FOURACRE GIRL WINS FOUR YEAR SCHOLARSHIP

Newark Senior Awarded Four Years Tuition By Pepsi-Cola

Elizabeth Fouracre, 17, daughter of Mr. and Mrs. R. Rogers Fouracre, Newark High School senior, has won a four-year scholarship to the college of her choice in a nationwide program conducted by the Pepsi-Cola Company, Superintendent E. Douglas announced yesterday.

Miss Fouracre won the scholarship in a program entered into by 14,491 pupils from 271 schools throughout the United States. All entrants were given a test April 16, prepared and scored by the College Entrance Examination Board.

The unique feature of the program is that before a student could take the test he had to be elected by his classmates as being among the top five percent of the class most likely to succeed.

The scholarship for which the student was competing covered full tuition for four years at any college of the student's choice, plus twenty-five dollars per month to help defray living expenses together with payment of required books and travel allowance. This year 73 boys and 44 girls won the final prize.

Scheduled to graduate next month, Miss Fouracre expects to continue her college education to become a Dietitian. At Newark High School she has been active in the school paper, drama, and musical work.

Winners were selected from the state and nineteen additional winners were given to Negro pupils as having separate systems. These prizes or charge were made to students or schools for entering the program or taking the test.

ALUMNI DRIVE NEAR ITS GOAL

Contributors To Scholarship Fund Listed

The goal for the Newark High School Alumni Scholarship fund has been partially reached. The committee has been collecting the high school alumni in and out of the state to contribute to the fund which provides \$100.00 each year to the most deserving member of the senior class.

This scholarship is given for the furtherance of the graduate's higher education. The following have contributed to the fund to date. Additions to this list will be published next week.

E. L. Richards, Irving Crowe, Helen Steel, Helen Steel, Edna Stengel, Catherine Collier, Florence Stengel, Paul Jaquette, Marie Morgan, Margaret Doyle, Laura Barlock, Albert Clark, Powell's restaurant, Deluxe, Bradford's Dress Shop, Katherine Williams, Shorty, Plunk Shoe Store, Virginia Eamon Vanant, Bessie Lockman, Gertrude Miller, Sara Slack.

RETRACTION
In the front page of the Newark Post, May 10 issue, stated that "H. C. Curtis was present at the May 10 Council Meeting" to protest the balance in the town treasury. It is regretted that a town treasurer was not present at the meeting. The balance on hand at any one time is \$7,000.00.

Received from Mr. C. Curtis by special delivery mail on May 10, 1945, a check for \$10.00. The check was cashed and the amount was deposited in the town treasury. The check was cashed and the amount was deposited in the town treasury. The check was cashed and the amount was deposited in the town treasury.

Legion Memorial Day Vesper Services At Mitchell Hall

J. Allison O'Daniel Post No. 10, American Legion, plans for Memorial Day exercises include special services to be held at Mitchell Hall on Sunday, May 27, at five o'clock. P. M. Mayor C. C. Hubert will preside with local ministers taking part in the services.

The address will be delivered by the Rev. Andrew W. Mayer, Chaplain of the Department of Delaware, American Legion. The Junior Auxiliary of the American Legion Auxiliary will place a wreath in the Memorial Library. They will be escorted by Boy Scouts of New York Troops No. 55 and 56. Taps will be blown by Clifford Moore.

On Saturday, May 26, members of the J. Allison O'Daniel Post No. 10 will decorate the graves of veterans in the fifteen cemeteries in and around Newark.

MANY AID IN RECENT CLOTHING COLLECTION

Harry L. Bonham Extends Thanks For Unstinted Cooperation

In extending his gratitude to all individuals and organizations who contributed to the success of the recently concluded clothing collection here, Harry L. Bonham, general chairman, stated 98 cases of clothing, weighing 12,960 pounds were collected.

Clothing used for the collection were contributed by Jackson's Hardware while all packing cases used were contributed by the Continental-Diamond Fibre Co. and the National Vulcanized Fibre Co. The Cooch's Bridge Chapter DAR contributed \$10.00 to help pay printing expense.

Assisting Mr. Bonham on the committee were: E. Newman Rose, secretary; Dr. C. R. Kase, chairman special events; Mrs. C. Cuthbert Webber, chairman Newark collections; Mrs. M. M. Daugherty, chairman rural collections; Geo. M. Haney, chairman sorting, packing and shipping; Harvey W. Gregg, in charge of shipping; Fred C. Evans, chairman of reports; J. H. Rumer, chairman of publicity.

Organizations and individuals assisting in the drive were: Newark Country Club, Lions Club, Rotary Club, American Legion, U. of D. Newark Public Schools, New Century Club, State Theatre, Chamber of Commerce, Junior Chamber of Commerce, American Legion Auxiliary, Navy Mothers, Business and Professional Women's Club, Curtis Paper Co., Newark Merchants, Postoffice, Presbyterian, Episcopal, Methodist, Catholic and Grace Pentecostal Churches, Mrs. F. Alyn Cooch, Mrs. Frank Jamison, Mrs. J. Fenton Daugherty, Mrs. R. W. Heim, Mrs. J. B. Crookshank, Mrs. E. L. Richards, Mrs. Alex Cobb, Mrs. Everett Johnson, E. A. Curtis, E. L. Shakespeare, Louis Handloff, Geo. Jackson, C. E. Rittenhouse.

LIONS HEAR FIBRE TALK BY JAHNS

3 Generations Of Sheaffers At Meetings

President Fred C. Evans conducted the weekly dinner meeting of the Newark Lions Club, held Tuesday evening at the Country Club. A. F. Fader announced 7th War Loan Bonds and Stamps sold in the amount of \$3,797 bringing the club total to \$308,252.25.

W. T. Gregg, program chairman, introduced F. W. Jahns of the Continental-Diamond Fibre Company who spoke on plastics, fibre glass and some wartime developments of laminated products. Important developments and new products have made vital contributions in our progress against the enemy, Mr. Jahns said.

U. J. G. Robert P. Sheaffer, who has spent several months as a fighter pilot in the Pacific theatre, was the guest of his father, Harold Sheaffer, at the meeting. M. S. Dale and Charles R. Dale, secretary of the Leavenworth, Pa. Lions Club, were guests of Paul D. Lovett. Sydney Roberts, of the Washington Associated Press bureau, was the guest of William O. White.

Three generations of Sheaffers were represented at the Tuesday meeting. J. Newton Sheaffer, a charter member of Newark Club, was present with his son, C. Harold Sheaffer, Commander of the J. Allison O'Daniel Post No. 10, American Legion, who also had his son, Lt. Robt. P. Sheaffer.

CENTURY CLUB FINAL MEETING MONDAY

Dr. Jos. Gould To Discuss Recent Trip To China

An illustrated lecture by Dr. Joseph S. Gould, head of the department of Economics and Business Administration at the University of Delaware, will conclude the current season's program of the Newark New Century Club.

The final meeting of the summer will be held Monday afternoon, at the clubhouse, with Mrs. Richard Snyder, president, conducting the business session at which time remaining reports of officers and committee chairmen will be given.

Dr. Gould will show pictures taken during his trip to China during the past winter and will talk chiefly about China and his personal experiences and reactions to Chinese practices and customs.

A large attendance of members is expected at this meeting which will be the last meeting before fall. Mrs. J. Irvin Dayett will be hostess at the tea which will follow the regular meeting.

MUSICAL ASSEMBLY AT SCHOOL WEDNESDAY

Two Groups And Solos Feature Program Under Miss Fitzsimmons

Two music organizations of the high school and several students rendering solos was the attraction at the assembly held Wednesday morning.

The very successful program was carried out under the direction of Miss Margaret Fitzsimmons with Bill Pie announcing the numbers. The school band opened the program playing four selections; the string march, "The Thunder", in which the Drum Majorettes took part, a second march entitled "The Liberty Bell", a concert selection, "Overture Americana", and "The New Colonial March". Second on the program was the Mixed Chorus of seventy voices singing two well-known compositions. The first was the reverent "The Lord's Prayer", and the second the rollicking, seasonal "Come to the Fair".

Individual talent at the school was in abundance in both number and ability. Doris Carson played Rachmaninoff's "Prelude in C Sharp Minor" followed by a clarinet solo by John Golder who played the difficult and interesting "German Dance" by Mozart. He was accompanied at the piano by Doris Carson. Jean Hillman sang Schubert's famous "Ave Maria". Doris Carson provided her accompaniment. John Peck, a young member of the band, played a clarinet solo, "Goin' Home", by Dvorak, with Miss Fitzsimmons at the piano. Charles Lebegern sang two favorite American semi-classics, "Night and Day", and "Old Man River". Joan Ross sang "Begin the Beguine" with Annette Steiner accompanying her. Dorothy Draper accompanied Mary Frances Champion who sang "Pale Hands". Sam Lockerman sang the perennially popular "Star Dust" and a new song entitled "Dream". The solos were concluded by a piano solo by Irene Swain who played Tchaikovsky's first "Piano Concerto" "Clair de Lune" by Debussy.

13 BLOOD DONORS

Newarkers had a share in one of the most important of all services of the Red Cross last week when thirteen local men and women donated blood at Wilmington.

The mobile unit comes to Wilmington only once a month but employs many of the large industrial companies fill all dates on alternate months.

Mrs. R. L. Burnette is chairman of the committee in Area Number One assisted by Mrs. James Leitch. The list of donors from Newark last week included: Mrs. A. D. Cobb, Mrs. J. D. Counahan, Mrs. George Baker, Mrs. A. J. Mix, Miss Amy Rextrew, Dr. David Gottlieb, C. W. Woodmansee, Mrs. Page Vannoy, Mrs. A. B. Currinder, Mr. and Mrs. Stephen Barczski, Mrs. Rose Hudson, Mrs. George Danneman, Mrs. Samuel Handloff.

HUNTINGTON TO ADDRESS 1945 N. H. S. GRADUATES

Average Class Commencement To Be Held At School, June 6

Lt. Colonel Park W. Huntington, Wilmington pastor prior to the war and presently in the United States after serving with the 198th in the South Pacific theatre of operations, will deliver the commencement address to Newark High Schools 1945 graduating class in the high school auditorium at 8:30 P. M., June 6. Superintendent C. E. Douglass announced this week.

While it is not possible to state accurately just how many will graduate this June, Mr. Douglass estimated that the class would be about average with possibly from seventy to seventy-five receiving diplomas at the exercises. Names of the graduates will be published next week.

Superintendent Douglass will introduce the class of 1945 at the exercises with Robt. S. Gallaher, president of the Newark Special District Board of Education, will present the diplomas.

The baccalaureate sermon for the graduating class will be preached this year by the Rev. A. J. Jackson, pastor of the Newark Methodist church, at the evening service of that church on June 3.

CHERPAK NEW ALUMNI PRESIDENT

Geo. A. Harter Scholarship Goal Near

The fund campaign of the Alumni Association of the University of Delaware has neared its goal. It was announced at the annual meeting of the association Saturday at the university. A total of \$8,271.46 has been received toward the \$8,500 goal.

It was announced that \$1,500 of the fund is designated to set up the George A. Harter Scholarship fund. To date 1,007 persons have contributed. Roger W. Fulling is chairman for the drive.

Officers elected at the meeting were: President, Joseph M. Cherpak, Wilmington, class of 1920; vice-president, Emory W. Loomis, Lansdowne, Pa.; treasurer, Alexander J. Taylor, Jr., Wilmington, 1930; members of the Alumni Council at large, Jefferson F. Pool, Wilmington, 1921, and Paul D. Lovett, Newark, 1918; and nominating committee, Harry L. Maier, Jr., 1929; Lieut. David E. Anderson, 1930, and Mr. Fulling, 1932, all of Wilmington, and W. Leslie Beck, Drexel Hill, Pa., 1913.

John De Luca was nominated as alumni member of the governing board of physical education and athletics. John Munroe, executive secretary, gave a report of association activities, which consist chiefly in keeping the more than on-third of its members in the service, in touch with university affairs.

Harry W. Loose Jr., retiring president, presided. Mr. Taylor gave the treasurer's report.

LEGION MEETING

Vet Benefits Are Outlined

The procedure necessary for veterans of World War II to secure benefits available to him through the agencies set for that purpose were discussed at the J. Allison O'Daniel Post No. 10 meeting held Tuesday evening.

Commander Harold Sheaffer presided over the meeting with Allyn Cooch acting as program chairman. Robert E. Lundberg, manager of the Veterans Financial Advice Service, discussed loans available for buying homes or businesses and outlined restrictions governing these loans.

John P. Benson, Veterans Placement Representative, discussed various phases of the G. I. Bill of Rights relative to employment and re-employment of veterans.

The local Legion post offers to any veteran who needs aid, the services of its Service Officers, James Q. Smith, and Rev. A. W. Mayer.

Broadcast To Honor U. of D. ASTRP, Friday 9:30 P. M.

The University of Delaware will be honored for its Army Specialized Training Reserve Program in a broadcast by Station WNEW, of New York City (1130 on the dial) on Friday, May 25, from 9:00 to 9:30. This is one of a series of broadcasts arranged by the Southern New York Recruiting and Induction District Office for several eastern colleges, including New York University, Rutgers, and Syracuse.

Miss Lorraine Rhodes, of the Recruiting and Induction Office Staff, is in charge of the broadcast and will prepare the script so as to give a faithful portrayal of the atmosphere of the college in which the ASTRP unit is stationed. The broadcast will include a brief history of the University and its traditions, an address by Lt. Alan T. Schumacher, Adjutant of the military staff of the University, the Alma Mater song and other music.

ST. JOHN'S CHURCH MAY PROCESSION ON SUNDAY

Newman Club Will Receive Communion At 8:30 Mass

The Newman Club of the University of Delaware will receive communion in a body at the 8:30 mass at St. John's R. C. Church, Sunday, May 27, and will be guests of the parish at a communion breakfast at 9:45 A. M., at the Deer Park Hotel. This is the first of what is expected will become an annual occasion. Francis E. B. McCann, Jas. J. Counahan, Ed. Sobolewski, Mrs. E. Z. McKelvey and Mrs. Paul Pie will act as hosts on behalf of the parish. The Men of St. John's will hold their monthly meeting at the State Theatre at 8 o'clock that afternoon.

There will be a May Procession at 3 o'clock at the church by children of the Sunday School. Joseph Garvey will be the cross bearer; Joan Stiltz will crown the statue of the Blessed Virgin, her attendants being Joseph Tierney and Mary Ellen Foster. The banner will be carried by Theresa Tierney and ribbons by Theresa Duffy, Dorothy Aulen, Gene Stiltz and Clara Robinson.

The acolytes will be Joseph Stout and Edmund Stout. The crowning hymn will be sung by Janice Olsen. The organist will be Mrs. McCann and the choir will be under the direction of Mrs. Delaney. Catholic Boy Scouts will participate in charge of Sammy Talucci.

Men of the parish are asked to report at the cemetery at 1 P. M., Saturday with lawnmowers and other equipment in an endeavor to make the cemetery presentable for Decoration Day.

It has been announced that Rev. E. J. Kraemer is historian for the committee that will present Frank E. Schoonover's portrait of Sgt. James P. Connor to the State at ceremonies in Rod-nor Square at 3 P. M., June 1, on behalf of the parochial school children.

WILKINSON SERVICES TOMORROW

W. A. Wilkinson's Sister Succumbs In Wilmington

Miss Jayne Wilkinson, sister of Professor W. A. Wilkinson, of the University of Delaware, passed away in Wilmington on Tuesday, May 22, after a prolonged illness.

Miss Wilkinson was a native of Missouri but came east about five years ago to make her home in Delaware. She was a graduate of the State Teacher's College at Warrensburg, Mo., and of the State University at Columbia, Mo., and had done post-graduate work at Columbia University in New York City.

She was a high school teacher in her native state until the failure of her health compelled her to give up her teaching career. She was a member and an active worker in the Baptist Church. She leaves three brothers and several nephews and nieces. The brothers are: James R., of Long Lane, Mo.; John R., of Buffalo, Mo.; and William A., of Newark.

Funeral services will be conducted by Dr. A. J. Jackson, pastor of the Newark Methodist Church, at 2:30 Friday afternoon at the R. T. Jones Funeral Parlor. Private interment will be made in the Newark Methodist Cemetery.

FRIDAY, SATURDAY ARE POPPY DAYS HERE

Auxiliary To Sell Flowers On Streets For World War Vets

Tomorrow, May 25, Americans all through the nation will pay tribute to their countrymen who have died in two great World Wars by wearing a red poppy.

In Newark, as in every other city and town all over the country, the women of the American Legion Auxiliary will be on the streets with baskets full of poppies for sale. This large corps of volunteer workers, organized by Mrs. Paul D. Lovett, Poppy Chairman, will set to it that everybody in the town has an opportunity to buy a poppy.

Disabled war veterans—young ones from this war, older ones from the last—made these poppies. These men who have been working in the hospital during the winter and spring to have the little flowers all ready for Poppy Day have benefitted not only financially but mentally as well. To be able to earn money, to have a pleasant occupation has done a great deal to maintain their interest in life.

The memorial flowers have small intrinsic value, but the buyer can give for one whatever he feels he can for this symbol of the sacrifice made by some of his countrymen. All the money contributed goes into the Legion and Auxiliary rehabilitation and welfare funds and forms a large part of these funds which do so much to help the disabled veterans, their children and the children of the dead and disabled, of both wars.

Last year the Auxiliary distributed more than 19,000,000 poppies and as another year of war drags along, as more soldiers are killed or disabled, as more families feel the personal tragedy of war, it is expected that the public's wish to wear the badge of honor and tribute will be greater than ever. The local Auxiliary Unit will make a poppy available to every citizen tomorrow.

DOUGLASS HONORED AT DINNER

Faculty To Give Dinner At M. E. Church

A farewell dinner honoring Carleton E. Douglass, who terminates eleven years of service to the community as superintendent of schools in the Newark Special District, will be given at the Methodist Church this evening, at 6:30 o'clock.

Faculty members of the Newark Schools are working together to make this event an outstanding success and one that will pay due tribute to Mr. Douglass' years of active service in behalf of the local school system.

Stanley Gibbs will act as master of ceremonies and present Mr. Douglass with a gentleman's lounge chair on behalf of the entire faculty.

A brief program of entertainment is being arranged. There will be group singing, a solo by Mrs. Catherine Gibbs, piano numbers and a short talk by Miss Anne Gallaher.

Mrs. Douglass together with husbands and wives of other faculty members will attend as guests. About fifty persons are expected to be present.

LIONS CLUB OFFICERS

The Newark Lions Club nominating committee, consisting of Paul D. Lovett, Daniel Stoll and William A. Marrs, has submitted its slate of officers for next year, to be voted on by the club at its June business meeting.

Officers recommended by the committee are: President, T. D. Smith; First Vice President, Ira C. Shellenbarger; Second Vice President, Jas. D. Counahan; Third Vice President, Leonard Fossett; Treasurer, Carroll W. Mumford; Lion Tamer, Daniel O. Wolfenbarger; Tail Twister, William O. White, and R. C. Trumbull and Lish Rahn are submitted for two year directors.

The election of officers will take place at the next business meeting of the club which will be on Tuesday evening, June 4. The officers then elected will take office at the first meeting in July.

DELAWARE FARM FRONT THIS WEEK

WPB Approval On Electrical Work Revoked

Utilities may now make electric extension and connections as they desire without WPB approval, being limited only by Order U-1 which automatically permits expenditures up to \$25,000 for materials for minor capital additions. A minor capital addition can include any continuous extension of lines. The WPB revoked all Supplementary Orders in the U series controlling extensions of electric utility lines and connections to farms on May 12, 1945. While utilities are not required to give preference in making connections to farmers who have outstanding certifications from county AAA committees issued prior to May 12, they are urged to give preference to farms where use of electric power can be expected to result in substantial increases in farm production or savings of labor.

Farmers and rural areas generally are assured equal opportunity to supply their needs out of surplus property as it becomes available according to the Surplus Property Board. The Board's regulation No. 3, effective June 1, sets up procedures for channeling critically needed trucks, machinery and equipment into agricultural uses. The Surplus Property Act of 1944, giving special recognition to American Agriculture, provides that the Board, in cooperation with WFA, shall arrange for sale of surplus property in rural localities in such manner to assure farmers and farmers' cooperatives to buy. First and second purchase priorities are given state and local governments, but trucks, machinery, and equipment in critical short supply will be distributed on the basis of greatest need.

Daily programs on the Delaware Farm and Home Hour are now scheduled into weekly series with personal participation of specialists and farm groups. Monday programs are on home food production and conservation; Tuesday, on dairy and livestock conservation; Wednesday, rural youth; Thursday, AAA and other agricultural agencies; and Friday, rural homemakers.

Farm families who prefer to hear this program some time other than the regular 1 to 1:15 schedule are urged to return questionnaire cards indicating the time most convenient for them to listen.

Ceiling prices for 1945 crop sweet potatoes will be increased 17 cents a bushel, according to the War Food Administration and Office of Price Administration. This will mean that ceiling prices will average \$2.75 per bushel over the season at Sunset, La., the basing point. The season average for the 1944 crop was \$2.58 per bushel. Ceiling prices on the 1944 crop f. o. b. the basing point at Sunset, La., graduated from \$1.90 per bushel during the main harvesting period to a high of \$3.15 per bushel late in the storage season. Upward adjustments in these prices will be made for 1945 to reflect the new average price of \$2.75 per bushel. This increase has been granted as an incentive for increased production.

Rather than improving the textile bag situation, Victory in Europe has intensified the problem. Increased relief feeding means more bags for shipment of food. And once on their way these bags are gone forever as far as the American farmer is concerned. This and other causes add up to a 20 per cent boost in the demand for textile bags in agriculture this year — and allocations for material from which these bags are made are running more than five per cent under last year. So more than ever farmers and agricultural industries should conserve all possible bags and return them to trade channels as quickly as they can.

Proposed amendments to the marketing order regulating handling of milk in the Philadelphia marketing area have been submitted to producers and handlers for industry comment and suggestions by the WFA. Principal provisions of the proposed amendments call for (1) change in the "producer" definition to clarify the status of producers supplying fluid milk to the Philadelphia area, (2) increase from 4 to 5 cents in producer butterfat differential used in paying producers, (3) and revision of the rule for classifying emergency milk.

IN THE SUPERIOR COURT OF THE STATE OF DELAWARE IN AND FOR NEW CASTLE COUNTY

IN THE MATTER OF THE PETITION OF MARVIN ZEITZ AND ELINORA M. ZEITZ, HIS WIFE, AND JAN ZEITZ, MINOR CHILD, FOR CHANGE OF NAME TO THE HONORABLE THE JUDGES OF THE SUPERIOR COURT OF THE STATE OF DELAWARE, IN AND FOR NEW CASTLE COUNTY.

The petition of Marvin Zeitz and Elinora M. Zeitz, his wife, and Jan Zeitz, minor child, respectfully represents: That the names of these petitioners are Marvin Zeitz, Elinora M. Zeitz, and Jan Zeitz; that Marvin Zeitz was born at Philadelphia, Pennsylvania, on February 21, 1922 and is now 23 years of age; that Elinora M. Zeitz was born at Wilmington, Vermont, on September 9, 1922 and is now 22 years of age; and that Jan Zeitz was born at Wilmington, Delaware, on May 14, 1945 and is now less than one month old; that all the petitioners with exception of the said minor child, who is less than one month old, have been for the last two years and now are, bona fide residents of New Castle County and State of Delaware; that they desire to assume the names of Marvin Zeitz, Elinora M. Zeitz, and Jan Zeitz, respectively. The petitioners therefore pray that

their names be changed as follows: from Marvin Zeitz to Marvin Zeitz; from Elinora M. Zeitz to Elinora M. Zeitz, and from Jan Zeitz to Jan Zeitz, pursuant to the provisions of the Act of General Assembly of the State of Delaware, in such cases made and provided.

STATE OF DELAWARE
OFFICE OF SECRETARY OF STATE

1. WILLIAM J. STOREY, Secretary of State of the State of Delaware, DO HEREBY CERTIFY that the above and foregoing is a true and correct copy of Certificate of Reduction of Capital of the "ATLANTIC CITY STEEL PIER COMPANY," as received and filed in this office the fifteenth day of May, A. D. 1945, at 9 o'clock A. M.

In Testimony Whereof, I have hereunto set my hand and official seal, at Dover, this Fifteenth day of May in the year of our Lord one thousand nine hundred and forty-five.

WILLIAM J. STOREY
Secretary of State

(SEAL)
Received for Record
May 15, 1945
Burton S. Heal, Recorder
5-11-24-31

CERTIFICATE OF REDUCTION OF CAPITAL
The IRWIN-HARRISONS-WHITNEY, INCORPORATED, a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

1. That on the 23rd day of April, A. D. 1945, there was filed with said corporation the written consent of the holders of record of all of the shares of the corporation outstanding and having voting power, authorizing a reduction of the capital of the corporation from \$1,200,000.00 to \$800,100.00 by the cancellation and retirement of 3,999 shares of the no par value stock of the corporation owned by the corporation, and the ensuing to reason of said cancellation and retirement of the sum of \$399,900.00 against the capital of the corporation, being and average paid-in value of said shares to be cancelled and retired.

2. That the capital of the corporation has been reduced from \$1,200,000.00 to \$800,100.00 in the manner as set forth above.

3. That the assets of the corporation remaining after such reduction are sufficient to pay any debts the payment of which have not been provided for.

IN WITNESS WHEREOF, said IRWIN-HARRISONS-WHITNEY, INCORPORATED, has caused its corporate seal to be affixed and this certificate to be signed by P. C. Irwin, its President, and A. G. Richardson, its Secretary, this 23rd day of April, 1945.

BUY WAR BONDS HERE

Did you know this fact about "E" bonds?

You make money faster the longer you hold your "E"

War Bonds. If you study the redemption chart, printed on each bond, you will see that the last four years are the "harvest" years. Your bond increases in value during each of these years twice as fast as it did in any previous year.

Holding your "E" Bonds until they come due is just another way of putting extra dollars in your own pocket.

NEWPORT TO VOTE ON BOND ISSUE ON JUNE 2

New Twelve Room School Is Proposed For Newport

The Krebs School Parent-Teacher Association held its monthly business meeting Thursday evening, with David D. Richey, Principal of the School, presiding.

D. J. Richey, Principal of the School, presented to the assembly of parents and interested folks of the community the proposed building program. He stated that the State Legislature had appropriated the sum of \$100,000 for a new twelve room school, provided the school district will float another \$100,000 bond issue. It is the plan to make the Krebs School a Junior High School, if the building program is favored in the community. The additional facilities would comprise twelve classrooms and auditorium. The additional classrooms would comprise twelve classrooms and auditorium, some to be erected on the present school site, with connecting points to the present school building.

Following a general discussion of the subject, the P. T. A. resolved that it is in favor of the new building program of Krebs School, and heartily endorsed the \$100,000 bond issue which is necessary to establish same. A Referendum Vote will be taken in the school district on Saturday, June 2nd, from 10 A. M. to 6 P. M. Members volunteered to work for the project and to serve at the election on June 2nd.

June 3rd will be "Student Day" in the Newport Methodist Church, and at 6:30 P. M. the Children's Day Program will be presented.

June 10th at the 11 A. M. Service there will be a special "Crusade for Peace" Service, at which time the church quota of \$1,339 will be raised. The Rev. Paul E. McCoy, Pastor, is sponsoring a special service.

The Boy Scout Committee of Newport held a session this week, at which a Board of Review took place. Robert Stradley was advanced to a second Class Scout. The members of the Scout Troop No. 73 enjoyed an overnight trip last week to Maclary's Woods. There were three Newport boys advanced to higher rank, namely Daniel Stradley to a Star Scout; Robert Sacks to an Eagle; and William Butterbaugh to a Palm Scout.

On Friday evening, May 25th, there will be a Banquet and Mortgage Burner held in the Newport Methodist Church. Dinner will be served by the S. C. S. at 6:30 p. m., and Edwin Hughes, Retired Bishop, will be the guest speaker. Mrs. W. F. Klund is chairman of decorations, and is being assisted by Miss Margaret Groome, Miss Frances Ball and Mrs. Paul McCoy. Mrs. J. B. Hambleton is chairman of Dining Room arrangements, and is being assisted by members of the West-Port Guild and young girls of the M. E. Church. Mrs. William Hanna is chairman of the Entertainment Committee. Reservations are limited to 175 guests, and should be made with Miss Lela A. Lynam. D. J. Richey, Principal of the Krebs School, announces that the Graduation exercises to the school will be held in the school auditorium on the evening of June 7th. There will be 51 members of the 1945 class.

Miss Mildred Gee, a member of the Krebs School faculty has been confined to her home this week by illness. Mrs. Joseph McVey of Newark has been substituting at the school. Miss Gee returned to the school yesterday.

Roast Supper will be served in St. James P. E. Church Parish House on Thursday evening, 5 to 7 p. m. Proceeds from the supper will be used for choir vestments. Mrs. John Stradley, Jr., is chairman of arrangements, and is being assisted by Mrs. W. Webberell.

BROWN ON DESTROYER

Local Boy In Ship's Band

According to an undated release just received from the Fleet Distribution Center, David Shelby Brown, 21, Son of the late David Brown, is now stationed aboard a destroyer last known to be in an escort of the Atlantic Fleet. David is a member of the V-E Day, it is reported that the location of the destroyer has been changed since this item was published.

Brown is the son of Mr. and Mrs. E. Brown, 157 Elton Road. He was all-around athlete for two years and played basketball throughout the state. He plays alto saxophone and the clarinet in his ship's orchestra and took part in a musical review consisting of musical specialty and comedy numbers, given at an overseas base.

Brown wears the American Theatre of the European-African-Middle Eastern ribbon. A brother, Jacob, 22, is a first air cadet at Corpus Christi.

Memorial Day Services At Head Of Christiana Church

Services will be held in the morning at the Head of Christiana Presbyterian Church, on Sunday, May 27.

Sunday School will begin promptly at 10 o'clock a. m., with Frank H. Butterworth, superintendent, in charge. The lesson topic to be discussed by the various classes will be, "The Returned Exiles and Their Work".

Morning worship will be held at eleven o'clock. Norman L. Sharp, of Wilmington, will supply the pulpit in the absence of the pastor, Evan W. Reese, who is attending General Assembly at Minneapolis.

The choir will present a Memorial Day anthem "In Sacred Memory". All are invited to attend.

SERVICE OFFICER NAMED

Rev. Mayer To Aid Discharged Service Men

Rev. Andrew W. Mayer, 116 West Amstel Avenue has been selected as the new Service Officer for J. Allison O'Daniel Post No. 10, American Legion, according to an announcement made by Commander Harold Sheaffer.

Commander Sheaffer is anxious that this information get into the homes of all returning veterans, as the Service Officer can be of invaluable assistance to discharged service men in explaining to them their rights and privileges.

"Many of the men recently discharged are not at all familiar with the benefits due them under the G. I. Bill of Rights or with the money they can get as mustering-out pay," said Commander Sheaffer. He cited an example of one local veteran who had been discharged for 1 and one-half years and did not know how to go about getting his mustering-out pay.

Rev. Andrew Mayer will help any honorably discharged veteran secure hospitalization free of charge, to which he is absolutely entitled.

Mr. Sheaffer very carefully pointed out that very few people realize that a veteran who dies is entitled to a headstone, and the government will provide for a part payment of \$100 towards the funeral expenses of any honorably discharged veteran.

It is further stressed that the services of the Service Officer are offered without charge to any discharged serviceman; he does not have to be a member of the American Legion.

Christiana School Collects Waste Paper

The Christiana School gathered approximately one ton of waste paper and tin cans in a drive recently held at the school. Paper trooper badges were given to those pupils who brought in 100 lbs and a chevron for each additional 100 lbs.

The war bond and stamp sale for this week amounted to \$1,169.20. The first, second, fifth and sixth and seventh grades had 100 per cent pupil participation in the buying of war stamps.

MARTIN AT NORFOLK

Walter Martin, 18, seaman, first class, USNR, recently arrived at the Naval Training Station, Norfolk, Va., to train for duties aboard a new destroyer of the Atlantic Fleet.

He wears ribbons for the American Area and European-African-Middle Eastern Area campaign.

Martin is the son of Mr. and Mrs. John Martin of Academy Apartments. Before enlisting, he attended Newark High School.

Civilian Food Supply Decreased 5 Percent

The Agriculture Department said Friday that the civilian food supply for 1945 will be five to seven per cent below the 1944 level but about two to four per cent above the 1934-39 average.

Chief shortages will be in supplies of pork, lard, butter, fats and oils, sugar and canned fish. Shorter supplies of canned fruits and vegetables, evaporated milk and chicken are also expected due to larger non-civilian requirements.

On the credit side, there will be a larger supply of eggs, fluid milk, skim milk, by-products, fresh vegetables, canned fruit juices, fresh and frozen fish and grain products, with the exception of rice in some areas.

Production of food crops and livestock in 1945 will be about 32 per cent above the 1935-39 level but approximately five per cent less than the 1944 record.

SPECIAL ATTENTION HOUSEWIVES

During the last two weeks of May, I will again be in Newark and rural sections to offer expert service on any make sewing machine or vacuum cleaner.

I will thoroughly check, oil and adjust these appliances for \$1.50 in town and \$2.00 in rural sections.

At this special price you can't afford to neglect protecting these hard to get appliances.

"None in a hopeless condition — parts and supplies for all makes".

If you have any old sewing machine or vacuum cleaner for sale, get my offer.

Rebuilt electric and treadle sewing machines for sale.

Don't miss this opportunity. Tell your neighbor of this special service.

Newark, Delaware, Thursday, May 25, 1945

CLEAN MILK BOTTLE CAMPAIGN

A plea for clean milk bottles to be returned to the dairies is being made by R. C. Beckett, director of the Division of Sanitation of the State Board of Health, who points out that even the best mechanical washing equipment in pasteurizing plants will not thoroughly clean some of the dirty bottles which are being returned now by careless housewives, restaurants, and school cafeterias. Dirty bottles endanger the safety of Delaware's Milk Supply.

A safe milk supply for Delaware is one of the aims of the Sanitation Division and to that end inspectors are constantly visiting farms where milk is produced to inspect the cleanliness of the barns and equipment. Samples of the milk are taken by the inspectors to the State Board of Health laboratory in Dover where it is tested to find out how much bacteria it contains. The amount of bacteria in the milk determines whether the producer is graded A, B or C.

Much of this work of the producer and inspector is in vain if dirty bottles are returned to the plants and these cannot be thoroughly cleansed before the clean milk is placed in them.

As summer approaches so do the flies, and dirty bottles attract these disease-carrying insects. Feeding in the bottles, the flies are carried into the dairyman's plant and further endanger the milk supply which is being processed, cooled and bottled here.

That a cold water rinse immediately after use is the easiest approach to the clean milk bottle problem, is pointed out by Mr. Beckett, who appeals to all home-makers, restaurants, school cafeterias, drug store fountains and others using milk to return clean bottles to the dairies.

Recently a survey has been made of the various pasteurizing plants and through them the Division of Sanitation has attempted to make up a list of those who have been returning their bottles in a filthy condition. It has been found that many cafeterias and restaurants do not even take the trouble to remove bottle caps or the used straws before piling up the bottles for return. Letters have been sent throughout the state by Mr. Beckett asking that care be taken that reasonably clean containers are returned.

This health problem has been presented to the Delaware Congress of Parents and Teachers and Mrs. John W. Reynolds, president, and Mrs. J. D. Chalfant state health chairman, have pledged the assistance of nearly 7,000 Congress members to the "Clean Bottle on the Doorstep" campaign. They also promised to try to assist with the school cafeteria problem where thousands of small milk bottles are used daily.

BLOWING OUR CAPITAL

Too much credit for the performance of medicine on the battlefield has gone to new discoveries such as penicillin and the sulfa drugs. The miraculous medical record in this war could not have been attained, wonder drugs or no wonder drugs, but for the character of training received by thousands of doctors prior to Pearl Harbor. It could not be attained by the training which our military policy permits at the present time. Courses have been shortened so that doctors being sent overseas as replacements are only "half trained" in the opinion of one very good authority who should know what he is talking about. That authority is Dr. Everts A. Graham, Professor of Surgery at Washington University School of Medicine, in St. Louis. He was a major in the Army Medical Corps, in World War I. He is a past president of the American College of Surgeons and was a member of a committee appointed by the Secretary of War in 1942 to study the medical needs of the Army.

In describing the way the Army has drawn on qualified medical personnel without providing for adequate replacements, Dr. Graham states: "We have been spending our capital. It would be more precise to say that we have blown it in all at once. Except for the physically disqualified, there are practically no young men outside of the armed forces who have had the training equal to that which those have had who are making it possible for the Surgeon General of the Army to extol the splendid record being accomplished."

"In defense of their policy which wrecks the plan of educating medical specialists, the Army and Navy have stated that the war has made it necessary to interrupt the program of civilian training in all fields, and they call attention to the similar destruction of the previous civilian educational plan for the training of engineers. But is this parallel a good one? We can get along for a period of years, as we always do during wartime, without new bridges, new roads, new buildings. But there is no moratorium on sickness and death."

We cannot continue to expect miracles from the medical profession if we do not permit rising young doctors the time to get the best training that science can provide.

FREE TO DREAM

"In spite of wars, depressions and disasters, the average American of today is better fed, better housed and better clothed than the people of any nation ever were in all the world's history. This condition is because our citizens have been free to dream and study and think and plan, and have been able to make their dreams come true."

The above remark was made by a man who knows whereof he speaks. His name is William R. Boyd. He is president of the American Petroleum Institute and, like countless other oilmen, he started from the bottom.

Keeping our nation a land of opportunity for individuals with dreams should be the foremost postwar goal of all of us.

TAX POLICY

The political prophets and newspaper commentators in Washington are predicting new tax policies during 1945, and they base their statements on the fact the new President will sponsor changes in the methods of taxation to encourage business and make it possible for hundreds of thousands of business firms and industries to increase their activities and employ more workers. This sounds pretty good. It may be true—we hope!

GETTING READY TO GO

The political and business interests of the country have been in agreement on plans to hold up reconversion until all the trouble is over, over there. Nevertheless there are definite indications that gasoline is due to ease, despite military denials; that household equipment stands high on the WPB priority list for reconversion. To cut the whole item short it may be definitely stated that business is looking ahead.

FINAL PTA MEETING AT STANTON

Student Bond Purchases Go Over The Top

Pupils of the Stanton School went over the top this week and stepped up their War Bond Purchases to \$1,668.80. The quota set by the War Finance Committee for the Stanton School is \$3,240, and they have already sold \$2,611, leaving a balance of \$628 over the next three weeks before the close of school. Mrs. Mae Betz' seventh grade pupils purchased \$716 worth of bonds, with every pupil in the class participating, which was a wonderful record for that group.

The Stanton School Parent-Teacher Association held its monthly business session Wednesday evening, with Mrs. Emily Lucas, President, presiding. Miss Catherine Cheney reported that the new American Flag for use at the school, and a gift of the P. T. A. was now in use.

The guest speaker at the P. T. A. was Gilbert Donagan, President of the P. T. A. of the Lore School of Wilmington, and Chairman of the Budget Commission of the Delaware State P. T. A. He stressed the need for an interchange of ideas and cooperation among the local, State and National P. T. A. organizations.

Mrs. Lucas has resigned as President of the P. T. A. and Mrs. Charles Bickling will assume the duties of President, beginning with the fall session.

The Married Women's Class of the Stanton Methodist Sunday School held its 11th Annual Banquet Monday evening in the Church Dining Room, with 40 members and friends attending. The Rev. and Mrs. Walter Green were guests of honor.

The Seventy-Fifth Anniversary and Ladies Night Celebration of Armstrong Lodge No. 26 A. F. & A. M. last Saturday evening will go down in the history of the Lodge as a gala affair. The party was attended by approximately 335 members, their wives and friends. Dinner was served at 6:30 in the Banquet Room of the Masonic Temple, by a Philadelphia Caterer.

HUDSON PROMOTED

Word has just been received from Key Field, Miss., that Corporal Lloyd A. Hudson, 28, son of Mrs. Anna Hudson, Pottstown, Pa., has been promoted to Sergeant.

A gas unit operator in the Third Air Force installation, Sgt. Hudson is a veteran of 21 months service in the European Theatre of Operations. He was inducted into the service on October 8, 1941.

Sgt. Hudson is the husband of the former Miss Mary Dotter who was employed at The Newark Post until about a year and a half ago.

GARDEN NOTES

Grow Your Own — Be Sure

Cultivation

After the garden has started to grow, one of the first jobs is to keep the weeds down. These weeds rob the cultivated plants of water, nutrients, space and light. The sooner you kill the weeds, the easier the job will be and the less damage they will do. Shallow cultivation to the depth of one inch is all that is necessary. Usually it is only necessary to cultivate after each rain or irrigation just when the weed seedlings are breaking through the soil surface. Cultivation after each rain will also leave the soil in loose condition to absorb later rainfall.

Thinning

Vegetable seeds are almost always sown from two to three times as thick as is desirable for the plants to stand. These surplus plants should be removed while the plants are small, so the roots of the remaining plants will not be disturbed. The proper thinning or spacing distance for some of the most common vegetables is as follows:

Snap beans — 6 to 8 inches apart in the row.
Bush lima beans — 6 inches apart.
Carrots — 1 to 3 inches apart.
Beets — 3 inches apart.
Sweet Corn — 10 to 18 inches apart.
Cucumbers — 2 ft. to 4 ft. apart in hills.
Radishes — 1 to 2 inches apart.

For information on other vegetables contact the County Agent, Ralph Watson, Newark, Delaware.

LICENSE APPLICATION

Letters To The Editor

No one denies that our Congressmen are underpaid considering the great responsibility of their work and are entitled to an increase. However, such an increase should not be by way of a subterfuge.

Millions of white collar workers have had for years a ceiling on their salaries while the labor wage-earner has had increases with overtime and double time—They deserve consideration.

Corporations and Industry need relief from the Excess Profits Tax.

No one wants inflation and this does not mean necessarily inflation. Prices could be still kept at a fair level — Federal income from Taxes, no longer necessary for the War effort, would still be adequate by a re-distribution of funds that would take care of inequalities of salaries and a distribution to stockholders, and from the individual increases thus created the Government would receive both an increase in taxes from the individual tax-payer and undoubtedly put others in the tax-paying class.

There should be a new Cabinet office created that would be as in several States in their criminal practice — A Public Defender, so to speak. Not with similar duties but an office that would protect all citizens.

For a number of years we have heard of a Consumer of this or that Bureau or Commission but never once have we heard of anything being done in their interests.

Labor through its Unions have protected in many ways the interests of the wage-earner. Industry through its various Chambers of Commerce and Manufacturers Associations have put forward the difficulties of Capital — But all Citizens are Consumers and the present make-up of the Cabinet through its various departments have ably taken care of, we will say, the affairs of our Government assigned to them yet it is but natural that their proposals to Congress are from their own particular view point.

The Public is no longer blind to the "horse trading" that takes place in both the Senate and the House for the interests of the Several States. And the States themselves have not been slow in adopting any and all methods of taxing the individual citizens copying many of the forms of taxation and methods from those of our Federal Government.

In Washington's first administration the Cabinet consisted of the Secretary of State, Secretary of Treasury, Secretary of War, Postmaster General and the Attorney General.

The additional departments were established as the necessity arose — Secretary of Navy (1798), Secretary of In-

terior (1849), Secretary of Agriculture (1889), Secretary of Commerce (1903) and Secretary of Labor (1913). This last department originally in 1903 was part of the Department of Commerce and Labor before it became a separate office. All these changes and additions took place due to the changes in the economic life and development of our Country.

Now is the time for our authorities in Washington to consider a new member of this group, A Public Officer and Department that would suggest, advise, protect and defend the interest of all Citizens and prevent inequalities taking place wherever possible. Let us say a "Watch Dog" for the people.

Cigarettes At Armed Posts To Be Rationed

Cigarettes, cigars, and tobacco will be rationed in armed posts in Delaware, effective June 3, the Second Service Command announced last week. Posts in New Jersey, and New York are similarly affected.

Ration cards will be issued to military personnel, certain of their dependents, Italian service unit members and prisoners of war in compliance with a War Department directive, the announcement said.

Military personnel will receive six packs of cigarettes, 24 cigars or four ounces of smoking tobacco a week. The tobacco ration for Italian service unit members and prisoners of war will not exceed one-half the ration for military personnel, and prisoners of war will not be permitted to buy cigarettes and cigars.

Military personnel being prepared for overseas service, patients in regional and general hospitals, and personnel just returned from overseas and in redistribution centers will be allowed 10 packs of cigarettes, 32 cigars or eight ounces of tobacco a week.

ILL-BOUNDS ENGAGEMENT ANNOUNCED

Mr. and Mrs. E. A. Isbill of McGregg announce the engagement of their daughter, Miss Dawn Isbill, to Mr. Harvey C. Bonds, son of Mr. and Mrs. Harvey C. Bonds of West Chester, Ohio. Miss Isbill attended Mary Hardin College and was graduated from the Texas State Teachers College, San Marcos, Texas. Mr. Bonds was graduated from the University of Delaware in 1941 as a mechanical engineer. He is a member of the Sigma Phi Epsilon Fraternity and the Delaware Society. He is now at Camp Swift, Texas, with the 100th Central Postal Directory.

DOROTHY HOLTON WED L. HUTCHISON

Mr. and Mrs. William Evans Holton announce the engagement of their daughter, Miss Dorothy Hutchison, to Mr. L. Hutchison, son of Mr. and Mrs. L. Hutchison of the late Hutchison.

Miss Hutchison is a graduate of Wilmington Friends School and Rancolph Women's College, Lynchburg, Virginia.

Mr. Hutchison was graduated from the University of Delaware and was from overseas on temporary duty.

ESTELLE WHEELER'S WEDS TUESDAY EVE.

The Newark Chapter of the Women's Alumnae Association was entertained by Miss Estelle Wheeler at her home, 222 Orchard Road, on Tuesday evening, May 22.

The business meeting followed the supper. Greetings were extended by Miss Mary O'Neil, membership chairman of the Women's College Alumnae Association.

Officers elected for the coming two years were: Mrs. M. Elizabeth MacLary, president; Miss Mary Melvin, secretary; and Mrs. Helen Warren, business secretary.

DOROTHY CHERRY TROTHAL ANNOUNCED

Mr. and Mrs. Roy Cherry of Ridgefield announce the engagement of their daughter, Miss Dorothy Marie Cherry, to Mr. Charles R. Lewis, son of Mr. and Mrs. Raymond Lewis of Elkton, Maryland.

Miss Cherry is a graduate of the New York High School and attended the College of the Holy Cross, Worcester, Massachusetts.

Mr. Lewis is a graduate of the New York High School and of Goldey College, Delaware.

Miss Cherry and Mr. Lewis are employed in the office of the Continental Fibre Co.

COVERED DISH SUPPER WEDNESDAY, MAY 30

A covered dish supper will be served the evening of Wednesday, May 30, at the Sunday School Room of the First Christian Church. This supper is under the auspices of the Willing Church Society, and will be served 6:30 o'clock.

John E. Fredericks is chairman of the supper committee and will be assisted by Mrs. David Van Pelt and Mrs. Vannoy. The committee requests in addition to the price of the supper each one attending bring a dish and each family attending to bring a

COURT OF AWARDS GIRL SCOUTS

A. W. Perry was elected new chairman for the next year at the fifty meeting of the New Girl Scout Community Committee. Mrs. Perry succeeds Mrs. H. A. Dickert who has held the position for two years.

The annual Court of Awards was held this afternoon at 3:45 o'clock at the home of Mrs. Frank Simons, 249 Main Street.

A report of those girls receiving awards will appear in this paper next week.

BIBLE CLASS REGULAR MEETING

The Bible Class of the First Presbyterian Church extends an invitation to all who care to join them on Sunday morning at 9:45 for an hour of worship in song and study of the Word.

Mr. B. L. Lamplugh and son, Rusty, of Middle River, Maryland spent the week-end with Mrs. Lamplugh's parents, Mr. and Mrs. Isaac Knighton, 50 Choate Street. Rusty Lamplugh celebrated his first birthday this week.

Ladies, dispense with hose this summer by following the process prescribed by prominent beauty authorities: First use Elizabeth Arden SLEEK.

Apply VELVA LEG FILM in three shades — SUN BEIGE, SUN BRONZE, SUN COPPER.

Next, use Elizabeth Arden LEG BUFFER to remove all excess leg makeup. This gives a satin smooth finish that will not streak. These products on sale at

Tardy Drivers Face Delay on License

Motorists who send in operator license renewals by mail from now on will receive no guarantee that they will receive their new licenses by return mail before May 31 when current licenses expire, Motor Vehicle Division officials said yesterday. However, it was explained that efforts will be made to return the licenses to the applicants as soon as possible.

With the personal sales increasing daily the division offices are being taxed to take care of the counter business and it is impossible to make mail returns as promptly as when the applications were not as numerous.

At the Wilmington office there are now 1,200 applications being handled daily, 200 of these being by mail. The offices will close Wednesday, May 30, in observance of Memorial Day.

Memorial Day Services At White Clay Creek Church

The regular service of worship of the White Clay Creek Presbyterian Church will be held on Sunday, May 27th at 11 A. M. Memorial Day will provide the theme for the service, the topic for the morning sermon being, "An Everlasting Memorial". Hendrick A. Van Dyke, stated supply, will preach and the choir will provide special music.

Sunday school will meet at the regular hour, 10 a. m. This week's topic for study will be "The New Start of the Returned Exiles".

Tuesday Night League Entertained At Banquet

About forty members of the Newark Bowling Center Tuesday night league were entertained at a banquet held at the College Inn last Wednesday evening.

The program included speeches by several members, entertainment by a magician from Philadelphia and the awarding of prizes. Plans for next year's participation in the league were also discussed.

Millard F. Ritchie acted as toastmaster.

NEWARK, DELAWARE

YOU name it...

We're convinced that a few people read this stuff anyway as evidenced by names suggested in response to an item that appeared here last week.

Probably the cartoon of cigarettes offered for the name accepted had more to do with it than interest in the column. In fact one person, in submitting an original and appropriate heading said, "Being one of the original Camel smokers, I'd stoop to most anything for a cartoon of Camels and therefore offer this crime for the 'YOU name it' column, i. e.—'WareAbouts'." This person, who prefers to remain anonymous, says, "If the prize comes to me don't publish my name until I have smoked the cartoon otherwise all my friends, and otherwise, will camp on my trail."

Bill Clancy suggested we call it, "Well Done" but that seems just a little too ambiguous to us. Other headings submitted included, "The Gas House" or "Gab Fest" while still more were "Here & There", "Town Topics", "Town Talk", "Hi, Neighbor", "Chit-Chat Corner", "Around Our Town". But, we're still not sure that any of these is the right one. Perhaps there are other readers who have some pertinent suggestions. If so, we'd welcome them but they must be submitted BEFORE May 30, as this is the deadline. The winning name will appear at the head of this column next week and thereafter and the cigarettes will be promptly forwarded to the person whose suggestion was accepted.

We're indebted to Jim Hastings for the following excerpt headed, "Iron Mike Goes Up As Hitler Goes Down". Dated with the 3rd Division, Germany, May 1, it reads "When the doughboys of the 3rd Division pounded into Nuremberg they decided to rechristen Adolf Hitler Platz, the town's main drag, after their CG, Major General John W. O'Daniel, lovingly known to his boys as 'Iron Mike'."

"The name was carefully translated into German so the civilians could read it and the new street sign was painted and hung up. It reads EISENER MICHAEL PLATZ."

We stated, several weeks ago, that Al Shelmaker was back with H. Guy Bedwell and that the Bedwell stable would race this summer at Delaware Park if the race ban was lifted. It now appears that we were wrong about this. Present plans call for Mr. Bedwell to ship his string to Suffolk Downs when Pimlico closes. A number of horsemen who usually race at the Stanton oval will not be seen around this year — the reason given is that no stalls are available.

For what it's worth, we hear that Director J. E. E. K. Bryson 4-year old sprinter, is being pointed for the Memorial Day Wilmington Handicap. It's our opinion that he'll have a lot of 'pointing' to do. He ran fifth in a seven-horse race at Old Hill-Top Monday.

It's rumored that A gasoline ration will be increased on the first day of summer.

A sign hanging in front of Jackson's Hardware Store proclaims 'Easter Toys in Basement.'

Many amusing stories are heard from our boys returned from overseas. This one has to do with an Australian who tried to enlist but was refused because of bad feet. Next morning he presented himself again before the doctor. "It's no use, I can't take you, as you couldn't stand marching," said the medic. "But, why are you so insistent?" "Well, Doc," said the man, "I walked 187 miles to get here and I hate to walk back."

Another is of a newspaper editor who offered a year's subscription for the best answer to this question: "Why is a woman like a newspaper?" He received many answers. Some of them were:

"Because they are thinner now than they used to be."

"Because they are well worth looking over."

"Because they carry the news wherever they go."

But the one to win the subscription, was this:

"Because every man should have one of his own and not run after his neighbor's."

Bouquet of the week goes to 17-year old N. H. S. senior Jane Fouracre for winning the national Pepsi-Cola Co. full four-year tuition to any college of her choice.

The only Delaware winner to be announced so far, Jane won this outstanding award, which also carries travel expense, fees and \$25 a month, from among 14,491 entrants. Her parents, Mr. and Mrs. Roger Fouracre should be justly proud.

We're guilty of rewriting Brandon Davis' story of his no-run, no-hit game against Smyrna last week. Brandon wrote the story and modestly omitted any mention of the fact that this was the second such game he has pitched for Coach Stanley (Muscles) Gibbs Yellowjackets this season. We rewrote the head and the lead paragraph to give Brandon credit for his achievement only to be taken to task by this stellar pitching sports-writer who said "If you should view the situation of having my name in big print, and me the one who put it there, through my eyes, well — it doesn't look right, nor does it feel right either."

Brandon may be right and we apologize. But, we think he is entirely too modest and are sure that his teammates will realize that he isn't seeking any glory at their expense.

The Newark Post, Newark, Delaware, Thursday, May 25, 1945

DELAWARE'S 30-DAY RACE MEETING READY TO OPEN AT STANTON OVAL, TUESDAY

Popular Daily Double Wagering Expected To Be Resumed This Year; Post Time For Seven Race Daily Program Is Again Set At 3:30 P. M.

Delaware Park's eighth annual 30-day race meet will swing into full-scale action Tuesday afternoon when crowds will likely set a new 'opening-day' attendance record if attendances at Jamaica and Pimlico are to be taken as any indication. Post time for the first race on the seven-event program will again be at 3:30 o'clock in cooperation with ODT and in the interest of aiding to relieve congested travel conditions.

WPB Lifts Ban On Sale Of Some Lead Articles

The prohibition against sale of costume jewelry, novelties and toys made of lead was lifted last week by the WPB.

The action did not eliminate the ban on the manufacture of non-essential items containing lead, however. The restriction on sales was imposed some months ago as an added safeguard against the diversion of lead into unnecessary articles.

WPB announced simultaneously that scarcity of chromium-plated tubular furniture for civilians would continue throughout 1945. The agency ruled that they must be retained because the metal furniture industry is a large user of manpower and steel.

DELAWARE PARK STAKE EVENTS ARE REARRANGED

\$7500 Christiana Is Opening Day Stakes Event For Two-Year Olds

Rearrangement of the schedule of the 13 stake races to be run at Delaware Park this year has been made to meet conditions under which the track will operate this year by the Delaware Steeplechase and Race Association. The association has indicated the added money in the stakes will be increased. The actual amounts have not been decided upon.

The rearrangement is due partly to the fact the track will be closed June 16 as a neighborhood gesture because the Preakness will be run that Saturday at Pimlico in nearby Maryland. One of the Delaware stakes would normally have been listed for that day.

Secondarily, the schedules of two New York tracks overlap the 30-day period in which Delaware Park will operate — May 29 to July 4, inclusive. The Delaware Park operators adjusted their schedule so as not to conflict with the schedules of the New York tracks.

The first stake race this year will be the Christiansa, to be run on the opening day, May 29. The Wilmington Handicap is listed for the following day— Memorial Day—when holiday crowds usually flock to the Park.

The Brandywine Handicap will be run on June 2, the first Saturday of the meet. Entries for these first three stake events close on Monday.

The other stake events will follow in this order:

June 9, the Kent.
June 14, the Polly Drummond Stakes.
June 21, the New Castle Handicap.
June 22, the Spring Maiden Steeplechase (third section).
June 23, Sussex Handicap.
June 28, Delaware Oaks.
June 30, Delaware Stakes.
July 3, Indian River Handicap.
July 4, Diamond State Stakes.

The Spring Maiden Steeplechase to be run here is preceded by a first section run at Pimlico and a second section at Belmont Park. The fact that those two races must be held before the third section at Delaware Park was another factor in the rearrangement of the schedule this year.

Work in the Ranks of Esquire and Page next Monday night.
Be Seen' You

J. W. Willis Named Racing Commissioner

J. W. Willis, a harness racing enthusiast for many years, has been appointed Delaware harness racing commissioner by Gov. Walter W. Bacon, it was announced last week.

Mr. Willis, a retired executive of the Allied Kid Company, will hold the post for six years.

AMERICAN LEGION BALL STARTS MON.

Howard Cage Will Coach; 4 Regulars Back

Since he has to build a winning team around only four returning regulars from last year's championship team, Coach Howard Cage has issued the first call for Legion baseball practice on Monday evening at six o'clock on the high school diamond.

Returning players from the state championship team of last year and who played regularly on the high school team are Tom Silk, third baseman, but who may be changed to pitcher, outfielder Bobby Gregg who caught this year for the Yellowjackets, and Eugene Schaefer, who can handle either shortstop or second base in good fashion. Denny Hamilton, hard-hitting outfielder of last year will be back to steady the outfield.

With pitching his main worry and a couple of infield positions to fill, Coach Cage will have the services of Reggie Conway to instruct his hurlers. After the team shapes up, a couple of practice games will be played with the former high school players furnishing the bulk of opposition. Mr. William S. Hamilton, Legion manager, reports a good supply of bats and that they are well-stocked with good baseballs — scarce items these days.

SGT. LEE AWARDED AIR MEDAL

N. H. S. Graduate Heavy Bombing Group Gunner

15th AAF in Italy — Staff Sgt. Clifford F. Lee, 19, Route 1, Newark, engineer-gunner in the 484th Heavy Bomb Group, recently was awarded the Air Medal for "meritorious achievement during aerial flight."

Since his arrival in Italy, Sergeant Lee became a veteran of missions to oil refineries, air fields, and railroad yards throughout Southern Europe.

He is authorized to wear the Distinguished Unit Badge as a member of a veteran B-24 Liberator group commanded by Lt. Col. Chester C. Busch, which was awarded the nation's highest group award for the bombing of underground oil storage installations at Vienna, Austria.

Commenting on his adventures, Sergeant Lee spoke of his missions to bomb German Troop concentrations in Northern Italy as the "missions I get the most satisfaction from."

Sergeant Lee was graduated from the Newark High School in 1943, where he was a member of the varsity football and basketball teams.

Entering the Army Air Corps in May, 1943, he was graduated from Aircraft Mechanic School, Keesler Field, Miss., and Tyndall Field School of Gunnery, Fla. Before leaving for overseas duty he was stationed at Westover Field, Mass.

His parents, Mr. and Mrs. Harvey Lee, reside at Route 1, Newark.

P. S. DUPONT TRIUMPHS IN SHORT CONTEST BY 3 TO 0 SCORE AS RAIN INTERFERES

Five And One-Third Innings Constituted Ball Game As Locals Get But Three Hits And Give Poor Support Afield; Season Closes Fri.

Failing to produce hits and their fielding spots in the Newark High baseball team went down to their fourth defeat of the season at the hands of P. S. duPont.

The first two innings saw both teams playing tight defense with three out of six visiting batters going down on strikes while the Yellowjackets, although hitting the ball, were not able to connect with the ball for base hits.

LOCAL BOYS ARE LAUDED

Flyers Praised By Doolittle

Three Newark boys were among the 185,000 of the Eighth Air Force personnel congratulated by Lt. General James H. Doolittle on V-E Day. They are Pfc. Wallace L. Neave, 70 E. Delaware Avenue, Corporal Martin F. McAllister, Jr., 248 West Main Street and Sgt. David M. Lloyd.

The Eighth Air Force was the world's mightiest strategic bombing force. Lauding his personnel, General Doolittle said, "I wish to extend my personal congratulations and my heartfelt appreciation to each of you for the magnificent job you have done. You may be proud of your part in the defeat of Germany. I am proud of you. The world is proud of you."

Airmen of the Eighth were the first Americans to attack Germany. Its fighters destroyed thousands of enemy planes in the air and on the ground. They dropped an average of a ton of bombs every minute of the last 12 months.

GETS BOND WITH COAT

PEABODY, MASS. — When Walter Cerebis bought an overcoat at a rummage sale, he got more than he paid for. A \$100 war bond registered to Joseph M. Conlin of Philadelphia was in one of the pockets.

THE DIAMOND STATE TELEPHONE COMPANY

LOWER ARMY AGE LIMIT

40 Fixed As Discharge Age

The Army has fixed at 40 years the age at which enlisted men may apply for discharge.

The Army only last month had lowered the discharge age to 42 years. An estimated 30,000 enlisted men in the Army are in the 40 and 41 year age group.

At the same time, the War Department announced that WAC's 40 years of age or over who have served the required period on active duty will be eligible for discharge. It was estimated 8,000 enlisted WAC's will be eligible under this provision.

The new order provided that in the case of men 40 or 41 years of age, commanders will be permitted to recommend a replacement is not available at the time he requests discharge. War Department said that "when military situation permits" a further reduction in the age limit will be made.

Through the use of a heavily weighted factor for parenthood, the point system provides indirect consideration for the department said.

PLAY CAST ELECTED

Presentation On June 3

The "Physicist in Spite of Himself," a play by Moliere's most popular plays, long produced by the University of Delaware Dramatic Club on Friday, May 2, at 8 P. M. in Mitchell Hall, will be the second major production of the newly organized Dramatic Club on the campus.

The "Physicist in Spite of Himself" is a comedy of universal appeal and has not changed through the years.

John Jane Hastings Sinclair of Newark directing the production, has chosen the following cast: Alec Finlayson, Levenston, Lloyd Jones, Joseph, Betty Fryling, Charles Rogers, McVey, Jean Tullar, Barbara, Carey Simon, Jack Bishop.

The Production Staff is as follows: Jack Catts, Assistant Director; Jack, Stage and Scenery; Esther, Landlady, Bake-up; Astrid Delitzsch, Ellicity; Lynn Medill, Costumes; Jack Williams, Prompting; Jack Henrich, Lighting; Ella Mae McClary and John Vandergrift, Business.

Merit Exams For State Jobs To Be Held In June

The Supervisor for Merit System of Personnel Administration in Delaware announced today that open-competitive merit examinations for the positions of Junior Clerk, Junior Clerk-Typographer and Senior Clerk-Typographer would be given some time in June for positions with the following agencies: Delaware State Board of Health, Unemployment Compensation Commission, State Board of Welfare, Delaware Division of the United States Employment Service. Applications, blanks and information relative to the duties and salary of each position may be obtained by writing to the Merit System Supervisor, Post Office Box 11, Wilmington. In order to be considered for this group of examinations, applications must be completed and marked prior to midnight of June 1.

Per Cent Of Drivers County Get Licenses

More than one-half of the 34,000 motorists of New Castle County have renewed their drivers' license at the Motor Vehicle Division Office, 10th Street and Bancroft Parkway. The number renewed up to Saturday in New Castle County was 17,300 and the number who renewed on Sunday morning was 697, Frank L. Smith, manager, said.

Newton's Chicks

BETTER CHICKS WILL MEAN BETTER PROFITS

Plan now for better chick quality to meet post war competition.

Newton pure bred New Hampshire and Barred Plymouth Rocks have high hatchability; pedigree breeding has developed a fine strain for meat production as well as eggs. With Newton flock replacement stock hatcherymen and their flock owners can offer better chicks. Catalog.

SEE RELIEF FOR MEAT SHORTAGE

Next 3 Weeks Should End Conditions

By June 15, meat loving Delawareans who have been unwilling vegetarians in the past three weeks, may expect to see a fair supply of meat in the local markets.

This is according to a statement made yesterday by Samuel C. Hanby of the Rationing Board in the Office of Price Administration.

The present shortage is due, he said, to the OPA Control Order No. 1, which went into effect the 29th of April, automatically revoking all slaughtering licenses except in federally inspected slaughter-houses. These small slaughter-house owners were required to file new applications for slaughtering permits. At this time they received their new quotas based on the amount of meat slaughtered in the corresponding

month of 1944. Each quota allows the slaughterer only 75 per cent of his last year's amount.

As it turned out, many of the 50 small slaughterers in Delaware did not do any slaughtering during May of 1944—which left them, under the new Control Order, without any figures on which to base a quota for this month.

In the next three weeks, however, according to Mr. Hanby, it is probable that amendments will be made to Con-

trol Order No. 1, in which case the Control order will be working more efficiently and the shortage will be eased up.

Applications for dairy feed payments for the first quarter of this year, including January, February, and March production must be made before the end of this month. Payments for the second quarter will be made during July and August.

Why the Biggest Job in town carries no pay!

WHAT is the biggest job in your town—in anybody's town, between May 14th and June 30th?

It's that of the man or woman who will ask you to buy extra War Bonds in the 7th War Loan.

It carries no pay because the people who are doing this work are good Americans. In addition to buying extra Bonds themselves, they're willing to give their time to a job that's as important as anything outside the battle lines.

It's important—and it's big. Making our quotas in the 7th War Loan is a man-sized job for everybody.

Uncle Sam needs 7 billion dollars from individual Americans in the 7th! That's a bigger quota than ever before. It's bigger because this is really 2 loans in 1—last year, by this time, we had bought Bonds in 2 Loans instead of one.

And it's bigger because the need is bigger. We're building up a whole new air force, with new jet-propelled planes and even bigger bombers. We're building more tanks, mortars, and everything for the increasingly bitter struggle with Japan. And we're paying the

mounting cost of victory—taking care of wounded men who are arriving in this country by thousands every month.

So—be ready when one of these War Bond workers comes to you. Open your door, your heart, your purse—for the 7th War Loan. Help America to make its quota—by making yours!

FIND YOUR QUOTA... AND MAKE IT!		
If your average wage per month is:	Your personal War Bond quota is: (cash value)	Maturity value of 7th War Loan bonds bought
\$250	\$187.50	\$250
225-250	150.00	200
210-225	131.25	175
200-210	112.50	150
180-200	93.75	125
140-180	75.00	100
100-140	37.50	50
Under \$100	18.75	25

All Out for the mighty 7th War Loan!

SHORTAGE OF GRAIN STORAGE

May 31 Last
Day To File
Payments

The Country is greatly in need of all the grain that can be produced. There is unfortunately a shortage of both storage space for the grain and means of transporting same. This will necessitate the farmer planning a means of storing his grain on his farm. According to B. T. Hopkins, Chairman of New Castle Co. Agricultural Conservation Association, there is a lack of steel bins available also a shortage of new lumber to construct one, therefore it will be necessary to convert old buildings into proper storage bins.

All farmers who have not received their Dairy Feed Payment for the Jan. Feb., and Mar. period, are reminded that May 31st is the dead-line for making application.

New Castle County beef producers are notified to keep record of their sales beginning as of May 19th. If you will contact the County Office you will receive information regarding the Beef Production Payment.

Many farmers have still not signed their 1945 Farm Plan. It is necessary for you to sign this Plan before you can be benefited by the Agricultural Conservation Program.

Those farmers who have placed orders with the County Office for Lime or Phosphate, are urged to use this material as soon as convenient and report use of same to the County Office as it must be properly used by Dec. 31st, 1945.

Summer Bible School To Begin Here June 11

The Bible Presbyterian Church will hold its annual Daily Vacation Bible School in June.

The school will meet at the Century Club building, corner of Delaware Avenue and Haines Street each morning, Monday through Friday from 9:00 A. M. till 12:00 noon. The school will open on June 11 and closing exercises will be held on June 22. A picnic for all who attend will be held on Saturday, June 23.

The school will have a graded course for children of all ages from 3 years up.

The theme will be "God's Clock", and the children will study the major Bible themes such as: "The Creation", "The Fall", "The Coming of Christ", "The Death of Christ", "The Purpose of His Death", "His Resurrection", "His Ascension", and "His Coming Again". All children are cordially invited to the school.

The regular services of the church will be held at the Red Men's Fraternal Home on Sunday, May 27. The Sunday School will begin at 10:00 o'clock, and the morning worship service will follow at 11:00. The Pastor will bring the message on the subject, "Whatever You Do."

The evening service will be held at 7:00 P. M. at which time the study in Revelation will be continued.

Army Doctors Make Discovery

It has been the experience of army doctors that an ointment containing urea and a sulphur drug has done exceptionally good work on the war fronts as a healing formula in burns, itching, athlete's foot, industrial skin infections, itching of eczema, psoriasis and first aid. The combination of ingredients is available to the folks back home and the name is VICTORY OINTMENT. This ointment is white, greaseless, and also contains lanoline and benzocaine. It is antiseptic, pain relieving and promotes healing. Factory workers will find VICTORY OINTMENT the best for hands. Safe for adults or children. Safe to use on any part of the body. When you buy VICTORY you buy the finest. Sold in Newark by Rhodes and Neighbors Drug Stores.

UNIVERSITY SCHOOL ON POULTRY

1-Day Program
Announced By
A. E. Tomhave

The date of Thursday, June 7, has been announced for the University of Delaware's annual flock selectors and poultry judging school for inspectors and blood testers of the State Board of Agriculture, by Prof. A. E. Tomhave, head of the Department of animal and Poultry Industry.

In addition to improving efficiency of the testers, this program develops uniformity in their work throughout the State. Inspection and blood testing work of the State Board of Agriculture is carried out in cooperation with the National Poultry Improvement Plan.

The program for this one-day flock selecting training school will be as follows:

9:30 — Selection of Breeding Stock for Health and Vitality, by Dr. Earl N. Moore of the poultry Department of the University of Delaware.

10:15 — Instruction to Inspectors of Filling out Reports, by George Brinkhurst, of the State Board of Agriculture.

10:45 — Efficient Selection of Breeding Stock for Broiler and Egg Production Qualities, by Dr. Albert B. Godfrey, of the Agricultural Research Administration of the U. S. Department of Agriculture.

11:30 — Breeding Principles and Practices, by A. E. Kish of the Poultry Department of the University of Delaware.

1:30 — Practices in Flock Selection, including (1) Pullets for Egg Production and (2) Cockerels for Breeders.

The morning program of lectures will be held in Wolf Hall at the University of Delaware, while the afternoon program of actual demonstration and selection will be held at the University Farm. Demonstration will be in charge of A. E. Kish, assisted by the staff of the Poultry Department. Those attending the school will have an opportunity to select both laying birds and cockerels.

While this annual school is conducted primarily to give training to the inspector and blood testers of the State Board of Agriculture, hatcherymen, breeders and flock owners interested are invited to attend.

RECREATION WORKERS ARE WANTED

Civil Service
Jobs Open In
Rehabilitation

Opportunities in veteran rehabilitation work have been announced by the United States Civil Service Commission for recreational aides, \$2,190 and \$2,433 a year, and for physical directors, academic teachers, and commercial aides, \$2,433 a year. Salaries quoted include overtime pay. Positions are in Veterans Administration hospitals throughout the United States.

No written test is required for these positions and there are no age limits. Academic teachers must have completed a 4-year college course in addition to the year of experience required, and physical directors must have had at least 16 semester hours in physical education in addition to a year of experience or further education. Appropriate experience or education, or a combination of the two, is qualifying for the recreational aide and commercial aide positions.

Persons interested in applying for these positions should consult the new illustrated announcement, No. 362. Announcements and application forms may be obtained from the Commission's Local Secretary, Mr. Woodrow Singles, at Newark Post Office.

Persons now engaged in war work should not apply. Federal appointments are made in accordance with War Manpower Commission policies and employment stabilization programs.

Applications must be sent to the United States Civil Service Commission, Washington 25, D. C., and will be accepted until the needs of the service have been met.
