party until they arrive at Dover and are alphabetically assigned.

Veteran members of the General Assembly will be present to guide the boys but will take no active part.

The two-day program will also include an address by Governor Elbert Carvel, plus special luncheons.

U. Of D. Swim Pageant To Be Open To Public

A swimming pageant, "Around the Aqua-Clock," will be presented by 20 of the University of Delaware's best girl swimmers, at the Women's Gymnasium on the Newark campus Tuesday and Wednesday nights of next week.

Open to the public without charge, the show will start at 8 p. m. as the first presentation of the university's Aquatic Club, a new organization in which swimming ability is the first requirement for membership.

In eight sequences, the pageant will revolve around a huge clock which will keynote swimming acts for dawn, morning, noon, siesta, afternoon, "after hours," evening and starlight. Precision and formation swimming, novelty strokes, comedy, and a "candle parade" will be among the features under the direction of Miss Maryann Waltz and Mrs. Annabelle Wollaston, of the physical education faculty.

Comedy acts, including some diving, will be seen in "Fun on the Board," with Miss Bamberger, Miss Campbell, Miss Feldman, Miss Ladd, Miss Leahy, and Miss Shafer.

Rites Yesterday For Elmer L. Stoufer

Services for Elmer L. Stoufer, who died Sunday at his home on Christiana Road, near Newark, were held yesterday from the First and Central Presbyterian Church, Wilmington. The pastor the Rev. Willard G. Purdy officiated. Mr. Stoufer, who was 62, had been ill about six months prior to his death.

Surviving are his wife, Mrs. Emma C. Stoufer; two daughters, Mrs. Pinnix Price, at her parent's home, and Mrs. Robert Iobst, a missionary in Nicaragua; three sisters, Mrs. Lottie Bairdin of Granite Falls, Minn.; Mrs. Cora Bairdin of Blairsburg, Pa.; and Mrs. Sam Stoner, of Raymond, Neb.; two brothers, Ray Stoufer of Echo, Minn., and Ernest Stoufer of Sioux City, Ia.; and two granddaughters.

ALUMNAE AT U. OF D. PLANS CLASS MEETS

Luncheon And Teas To Mark Reunion Here

Arrangements for the annual Alumnae Day program at the University of Delaware, now being completed by a committee headed by Miss Gertrude Holloway, include a reunion dinner, seven class luncheons and teas, and the traditional May Day festivities.

The reunion will be held on Saturday, May 14, according to Miss Holloway, who said that a meeting of the Alumnae Association's Executive Council, from 10 a. m. to noon, in Warner Hall will open the day's events.

Class reunions have been arranged as follows: Class of 1919, luncheon at home of Mrs. Robert O. Bausman, 91 West Park Place, Newark, 1 p. m.; Class of 1924, tea at Sussex Hall, 3 to 5 p. m.; Class of 1929, luncheon at home of Miss Estelle Wheelless, 232 Orchard Road, 1 p. m.; Class of 1934, luncheon at Alchemists Corner, Hotel DuPont, 1 p. m.; Class of 1939, luncheon at faculty clubrooms, Warner Hall, 12:30 p. m.; Class of 1944, luncheon at College Inn, 1:30 p. m.; Class of 1948, luncheon at Chimes Restaurant, 12:30 p. m.

In addition, the Class of 1941 will hold an open house at 4 p. m. at the home of Mrs. Samuel McFarlin, 31 Tyre Avenue, Newark.

The association's annual business meeting will be in New Castle Hall at 5 p. m., and the reunion banquet is scheduled for Kent Hall at 6:30 p. m.

Other campus events of the day in which alumnae will participate include the May Court, at 2:30 p. m. on the central campus near the Memorial Library; a reception for members of the court and others, in Warner Hall at 3:30; the E-52 Players' presentation of "The Glass Menagerie" in Mitchell Hall, 8:30 p. m.; and the May Day Dance, in the Fieldhouse at 8 p. m.

NHS PUPILS TO MUTINY WEDNESDAY

Student Gov't To Take Over

Mutiny is brewing at the Newark High School, with students planning to oust officials and faculty and take over. Ringleader is Jim Ford, president of the Student Council, who is scheming to wrest Supt. Wilmer E. Shuc's post.

It will be a very orderly revolution, though, because its part of the annual Student Day program. This is the brightest day of the school year when the students' fondest dreams come true and they exchange places with the teachers.

Ford, as superintendent, will direct the day's activities and handle all problems of school administration that crop up. He will be in an ideal position to work a quick revolution in education, but he says he plans no radical changes.

Assisting him as principal will be Nancy Smith, vice-president of the Student Council, Tom Sheaffer and

Ruth Gray will make up the office staff.

All classes that day will be in charge of students while the teachers sit by as observers. Highpoint will be a school assembly with the teachers doing all the work.

"I Can Trust A&P..."

"We live in a pretty nice neighborhood. We aren't rich, and neither are our neighbors. Our income is what might be called 'comfortable,' and we have most of the things we really want as well as some money in the bank. And we've never cashed our war bonds."

"We've come along in the world from a modest start, not by skipping, but by trying to spend wisely what we've had to spend. And I've noticed that most folks who have a little something are folks who believe in getting their money's worth."

"I do all my shopping for food at our A&P Super Market. I do it because I can trust them."

"I can trust them to buy the best that the market affords and to guard its quality and freshness until I come for it."

"I know it's their policy, when they mark eggs Grade A, to keep them fresh so they'll be 'Grade A' when I buy them (Grade A eggs, you know, will not be Grade A if they linger too long in the store)."

"When I buy a steak at A&P I know it's beef from a grain-fed steer, expertly selected in the first place, and well trimmed to give me my money's worth in meat, without too much fat and bone."

"I know it's their policy to offer fruits and vegetables that are fresh and crisp."

"I can trust A&P's advertising to be straightforward. When they list items like lettuce and cauliflower in their Super Market ads, it's been my experience they have good selections of the size heads they advertise, at the advertised price. I don't like any advertising that promises low prices, but when I try to buy at those prices, I am told 'We're sorry there are no more left at that price, how about one of these for more.' And when A&P advertises ground beef at thus-and-so, that's the price of their best ground beef (the only grade A&P sells), not a second grade."

"I know that if for any reason I am not entirely satisfied with something I have bought they'll gladly replace it or return my money."

"I trust their prices throughout the store and know I wouldn't save by shopping around the town. I don't mean that someone doesn't have a 'special' on something some time at a lower price than A&P. I mean that when I do all my shopping there, week in and week out, I'll save money and have the best that money can buy."

"Yes, I can trust A&P... and it's a mighty comfortable feeling."

IF YOU HAVE ANY SUGGESTIONS, opinions or criticisms that will help make your A&P a better place to shop, we will welcome them. There are more than 100,000 employees of A&P who want to make your A&P the finest place to do your shopping. Please write to: Customer Relations Department, A&P Food Stores, 420 Lexington Ave., New York 17, N. Y.

Television

IS OUR BUSINESS

Facts To Know Before You Buy

We are trained and equipped to render complete service for every electrical appliance and television we sell.

When you purchase a television from us, we install the aerial and give you service from our store in Newark, Del.

You DO NOT call Wilmington or Philadelphia and wait a week for service. When you buy from us we guarantee service within 24 hours after a call is received.

BUY YOUR TELEVISION WHERE YOU CAN GET SERVICE AFTER THE SALE
