A Season of Ups and Downs

With so many question marks at the start of the season, few knew what to expect for the 1987 season.

The year started off with a disappointing loss to Rhode Island and the Hens struggled to a 1-3 record in the first four games. Three straight wins put the Hens in position for another winning season, but three losses in a row sent Delaware to only its third losing season under Head Coach Tubby Raymond.

A review of the 11 games follows:

Week 1 — The Hens show inexperience in 26-13 loss at Rhode Island. Tight end Brian Forster catches three touchdown passes from quarterback Paul Ghilani for the Rams. Hens discover their own pass-catching threat as James Anderson hauls in TD passes of 9 and 52 yards.

Week 2 — Another exciting battle with West Chester winds up with Delaware rallying from 14-0 and 21-14 deficits to pull out a 28-21 victory. Hens survive Al Niemela's aerial assault and score two unanswered TDs in the fourth quarter with Tim Healy's 3-yard TD run the game-winner.

Week 3 — The Hens fall behind again early and can't make up the difference this time as Richmond wins 28-21. Anderson has another superb day with nine catches for 140 yards and 2 TDs. Hens' quarterback situation becomes muddled as Craig McCoy relieves Dave Sierer in fourth quarter.

Week 4 — Sierer returns as a starter, but is yanked early in the second quarter for McCoy, who throws three interceptions in 45-21 rout at the hands of New Hampshire. Wildcat quarterback Bob Jean throws four touchdown passes.

Week 5 — Don O'Brien makes his

first field goal as a Blue Hen a memorable one. His 28-yarder with 11 seconds gives Delaware a 37-34 victory. Hens watched 24-0 first-half lead evaporate. Anderson gets two more TD catches.

Week 6 — Hens finally get running game on track, piling up 294 yards in 38-14 win over William & Mary. Randy Lanham rushes for three TDs as Delaware has 35:47-24:13 edge in time of possession.

Week 7 — Lanham's 3-yard TD run in the fourth quarter gives the Hens a 28-24 win over Lehigh in final meeting of 41-game series. Anderson, quiet the previous week, comes back with TD catches of 29 and 34 yards as Delaware improves record to 4-3.

Week 8 — The Hens score 56 points and lose. Maine field goal in second overtime gives Black Bears 59-56 wild victory. Randy Holmes scored three touchdowns, but Maine's Mike Buck throws for five TDs.

Week 9 — Connecticut rallies in final two minutes to pull out 20-19 victory. O'Brien kicks field goals of 47 and 25 yards, the latter giving Delaware a 19-13 lead with 2:45 to play. But UConn QB Matt DeGennaro, held in check most of the day, moves Huskies to winning score on 16-yard pass to Glenn Antrum with 57 seconds left.

Week 10 — Hens' losing streak reaches three as Navy wins 31-22. Donald Holl rushes for 130 yards and three TDs as Middies overpower Delaware.

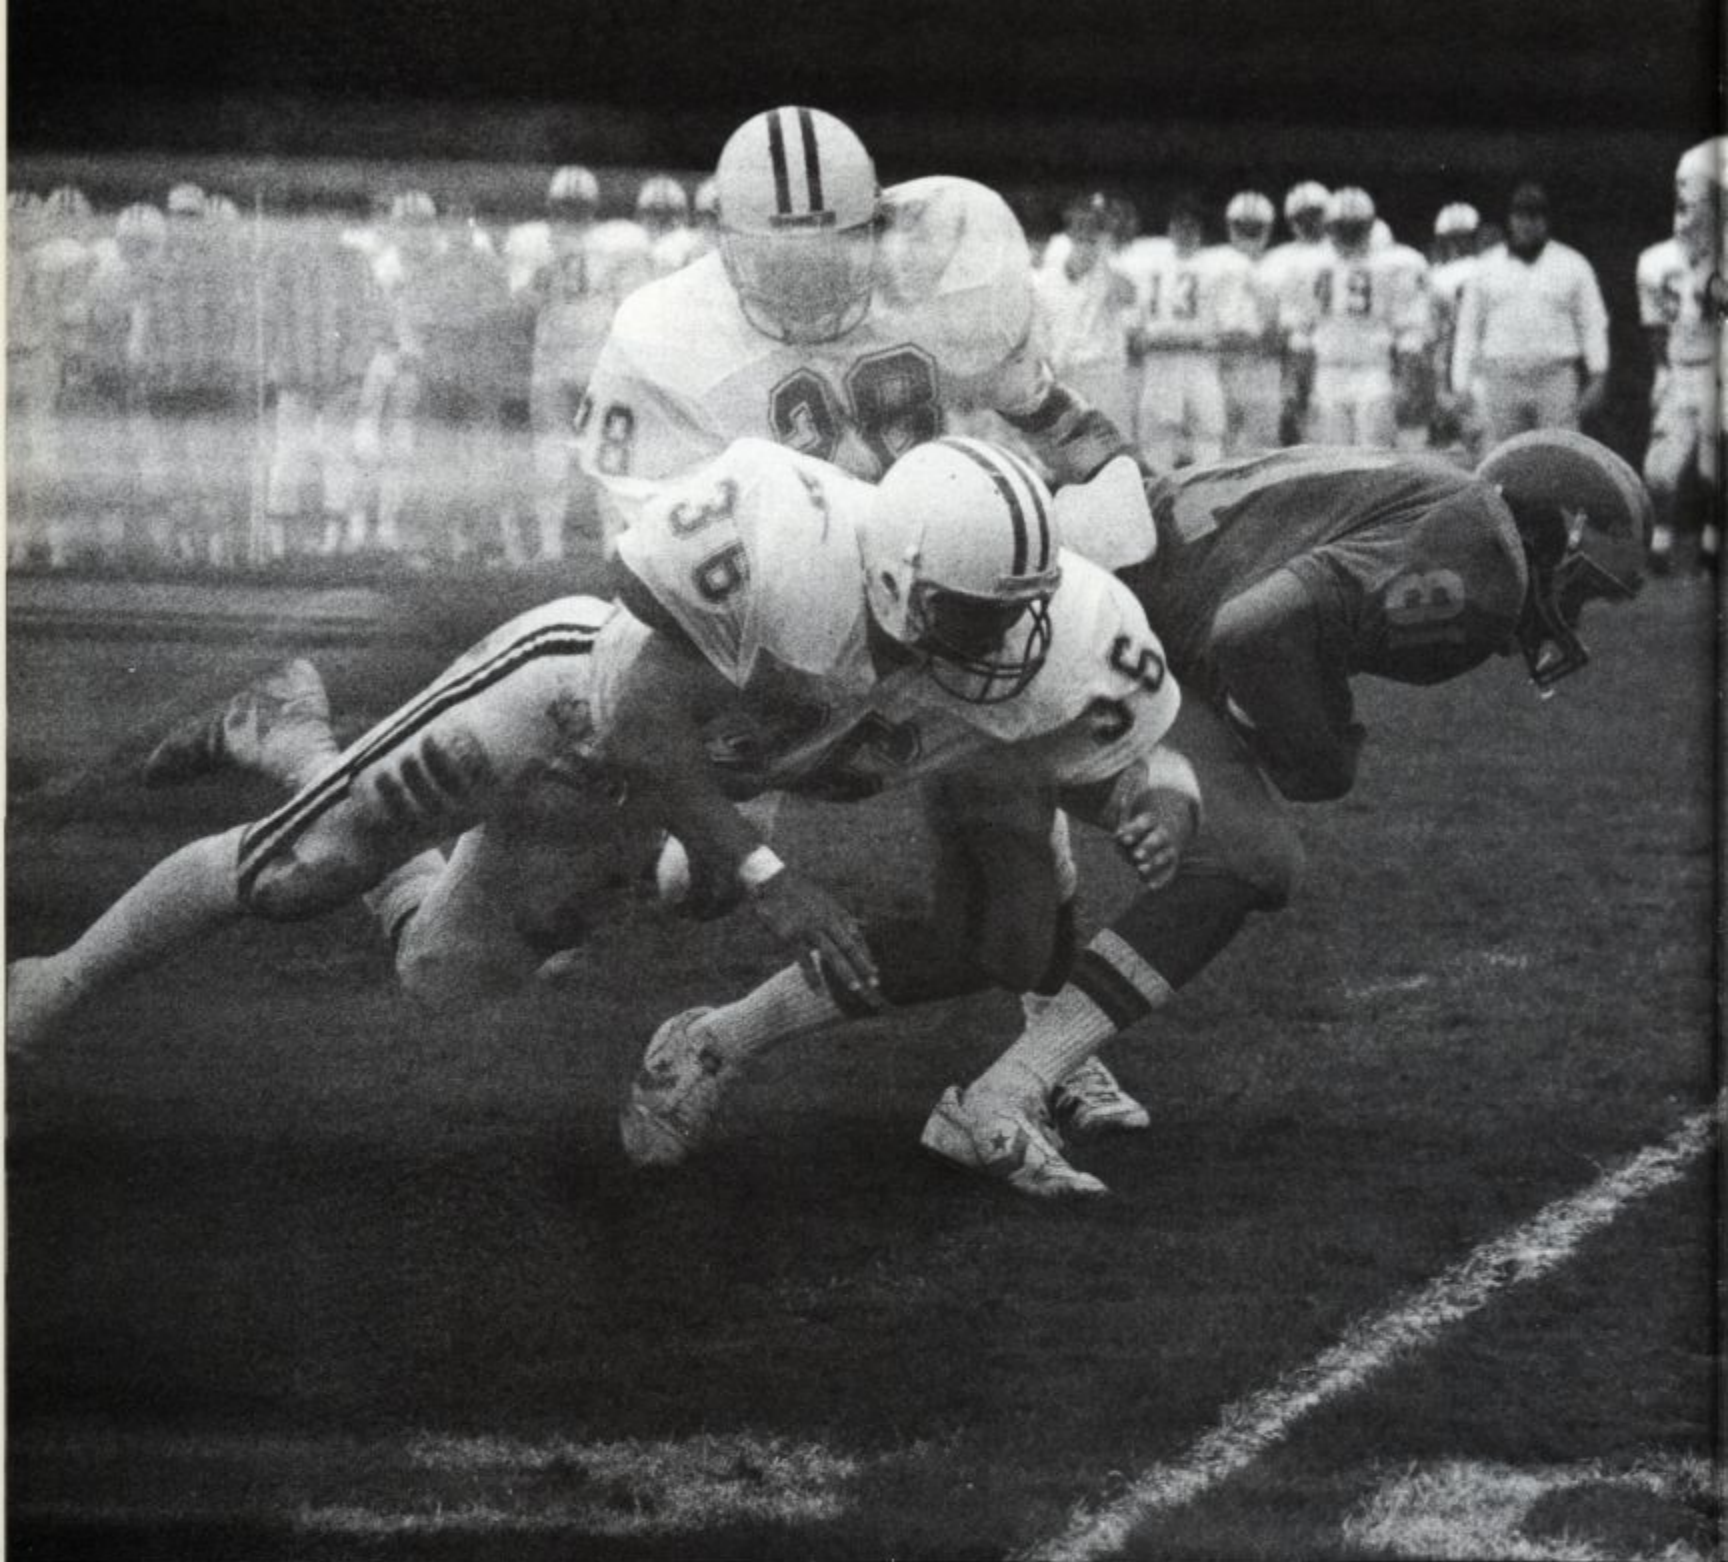

Week 11 — McCoy gets first start at quarterback in bitter cold, windy day. Gil Knight's 11-yard TD run in overtime gives Hens 17-10 victory over Boston University to end season on positive note. McCoy hits only seven of 21 passes but scores TD and sets up QB battle with Sierer for next year.

VOLLEY TO A WINNING SEASON

The 1986 women's volleyball team ended a highly successful season with a 21-16 mark, the ninth straight winning season and 11th straight 20-win season in Delaware history. The Blue Hen's placed second in the ECC with a record of 5-2.

Getting off to a roaring start, the squad swept a season opening tri-meet over Loyola and Villanova and went 2-2 before placing third in the George Mason Invitational.

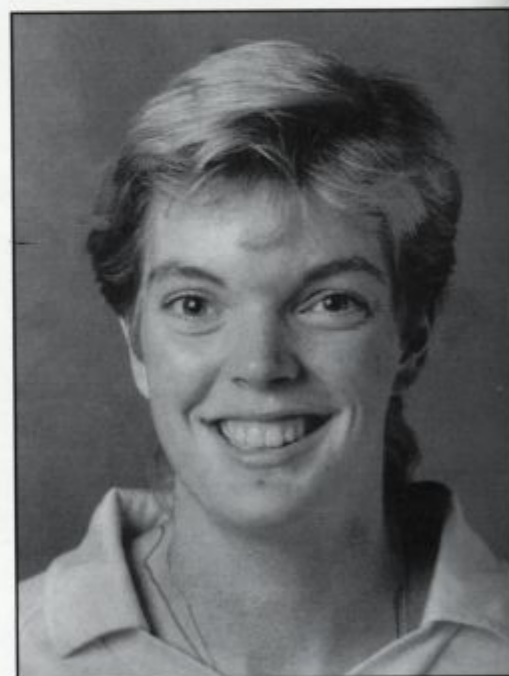

Delaware head coach Barbara Viera, in her 15th season, became one of a few collegiate volleyball coaches in the nation to record 400 wins as the Hens downed Towson State at the Drexel Tournament.

To close out the regular season, the Blue Hen spikers roared past five teams to capture the team title at the U.S. Naval Academy Tournament. As

an outstanding season concluded, the No. 3 seed Delaware made its first trip to the ECC championship game since 1982. The ladies defeated Bucknell (3-0) in the quarterfinals and defended champions Drexel in the semifinals (3-0) before falling to a powerful Hofstra in the finals.

Jill Simpson lead the ECC in hitting percentages with a .369 mark and was named first team All-ECC. Betsy Cullings, who set a school single season record for digs with 293, was named second team All-ECC. Ingrid Loewrigkeit also had a fine season as she broke her own school record for digs in a match with 25.

Coach Viera was pleased with the season, "We began to fall into a pattern of the number of wins equalling the number of losses. But we began to gel towards the end and won seven of our last matches in a row."

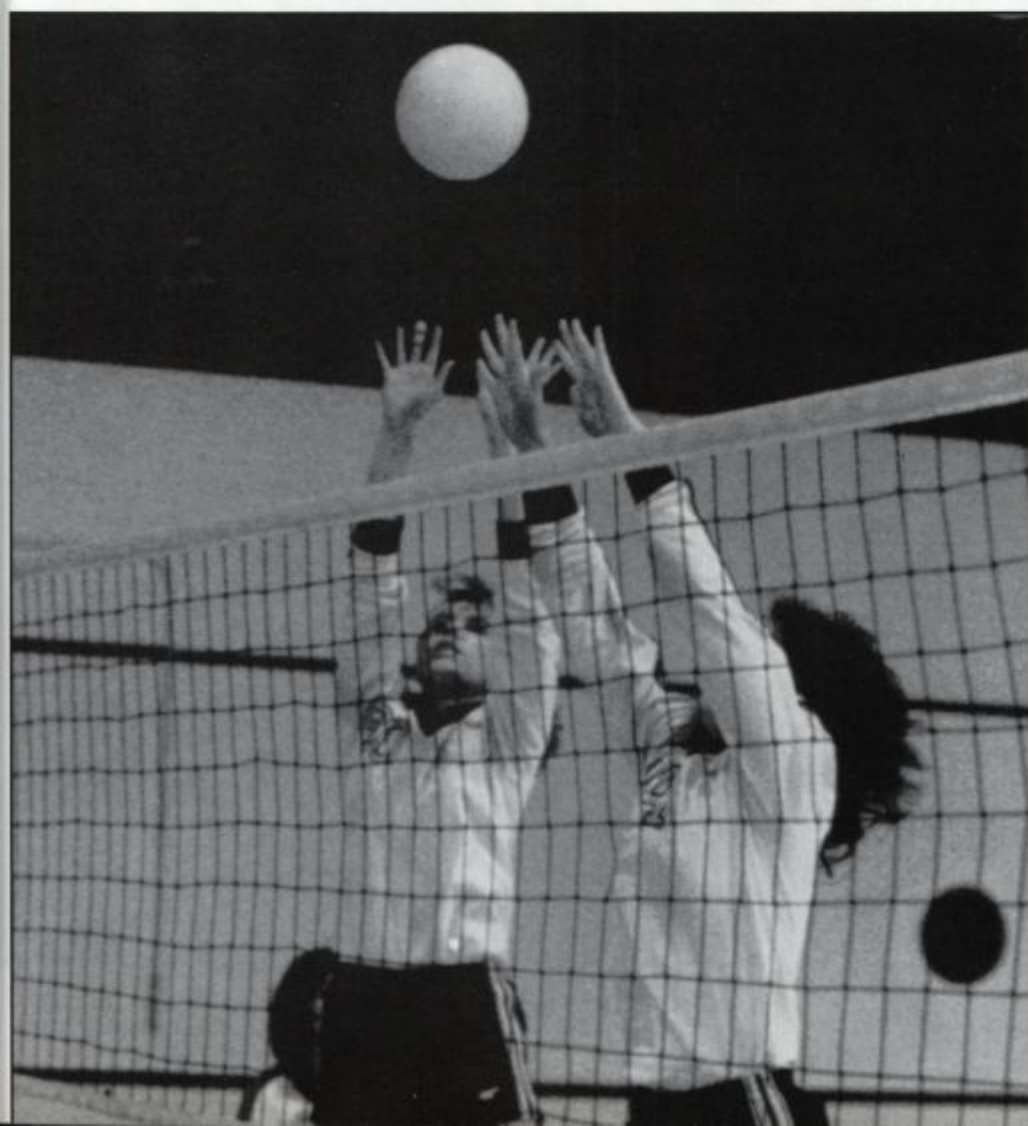

Captain Betsy Cullings: "I plan to continue in my sport after graduation by teaching and coaching volleyball."

Front row: Kathleen Bechtold, Debbie Delaney, Sallie Conner, Betsy Cullings (captain), Michele Brock, Ingrid Loewrigkeit, Julia Golden. 2nd row: Mary Yeich, Nancy Griskowitz, Lee Tevebaugh, Traci Tomashek, Beth Stoltzius, Kristi Pedrotti. 3rd row: Chris Bishop, Monique Apter, Jeanette Kerth, Betsy Tong, Janet Lambert, Meg Gavin, Amy Tong. Back row: Barb Viera (head coach), Ben Wu (head J.V. coach), Julie Earhart, Stacey Wallace, Jill Simpson, Kelly Benjamin, Maureen Wells, Helen Mackrides, Roger Buchanan (assistant coach), Fred Talantino (trainer).

Coach Barbara Viera: *"Overall, the season was quite interesting. A tough junior varsity team will help us further improve next year."*

The Outlook

Delaware women's cross country coach Sue McGrath-Powell says her 1987 squad looks good on paper, but she's anxious to see how they fare when they hit the trails.

"We have some strong runners returning and we have potentially one of our finest freshman classes, but this is probably the most unsure I've ever been entering a season," said McGrath-Powell, whose 1986 squad went 5-3 and finished second in the East Coach Conference meet. "We have a lot of potential but we can't expect all the freshmen to come in and run well right away. We'll have to wait and see."

The reason McGrath-Powell is so concerned about her freshmen class is that it's a big one. Of the Hens' 24 runners, 12 are first-year performers and just four are seniors, including top returnee Barb Woodruff.

The Hens lost just two letter-winners from last year's squad, but the 1986 co-captains Nori Wilson and Colleen O'Connor will be tough to replace. The duo finished first and second in virtually every race last season with Wilson placing second at the ECC meet and O'Connor 11th. Wilson, a three-time top 10 finisher at the ECC meet, also placed 11th in the Region II meet.

"We don't have that star runner now that Nori and Colleen have graduated, but the people

we have returning know it's their turn now," said McGrath-Powell, now in her sixth season at Delaware. "They've been in the shadow the past few years and they are ready to do something. Everybody worked hard over the summer and they are eager and interested. That will help."

The Hens' top returnees are seniors Woodruff and Angela Socorso, and sophomore Cheryl Amin. Woodruff, last season's ECC Scholar-Athlete, was the No. 3 finisher for most of the season and placed 21st at ECC's. Socorso, a co-captain, was 18th at ECC's and Amin was 15th. Juniors Beth Devine (25th at ECC's) and Lisa Hertler (26th), along with seniors Michelle Lucey (31st) and Christi Kostelak (35th) are all top seven performers. Senior Michele Socorso, Angela's twin sister, should also be back at full strength after sitting out last season with leg injuries.

The long list of swift newcomers includes sophomore Shelley Frenduto (an ECC outdoor gold medalist last spring in the 4 400-meter relay), and freshmen Karin Scoglund (who ran a 10:14 3,000-meters as a high school senior), Natalie Schwalm, Jennifer Knarr, Jennie Kraich, Jennifer Wiest and Shelly Duch (a top runner in Delaware last season), all of whom bring impressive high school credentials.

Accomplishments

Letter winners must finish in a scoring (top 5) or displacement (top 7) position in 50% of the scheduled regular season meets or finish in a scoring position (top 5) in a post-season championship event. Special consideration is given to those who are injured, seniors who have been an active part of the team for at least two years, or those who have distinguished themselves. This year's letter winners are Pat Castagno, Jim Chenowith, Joe Compagni, John Gray, Jim Ippolito, Keith Jamison, Brad Sample, Stuart Selber, Pete Veverka, Mike Wallace, and Ken Zebley.

The Alumni Association Most Valuable Athlete Award is awarded to Jim Chenowith. Jim sacrificed much of his early-season work and races to try to help our team. He worked hard to bring others to his level. He placed first or second on the team in seven of our eight races. His quiet leadership is helping to teach our long distance runners the dedication it takes to be successful. He is also an excellent 10,000m athlete in track and field, holding the sixth fastest time in the school's history.

The Most Improved Athlete Award is presented to Pat Castagno. He seems to have unlimited energy. I have thought of Pat as a middle distance runner. He has good speed and has always wanted to be in the "glamour" events. But, with his success this season, he may be "stuck" with the distance events. He was very consistent this season. With his strength, he may surprise a few people in the conference in track and field this year. Pat has gained the confidence that he needs to make him successful.

The Most Outstanding Rookie Award is given to Mike Wallace. Mike led an outstanding freshman class this year. Early in the year, Mike was deceptively quiet and shy. But then, the true "60 Minutes" started to emerge. All kidding aside, Mike finished first or second on the team in five of our eight meets. He has the potential to be one of the top athletes in the conference before he graduates.

This year athletes who placed in the top seven in the conference meet are the ECC Coaches' All-Star Cross Country team. The team includes Charles Cole, Rich Stark, Steve West, John Floyd, and Jeff Morganti of Bucknell, Tom Yakowenko of Rider, and Bobby Craig of Lehigh.

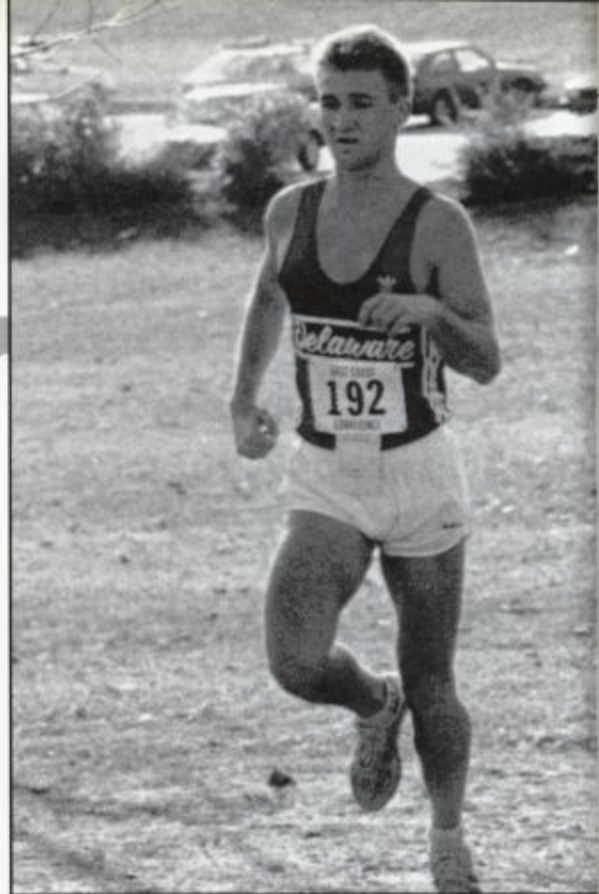

Many members of this team moved into the UDXC "Top 25" lists on a number of courses this year. Five moved into the UDXC Carpenter State Park list. They are Jim Chenowith (10th), Mike Wallace (12th), Pat Castagno (13th), Keith Jamison (22nd), and Ken Zebley (24th). At Navy, Chenowith (12th) and Wallace (14th) moved into the top 15 while Chenowith (11th), Castagno (12th), and Sample (22nd) ran well at Lafayette. On Lehigh's 10K course, Castagno (24th) and Wallace (25th) slipped into the list with good performances on a wet day. On Belmont Plateau, Chenowith tied for 13th. On the Frosh lists, Wallace (8th) made the Van Cortlandt Park list and ran the fastest UDXC Frosh time ever on the Carpenter Course. Also making the top ten on the UDXC Carpenter Frosh list were Ken Zebley (6th), Bryan Lennon (9th), and Jeff Friedman (10th).

Gaining Experience

"We had a tough schedule and we came up short," said Men's

Soccer coach Loren Kline as he described the team's 1987 season. Kline's silver anniversary season was disappointing as the team wound up with a 4-12-1 overall record.

The team had mostly uphill battles but often gave some top contenders a run for their money. The bootin' Hens persevered to defeat the likes of West Chester, Elizabethtown and Millersville.

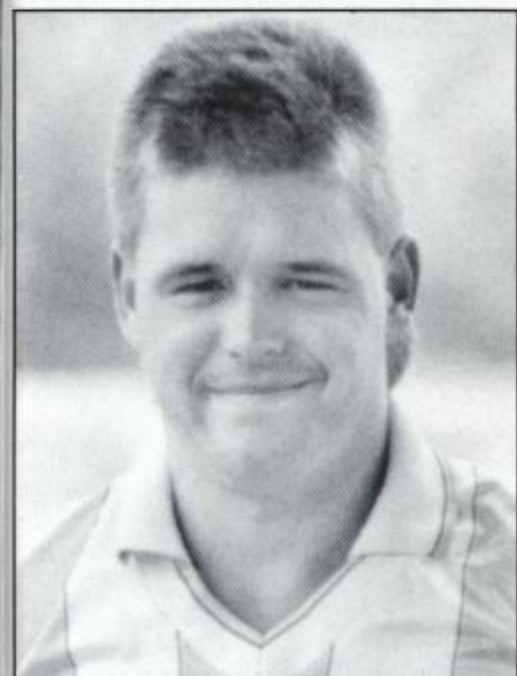

The Hens booted West Chester 6-0 to extend their winning streak over West Chester to six consecutive games since 1981. Senior midfielder and co-captain Tom Horn scored a goal and tied a school record by serving up three assists. Senior forward

Dwayne Robinson and sophomore midfielder Pat Thomas each scored two goals.

Robinson went on to perform a one-man show against Millersville as the Hens swept past them 4-1. Robinson notched the first hat trick by a Hen booter since 1982 while Tom Horn added the other goal assisted by Robinson.

Robinson ended his Delaware soccer career with 11 goals and two assists for 24 points on the season. He was the team's top scorer and also placed seventh on the all-time best single season total for Delaware.

The Hen's will be graduating six seniors from the team but Coach Kline is "mildly optimistic" for next season's prospects.

Men's Indoor Track

meets the challenge at the ECC's

The University of Delaware had two first place finishes and scored in eleven of the thirteen events to place third for the third straight season at the 11th annual East Coast Conference Men's Indoor Track and Field Championships.

Leading the Blue Hen performances were sophomores David Sheppard and Jim Supple who captured titles in the 600-yard dash and the triple jump respectively. Sheppard won the 600-yard dash in a time of 1:13.31 and also ran the final leg of the mile relay team that had a clocking of 3:23.91 just over one second slower than the winning time. He became the first-ever Delaware runner to win an ECC title in the 600. Supple posted a first place finish in the triple jump with a distance of 13.83 meters.

Other top six individual performances for Delaware were put in by freshman Jason Garlock who was sixth in both the high jump with a height of 6'-5" and in the triple jump with a distance of 42'-7". Also, senior Don Henry was third in the 60-yard dash in a time of 6.58 seconds, the seventh best time in UD history, was third in the 300-yard dash with a clocking of 32.29, and was a member of the second place mile relay team. Freshman Mike Wallace was fourth in the two-mile run in a time of 9:19.36, and freshman Chris Cronis was fifth in the 880-yard run in 1:58.0 and was a member of the two-mile relay team that was second in 7:56.14.

Also, junior Dave Scheck was fifth in the 60-yard high hurdles in a time of 7.93 seconds and recorded a time of 33.57 in the 300-yard dash; freshman Marcus Farrell was fifth in the high with a height of 6'-4"; sophomore John Levelis, a defensive end for the Blue Hen football squad, was

sixth in the 60-yard dash in 6.77; senior Pete Veverka was sixth in the mile run with a time of 4:22.59 and was a member of the two-mile relay team that was second; and senior Jim Chenowith was sixth in the three mile run with a time of 14:40.35.

Other top performances in the relays came from senior Brad Sample and junior Tom Rogers who were members of the second place two-mile relay time of 7:56.14; junior Bennett Goldberg and freshman Paul Francisco who were members of the second place mile relay team in 3:23.91; and sophomore Don Lyons, junior James Benson, sophomore Tim Jarka, and freshman Bryan Lennon who teamed in the distance medley relay to place fourth in 10:35.51. In addition, Francisco ran the 300-yard dash in 34.24, Goldberg was eighth in the 300 in 33.13, and Benson ran a time of 53.24 in the 440-yard run.

Rounding out the Delaware performances were senior tri-captain Pat Castagno who was seventh in the two-mile run in 9:29.14; senior Luis Bango who was seventh in the three-mile in 15:05.61; and junior Jay Martin threw the shot put in 38'-8". In the pole vault, the Blue Hens had three competitors but did not place in the top six finishers. Freshman Kurt Mueller led the Blue Hens with a height of 13 feet while junior John Duch and senior Glen Gentile each vaulted 12'-6".

Two other Delaware sprinters who are also members of the Blue Hen football squad also competed with junior Tim Healy, running a best time of 6.79 in the 60-yard dash and freshman Ron Lott running a time of 6.84 in the 60.

The Blue Hen track team, led by sixth-year head coach Jim Fischer, posted a dual record of 10-0 this season.

Fielding a Winner

With only five returning seniors, it appeared that Delaware's field hockey team would not be able to repeat last season's outstanding performance. However, seniors Karlyn Wesley, Sheila Moore and co-captain Ange Bradley saw the Lady Hens better it. In 1987 the team ranked twelfth in the NCAA Division I poll and also captured the regular season East Coast Conference (ECC) title and made it to the ECC Championship Game.

This final contest of the season proved to be a heartbreaker. It took three overtime periods and two flick off rounds for Lafayette to finally upset the favored Blue Hens.

This year's loss in the final game was a disappointing one for the team, but Coach Hitchens is very optimistic

for the future and was happy with their season. Only three seniors are graduating and a large number of juniors will be returning in the fall. "It was a very satisfying season. I was very pleased," Coach Hitchens recalls.

Leading the offense this year were Michele Rosenbaum (12 goals, 1 assist), Monique Scally (7 goals, 4 assists), Laura Dommick (6 goals, 4 assists), and co-captain Nari Bush (7 goals, 1 assist).

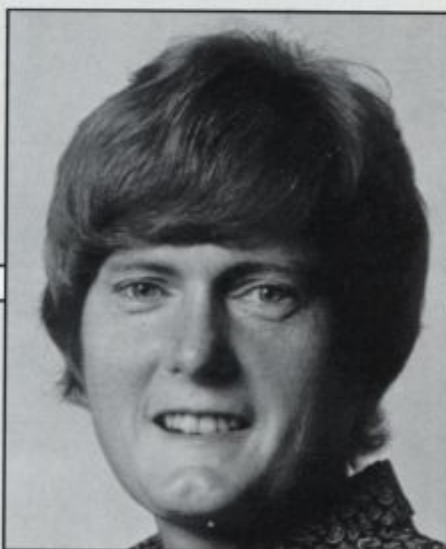

The defense was anchored by the ever brilliant senior Ange Bradley, who was named the ECC Most Valuable Player and set seven Delaware goalkeeping records this season for career shutouts (26), saves (477), goals allowed (0.91 per game), save percentage (.891) and for season saves (160), goals allowed per game (0.80), and save percentage (.909).

The Team: Moe Scally, Kathy Cicala, Jill Hershey, Ange Bradley, Nari Bush, Cheryl Prescott, Lecia Inden, Lynn Iannotta, Barbara Wolffe. Janet Smith (assistant coach), Kelly McCarthy (trainer), Kim Wagner (manager), Nancy Thompson, Kathy Tucci, Missy Hukill, Laura Dominick, Michele Rosenbaum, Cassie Vogt, Andrea Sparks (manager), Mary Ann Hitchens (head coach).

Co-captain Nari Bush attacks the ball against a defensive Towson opponent.

Junior Michele Rosenbaum fights for control of the ball.

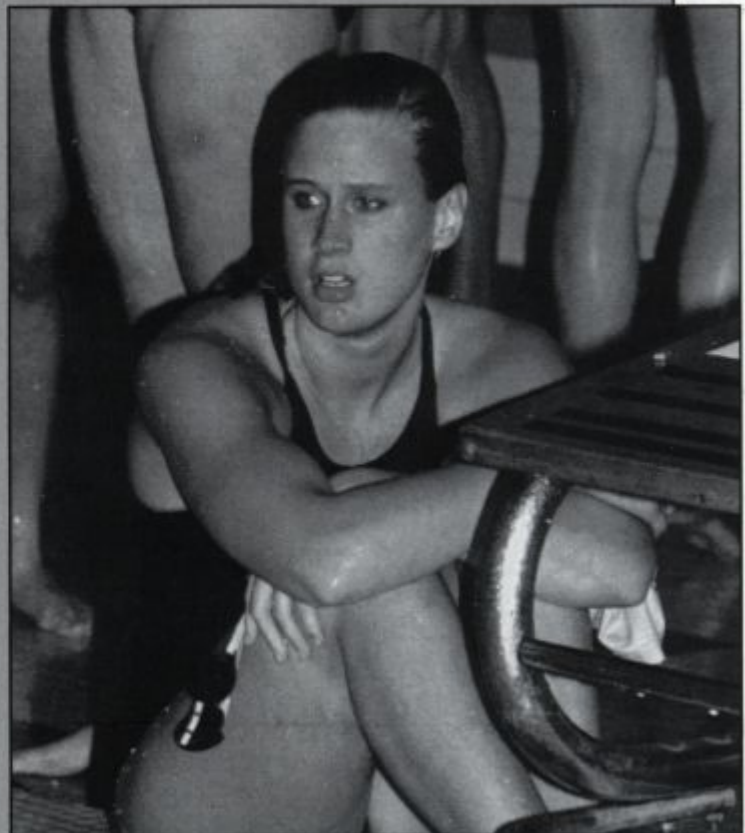

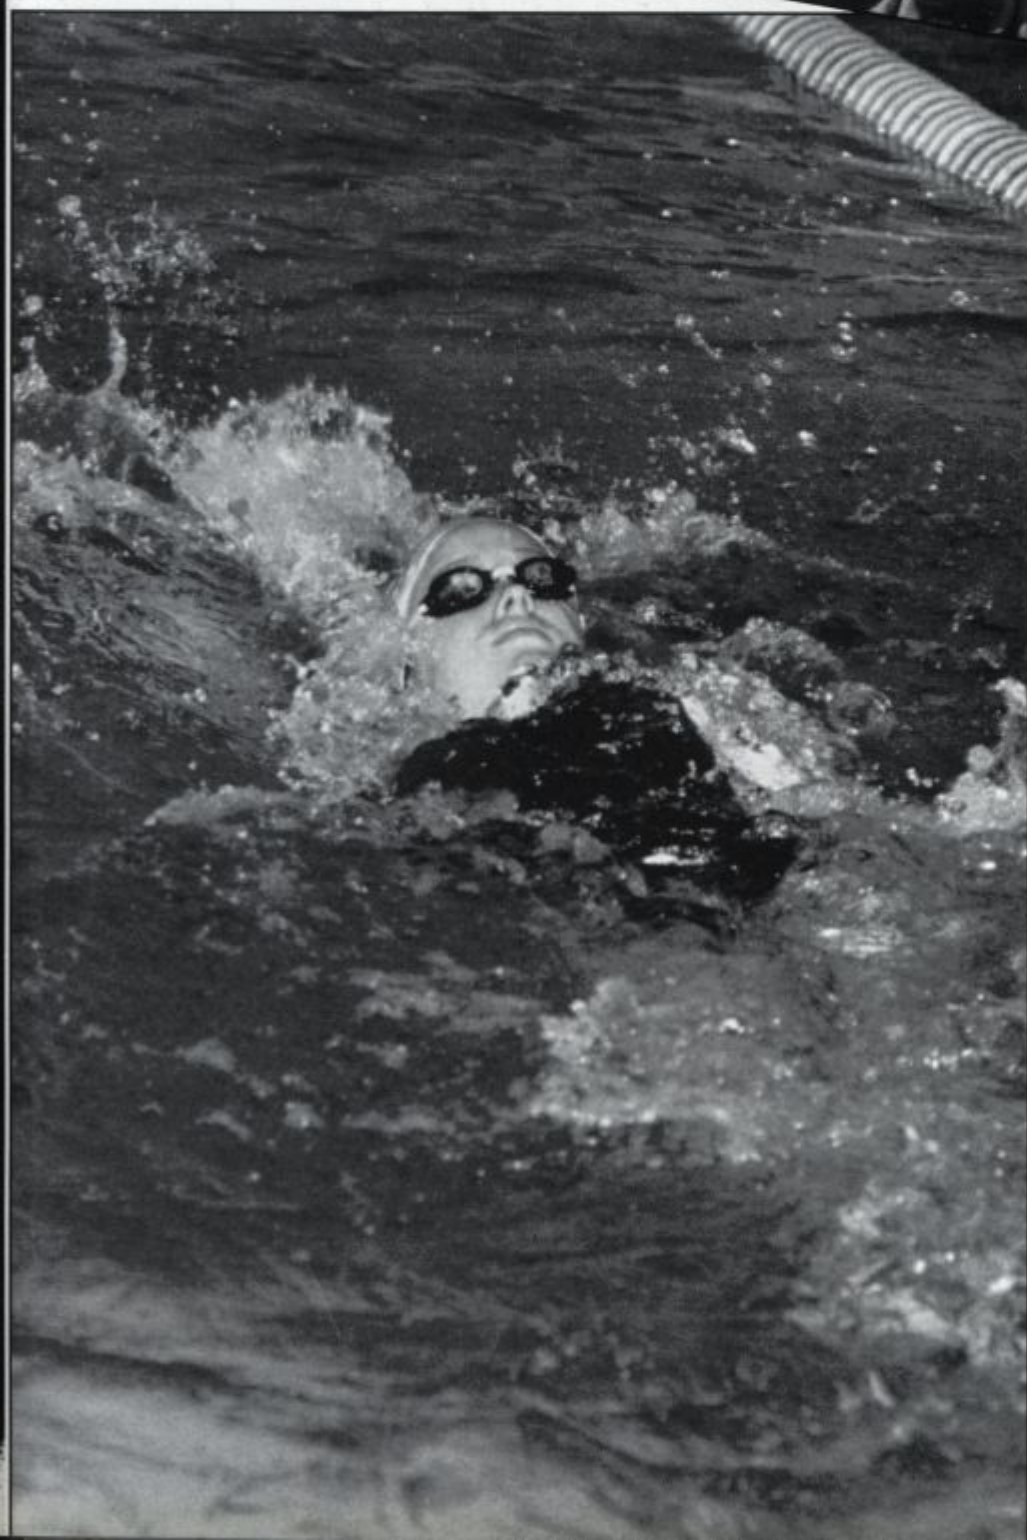

Coach Hitchens: *"It was a very satisfying season. There were peaks and valleys, but looking back I only have very positive recollections of the season as a whole."*

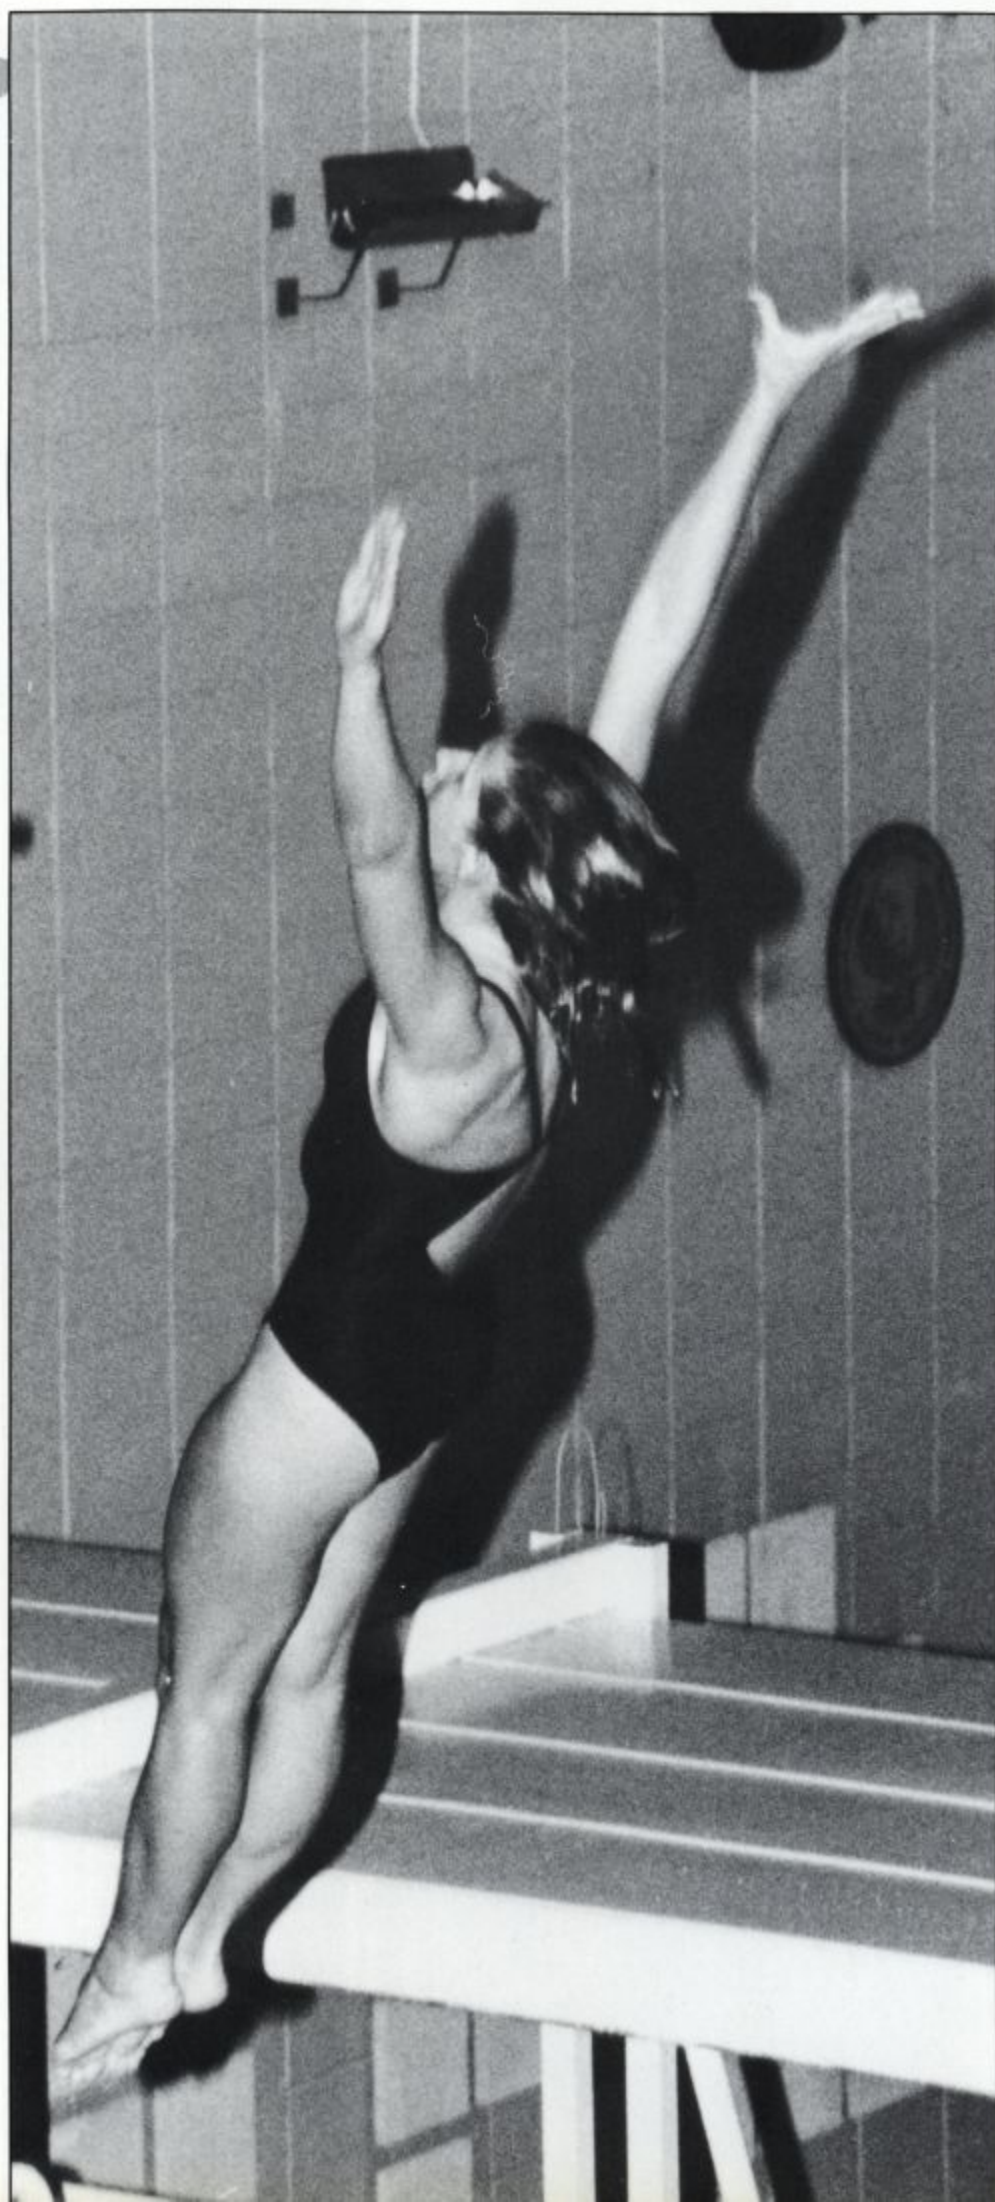

Captain Ange Bradley: *"I hope to get a graduate assistantship at some top 20 college and coach lacrosse or field hockey."*

Taking it to the Mat

Delaware's Dan Neff and Steve Shank each placed second in their weight classes and Tattall School graduate Ray McAlonan and heavyweight Curt Chastain each placed fourth to lead the Blue Hens to a fifth place finish in the ECC Wrestling tournament, their best showing since a second place finish in 1984.

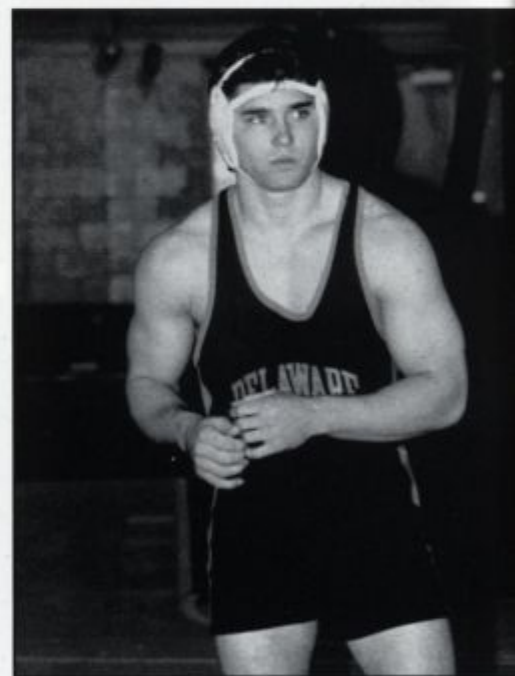

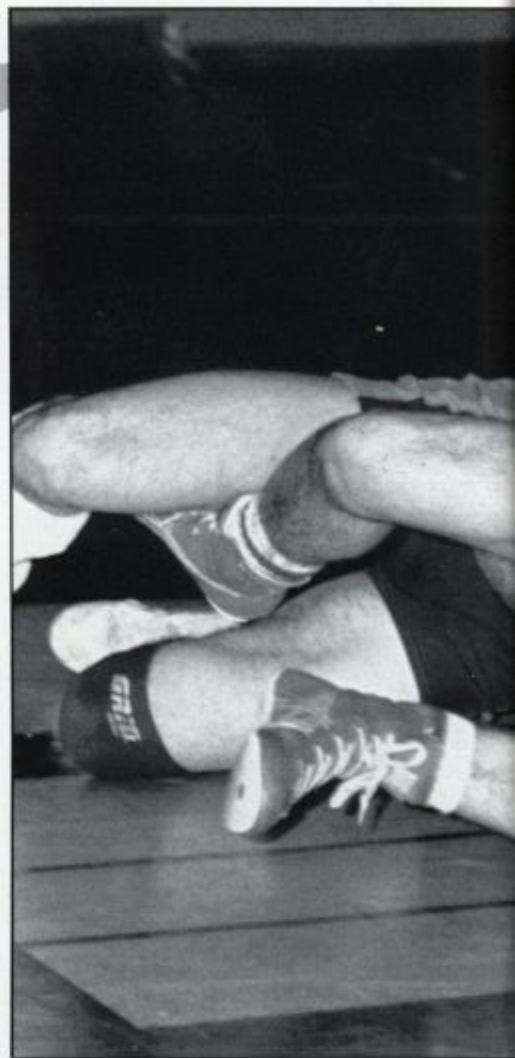

Rider posted its second ECC title in three years with 91.75 followed by defending champion Bucknell (83.25), Hofstra (49.5), Drexel (43.75), Delaware (26), and host Lafayette (23.5).

Neff fell to Bucknell's Kevin Bullis in the 158 final for the second straight year as Bullis gained a 4-3 victory on riding time. Neff, the No. 2 seed, had advanced to the finals with a 7-6 win over Drexel's Bill Ward. Neff, who was pinned by Bullis in last year's ECC final, dropped to 14-3 on the year and ended his career at Delaware with a record of 65-23-4, the fourth best total in school history.

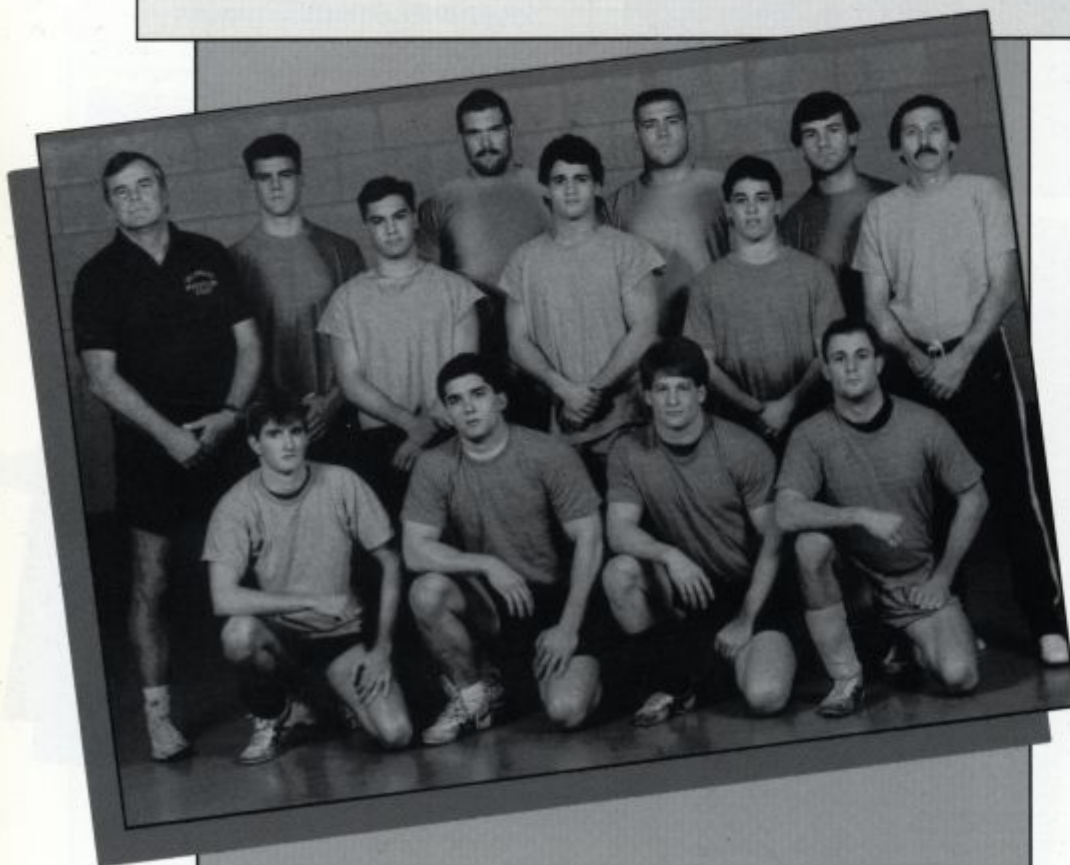

Shank dropped the 150 final to defending champion Mike Arena of Hofstra by a 16-4 score, ending

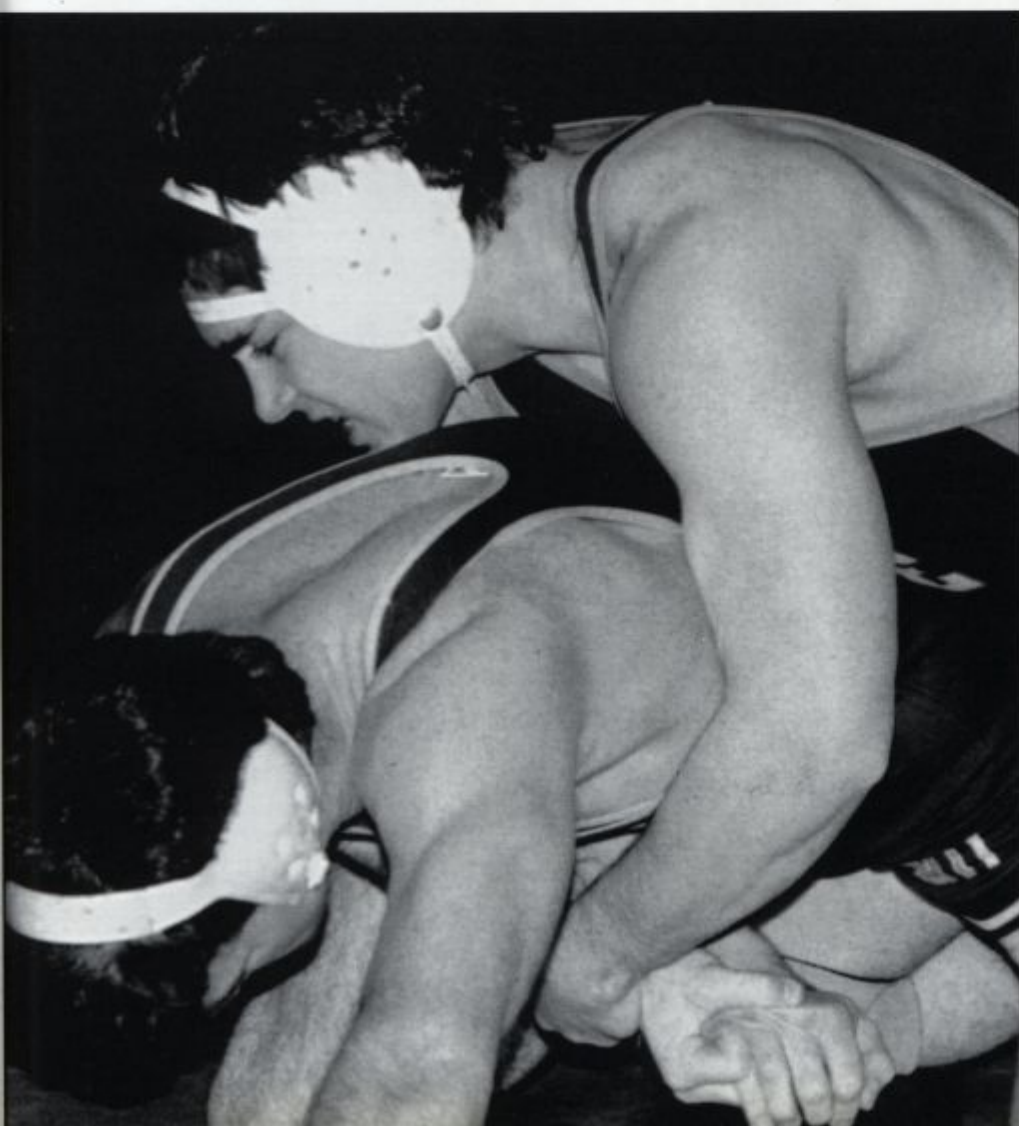

Shank's 14 match win streak. Shank (19-3) had advanced to the finals by way of a 45 second pin over Lafayette's George Reynolds and a 5-0 overtime win over Rider's John Fasti. McAlonan placed fourth at 190 with a loss to Rider's Tom Nevadomski in the consolation and Chastain (12-8) was fourth with a 5-4 loss to Hofstra's Derrick Magwood in the consolation.

Their Finest Season

Backed by an experienced pair of guards and a young and talented frontcourt, the University of Delaware women's basketball squad enjoyed one of its finest seasons in school history this winter, posting an 18-11 record and advancing to the East Coach Conference semifinals.

The Blue Hen cagers, led by 10th-year coach Joyce Berry, posted their fourth best win total in school history and finished third in the ECC regular season. During the season, Delaware posted key wins over the likes of Princeton, Georgetown, American, and Pennsylvania and dropped narrow decision to Temple, and NCAA tournament-tested Manhattan and LaSalle.

Leading the Delaware efforts this season was 6-1 sophomore center Sharon Wisler who was named to the All-ECC first team after a season that saw her lead the team with 13.9 points per game and pace the conference with 9.2 rebounds per outing as a first-year starter. She also converted 48 percent from the field and blocked 15 shots. The dietetics major scored in double figures 21 times, including a career-high 26 vs. Lafayette Feb. 24, and had a career-high 16 rebounds Feb. 2 vs. Lehigh.

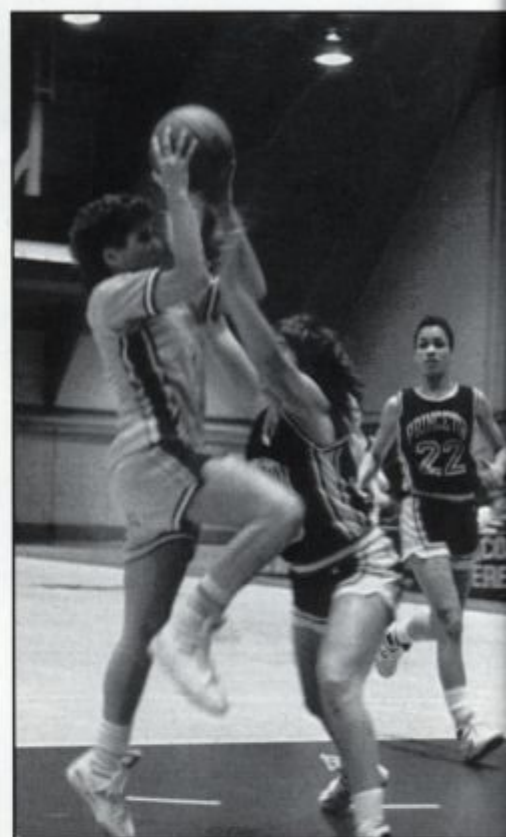

The Blue Hen backcourt of 5-9 seniors Lisa Cano and 5-6 Sue Whitfield continued their reign over the Delaware record books with solid efforts in their final collegiate season. The pair never missed a game in their 114-game careers and started together in the backcourt in 108 straight games, both UD records.

Cano, a pre-season All-ECC pick, a CoSIDA Academic All-America candidate in business marketing, and a third-year captain, capped a fine career with a season that saw her rank third on the squad with 12.0 ppg, 4.4

rpg, 62 assists, and a team-high 79 steals, the latter tying a Delaware single-season record. She also led the team with a single-season record 76.6 percent free throw shooting accuracy. She finished her career ranking in the top 10 in 13 Delaware career categories, her 1,180 points are third all-time and her 275 steals is a Blue Hen record. She enjoyed a career-high 24 points vs. American and Lehigh this year.

Whitfield, another Hen captain, ran the playmaker role to perfection this season, her fourth as the Delaware point guard. She led the team and was fourth in the ECC with 4.9 assists per game and added 10.0 ppg and established single game, season, and career records for assists. She had 14 assists in a loss to Hofstra and finished with 141 assists on the year and 358 for her career. The physical education major hit a season-high of 19 points three times this season, had nine or more assists six times, and hit the winning basket in the quarterfinal win over Lehigh with a driving layup.

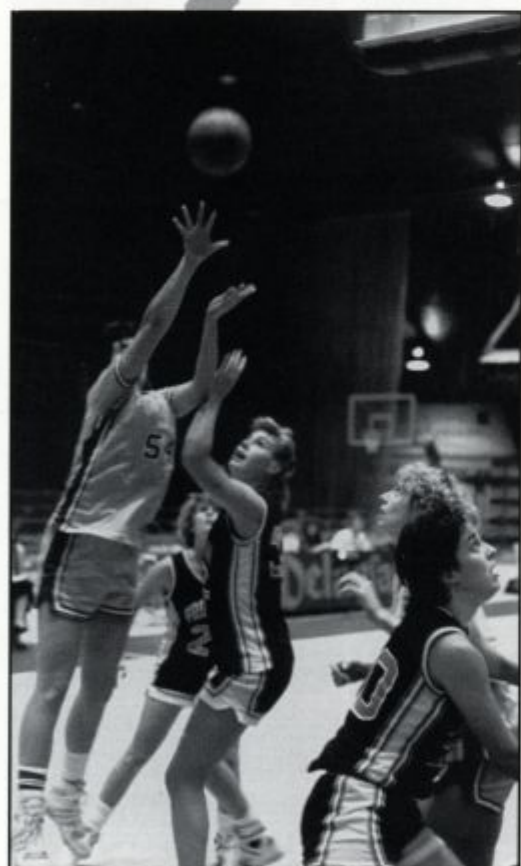

Senior Kathy Malone, a 5-10 forward and tri-captain, also saw valuable time in the frontcourt in her third season on the team. The biology/athletic training major played in 24 games, hitting 21 of 44 shots from the field for 1.9 shots and 1.4 rebounds. The Blue Hens also received strong play from the backcourt this winter led by 5-4 sharpshooting junior Linda Malouf (St. Peter's/Milltown, NJ) who enjoyed her best season at Delaware with 3.4 ppg in 29 games. The physical education major scored 10 points three times, hit four three-points shots on the year, and converted 43 percent of her field goals primarily shooting from 15-feet or farther.

Delaware Team Notes

The Delaware-Rider tournament quarterfinal match-up marks the third meeting between the schools in ECC Tournament play. Delaware won 72-70 in the 1978-79 opening round but lost in quarterfinal play in 1984-85 tourney by a score of 59-58.

The Delaware-Rider series dates to 1969-70 season when Hens won first meeting 78-68. Overall Delaware leads series 22-18.

This year marks the sixth time Delaware has beaten Rider twice in regular season play. The other years were 1969-70, 1972-73, 1976-77, and 1979-80. In 1984-85 season Hens swept regular season play but lost in ECC Tourney to Broncs.

The last time Delaware defeated a team three times in a single season came in 1979-80 when they swept West Chester including a 98-75 opening round play. That win also was the last for Hens in ECC Tournament play.

Tony Tucker has been Delaware's scoring leader in 15 of the 27 games played entering the ECC Tourney. Ereik Perry has paced the Hens four times as has Taurence Chisholm. O.J. Gumbs, Greg Wheeler, and Elsworth Bowers have each lead the team in scoring once while Barry Berger has paced Delaware three times.

In rebounding Steve Jennings has led Delaware on 11 occasions, Barry Berger has led in seven games, Elsworth Bowers has been tops in seven games as well, and freshman Ereik Perry has been best on the boards twice.

Don't ask the other ECC coaches about where they thought Delaware would finish in their annual pre-season ballot. They called for a sixth place finish. Delaware, however, ended up four spots higher, tied for second with Drexel, a team the coaches did correctly tab to finish second.

Delaware's 107-52 win over Glassboro followed by a 102-71 win over Monmouth were the first 100-plus point games for a Blue Hen team since December, 1978, and the first back-to-back century performances since the 1977-78 season. The 55 point victory margin vs. Glassboro ties the second highest winning margin which came against Swarthmore back in 1962-63 when Hens won 93-38. The all-time spread was 74 points, 80-6 over Lebanon Valley back in 1909-10 season.

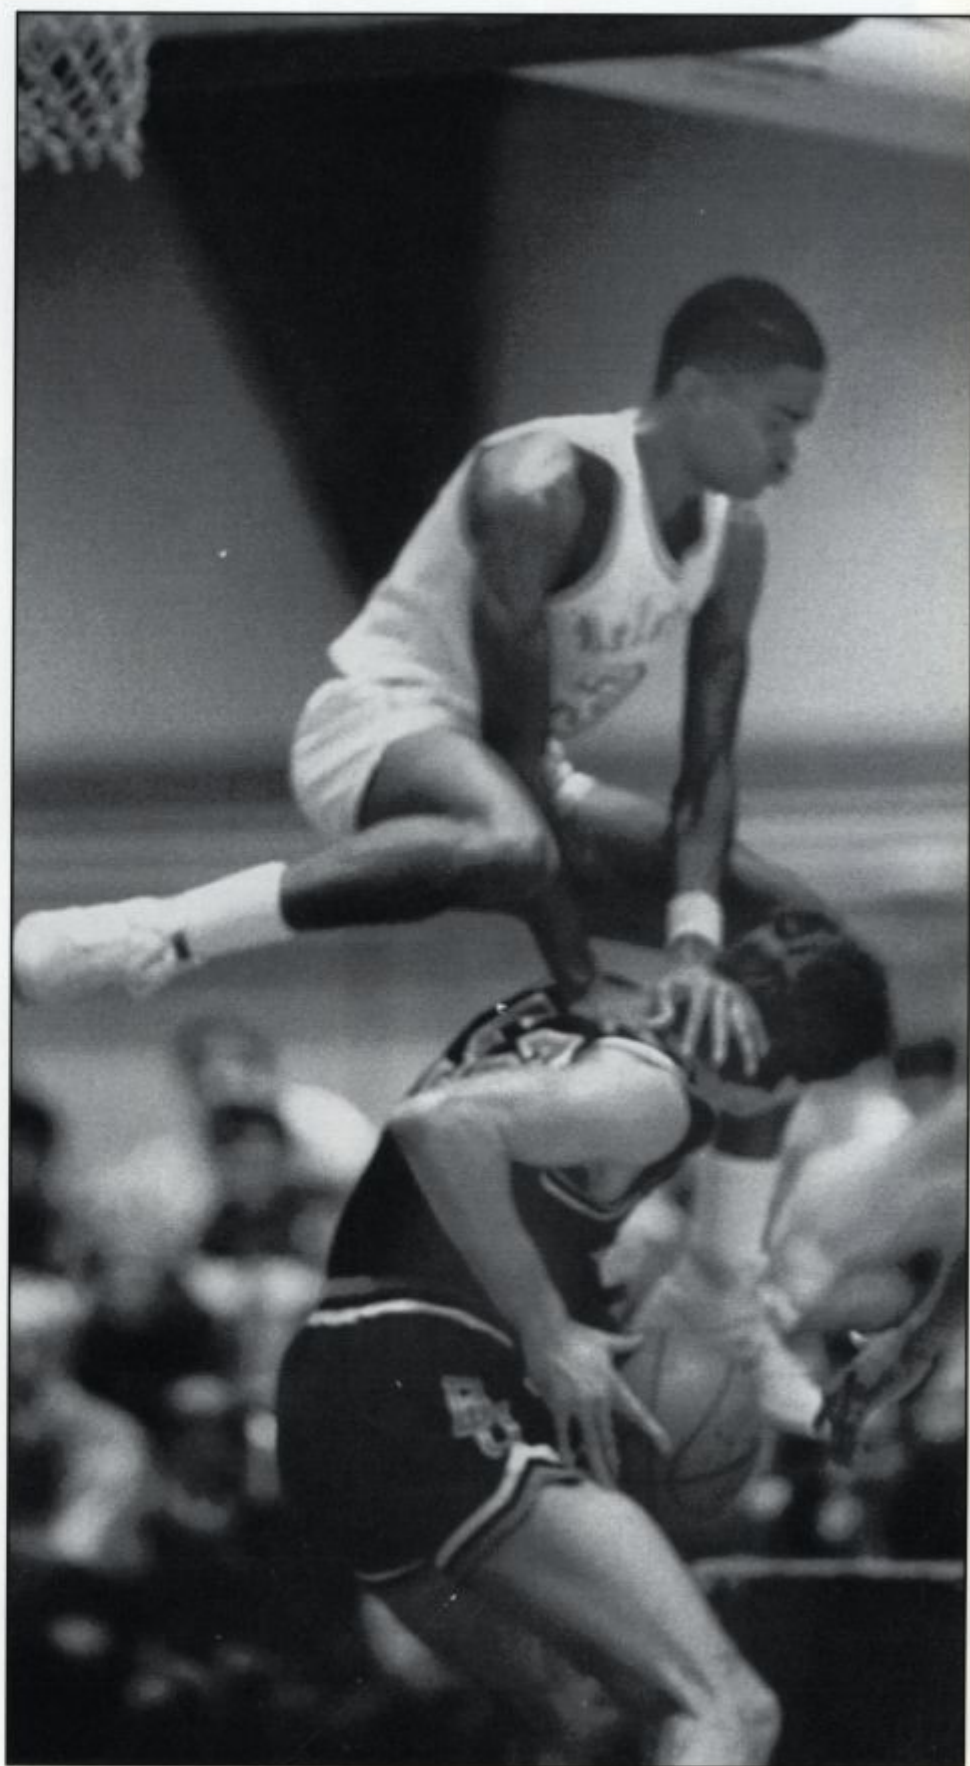

This has been a season with several extended win streaks. The Hens best run was an eight-game streak between William and Mary and the first meeting with Bucknell, an effort that gave them a 15-2 record for the best start in UD history. Their bid to tie the longest win streak in UD history, however, ended at a place where they have one of the longest losing streaks in UD sports, Easton, PA. Delaware fell to Lafayette for the 19th straight time going back to 1968 in Easton, and lost their 20th straight game in the city having bowed twice in ECC Tourney games at Lafayette.

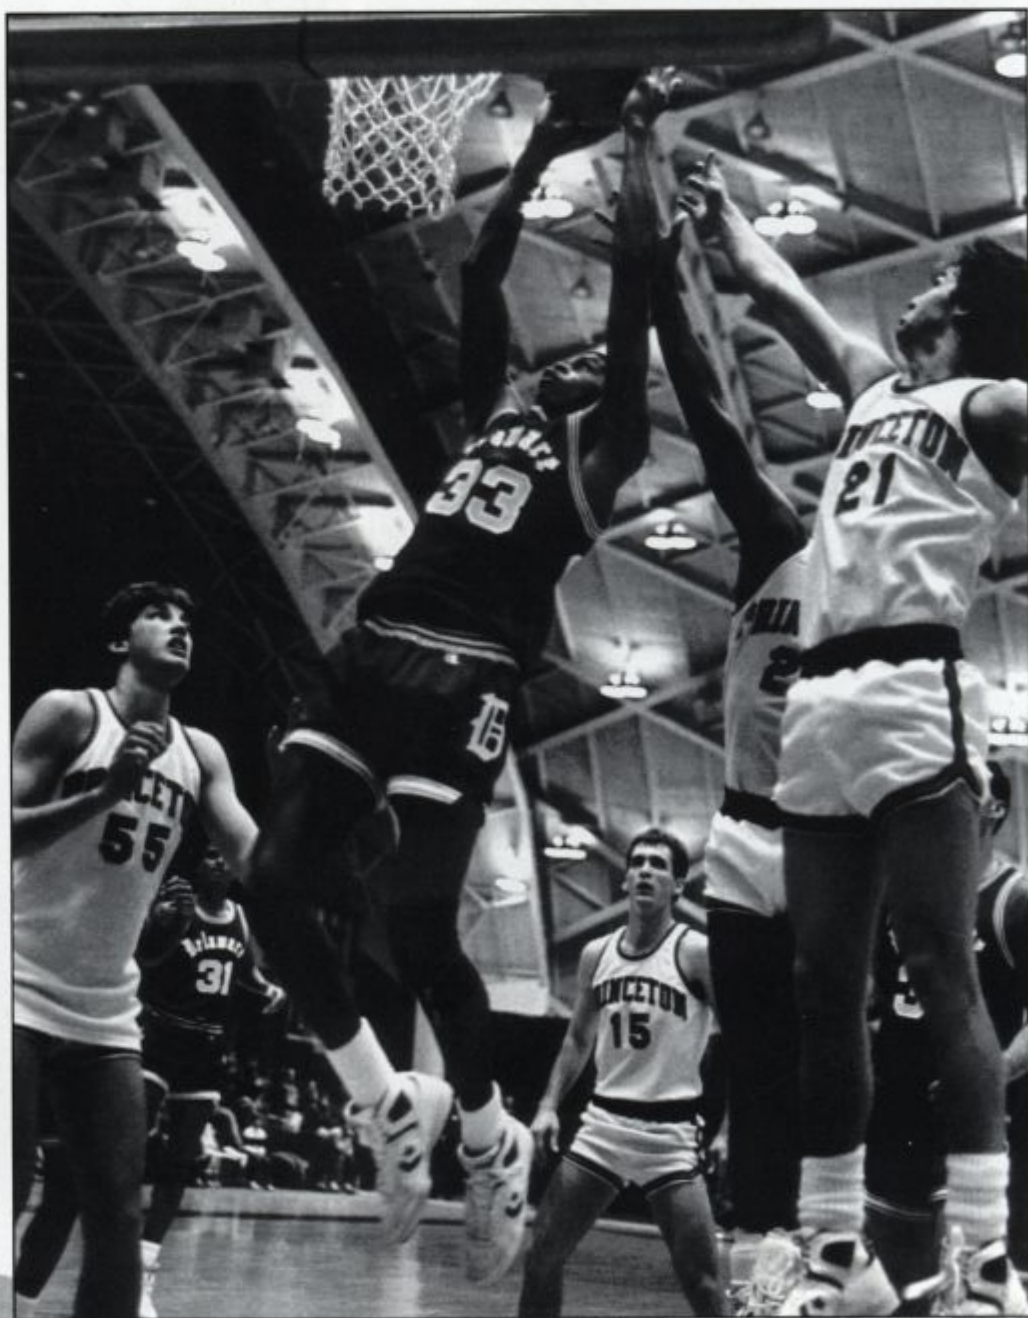

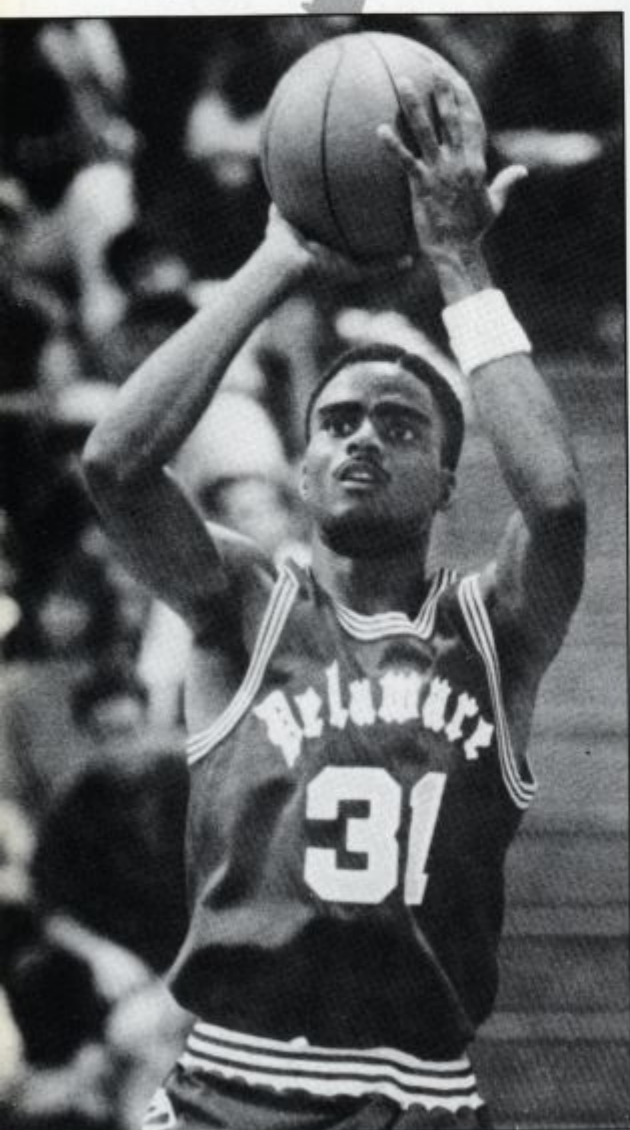

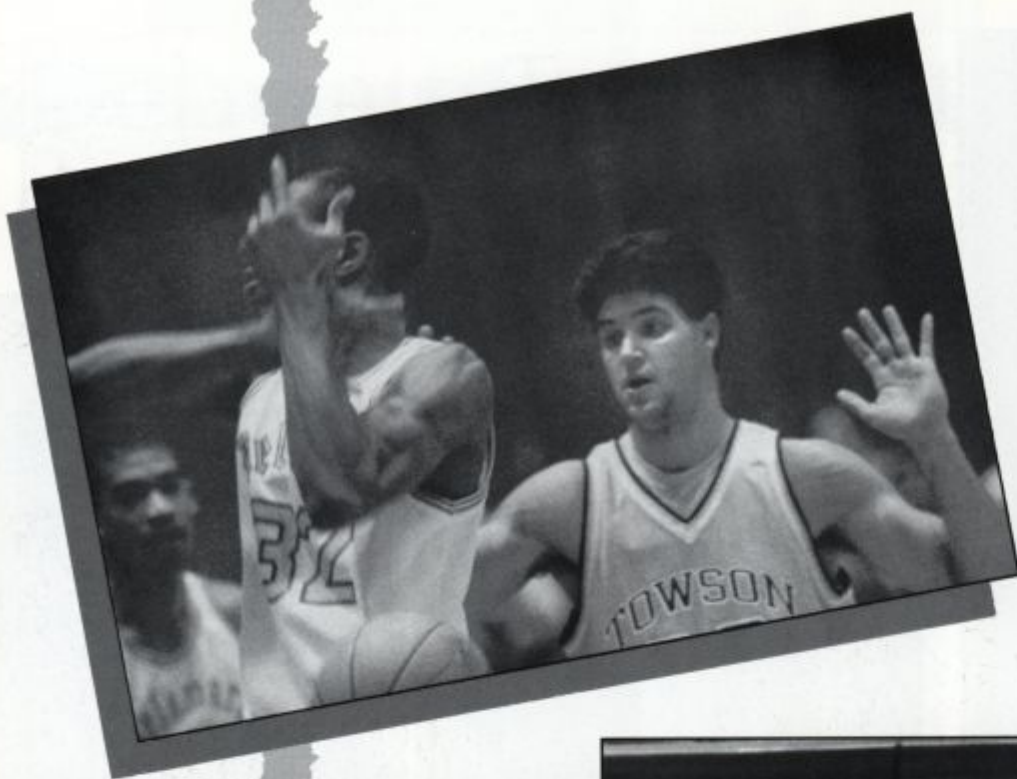

The key indicator for a Delaware win? Try scoring 35 points in the first half. Delaware is 16-1 in games where they have tallied at least 35 first half points. When they top 40 they are 5-0.

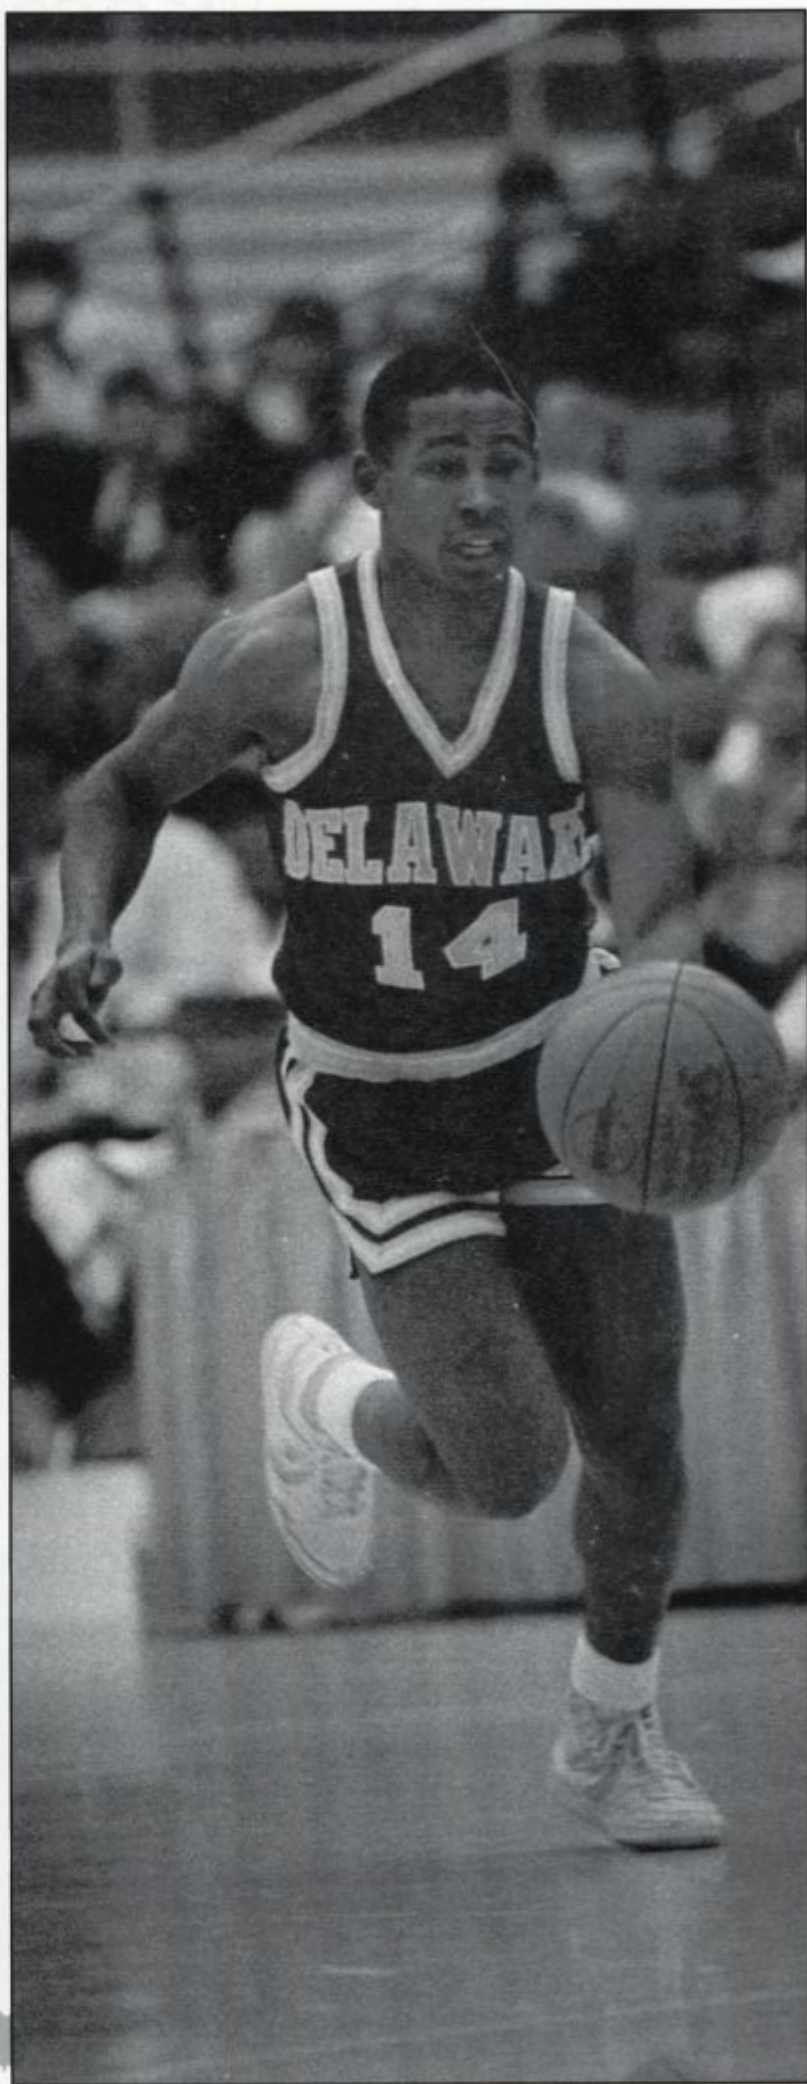

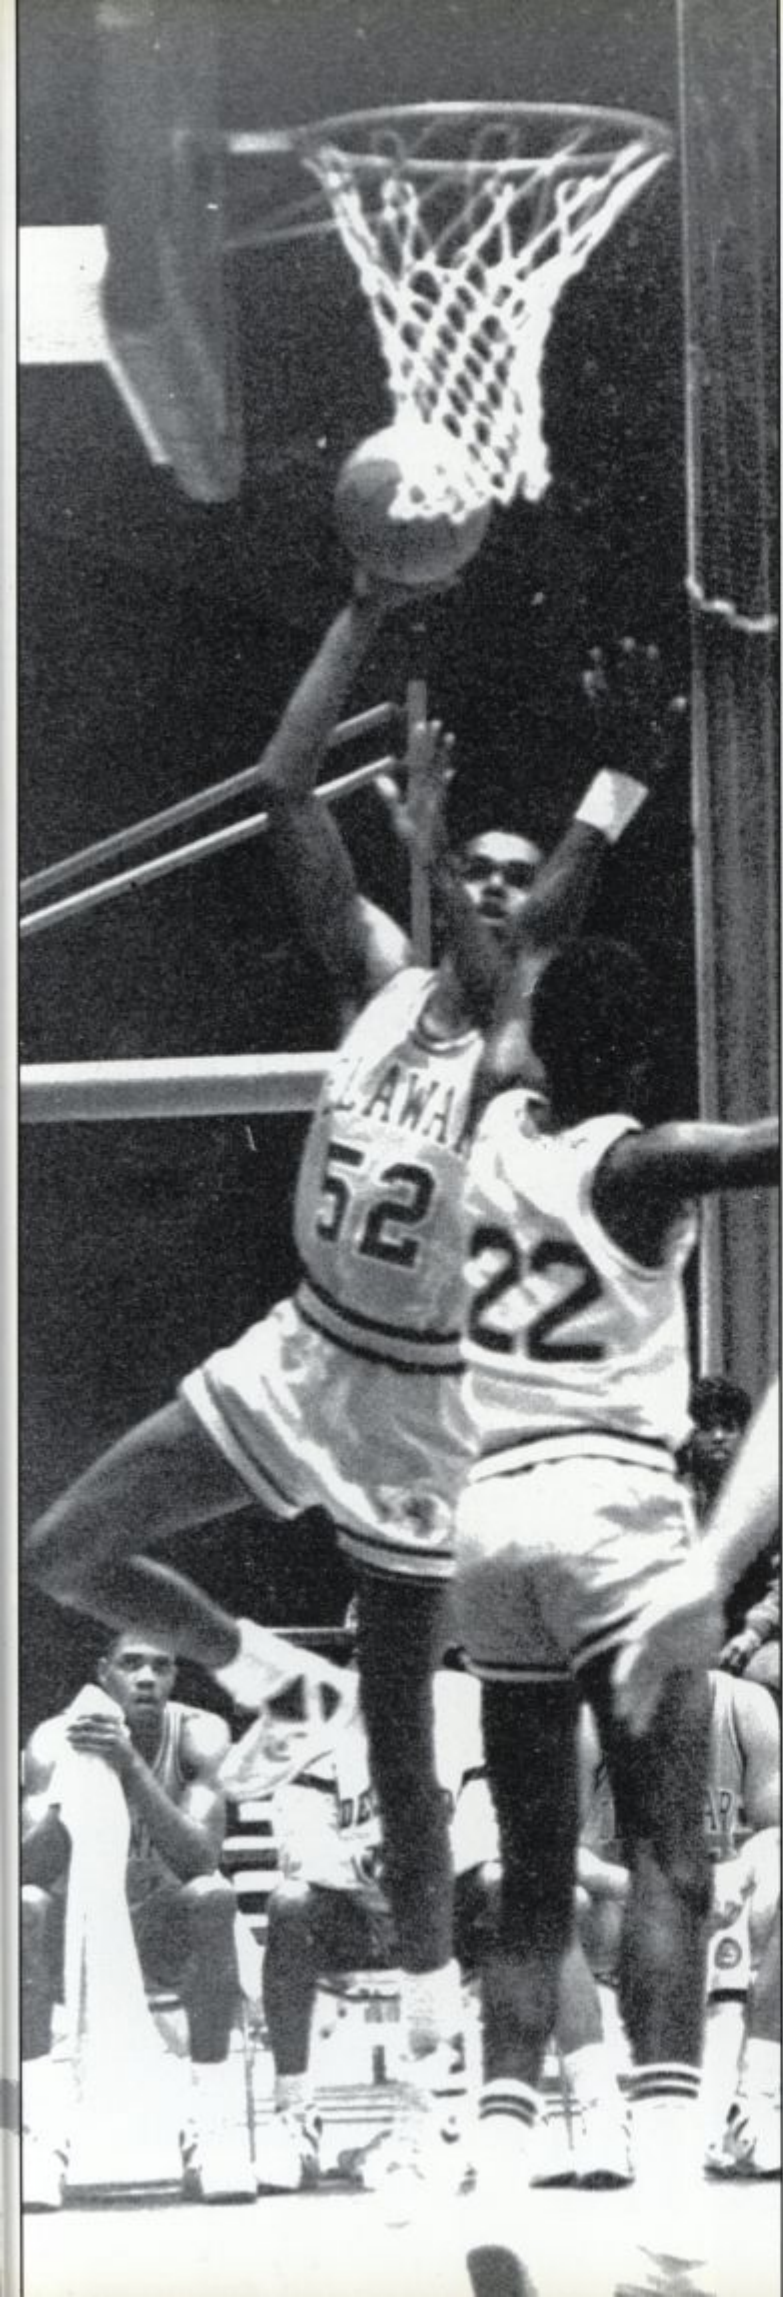

The Towson Center has not been a particularly kind gymnasium for Delaware. Entering the ECC Tournament, Delaware has a 2-7 record in the building, both wins coming against Towson, including 76-75 win on January 20th this season.

Defense has been the key to the Blue Hen turnaround. They have consistently been at the top of the ECC in field goal percentage defense, rebounding and scoring margin throughout the year.

Recapping the Season

Saturday, May 6: Game No. 1 — Delaware 13, Rider 5

Randy Simmons and Heath Chasanov each homered in a six-run first inning to lead Delaware past four-time defending champion Rider College. Simmons' two-run homer gave the Hens a 2-0 lead and a three-run homer by Chasanov helped the Hens build up a 9-0 lead in the first two innings. Senior Bill Gibbons (8-2) pitched no-hit ball through six innings before Ken Kremer broke up the no-hitter with the first of his two home runs. Chasanov drove in five runs for the Blue Hens while Pete Laake also added a two-run homer.

Saturday, May 6: Game No. 2 — Towson 6, Hofstra 5

A two-out double by Brian Walsh scored John Musotto from first base and broke a 5-5 tie as Towson State edged Hofstra for its first-ever ECC Tournament first round win. The Tigers built a 5-0 lead after seven innings as Chris Nabholz hit a 400-foot home run and freshman Larry Raynor pitched seven shutout innings. However, Hofstra rallied to tie the game in the eighth inning as Rich Hutter hit a three-run homer and Ken Noe hit a two-run single. With one out in the last of the eighth, Jim Churilla walked and Musotto ran for him. One out later, Walsh hit a run-scoring double up the alley in left center field to put the Tigers ahead. Steve DelGuidice (3-2) earned the win in relief.

Sunday, May 7: Game No. 3 — Hofstra 8, Rider 6

Bob Scala's three-run home run and a solo shot by catcher Jim Wahlig helped Hofstra build up a 6-3 lead in the first three innings as the Dutchmen hung on for an 8-6 win which eliminated four-

time defending champion Rider. Jamie DeVera (5-2) held the Broncos to three earned runs over eight innings while Hofstra took advantage of four Rider errors. Guy Calla had three hits and a pair of RBI's for the Dutchmen while Ken Noe had a pair of doubles.

Sunday, May 7: Game No. 4 — Towson 2, Delaware 1

Junior leftlander Chris Nabholz pitched a six-hitter, striking out eight and walking none, as Towson State advanced to the ECC Championship round with a win over Delaware. The Blue Hens scored first on back-to-back doubles by Len Richardson and Randy Simmons leading off the game. But Nabholz settled down and held Delaware to four hits the rest of the way while throwing just 86 pitches. He went to three balls on only one batter. The Tigers tied the score in the third inning when Mike Weglein tripled to right field and scored on Brian Walsh's sacrifice fly. In the fourth inning, Tiger catcher Rick Milliman hit a solo home run to right field to give Nabholz (6-2) all the runs he needed.

Sunday, May 7: Game No. 5 — Delaware 13, Hofstra 5

Len Richardson, John Kochmansky, and Tim Sipes each collected three hits to pace a 17-hit attack as the Blue Hens bounced back to earn another shot at Towson while eliminating Hofstra. Richardson had a triple and a home run in addition to driving in three runs while Sean Harding (7-2) scattered nine hits over eight innings. The Blue Hens hit four triples in the game and collected seven extra base hits. Dave Birch, Kochmansky, and Sipes each drove in two runs for Delaware while Guy Calla had three hits for Hofstra.

Record Breaking Performances

The University of Delaware women's softball squad capped a record-breaking season May 7 when it placed fourth at the East Coast Conference championships held at Patriot's Park in Allentown, PA.

The squad, led for the eighth year by head coach Bonnie Jill (B.J.) Ferguson, established a new school record for wins with a 22-12 record, breaking the old mark of 20 set in both 1983 and 1987. The Hens finished the season with a 6-6 mark in ECC play to place fourth and went 2-2 in the tournament, defeating No. 5 seed Towson in the opener, losing to eventual champion Rider in the second round, and defeating host Lafayette in the loser's bracket before dropping a 1-0 decision to Bucknell to force elimination.

Two Blue Hen players were named to the All-East Coast Conference first team prior to the tournament as junior centerfielder Lynne Bartlett was named for the second time in her career and junior catcher Missy Hukill was a first time selection.

Bartlett, a third-year starter, led the team with a .314 batting average as she tied a school record with 33 hits in 105 trips. She also scored 21 runs, knocked in 11 runs, tied a school record with six triples and hit two home runs. She also stole seven bases and had a team-leading .486 slugging percentage. This season she also set records for career runs (64), runs in a game (3 vs. Pennsylvania), triples in a game (2 vs. Penn), triples in a career (13), home runs in a career (9), and runs batted in a game (6 vs. Penn). Hukill, a co-captain this season, batted .232 with 23 hits in 99 at bats to go with 12 runs, 12 RBI, three game-winning hits, and a team-high four doubles. She also made just four errors in 111 chances behind the plate and threw out 7 of 28 base stealers.

The Blue Hens received a solid pitching effort this season from the trio of sophomore lefthander Kathy Tucci, senior righthander Joanne Zola, and rookie righthander Sharon Higgins. Tucci en-

joyed a solid second season as she led the squad with a 1.52 ERA, playing in 19 games with 17 starts, 15 complete games, 120 innings, and 36 strikeouts. She went 11-6 with two shutouts (vs. Lehigh and Hofstra) and opposing batters hit just .176 against her. She also hit .185 with 12 hits, nine runs, and seven RBI and had a team-high four game winning hits. She is a CoSIDA Academic All-American candidate with a major in biology.

Zola, a second-year varsity performer, posted a record of 10-6 with a 2.55 ERA this season, pitching 104 innings and 29 strikeouts to go with 13 complete games. She was also one of the top hitters on the squad, batting .287 with a team-high 18 RBI and two home runs as well as four game winning hits. Higgins, one of only four freshman on the squad, saw limited, but effective duty on the mound. She appeared in five games, pitching 12 innings and striking out nine while not allowing a run all season. She was 1-0 with a win over ECC foe Lafayette in 3.2 innings of relief.

Thanks to some solid offensive efforts this season, the Hens batted .222 as a team this season and outscored opponents 161-88 while establishing a team record for RBI in a season with 107.

For the infield unit, senior co-captain Wendy Lockhart capped an outstanding four-year career by hitting .162 with 16 hits and 13 RBI as the only player on the team to play in all 34 games. The first baseman set records for career games played (118), games played in a season (34), and career putouts (982). She committed just four errors in 289 chances this season for a .986 fielding percentage. She is a CoSIDA Academic All-American candidate in physical education.

Sophomores Cathy Miller and Lisa Van Vechten shared the middle infield spots all season with Miller moving from shortstop to second base midway through the season and Van Vechten making the opposing move.

Always On the Run

The University of Delaware women's track squad ended its 1988 outdoor season with a solid fourth place finish at the East Coast Conference championships held May 7 at Lehigh University's Saucon Valley Track.

Highlighting the action for the Blue Hens was senior Beth Diver who won the discus with a throw of 123'-11" and freshman Erika Brandt who capped a sweep of the high jump event for both the indoor and outdoor season as she leaped 5'-6" to defeat nine other competitors and qualify for the ECAC championships. Both performances helped Delaware earn 45 team points, trailing champion Lafayette (110) and Bucknell (103) and besting Towson State (41) and host Lehigh (12). The Blue Hens have now placed third in each of the last three seasons.

The lone second place finish for Delaware was in the 400-meter relay where junior Evelyn Campbell, freshman Aimee Dempsey, freshman Portia Ramsey, and junior Ingrid Hohmann combined to post a time of 49.98. Dempsey, Hohmann, sophomore Hannah and freshman Janine Yannacci then teamed up for a time of 4:07.45 in the 1,600-meter relay to place third.

Dempsey also placed third in the 400 intermediate hurdles with a time of 1:07.61, Campbell was fourth in the 100 meters (13.01) and fifth in the 200 meters (27.11), Hohmann was fourth in the 400 meters (1:01.43), Yannacci took fifth in the 400 meters (1:02.32), and Ramsey was sixth in the 100 meters (13.17).

In the distance events, senior Michele Socorso was fourth in both the 3,000 (10:38.86) and 5,000 (18:43.13) meter

runs; twin sister Angela Socorso was fifth in the 10,000 meters (41:01.27), sophomore Cheryl Amin was fifth in the 1,500 meters (4:51.23) and eighth in the 800 meters (2:25.14); freshman Jennifer Wiest was sixth in the 1,500 meters in 4:54.50; senior captain Kristen Heras was sixth in the 10,000 meters (43:36.88); freshman Trisha Rush was seventh in the 10,000 meters (45:06.17); freshman Karen Scoglund was eighth in the 3,000 (11:03.37).

In the weight throwing events, sophomore Sherri Norris was fifth in the hammer with a toss of 115'-6", breaking her own school record in the process, and was 11th in the shot put with a throw of 30'-6 1/4"; twin sister Terri Norris was eighth in the discus (97'-8") and ninth in both the hammer throw (87'-7") and the shot put (32'-2 1/4"); freshman Susan Grim (Boyertown/Barto, PA) was seventh in the javelin with a throw of 88'; freshman Kim Rector was eighth in the javelin with a toss of 62'-1"; and freshman Jennifer Perry was ninth in the discus with a throw of 96'-2".

In the jumping events, sophomore Marge Dougherty placed fifth in both the long jump and triple jump, jumping a distance of 16'-10 3/4" in the long and 33'-10 3/4" in the triple. In the high jump, freshman Kelli Starr and Bonnie Beers tied for sixth place with a leap of 4'-10".

In dual meet action this season, the squad posted a record of 2-0 with wins over Columbia and Fairleigh Dickinson in a tri-meet April 9. The squad also competed this season at the Penn Invitational and the Penn Relays, and hosted the Delaware Invitational. The squad was led by sixth-year head coach Sue McGrath-Powell.

Record Breaking Season

Backed by three individual champions and a fourth straight 400-meter relay team title, the University of Delaware men's outdoor track and field squad earned a third place finish at the 14th annual East Coast Conference meet held Saturday, May 7 at Lehigh University.

The Blue Hens, who finished third for the third straight year under sixth-year head coach Jim Fischer, compiled 77.67 team points, trailing only nine-time champion Bucknell (228) and 1986 titlist Rider (162). The Hens' out-distanced Lafayette (63), Lehigh (54.33), Drexel (36), and Towson State (9).

Topping the individual performances were junior Tom Rogers who tied for first place in the 800 meters with a UD record time of 1:52.33 and senior quad-captain Don Henry who captured the 100-meter dash in a time of 10.94, placed second in the 200 with an IC4A qualifying time of 21.82, and was a member of the winning 4 100 meter relay team of senior James White, sophomore David Sheppard and junior Bennett Goldberg that qualified for the IC4A meet in a time of 42.15. Henry, who was second in the 100 meters at the ECC meet last season, also teamed up with Goldberg, Sheppard, and freshman Paul Francisco to place second in the 1,600-meter relay in a time of 3:17.73 that also qualified them for the IC4A meet.

Sheppard, the Hens' ECC Scholar-Athlete nominee for the spring, captured the 400-meter dash in an IC4A-qualifying time of 48.40 while White placed eighth in the 110-meter high hurdles in a time of 16.5 seconds, Goldberg was fifth in the 200 meters (22.18), and Francisco competed in the 200 meters (23.1) but did not qualify for the final heat.

The other second place performance was put in by freshman Mark Murray who set a new Delaware freshman record in the high jump with a leap of 6'-8". Murray, who is a member of the Blue Hen men's basketball squad, also

competed in the 200 meters and placed seventh with a time of 22.40. Junior James Benson tied for 10th in the 400 meters with a time of 51.40; and junior Nelson Martin was 15th in the 400 meters with a time of 51.86. In the hurdle events, junior Dave Scheck was seventh in the 110-meter high hurdles with a time of 16.2 while sophomore Dave Freimuth was eighth in the 400-meter intermediate hurdles with a time of 58.63 and 11th in the 110-meter hurdles in 16.29.

In the distance running events, senior Jim Chenowith was seventh in the 5,000 meters (35:17.89) and eighth in the 5,000 (16:15.8); freshman Chris Cronis was seventh in the 800 meters (1:56.61); junior Mike Tigani was eighth in the 10,000 meters (37:00.26); senior captain Brad Sample was ninth in the 800 meters (1:56.84); senior Luis Bango was ninth in the 5,000 (16:20.4). In the jumping events, senior John Strain was fourth in the high jump with a leap of 6-2; sophomore Jim Supple was fourth in the triple jump with a distance of 45'-11 3/4"; and freshman Mark Ruffolo was 10th in the long jump in 20'-5". In the pole vault, freshman Kurt Mueller placed third with a Delaware freshman record height of 13'-6" while freshmen Joe Kelly and Doug Jaquith tied for sixth place with vaults of 12'-6".

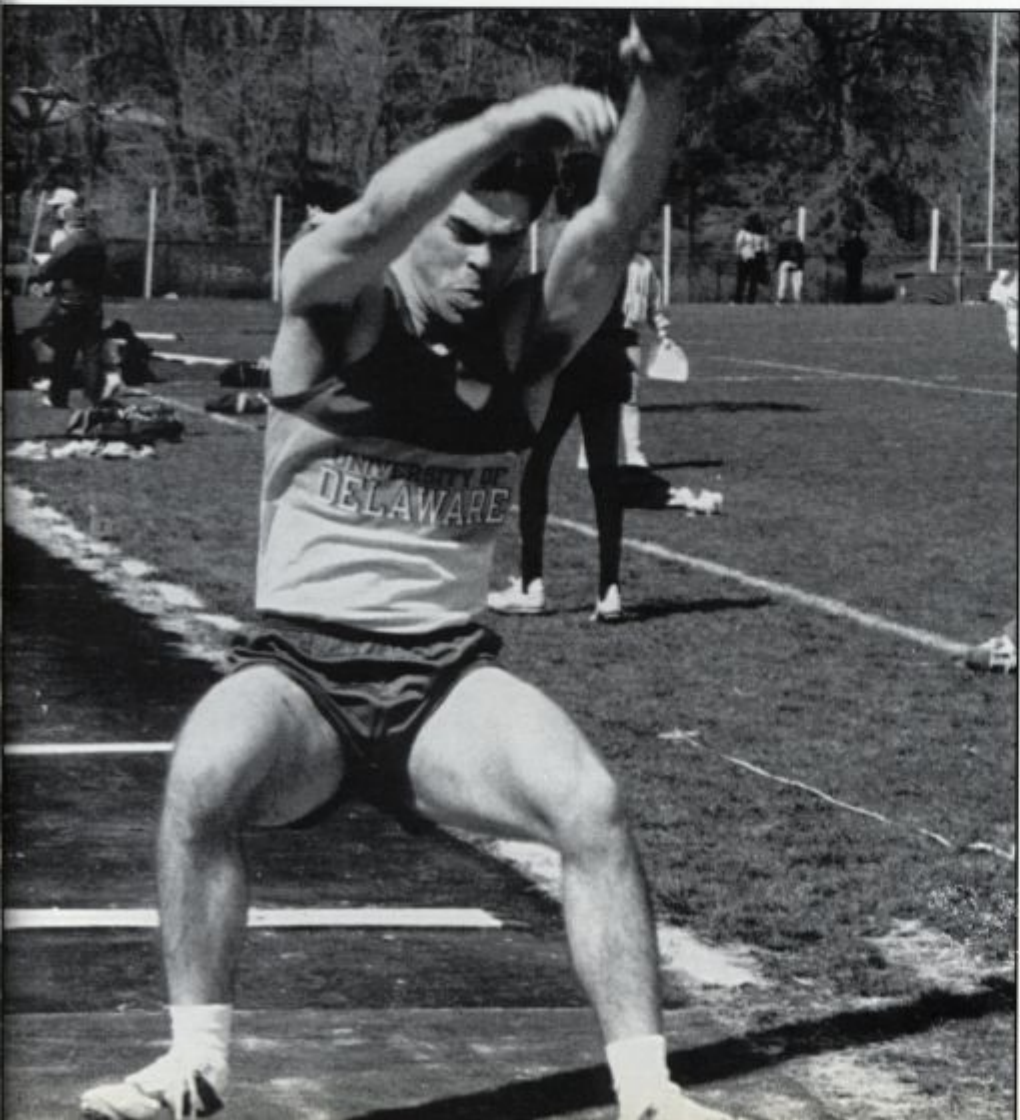

In the weight throwing events, senior Jim Shaer was eighth in the hammer throw with a distance of 124'-6"; junior George Eastburn was ninth in the javelin with a distance of 164'-4 1/2"; and senior Jay Martin was 13th in the javelin with 160'-6".

The Blue Hens posted a 2-2 dual meet mark this season with wins over Drexel and Philadelphia Textile and losses to Rider and Columbia. The squad also competed in invitational meets at Delaware State, Towson State, Millersville, and at the Penn Relays, and hosted a Delaware Open April 9 and the Delaware Invitational April 22 at the university's newly-resurfaced outdoor track.

Backed by No. 3 singles champion Dave Gonzalez and a balanced effort all season, the University of Delaware men's tennis finished an 11-5 dual meet campaign by placing fourth at the 14th annual East Coast Conference Championships April 30-May 1 at Towson State University in Towson, MD. The Blue Hens, who placed fourth for the second straight season, compiled 10 team points for fourth place finishing behind first-time champion Towson State (19), defending champion Bucknell (17), and Lafayette (15.5) and defeating Lehigh (7), Rider (2.5), Hofstra (1), and Drexel (0). The fourth place finish capped an outstanding season for the Hens under 36th-year head coach Dr. Roy Rylander as the squad compiled an 11-5 dual meet mark, including a 4-2 ECC slate, to clinch their fourth straight winning season and 10th straight non-losing season. For the year, the Hens compiled a record of 74-35 in singles play and 35-17 in doubles.

Capping the individual performances was senior Dave Gonzalez who won his second ECC singles title by defeating Towson's Tom Campbell 6-4, 6-5 in the finals at the No. 3 flight. The win was Gonzalez' 11th straight and gave him a season record of 18-1. His career mark of 37-6 ranks seventh all-time at Delaware. The ECC title was also the first for a Delaware player since Gonzalez himself won the ECC No. 5 flight title in 1985. The top doubles performance of the season came from the senior co-captain duo of Dave Baldwin and Jim Korman who set a new Delaware career doubles win record as they went 12-4 at the No. 2 spot and increased their career record together to 34-13, moving past the 1973-74 team of Jeff Dumansky and Jeff Olmstead who were 29-6. The tandem also had an eight-match win streak midway through the season before falling to American.

In other singles action for the season, senior Jim Kegelman capped a fine career as a three-year performer at No. 1 singles, posting a record of 13-5 and winning his first match at ECC's. Kegelman, a CoSIDA Academic All-America nominee in mechanical engineering, compiled a career mark of 42-22 which ranks sixth on the UD career win list.

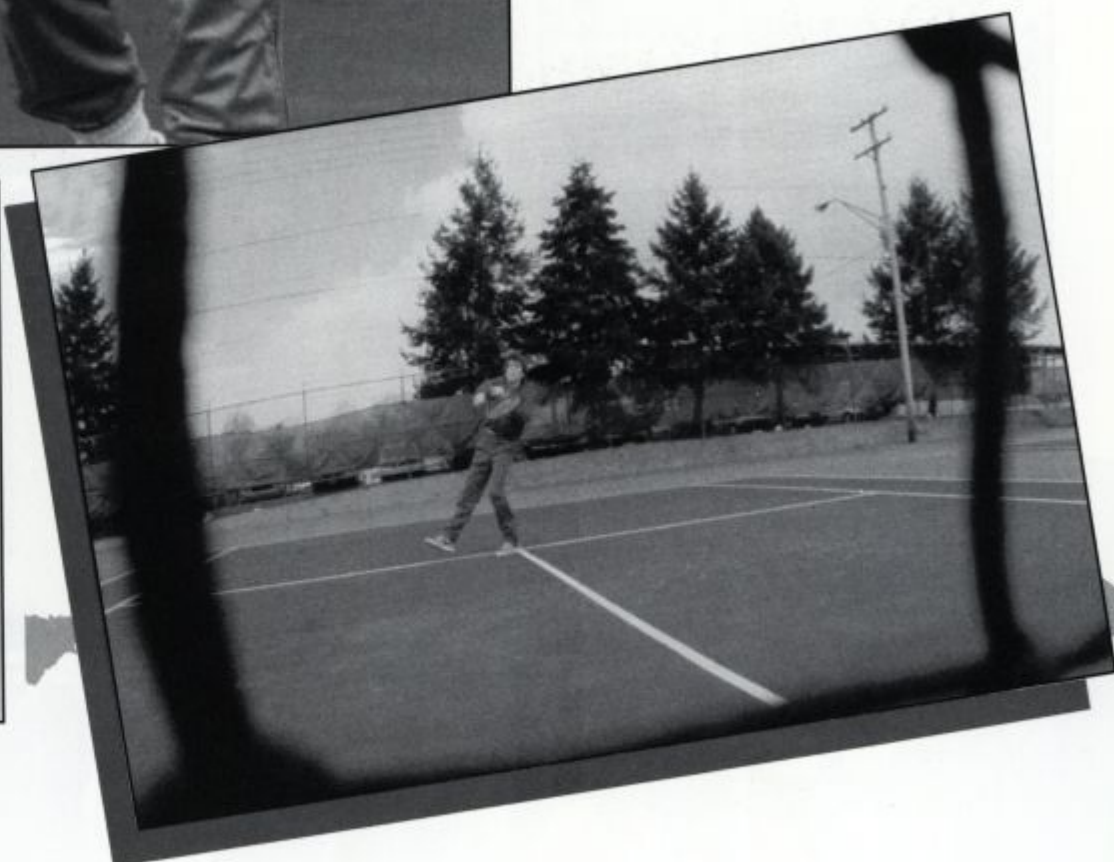

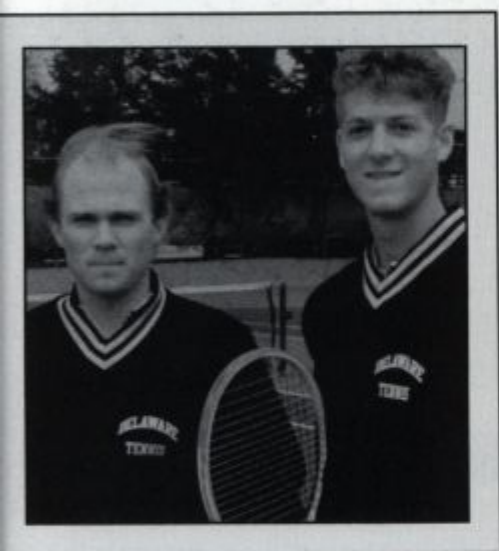

At No. 2 singles, Baldwin posted a record of 12-6 and also won his first ECC match before falling in the semifinals. A runner-up at No. 2 singles at the ECC's in 1987, Baldwin compiled a career mark of 34-16 which ranks him 11th on the UD career chart. In addition to his record with Korman, Baldwin compiled a 39-18 career doubles record which ranks him second all-time at Delaware. Korman played out of the No. 4 position and compiled a mark of 8-8, including a first round win at the ECC championships. His career mark of 37-25 ranks him tied for seventh at Delaware and his career doubles mark of 34-13 ranks him fourth.

At the No. 5 singles spot, junior Dan Kegelman posted a record of 12-6, the third best record on the squad, and also won his first match at the ECC tournament. The lone underclassman on the Hens' singles ladder, Kegelman owns a career record of 26-11. He was a runner-up at the No. 6 flight at the ECC championships last season and will serve as the Blue Hen captain for the 1989 season next spring.

Senior Stephen Dunton, the ECC runner-up at No. 6 singles in 1986, returned to singles action this season after not breaking into the lineup in 1987 and fashioned a record of 10-8, including a first round win at the ECC tournament. The only other Delaware player to break into the singles lineup was sophomore Bob Moore who went 1-1 at the No. 6 spot during the annual Florida trip Mar. 27-31. He is a first-year transfer from Furman and will be a top hopeful to play in the top three singles spots next season.

While Korman and Baldwin were the most successful doubles team, the two other Hen entries also fared well as Jim Kegelman and Gonzalez, the No. 1 team, posted a mark of 11-6 to improve their career record together to 21-11. At No. 3 doubles, Dunton and Dan Kegelman went 10-6 in their first year playing together. Three other doubles combinations saw action during the season as Dan Kegelman and Baldwin were 1-0 at the No. 3 spot, Dan Kegelman and junior David Dill went 0-1 at No. 3, and Dill and Moore were 1-0 at the No. 3 spot.

On a Winning Streak

The tradition of success for the University of Delaware golf program continued its winning ways during the 1988 season as the squad earned its 25th straight winning season with a 17-1 record, won its third East Coast Conference title in four years, and enjoyed its best finish ever at the Eastern Intercollegiate Golf Association tournament with a fourth place finish.

The Blue Hens, who gave 25th-year head coach Scotty Duncan his 25th straight winning season and fifth ECC title, swept through the dual meet season with six straight wins before suffering their only loss, a 387-405 setback to Navy in Annapolis, MD April 9. The Hens went on to win their last 11 dual matches and increased their winning streak against ECC teams to 17 matches since 1984. The Hens rolled through the ECC tournament May 1-2 at Saucon Valley Golf Club in Bethlehem, PA, beating their nearest competitor, defending champion Bucknell, by 24 strokes. At the EIGA tournament May 7-8 at Hog Neck Country Club in Easton, MD, the Hens placed fourth behind Penn State, Temple, and St. John's for their highest finish ever under the current 10-year format of play.

Leading the way for the Hens all season was senior captain John McNair who had a team-low stroke average of 77.4, the seventh best single-season effort in UD history. He placed third at the ECC tournament with a two-day total of 154 for his second ECC top five finish, and was named to the All-East team for placing 10th at the EIGA tournament. He finished as match medalist five times this season and had a season-low 74 in the first

two dual matches of the season.

The Hens' No. 2 man, sophomore Darrell Clayton also enjoyed a fine season, finishing with a season average of 79.7 and tying for the ECC individual crown.

Other regulars on the Hens ladder included senior John Quirk who came back from a year layoff to average 81.7 on the season and placed fifth at the ECC meet. He was the only player on the team to compete in all 16 rounds, had a low round of 78 in three different rounds, and shot a 160 at Eastern's. Junior Jim Riley, who capped his season by being named the ECC Scholar-Athlete for golf, had an 82.2 average and placed 14th at the ECC tournament. He had a low round of 77 to take medalist honors vs. Villanova and Widener April 12. The top freshman on the squad was Peter Lovenguth who played in all but one round for the season and posted a stroke average of 80.6, the third best mark on the team. He placed seventh at the ECC tournament with a 163 and was 11th at Eastern's with a 155, including a 73 in the first round. He posted the lowest single round score of any Delaware player this season April 14 when he shot a 72 to help the Hens down Johns Hopkins 413-441.

Other top competitors for the Hens squad were sophomore Todd Henry who was one of the team's most improved players this season, shooting an average of 83.3 in eight rounds, including two rounds of 80. Sophomore Bill Romani played in nine rounds and compiled an 85.0 average that featured a 79 vs. ECC foes Drexel and Lafayette April 5.

Making It to Second Place

The University of Delaware women's lacrosse squad capped off an 8-9 season May 1 when it advanced to the East Coast Conference finals against nationally-ranked Lafayette before dropping a 10-6 verdict. The Blue Hens, led by ninth-year coach Janet Smith who won her 100th career game in a season-opening 12-11 win over Maryland, finished the regular season with a record of 7-8 overall and 4-2 in the ECC and entered the ECC playoffs at Lehigh University in Bethlehem, PA as the No. 3 seed. From there the Hens defeated No. 3 seed Lehigh 11-10 in the semifinals, avenging a 7-6 loss earlier in the season, and then fell to Lafayette 10-6 in the finals. Lafayette entered the tournament as the second-ranked team in the nation and captured its first ever ECC title, knocking Delaware from its two-year throne. The Hens have appeared in all six ECC title games.

The Hens, who were ranked as high as sixth in the Brine/Intercollegiate Women's Lacrosse Association top 15 poll before dropping out late in the season, received a balanced effort from a young group this spring and will return 15 players with starting experience next season.

Heading the individual accomplishments was the selection of senior defender Ange Bradley and junior midfielder Nari Bush as All-ECC performers. Both players were named to the team for the second time in their careers. Bradley started 16 of 17 games this season as a fourth-year starter and scored three goals to go with 69 groundballs and 11 interceptions. Bush, an All-South Region selection last season, started all 17 games and led in the team with 112 groundballs and 15 interceptions while ranking as the team's fourth leading scorer with 23 goals and five assists for 28 points.

At the attack position, the Blue Hens featured a trio that combined for 97 goals. Leading the charge was junior Leticia Inden who scored 34 goals, including a career-high six vs. Maryland, and eight assists, breaking into the career top 10 charts at Delaware for goals (67), assists (27), and points (94). Sophomore Barb Wolffe was second on the squad with 31 goals and six assists, including a

career-high five goals vs. Bucknell. Senior tri-captain Karlyn Wesley closed out a fine career with 32 goals and four assists, including five in an ECC win over Towson. Wesley's 62 career goals ranks her 10th on the UD career chart.

At the midfield spot, sophomore Courtney Iliff was a fine compliment to Bush and also added scoring punch, ranking fifth on the squad with six goals and a team-high six assists. She scored goals in six different games and had 59 groundballs despite missing two games to injuries late in the season. Freshman Stephanie Sadarananda started 16 games and was the team's face-off specialist. As one of only two freshman starters, she was fifth on the squad with 10 goals and one assist and had four goals in a win over West Chester. Sophomore Elissa Thorndike, who has been playing lacrosse for just two years, broke into the lineup early in the season and finished with seven goals and one assist. She had two goals in a loss to the nation's top-ranked team, Temple.

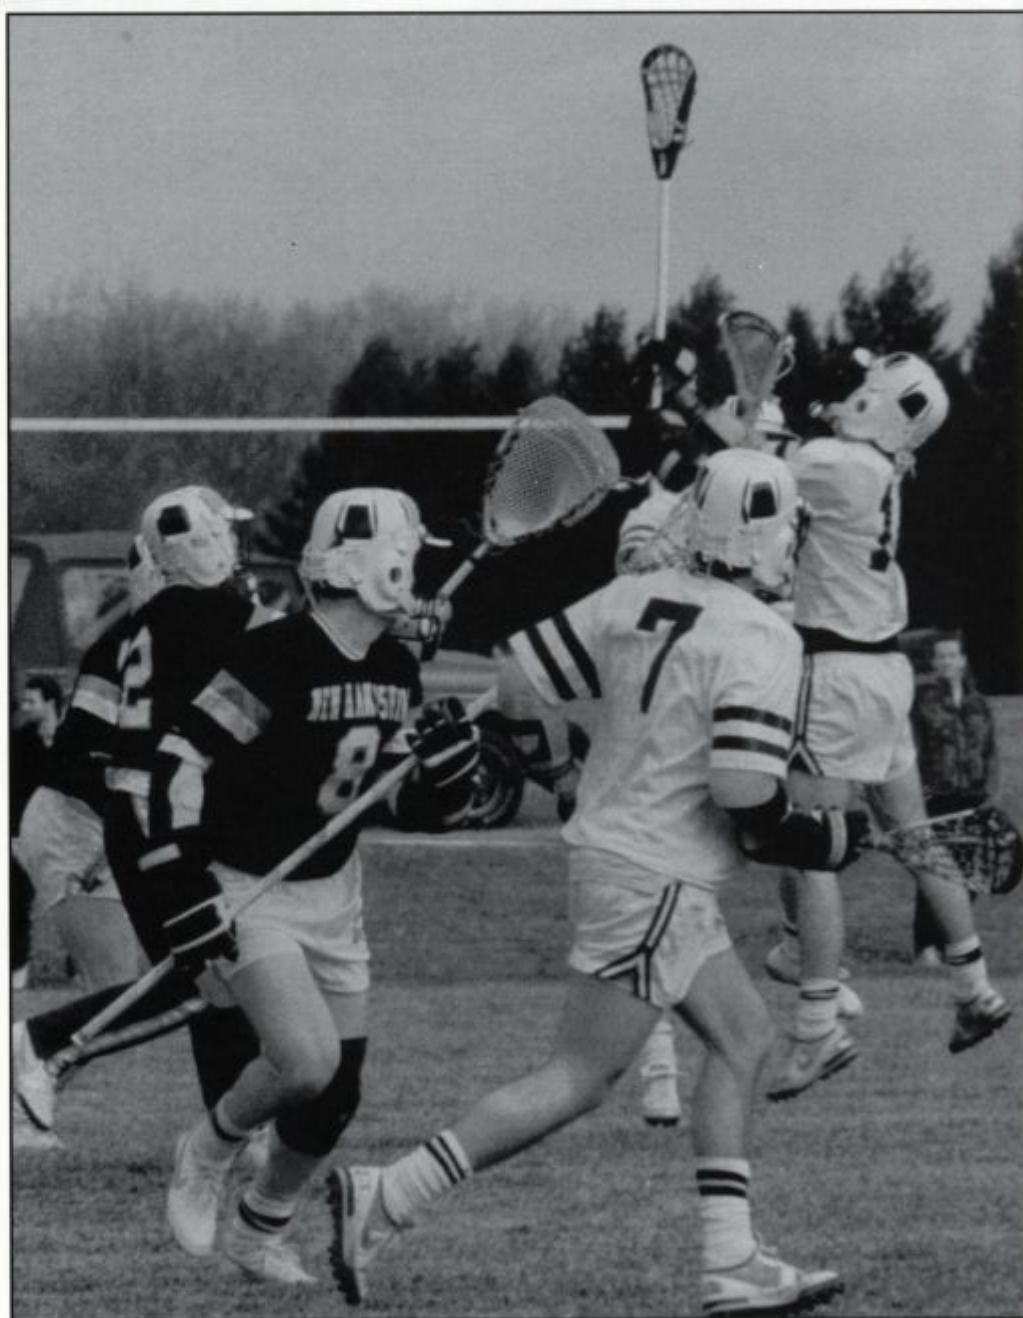

At the defender spot, the Hens used six different players throughout the season and only Bradley will graduate. Junior Cassie Vogt, a first-year varsity player, was one of only four players to start all 17 games. She scored her only goal vs. West Chester and collected 66 groundballs. Sophomore Cheryl Masterson broke into the lineup midway through the season and started nine games, scoring goals vs. Loyola and West Chester. She was the team's ECC Scholar-Athlete nominee for outstanding student-athletes. Junior Jen McAvoy was the other Hen regular, starting 16 games and collecting 38 groundballs and three interceptions. Rounding out the defensive effort for the Hens were returning letterwinner Kathy Cicala, a junior who played in four games. Sophomore Jenna Wood played in three games, including one start late in the season.

At the goalkeeper position, the Hens used four different players during the season before finally settling on senior Wendy Kridel for the playoffs. Kridel started 14 games during the year, allowing 113 goals (7.5 per game) and posting 95 saves for a .457 save percentage.

Men's Lacrosse

Standing Their Ground

Tom Ervin tallied three goals while freshman goalie Steve Ranby notched 23 saves as host University of Delaware (2-5) upset visiting Duke University (6-3) 12-7 in men's lacrosse. The win snapped a three-game Delaware losing streak and was their seventh win in the past eight meetings over Duke.

Delaware got two goals apiece from defenseman Andy Croll, and midfielders Dan Britton and Matt Lewandowski while Duke was led by attackman Josh Dennis with three goals and an assist. Paul Mahoney added two goals and an assist for the Blue Devils.

Delaware's Croll opened the scoring on a fastbreak clear with 8:29 left in the opening quarter to give the Hens a 1-0 lead. However, goals by Peter Rubin and Dennis 53 seconds apart put Duke in front 2-1 with 5:03 remaining in the first quarter.

An extra man score by Delaware's John Boote followed 40 seconds later by a Britton tally with 39 seconds remaining in the quarter putting the Hens back on top at 3-2.

A Dennis score for Duke followed by a Paul Mahoney restored Duke's lead at 4-3 with 5:44 remaining in the opening half. The Hens then scored twice in the final 3:27 of the period to go in front 5-4, a lead

they never relinquished. The 12 goals represented a season offensive high for the Hens.

Junior attacker Matt Lewandowski dished out three assists and scored four goals, including a fourth-quarter tally that helped pull Delaware away, as the Blue Hens downed New Hampshire 10-7.

Delaware, which won its first game of the season, improved to 1-2 on the year while the Wildcats dropped to 0-1 with their season opener.

The Blue Hens jumped out to a quick 6-2 lead after the first quarter and went up 7-3 at the half behind Lewandowski's three goals and one goal each from Chris Spencer, Tom Ervin, and Ned Bartley.

In the second half, New Hampshire pulled to within 7-6 early in the fourth quarter as Brian Quirk scored his second goal of the game. But the Hens pulled away from there as Lewandowski and Bartley each answered with goals to clinch the win.

Delaware, which outshot the Wildcats 34-27, also received a goal and an assist from Dan Britton and a goal from Mark Prater with goalkeeper Kevin Gebbia making eight saves. New Hampshire, which received 16 saves from Craig Benes, got a goal and an assist from Jack Sebastian.
