

## Park Place School Opening Postponed Until Next Monday

Delayed Receipt of Building Fixtures Delays Scheduled Thursday Morning Debut; Other School Buildings Open On Schedule With All-Time Record Pupil Enrollment

Students attending the new West Park Place elementary school received an unexpected reprieve this morning when the scheduled opening of the 13 classrooms in the new building was postponed until Monday. Otherwise throughout the school district, schools opened as scheduled today, with day sessions continuing through tomorrow and schedules to be resumed on Monday.

### Vice-Commander

## Dr. Carl J. Rees Elected National Vice-Commander

Local Man, U. of D. Dean  
Honored at National Legion  
Convention in Washington

Dr. Carl J. Rees, dean of the graduate school, University of Delaware, was elected one of five national vice commanders at the national convention of the American Legion in Washington last week.

On a national level Dr. Rees has served on the national executive committee, the convention committee, the advisory committee, the relations committee, 1952-53, as chairman, liaison committee, 1953-54, and as a member of the National commander's advisory committee.

Dr. Rees received his B.A. at Franklin and Marshall College, his M.A. at the University of Pennsylvania, and his Ph.D. at the University of Pennsylvania. He has been chairman of the committee on printing and publishing of the American Mathematical Society and on the governing council.

He is also a member of Phi Beta Kappa and Phi Kappa Phi, the American Mathematical Society, the Institute of Mathematical Statistics, the Operations Research Society of America, and the Society for the Advancement of Science. Dr. Rees is in addition a member of the executive council of the Diocese of Delaware of the Protestant Episcopal Church.

On his post level, the Postum Post, sponsored by Daniel Post, Dr. Rees has been vice commander and commander. On the Department of Delaware level he was Department Commander in 1947-48.

## Newark's Ninth Antique Show To Be Held Sept. 22, 23, 24

Chairman in charge of the ninth annual Newark Antique Show are completing arrangements for the event, which is to be held in the Newark New Century Club on September 22, 23 and 24, from 11 a.m. to 5 p.m. daily.

Working with Mrs. Gilbert Chase in preparing the attractive, informative programs are Mrs. C. M. Landon, Mrs. Robert Osterloh, Mrs. David Hume, Mrs. Alvin B. Roberts, Mrs. A. H. Able, Mrs. W. H. Harris, Mrs. C. N. Clark, Mrs. James H. Jones, Mrs. M. C. Bailey, Mrs. John Elliott.

## Chrysler Submits Defense Dept. Bid For Tank Contract

Newark Plant Official  
Announces Submission  
Of Patton Bid, Sept. 1

Irving J. Minett, operating manager of the Chrysler Delaware Tank Plant, said yesterday that Chrysler Corporation has submitted to the U. S. Defense Department its bid on the contract for additional production of Patton 48 medium tanks.

Defense Department officials previously announced that bids on the continued production of the tanks had been solicited from General Motors Corporation, sole producer of the Patton tanks at this time, and other manufacturers who had previously produced these vehicles but were now on a stand-by basis.

Chrysler and Ford Motor Company formerly made the Pattons, while the local tank plant also produced the T-48. The latter is a 60-ton monster, the heaviest tank ever produced in volume by this country.

Defense Department officials did not reveal the number of tanks involved in the new contract. The additional order for the vehicles is part of a \$266,000,000 program calling for production of additional tanks and other vehicles.

Mr. Minett said that Chrysler's bid was submitted on Sept. 1 in accordance with Defense Department directives and that it probably would be some time before any notification would be received concerning the award of the contract.

"We are happy to have had the opportunity to bid on the additional production of the Patton 48 tanks," Mr. Minett said. "During World War II Chrysler pioneered the mass production of military tanks and became the nation's largest producer of tanks, turning out over 25,000 vehicles of 12 different types. We welcome this chance to bid and hope to continue actively in this phase of the nation's defense effort."

At the present time the local plant is actively engaged in an extensive modernization program whereby latest engineering improvements are incorporated into previously built tanks.

## Aetna To Compete For Coveted Cup At Milton Parade

Volunteer Firemen Plan  
To Attend Convention;  
Stand-by Aid Provided

The Aetna Hose, Hook and Ladder Company will seek to win a second leg on the Governor's Cup at Saturday's state convention in Milton, but Newark will be provided with a stand-by aid during the parade.

President George M. Neighbors has posted an appeal for as many men as possible to represent Aetna in the Milton parade. At the same time, he has assigned two drivers to the parade of other firemen to stay behind in case of a fire.

The Governor's Cup is for the combined achievement of "most men in line" and "making the best appearance." The Aetna volunteers won their first leg on it at last fall's Holloway Torrance convention.

Besides the marching unit of men, Aetna will be represented at Milton by its band, majorettes, and an auxiliary marching outfit.

Buses will leave the firehouse at 10 a.m. Saturday.

Delegates to the convention business sessions on Friday will be Chief John C. Cunningham, First Assistant Chief Clifton T. Knotts, and Second Assistant Chief Olan R. Thomas.

## Newark Soldier Receives Korean Service Promotion

Kendrick Rand, 22, son of Mr. and Mrs. Nathaniel P. Rand, Paper Mill Road, Newark, recently was promoted to sergeant while serving in Korea with the 25th Infantry Division.

Rushed to Korea during the early days of the conflict, the "Troop Lighting" division took part in some of the most bitter fighting on the peninsula. It is now undergoing intensive post-trauma training.

In the Far East since June 1953, he entered the Army in December 1952 and completed basic training at Fort Riley, Kan. Rand is assigned as an operations sergeant.

Miss Dora Gibb and Mrs. J. Harvey Dickey, of Newark, will serve as departmental historian and finance chairman, respectively during the year.

## Brookside Elementary PTA To Hold Sept. 15 Meeting

The first meeting of the Brookside Elementary School PTA will be held Wednesday, Sept. 15 in the Brookside school building at 8 p.m.

Wm. Cook, president, will present the officers for the coming year and will also discuss the PTA.

## Newark Youth Wins Wings

A Naval Aviator's "Wings of Gold" and his commission were awarded to Navy Ensign Donald L. Boyden, son of Mr. and Mrs. Makary L. Boyden of Newark, as his mother looks on. Boyden attended the University of Delaware prior to entering the Naval Aviation Cadet program through the U.S. Naval Air Station, Willow Grove, Pa.

The presentation is made by Rear Admiral Dale Harris, USN, Chief of Naval Air Basic Training, during ceremonies held at the U.S. Naval Air Station at Pensacola.

## CD Textbooks To Be Distributed In Fall To All Schools In State

A new textbook to guide teachers in making Civil Defense themes an integral part of the curriculum in Delaware schools has been written by the State Department of Public Instruction, and the book will be distributed early this fall to the 4,000 teachers in the state's public and private and parochial schools.

Designed primarily as a teacher's guide, the book is a concise, sound introduction of Civil Defense and its relation to the curriculum. It contains planning touches all phases of modern life, Dr. Preston Lee, State Civil Defense Director, said today in announcing plans for printing and distributing the publication in manual form.

"Of particular importance are the book's recommendations for tying in Civil Defense facts and philosophy with curriculum subjects, such as citizenship, science, history and health at all grade levels," Colonel Lee said.

"If this teaching plan is followed, Delaware's youngsters, from the very start of their school careers, will begin to understand how Civil Defense affects all aspects of daily living and is going to be a continuing part of our existence in the foreseeable future."

The book, which lays down a teaching plan extending from the elementary grades through senior high school, was prepared under the direction of Dr. George R. Miller, Jr., State Superintendent of Public Instruction, who also heads up the school Civil Defense Division in the State.

A group of educators worked for two years compiling the book. Though chiefly intended as a teacher's guide, it may also serve as a text for students.

At the outset, the book points out, "...one of the State's schools are inadequately organized for Civil Defense. There are even a few of our school folk who consider Civil Defense no more than a minor extension of the traditional fire drill and something requiring no real conceived, closely-knit organization within the school."

Hot Spots

"Such persons may not know that the Federal Civil Defense Administration has designated Wilmington as a primary target; all of New Castle County as a critical target area; Dover as a secondary target; and the remainder of Kent County as a target area. With two of Delaware's three counties indicated as vulnerable, it should be clear why all citizens of the State must rally to the Civil Defense cause."

American Legion Auxiliary Plans Executive Meeting

The American Legion Auxiliary, Department of Delaware, will hold its first executive meeting of the year in Millsboro on Saturday, Sept. 18, beginning at 12:30 o'clock, with Mrs. Joseph Lofland, newly-elected president, presiding.

Mrs. Conrad K. D. Lewis, of Newark, will be installed as New Castle County vice-president. Mrs. Lewis has served the Department as vice-president, recording secretary, and as secretary to the president.

Mrs. Lewis has contributed to the successful program of the local unit in two terms as president, and by her work as chairman of various committees.

Miss Dora Gibb and Mrs. J. Harvey Dickey, of Newark, will serve as departmental historian and finance chairman, respectively during the year.

Newark Insurance Agent Completes Special Course

T. J. Pellegrone of Newark, was among the 18 agents of State Farm Insurance Companies, Eastern Region, who recently completed a four-day training course of instruction in the "Basic Life Insurance" school conducted in Richmond, Va.

The school was attended by agents representing the states of Virginia, Delaware, Maryland and the District of Columbia, which comprise the Eastern Region of the company.

During his stay in Richmond, Mr. Pellegrone received instruction in the various phases of life insurance marketing including servicing the various types of claims as well as the many different types of policies offered.

Local Instructor, Author Of Magazine Dog Feature

Hugh Pendexter III, instructor of English at the University of Delaware, is the author of a humorous feature in the August issue of the national magazine, "Popular Dogs."

Dr. Pendexter describes the exploits of his 70-pound, black standard poodle in amusing fashion. "Hannibal Goes to College," a description of his poodle's introduction to students and professors on the campus of the University of Delaware.

## City Dump Fires To Be Curtailed By Legal Action

Unauthorized Burning,  
Garbage Disposal, Rats,  
Shooting, Menace Area

The Aetna volunteer firemen were called out eight times last week to combat fires blazing on the city dump near Brookside.

Not only are unauthorized fires being started on the dump, Acting Mayor Samuel L. Diehl Jr. reports, but garbage is being dumped in the area against all regulations.

Complaints have been received from Brookside residents, concerning bullets ricocheting in the area as the result of unidentified persons discharging firearms at the city dump property, and it may be that the garbage is deposited as bait for the rat-hunting riflemen.

Mr. Diehl warns that the property will be posted and any trespassers will be prosecuted, with law enforcement by State Police.

"These unnecessary fire calls are expensive," the Acting Mayor said yesterday, "and the Newark volunteer firemen have more than enough to do without answering unnecessary alarms—I say 'unnecessary' because the only authorized burning at the city dump is done under the direction of city employees."

"On Friday evening," he continued, "the fire was of such magnitude that a bulldozer was employed to bury the fire. The fire engines were stymied, and the smoke hung like a pall over the whole neighborhood."

## Soroptimist Club To Begin Season's Activity Sept. 14

New Officers To Conduct  
Initial Meeting Of Year;  
Year's Chairmen Named

The 1954-55 season of the Soroptimist Club of Newark gets underway on Tuesday, Sept. 14 with dinner at the College Inn at 6:15. The business meeting will be conducted by Eleanor Reed, new president.

Other officers who will serve for this year are Beatrice Hartshorn, vice-president; Sara Wiley, recording secretary; Hazel Lyman, corresponding secretary; Helena Barker, treasurer; Gene Menech, assistant treasurer; and Anne Patterson, and Edna McMullen, directors.

Essentially a service club, Soroptimist club members play an important part in club affairs.

Edna Campbell, assimilation and membership; Eleanor Reed, attendance; Helena Barker, budget; Dorothy Bridgewater, classification; Edna McMullen, historian; and Sara Wiley, hospitality.

Elizabeth Worrall is chairman of international understanding and goodwill; Beatrice Hartshorn, legislation and program; Cornelia Myler, publicity and press; Katherine Jones, service; Dorothy Patterson, United Nations; and Florence Harris, ways and means.

Local Boy At Fort Riley With 10th Infantry Div.

Cpl. James E. Wollaston, 20, son of Mr. and Mrs. George W. Wollaston, 341 S. College Ave., Newark, is now serving with the 10th Infantry Division at Fort Riley, Kan.

Corporal Wollaston, a member of the 87th Regiment's Company H, attended the University of Delaware before entering the army in May 1953.

## Women's Republican Club Schedules First Meeting

Members of the Women's Republican Club of the Newark area will hold their first meeting of the season next Wednesday, Sept. 15, at 8 p.m. in the Odd Fellows Building on East Main Street.

Mrs. F. A. Wheelers, program chairman, has arranged for the women of the Newark area to meet with others from their district, and plans will be made concerning the coming election so that each woman may know exactly how she may best assist. Those planning to attend are urged to bring pencils and notebooks.

Mrs. Henry Wolf and Mrs. E. C. Mahanna will present details of the forthcoming election and will be in charge of the district groups.

Mrs. Russell Hardy, chairman of the hospitality committee, will be in charge of the social hour.

## Newark American Legion Unit To Observe 25th Anniversary

The J. A. O'Daniel Unit 10, American Legion Auxiliary, will observe the 25th anniversary of its organization with a dinner meeting at the Newark Country Club, Sept. 13, at 7 p.m.

Mrs. Harry McSherry, of Dover, who organized the local unit, with Mrs. Arthur Tombari as first president, will be present to install the newly elected officers at this meeting.

Mrs. H. N. Herbenner, retiring president, will preside at the business session.

Newly elected officers are Mrs. John E. Fisher, president; Mrs. Leon W. Case, 1st vice-president; Mrs. Wm. B. Swan, 2nd vice-president; Mrs. F. Allyn Cooch, treasurer; Mrs. Orville Little, recording secretary; Mrs. Glenn Skinner, corresponding secretary; Miss Dora Gibb, historian; and Mrs. Wm. S. Hamilton, chaplain; and Mrs. Harry Truitt, sergeant-at-arms.

Committee chairmen are Mrs. A. E. Tombari, Americanism; Mrs. J. Harvey Dickey, child welfare; Mrs. Ivan Parsons, Civil Defense; Mrs. John R. Fader, community service; Mrs. W. Francis Lindell, constitution and by-laws; Mrs. Dora Gibb, veterans' orphan education; Mrs. H. N. Herbenner, girls' state.

Mrs. Harry Truitt, junior activities; Mrs. Glenn Skinner, legislation; Mrs. Paul Lovett, membership; Mrs. Parsons, music; Mrs. Lindell, national security; Mrs. James Bishop, Pan-American study; Mrs. Lee Lewis, poppy day; Mrs. Dickey, publicity; and Mrs. Robert J. Davis, radio and entertainment.

Members of the J. A. O'Daniel unit will serve as hostesses on Tuesday at the Delaware State Hospital during the annual carnival for hospital patients.

## Council Holds Private Caucus For Silverbrook Sewer Action

Northeast Corner Haines-Delaware Avenue, Fire House Lot Rezoned for Business; Disorderly Conduct Penalty Increased; CD Director Requests Rescue Truck Housing

Following two weeks' respite, thanks to the extra Tuesday in August, the Newark City Council held a long, humid session last Tuesday night which wound up with a private caucus concerning satisfactory settlement with the bonding company responsible for completion of the Silverbrook sewer line. Heavy infiltration has created an unsatisfactory condition and the City has not approved the line in its present condition.

## Kids' Day Program To Be Sponsored By Kiwanis Club

Harvey Named Chairman  
Of Local Club Committee;  
Event To Be Held Sept. 25

Kids' Day, sponsored by Kiwanis International, will be celebrated Saturday, September 25 in Newark and in hundreds of other communities throughout the United States with the theme—"Build For Tomorrow."

Clarence Brown, president of the local Kiwanis Club, said that although this is the sixth annual observance of Kids' Day, it is the first year of sponsorship exclusively by Kiwanis International and its member clubs throughout North America. He further stated that work on this sixth annual celebration is well under way and it is expected that more clubs than ever before will participate in this annual activity for youth.

Preliminary plans for local activities are now being formulated by the committee in charge. Mr. Brown said. He named Dan Harvey as chairman and Wm. Skold, J. McCambridge, Victor Macy and Merle Taylor as members of the committee under whose direction the activity will be carried out even though all members of the Kiwanis club will share in the project.

Mr. Brown pointed out that youth work has been a major aim of Kiwanis International throughout its 39 years of its existence. The Kids' Day program, one of Kiwanis major activities for youth, focuses attention on this important work of the organization on one day, and permits each club to develop a local program best suited to its community while integrating it with the club's year-round program for youth.

Last year over 1,300,000 children were entertained on Kids' Day and Kiwanis clubs raised more than \$300,000 for their youth service work. Mr. Brown stressed that these funds are retained in the communities where they are collected and used entirely in local youth projects. He mentioned the Kiwanis club's Little League ball field as one example of Kiwanis funds to benefit the entire community.

(Continued on Page 6)

## New Command

Capt. Ellis B. Rittenhouse

PEARL HARBOR, T. H. (PHITNC)—Navy Capt. Ellis B. Rittenhouse, son of Mr. and Mrs. Arthur Rittenhouse of Newark, and husband of the former Miss Margaret C. Puleine of Marysville, Kan., assumes command of Destroyer Escort Division 12 in charge of command ceremonies recently held here.

Before reporting here, he was stationed in Washington, D.C., in the Office of the Chief of Military Personnel of Naval Operations.

Reopening Request

A request for rezoning of the Wm. T. Gray property on the west side of Chapel Street, from Continental to Wyoming Avenues, from residential to business was referred to the Planning Commission. The Solicitor was requested to prepare a covering ordinance.

The firm of Gordy & Sons, developers, have requested Council approval of a plot plan street layout, and this request was referred to the Street Committee for preparation of a written agreement with the development firm to be presented for Council action at the next meeting.

A request for business use of the residence at 9 Ritter Lane was denied.

Two requests from the Newark Trust Company—for removal of a parking meter on Academy Street, and for installation of a spotlight on a telephone pole in front of the bank, were referred to the Street and Light Committees.

Acting Mayor Samuel L. Diehl, Jr., reported that the local magistrate had levied fines amounting to \$1,008 during the past month.

Fire and garbage disposal problems at the city dump were discussed and Councilman George Neighbors proposed that the dump be opened to the public during half of the regular trash collection day. This motion was approved with the further provision that a new lock be supplied to keep unauthorized persons off the property and that the site be posted against trespassers for the prosecution of all violators.

Councilman Coverdale reviewed the report of the Sewer Committee and requested some decision on the matter of equitable sewer assessment for property owners with extensive, undeveloped frontage. The City Engineer is endeavoring to obtain an adjusting factor used by the County in levying assessments in such instances, and when the County formula is obtained, the matter will be decided.

## Capitol Trail News

Marjorie M. Bishop, Correspondent  
Kirkwood Highway  
Phone 6318

Now we know that summer is really over. The children have begun the trek back to school and everything is settling back to normal again, with full day sessions to start on Monday. We are looking forward to news from the Medit School in next week's column.

## Personals

Mrs. Dora J. Snyder of Ogletown had as her guest recently Mrs. Anne W. Crossan and son Elmer of Philadelphia, and Mrs. Elva S. Pennington of Chester.

Mrs. Dora J. Snyder and Mrs. Martha S. Houchin, of Ogletown, and Mrs. J. Burton Tucker, of Wilmington, spent the weekend with Mrs. Anna S. Condon of Bethesda, Md.

Mr. and Mrs. Talbot Chalmers, of Possum Park Road and Mr. and Mrs. Herman Hopkins, of Washington, D.C., last Thursday, Mr. and Mrs. Joseph Chalmers left on Friday for their home in Seattle, Wash.

Mr. and Mrs. Graydon Hopkins, of New Castle, were guests of Mr. and Mrs. Herman Hopkins, of Washington, D.C., last Thursday.

Mrs. David Anderson, Jr., Edith, Lane and Gwen Anderson, of Harmon Road, have returned from a two week vacation on the Elk River.

Paul Frazier, Jr., left last week for his home in Miami, Fla., after spending 11 days visiting his father and great-aunts Mrs. Sara Greenwalt and Mrs. Emma Curdiner, of Lumbrook.

## White Clay Creek Presbyterian Church

The church school voted last Sunday to devote the September mid-

sonary offering to the work of Dr. Calvin Wallis, a medical missionary in Guatemala.

Illness and accidents have been taking a toll in the adult classes recently. Howard Bradley, of Harman Crossroads, has been confined for a month at Delaware Hospital.

Mrs. Mary Krapf, a member of the Young Adult Class, returned to her home in Eastburn Heights last week following an operation.

Mr. and Mrs. John Murray of Nottingham Road, also members of the Young Adult Class, report that their daughter Donna, suffered a severe injury last week when her toe came too close to the power mower. The skin-grafting operation required hospitalization. She is now making good progress at home.

There are classes for all ages in the church school, starting at 10 a.m. Church services with a pastoral message on "Basic Training For An Age of Conflict," begins at 11 a.m.

Following church service there will be a brief meeting of the Afternoon Circle of the Women's Association, in the main Sunday school room.

At the same time there will be a meeting of the Family Night supper committee, in the Children's Room, to plan for the covered-dish supper on Tuesday, Sept. 21.

Elizabeth Benson, John Murray and Romaine McCormick represent the White Clay Fellowship, Eleanor Travis and Dorothy Jones represent the Evening Circle.

The executive committee of the Millerbrook Hundred Sunday School Association will meet Sunday afternoon at 2:15 at Ebenezer Church.

On Wednesday, Sept. 15 at 8 p.m. a churchwide planning conference will be held at church. This will include members of the session, the trustees, the committee on Christian education, the church school staff and officers of all organizations of the church.

This will be a cooperative effort to set forth the major plans and problems to be faced during the year ahead.

**Coming Events**  
The visitation committee for securing new members, is being reactivated under chairman Harold Stevely.

Family night supper will be served Tuesday, Sept. 21 sponsored by the White Clay Fellowship and the Women's Association. Following a covered-dish supper for all members and friends of the church there will be an interesting program with a moving picture, "The Stranger in the House."

The worship committee consists of Ruth Murray and Betty Anderson; the program committee, Eleanor Murray and Verna Davis.

Daily day will be Sunday, Sept. 26. Promotions will be made in the church school and there will be a consecration service for the school staff in the church service.

High summer temperatures will make egg shells thinner this summer even if you supply plenty of oyster shell for your hens.

## New Amendments In Social Security Outlined In State

Legislation To Benefit Virtually Every Family Delaware Official States

The sweeping new amendments to the Social Security Act, signed into law September 1, 1954 by President Eisenhower, will affect virtually every family in Delaware, according to Myron Milbourn, district manager of the Social Security Administration.

"The protection of old-age and survivors insurance is now extended to 9 out of 10 families in the community," Mr. Milbourn said, "and the benefit payments not only to future beneficiaries but also to those now on the rolls, have been substantially increased. In fact, it immediately increases the social security benefits to the more than 13,000 persons in the state now receiving monthly payments from \$270,000 to \$750,000," he added.

**Amendments**  
The amended Social Security Act also:

1. Extends coverage, commencing January 1, 1955, to about 10 million more gainfully-employed people, including self-employed farm operators and most farm workers.

2. Increases benefits to all present and future retired workers and to their dependents and survivors.

3. Determines benefits on a more advantageous basis by permitting a worker to drop out as many as five years of low or no earnings in computing his average wage, and by increasing to \$4,200 the amount of annual earnings that can be counted toward benefits.

4. Preserves for totally disabled workers any benefits rights they may have earned before they became disabled and provides for their referral to State agencies for rehabilitation services.

5. Permits employed and self-employed beneficiaries under age 72 to have earnings up to \$1,200 in a year without loss of social security payments, starting with 1955. (A beneficiary 72 or over will be able to receive all his payments regardless of the amount he may be earning.)

**Elaboration**  
Mr. Milbourn went on to explain that of the 10 million more persons eligible for the protection of old-age and survivors insurance, approximately 6-1/4 million will be brought into the system on January 1, 1955. Another 3-1/4 million may elect coverage under special arrangements.

The largest group of gainfully-employed people in the nation not heretofore covered by social security has now been brought in—the 3.6 million self-employed farm operators. Commencing January 1, 1955, these farm operators will be covered on the same terms as other self-employed people, except for a provision which simplifies the reporting procedure for farm operators with low annual incomes.

Abolishing the old requirement that farm workers be regularly employed by one employer means that over two million additional farm employees will have social security protection for themselves and their families. The new provision simply requires that the farm hand be paid \$100 cash wages in a calendar year by one employer.

**Domestics**  
About 200,000 more domestic employees in private households will be covered by the law because of the removal of the former requirement that the domestic employee work 24 days in each calendar quarter in any one household. Here the requirement now is the payment of only \$50 cash wages by one household employer in a calendar quarter.

About 3,500,000 employees of State and local governments, excluded up to now because they are under a retirement system, may now be brought under social security subject to a referendum.

Ministers, whether employed or self-employed, may come under the law as if they were self-employed persons. Included in this provision are Christian Science practitioners.

**Professionals**  
Other self-employed groups to be covered by social security as of January 1, 1955, are professional engineers, accountants, architects, and funeral directors.

Immediately effective is the increase in monthly payments to persons now getting benefits. These increases will show on the September checks which will be mailed early in October.

**Pay Raises**  
The present minimum payment of \$25 to a retired worker has been raised to \$30; the maximum of \$85 has been increased to \$98.50. Dependents and survivors now getting monthly benefits will get proportionate increases, with every family unit assured an increase of at least \$5. The maximum family payment has been raised from \$168.75 to \$200.

Persons now receiving monthly payments do not have to take any action to get these increases," Mr. Milbourn declared. "They will be made automatically, and do not have to be applied for," he said.

The amended law also provides increases for persons who become eligible for benefit payments in the future. Beginning with 1955, the amount of covered earnings which may count toward social security will be raised from \$3,000 to \$4,200 in a year. This provision will make it possible to maintain a closer relationship between the worker's earnings and the benefits he and his family will eventually receive.

**Keep America Green**  
FOREST FIRES EACH YEAR BURN ENOUGH WOOD TO MAKE THE PAPER FOR EVERY DAILY NEWSPAPER PUBLISHED IN THE UNITED STATES

## Hay Harvest To Determine Winter Livestock Feeding

"Good roughage is the backbone of our feed supply for cattle. In summer it is pasture. In winter, hay or silage comprises the bulk of our livestock feed. On most farms, the winter ration is built around the hay supply."

County Agent Edward Schabinger goes on to point out that "the hay crop harvested now will determine largely how well your livestock are fed next winter." He asks: "Are you saving all the feed value in your hay?"

Legume hay gives more feed value in protein and mineral content than the grasses. But getting all this feed value of legumes in the barn is a problem. Much of the feed value is in the leaves. If the leaves are shattered and lost in the field, the best part of the plant never reaches the feed rack.

**Tree Leaves Tell State Of Health Field Man States**  
Trees have much the same wardrobe problems as humans.

The leafy raiment which clothes a tree may get ragged, tattered and shabby. Spots or holes may mar the fabric. Colors may fade. Luster or sheen may disappear. The original shade. Crisp leaf patterns may go limp and shapeless as if in need of pressing.

The main difference is that a man can obtain a new wardrobe at a tailor shop or clothing store.

But a shabby tree will often need a doctor's care to restore its well-groomed look, according to S. P. Engle, field representative of the Davey Tree Expert Co. For a tree's

appearance reflects the state of its health.

A heavy cloak of colorful, perfectly-formed leaves means that the tree is in good condition. But when the leaves start dropping off in summertime, when they appear faded, spotted or unhealthy in color, then the tree may be seriously ill.

Insects, disease, drought, sun scorch, root suffocation and other tree ailments show their harmful effects in the arboreal attire. As long as it is in good health, the average shade tree will wear beautiful clothes this time of year.

## Christiana Calling

Sylvia P. Jones, Correspondent  
Phone New Castle 6876

Every household with a school-age child is acutely school-conscious this week, as teachers and students all over the country begin another session with the three R's in all their modern, broadened applications.

The Christiana-Salem Consolidated School opened its doors officially on Wednesday, Sept. 8, in a half-day session for all students with five of last year's teachers in their old places, two new teachers, and one-for-four grade—yet to be supplied.

Miss Lillian Frazier is again principal and eighth grade teacher. Sixth and seventh grades have new teachers in Mrs. Frazier who taught last year at the Governor's School, and William Paerovis of Wilkes Barre, Pa.

Returning to their familiar places are Mrs. R. A. O'Neal, fifth grade; Mrs. L. J. Walker, third grade; Mrs. N. Sabatelli, second grade; and Mrs. C. S. Kleinbach, first grade.

Extensive repairs and improvements were made to school property, both inside and out, during the summer.

**Christiana Presbyterian Church**  
The Presbyterian Church resumed its regular schedule last Sunday after the August vacation with Sunday school at 10 and church service at 11 a.m. Dr. Ernest Freeman Hall, pastor, brought a special Labor Day message.

The Board of Trustees will hold its September meeting on Thursday, Sept. 9, in the church at 8 p.m. The monthly meeting of the Young People's Society will be held Monday evening, Sept. 13, at the home of Eugene Vansant on Harmony Road.

Dr. Hall announced that the church will participate in World-Wide Communion Sunday on Oct. 3, at the 11 a.m. worship service.

It was announced that the Presbyterian Church's annual Homecoming Day will be observed on Sunday, Oct. 10, with special services, music, and guests. Dr. Hall will preach the morning sermon, and guest speaker for the afternoon will be Dr. A. H. Kistner, pastor of West Presbyterian Church, Wilmington.

The Christiana Methodist Church will resume services this Sunday, Sept. 12, with Sunday school at 10 and worship service at 11 a.m.

The Methodist Church social realized over \$150 on the chicken salad and ham supper held last Wednesday evening in the church. Popular and profitable features of the affair were the vegetable tables in charge of Mrs. William Appleby, and cakes, under Mrs. Herbert Crossen.

The Women's Society of Christian Service plans to serve a cafeteria supper on Saturday, Sept. 25. Further details will be discussed at the next WSCS meeting on Tuesday, Sept. 14.

**Wedding**  
Those enthusiastic auto horns heard last Saturday afternoon were in honor of Christiana's newest bride and groom, Mr. and Mrs. Lloyd Dudley Baker, who were married at 2 p.m. Saturday in a double-ring ceremony in the Stanton Methodist Church.

The bride is the former Miss Mary Louise Leasure, daughter of Mr. and Mrs. Wilbur L. Leasure of Stanton; the groom is the son of Mr. and Mrs. Charles H. Baker of Christiana.

The Rev. Arthur H. Hastings, pastor of the church, officiated, and Mrs. Faye Irwin of Stanton was matron of honor. Bridesmaids were Mrs. John Yeasou of Marshallton; Miss Shirley Wilkinson of Newport; and Mrs. Joseph Lucas of Stanton. Miss Lillian Cleaver, daughter of Mr. and Mrs. Benjamin C. Cleaver of Christiana, is cousin of the bride. The flower girl was Flower Girl.

Best man was Lloyd Smith of Elkton. John Cleaver of Christiana, another cousin of the bride; Mack Mitchell, of Greenbrier Estates, brother-in-law of the bridegroom; and Joseph Lucas of Stanton, were ushers. A nephew of the bridegroom, Elwood Mitchell, was ring-bearer.

Mrs. Baker, a graduate of Conrad High School, is employed by the duPont Company. Mr. Baker graduated from Newark High School and is associated with the Causeway Service Station, Wilmington.

Following a wedding trip to New England, the couple will live in Christiana.

**Personals**  
Mr. and Mrs. H. L. Schulz and children, Robert and Peggy, spent last week in Florida.

We are glad to learn that L. N. Savage, who has been ill, is improving.

Mrs. John Cleveland and son, John, spent last week in Florida with their son, Douglas.

Among Labor Day weekenders were Miss Annie Pleban and Bill Steele, who enjoyed a motor trip over the Skyline Drive.

Mr. and Mrs. Ralph Burge took their son, Douglas, to the Philadelphia Zoo on Saturday.

Mr. and Mrs. John Lynch of Polk Dr. Drumm Hill; Mrs. George Ware, Mrs. Elsie Reed and son Donald, spent Wednesday in Atlantic City.

Mr. and Mrs. William L. Appleby had as their house guest last week

## Cooch's Bridge and Glasgow

Mildred Ludwig, Correspondent  
Phone: Newark 8-3456

Mr. and Mrs. Robert Richards of Iron Hill entertained 40 members of the O. M. Bohannan family of Felton, Del., last Sunday. The oldest person present was Mrs. Richards' mother, Mrs. Bohannan, who is nearly 80. The youngest present was Jane Jarrell, 18 months.

The Glasgow home demonstration club meets next Tuesday evening at the home of Col. and Mrs. Dunn on Route 196 north of town. The demonstration will be on decorative stichery.

A hot dog roast at the Donnellis on Sunset Lake road was enjoyed Tuesday evening by members of the Audenreid club, Mrs. Kennard Wiggins and Mrs. Donnell were co-hostesses.

The new officers elected in August were installed: President Thomas Nowell; Vice-president Lawrence Lee; Secretary Mrs. Thomas Nowell; and Treasurer Mrs. Clarence Lee. The retiring officers are: president, Burton Pyle; vice-president, Wesley Greenwell; and treasurer, Mrs. Burton Pyle.

**Monday Party**  
Eddie Burchard of Pleasant Valley Road celebrated his seventh birthday Saturday with a party. Among his guests were: George Webb, Keith Handing, Mary Lou Paul, Lewis Newell, Sharon Ludwig, Ronald Morgan, Bob and Andy Secker, Peggy Hartman, Jim Correll, Carl Art, Florence Burchard, Bob and Albert Sherman, Blain, Marcia and Dana Sherwood of Mystic, Conn.

The Sherwood were fortunate to lose only a few shade trees and their lawn in the hurricane with wind velocities between 80 and 100 m.p.h. Their home, a block from the bay, and on a rise of land, had water washing the front steps following the mighty tidal wave and steadily swelling tide. Huge trailer trucks backed up to food markets in this area of Cooch's Bridge and carried foodstuffs away to be dumped at sea, so serious was the danger of spoilage from lack of refrigeration.

The Pleasant Valley H. D. Club met last Thursday afternoon from 3 to 5 p.m. at O'M's Chapel. Mrs. Tunia Foltz and Mrs. Steven Williams demonstrated "Flower Cossages."

The Green Meadows 4-H club met at the home of Don Connel on Sunset Lake Road Tuesday. A film on safety with firearms was shown and a state police officer gave an interesting talk and demonstration of guns.

## News of Bear

Mrs. Leslie Ford, Correspondent  
Phone: New Castle 6181

The first fall meeting of Pencader Grange will be held on Monday, Sept. 13. Central and Peach Blossom Grange members will be their guests on Monday evening, Sept. 20. The home economics group in charge will have a speaker from WDEL. The meeting will be open to the public.

Pencader church will open their regular services on Sunday, Sept. 19, after a month's vacation. Mr. and Mrs. J. Leslie Ford entertained Mrs. Ford's sister, Mrs. Marie Deibert; and Mrs. Charles Dewese; Phil Dewese, and Mrs. Marion Slonecker, of Elkton at dinner on Wednesday evening.

Mr. and Mrs. Carl A. Roepert, Whitehall Farm, Bear, announce the engagement of their daughter, Dolores Louise, to Richard E. Ludwig, son of Mr. and Mrs. Eli Ludwig of Pottstown, Pa.

Miss Roepert, a graduate of P. S. duPont High School, is a senior at the University of Delaware.

Mr. Ludwig, a graduate of Ursinus College, received his master's degree at the University of Delaware and is completing his studies for a Ph.D. in chemistry.

Mrs. Annie Harrington spent Saturday evening with her brother and wife, Mr. and Mrs. Raymond Davis of Newark.

Herman Macey spent the Labor Day week end at Oak Orchard. Mr. and Mrs. Bradley Ford of Montchanin; Miss Sue Ford, and Mrs. Frances Hobman of Chestertown, spent Sunday with Mr. and Mrs. J. Leslie Ford.

Mr. and Mrs. Harry B. Moore, and Mrs. George Moore and children spent the week end at Ocean City, Md.

Mr. and Mrs. William Reynolds and daughter Linda, who recently returned from California, spent Sunday with his parents, Mr. and Mrs. F. Lee Reynolds.

Norman Reynolds has returned to Bridgeville to teach for the second year.

Miss Bessie Davis, of Bear, The Appleby also entertained Mrs. Appleby's brother, George Remmy, of Philadelphia, recently.

On Friday Mrs. John Currinder entertained her mother, Mrs. Medford Sapp of Wilmington, and Mrs. Alice Jennings and granddaughter of Chester, Pa.

Mrs. Dolores Crosby and Mr. and Mrs. James Crosby and son spent last week end in Towson, Md., visiting relatives.

Mrs. Howard Greene and children, Andrew, Abigail and Martha, have returned from a 12-day motor trip through New England and Canada. They visited Montreal and Ottawa, and were in Toronto for the Canadian National Exposition.

**Boy Scout News**  
Scoutmaster Donald McLaughlin of Christiana Troop 75 met last week with patrol leaders Earl Fausbaugh, Robert Remson, and Robert Schulz to plan activities for the 1954-55 scouting season. This Saturday and Sunday, members of the troop will make an overnight camping trip to Camp Rodney. Regular scout meetings will begin Monday evening, Sept. 13.

On Wednesday, Sept. 1, the troop committee held a meeting at the home of T. Suppe.

The Christiana Fire Company will send two official delegates—John Smith and John Cunningham—to the annual State Firemen's Convention at Milton, Del., on Sept. 10-11. Delegates from the Ladies Auxiliary are Mrs. A. B. Currinder and Mrs. Amanda Morris, with Mrs. Ada Cleaver and Mrs. Elizabeth Teackach serving as alternates.

## Brookside Reflections

Mrs. Mark Case  
Phone 7376

As you all now know, Brookside has a newspaper, at present being published monthly.

This is an effort of a number of residents in the community to keep our neighbors informed in the affairs of the Town of Brookside.

Because of the newspaper and because I will refrain from repetition, this column will be terminated. Any news you would have for such a column as this I would appreciate your phoning to me, as before. It will appear in The Brookside.

Thank you for your assistance to me in writing this column for the past year and a half. It has appeared in The Newark Post.

## County Agent Offers Tips On Painting Protection

Rust-speckled roofing and siding of galvanized sheets is a warning that the time has come for a paint protection job, points out Edward Schabinger, county extension agent. Just as zinc in the form of galvanizing is by far the best protective metallic coating for the rust-proofing of iron and steel, so zinc paint the best material for resurfacing a galvanized sheet, says the county agent.

THE SEVENTEENTH DAY OF SEPTEMBER  
A.D. 1954 at 10 o'clock A.M. (Daylight Saving Time) the following described Real Estate viz:

ALL that certain lot or piece of parcel of land situated in Pencader Hundred, New Castle County, and State of Delaware, bounded and described as follows, to-wit:

**BEGINNING** at a point on the south side of the public road leading from Summit Bridge toward Bohemia Manor, a corner for this property and adjoining lands now or formerly of the heirs of John Franklin Bages, deceased, thence binding with the last mentioned lands north forty-seven (47) degrees thirty-four (34) minutes east two hundred and forty-four (244) feet to a point which is a corner for this property and the aforesaid lands, and formerly of said Elijah G. Bowers, thence binding with the last mentioned lands south fifty-six (56) degrees fifty-one (51) minutes east four hundred and fifty-seven (457) feet to the aforesaid place of Beginning in the said line in the said public road, containing three and thirty-seven (337) acres of land, be the same more or less.

**BEING** the same lands and premises which Walter Harman Money and Helen B. Money, his wife, by Indenture bearing date the 31st day of October, A.D. 1951, and recorded in the Office for the Recording of Deeds, in and for New Castle County in Deed Record - Volume 37, Page 601, and for New Castle County in Deed

**ON FRIDAY**  
THE SEVENTEENTH DAY OF SEPTEMBER  
A.D. 1954 at 10 o'clock A.M. (Daylight Saving Time) the following described Real Estate viz:

ALL that certain lot or piece of parcel of land situated in Pencader Hundred, New Castle County, and State of Delaware, bounded and described as follows, to-wit:

**BEGINNING**

## Citizens' Corner

This is a project of the League of Women Voters of Newark, a local unit of the League of Women Voters of the United States. The league, a non-partisan organization devoted to informing the electorate, will be glad to answer your questions addressed to The Citizens' Corner, c/o The Newark Post. Questions will also be accepted at Newark 8-1613.

Q.—What are the empty spaces for on the far left of the voting machine?

A.—They would be used only in states permitting a write-in vote. There is no write-in vote in Delaware, so they mean nothing here.

Q.—Who purchases the voting machines—the State?

A.—Voting machines are purchased by the Levy Court of your county.

Q.—Why can't the City of Newark have a public restroom?

A.—Your question has been turned over to the City Council for their sympathetic consideration. Two possible reasons might be: (a) lack of a suitable place (the Academy Building does not belong to the City); and (b) lack of funds for purchase, equipment, and custodial care.

Q.—What hours are registration places open?

A.—On Oct. 2 and 16, when registration takes place in the districts, registration places will be open from 8 to 12 noon, and from 1 to 7 p.m. These dates and times apply to all local registration places.

## City Council

(Continued from page 1)

## Replacement

Concerning the objectionable conditions at the sewage disposal plant, the Sewerage Committee's recommendation that the physically handicapped operator be replaced, was approved.

No word has been received from the Mayor's Committee concerning the 35 applicants for the position as City Manager, and Councilman Maclary made an approved motion that this committee submit a report to the Council prior to each regularly scheduled Council meeting.

In reply to Councilman Coverdale's query regarding the School Board's acceptance of Carl Rankin's survey of facilities for the proposed senior high school, City Solicitor John Sinclair stated that he had talked with the chairman of the School Board who agreed that the Board of Education was committed to pay half the bill for the necessary survey.

Mr. Rankin's survey was the result of a voluntary offer made in an effort to save the City and the School Board the higher cost of a survey by a professional firm.

## Survey Bill

As yet, the Board of Education, has not received a copy of the survey and Mr. Sinclair recommended that the school be given a copy of Mr. Rankin's engineering report before payment is requested. It was agreed to submit both a copy of the survey and a bill for half the survey cost, to the Board of Education.

In the absence of any noticeable progress to provide protection at the South Chapel Street Pennsylvania Railroad grade crossing, the City Solicitor was instructed to advise the railroad to immediately assign watchmen for 24-hour duty at the crossing.

No progress was reported on the revised building ordinance and uniform habitation code.

Acting Mayor Diehl reported that three persons had agreed to serve on a special mayor's committee to be appointed to study a mercantile license program for the city. A group of five or six persons was recommended to make up this committee, he said in reporting a number of refusals by persons contacted for this assignment.

Councilman Coverdale objected to the recent dismissal of a city employee by special committee action. The City Solicitor upheld Mr. Coverdale's contention that regular city employees could only be dismissed by approval of the Council.

The purchase of some equipment from the Delaware Power and Light Company, amounting to some \$15,300, to provide additional voltage for the City was referred to the Light Committee.

City Engineer J. Francis Neide recommended that the Rupert Construction Company be extended a right-of-way through Tyre Avenue, rather than a requested right-of-way through a Washington Street extension, in connection with construction of the new high school.

## Child Safety

Councilman Frank Scott requested safety measures for children attending the new West Park Place elementary school. He pointed out the hazard of crossing Elton Road and walking down West Park Place where no sidewalks are available.

Councilman and Police Commissioner John R. Downes stated that every effort would be made to provide a policeman at the Elton Road crossing for children going to and from school, and that appropriate traffic warning signs would be placed.

A special meeting of the Street Committee and Planning Commission will be held next week to consider the State Highway Department's proposal for regulating one way traffic west on Main Street, and one way traffic east on Delaware Avenue, for their construction of the proposed Delaware Avenue extension around George Road Village to tie in with Capitol Trail. Mr. Neide presented a booklet on one way streets, prepared by the U.S. Chamber of Commerce, for Council study.

## Job Applicants

The City Engineer presented a list of 14 applicants screened from a total of 50 persons applying for the job as city building inspector, and City Secretary Charles Long requested approval to employ another office worker for the City Offices.

The councilmen agreed to advertise the new office opening, and to check the applications received for the job of building inspector before acting on the recommendation of the engineer.

A new ordinance limiting the time of building permits to a period of one year after issuance, with a three-month renewal clause for sufficient cause, received its first reading.

A resolution prepared by the City Solicitor, accepting the deed from the Elkhart Apartments developers for O'Daniel Avenue and Adams Drive, was tabled pending further investigation of the developers' commitments.

## Land Offer

An offer by the Continental Distilling Corporation, to sell five acres of land at \$1500 an acre to the City of Newark as an additional site source for city water, was reported by Solicitor Sinclair, and Council agreed to have a realtor make an appraisal of property for subsequent Council action. The matter was referred to the Water Committee.

To expedite Council proceedings, the Solicitor presented a suggested order of business consisting of opening bids, committee reports, old business, public hearings and new business, in that order, with new business priority hearings given to the City Engineer and Solicitor.

Following the private caucus at the end of the meeting, Council inspected the new Civil Defense rescue truck, with a demonstration by CD Director Wallace G. Johnson.

## BELOW AVERAGE

Chicks and young chickens of this year's hatching on farms July 1 are estimated at 471,063,000—3 percent above last year, but 15 percent below average, reports USDA's Agricultural Marketing Service. Young chicken holdings were up 7 percent in the North Atlantic and in the West, and 6 percent in the South Central States. Holdings in the North Central and South Atlantic States were about the same as last year, the report showed.

Raisins for cakes and breads will be plump and juicy if soaked in warm water before being added to the batter or dough.

"We in the United States strive by every means to induce each worker to put forth his best effort voluntarily," H. W. Prentiss, Jr., Chairman, Armstrong Cork Company.

America "lost" 3685 miles of highway in 1952.

The National Highway Users Conference discloses that these miles of urgently-needed highways could have been built if 25 states had not diverted part of their highway user revenues to non-highway purposes.

The total number of miles "lost" through diversion of funds since 1944 now stands at 125,172—a figure that is greater than the total road mileage of any single state except Kansas and Texas.

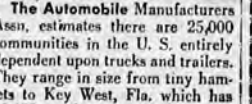

Marshall Teague of Daytona, Fla., a champion stock car driver, says "I would rather race a car over the track for a hundred miles than do the same distance on a crowded highway on Sunday. A racing pilot must concentrate solely on driving to live. The average motorist should, too, but he seldom considers that vital factor. Most of the time his mind is wool gathering."

More than 100 popular songs have been written about the automobile. Only three have been hits. They are, "In My Merry Oldsmobile" by Vincent Bryan and Gus Edwards, "He'd Have to Get Out and Under" by Grant Clarke and "Henry's Made a Lady Out of Lizzie" by Walter O'Keefe.

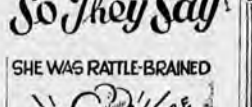

The Automobile Manufacturers Assn. estimates there are 25,000 communities in the U. S. entirely dependent upon trucks and trailers. They range in size from tiny hamlets to Key West, Fla., which has 26,433 residents.

## York Fair To Offer Variety Program Of Stage, TV Stars, Race Features

Believing in the old adage "Variety is the Spice of Life," Samuel S. Lewis, president and general manager of the York Inter-State Fair, has used the well known maxim as a yardstick in selecting the stellar entertainment program to be presented during the fair's 102nd annual engagement, September 14 through 18, day and night, rain or shine.

Headlining the diversified program will be such name entertainers as Patti Page, the international famous recording star and her instrumental troupe; the Mariners, popular quartet of Arthur Godfrey radio and TV fame, and Sammy Kaye, the Swing and Sway landleader and his orchestra, who will be featured on Wednesday, Thursday and Friday nights, respectively.

Horse racing fans will find a full schedule of trotting races on the fair's half-mile oval in the afternoons, Tuesday through Friday. For those seeking a thrill, there will be not one but three—auto daredevil troupes performing on Saturday.

Thirty-three action-packed events are scheduled for open competition by auto and motorcycle jockeys

## THE "NEW LOOK" IN AGRICULTURE

We hear much of the great efficiency and productive power of American industry. We do not hear as much as we should of the efficiency and productive power of American agriculture.

Farm Journal recently said editorially, "Farmers produce so abundantly that 85 per cent of the population can now choose other kinds of jobs. If farmers were not so efficient, a lot more people would have to go to work farming. This is an efficiency that since before the war has increased farm output by about 40 per cent, and does it with 17 per cent less labor."

That speaks well for the progressive spirit of the American farmer. It is also a tribute of tools and techniques, often actually revolutionary in effect, which have been his allies. Electric power has been a tremendous force for better living and working on the farm. Chemistry has provided fertilizers and weed and insect killers of remarkable potency. And the farm equipment industry has come along with machines which produce more crops at a declining cost in time and money—and which are invaluable in the equally important task of conserving the land not only for future years but for future generations.

It is no exaggeration to say that the machines and the other tools do much to make the difference between an exceedingly well-fed nation and a nation on a subsistence or a near-famine basis. This will become all the more evident as the years roll by and there are millions more mouths to feed each day.

## NEWARK IN REVIEW

Twenty-five Years Ago

### Lack of Historians

The lack of historians in Delaware was deplored last Saturday afternoon by Edward W. Cooch, local attorney at the first annual pilgrimage to Cooch's Bridge by DeMolay members.

In his address to the group, Mr. Cooch told of the richness of Delaware's historic lore and explained how a Delawarean nearly played the role of George Washington in this country's history, and how close Wilmington came to being the nation's capital.

A gavel, made from wood obtained at Delaware's only battlefield, was presented to Mr. Cooch by Walter Sherwin, president of the local DeMolay, for his work with the organization.

### School Enrollment

Newark schools opened Monday with a total enrollment of 1,093, the largest in the history of the local district.

There were 984 pupils registered in the white schools, and 114 in the colored school. A total of 164 enrolled in senior high school and 296 students have entered junior high. For the first time, a full course in home economics will be offered Newark eighth grade girls this year.

### Alumni Athletic Aid

The Athletic Council and the Athletic Governing Board of the University of Delaware will meet today to consider suggestions from the Alumni Association for supplementing the present coaching staff of the university.

The Alumni Association feels that the coaching staff is inadequate to handle the many sports on the university schedule and has offered financial aid to secure additional coaches.

### Horse Show Planned

Irvin Dayett and J. K. Johnston, owners of Tip Top Farms, have announced a 10-event, post entry horse show to be held at their farm on Saturday, Sept. 21.

The events include both harness and saddle classes for ponies and horses and some 74 entries are expected. The Continental Band will provide music during the afternoon.

### 4-H Camp

A. D. Cobb, assistant director of extension will be in charge of the party of Delaware 4-H club boys and girls attending the Eastern States Exposition at Camp Vail, Springfield, Mass.

Six boys and six girls, accompanied by three representatives of the University of Delaware extension division, will leave Wilmington by special railroad car on Saturday for the camp.

During the last ten years, more than 100 Delaware 4-H club members have enjoyed the privilege of attending Camp Vail.

### Lightning Strikes Twice

During a severe electrical storm on Sunday, lightning struck the chimney of the Kells Avenue home of Anthony Talucci, and the roof of Wolf Hall.

The fire company was summoned to the Talucci residence, but no fire resulted. The bolt which struck Wolf Hall, tore a large hole in the building roof.

### Fire Carnival Report

A report recently published by the Aetna-Hose, Hook and Ladder Company discloses a net profit of \$3,525.11 provided by the recent Firemen's Carnival.

Receipts totaled \$10,038.70 and disbursements amounted to \$7,113.59.

## Children's Safety Education Program Stressed In State

Public Instruction Supt.  
Outlines Schools' Role  
In Protection of Child

"Young people need the 'know how' to survive in traffic today," Dr. George R. Miller, Jr., superintendent of the State Department of Public Instruction and the Delaware Safety Council's vice-president for school safety, made this statement recently as he outlined the role of the community's schools in teaching traffic safety to children.

He was speaking in connection with the child traffic safety program which is being sponsored this month by the Delaware Safety Council and the National Safety Council.

"The schools are cooperating fully with this child safety program, because we realize the drastic need for safeguards to youngsters' lives in modern traffic," Dr. Miller said. He said that the entire safety educational program of the schools is planned for the 1954-55 school year, only about 3,000 schools in the United States had a course in driver education. But by the 1952-53 term, 8,653 high schools were offering driving courses.

"In our own state of Delaware, every public high school is participating in this program as well as a large majority of the private and parochial high schools. This course has been offered to Delaware high school students since 1934."

"More and more schools are offering such courses in the interest of traffic safety," Dr. Miller said. "During the 1947-48 school year, only about 3,000 schools in the United States had a course in driver education. But by the 1952-53 term, 8,653 high schools were offering driving courses."

"In our own state of Delaware, every public high school is participating in this program as well as a large majority of the private and parochial high schools. This course has been offered to Delaware high school students since 1934."

## Kid's Day

(Continued from page 1)

Mr. Harvey, chairman of the Kids' Day committee, indicated that further details will be announced in the near future. He urged all citizens to wholeheartedly support Kids' Day and join with other civic-minded residents of Newark in observing this day as a special day for helping youth.

The Newark Kiwanis Club will again hold a dog show. Any kind of dog can be entered. Prizes will be given for the largest dog, smallest dog, ugliest dog, etc.

"These dogs must be shown by children, and any kind of dog will do," a Kiwanis spokesman said. Saturday afternoon, Sept. 25, is the time. You can support Kids' Day by purchasing buttons from any member of the Newark Kiwanis Club.

## Letters To The Editor

From: Babs James  
77 Arroyo St.  
Lagos, Nigeria  
Sept. 1st, 1954

Dear Sir: I came across your name in a Directory here and at the same time it gives me the opportunity to write you these few lines asking for your favour and help.

If you can be good and kind enough to publish my name and address in your newspaper as follows:

I am a West African boy of 19. I have black hair and dark brown skin and my height is 5 ft. 10 in. I would like to make friendship with pals of both sexes, whites and blacks who could write by air-mail. I also like to exchange African curios and articles for those over there.

My hobbies are athletics and table-tennis. I have articles like lion and leopard skins in full lengths; also snake skins, crocodile skin, ivory and ebony carvings in different shapes and figures; animal skins as above made into handbags, purses, wallets, belts, slippers, etc.

I'll welcome air-mail letters. These are just the few lines I now beg of you to publish in your paper Sir and may God shower his blessings.

I remain

Babs James.

returned from a trip through the Shenandoah Valley.

Warren Singlet left Friday for a two weeks' vacation with friends and relatives in Piqua, O., and Detroit, Mich.

The Misses Ann Ritz and Dora Law are visiting friends in Summit, N.J.

Several Newark residents will attend the Saturday wedding of Miss Louise Eliason, of New Castle, and Cyrus Pyle, of Wilmington.

Both young people are graduates of Friends School in Wilmington. Miss Eliason attended Wesley College where she graduated a year ago, and Mr. Pyle graduated recently from Cornell where he was an outstanding athlete. He is employed at the Parlin, N.J., duPont plant.

At the movie Ramon Novarro was playing in "The Pagan"; Sue Carroll and Nick Stewart were to appear in "Chasing Through Europe"; and Charles Rogers, Mary Brian, Walter Catlett and June Collyer were to follow in "River of Romance."

Invitations have been received to attend the wedding of Miss Helen Marie Kelly, daughter of Mr. and Mrs. Ambrose E. Kelly, and John Rupert Shultz, of Boston. The wedding will take place at St. Patrick's Church in Roxbury, Mass., on Sunday afternoon.

Mr. Shultz is a former manager of the Press of Kells. Mrs. Harvey MacLary and children, Harry, Alfred and Ella Mae, and Miss Florence Appleby, of near Corbit Station, have moved into Newark and will reside at 47 Lovett Avenue.

Miss Dorothy Stoll enrolled on Monday as a student at Boacem's Business College. Mr. and Mrs. Thomas A. Baker and young daughter, Melissa, have

## LOCAL D.A.R. FALL PROGRAM ANNOUNCED

The first meeting of the fall of the Cooch's Bridge Chapter of the D.A.R. will be held on Saturday afternoon, September 25, at 1:30 o'clock in Welch Tract Baptist Church.

Members of the Executive Board of the local chapter were luncheon guests last week of Mrs. Rees Jarmon, Mrs. Charles H. H. State, Jr., and other members of the local chapter.

The local chapter will have a luncheon at the home of Mrs. Jarmon on September 25, at her home when plans were made for the Delaware Antiquity Show to be held in the Gold Hall room Hotel DuPont on December 1, 2 and 3.

An invitation has been extended to the members of the local chapter by the Sons of the American Revolution to attend a banquet on Sunday, September 19, at 6:30 p.m. at the Dinner Bell, Dover, at which time Dr. John Monro will be the guest speaker. (Continued on page 10)

## BLUE HENS MEET WITH DORIS JARMON

On Tuesday, September 14th, at 7:30 p.m. the Blue Hen 4-H Club will meet at the home of Doris Jarmon, Elkton Road, Newark.

At the business meeting, plans will be made for the coming 4-H County Achievement Fair which is to be held at the College Farm, University of Delaware, on Saturday, September 25th.

After the business meeting, several demonstrations will be given. Jean Pearson will show the proper way to use a press cloth, and Patricia Delp is going to show how to correctly set the table. Points to look for in selecting a baby pig will be the topic of Roger George's demonstration. Beverly Burris will give a report on 4-H Camp.

Games will be under the leadership of John Field, Recreation Chairman, and refreshments will be served.

## MRS. DUNN HOSTESS GLASGOW CLUB

"Decorative Stitchery" will be shown at the next meeting of the Glasgow Home Demonstration Club, which will be held at the home of Mrs. George Dunn of Brackenwood, Creek Road, Newark, on Sept. 14, at 1:30 p.m.

The art of decorating the home with many kinds of embroidery stitches and designs will be demonstrated by Mrs. Frank Colby and Mrs. Henri Dorsman.

## AUDENREID CLUB MEETS TUESDAY EVE.

The regular monthly meeting of the Audenreid Community Club will be held Tuesday evening, September 14, at the home of Mrs. William Donnell with Mrs. Kenneth Wiggins and Mrs. Donnell as co-hostesses.

New officers will be installed and a winner will follow the business meeting.

## WOMEN'S SOCIETY MEET TUESDAY

The Women's Society of the Calvary Baptist Church meets Tuesday, September 14, and next September 21, as originally scheduled.

The meeting is called for 8 o'clock at the home of Miss Lora Watkins, 13 South Chapel Street.

## FOSTERS HOSTS TO WILLING WORKERS

Mrs. and Mrs. James Foster of near Appleton will be hosts to the Willing Workers Society of Head of Christiana Church this Tuesday evening, September 14, at 8 o'clock.

Larry Timmons, president, will be in charge of the business session and William B. McCloskey will conduct the devotionals.

The program will be arranged by Mr. and Mrs. Howard Peterson. Hostesses of the evening will include Mrs. George Shoops, Mrs. Cecil Keene, Mr. W. H. S. Bouchelle and Mrs. Foster.

## Calendar

**Saturday, Sept. 11—** 2 p.m.—Capt. McKenna Chapter, D.A.R., the "Mermaid". 6:30 p.m.—Otis Chapel Fall Festival.

Mr. and Mrs. Conrad Robinson of Chapel Street returned home this week-end from a visit in Kennedyville, Maryland.

Drew Willis and David Otley of Nottingham Road, near State Line, have gone to New Market, Virginia where they have enrolled at the Shenandoah Valley Academy.

## SPIRITUAL THOUGHT FOR THE WEEK

### THE FAITH OF A CHILD

By Gladys Peterson, Moody Bible Institute, Chicago

Dwight L. Moody once told the true story of a little boy brought up in an English alma house. The child had never learned to read or write, but he did know the letters of the alphabet, which had been arranged in the words of a little song he loved to sing. One day a man of God came to the alma house and told the children that if they prayed to God when they were in trouble, He would send them help.

Some months later, this boy was apprenticed to a farmer and was sent into the field to look after some sheep. Having a hard time to keep the sheep from scattering, he remembered what the preacher had said. So he knelt right there by a hedge to ask God for help. A man going by the field heard a voice behind the hedge. When he looked to see whose it was, he saw the little fellow on his knees, saying slowly, "A, B, C, D," and so on.

"My boy, what are you doing?" he inquired.

"I'm praying, sir," answered the child.

"Why, that is not praying; it is merely saying the alphabet!" The lad explained that he did not know how to pray, but that a man had told him at the poor house that if they called upon God He would help them. "So I thought if I just named over the letters of the alphabet, God would take them and put them together into a prayer, and give me what I wanted. God can do that, can't He, Mister?"

Yes, the little fellow was really praying. Sometimes when a child talks, other people cannot understand what he says. But his mother can understand him very well—and gives him what he wants. So if our prayers come from the heart,

God understands them, no matter what expressions or language we use. "The Lord is high unto all them that call upon Him, to all that call upon Him in truth" (Psalm 145:16).
