### THE AMERICAN SOCIETY OF CIVIL ENGINEERS

A particularly valuable and interesting program of activities was sponsored by the Delaware Student Chapter of The American Society of Civil Engineers during the past year. Field trips were taken to see such projects as the Delaware Bridge, the Chesapeake Bay Bridge at Matapeake, Maryland, and the Eastern addition to the Pennsylvania turnpike. These trips were enthusiastically received by the Engineering School.

A two-day journey to Washington for the convention of the American Concrete Institute was another of the year's highlights, as was the panel discussion on employment opportunities, which was sponsored jointly with the other societies. Monthly meetings were held with movies and speakers from industry.

### AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS and INSTITUTE OF RADIO ENGINEERS

The purpose of the student branch of the American Institute of Electrical Engineers and the Institute of Radio Engineers is to enable the student to improve his outlook on his future job. This is accomplished by field trips and by having experienced engineers speak at meetings.

Mr. H. S. Bueche is faculty advisor and the officers are: Chairman, Richard S. Ditto; Vice-Chairman, Richard W. Nielsen; Secretary AIEE, Dorothy E. Walsh; Secretary IRE, Frank E. Farmar; Treasurer, Robert V. Saunders.

## AMERICAN CHEMICAL SOCIETY

The University of Delaware Chapter of Student Affiliates of the American Chemical Society was organized in 1940 for students of chemistry and chemical engineering. This organization gives students anticipating a career in chemistry an opportunity to familiarize themselves with the chemical world through guest speakers who are experts in various phases, by making field trips

to chemical plants, and by attending local section meetings of the Society.

The student affiliates receive a subscription to the official weekly publication "Chemical and Engineering News" and are able to subscribe at reduced rates to other journals published by the A.C.S.

## ENGINEERING COUNCIL

The Engineering Council, composed of two members each from the four professional societies and one from Tau Beta Pi, the honorary engineering association, was formed in May, 1950, to coordinate the functions of these five organizations.

The Engineering Council will publish a periodi-

cal magazine of the school of engineering, probably to be called "The Delaware Engineer." The annual Engineers' Ball was staged by the Engineering Council as one of its functions as the coordinating group for extra-curricular activities.

## AMERICAN INSTITUTE OF CHEMICAL ENGINEERS

The purpose of the local chapter of the American Institute of Chemical Engineers is to broaden the views of chemical engineering students and to promote interest in fields outside the class room. The chapter accomplishes these aims by having outstanding engineers speak at meetings, organ-

izing field trips to industrial plants, and sponsoring picnics and other social functions. An award to promote scholarship is given annually to the Junior having the highest scholastic average for the first two years of college work.

## A. S. M. E.

The Delaware student branch of the A.S.M.E. is riding high among student groups with an active membership of about one hundred students including practically all Senior mechanical engineers. Mr. Frank Drechsler is faculty advisor, and this year's student officers are as follows: Linwood C. Robinson, President; Alfred J. Lezenby, Vice-President; Haight H. West, Secretary; Edward J. Fahey, Treasurer.

The monthly meetings, which usually feature speakers or films, often are preceded by dinner in the Banquet Room at Old College. Some part of all meetings is reserved for entertainment and refreshments, but the high spots of the year are Engineers' Ball and the spring picnic. A.S.M.E.-sponsored field trips and intramural sports also served to lighten the engineers' busy schedules.

## PSI CHI

Psi Chi is the National Honorary Society in Psychology on campus. Its purpose is primarily to advance the science of psychology and secondly to encourage, stimulate and maintain scholarship of the individual members in all academic fields, particularly in psychology.

The organization known as Lamda Chi was originally formed in April, 1950 at the suggestion of Arch Horner, a graduate student in Chemistry. The purpose of the society is to found a local fraternity and to petition a national fraternity for recognition as an established chapter.

A constitution was drafted patterned after the constitution of Lamda Chi Alpha, national fraternity. In September the new members were admitted. Professor John Heuberger of the School of Agriculture was asked to act as adviser when Lt. Col. Osborne was called to active military duty elsewhere.

## WOMEN'S AFFAIRS COMMITTEE

The Women's Affairs Committee is a representative group elected by the resident and commuter women of the University. In addition to legislative and administrative duties, it acts as a court and adviser. Social activities such as coordinating and

planning May Day and Women's Week-end are also included. With the help of Dean Rextrew, the committee is trying to improve campus conditions, commuter relationships, and dormitory life.

## BOLETUS

This year for the first time Sophomores were living in Boletus. Though they were a small group, the girls of Boletus were very social minded and active. They had bridge parties, birthday parties every month, and joint affairs with New Castle during the year. Also they took part in W.A.A. sports, the E-52 productions, and worked on the Review staff. The House officers were: Head of House, Joan Greenfield; Social Chairman, Shirley King; Hall Duty Chairman, Charlotte Hutson; Chairman of Quiet Hours, Helen Macklin; Neatness Chairman, Judy Weiss; Head of Sports, Mary Lou Bice.

## HANOVER HOUSE

The first big event in Hanover Hall was the hilarious costumed Halloween party. After this came the two parents' teas, November 5th and 12th, when 163 parents and guests were entertained.

Everyone in Hanover was honored when the girls there were chosen to help form the band formation for the Washington and Lee football game. Our biggest project of the fall was the football display for Homecoming Weekend. Al-

though Hanover did not win, the girls had a wonderful time making it and were proud of the results. A Christmas party finished off the events for 1950. More activities like parties, Women's Weekend and the Interdorm Playbill kept the girls busy during the second term.

The Student Head of House was Birgitte Gregersen and the House Director is Mrs. Paulina S. Forwood.

## THE KNOLL

The Knoll has for a long time played an important and varied role on the University of Delaware campus. The big white house with the attractive sloping lawn was for many years used as a home for the University president and his family. Dr. S. C. Mitchell, then president, lived in the Knoll from 1917 to 1920. Later Dr. Walter Hullahen and his family resided here for more than twenty years. 1945 brought a wave of veterans to the campus and to provide for the overflow, some of them were housed in the Knoll. The following year, the house on the hill was temporarily turned over to

the Home Economics Department for use as the Home Management House. President Carlson and his family spent a year in the Knoll.

In 1948 the Knoll was opened as a dormitory for girls and so it has continued for three years.

This year the social activities of the Knoll have been combined with the newly established Mosher Hall and New Castle Annex. These activities included caroling, parties, and the women's playbill.

The small group of girls living at the Knoll this year was composed entirely of sophomores

## NEW CASTLE HALL

The girls of New Castle Hall have spent another wonderful year filled with many dormitory activities. The first special event of the year was the fall Homecoming Party during which all of the girls in the dorm met and really got to know each other for the first time. Other outstanding events included a Halloween Party, Open House, which was especially enjoyed by the girls and their dates, a Christmas Party, the Big-Little Sister Party, the annual Parents' Tea Party for the Commuters affiliated with New Castle, a costume party and other informal gatherings.

Also enjoyed by the girls were the Sunday teas given every other week-end.

New Castle girls were active during the year in the W.A.A. Inter-Dorm tournaments and in many other University activities.

Mrs. Lillian Margerum is House Director; Miss Joan Gearhart, Assistant House Director. The House Council is comprised of the following: Student Head of House, Susan Brown; Assistant Head of House, Martha Forsythe; Social Chairman, Alice Jane Matthews; Neatness Chairman, Rae Priestley; Hall Duty Chairman, Betty Boyce; Fire Captain, Patricia Fleming; Sports Manager, Ann Catts; and Playbill Chairman, Barbara Baker.

## MOSHER HOUSE

A need for dormitory space for girls became imperative so the house at 46 Delaware Avenue was then converted to house twenty-two girls, plus a House Director. The house had previously been occupied by Dr. Mosher and his family. Thus, the dormitory immediately became known around campus as the Mosher House, and the girls decided not to change it.

Eleven of the girls are transfer students from other colleges and junior colleges. Miss Terry Ryan, a graduate student in biology, is the house director. The student head of house is Adrienne

Ayres, assistant head of house is Isabel Brown, and the social chairman is Joanne Kowalewski. The rest of House Council consists of the following: Virginia Trader, quiet hour chairman; Mary Brown, fire captain; Norma Wirsing, neatness chairman; and Charlotte Kessler, Hall Duty chairman.

The girls are now working on a project for the Red Cross, which they hope to complete by June. It consists of knitting scarfs, afghans, and making little toys.

## SUSSEX HALL

Sussex Hall, the newest of the three south campus dormitories, is the home of sixty-five women students. Dormitory life, important in any college life, is particularly important in a non-sorority college where the dormitory is the center of social programs. The social activities this year have included Halloween, Winter, Christmas, Spring parties, and numerous birthday parties, a tea for President Perkins and a parents' tea, women's week-end, playbill and chorus, inter-dormitory

volleyball and basketball and many informal social gatherings.

Mrs. Ethelene Smith is House Director; Miss Marjorie Webb, assistant. The student officers are: Genevieve Corrin, Head of House; Sue Conway, Social Chairman; Ruth Webb, Treasurer; Frances Saffo, Fire Captain; Constance Hooven, Neatness Chairman; Kate Leggett, Quiet Hours Chairman; Mary Ann Biter, Hall Duty Chairman; and Joan Leahy, Sports Chairman.

## TOPSY HALL

The twenty freshman girls of Topsy Hall were all one big happy family within a short time after they arrived in September. One of the first duties was to elect the House Council for the year which consisted of: Head of House, Carolyn Clift; Social Chairman, Jane Banks; Sports Chairman and Fire-Captain, Julie Richardson; Quiet Hour Chairman, Pauline Pepper; Hall Duty Chairman, Janet Smith; Neatness Chairman, Jo Anne Yerkes.

Activities included a Halloween party on October 30 to which Turvey girls were invited, and on November 17 Topsy won Honorable Mention for their Homecoming Weekend decorations. The Topsy girls also were busy with a Scavenger Hunt and Dance, a Parents' Tea, and a Christmas Caroling Party, plus more parties, Playbill work and WAA sports during the Spring Term.

## TURVEY HALL

After unpacking, and settling in our rooms in September, the girls of Turvey Hall had a get acquainted party and elected as officers: Pat Locrone, head of house; Jeanette Taylor, social chairman; Marjorie Snyder, quiet hour chairman; Peggy Mooney, fire captain; Lucy Lashar, neatness chairman; and Marjorie Shank, hall duty chairman.

Our first big project was to plan our decorations for Homecoming Weekend. They included a cardboard Bucknell football player chased by the Blue Hen holding a match and saying, "We'll match you, Bucknell." The next big event was

our Christmas party at which we exchanged gifts both humorous and practical. Throughout the year, our social chairman planned a party each month for those who celebrated birthdays during that time.

On February 18, a tea was held for the parents of the girls. One of the biggest events of the year was Women's Weekend, and we all joined in on the plans for making it a big success.

Turvey was represented on the Topsy-Turvey volleyball team, coming in second in the tournament, and we also had a basketball team.

## WARNER HALL GIRLS

Warner Hall was erected in 1914 and was at that time called Residence Hall. Later the name was changed to Warner, in honor of Mrs. Emalea Warner who devoted so much of her time and money to the Women's College.

Although Warner Hall is not a strictly Senior dormitory, most of the girls look forward to spending their last year in this outstanding building. The dormitory is beautifully furnished and is the center of many campus activities. It houses eighty-three girls and has rooms to accommodate two, three, or four girls.

Mrs. Rose Derrow is the House Mother for Warner Hall. She was aided by the House Council

which included Ruth Ann Stevenson as Student Head of House, Libby Houston as Social Chairman, Mary Lou Kocher as Hall Duty Chairman, Edie Branin as Quiet Hour Chairman, Grace Schiltz as Treasurer, and Jill Myers as Fire Captain.

This year has been an exceptionally active year for the girls of Warner Hall. We have been very busy giving teas, house parties, and working on the Play Bill. We have also had lots of fun participating in the various sports activities on the lower campus.

We leave Warner Hall with sadness, but the friends that we have made and the good times that we have had will be lasting memories.

Dean Amy Rextrew presents the winner's cup to Sue Brown, Head of House in New Castle Hall, after the Playbill, while co-chairmen, Alice Jane Mathews and Sue Conway look on.
