## HELP YOUR FRIENDS IN POST CAMPAIGN

### FIFTH ANNUAL BLOSSOM SHOW HUGE SUCCESS

Best Attended Affair Ever Sponsored by the Newark Garden Club

#### MANY PRIZES AWARDED

Mrs. E. L. Richards and A. B. Eastman Capture Sweepstakes

The Fifth Annual Flower Show held last Saturday and Sunday under the auspices of the Newark Garden Club was the best attended affair the club has ever sponsored. Despite the damage from the storm the preceding week over three hundred exhibits were shown.

A beautiful display of zinnias, marigolds, snapdragons, roses, asters, dahlias and many other fall and late summer flowers greeted the visitors as they entered the doors of the New Century Club. The specimen exhibits were banked on each side of the rooms with the bowls and artistic arrangements in the center. The baskets and vases formed a background across the stage. Attractiveness of the arrangement was due to the work of Mrs. Robert O. Bausman and her committee.

#### Conard Pyle Exhibits

Conard Pyle Company of West Grove, Pa., had a fine display of roses, showing the latest and most popular varieties. The exhibit of the diminutive Tom Thumb roses attracted particular attention. Other interesting exhibits included: California Poppies, entered by Mrs. Bausman; Autumn Crocuses, Mrs. Blackwell; a California Redwood burl in leaf, Harry Hill; and lilies, Miss Long and Mrs. Eastman.

Competition was especially keen in zinnias, gladioli, roses and small arrangements. Mrs. E. L. Richards captured the sweepstakes prize, five dollars worth of roses donated by the Conard Pyle Co., with a total of 53 points. Mrs. George Leak was second with 51 points and Mrs. Arthur Eastman third with 43 points. Other high scorers were Mrs. Robert O. Bausman, 38 points and Mrs. Willard Wood who amassed a total of 35 points.

Arthur B. Eastman won the sweepstakes prize for dahlias and a collection of dahlia tubers or plants with a total of 60 points. Mr. Willard Wood placed second with 26 points and Mrs. Harry Hill third with 15 points. Fourth place was deadlocked with Mr. Ed Carlson and Elmer Ellison totaling 11 points each.

#### Competent Judges

Mrs. Irving Warner and Mrs. Alfred Bensel of the Wilmington Garden Club judged the baskets, bowls and artistic arrangements while the specimens were rated by Miller Speakman and Howard E. Ball, officers of the Delaware Dahlia Society.

A. B. Eastman served as chairman for the entire show with Mrs. Edward Githner, secretary, in charge of entries. Others who aided in making arrangements for the display were: Mrs. Robert O. Bausman, chairman of the arrangement and decoration committee; Mrs. R. T. Jones, chairman of the hostess committee and Elmer J. Ellison, chairman of properties.

### Election Held By Mineola Council, No. 17, D. of P.

At the regular meeting of Mineola Council, No. 17, Degree of Pocahontas last evening, the following officers were elected for the ensuing six months: Prophetess, Edna Brown; Pocahontas, Ann Sidwell; Wenonah, Gertrude Williams; Powhatan, Alice Donnell; Trustee, Marguerite Balling; Representative to Great Council of Delaware, C. Orville Sidwell.

The raising up of the new officers will take place on Wednesday evening, October 14.

A recent California survey shows that college boys are not over-worked—"six hours a day are taken up in aimless pursuits."

### HEADS NEW COURSE

RUSSELL RAMP

Graduate of the College of Agriculture at the University of Illinois, Mr. Ramp has been named as instructor in farm mechanics at the School of Agriculture, University of Delaware, Dean C. A. McCue recently announced.

### NEW COURSE IS BEING OFFERED

#### Delaware Announces Work in Farm Mechanics; Illinois Grad at Head

Appointed to teach the newly added course in farm mechanics at the School of Agriculture at the University of Delaware, Russell Ramp, formerly of Newman, Illinois, has taken up residence in Newark, it has been announced by C. A. McCue, dean of the School of Agriculture.

Ramp, who was graduated from the College of Agriculture at the University of Illinois this year, will be in charge of classes in farm mechanics which will cover the care and use of farm machinery and equipment.

#### Sophomore Requirement

The new course which is required for all sophomore students in the School of Agriculture is being taught at the university for the first time this year.

According to Dean McCue, the new course will give students graduating from the School of Agriculture a good working knowledge of farm machinery, its uses and care, as well as some training in the construction and upkeep of farm buildings and physical equipment.

"The new course is one step in the program of improvement which has been laid out for the curriculum of the School of Agriculture," he said.

### Stone Thrown By Chum Fractures Boy's Skull

Jack Butler, 12 year old son of Mr. and Mrs. Harry Butler of Christiansa, received a fracture of the skull this week when he was struck by a stone thrown by a playmate.

He was treated by Dr. Wallace M. Johnson and removed to the Homeopathic Hospital, Wilmington, on Tuesday, where he underwent an operation. His condition is reported as improved.

### Bear Women Form New Demonstration Group

The eleventh home demonstration club in New Castle County was organized at Bear Station yesterday by Mrs. Kate Henley Daugherty, county agent.

Officers of the new club are: Mrs. L. J. Walker, near Newark, president; Mrs. Walter Sweetman, near Newark, vice-president; Mrs. Clifton Ellis, Bear, secretary; Mrs. William W. Barrett, Bear, treasurer; and Mrs. R. Lee Richards, Bear, chairman of publicity.

Meetings will be held on the third Monday of the month at the Odd Fellows Hall, Bear Station. Mrs. Walker and Mrs. Ellis will be in charge of the next session during which the subject of Commercial Recreation versus Home Made Recreation will be discussed.

### PAY CUTS TO BE RESTORED TO TEACHERS

Action Taken At Meeting of State Board In Dover For Five Per Cent Increase

#### MEETING LAST FRIDAY

Full restoration of salary cuts to teachers is provided in the \$3,800,000 State Board of Education budget for the biennium beginning July, 1937. The acting was taken at a meeting of the board last Friday at Dover. The budget will be submitted to the next Legislature for approval. A special appropriation of \$25,000 a year for special maintenance, including the repairing of a number of schools throughout the state was also made.

Some years ago the board faced with a dwindling income, voted a 10 per cent reduction in salaries. The 1936-37 budget, amounting to \$3,657,000 restored five per cent of the reduction. The five per cent wage restoration is represented by the \$143,000 increase in the new budget, the amount necessary to bring salaries to the pre-reduction level.

#### Additional Expenses Denied

Requests from various school divisions for an increase of \$125,000 in operating expenses over the last budget was denied. The refusal was explained in the statement of the board:

"Since the amount in the school fund available for normal school purposes is less than one year's operating cost, under the present budget, and since the estimated income per year is less than current operating costs per year, the board is compelled to limit the school budget for the next biennium to the present cost basis, except for the restoration of the second half of the salary cut."

#### Expected Tax Receipts

The board's statement stressed that in drawing up the budget, the members were guided by the most recent report of the State Tax Department which clearly indicates that receipts from the franchise and income taxes will probably amount to \$3,000,000 annually for the next two years.

Henry Ridgely of Dover, the president, conducted the meeting. Other members of the board present were: John B. Jessup, Wilmington; Warner Price, Smyrna; Newell Booth, New Castle; Dr. James Beebe, Lewes; and William B. Sipple, Milford.

### Deposed Ministers To Discuss Stand Taken

Modernism vs. Fundamentalism in the Presbyterian Church will be discussed at a meeting in the Newark Odd Fellows Hall, on Friday evening, October 9, at eight o'clock. Speakers will be the Rev. John P. Clelland, pastor of the Eastlake Presbyterian Church, Wilmington, the Rev. Henry G. Welton, pastor of Head of Christiansa and Pencader Churches, and the Rev. Robert H. Graham, pastor of the Forest Presbyterian Church, Middletown.

These ministers have been deposed by the Presbytery of New Castle and have joined the newly-formed Presbyterian Church of America.

An opportunity to ask questions will be given after the meeting. The public is welcome, especially those interested in what sponsors of the meeting term as true Presbyterianism.

### Needlework Guild To Hold Annual Meeting

The annual meeting of the Newark Branch of the Needlework Guild of America will be held on Thursday afternoon, October 8, at the home of Mrs. Charles B. Evans, it was announced this week.

At 2.30 the officers and directors will convene in a business session and at four o'clock all members are invited to attend and receive the collection of garments. A social hour will follow.

Observance of national membership week will be marked from October 4 to 10, during which more than 750 branches of the guild in the United States will make a special concerted drive to increase activities.

### LEADERS FOR COMING YEAR MADE PUBLIC

Century Club Head Releases Lengthy List of Special Committees

#### TO MEET NEXT MONDAY

With the first meeting of the 1936-37 season scheduled for next Monday afternoon, Mrs. R. T. Jones, president of the Newark Century Club, has released her list of appointments for the new year.

Nineteen committees under the following classifications have been named by Mrs. Jones—American Homes, Civics, Correction, Decoration, Dramatics, Education, Fine Arts, House, Hospitality, Internal Relations, Legislation, Library, Luncheons, Membership, Motion Pictures, Publicity, Program, Social Service and Ways and Means.

#### Special Luncheon Carded

The opening affair will be in the form of a special luncheon which will be served in the Delaware Avenue club house at 1.15. Reservations for the function have been handled by Miss Anna Frazier.

As an added feature of the afternoon, Miss Carolyn Cobb, custodian of the Newark Library, will offer a program devoted to book reviews.

The meeting on October 19 will be given over to an interior decorator from Gimbel's, Philadelphia, who will demonstrate draperies and other house furnishings.

#### Committee Personnel

American Homes: Mrs. Weldon Waples, chairman; Mrs. A. J. Strikol, Miss Amy Rextrew, Mrs. Henry Harris. Civics: Mrs. Chester Ewing, chairman; Mrs. W. R. Lynam, Mrs. Lee Lewis. Correction: Mrs. J. F. Daugherty, chairman; Mrs. A. W. Mayer, Mrs. Howard Preston.

#### List Continues

Decoration: Mrs. William J. Barnard, chairman; Mrs. Emerson Johnson, Mrs. Donald Armstrong, Mrs. Harvey Steele, Mrs. M. W. Hanson. Dramatics: Mrs. Jay Robinson, chairman; Mrs. C. R. Kase, Mrs. Francis Squire, Mrs. A. D. Cobb, Mrs. G. R. Sinclair, Mrs. Taggart Evans.

#### Other Committees

Education: Mrs. Arthur Tomhave, (Continued on Page 10)

### Four Prominent Speakers Features at University

Four outstanding features scheduled by the University Hour Committee at the University of Delaware this season will be talks by Grant Wood, Iowa artist; Christopher Morley, one of America's most charming men of letters; Dr. Raymond Ditmars, curator of the New York Zoological Park; and Sir Wilmot Lewis, Washington correspondent of the London Times and dean of foreign correspondents at the national capital. No dates have been released as yet.

With all appearances being made in Mitchell Hall, other features of the year will be a series of three organ recitals by Firmin Swinnen; three concerts by students of the Curtis Institute of Music, Philadelphia; several glee club concerts; the annual rendition of "The Messiah" under the direction of Professor Thomas D. Mylrea; and four major productions by dramatic organizations of the university.

### Choral Group To Rehearse For December Presentation

The choral group of the Newark Music Society is beginning rehearsal for this year's production of "The Messiah," to be given in Mitchell Hall on the evening of December 17. It is planned to augment the chorus.

Singers in Newark or vicinity who know "The Messiah," or wish to learn it, may make application for membership to the committee in Wolf Hall on Sunday, October 4, at three-thirty.

Further information may be obtained from Miss Freda Ritz, secretary of the society, at Wolf Hall, University of Delaware.

### LARGEST VOTES IN CAMPAIGN GIVEN NOW AND NOT LATER

Still Plenty of Time to Enter Campaign and Win One of Big Cash Awards by Taking Full Advantage of Extra Votes As Advertised; Send in Your Name Today

Do not let anyone tell you there will be bigger votes given later on in THE NEWARK POST'S campaign. This week and next week, right up to eight o'clock Saturday night, October 17th, is when the biggest extra votes are to be given. THE POST is offering over \$1,000 in cash prizes and commissions for getting subscription payments from new and old subscribers.

If you wish to share in the big cash awards to be given with each candidate's report and on October 31st, when the campaign closes, by all means take advantage of the 200,000 extra vote ballots now being issued on each amount of \$15 worth of subscriptions.

### Colonel Frank Knox Wilmington Visitor

Colonel Frank Knox, illustrious Chicago publisher and vice-presidential nominee on the Republican ticket, will address a special luncheon group at the Hotel duPont, Wilmington, on October 8.

Admission for the affair, which is sponsored by the Republican Women of Delaware, will be by ticket only. Reservations rapidly being piled up are being accepted at 923 Market St., Wilmington.

Remember this: you can be well paid in good old hard American dollars on commissions alone, even if you feel you cannot do enough to win one of the big cash awards the closing night.

No one knows how many votes it will take to win so the thing to do is to do all you can while the vote credit is biggest. Gather in every penny you can on the 20% commission offered and try hard to have enough votes the closing night to make you win the \$500, the \$200 or the \$50.

A question was asked the campaign manager today. The candidate wanted to know if a candidate could keep adding onto a payment until the five years was paid in and then get all the votes due on a five-year subscription as shown on the cover of subscription books and in page advertisement elsewhere in this issue.

One year, old, gives 2,500 votes. Another payment for one year from the same subscriber and to the same candidate would give 5,000 votes and this would make the candidate then have 7,500, which is exactly what would have been given in votes if the payment had been for two years in the first place.

If a candidate has already handed in a one-year subscription old and then secures four more years from the same person, the vote credit then would be 72,500 votes or the equal of what one five years old gives. This same rule applies on new subscriptions also.

The list of candidates showing today gives marked changes in totals. Votes will be published fast each week from now until the close of this campaign. If you do not have votes showing to your credit now, make it a point to have some published next week.

"Who is ahead this week?" is a question that will be heard many times now as the campaign gains ground and the vote totals climb. If you are a candidate, keep going after subscriptions to hold that total up there. If you are a subscriber, pay your subscription now so your favorite candidate can get the votes while the biggest votes are given.

### LIST OF CANDIDATES

This list contains the names of people who are interested in working for a prize in THE NEWARK POST subscription campaign. The grand prizes are \$500, \$200, and \$50. A 20 per cent commission will be paid right at the time subscriptions are reported at the campaign office. You cannot lose in this campaign. If you wish to share in this cash distribution send in your name at once.

### THE PLAN IS BRIEF

The object of the distribution is two-fold: primarily to increase the already large subscription lists of THE NEWARK POST, to collect arrearages and advance subscriptions and at the same time afford our friends and readers an unparalleled opportunity to profit in a big way, through their spare time during the next few weeks. So it is a plan that works both ways and to the ultimate good of all concerned.

In order to gain this end quickly and advantageously, one of the most valuable and attractive lists of prizes ever offered by a newspaper in this section has been made ready for distribution among those who participate most heartily.

Ambition and energy are the only requisites of success. The plan adopted is the fairest and most impartial conceivable. There will be no "double" vote offers, extra votes given or any extra vote inducement whatsoever inaugurated during this competition, other than what has been announced in this issue. Neither will there be any long term subscription accepted. The plan of the campaign is straightforward and simple and is fully outlined in this announcement.

Let it be understood at the very outset that this is not a "beauty" nor "popularity" contest, but a strictly legitimate competitive proposition for enterprising men and women, and boys and girls, and one in which no elements of chance enter. One feature of this competition is the fact that there will be no losers in this race.

### How to Enter the Campaign

The first step in order to become a candidate and compete for a prize is to clip the entry blank appearing elsewhere, fill in your name and address and mail or deliver to the Campaign Department of THE NEWARK POST, Newark, Del. This coupon entitles you, or the person whom you might nominate, to 10,000 FREE votes. These votes are given you as a starter, and speed you on your way to win. Only one such nomination will be accepted for each candidate.

### How Votes Are Secured

The next step is to call or write the Campaign Department for a free working outfit consisting of an official receipt book, copies of THE NEWARK POST, and other information relative to launching an active drive.

Thus equipped, you have but to go to your friends and neighbors, relatives and acquaintances and have them pay up a subscription to THE NEWARK POST through you. THAT'S ALL THERE IS TO IT. However, you will never win anything unless you make the start; and while it will not be a very difficult matter to capture one of the big prizes, nevertheless it is necessary that you start early. You must plan out your campaign the same as any successful business man plans out his work for a season, and above everything else, let no one discourage you. Stick to it and finish. Anything worth having is worth striving for. A few short weeks and you have earned real money.

It takes votes to win. The fastest way to get votes is by securing new and renewal subscriptions to THE NEWARK POST. On each subscription turned in a certain number of votes are issued, varying according to the amount paid and during which "period" same are received at the Campaign Department. See schedule of votes elsewhere.

### Early Start Means Easy Finish

The advantages of an early start are manifest. Not only do you have the FULL TIME in which to secure the winning votes, but now and up to and including October 17th you will receive the maximum schedule of votes on subscriptions, then, also, the first in the field will undoubtedly get the "cream" of votes and subscriptions, while those who put off entering until a later date will have to take what is left.

Don't lose valuable time waiting to "see what the other fellow is going to do," but pitch right in and show the "other fellow" how to do it.

### THE PRIZES

#### FIRST GRAND PRIZE

**\$500 in Cash**

#### SECOND PRIZE

**\$200 in Cash**

#### THIRD PRIZE

**\$50.00 in Cash**

Every worker paid with each report.

Every worker is assured at least 20% commission on all new subscription money and 20% on all old subscription money paid.

### TO YOU MARRIED WOMEN

To be sure, you have your household duties to attend to, but couldn't you work double time for the next few weeks and enter this drive?

Just think of the many things that could be done with the \$30 to \$60 that you can earn weekly. Can't you, without any trouble, be a "partner" in the home, so why not take this opportunity of adding to hubby's income?

With some real hard work on your part, there is no reason why you could not pile up enough credits to be one of the big winners. Phone today, or drop in the office. Don't delay.

### —AND YOU MARRIED MEN

We don't ask you to neglect your regular duties, but aren't there many evenings you now waste that could be devoted to this campaign, and bring added income to your family?

### TO YOU YOUNG MEN

Who are of the impression that "it is hard to get a start nowadays" and that big opportunities that came into men's lives in days gone by are not for young men of today. Let us prove that HERE IS A REAL OPPORTUNITY.

### —AND YOU YOUNG WOMEN

Who realize the women worth while today are those who do things and are factors instead of idlers. We want you in the race—today.

**COME ON, BOYS AND GIRLS!  
GET IN THE RACE!**

**Costs Nothing to Enter - Costs Nothing to Win - You Cannot Lose**

### Lesson for October 4

#### THE MACEDONIAN CALL

LESSON TEXT—Acts 16:6-15;  
Romans 16:18-21.  
GOLDEN TEXT—Go ye therefore, and  
teach all nations.—Matthew 28:19.  
PRIMARY TOPIC—Paul's Wonderful  
Dream.  
JUNIOR TOPIC—God's Call to a New  
Continent.  
INTERMEDIATE AND SENIOR TOPIC—A Cry for Help.  
YOUNG PEOPLE AND ADULT TOPIC—The World's Need of Christ.

The roots of American life, cultural and religious, reach back into the European soil on which our forefathers dwelt. The lesson before us is therefore of peculiar interest, for it relates the first step in the carrying of the gospel into Europe, and ultimately to America.

Paul, the missionary with a pastor's heart, felt constrained to go and visit the centers where he had ministered on his first journey. As he proceeded he was providentially hindered and led by the Holy Spirit to Troas. Here his next "step" seemed for a time to be a "stop," but soon God in a vision called him into Macedonia—and the gospel had come to Europe.

It is of interest to note that Paul, as he thus began his second missionary journey, was

#### I. Obedient to the Spirit (Acts 16:6-12).

He had certain plans in mind. He set out with a purpose, but he was willing to have his own itinerary changed as the Holy Spirit led. It is significant that the guidance was negative as well as positive. The steps as well as "the steps of a good man are ordered by the Lord" (Ps. 37:23). Christians will do well to remember that providential hindering circumstances may be as much the leading of God as the heavenly vision. We are to be obedient to any guidance He gives but we are not to be merely passive, but actively submissive to His will. Paul was about the Father's business, not idly waiting for the speaking of a voice from heaven. It is to such a man or woman that the Macedonian call comes even in our day, only now it comes from China, India, South America, or Africa.

#### II. Faithful in Testimony (vv. 13, 14).

Paul, with his companion Silas, Timothy who had joined them at Lystra, and Luke (note that the "they" of v. 8 becomes "we" in v. 10) came to Philippi in Macedonia, but they found no Macedonian man waiting for them. Had they been mistaken in their vision and call?

True missionaries are not thus easily discouraged. They had come to be fishers of men. The fisherman does not expect the fish to come to him. He goes after them. Paul soon discovered that there was a place of prayer at the river, evidently a gathering place of devout Jews for worship. There he met the man of Macedonia who turned out to be a woman. For some reason the men were absent from the place of prayer on that all-important Sabbath morning. Lydia was a woman of distinction, business ability, and of high moral character. But Paul knew that even good people need to be saved. He spoke the truth of God. She accepted the message as God entered her heart, and at once she entered into

III. Fellowship in Service (v. 15). Lydia proved herself to be one of that noble succession of women who have served Christ and the church. She and her household shared in the ministry of Paul by their Christian hospitality, thus helping forward the missionaries. Observe carefully that she was not saved by her works, but that her works followed naturally after her salvation.

Turning now to one of the epistles of Paul we look at his exposition of certain

#### IV. Fundamental Missionary Principles (Rom. 15:18-21).

Those things which Christ had wrought (Paul took no glory to himself) through him Paul had consistently directed into fields where no one else had preached the gospel.

The spirit of the missionary of the cross is that of the pioneer, pressing ever onward, taking new land, not duplicating the work of others, not jealous of their success, not seeking comfort or glory. Men need the gospel; they are lost without it. Let us press on into the yet unoccupied territory.

#### Sorrow and Enjoyment

We are sent here, in one sense, to bear and to suffer; but, in another, to do and to enjoy. The active day has its evening of repose; even patient suffering has its alleviations, when there is a consolatory sense of duty discharged.—Scott.

Undermine the Character  
Fear and gain are great perverters of mankind, and where either prevail the judgment is violated.—William Penn, in "Some Fruits of Solitude."

## HOME EDUCATION

"The Child's First School is the Family"—Froebel  
Issued by the National Kindergarten Association, 8 West 40th Street, New York City. These articles are appearing weekly in our columns.

### WATCH THEIR HOMEWORK

GRACE ARCHBOLD

Whether or not the parent believes in homework for grade pupils, if such work is a school requirement, the child should be helped to adjust himself to meet it successfully.

"I'm so disappointed, Allan," remarked Mrs. Butler to her husband one evening as they looked over their little son's school report.

"You know, Jack has brains. I did hope he would rank higher than this. His marks are shocking. I spoke to his teacher about it, and she said that he never seems to have prepared his homework. Do you think Miss Roland is really efficient? The school is often very ready to blame the homework when a child has a poor standing. I am inclined to think it may be poor teaching. I send him off so regularly to his studies. Of course, he is sensitive and easily discouraged. He may lose heart when a difficulty presents itself."

#### Check on Child

"I wonder," said her husband thoughtfully, "if the trouble does not lie just there. Before we blame the teacher, how would it be if we watch him at his homework? Let us see if he is really doing it as he should."

"Perhaps you are right. I noticed that he was fidgeting about a great deal last night, but concluded he had finished his work."

The following evening Mrs. Butler sat where she could watch Jack's system of studying.

First, he picked up his arithmetic, and for a time all went well. Then he came to a problem that was evidently not so easy. He made one or two attempts at it, frowned and grumbled and finally tossed the book aside in favor of his spelling.

This, too, he was quite happy about for a time. He shut his eyes in concentration and recited the words. Two words proved to be stumbling blocks. Again and again he glanced at his list and found he was making slight mistakes in them. Instead of mastering them, he put away his spelling book. "Have another look at it in the morning," he murmured to himself.

#### Next Came Geography

Next in order came his geography. Here he became completely muddled over the rivers in Africa and did not even trouble to trace them on the map.

"Never mind, I guess I can pull through. I know all about the River Nile. The others are too hard to bother with," was his objection.

Bedtime came and he had finished nothing.

Later on Mrs. Butler reported to her husband.

"Just what I feared," he said. "He is like a soldier who quits under fire. Directly something hard comes along he gives up—a very serious fault. We must check it without delay, or Jack will not amount to very much. I was exactly the same way and hardly a day passes that I do not feel thankful to my mother for her help. Gently but firmly she insisted on my finishing one subject before attempting another. She taught me that it was unmanly to shirk the hard tasks."

#### Lessons Like Game

"She did not scold. Lessons were like a wonderful game. In those days I was very fond of stories about giants. She made use of this and converted a puzzling problem into a giant to be overthrown. I shall never forget my joy when I accomplished something I had been tempted to lay aside. I had conquered a giant. Today if I am inclined to follow the line of least resistance and just let things go, I think of those giants."

"Why, Allan!" exclaimed his wife, "I did not think there was so much at stake. It is something more than high marks. It is character formation."

"Yes. We cannot leave all the responsibility to teachers. Without the self-sacrificing cooperation of the parents the schools can do but little. We must set Jack on the right path with his homework. I am confident we shall soon see definite improvement."

#### Expert Authority

"I have always felt that all children should receive the benefit of kindergarten training. A person's education should extend from the earliest years to the close of life."—G. Leland Green, President, The Berry Schools, Mount Berry, Georgia.

If there is no kindergarten for your child, write to the National Kindergarten Association, 8 West Fortieth street, New York City, and ask how to work for one to be opened in the public school.

#### Communion at Church

The Rev. Henry G. Welbon, pastor of Pencader Presbyterian Church, preached the sermon, "Love of a Man for a Woman," on Sunday. Communion will be administered on Sunday.

A covered dish supper will be held in the basement of the church tonight.

Booster Night for Pencader Grange No. 60 will be observed next Monday night, October 5. Many forms of amusements will be presented. The public is invited.

Miss Florence Dayett, a student at Doris Memorial Hospital, spent Sunday with her parents, Mr. and Mrs. Harry Dayette, Jr.

The Welsh Tract Parent-Teachers Association is sponsoring the dental work of their school children. Miss Alice McCormick is taking several each evening to Dr. Samuel Fink until all are finished. All are expected to be cared for by the end of this week. This is the third year this project has been carried on.

#### After Seeing "The Green Pastures"

By Mary L. Roberts

O Baby Race with childish eyes  
Sometimes I think you see the skies—  
And through them see our Lord above—  
And picture Him as Holy Love!

The wicked world goes—heedless—by  
With scarce a thought or look on high—  
Alas, content to stumble past  
Without a care for HEAVEN vast!

And we—the older children's race  
Too often setting them a pace  
That leads to misery untold  
Can be soaced with tainted gold!

For shame to cause one soul to fall—  
Because our Saviour loves us all  
So heed and help when weaklings cry—  
Instead of crossing to pass by!

Let HIS small voice within our hearts  
Determine us to heal the smart—  
And bind up wounds we didn't make  
For our dear Lord, the Savior's sake!

More than 50 per cent of the boys and girls of high school age in this country are now in school.

## GREEN TALKS BEFORE TRIO OF MEETINGS

### Christiana Preacher Spends Busy Day; Rummage Sale Planned

#### PROMOTE MANY PUPILS

By Mrs. Edna A. Dickey

## Poultry Council To Hold Exhibit In New York City

A special meeting of the Directors of the Northeastern Poultry Producers Council was held on Saturday, September 19, in the Hotel New Yorker, New York City, for the purpose of making final plans for the Second Northeastern Poultry Exposition to be held in the Port of Authority Building, New York City, November 10 to 14.

Warren C. Newton, Bridgeville, who is a director of the Northeastern Poultry Producers Council, attended the meeting and states that present plans indicate the exposition will be larger and better than the one held last winter.

#### State Exhibit Planned

The Delaware State Poultry Association, The Official Poultry Breeders and Hatchers of Delaware, and The Delaware Record of Performance Poultry Breeders Association in cooperation with the Extension Service of the University of Delaware and the Delaware State Board of Agriculture have arranged for an exhibit showing the value of Delaware's poultry industry which is the chief source of agricultural income in the State of Delaware.

Delaware poultrymen are urged to attend the exposition in order to become better acquainted with the latest methods of poultry raising as practiced by other poultrymen in the original thirteen states of the Union.

## Red Men Elect Officers; Go To Little Bear Tonight

Frank Johnson was elected Sachem of Minnehaha Tribe, No. 23, I. O. R. M., at the semi-annual election on Tuesday night. Other officers elected were: Prophet, Robert Sult; Senior Sagamore, James Scarborough; Junior Sagamore, William Donnell; Trustee, 18 Moons, Norris Pratt; Representative to the Great Council of Delaware, Albert Lewis. There was only one contest, that for Junior Sagamore. The Sachem-elect will announce his appointments Tuesday evening, October 6, and on Tuesday evening, October 13, the new officers will be raised to their stumps by the raising up team of Deputy Great Sachem Russell Mayo of Manitowish Tribe of Wilmington.

Tonight the raising-up team of Deputy Great Sachem Vaughn N. Heavellow will trail to Little Bear Tribe, No. 46, and raise their chiefs. It is expected that the raising up team will have the new degree suits to wear on this occasion, including the unique and elaborate new head-gears, or bonnets, which have been manufactured especially for Minnehaha Tribe by a man who makes a specialty of making authentic Indian apparel.

All members of Minnehaha Tribe who can possibly do so are asked to meet at Fraternal Hall at 7:15 this evening, to go to Bear; and also at the same time on Monday evening, to go to Union, where the degree team will raise the chiefs of Wawa Tribe No. 45; and on Tuesday evening, October 6, to go to Newport, to raise the chiefs of Andastaka Tribe, No. 14. A short meeting will be held on Tuesday evening before leaving for Newport.

#### Legion Auxiliary Meeting

The J. Allison O'Daniel Unit, American Legion Auxiliary, will meet on Monday evening, October 5, in the Legion Room, Academy Building, when the recently elected officers will be installed.

Mrs. W. E. Gunby presided at the meeting of the preachers' wives. The Rev. A. H. Kleffman, pastor of West Presbyterian Church, delivered a sermon at the joint session.

Luncheon was served by the ladies of the Marshallton Church under the direction of Mrs. Edna Ball Gilbert. (Continued on Page 6)

Kansas train-auto collisions in 1935 killed 63 persons, only four less than the combined toll the two preceding years.

## The Sources of a Bank's Income

What are these mysterious sources of income banks are supposed to have, that "yield them enormous profits"?

Banks have 3 chief sources of income:

(1) interest from loans; (2) interest from bonds and similar securities; and (3) reimbursement charges for services rendered. Banks cannot speculate or become partners in any other business. Their operations are rigidly regulated by law.

Profits in banks are moderate because the safest investment bonds, etc., which banks buy always pay the lowest interest. Profitable bank management requires experience, vigilance and common sense. But there is no mystery about it.

Armour's Big Crop Fertilizers supply more than a balanced ration of the major plant foods—Nitrogen, Phosphoric Acid and Potash—as shown on the bag. In addition, there is provided, in every Armour formula, a generous ration of minor and secondary plant foods. All of these minor and secondary elements have recognized plant food value; many of them are just as essential to crops as Nitrogen, Phosphoric Acid and Potash.

Let Armour's Active Plant Foods work for you this season. We are ready to serve you.

## MERMAID HAS REUNION FOR BROOKS CLAN

Pennington Family Hosts to Descendants from Seven States Saturday

### CLUB OUTLINES PLANS

By Miss Sara A. Pennington  
The home of Mr. and Mrs. L. H. Pennington, "The Mermaid," was the scene Saturday afternoon and evening of a family gathering of the descendants of Benjamin and Jane Barnett Brooks.

This was their first reunion and the guests came from Maryland, Virginia, West Virginia, Pennsylvania, New Jersey, the District of Columbia, and New Castle County, Delaware.

A picnic supper served in Harmony Grange Hall adjoining the Pennington home was followed by a business meeting and social entertainment including the following numbers: Vocal duet by Eleanor and Margaret Woodward, small daughters of Mr. and Mrs. Abner Woodward of Roselle; the history of the Brooks family prepared and read by Mr. David A. Brodie of Washington, showed that the Brookses could trace their lineage back to 1639 in this country, coming here from the south of England.

### Settled in Pennsylvania

This particular branch settled in Lancaster County and the original homestead is at Fairfield, Pa. The reunion song sung by members; original poem composed by Mr. Abner Woodward recited by Eleanor Woodward; piano solo by Miss Davis McLane of Centerville; original monologue by Mr. John Deviny of Washington; tap dance by Jean and Joanne Potts of Wilmington.

Officers were elected as follows: President, Mrs. Elizabeth Potts Brodie of Washington; vice president, Mrs. Ada Seiple McFalls of Lancaster; secretary and treasurer, Mr. L. H. Pennington of Mermaid; historian, Mr. David A. Brodie of Washington. Letters of regret were read from Lancaster, York and Atlantic City. The family decided to hold their next reunion on the last Saturday of September, 1937, at the Pennington home.

Mrs. Alice Pyle McLane, age 82 years, was the oldest descendant present and her great granddaughter, Barbara McLane, age 7 weeks, was the youngest.

### Many Guests Present

Those attending were: Mr. and Mrs. David S. McLane, Mrs. Emma Street, Mr. Hausen Street, of Fawn Grove, Pa., Mr. and Mrs. Elwood McLane, Sr., Miss Doris McLane of Centerville, Mr. and Mrs. Grover C. Trout, Mrs. Lillian T. Hummer, Mr. J. C. Wilbur Trout, Miss Pauline Trout, Miss Maxine Trout, Harold and Nelson Trout of Walkersville, Md., Mr. and Mrs. Leslie Derickson, Mr. and Mrs. James L. ### Plan "Parents' Night"

The Three-in-One 4-H Club held a postponed meeting last Thursday evening when plans were outlined for the club to observe "Parents' Night" on October 5 at the club room. George Lynch was appointed as publicity chairman to succeed Harold Lynch, resigned. All the members were urged to complete their projects before Achievement Day later in October. Democrats of Mill Creek Hundred held a rally last Wednesday

night in Harmony Grange Hall. W. P. Naudain, president of the hundred Democratic club, presided. New Deal policies were discussed. Richard C. McMullen, nominee for Governor, was among the speakers.

Mr. and Mrs. Alec Jarrell and family visited Mrs. Jarrell's mother, Mrs. Thomas Dixon at Galena, Md., on Sunday. Mrs. Dixon is confined to her home with a broken leg.

Miss Pearl Atwell, of Middletown, was a recent guest of Mrs. Annie Atwell.

Leola Council, No. 14, D. of P., will serve its annual poultry supper in the Red Men's Hall at Union on October 7. Mrs. Catherine Connell is the general chairman.

Miss Marion Crossan of Faulkland was a Sunday guest of Miss Marie Stephenson.

### Ford Dealers Unite In Nation-wide Clearance

For the first time in the history of the automobile industry, Ford dealers throughout the United States will launch a nation-wide used car and truck clearance sale today. It will continue throughout October.

The aim of the drive is to put into the hands of the new owners before the month ends more than 150,000 sound, dependable used cars and trucks, taken in trade in the sale of part of the 1,000,000-odd new 1936 Ford V-8s produced this season.

A. Frank Fader, head of the Fader Motor Company, local Ford representatives, announced that his firm will participate in the sale as a continuation of the twenty-fifth anniversary event which opened September 11.

## PERSONAL TRIBUTE

When Dr. Ralph L. Lee, General Motors Corporation executive and principal speaker at the Delaware Safety Council campaign dinner last Monday night, lauded the almost 200 workers for their enthusiasm and wondered by what means so many people could become interested in such a movement, he was paying tribute to Walter Dent Smith, president-manager of the organization.

Every member of the seventeen campaign teams, from Chairman J. K. Johnston to the most humble worker, whether or not he or she realized it—whether or not the effort was put forth as a direct or indirect contact with the man, participated in the drive through Walter Dent Smith's personal magnetism. He's the right man in the right place.

Democratic, friendly and ever willing to extend a helping hand, when he issued a call for campaign workers his appeal was met with wholesome and immediate response. And the workers, inspired by the motive of the drive, did a great job. Back of them was Walter Dent Smith and what he needed he received.

Not only is he doing a wonderful job in national safety circles, but Walter Dent Smith is carrying on a program that has placed Delaware in the front rank of "safety states."

Ironically, while prominent people in such progressive sectors as New York, Pennsylvania, Connecticut, Michigan and others regard Delaware's safety record in awe, there are many people in sections of this state who look upon the Delaware Safety Council as a political organization.

But the institution is bigger than that and as such is doing a wonderful job. Walter Dent Smith as its active head deserves credit for his efforts. Two hundred workers were glad to give him the support he requested. It was a personal tribute to a capable man.

### Mae's Dilemma

Ask any crossword puzzler for a seven-letter word suggesting "Come on and see me," and instantly he'll reply, Mae West. That is just the trouble: on the basis of numerology and the astrological portends, Mae feels she needs an eighth letter, eight being accounted her lucky number. All she can think of is to add a "t" to make it "Ma(t)e West," and that wouldn't make sense, she is single, so I have been told. Other than that, Mae is confident that her new film, "Go West Young Man," has started under zodiacal auspices auguring its success. The picture started last month, August (eighth month) and exactly eight "name" players headed by Warren William, Randolph Scott, Lyle Talbot, Alice Brady and Isabel Jewell comprise her supporting cast.

Mae West

Improvement is reported in the condition of Mrs. Elsie Fisher, who has been ill for the past few weeks with a heart ailment.

### Grand Prize

The \$100 grand prize offered by the State Theatre last week was not claimed. The management of the theatre will again offer \$100 as first prize and \$25 second prize to the holders of the lucky tickets tonight, October 1. The \$1 winners last week were: Julia Dutton, Marie Egnor, Dorothy Gregg, David Wallrayen all of Newark and Janet Diebert of Elkton, Md.

### State Theatre House Notes Friday and Saturday

"Swing Time" the new Fred Astaire-Ginger Rogers musical is more generous to those who eagerly wait for the nimble-footed pair to present the last word in team dancing than any of their previous features. These two stars have danced their way into your heart in many films, now they will do the same in this production to the music of Jerome Kern. Victor Moore, Helen Broderick, Eric Blone and Betty Furness head the supporting cast.

Due to the length of "Swing Time" this theatre will not present a western film on Saturday.

### Monday and Tuesday

A queen whose destiny was written before she was born, and whose foretold tragedy established her as one of the most glamorous women of all time is portrayed by Katherine Hepburn in the title role "Mary of Scotland," which co-stars Fredric March, as the Earl of Bothwell. The treachery, the murders, the political maneuvering to control her marriages, the whispered slander branding her an immoral murderess that helped blast her from her throne, and all the dramatic incidents traced in the film were made inevitable because two blooded relatives were born with taint of illegitimacy.

KATHERINE HEPBURN

As an added attraction, the latest issue of "The March of Time" will be added to the bill.

### Wednesday and Thursday

"We went to College," whether you did or not, is a post graduate course in the art of hilarious comedy. It will appeal to every type of theatre audience because it has a laugh for all ages. The story concerns a typical American business man who goes back to his old college to attend a reunion. Primarily, he wants to sell the trustees an order of bricks for a new building, but the occasion promises a "bust" on the side, for diversion. He takes his wife with him and joins the old gang. One of his classmates, now a professor, is married to an attractive girl who has wearied of college scandal, but is averted by the humorous intrusion of a loyal classmate. Charles Butterworth, Walter Abel, Una Merkel, Hugh Herbert and Edith Atwater head the cast in this comedy hit.

### Double Meaning

Dr. Guberpea—An awful lot of girls are stuck on me.

Prof. Cornpone—They must be an awful lot.

## Church Picks Delegates To Attend Rally

(Continued from Page 4)

P.-T. A. Meets

The Parent-Teacher Association of the Marshallton Consolidated School met Monday night in the school auditorium with the new president, Mrs. Dora Clugston, presiding. A vote was taken on the adult education classes to be conducted at the school this winter and announcement of the result will be made later by the chairman, Mrs. Lillian B. Clark. The members also voted on the projects to be supported during the year.

A covered dish supper will be held preceding the October meeting in the school cafeteria.

The Rev. John M. Kelso, pastor, conducted the weekly prayer service last night in the Marshallton M. E. Church. The usual choir rehearsal will be held tomorrow night.

Improvement is reported in the condition of Mrs. Elsie Fisher, who has been ill for the past few weeks with a heart ailment.

Mrs. Estella Moore returned to her home in Richardson Park this week after spending several weeks with Mrs. Winfield Speakman.

New water mains were laid in Marshallton from the intersection of the Newport Pike and Capitol Trail at Cranston Heights, to the Marshallton station. About 20 men are employed on the project which is expected to be completed by October 15.

Rally Day will be observed next Sunday in the church school session at 2:30 o'clock in St. Barnabas' P. E. Church.

JOHN RAYMOND FADER  
Democrat

Rival candidates for seats in the State House of Representatives from White Clay Creek Hundred, Ramsey and Fader are engaging in one of the tightest political fights to be waged in Newark in several years.

Ramsey, a member of the Council of Newark, is advocating a refunding of the town's bonds at a considerable saving to taxpayers. The transaction requires approval by the State Legislature, which he will endeavor to obtain, if elected, he is promising voters.

Fader, who has been attending the American Legion Convention at Cleveland, has not announced any special platform as yet.

## League Meets

The Epworth League service was held in the Hockessin M. E. Church on Sunday evening. Mr. Fred Osborne, the fourth vice president of the league, was the leader. He gave a very interesting talk on "Friendship."

The Ladies Aid Society of the M. E. Church held a bake on Wednesday at the home of Mrs. John F. Jackson of Yorklyn, for the benefit of the Aid. On Wednesday, September 23, Mrs. Marian B. Garrett entertained the members of the Hockessin Card Club at a luncheon, at her home here in the village.

Miss Hettie Wilkins of Middletown was a guest at the home of Mr. and Mrs. Frank Elmer over the week-end. Mrs. Elizabeth Richards and friends enjoyed a week-end visit in the Pocono Mountains.

## PHONOGRAPH AIDS THOSE TOO OLD FOR BRAILLE

Talking machines, manufactured by the government, are being installed in blind institutions for persons too old to learn Braille or too feeble to spend long hours reading the raised type.

The machines are phonographs playing specially made records containing Bible passages, the works of Edgar Allen Poe, Shelley, Tennyson, Browning, Keats, Shakespeare and others.

## Crowded Card

Local sports followers will have a variety of activities to occupy their minds over the coming week-end as a crowded calendar is extended on both Saturday and Sunday.

Although the picture is comparatively blank insofar as action on Newark fields is concerned, there is plenty of activity involving local teams to attract the attention of the most enthusiastic devotees.

Not including the World Series, broadcasts of many football games and the races at Laurel, the calendar features Newark High's grid warriors in the official opening test (it looms as rigid, too) at West Chester; and the predicted slaughter of the University of Delaware's 1936 football team by Georgetown at Washington. Both are Saturday book-ings.

## Sunday Busy

Competing against the World Series on Sunday, if it lasts that long, will be the fifth and deciding game of the Bi-State League's post season series. And the surprising comeback of a battling Jacket team has aroused Newark's fandom as it hasn't been stirred in years.

Another Sunday affair to draw more than a small amount of attention from this town will be the double-header offered football fans at Fort duPont. The latest edition of the Engineers' pigskin outfit—and early signs point to its being one of the best—will stack up against the Penns Grove Red Devils at 1:30 and will follow against Wally Layer's Milmont Tigers from Chester in the nightcap. One admission covers both games.

So, if sports fans don't get the kind of an attraction they desire this week then we'd suggest they devote their attention to ping pong in the future. It can be played anywhere at any time, but who cares?

## Whiteman the Willing

Possibly there are better flingers in sandlot baseball than Paul Whiteman, but it's a cinch there are none with more heart and willingness to carry on in face of discouraging odds.

Small in stature, a physical fundamental that is generally regarded as a handicap for a flinger, the diminutive redhead has the heart and that indefinable something known as instinctual fortitude of a giant.

Both victories credited to Newark in the championship series with Perryville can be traced to Whiteman's great pitching. And on each occasion, Paul did his finest on the slab after the Pandours, unanimously favored at the start of the set to win at all, had piled up early leads.

With Perryville sporting a 3-0 margin last Sunday, Whiteman succeeded Jackson on the hill to outthurl a vaunted trio consisting of Jebb, Aiken and Jeffries.

Timely batting by Ernie George, Jack Daly and Vic Willis has helped the Jackets, but all would have been in vain without Whiteman's coolness under tremendous pressure. A great little guy who wears his laurels with modesty and grace, that's Paul Whiteman who deserves to go further.

R-W-R

## Unfortunate

Robert Aultman, a spectator at the Newark-Perryville game last week, was handed a fractured jaw when Bud Lloyd, Pandour third sacker, aroused at some real or fancied remarks, smashed him with a well-aimed right. The affair was unfortunate in every respect.

We know nothing of the merits or demerits of the case—whether the attack was justified or not—but fighting at anytime is bad stuff. It leads to situations wherein everyone involved is sorry at the conclusion.

Spectators, however, should learn to respect players for the things they endeavor to do. The effort's the thing, after all. Admission fees cover the privilege of watching a contest

## DECIDING SERIES BATTLE SUNDAY

## Soldier Eleven Set For Initial Appearance At Delaware City

JACKETS DEADLOCK CLASSIC AS  
WHITEMAN PITCHES GREAT BALL

Final Score Is 9-3 As Three Pandour Flingers Fail To Halt Aroused Newarkeers; Thirteen Hits Account For Margin; Spectator Smacked

By "The Roamer"

Lambasting the offerings of three Pandour pitchers for 13 solid hits, Newark's Jackets overcame a 3-0 enemy lead last Sunday at Oxford to defeat Perryville, 9-3, and deadlock the post season series for the championship of the Bi-State League.

Close to 700 spectators filed through the portals to form the largest crowd of the series to date. The fifth and deciding game of the classic set is scheduled for Sunday at Sam Cooper's spacious orchard with the opening toss billed for 2:30.

## Make Uphill Fight

Cleaver Potts' inspired charges, refusing to concede anything to the Perryville foe, sailed into the combined offerings of Jebb, Aiken and Jeffries to register the most one-sided conquest of the series.

Great relief pitching by Paul Whiteman, who succeeded Boney Jackson on the knoll with one out in the second frame, stopped the Pandours in their tracks after they had marked up a 3-0 advantage. He held the first-half champs to two hits in seven and two-thirds innings, walked two and retired eight on strikes.

Whiteman was in trouble in only one inning, the sixth, when two passes and a single loaded the bags with Pandours. He fanned Marquess, 1935 batting king of the loop who replaced Stan Bailey as a pinch hitter, for the final out of the session, however, without granting a run.

## Hit in Pinches

Timely hitting by the Jackets, once they found the range, swept the Bilemen into the discard. Cain led the attack with two singles and a double and Jack Daly contributed three important singles. George and Jackson figured in the scoring with a pair of hits each.

Concentrating their clubbing in four big innings, the Newark sluggers counted one run in the second, two each in the third and fourth and four more in the fifth.

In addition to his great work on the hill, Whiteman helped tie the score with a double in the second after Jackson had walked. They both checked in at the plate on sacrifice flies.

## Perryville Gets Lead

Foolish base running by Ryan and Bailey cost Perryville a pair of runs at the outset, although the Pandours fell on Jackson in the initial frame for three runs.

Cooney singled to left in characteristic style and took second on Lucas' sacrifice bunt. He crossed when Stan Lloyd singled sharply to right. Bud Lloyd followed with a fly to the same sector that fell for a triple and another run.

Ryan blasted another triple to deep center, counting the second Lloyd, but was erased at the plate when he attempted to stretch the drive into a home run.

Bailey opened Perryville's second inning with a double to left center and found the ball waiting for him at third as he raced for an extra base on the hit. When Goldey followed with a single to left, Jackson traded places with Whiteman and Perryville was through scoring for the afternoon.

## Jackets Get Going

Cain put the Newark team on the winning track in the last half of the deuce frame by dropping a long double against the right field wall at the start. After Roberts had grounded out, George singled to center for the first run.

Cain's third and Jackson's walk ahead of Whiteman's double to set the stage for the tying runs. Barrow hit a long fly to Bailey for one marker as Whiteman took third to Stan Lloyd. After Cain had singled to left, Jebb retired in favor of Aiken on the hill.

Laurel Track To  
Celebrate Birth  
With Good Card

With the closing of Havre de Grace on Wednesday, Maryland will be without racing until Saturday when Laurel Park opens for the Silver Jubilee anniversary of its founding.

It is a coincidence that the meet also should continue for 25 racing days, with five Saturdays featuring the session, which include nine stakes, four being for juveniles, one for 3-year-olds exclusively, a trio for 3-year-olds and up and one for the cross country brigade. These stakes have an added value of \$49,500, with two of them, the Selma, exclusively for 2-year-old fillies, and the Washington Handicap, the closing day attraction, each having \$10,000 added.

## Two New Innovations

Patrons of the second oldest racing mile plant in Maryland also will be introduced to two new innovations at the instigation of Frank J. Brady, general manager of Laurel Park. One is the electric "eye" for the placing of horses at the finish and the other is the reflection of the numerals on the infield electric board of the first five horses during the progress of each race.

Both innovations were used at the Empire City track, Yonkers, New York, during its July meet, and met with approval of the crowds. The "eye" worked so smoothly that no demonstrations against it were made after the pictures were shown on a board placed near the judges' stand for that particular purpose. By watching the infield board the fans always will have before them the changing of positions—if any—during the running of each event.

Work Progressing  
Rapidly on New  
Track At Stanton

Work on the race track being built by the Delaware Racing Association at Stanton is progressing by leaps and bounds as the six beautiful columns at the entrance gates on the Lincoln Highway were completed this week. Fencing at this entrance has also been finished and along the inside of the park drive beautiful shrubbery has been planted. A shrub fence and beautiful evergreen trees make an attractive entrance to the track.

Work on the road leading to Christiansa and Stanton is also well under way and the four columns and one highway gate have been completed. Excavators are engaged in the process of cutting an entrance for the Pennsylvania Railroad so that trains may run into the park. A steel bridge is also being built over the railroad entrance.

The fencing, hurdles and jumps have been completed on the steeplechase track. The main track is still under construction.

First Bowling League Opens Season at Local Pin Emporium

## LOOP OFFICERS NAMED

The first of four bowling leagues ready to open the 1936-37 season will swing into action tomorrow night at the Legion Alleys when the National Vulcanized Fibre Company's interplant circuit opens with three matches.

Headed by Jack Hopkins, the Newark plant team will engage Phenolite, while Wilmington squares off against Fibre Specialty and Kartavert battles Yorklyn. The league will perform locally every second week.

Manager Maurice Adams in charge of the alleys here has completed the opening cards for the Monday and Tuesday Night Leagues.

## Officers Elected

With J. M. Brown named president and Eddie Ginter elected secretary, the Monday Night circuit will see Kenmore Mills playing Delaware Legion; Elkton M. E. versus First Presbyterian of Newark; and Texaco against the Newark Country Club.

Daniel Stoll has been chosen as president of the Monday Night loop and T. A. Baker secretary. The circuit opens with Unity Lodge playing the Newark High School Faculty; Newark Lions opposing the University of Delaware; and Elkton pitted against the sixth starter as yet not named.

## Church League Ready

While Adams has not drawn the opening schedule for the Church League, which operates on Thursday nights, the circuit is intact and ready for the starting gun. Members of the loop are: Fair Hill, Ebenezer M. E.; Newark M. E.; and the First Presbyterian of Newark.

Some difficulty has been encountered in getting the fast Wednesday Night wheel organized for the campaign, but Clarence Hopkins, who is looking after the matter, promises a definite setup any day.

Present plans call for a Continental Diamond Fibre Company plant team, another outfit to represent Hopkins' Clothiers, the championship Elkton team, one club from Kennett Square and a pair of starters from Wilmington.

## maker Jack Fossett.

In the only other final match played, Don Hill trimmed Renshaw, 50-27, to advance within one-half game of overhauling his victim in third place.

Pierce, who has one remaining match to play, leads the finalists with 15 triumphs against two defeats. Cornog's mark is 14 and 2. The remaining players stand: Renshaw, 13-3; Hill, 12-4; and Hopkins, 10-4.

New "specs" are slipped under eyelids.

FORT GRIDDERS TO PLAY DOUBLE  
HEADER SUNDAY ON HOME FIELD

Penns Grove Red Devils and Milmont Tigers To Clash With Soldiers In Gridiron Dedication; Engineers Fresh From 25-6 Victory Over Fort Totten

Fresh from a 25-6 landslide over Fort Totten, the First Engineers grid combine, representing Fort duPont, will open its home season on Sunday with a double header. This twin attraction will dedicate the new gridiron which boasts of a grandstand with a capacity of 3,500 and promises to supply followers a full afternoon of thrills.

Following the first game with the Penns Grove Red Devils at 1:30, the Engineers are slated to swap punts with Milmont A. C., a formidable aggregation from Chester, Pa. The Tigers boast of a host of college stars and a team averaging 185 pounds. Leading the attack will be Walt Layer, end, Captain "Poke" Pokenis, tackle, and Johnny Kane, fullback.

## Visitors Strong

Layer was mentioned on several All-Eastern teams while playing for P. M. C. He is also a former Middle States A. A. U. heavyweight boxing champion. Pokenis learning his football at Mt. St. Mary's, while Kane proved his mettle when he was chosen captain of the St. Joseph's College team in 1933.

The Milmont club has lost only five games in the last four years. One of these was a 13-7 setback delivered by Fort duPont last year.

## Easy Victory

Displaying a powerful offense and overwhelming defense, the First Engineers ran clatted hooves over Fort Totten last Sunday as they swept to an impressive 25-6 victory over the Long Islanders.

The game was featured by the standout playing of "Bucky" Walters and Turner, both newcomers to the soldier eleven. Walters, playing at halfback, put on a great all-around performance and displayed a kicking prowess that will prove helpful in the future. Walters, in nine kicks, averaged almost 60 yards. One kick carried 80 yards. Turner, in addition to playing an outstanding defensive game at end, intercepted a Totten forward pass and outran the field to complete a 60 yard dash for a touchdown.

## Fath and Williams Hot

Fath and Williams also played great games. The latter scored twice on sweeping end runs of five and eight yards. Fath scored on an 8 yard slice through tackle after completing a 26 yard pass to Ryanbrand. He converted the kick for the extra point.

Totten's score came as a result of a 20 yard pass from Dillon to Swedo. Finding the duPont's line impregnable, the Long Island team was forced to use an aerial attack which also failed with only 6 passes connecting out of the 30 thrown.

## Turner Scores

The Engineers opened their scoring when Turner recovered a Totten fumble on their 8 yard line which was followed by a touchdown plunge by Williams. The try for extra point was bad.

Williams sent the duPonters in their way to a second touchdown when he took a Totten punt and advanced it 30 yards to the latter's 33 yard line. A pass, Fath to Ryanbrand, netted 25 yards and Fath was over for the marker from the 8 yard line. The try for extra point again failed.

Turner hung up the third marker when he intercepted an enemy pass and followed good blocking for 66 yards to cross the line. Fath kicked the extra point.

## FLASHES

By BILL FLETCHER

WITH THE BLUE HEN'S grid opener just two days away, there are plenty of speculations, queries, theories and predictions as to how the Delawareans will fare in the coming campaign.

Georgetown, ranked 127 last year, the Hen's initiator, will by no means prove a barometer for the season though the Hoyas might serve as a wrecking crew and cripple an exceedingly light local team at the beginning of the season.

We can only pray.

TWO FUTURE OPPONENTS took it on the chin last Saturday as St. John's was black jacked by Maryland 20-0 and P. M. C. bowed to Villanova 32-7. Randolph-Macon, also on the 1936 schedule, deadlocked with Richmond 7-7 while Mt. St. Mary's cracked down on Davis and Elkins 12-0 and Drexel walloped Juniata 34-7. The Hens meet the Mounts October 10 in the first home game and swap punts with Drexel on November 14.

FROM P. M. C. COMES the statement by Jud Timm, cadet mentor, who remarked in a letter following Saturday's landslide: "In our opening game against Villanova the P. M. C. team, to my mind, made a splendid showing despite the fact we lost 32-7. I had predicted we would do far better than we did last year because this season has far more reserve strength on the P. M. C. squad than they had in 1935."

"We were without the services of Bud Pollock, our best punter, and it was in the punting department that we failed in a great measure against Villanova because on three occasions we did not get the ball out farther than 27 yards."

"Finding our team was behind 21-7, I used every one of my new men just to see how they clicked. I was pleased with them and by the time we meet Delaware University at Atlantic City our team, I am sure, will be working far more smoothly."

Timm has spoken.

FROM ST. JOHN'S COMES the report that in the game against Maryland, the team "lacked the timing and aggressiveness necessary for their style of play. The defense was very spotty, showing a decided weakness in tackling and defense charge."

According to the report, in discussing last Saturday's game, "Coach 'Dutch' Lantz had nothing but disappointment to offer. He believes his squad has what it takes to make a good small college team but needs plenty of hard work and experience."

Parallel lines???

WITH THE DISPOSAL of the interfraternity relay, an action voted upon by members of the Inter-Fraternity Council last week, the school, town and state track fans may bid farewell to what might be included in the traditional elements of the University of Delaware. Undoubtedly the annual classic drew the interest with its competitive spirit, and thrilling performance but the feature makes its exit.

A bowed head for the exit with a doffed cap for the entrance of Intramural activities.

THE NAME of Willard Todd on the St. John's football roster brings to mind the old D. I. A. A. and the Bridgeville grippers who were responsible for the discontinuance of the old league. Todd, who hails from Elkton, is listed as a guard; height 6 feet, weight 183 pounds. According to reports, he is seeing plenty of action with the Annapolis club.

## Fort Gridders to Play Double Header Sunday

(Continued from 8)

Walters Dashes 20 Yards  
The fourth touchdown came when, with the ball on Totten's 43 yard line, Walters dashed for 20 yards on a nice run, Williams gained 6 yards on a Statue of Liberty play, and Turner added five more with a beautiful shoe string catch of Fath's pass. The latter then knocked off 7 more yards and Williams scored on a five yard sweep around left end. The try for extra point was bad.

According to Lt. Norman J. Campbell, Publicity Officer at Fort duPont, a full afternoon's entertainment will be available Sunday when the Engineers play their double header. The post band will also be on hand and many forms of amusing entertain-

## BLUE HENS FACE TOUGHEST OPPONENT SINCE ARMY

Georgetown First Major Opponent Since 1933; Local Eleven Lightest In Years; Clark Plans Signal Drills In Effort To Develop Coordination

By Bill Fletcher

With Georgetown University the first 1936 foe, Coach Lyal Clark's University of Delaware grid team will gird its loins Saturday to face the toughest opponent since the Blue Hens were submerged by a powerful Army team 52-0 in 1933 and held a strong Navy aggregation to a 12-7 count in 1931. (Statistics furnished through the courtesy of J. Fenton Daugherty.)

With the lightest backfield in years, averaging approximately 155 pounds, and with a line tipping the scales at an average of about 175 pounds, the Hens find themselves facing a much heavier and more powerful Hoya team.

Slated to start in the backfield will be Dick Roberts and Fenton Carey at the halfback posts, Hammel in the bucking position and either Tommy Ryan or Lew Carey at quarterback. According to Coach Clark, however, most of the backs will see action in the first tilt including Viden, Ramsey and Graham, all freshmen.

## Hodgson At Guard Post

Captain Jack Hodgson, fiery Blue Hen lineman will occupy a guard post with Frankofski and Payne probable starters at the opposite position. Frankofski is suffering from an infected shin bone which may keep him out of Saturday's contest.

At the pivot post will be Jim Dillon, veteran center, who is noted for his outstanding defensive play. At the tackle berths will be Charlie Schwartz and "Swede" Drodzow, both veterans of past campaigns.

For the wing posts Clark will select from four ends including Joe Seannell and "Teedie" Wilson, both veterans; Jack Daly, a member of last year's J. V. team and Stan Manista, a former Sally star who re-entered Delaware this fall.

## Light Practice

Clark plans no rough work for the squad the rest of the week and drills will be confined to light workouts in an effort to present all available strength in the first fray. Signal drills, pass defense, and blocking and tackling work will be the extent of the practices this week.

According to Clark, the backfield lacks coordination and timing and the execution of plays is ragged and unfinished. Much time will be spent this week on perfecting the signal drills.

High School Ties  
Millville; Locals  
Set For First Tilt

By LeRoy C. Hill, Jr.

(High School Sports Correspondent)  
Coach Gillespie's "Yellow Jackets" traveled to Millville last Saturday to be met by a strong team which completely stopped Newark's offensive drives. Millville, which boasts one of the finest teams in South Jersey, played an outstanding defensive game and at times displayed a flashy running attack that forced the local lads to retreat.

## Close Call

Taking the ball on their own 40-yard line, Millville, on a sustained drive, worked the ball to the Newarker's one-yard line, where it was fumbled and recovered by Doordan, diminutive Jacket quarterback. This was the only opportunity that either team had to score.

Outstanding performers of the afternoon were Bob Ewing of the local eleven and "Reds" Cassaboon of Millville. Ewing, although new to the end position, played a good defensive game. Cassaboon, Millville tackle, stopped the Newark running attack almost single handed with his sparkling defensive work.

## Play West Chester Saturday

Coach "Gloomy Gill" Gillespie feels that his squad will have to work hard to get in shape for Saturday's game with West Chester which is reputed to be one of the strongest teams in the history of the school. Opening their season last Saturday, they scored a decisive 33-0 victory over North Coventry High, former county champions.

The starting lineup for Saturday's game, as announced by the Newark mentor will be: ends, Ewing and Egner; tackles, Skillman and Gregg; guards, Crater and Robinson; center, Hancock; quarterback, Doordan; halfbacks, Truet and Brooks; and fullback, George.

## BLUE HEN GRID PROSPECTS

Introducing  
GEORGE GLYNDON WARE

"Fritz," a Glassboro, N. J., turnout, enters the University of Delaware with plenty of athletic experience behind him. The rangy tackle prospect tips the beam at a mere 133 pounds and dents the ether to the extent of 6 feet 3 inches. He is 21 years of age. His entrance into the local institution follows three years of hard labor on a milk truck so it looks like Fritz is an early bird, even if he is a little late arriving in Newark.

As a three letter man at Glassboro High School, he performed on the football, basketball and track teams. During the course of his education he grabbed three letters in basketball, two in football and one in track.

His achievements were not confined entirely to the athletic field for this Blue Hen prospect served as president of his class during his junior and senior years.

Fritz also took time out from his many activities to play the part of the butler in "Happy-Go-Lucky," the class play.

Delaware sport fans will have to keep a weather eye open for this prospective griddier.

## ED BARDO IS REPLACED AS SOCCER HEAD

Change Made Upon Request;  
32 Booters Greet Bowdle  
In First Drill

## OPEN AGAINST TEMPLE

Edward C. Bardo, coach of the University of Delaware swimming and soccer teams, last week announced his retirement from the latter sport in favor of Andrew H. Bowdle, instructor of Physical Education. Bowdle's appointment came following Bardo's recommendation to the Athletic Council. Numerous duties entailed following his promotion to acting head of the Physical Education Department resulted in Bardo's relinquishing his soccer duties to the new coach.

## 32 On Squad

Thirty-two candidates greeted Bowdle at the first practice held last Tuesday, among which were eighteen men back from last year's squad. Included among the experienced booters were: Captain Jim Hickman, Sudlar Emerson, Bernie Doordan, Frank Elliott, F. H. Smith, J. G. Smith, Sam Grayson, Bill Bant, Bill Moore, Bob Lippincott, Tom Pennoek, Jim Tyler, George Vappa, Gene Harkins, Earl McCord, Randy Eastburn, E. J. Wilson and George Grant.

Freshmen who reported for the squad were: Virdin, Henning, Mai, Layton, Thompson, Anderson, Steelman, Geffill, Tingle, Timme, and Humphries.

"Tubby" Arronoff dropped from the football squad to report for soccer. Howard Dunlap, a junior, also reported for the initial practice.

## Schedule

The season opens against Temple on Friday, October 9, at Frazer Field. ## Jackets Deadlock Classic as Whiteman Pitches Great Ball

(Continued from 8)

No further damage was done in that stanza.

## Aiken Gets Bumps

The flashy Forham finger was no puzzle to the Jackets, however, who took the lead in the fourth.

George opened with his second single to center and took third on Bridgewater's sacrifice. Daly singled him home and took second on a throw to the plate. He scored on Jackson's one-base blow to center.

Jeffries was Perryville's pitcher in the fifth and the entire Jacket assemblage had faced him ere the massacre ended. Barrow and Charashe went down on infield rollers as the calm-before-the-storm start.

Cain and Roberts singled and George walked to fill the bags. Bridgewater did a Jesse Owen on his slow hopper to Cooney for a hit as Cain counted. Daly's single to left admitted Roberts and George and Jackson doubled to right to score Bridgewater.

## Fight Enlivens Things

Incensed at a constant "ride" being handed him by spectators along the third base line, Bud Lloyd, Perryville's guardian of the hot corner, dashed from second base at the conclusion of the Pandours' sixth to sock a spectator, whom, the player claimed, became too insistent in his remarks.

The victim of the assault, reported to be a soldier from the Aberdeen Proving Grounds, named Robert Aultman, was knocked cold. Later reports state that he is being treated for a fractured jaw.

Lloyd, warned by the umpires, was permitted to remain in the ball game.

## State Police Continue Drive for Registrations

The police drive against motor vehicles which have not been inspected and approved is continuing together with suspensions of the registrations of these cars.  
 All motor vehicles which do not display the official 1936 approved stickers are being halted by the police. The driver in each case is being given a five days' notice during which period the car must be examined and approved. Failure to accomplish this end results in the suspension of the registration under the State Motor Vehicle laws.  
 Safety lanes are being maintained in Wilmington, Dover and Georgetown.

It is almost 400 years since the lowly potato became recognized as an edible vegetable.

## Big Margin for Landon In Post's "Straw" Poll

(Continued from Page 1)

Roosevelt. Twenty-nine states reported partial figures in the early returns.

The trend is Democratic in the senatorial and gubernatorial fields, however, as New Dealers hold a total margin of 3,548 to 2,638 in the former, and 3,994 to 3,636 in the latter.

according to the first national check up.  
 Republican leadership again asserts itself in the straw voting for Congressmen as G. O. P. candidates hold a combined edge of 3,573 to 3,506.

A total of 13,167 votes have been reported with the balance going to the Republican side in eighteen states while the Democrats hold the lead in eleven states. Returns from Newark are the first reported in Delaware.

## New Digest Ballots

Individual ballots have been mailed to voters in Newark and nearby communities in the new LITERARY DIGEST poll of over 100,000 persons to ascertain who will be the next President of the United States. The votes should be distributed by the local post office within a few days, according to advice received this week from the magazine's publishers.

Delaware's returns in this 1936 referendum will be tallied as a unit so they may be compared with the voting in other states, it is announced. The voting of the post-card ballots is secret as no signature or other identification is required and the return postage is paid by the magazine.
