FIFTY-FIVE TEACHERS ON FACULTY FOR NEXT YEAR

Secretary And Nurse Reelected; Miss Miller Is New Assistant

Mrs. Clara E. Truitt was re-elected school secretary of Newark Public Schools, at the April 20 meeting of the Newark Special School District school board which also re-elected Mrs. Martha E. Coverdale as school nurse and named Miss Margaret A. Miller as office assistant.

A total of fifty-five teachers were elected on the faculty for the school year beginning next September, including six named to the New London School.

Teachers who have been advised of their appointment are: Mrs. Mary M. Armstrong, Mrs. Rebecca J. Bant, Leon O. Buehler, Miss Margaret Bosworth, Miss Ann W. Chalmers, Mrs. Elizabeth Archer Chapman, Miss Anna E. Callahan, Stanley Gibbs, Mrs. Catherine R. Gibbs, Mrs. Charlotte B. Harrington, Mrs. Eloise H. Kauffman, Miss Rebecca S. Kirk, John Lawrence, Mrs. Elizabeth M. Lawrence, Miss Mildred L. Laupold, Mrs. Leola Moore.

Miss Jennie L. Morris, Mrs. Rebecca Moore McGarrath, Miss Greta E. McKinsey, Mrs. Virginia Worth Nichol, George P. Nichol, Mrs. Mildred B. Shields, Mrs. Estella E. Smith, Miss Ann M. Stauter, Mrs. Mary S. Surratt, Miss Virginia Weisinger, Mrs. Kathryn Holston Wilkins, Mrs. Grace Wolfenbarger, Miss Irene M. Wilkinson, Miss Margaret A. Fitzsimmons, Miss Hazel V. Johnston, Mrs. R. Elizabeth MacLary, Miss Mary E. B. Melvin.

Miss Marguerite E. Wilson, Mrs. Hilma M. Marshall, Mrs. Isabel C. Mayer, Mrs. Della W. Cashell, Miss Margaret H. Morrison, Miss Irma R. Jaquette, Mrs. Virginia P. Kuenzle, Mrs. Laura Jane Mitchell, Miss Harriet P. McNeppar, Mrs. Helen W. Douty, Mrs. Edwina N. Justin, Miss Jeanne Marvel, Miss Jennie E. Smith, Miss Sara F. Steele, Mrs. Hazel M. Sutcliffe and Miss Helen W. Warren.

Appointments to the New London Avenue colored school are: Mrs. Julius A. Ryland, Miss Jacquelin Yates, Miss Gladys Purnell, Miss Mamie B. Green and Mrs. Esther Porter.

M. E. Church To Observe Mother's Day, V-E Day

"It all runs in The Family" will be the subject of the Mother's Day sermon in the Newark Methodist Church, Dr. Arthur J. Jackson, minister, on this coming Sunday morning, May 13, at 11 o'clock.

In the evening at 7:30 o'clock there will be an illustrated sermon in observance of Family Week entitled—"The Romance of The Christian Home".

Also, in keeping with President Truman's Proclamation, the day will be observed as a Day of Prayer at both Morning and Evening Services, in commemoration of V-E Day and the task yet remaining before our boys in the Pacific.

The public is cordially invited to attend these services throughout the day.

LUMBROOK RESIDENTS PROTEST PIPE RUST

Permit For Main Street Garage Granted By Council

The Town Council of Newark met in lengthy session Monday evening, hearing several protests, granting one building permit, appointing a town assessor and receiving monthly reports from various town departments.

A committee of about twenty Lumbrook residents waited on the council, with Mrs. Jos. C. Beatty acting as spokesman for the group, to protest the rust in Lumbrook water pipes.

C. E. Rittenhouse, president of the C. of C., appeared before council and discussed a proposed booklet of Newark being sponsored by the Chamber.

George Martin, Elkton Road, was granted a building permit to erect a garage at 173 East Main Street, next door to the Acme Market. H. H. Cleaves was present to protest the present cash balance in the town treasury stating that a town charter made it illegal for the town to have more than \$10,000 cash balance on hand at any one time.

C. Frank Powell, former real estate agent at the Newark Trust Company, now of Marion, Pa., was reelected Town Assessor contingent upon his ability to accept the post.

The treasurer's report showed cash receipts and deposits for April of \$11,812.07 with disbursements for the same period \$12,931.61. The cash on hand as of April 30, was \$70,390.54 with the bank statement showing: Farmers Trust Company, \$32,751.33; Newark Trust Company, \$37,639.21 and U. S. War Savings Bonds, \$80,000.

Eight electric loops renewed, two beds of sludge removed, one new water service on New London Avenue, five leaks in water services repaired, two stop signs on Amstel Avenue and two building permits issued were reported by the Town Supervisor, George E. Ramsey. Race Street was resurfaced, McKees Lane repaired and all holes in streets patched with amiesite.

There were 14,814,900 gallons of water pumped for the month, a decrease of 295,400 as compared against last April.

Wm. H. Cunningham, chief of police, reported sixty-seven arrests made during April, four larceny cases investigated. There were 163 police calls made during the month with police car patrolling 2,362 miles. April fines collected by the magistrate amounted to \$395,50.

MULROONEY AT LIONS

Says Wars Now Streamlined

President Fred Evans conducted the weekly dinner meeting of The Newark Lions Club, held Tuesday evening, at the Country Club.

Following the dinner the president turned the meeting over to Program Chairman George H. Haney who presented Edward Mulrooney, past National Vice President of the American Legion, who spoke on universal military training.

"The American Legion, in 1919," said Mr. Mulrooney, "made several predictions concerning the future events, all of which have since been confirmed. Although the Legion has strongly advocated national defenses, it has viewed the situation through eyes of experience.

"Natural barriers," he pointed out, "are no longer effective, science has streamlined wars, the next will be more so." In reviewing the past, Mr. Mulrooney said that appeasements had been unsuccessful, that although the Puritans carried guns they were not made militaristic as a result of it.

NHS GIRL CHORUS IN ASSEMBLY PROGRAM

Fitting Spring Presentation Marks V-E Day At High School

Newark High School's Girl's Chorus, under the direction of Mrs. Catherine R. Gibbs, presented their annual Spring Program at the Wednesday morning assembly period held in the high school auditorium.

Composed of thirty voices, fifteen sopranos, seven second sopranos and eight altos, the Girl's Chorus gave a delightfully appropriate program climaxed by singing The Star Spangled Banner.

Following is the program given: 1—chorus: (1) Flower and Tree, Gustave Klemm; (2) De Gospel Train, Spiritual (3); The Maiden of the Fleur De Lys, Mary Freer; (4) Czecho-Slovakian Dance Song.

2—(1) Soprano solo—Star Dust, Elizabeth Ann Tweed; (2) Vocal Duet—Serenade, Schubert; Marianina, Italian Folk Tune, Helen Morgan, soprano, Louise Marousek, alto; (3) Piano solos—Minuet, Paderewski; Deep Purple, De Rose, Irene Swain; (4) Vocal sextette—Creation's Hymn, Beethoven; Alice (Please turn to page 8)

ROTARY BUSINESS MEETING

To Sponsor Boys Baseball This Summer

President E. Newman Rose conducted the weekly dinner meeting of the Newark Rotary Club, held Monday evening at the Country Club, which was devoted to business matters.

Discussion of the forthcoming Seventh War Loan was participated in with all members urged to cooperate. The recently concluded clothing collection also received favorable comment.

Summer baseball for Newark youths was taken up with the result that the Rotarians again decided to sponsor this activity this summer.

Paul Griffith is program chairman for next week's meeting and will present E. Edwin McCauley, 4-H Club Agent, who will discuss the part Rotary can play in 4-H work.

F. A. Cain, assistant purchasing agent at the Continental Diamond Fibre Company, was present at the meeting Monday evening.

CURRENCY MOVIE HERE ON MAY 15

U. of D. And Bank Sponsor Treasury Film

The Secret Service Department of The United States Treasury will exhibit their latest technicolor sound film here at the University of Delaware on Tuesday, May 15, at 8:15 P. M. The pictures will be shown at Wolf Hall and the general public is invited to attend. Admission is free. The showing should have special appeal for Newark business men and their employees.

Employees of the banks of the Rural New Castle County Bankers Association have been invited. An invitation has also been extended to the Elkton banks and the business men of Elkton.

The show is sponsored by the Department of Economics and Business Administration of the University with the cooperation of the Newark Trust Co.

Tickets are available at the Business Office of the University and at the Newark Trust Company. The film is being exhibited here to try to familiarize business men in this area with counterfeit currency, so it may be easily detected when seen.

Special Notice To Men Of St. John's Church

Sunday May 13, having been declared a day of prayer in thank for victory and in appeal for divine support in the struggle remaining, the men of St. John's R. C. Church will take communion in a body at the 8:30 mass.

AUXILIARY DESIGNATES MAY 25, 26 POPPY DAYS

Red Flowers Commemorate Veterans Of Both Wars

Poppies to honor America's dead warriors of two World Wars will be worn in Newark on Friday and Saturday, May 25th, 26th, Mrs. W. S. Hamilton, President of J. A. O'Daniel Unit of the American Legion Auxiliary, announced today.

The little red flowers will pay tribute both to those men who have died for their country in the present war and to those who fell 27 years ago in France and Belgium among the swaying poppies. The money that is received for the flowers will be used to aid the afflicted veterans of both wars and their families.

Extensive preparations for the observance of Poppy Day are being made by the Unit of the Auxiliary here by Mrs. P. D. Lovett, Unit Poppy Chairman. Everyone will be able to buy the flowers of remembrance from the many volunteer workers from the Auxiliary, who will be on the streets all through the day.

The flowers are made of crepe paper on the pattern of the wild poppy of Flanders. They have been made by disabled veterans. Making the poppies has helped these veterans keep their minds and fingers occupied, causing the otherwise tedious months to pass quickly and at the same time furnishing the men with a means of livelihood.

This year it is expected that more Americans than ever before will wish to wear the poppies as a salute to the dead soldiers and their bereaved families, and as a financial aid to the living, but disabled soldiers and their needy families.

V-E DAY ASSEMBLY AT SCHOOL

The Rev. A. W. Mayer Conducted The Observance

There was a special assembly for the Junior and Senior high schools Tuesday in accord with V-E Day. The assembly was a note of solemn observance with Rev. Mr. Andrew Mayer conducting.

He first emphasized the simplicity of the President's speech and two of the phrases the President used in his address and Proclamation earlier in the day. One of the words used by the President and stressed by Rev. Mayer was "work". The Proclamation issued by Mr. Truman was also brought out in Rev. Mayer's address. He asked that all observe the President's Proclamation and attend their respective churches this Sunday.

Rev. Mayer's closing message consisted of a series of prayers after which the Lord's Prayer was said by all.

Several patriotic songs were sung by the Mixed Chorus along with the student body under the direction of Miss Fitzsimmons, music instructor at the high school. The assembly closed with the singing of the National Anthem.

To-day there will be a short assembly in order to present to the school Sgt. Connor, recipient of the Congressional Medal of Honor.

WEEK END AT RODNEY

More than a hundred troop committeemen and scoutmasters of the Del-Mar-Va Council spent their annual week-end at Camp Rodney last week.

This annual spring-visit to the Council's Scout Camp is looked forward to as an occasion where opportunity is afforded to participate in training courses for making Boy Scout programs more effective.

Those from Newark, and their courses, included: Jay S. Steinhauer, Health and Safety; John H. Cronin, Sea Scout Program; Charles Eastman, Troop Camping; Wm. K. Gillespie, Troop Committee Operation; Milton L. Draper, E. Clar Mahanna and Francis E. Reinhart, Scoutmaster's (outdoor) Program.

Albion M. Soule, Jr., Neighborhood Commissioner, also attended as a member of the Council's Training Committee Operating course.

V-E Day Proclaimed On Tuesday As Germany's Surrender Is Confirmed

Visiting Nurse Makes 225 Calls During April

Miss Alice Leak, visiting nurse for this section of rural New Castle County, reports a total of 225 visits made during the month of April.

There were 191 nursing visits and 34 instructive visits made, classified as follows: 9 prenatal cases, 14 visits; 2 maternity cases, 8 visits; 3 apoplexy cases, 41 visits; 9 heart disease cases, 35 visits; 3 kidney disease cases, 15 visits; 1 gall bladder case, 2 visits; 2 infection cases, 11 visits; 2 poison ivy cases, 3 visits; 2 diabetes cases, 5 visits; 2 shingles cases, 6 visits; 1 arthritis case, 8 visits; 1 paralysis case, 12 visits; 1 cancer case, 4 visits; 5 intestinal cases, 9 visits; 4 nervous cases, 19 visits; 3 operative cases, 5 visits. Twenty-nine treatments were given.

SEVENTH WAR LOAN OPENS HERE ON MONDAY

\$125,000 Set As House-To-House Quota For Newark

"The Victory Volunteers are on the March", is the buy-bigger-bonds cry of hundreds of volunteer workers who will begin their house to house solicitation here Monday, May 14, to enlist your aid and co-operation in making the mighty Seventh War Loan drive a success.

Residents are urged to help Newark meet its quota by first meeting their own personal quota. Greet the volunteer who calls at your door with a smile and remember that he is sacrificing his time and energy for the cause. Buy bigger bonds—and more of them when the Victory Volunteer calls at your door.

The Newark house-to-house quota for the mighty Seventh has been set at \$125,000. The cooperation of every individual, buying to his utmost, is required to again put Newark "over the top". Only by your purchase of more bonds, and bigger ones in this double drive will you be doing right by the men who still fight Japan.

William E. Holton is general chairman of the Seventh War Loan Committee in Newark, assisted by Fred C. Evans, Ford McBerty and E. L. Shakespeare.

FOUR FACE INDUCTION

Local Men To Go To Camden

The war in Europe is officially over but not for several boys who this week received greetings from the President and orders to report to Camden next Tuesday for induction in the armed services.

While the month's quota is not known and a complete list of those called for induction by Selective Service on Tuesday, May 15, if they successfully pass their physical examinations.

They are: George Arthur, a former resident of Choate Street, employed by Stiltz, Inc., Paul Griffith, East Delaware Avenue, an employe of Bond Manufacturing Co., Wilmington, John Doyle, 73 East Delaware Avenue, and St. Clair McVicker, 88 West Park Place, linotype operator at The Newark Post for the past six years.

Other local young men are undoubtedly included in the call, but their names are not yet known. They will be published later when a complete list is received from Selective Service Headquarters.

BEG PARDON

In a story headed Pythians Fete 50-Year Membership in Lodge, which appeared on the front page of last week's Newark Post with a photograph, it was erroneously stated that John S. White-man was honored at a recent meeting of Osceola Lodge No. 5 when presented with a fifty-year certificate. The name should have been Arthur S. White-man, not John.

PRESIDENT DESIGNATES SUNDAY AS PRAYER DAY

Churches And Schools Hold Services Here In Observance

V-E Day was officially proclaimed by President Harry S. Truman Tuesday morning, May 8, at 9 o'clock over a nation-wide broadcast following confirmation by General Eisenhower that German forces in Europe had surrendered unconditionally to the United Nations.

Local reaction was one primarily of quiet thanksgiving and observance with no planned response although most merchants closed their doors. Industrial plants, manufacturers and restaurants remained open with restaurants swamped with patrons as they tried frantically to seat and serve the numerous families who had attended afternoon services at Mitchell Hall and came to "eat out" at a late hour.

Sunday, May 13, which is also Mother's Day, was proclaimed by President Truman as a "day for prayer for offering joyful thanks to God for the victory we have won and to pray that he will support us to the end of our present struggle and guide us into the way of peace."

TEACHER DIES IN BALTIMORE

John Lawrence Succumbs At Johns Hopkins

Word was received here yesterday of the death of John Erwin Lawrence on May 8 at Johns Hopkins Hospital, Baltimore, Md.

A teacher of vocational agriculture in the Newark Public Schools since 1943, Mr. Lawrence had been ill for several months and had been on leave of absence from the schools.

Mr. Lawrence was a native of Bridgeton, N. J., a graduate of Rutgers University and before coming to Newark taught vocational agriculture and related sciences at the Grantsville High School, Grantsville, Md.

He was a member of the Baptist Church, was active in state agricultural circles, an enthusiastic teacher of his subject who gave much to the farming communities.

He is survived by his wife who is also connected with the Newark Public Schools, teaching commercial subjects in the high school. Funeral services will be conducted from his parents residence at Marlboro, N. J., at 2:30 Saturday P. M. Friends may call at 7:30 P. M. Friday.

RED CROSS ACTIVITIES

Workers Needed For Dressings

During the month of April twenty members of the canteen worked forty hours and served 155 people, according to the report of Miss Mary Webber, Vice-chairman of Branch Area Number One. Miss Webber has also been working on the disaster and relief program for this area.

The Canteen serves tea, coffee and dessert to the workers in the sewing rooms and surgical dressing rooms who bring their own sandwiches and thus are enabled to spend the whole day.

The present quota of surgical dressings must be completed in another week as there is an even larger amount to be begun at that time, so it is essential that all who can possibly spend a few hours at this vital work arrange to be present during the coming week.

CEILING PRICES REVISED

O.P.A. Increases Prices On Fruit And Vegetables

Increases in the prices of carrots and onions are shown in the OPA community ceiling prices for fruits and vegetables for the period starting April 17, and issued last week by Charles W. Hardesty, Delaware district OPA director.

Prices of Eastern Stayman apples, egg plant, spinach, and oranges show reductions in the list. The price of sweet peppers, erroneously printed in the list as 25 cents a pound, should be 20 cents a pound, Mr. Hardesty said.

Eastern Stayman apples were reduced two cents, to two pounds for 17 cents. Other apple listings are unchanged: Eastern Delicious, two pounds for 21c, and Western Staymans or Delicious, two pounds for 27.

Maitians (small) bananas are 11 cents a pound, and other bananas 12. Carrots with full tops in bunches weighing at least one pound came down a half cent, to 20 cents a bunch, while those weighing less than one pound were similarly reduced, to 9-1-2 cents a bunch. Carrots with loose tops are six cents a pound. Chubbers are 16-1-2 cents a pound.

The ceiling on egg plants came down a cent and a half, to 15 a pound. Lettuce is unchanged. Heads over 18 ounces are 12; those 12 to 15 ounces are 14 cents, and those under 12 ounces are 12.

Yellow squash up to three inches in size at 10c; over three inches, to three pounds for 25. Three three inches and over are three pounds for 25 and whole boiler squash are three pounds for 25. Peas are 27-1-2 a pound.

White potatoes from Pennsylvania, Maine or Canada are 47c a pound for 27, or 84 cents for 15 pounds in a white double paper bag. Florida new potatoes are up a cent to five pounds for 28. Texas new potatoes are a new addition to the list, at five pounds for 45.

Golden sweet potatoes are two pounds for 21, while white sweet potatoes and yams are two pounds for 15. Snap beans have a retail price of 21 cents a pound, and green beans are 12 cents a pound, a reduction of two and a half cents.

Pink grapefruit is 11 cents a pound while Florida grapefruit, including Indian River, is 10 cents. California oranges are 13 cents a pound, five pounds for 62, a reduction of one cent. Florida Indian River oranges are 11 cents a pound, five pounds for 51, and other Florida oranges are 10 cents a pound, five pounds for 47, a reduction of two cents. Lemons are 15 a pound, five pounds for 72.

EARLY WORK IN GARDENS PROFITABLE

Clean Plots Of Overwinter Plant Refuse

The first important step in control of garden insects and diseases is thorough cleanup of the garden site as early as possible in the year. Both insects and diseases overwinter in plant refuse. Burning this material before time to work the garden will kill many of the pests which might later attack the plants.

Some vegetable varieties have been developed which are resistant to specific diseases, and which better withstand insect attack. Use of such resistant varieties is one of the best methods of preventing disease and insect injury.

Many disease organisms are carried on or in the seed. Seed grown in regions where these diseases do not occur will be disease-free; buy this seed if it is available. In other areas vegetable-seed fields are inspected and certified as disease free. If disease-free seed is not available, buy certified seed whenever possible.

Seeds may often be rid of disease germs and protected from decay caused by organisms in the soil through chemical treatments. Many seed houses treat their seed. Buy treated seed if it is available or treat your own seed. Information on simple methods of seed treatment is available from plant pathologist at the Delaware Agricultural Experiment Station.

Preparations should still be made for disease and insect attack later in the year, however, and to be sure of having necessary insecticides and fungicides, they should be ordered as soon as possible.

Approximate requirements for complete treatment for insects and diseases in a 50 by 100 foot garden are: 5 pounds rotenone dust or 3 pounds calcium arsenate; 15 pounds hydrated lime; 1-1-2 pints 40 percent nicotine sulphate; 5 pounds wheat bran and 5 ounces Paris green or solum flouilicate, or white arsenic; 15 pounds fixed copper dust or copper-lime dust or rotenone-copper dust; 5 pounds powdered copper sulphate. Information on use of these materials for controlling various insect and disease pests will be made available as the need arises.

Horse Racing Measure Killed in Pennsylvania

Pennsylvania's ban on horse racing was certain to remain for at least another two years. The House last night defeated a bill which would have legalized racing and pari-mutuel wagering, and at the same time delayed action on a Senate-approved measure and ice skating exhibitions. Final action was expected today on the latter bill.

Amendment of the racing bill to earmark the revenue for school purposes failed to prevent its defeat.

FIREARMS CONFERENCE ON TUESDAY

Local Police To Attend FBI Demonstration

Special Agent in Charge of the Baltimore Office of the Federal Bureau of Investigation, announced today that there is scheduled an FBI Law Enforcement Conference for the benefit of police officers from the various local law enforcement agencies in New Castle County, Delaware. The conference will be held at the Delaware State Police Range, Farnhurst, Delaware, on Tuesday, May 15, at 1:00 P. M.

Special Agents of the FBI will give a demonstration on the use of firearms, which will include trick shooting with small arms and practical courses adopted by the FBI for its regular firearms training program. In addition, other matters of interest to the police will be discussed.

Chief of Police Wm. Cunningham and Sergeant Leroy Hill will represent the Newark Police Force at the conference. During the month of May other conferences will be held by the Baltimore Office of the FBI in Maryland at Cumberland, Hyattsville, Hagerstown, Salisbury, Easton, and Baltimore, and at Dover, Delaware.

AIDS FOR VICTORY GARDENS

Preparation Of Soil First Requisite

Prepare your garden soil well. Soil preparation is the basis for garden work. The better it is prepared the better your garden can be. Good preparation makes your summer job lighter—simplifies planting and cultivation, reduces weeds.

Clean the garden thoroughly before spading or plowing. Burn refuse to kill hibernating insects and diseases.

Be sure ground is dry enough to work, both in spading and later cultivation; press a handful of soil into a ball—if it crumbles easily you can work the soil.

Where preparation is done by hand, a spading work is the best tool, though a shovel may be used. Spade at least 6 or 7 inches deep, turning each forkful bottom side up. Before quitting go over the part spaded and break lumps and level with rake.

Start on the side of the garden where you want to begin planting, and do not do too much at one time.

Before seeding, go over with rake again until soil is fine—never plant in soil not freshly worked with rake. Be sure plants have essential foods by adding lime and fertilizer to the soil.

Few vegetables produce well on acid or sour soils. If garden has not had an application of lime during past three years, make one—for most conditions, 45 pounds per 100 square feet of area is sufficient lime.

Apply lime after plowing or spading, and work well into the soil.

Good fertilizer is 5-10-5 again. Fertilizer purchased for other farm crops may be used for the garden, however. Broadcast about 40 pounds of 5-10-5 or equivalent per 1000 square feet. Do not let fertilizer contact seeds

or plants directly. Apply fertilizer just before planting time. Order lime and fertilizer at once so that they will be available when needed.

10,777 Auto Drivers Have Renewed Permits

A total of 10,777 automobile drivers in the state had secured new operator's licenses up to last week, according to an estimate by officials of the Motor Vehicle Division. There are approximately 98,000 licenses operator's in Delaware.

Officials said that fully 5,000 of the licenses already renewed have been issued to New Castle County drivers. There are 35,000 licensed drivers in the county. Present licenses expire May 31.

Motorists renewing licenses by mail and who have moved since obtaining their last license are requested to forward their new address with their application. The new address may be either written on the present license application when it is mailed together with the fee, or it may be submitted on a separate memorandum which must accompany the license renewal and fee.

After about the first of this month, every farmer or off-highway gasoline user gets additional E and R coupons he receives a new delivery record form. This form enables him to give his rationing board a complete record of his uses. Each time he spends one of these coupons his dealer writes on the form the amount delivered, and the dealer signs the form each time. Then when the off-highway user applies for new supplies of E and R coupons he submits the signed delivery record to the board. The farmer must account for every coupon he has received. If no forms are on hand, farmers should obtain delivery tickets or invoices from the dealer with this data and the signature on it.

A recently announced cut in steel allocations for farm machinery has been restored to permit continued manufacture of machinery at about the present rate. American farmers are getting practically all the farm machinery manufactured—not more than seven and one-half per cent goes to other countries needing assistance in their farm industries.

Gasoline Sales Show Increase In March

Gross sales of gasoline in Delaware last month showed an increase of 9.98 per cent and net sales increased 10.907 per cent as compared with the same month in 1944, but tax-exempt sales to the federal government declined 22.639 per cent, according to the report of Ernest Muncy, administrator of the fuel tax division of the State Highway

Department. The report showed gross sales in March, 1944 aggregated 3,850,562 gallons and in March, 1945, the figure was 4,041,942, an increase of 54,434 gallons. Net sales, after refunds for non-highway use, totaled 3,247,464 gallons in March, 1944, and 3,713,923 in March, 1945, an increase of 566,241 gallons. Tax-exempt sales to the federal government dropped from 229,141 gallons in March, 1944, to 185,905 in March, 1945, a decrease of 43,236 gallons.

DELAWARE FARM FRONT THIS WEEK

Next Tuesday Is Last Day To File Coal Declaration

A new schedule of dairy production payment rates for the period through March, 1946, has been announced, providing increases over the tentative schedule previously announced. Rates for April are 70 cents per hundred-weight for milk, and 17 cents per pound for butterfat; for May and June, 35 and 10 cents; for July, August, and September, 55 and 13 cents; for October, November, and December, 70 and 17 cents; and for January, February, and March, 1946, 70 cents per hundred-weight for milk and 17 cents per pound for butterfat again.

Independent distributors of farm machinery repair parts have been placed on equal footing with producers of equipment procurement of parts, according to WPB. An AA-2 preference rating will be granted for items and components to be used and sold as repair parts for farm machinery and equipment and must be purchased from parts manufacturers. To obtain a rating, the distributor must first obtain a serial number through application to the WPB.

The WFA has amended WFO 75 to eliminate livestock slaughter licensing and quota provisions, effective April 29. The change is in keeping with the recent delegation of authority to OPA to administer slaughter limitations for livestock processed in non-Federally-inspected slaughter houses. Other provisions covering set-aside of meats for Government purchase, inspection, support price determinations, reports and records, and violations, remain unchanged by the amendment and will continue to be administered by the WFA.

The Government has asked citizens to fill out and file their "Consumer Declarations" and solid fuel order with coal dealers before May 15 to be assured of receiving a supply before winter.

CCC loans will be made to farmers on a note-and-chattel mortgage for barley stored on farms and on the basis of note-and-loan agreements when stored in approved warehouses.

Fibreboard is more critical today than ever, and may get worse, according to the WPB. The need for using old containers is great, and users are urged to place their orders for new containers early. New fibre egg cases may be used for rail transportation in refrigeration cars, but used fibre cases may be used for truck shipment only. Egg cartons should be re-used as long as possible and then salvaged as waste paper when worn out.

In view of shortages of legume and cover crop seeds, farmers are urged to save as much as possible of their 1945 crop of crimson clover for seed harvest. A market is assured through a purchase program of the CCC. Top grade crimson clover seed in this area will be purchased at \$12.50 per hundred pounds for cleaned and bagged seed delivered to designated dealers.

All feed grains processed from whole grain into animal, poultry, or mixed feeds have been brought under price control by the OPA. It will no longer be possible to process whole grain for the purpose of realizing higher prices than are permitted by individual regulation under which each grain is priced, the OPA explained.

Canners of vegetables and vegetable products included in the 1944 subsidy program will have through June 30, 1945 (instead of May 31, 1945) to file applications for subsidy payment, and such applications may include eligible sales through the same date. Terminal date for eligible sales was extended from April 30, 1945; that for eligible production remains April 30, 1945.

The ending date period in which eligible sales may be made under the 1944 Frozen Vegetable Subsidy Program has been extended from April 30 through July 31, 1945. Final date for filing applications has been extended from May 31 to August 31. The terminal date for the eligible period of production remains at April 30, 1945.

Newton's Chicks

BETTER CHICKS WILL MEAN BETTER PROFITS

Plan now for better chick quality to meet post war competition.

Newton pure bred New Hampshire and Barred Plymouth Rocks have high hatchability; pedigree breeding has developed a fine strain for meat production as well as eggs. With Newton flock replacement stock hatcherymen and their flock owners can offer better chicks. Catalog.

Dr. Buswell To Speak At Congregational Meeting

The annual congregational meeting of the Bible Presbyterian Church will be held on Thursday, May 17, at the Red Men's Fraternal Home.

The dinner will be served at 6:30 P. M. after which the business meeting will be held. After the business meeting, a devotional period will close the evening of fellowship.

The speaker for the occasion will be Dr. J. Oliver Buswell of New York City. Dr. Buswell has been active in the field of Christian Education. He was President of Wheaton College for 15 years.

At the present time he holds the Theology chair at Faith Seminary, and is also President of National Bible Institute, New York City.

He has long been a popular speaker and will be well worth hearing.

The regular services of the local church will be held at the Red Men's Home on Sunday. The Sunday School hours, under the direction of H. Lloyd Yarnell, will begin at 10:00 o'clock, and the regular weekly worship services will be held at 11:00 a. m. and 7:00 p. m. All are cordially invited to all of these services.

SALE OF DWELLING AND GARAGE AT HARES CORNER, DELAWARE

Sealed bids will be received by the State Highway Department at the Office in the Headquarters Building, State Road, New Castle County, Delaware, until 10:00 A.M., E.W.T., on May 17th, 1945, and at that time the place publicly opened, for the sale of the 2 story stucco dwelling and garage at Hares Corner, Delaware, known as the Weir Property.

These buildings are to be sold as is, they shall be torn down and removed from the site by the successful bidder.

Much hard to get material can be salvaged from this building. Good flooring, stairs, window sash and frame, sheathing, 2 hoppers, wash tub, 2 wash stands, a practically new pipeless heater with oil burner attachment, a good bucket-a-day hot water heater, piping, wiring, etc. Interested parties may inspect this property by calling at the State Highway Office at State Road for the key.

The successful bidder is to clean up the site after the buildings are razed. Old stucco, plaster, etc. may be thrown in the cellar for fill. All work is to be done on or before July 17th, 1945.

Permission will not be granted to move the buildings in their entirety.

Address all bids to W. W. Mack, Chief Engineer, State Highway Department, P.O. Box 629, Wilmington (99) Delaware, and mark "PROPOSALS".

The State reserves the right to reject any and all bids.

A certified check (drawn to the favor of the State Highway Department) for the full amount of the purchase price must accompany all bids.

Deposits of unsuccessful bidders will be returned after the award.

This sale is for buildings only, and does not include any land.

SALE OF THE BLACK CAT CASINO BUILDING, OUTBUILDINGS AND BUNK-HOUSE

Sealed bids will be received by the State Highway Department at the Office in the Headquarters Building, State Road, New

Castle County Delaware, until 10:00 A.M., E.W.T. on May 17th, 1945, and at that time place publicly opened for the sale of the Black Cat Casino Building, four outbuildings, and the bunk-house at State Road, Delaware. The bunk-house at State Road, Delaware, will be sold in one lot, and shall be designated as "Lot A", the Bunk-House will be sold separately and shall be designated as "Lot B". Be sure and specify the lot on which you are bidding.

"Lot A", these buildings are to be sold as is. The Casino Building shall be torn down and removed from the site. Permits can be obtained for moving the outbuildings in their entirety.

Here is the opportunity to acquire high priority materials. Panelled Ceotex, masonry, knotty pine, maple flooring, BX cable, radiators, unit heaters, piping, drain pipe, German siding, arched trusses, sheathing, a large steam boiler, hoppers, wash stands, window frames, sash, and screen, etc. Interested parties may inspect these buildings by calling at the State Highway Office at State Road for the key.

"Lot B", frame bunk-house, stucco covered. This building is to be sold as is, and must be torn down and removed from the site. Here is a number of wash stands, hoppers, etc.

The successful bidder is to clean up the site after the buildings are razed. Old stucco, plaster, etc. may be piled at a suitable spot. All work is to be done on or before July 17, 1945.

Address all bids to W. W. Mack, Chief Engineer, State Highway Department, P.O. Box 629, Wilmington (99) Delaware, and mark "PROPOSALS".

The State reserves the right to reject any or all bids.

A certified check (drawn to the favor of the State Highway Department) for the full amount of the purchase price must accompany all bids.

Deposits of unsuccessful bidders will be returned after the award.

This sale is for the buildings only, and does not include any land.

CERTIFICATE OF REDUCTION OF CAPITAL

The IRWIN-HARRISONS-WHITNEY, INCORPORATED, a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

(1) That on the 23rd day of April, A. D. 1945, there was filed with said corporation the written consent of the holders of record of all of the shares of the corporation outstanding and having voting power, authorizing a reduction of the capital of the corporation from \$1,200,000.00 to \$800,000.00 by the cancellation and retirement of 3,000 shares of the no par value stock of the corporation owned by the corporation, and the charging by reason of said cancellation and retirement, of the sum of \$390,000.00 against the capital of the corporation, being and average paid-in value of said shares to be cancelled and retired.

(2) That the capital of the corporation has been reduced from \$1,200,000.00 to \$800,000.00 in the manner set forth above.

(3) That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which have not been provided for.

IN WITNESS WHEREOF, said IRWIN-HARRISONS-WHITNEY, INCORPORATED, has caused its corporate seal to be affixed to this certificate to be signed by P. C. Irwin, its President, and A. G. Richardson, its Secretary, this 23rd day of April, 1945.

Newark, Delaware, Thursday, May 10, 1945

G. I. MOTHER'S DAY

Mother's Day will have nation-wide observance this Sunday when mothers of all ages will be honored, but there is one group that deserves a special salute—the young mothers and mothers-to-be whose husbands are in the armed services.

One of the important war-time jobs of the State Board of Health is the administration of the Emergency Maternity and Infant Care Program (better known as EMIC) whereby maternity care is available to wives of men in the lower pay grades of the Army, Navy, Marine Corp and Coast Guard, according to Dr. Edwin Cameron, executive secretary of the Board. He announces that 1,998 applications have been accepted since the program began operating in April of 1943, with 1,655 being maternity cases and the remainder requests for care of sick infants.

During the past 12 months \$112,620.39 has been spent in Delaware through the EMIC plan for the care of mothers and infants. A total of 1,064 maternity cases and 90 infant cases have been completed up to the first of May and 978 maternity cases and 147 infant cases have been authorized. During the past year the average cost of care through EMIC for a completed maternity case was \$93.24 and for a completed sick infant case \$133.63.

Funds for EMIC are provided by the Children's Bureau, U. S. Dept. of Labor, as the result of an act passed by Congress, but the authorizations for care and the administration is carried on in Delaware, as in other states, by the State Board of Health. Acting Director of the Division of Maternal and Child Health, Dr. C. P. Knight, has charge of Delaware's program. His office is in the State House in Dover.

Dr. Knight states that he is receiving splendid cooperation and that 121 doctors have been working with the program as well as all the hospitals in the state.

Under the EMIC plan an expectant mother may receive prenatal care from her choice of the qualified doctors who are participating. At childbirth, whether she stays at home or goes to a hospital, she and her baby may receive medical and nursing care. Complete maternity care may be provided, including a final physical examination 6 weeks after the baby is born, and the baby may receive medical care when ill during the first year of life. The average stay in the hospital has been 10 days for Delaware mothers under the EMIC plan.

Forms for requesting care are made available by the State Board of Health through local health units, welfare agencies, local Red Cross chapters, baby clinics, military posts and through local physicians.

The wife fills out and signs her part of the application, including her husband's serial number. Her doctor completes and signs the application and sends it to Dr. Knight in Dover. The form includes a statement by her doctor that the services authorized will be rendered for the amount paid by the State Health Department without payment from the patient or the family.

Dr. Knight then promptly notifies the patient and the attending physician and the hospital (if the patient is going to a hospital) as to whether or not he can authorize the case.

It should be remembered that EMIC is only available to wives and infants of men in the 4th. to 7th. pay grades, that is from private up to and including "buck" sergeant in the Army, and comparable ratings in the Navy, Marine Corps and Coast Guard.

In cases where the patient is not eligible for EMIC care, every effort is made by the board to be sure that the family has some means of obtaining the necessary medical care.

NO EASY OUT

Former War Mobilizer James F. Byrnes sums up the debt and taxation picture of the Federal government in a chilling light. In his final report he stated that the Federal debt has reached \$233 billion — approximately \$2,000 for every man, woman and child.

No nation, even if it has lost a war, has heretofore had saddled upon it a public debt as large as the debt we as victors must pay.

Annual interest alone is now \$4,500,000,000. To appreciate what this means, recall that for the fiscal year 1939, the total of all internal revenue taxes was \$5,063,000,000 (not including Social Security funds). To put it another way, total income tax collected for the calendar year 1942 from all persons with incomes of \$5,000 or less amounted to only \$4,234,000,000—not enough to pay the interest this year on our Federal debt.

This is one problem that the people can't toss in the lap of the government. It is their problem. They alone must pay.

NATIONAL HOSPITAL DAY

On May 12, the anniversary of the birth of Florence Nightingale—who contributed as much to modern hospital science as she did to the nursing profession — our entire nation pays homage to the hospitals that protect and maintain its health. Let us consider on this National Hospital Day what our hospital system has given us in hope and effort.

The 6,611 hospitals of the country treated 16,036,848 patients during 1944. This was an increase of almost a million patients over 1943. A baby was born in an American hospital every 16.4 seconds. One out of every eight Americans was treated by a hospital in this past year. And every one of us can expect to be a patient in a hospital one day for every year we live.

With 60,000 doctors, 54,000 nurses, thousands of trained technicians and administrative personnel absent with the Armed Forces, our hospitals have accomplished more than they ever did in their history—with a full complement of staff members and employees.

National Hospital Day is a day on which the American people express their appreciation to the hospitals. But more than that — on National Hospital Day all American men and women should be commended for it is they who have initiated and supported the community hospital that exemplifies the voluntary method of making better health available to all.

"WE GOT POWER"

In war, failure to meet an assignment is inexcusable, on the part of civilians as well as the military. At home no industry has lived up to the demands of war with greater exactitude than the electric light and power industry. In addressing the members of the industry, Rear Admiral W. R. Monroe, U.S.N., said: "You delivered, each and every one of you—from executives in the front office to the men who climb the poles. When we called for power we got power and not—thank God—alibis."

Additional Society

Mrs. Julian Quattlebaum of Savannah, Georgia was a Newark visitor this week. Mrs. Quattlebaum was formerly a member of the staff of the Newark Public Schools as an instructor of Physical education.

Mrs. R. G. Sloan and Miss Jane Sloan of Landsdown, Pennsylvania will be guests this week-end of Mrs. Sloan's brother-in-law and sister, Mr. and Mrs. T. R. Griffin, 182 West Main Street

Mrs. William McClosky of 160 West Main Street spent last week-end in Washington, D. C. as a guest of Mr. and Mrs. George Kieny.

Mrs. Theodore M. Harding, Jr., Canon City, Colorado, is visiting her son-in-law and daughter, Mr. and Mrs. Page Kelly, 4 Tanglewood Lane.

Miss Ida Kimble of 167 West Main Street returned to her home Tuesday evening after having been a patient at the Wilmington General Hospital for about two weeks.

The Junior Class of the Newark High School will hold their annual prom on Friday evening, May 11, at 8 o'clock in the High School Gymnasium with Teddy Costels orchestra furnishing the music.

Miss Mary Roberts of 116 East Delaware Avenue was one of the twenty-three students to receive her diploma at the graduation exercises on Tuesday evening, from the school of nursing of the Memorial Hospital of Wilmington. The exercises were held in St. Stephens Lutheran Church. Miss Roberts is the daughter of Mr. and Mrs. Thomas Roberts.

Congratulations are being extended to Mr. and Mrs. Milton Kaszubski on the birth of a son, born May 7. Mrs. Kaszubski will be remembered as Miss Anna May Beck, daughter of Mr. and Mrs. William Beck of 99 Wilbur Street.

Mrs. Nancy Coe McCormick of 248 West Main Street has gone to Long Island, New York where her husband, Robert Nathan McCormick, Pharmacist Mate Second Class is stationed at the Naval Hospital.

Mr. Clayton Price has returned to his home after a visit with his brother, Mr. Fletcher Price, Cincinnati, Ohio.

Mr. and Mrs. Roy Hubler, are receiving congratulations on the birth of a daughter, born May 2, Memorial Hospital, Wilmington.

Mrs. Elwood Zebley of near Newark is confined to her home with quinzey.

Musical Satire At The Century Club, May 14

The Music Club of the Women's College will present a musical satire, "Jack and Jill", by Sigmund Speath, as a special feature of the Annual Meeting of the New Century Club on Monday, May 14 at two o'clock at the club house.

The production will be in costume and will follow the business meeting. The President, Mrs. Richard Snyder requests all committee chairmen to bring their reports on uniform typewriter paper that they may be included in book form. Mrs. Irvin Dayett is hostess for the tea that will follow.

Two Newark Women Attend So. States Regional Meeting

Discussion of their responsibilities as committee members and a study of cooperation for rural people featured a Regional meeting of members of the Southern States Farm Home Advisory committees in Elkton, North East, Rising Sun, New Castle, Middletown and Newark, held in North East recently, with Mrs. Sarah Porter Ellis, Richmond, Director of the Southern States Farm Home Service, as program leader.

Mrs. Ellis outlined the program, organization, and operation of Southern States Cooperative, explaining how it is endeavoring to aid farm families. Newark Committee Members present were Mrs. Leonard Nelson, Mrs. A. M. Cameron.

Revival Meeting Ends At Church of the Nazarene

The Church of the Nazarene, 27 N. Chapel, has just closed the best revival meeting in its history. Spiritual victories were won by all who earnestly desired help from the Lord.

Sunday School bible study, at 10 o'clock, will be based on the subject, "The Way a Nation Fell". The morning worship, at 11 o'clock, will be devoted to thoughts of mothers with the sermon topic, "Honouring Mother." "Why Do Men Love Darkness" is the message for the evening service at 7:45.

GARDEN NOTES

Grow Your Own — Be Sure

Tomato plants should be set as early as possible after danger of frost is passed — usually about May 5 to 10. Earlier plantings are recommended if protection can be provided in case of frost.

Varieties recommended for garden use are Stokesdale and Valiant for early plantings and Rutgers for late maturity.

Set plants a little deeper than they originally grew in holes large enough to allow roots to spread without crowding.

Set plants on a cloudy day or in the evening so they can become established before the sun gets to them. Do not pour water on top of soil around plant or it may bake in hot sunshine.

Plants should be 36 to 48 inches apart if they aren't to be staked to allow room to spread. Staking saves space (rows can be 18 to 24 inches apart in rows 3 feet apart), keeps tomatoes from rotting on the ground, and makes harvesting easier.

Keep plants pruned to a single or double stem by pinching out branching shoots as they begin to form in axils of leaves. Prune once or twice a week, depending on growing conditions, so shoots do not become large. Stakes should be 5 or 6 feet long, about 1-2 inches in diameter, set in the ground 12 to 18 inches deep beside the plant. Tie main stem or stems remaining to the stake, using soft twine to prevent injury.

In addition to fertilizer broadcast before spading the soil (about 40 pounds per 1000 square feet), about one-fifth this amount applied in furrows three inches deep and three inches from each side of the row is valuable.

NEWS ABOUT LOCAL BOYS IN SERVICE

Word has been received of the safe arrival in the Pacific of Earl J. Helmbreck, Seaman First Class. He is the son of Mr. and Mrs. E. J. Helmbreck, West Delaware Avenue.

Dean and Mrs. George L. Shuster have been advised of the promotion of their son, William A. Schuster, to the rank of First Lieutenant. He is now stationed at Oak Ridge, Tenn.

Rodney Blansfield, Seaman Second Class, spent the past week-end with his wife and son at their home, 195 South Chapel Street, Seaman Blansfield is stationed at the U. S. Naval Ammunition Depot, Fort Mifflin, Philadelphia.

Mr. and Mrs. William Beck of 99 Wilbur Street, have been advised that their son, Wilson, has been commissioned a second lieutenant while on the Battle-field in the Philippines where he is serving with the Paratroop Infantry. He enlisted in January 1942 training at Fort Bragg, N. C. before having gone overseas. Lieutenant Beck has been in the Pacific area for thirty-one months. Previous to his enlistment he served six years in the regular army having spent two years in Puerto Rico before the war. His twin brother, Private First Class Woodrow Beck is also stationed in the Philippines with the engineers. The brothers will celebrate their twenty-eighth birthday on May 12.

Edgar Binder, Seaman, First Class spent the past week-end with his wife and son at their home in Lumbrook. Seaman Binder is stationed at Portsmouth, Virginia.

Petty Officer Kenneth Barnes spent the past week-end here with his family in Lumbrook. Petty Officer Barnes' ship is now at Boston.

Corporal Ernest M. Jamison spent the past week-end with his parents, Mr. and Mrs. Ernest Jamison, 87 N. College Avenue. He is now stationed in Paterson, New Jersey with the Wright Aero Corporation.

Second Lieutenant Thomas R. Griffin, Jr. is expected home Friday of this week for a ten day furlough. Lieutenant Griffin, the son of Mr. and Mrs. T. R. Griffin, Sr., 182 West Main Street, has been stationed at Wendover, Utah. This is his first furlough in nine months.

Pharmacists Mate Second Class Robert Nathan McCormick has returned from the West Coast and is now stationed at the Naval Hospital, Long Island, New York.

Corporal George V. Chalmers who has been stationed in Indiantown Gap, Pennsylvania is being transferred to Camp Jackson, South Carolina.

TOLOMEO INFANT SON BAPTIZED SUN. APRIL 29

Frank Joseph Tolomeo, Jr., young son of Mr. and Mrs. Frank Tolomeo of 69 East Delaware Avenue, was baptized on Sunday, April 29, in the St. Thomas' Episcopal Church.

Miss Eleanor Renshaw of Wilmington and Mr. Everett Boulden of Chester, niece and nephew of Mrs. Tolomeo, were the Sponsors.

A dinner followed the baptism at the Tolomeo home with the following guests present, Mr. and Mrs. Herbert Renshaw, Miss Eleanor Renshaw of Wilmington; Mrs. Effie Boulden, Miss Helen Boulden and Mr. Everett Boulden of Chester; Mrs. Mary K. Chambers, Mrs. Tolomeo's mother, of Newark; Mr. Paul McVey and Mr. and Mrs. Dante Socca of Baltimore.

MOTHER AND DAUGHTER BANQUET BY BIBLE CLASS

The Young Women's Bible Class of White Clay Creek Church held a mother and daughter banquet on Tuesday evening at the College Inn with twenty-eight present.

Miss Margaret Murray, teacher, and Miss Hazel Johnston were in charge of the arrangements.

Attractive place cards were used including rosebuds tied with ribbon for those of the mothers.

FRIENDSHIP TEMPLE LUNCHEON FRIDAY

Friendship Temple No. 6 of the Pythian Sisters will hold a picnic luncheon on Friday, May 11, in Fraternal Hall. Lunch will be served from 11:30 A. M. to P. M.

Arrangements are in charge of Mrs. Edward Stickley.

A double celebration is due on Sunday, May 13 — both in accordance with the President's proclamation as a Day of Prayer and as

DR PURDY WILL SPEAK TO MISSIONARY GROUPS

Dr. Willard D. Purdy will be guest speaker on Thursday evening, May 17, to the joint meeting of the Women's Home and Foreign Missionary Society of the First Presbyterian Church of Newark and to the Women's Home and Foreign Missionary Society of White Clay Creek Church, Capital Trail, in the Sunday School room of the White Clay Creek Church.

The members of the society of White Clay Creek Church will be hosts for the evening and extend a most cordial invitation to the church members and the community to join with the members of the two societies.

Dr. Purdy will discuss his experience of the past summer of his Preaching Mission in the Southern Mountains.

LADIES BIBLE CLASS HOLD MONTHLY MEETING

The Ladies Bible Class of the Newark Methodist Church will hold their monthly meeting on Thursday evening, May 17, in the chapel of the church at 8 o'clock.

Mrs. Evelyn Weaver, president, will preside and Mrs. Millard Ritchie, Sr. will arrange the program.

The speaker of the evening will be Mrs. T. F. Manns, a member of the class.

Refreshments will be served by Mrs. Frank Fitcher and her committee.

MR. JOHN LEACH TO BE GUEST OF BIBLE CLASSES

Mr. John G. Leach, Vice-President of Beacom College, and Chairman of Delaware Industrial Accident Board of Wilmington, will speak on Sunday morning at a joint meeting of the Women's and Men's Bible Classes of the First Presbyterian Church.

This special meeting of the two classes is in commemoration of Mother's Day and will convene at 10:00 A. M. sharp.

All adults of the church are cordially invited to attend.

REGULAR MEETING OF LADIES BIBLE CLASS

The regular meeting of the Ladies Bible Class of the Newark Methodist Church will be held Sunday morning at 9:45 and a cordial invitation is extended to all to attend.

"The account of the downfall of a nation that deliberately turns from God and chooses to go its own independent way", is the topic of discussion this week.

Members of the J. Allison O'Daniel Unit No. 10 will attend the dinner in honor of Mrs. B. Charles Gilbert, the National President of the American Legion Auxiliary, to be held in the Washington Heights Century Club, Wilmington, Friday evening, May 11, at 8:30 P. M.

ADDITIONAL SOCIETY ON PAGE 4

IN MEMORIAM
In memory of my Mother, Annie M. Higgins
The rolling stream of life goes on lonely without her.
She has left a vacant chair that never can be filled.
Never a day passes that I don't think of her many times.
Mother's Day was a pleasure while she was with me.
But now a sad for me.
Her kind deeds, and smiling face to the last night of her life I will never forget.
God called her home so suddenly I must journey on without her.
No one knows, better than I what it means to part with a faithful Mother.
To those that have a mother tend her with loving care.
You do not know her absence till you see her vacant chair.
Her Loving Son, Clarence

The Newark Post

The Newark Post, Newark, Delaware, Thursday, May 10, 1945

Six

1945 has all the earmarks of being the most epochal year in our limited existence. The four months and ten days already passed thus far in 1945 have brought us much joy and great sorrow.

We think it will see thousands of our boys now overseas returned to their homes and more thousands drafted into service as replacements, both in the Pacific and as members of the occupation forces in Europe.

It is our belief that the next fortnight will see the lifting of the midnight curfew and horse-racing ban. Also that the same period will bring about a greater and more acute local shortage of edible meats, smokable cigarettes and chewable tobacco.

Our 'git-tar' playing linotype operator received greetings from the President of the United States last Saturday along with a notice to appear for induction next Tuesday. So, if this column is full of mistakes blame our new girl operator, not me. And, incidentally, Emmy, she hasn't a sister that's a pharmacist.

SAINT Clair McVicker, the matinee idol of Whiteman's Garage on Saturday nights, is gone — also is his \$400 gold-plated guitar. We'll miss 'Vic', but not the guitar. He has served us well these past six years and we are confident he will serve his country equally as faithfully when he dons uniform.

Saturday was Derby-Day at historic Churchill Downs. The horses didn't run, but the turtles did. Just so the day wouldn't pass without proper observance. Silent Ben Jones, Doug Dodson, Sam McKeever and several other notables about the stables gathered together, placed wagers on their pet Turtles and even charged admission for the event — proceeds went to charity.

We'll let you know the winner when the results come in. I think some of the turtles are still running. . . like many a nag I've played two-bob on at Delaware Park.

Gates are open at Delaware Park these mornings. Horses are galloping — schooling at the gate is being held regularly. All things point to an early opening immediately the word is given. It is rumored that Jockey Shellhammer, a popular figure among local gentry, is back in the services of H. Guy Bedwell and that the stable will race here this summer — if and when.

Orchids to the house chairman of the Country Club for a splendid job well done. The past twelve months have been the most popular and most profitable in the club's history.

DON'T FORGET — Sunday, May 13, is Mother's Day. Don't pass it over lightly. Remember her with a gift, a prayer, words of appreciation for your presence in this world. Honest, don't let the day pass without a brief visit with YOUR mother if it is at all possible. . . you'll be glad you did something.

Next Wednesday and Thursday are town clean-up days for trash and rubbish. Wish we could feel that all the rubbish would be cleaned up on those days.

Wonder if it's true that a prominent Newark resident has or will donate funds for an organ to be installed in a local house of worship?

Patches — the handsome, graceful feline pet of Miss Beulah Laws is dead. Proper services were conducted last week. Patches used to take his exercise along Thompson Lane in front of our office. He wandered off the beaten path the other day and a B & O train took what must have been his ninth life.

Everybody seems to know enough arithmetic to figure out what's coming to him. . . but, some people don't always get all that's coming to them.

Shaeffer's have deviled crabs now . . . 10c cheaper than last year.

Firemen's Prompt Action Averts Serious Damage

What easily might have been a disastrous fire was promptly brought under control and eventually extinguished by the courageous action of members of the Actna Hose, Hook & Ladder Company last Thursday.

About 6:30 P. M., a huge chimney on the residence of Mr. and Mrs. Esmer B. Wilson, Paper Mill Road, caught fire and the raging blaze threatened to spread to the roof and cause considerable damage. The alarm was promptly answered by the local fire laddies who were in constant danger from terrific heat and flames until their efforts were rewarded by bringing it under control and eventually putting it out with no resultant damage.

Aside from constant exposure and danger, Mrs. Wilson said, they even stayed to clean up the mess caused by water and soot.

Pre-School Health Tests Conducted Here Tuesday

Dr. John R. Dawnes, deputy health officer for New Castle County, assisted by School Nurse, Mrs. Martha E. Coverdal, pre-school physical examinations to children who will enter Newark schools for the first time next September at the high school building Tuesday morning.

Similar examinations will be held by Dr. Dawnes and his staff at nineteen schools before the term ends. The check-ups will be given at the Christiana School on Monday morning and at Bear in the afternoon.

Sixty four physical examinations were given at the Newark School Tuesday, twenty-eight were given immunization against diphtheria and smallpox vaccinations administered to fifteen. Dr. Dawnes and his staff were aided by students and Mrs. Cuthbert webber and Mrs. Arthur Smith.

GAME SCHEDULED BETWEEN NEWARK AND CLAYMONT ON TUESDAY WAS POSTPONED

To Be Played Later On In Season As Yellowjackets Prepare To Take On Conrad High School Today And Newark Town Team Group Tomorrow

Their baseball game scheduled for Tuesday with Claymont High School having been rained out, Newark is now preparing to enter their mid-season schedule of games with a record of three wins and two losses.

Both losses have been by close margins; P. S. duPont winning through a last inning five-run rally, 8-7, and Alexis I. duPont jumping off to a safe four-run lead and later stave off a Newark rally which netted two markers.

SGT. BEAMAN KILLED IN BATTLE FOR LUZON, MAR. 7

Purple Heart Posthumously Awarded To Parents Here

Word has been received recently of the death of Sgt. Phillip Alden Beaman, son of Mr. and Mrs. Ralph Beaman, 22 Kells Avenue, on the Island of Luzon, March 7th.

A letter of condolence written to Mr. Beaman by Capt. Chas. A. Campbell, 30th Infantry, stated: "At about 11:00 o'clock on the morning of March 7th, Phillip was a squad leader of a large patrol which had been assigned the mission of finding out the strength, armament and position of the enemy, approximately 3000 yards northeast of Aringay, La Union Province, on the Island of Luzon.

"As the patrol advanced they ran into enemy machine gun fire and Phillip was badly wounded. Although seriously wounded, and in the face of enemy machine gun fire, Sergeant Beaman killed an enemy soldier who was attempting to kill a wounded comrade. The life of his comrade was saved by his gallant efforts, but Phillip died very shortly afterwards from his wounds.

"Phillip had always been one of the finest soldiers in his company. He was well known and admired by every officer and enlisted man, and we feel deeply the loss of such a true friend and comrade. . . we will never forget the example of courage and devotion to duty he set for our emulation. He was a credit to you, to his company and to the country in whose service he gave his life. Military services were conducted by the Chaplain and interment made in the Military Cemetery at Santa Barbara, Philippine Islands."

Sergeant Beaman was 24 years old. With his parents he had made his home in Newark for several years prior to entering the service. He was a graduate of Amhurst College, 1941, with honors. He entered the service in February, 1942. Received training at Camp Forrest, Tenn., Fort Lewis, Washington, and California before being sent overseas in June, 1943.

A brother, Ralph Beaman, in the Army Air Corps, has recently completed his missions from an English base and is now in the States awaiting reassignment. He wears four oak leaf clusters, one silver cluster and four bronze stars. He was recently home on furlough.

The Purple Heart was awarded to Sergeant Beaman for his action and has been received by his parents.

Regular Meeting of Habib Temple No. 205 next Saturday night.

Oseola Lodge will attend the big event of Riverside Lodge at Pennsville, New Jersey, next Monday night when that lodge will be host to the Grand Lodge Officers of New Jersey, and Delaware and visiting Pythians.

Be Seein' You

Joseph J. Mulone Receives Rank of First Lieutenant

Second Lieutenant Joseph J. Mulone has been promoted to the rank of First Lieutenant at the Carlbad Army Air Field, Carlbad, New Mexico, where he is an assistant civilian personnel officer.

He is the son of Mrs. Maria Mulone, 131 Lexington Ave., Aspinwall, Pittsburgh.

His wife is the former Anne M. Boyer, Center Apts., Center Street, Newark.

He is a former student of University of Pittsburgh, Penns.

He was commissioned 21 August 1943, upon completion of Officer Candidate School at Miami Beach.

A. I. DUPONT WINS OVER NEWARK, 4-2

Averages Loss Suffered Earlier In The Season

Newark's baseball team dropped its second game of the season Friday to Alexis I. DuPont by a 4-2 score.

Earlier in the season Newark took the measure of "A. I." by the same score in a no-hit game, but DuPont cracked out four hits off Don Griffin, starting Newark pitcher, in the first three innings and one hit off Brandon Davis, playing a relief role, in the last three innings of the ball game. The 'jackets out hit "A. I." by collecting six hits which were, however, scattered throughout the game.

DuPont scored all their runs in the second frame on three hits, one a double, a walk, and a Newark error. Newark came back in their half of the fifth to tally two markers on a walk, an error, and a timely double by Eugene Schaan. Potential rallies in the last two innings of play did not materialize and the Yellowjackets' scoring fell short by two runs to tie-up the contest.

Schaen and Bob Casho led the Newark; hitting with two safeties apiece, while the fielding of Corb VanSant, Bill Pie' and Tom Silk was outstanding.

LT. SCHUSTER PROMOTED

Lt. William A. Schuster, son of Dean and Mrs. George L. Schuster, Newark, has been promoted from Second to First Lieutenant. Lieutenant Schuster, graduated from the University of Delaware in Electrical Engineering in 1943 and immediately entered the Service in the Signal Corps. He received his training at Harvard University, Massachusetts Institute of Technology, and Press Wireless, Inc., and is now with the Engineers located at Oak Ridge, Tennessee.

U. S. Service Finds Jobs For 775,495 Veterans

The United States Employment Service says it found jobs for 775,495 World War II veterans from February, 1944, through last March. Of that number 88,853 were disabled servicemen placed in jobs since August.

The agency said it has found a total of 1,383,840 non-farm jobs for veterans of all wars between Jan. 1, 1942 through 1944 with 806,139 of the placements last year.

DELAWARE PARK OPENING ON SCHEDULE ANTICIPATED WITH V-E DAY PROCLAIMED

Everything In Readiness For Immediate Resumption Of Racing At Stanton Oval When Signal Is Given; Other Tracks Plan Opening

With the announcement of V-E Day and the automatic of the 'brown-out' further easing of wartime restrictions since January 8, such as the midnight curfew and horse racing are momentarily anticipated — in fact may already be in the time this gets into print.

Encouraging word comes from Delaware Park that the Stanton oval is in a good state of preparedness and would be able to open very shortly after the word is given. The stands, grounds, stables and track are all in ready-to-go condition and preliminary arrangements are all completed. Arrangements for personnel have been nearly completed and residents in the vicinity of

Immediate suspension of the ban on horse and dog racing and the midnight curfew was announced yesterday afternoon.

Bryan Field, general manager of the Delaware Steeplechase and Race Association, has announced that Delaware Park will open its thirty-day meet on schedule, May 29, but that the track will close on June 9 if The Preknack is run at Pimlico that day.

the track and in nearby towns have been approached about taking roomers and boarders during the meeting.

If one is to believe all rumors prevalent about horses being shipped in to Delaware Park, that totalizer officials have been on the ground testing apparatus, that tickets and passes have been printed and are being prepared for distribution, there remains little doubt but that the track is in readiness for almost immediate opening and that it will attempt to observe the original dates, May 29 to July 5 (with two off-Mondays) when restrictions are imposed which will likely be within the next few days at least.

If the restrictions are lifted this week, which now seems probable, it is thought by some that the Derby may be run on June 1 and other two events in racing — the "Pimlico and the Stakes" — coming on June 1 and 23 respectively — that, pure conjecture.

It is reported that plans are making for resumption of Chicago tracks as soon as the "go ahead" signal is given. Sentatives of both Arlington Park and Santa Anita are in the city making for resumption of the late resumption of the sport.

Belmont Park, New York's famous and beautiful oval, is expected to open this month, daily at least. Its usual summer season generally ends on or about the

Santa Anita, in Arcadia, has begun registering through anticipation of an early opening approximately 1000 horses for training there since the last effect. Track Manager Gray said Santa Anita will be the same racing within a week of California Horse Racing Board dates, for which the track has long request.

Reports to the National Safety Council indicate that two out of three bicyclists injured and killed accidentally were violating a rule at the time of the accident.

One Car Out of Six Junked Yearly Due To Lack of Attention

The cooling system of your car should be changed NOW by using a cleaner and a rust preventative yearly.

Full line of batteries and battery accessories including cables, terminals, bolts and nuts.

ACTION ON PEA APHIDS DEEDED NOW

Early Dusting Important For Best Control

Delaware pea growers feel that the best control for pea aphids does not come until the vines begin to leaf out. Dr. Rice points out that the aphids have probably been present since the vines were first planted, but they have not become a serious pest until the vines are well advanced.

It is important to take control measures as soon as the aphids begin to appear in considerable numbers rather than waiting until the vines begin to leaf out. A good index of aphid population is a good index of aphid damage.

When populations reach a point where they are causing damage, insecticides should be applied immediately or as soon as possible. The survey at Milford showed that the aphids were present in large numbers at the time of the survey.

It is also marked that the aphid population is increasing rapidly under a boom in pea production. However, if the aphids are present, the treatment should be used as it may spread to other crops.

CHRISTIANA SCHOOL NEWS

Awards Made At Assembly

War Bonds and Sales during the week at the Christiana School totaled \$234.80. Mrs. Ellen Verbeke, seventh grade had 100 per cent participation. Miss Jean Hoffman's sixth and seventh grades were second in participation.

The regular weekly assembly on Monday, May 7, was held in the gymnasium. The principal, Miss Ruth Elliott, presented pins and certificates to the Class Room Captains, who were selected to help the school achieve its goal for the War Bond Drive.

The following students were awarded Trooper Badges and Certificates for bringing in 100 pounds of paper from the recent school Scrap Paper Drive: Andrew Greene, Alice Virginia, William Staker, Irving, Rebecca Beaune, Donald Vin, Ann Lockard, Jean Abrams, Keesley, Jackie Cleaver, and Thorp. In addition, chevrons were presented by Eugene Keesley and Virginia Anderson for bringing in 200 pounds of paper.

A group of songs, "Circus", "Sailing Song", and "My Guitars", were sung by the school.

5,000,000 Golf Balls Soon To Be Produced

Golf balls—perhaps as many as 5,000,000—will soon be produced for civilian use.

Manufacture of this scarce sports item will be made possible under a planned revision of WPB rubber regulations to permit use of neoprene—a non-tire synthetic rubber—for the inside of the balls. The covers would be of balata, the gum rubber now used for "retreading" old balls.

W. James Sears, chairman of WPB's Rubber Requirements Committee, in announcing the prospective release of neoprene said he could not estimate how many balls could be produced until the allocations were made.

From manufacturers, however, came the 5,000,000 figure. WPB officials said the revised rubber order should be issued within about 10 days unless the plans should unexpectedly land in the "rough".

Golf ball manufacture now is limited to supplies for rehabilitation programs for servicemen.

WESLEY CHAPEL SERVICES
Evening services will be conducted at Wesley Chapel on Sunday, May 13, at 7:45 with the Reverend Graver in the pulpit. The public is invited to attend. Evening services will be held each Sunday hereafter at Wesley Chapel.

Special Mother's Day Music At Head of Christiana Church

Services will be held in the morning at the Head of Christiana Church on Sunday, May 13. Sunday School will begin promptly at 10 o'clock and morning worship will be held at 11 o'clock.

Frank Butterworth, superintendent, will have charge of the Sunday School. The lesson topic to be discussed will be "The Tragedy of the Northern Kingdom". There are classes for all age groups.

The pastor, Rev. Evan W. Renne, will deliver the sermon at the morning worship on the subject "The Priceless Privilege of Parenthood". The church choir will present special Mother's Day Music.

All are invited to attend.

New Signs Ban Smoking In Coaches And Buses

In accordance with the law recently passed by the General Assembly and signed by Gov. Walter W. Bacon, banning smoking on public conveyances in Delaware, the Delaware Coach Company announced today that it has replaced the old signs requesting passengers not to smoke with new ones headed, "It is unlawful to smoke or carry a lighted cigarette, cigar, or pipe in this vehicle."

Operators have been instructed that in the event of violation of the new law by any passenger they should call attention to the notice.

The sign points out that violators are subject, upon conviction, to fines ranging from \$5 to \$25.

National Music Week Endorsed By Governor

Governor Bacon, in a statement has endorsed the observance of "National Music Week", and urged the greater emphasis be placed on music in homes, local gatherings and communities during the week of May 6-13, which has been designated by the National and Inter-American Music Week Committee.

"Music breathes the spirit of harmony and cooperation, and is an ideal medium for advancing that spirit," the Governor said. He further remarked "the observance will be used widely, as a setting for patriotic events, war bond rallies, programs to feature the strengthening of friendly ties among the peoples of the United Nations, and I urge the people of Delaware to take active part, keeping in mind that music can be helpful in the war effort as is demonstrated by the fact that it helps morale, relieves tenseness and nerve strain, and refreshes the spirit."

HELP YOUR COMMUNITY TO MAKE ITS
QUOTA BY MEETING YOUR PERSONAL QUOTA

By THIS time last year Victory Volunteers in this community had made the rounds twice to get out fighting dollars for War Bonds. So if you've wondered why no one has called on you yet in 1945, here's why... The Mighty 7th War Loan (starting May 14) will be TWO GREAT DRIVES IN ONE!

And think what that means. All the old rules of buying you set for yourself in the past are out. America's growing battle might is costing more dollars every hour. Only by your purchase of MORE BONDS AND BIGGER ONES in this double drive will you be doing right by the men who fight.

Remember that your community has a quota it will be proud to make. It's made up of all the personal quotas of you... the people up and down your street... EVERYBODY in this vicinity. So it's EVERYBODY ALL OUT... buy bigger bonds and more of them when the Victory Volunteer calls.

METHODIST FELLOWSHIP CHAIRMEN ARE NAMED

Newport Girl Scout Troop Investiture Held Friday

Newport, May 10. — At a meeting of the Methodist Youth Fellowship held this week at the call of the Pastor, Rev. Paul E. McCoy, various branch chairmen were named. Mrs. Pierce Moore is Youth Councilor, with Ernest Spicer, Youth Superintendent. Miss Jane Coyle was named Chairman of World Friendship Commission; Miss Jane Whistler, Chairman Worship Commission, and Miss Betty Payne, Treasurer of the Methodist Youth Fellowship. The Pledge to the Methodist Youth Fund of \$25 as voted several months ago, was paid in full. Four delegates to the Peninsula Youth Institute will be named to attend the summer session.

Girl Scout Troop No. 43, under the direction of Miss Jane Lynam, Leader, conducted an Investigation Ceremony Friday evening in the Krebs School. The class of girls admitted included Charlotte Barlow, Betty Jean Benson, Anna Burnett, Emma Hastings, Ana Hitchens, Petrolia Hutchins, Claire Lilley, Eleanor Ruggiero, Mildred Rodenheiser, Beverly Werner, Mary Zimmerman, Marilyn Richards.

Second class badges were presented to—Mary Ann Auster, Janet Berry, Jane Buck, Beth Covert, Alice Doyle, Barbara Kemp, Charlotte Madlary, Ann McRoberts, Jean Carolyn Scarborough, Jane Weeden, Joanne Gardiner.

Jane Buck received five merit badges for achievements in Glass work, Leather, Interior Decoration, Needlecraft and Designing.

Ann McRoberts received three badges for Camp Craft work, Outside Cooking and Pioneering.

Two one-act plays were presented by members of the Troop and refreshments were served.

Parents and friends of the girls attended.

About 120 guests were served dinner Thursday evening in the Assembly Room of the Newport Methodist Church by the Wesleyan Guild. Mrs. Fred Benoit was chairman of the Dinner Committee, and Mr. Benoit was Master of Ceremonies. Flowers donated by A. H. Lewis and Edward F. Lewis were presented as prizes to—Mrs. Otto Selby for the prettiest hat; Mrs. George Green and Mrs. Edna Craig were also presented flowers in the hat contest.

Mrs. Frank B. White and Mrs. Doris Wilson were presented flowers for their husbands having been overseas the longest period of any guests. Carolyn White received the prize in the Lucky Number and Wishing Game. Mrs. Victoria Moyer was presented with an Orchid for being the eldest guest. Mrs. Eunice Willard, whose home is in Canada, was presented with a prize for the guest present from the farthest distance.

Group singing was enjoyed by the assembly.

Circle No. 1 of the Women's Society of Christian Service was entertained Tuesday evening by Mrs. George Berg of Tuxedo Park. Mrs. Loch Hall entertained with a humorous reading, and Mrs. George L. Biddle presented selections on the piano accordion, and members sang old songs. This group will hold a White Elephant Party at their next meeting at the home of Mrs. Victoria Moyer. Each guest is being asked to take an old hat wrapped in a paper bag for a contest. Mrs. Gladys Cunningham, Mrs. George Berg and Mrs. Walters comprised the entertainment committee. Mrs. Edna Craig was in charge of the Devotional program, and Mrs. Victoria Moyer made the Opening Prayer.

Discharge Of 2 Million After V-E Is Army Plan

Members of Congress have said that the Army tentatively plans the gradual discharge of the Army's present 2,000,000 men after V-E Day.

They placed the Army's present strength at 33,000,000 men and reported that a force in the neighborhood of 6,000,000 troops will be retained to finish the fight against Japan.

The demobilization plans were outlined in part by Maj.-Gen. Odwal H. Edwards, assistant chief of staff in charge of training, and other War Department officials at an all-day session of the House military affairs committee.

Members emphasized that the Army's figures are tentative, and depend on final decisions reached for stepping up American offensives in the Pacific.

Army Doctors Make Discovery

It has been the experience of army doctors that an ointment containing urea and a sulphur drug has done exceptionally good work on the war fungus as a debilitating fungus in burns, ulcers, athlete's foot, industrial skin infections, itching of eczema, psoriasis and first aid. The ointment of ingredients is available to the folks back home and the name is VICTORY OINTMENT. This ointment is white, greaseless, and also contains lanolin and benzocaine. It is antiseptic, pain relieving and promotes healing. Factors workers will find VICTORY OINTMENT the best for hands. Safe for adults or children. Safe to use on any part of the body. When you buy VICTORY you buy the finest. Sold in Newark by Rhodes and Neighbors Drug Stores.

GRADUATION AT STANTON ON JUNE 5

M. E. Church To Get Thorough Remodeling

The Seventh War Bond Drive added impetus to the Stanton School Sale this week, with a total of \$304.50. Mrs. Elizabeth Boyce's fifth and Sixth Grade Room was high with \$86.75. Mrs. Mae Betz' seventh grade had 100 per cent participation.

Miss Lora Little, Principal of the Stanton School, announces that the Graduation Exercises at the school will be held on June 5th, and there will be sixteen graduates in the class.

The Scrap Drive for Tin Cans and Paper is now underway at the Stanton School, and will continue next week.

The Married Women's Class of the Stanton Methodist Sunday School will hold their Anniversary Banquet in the Church Dining Room on May 14th. Members of the W. S. C. S. will serve. Mrs. Emily Lucas is Chairman of arrangements.

On Thursday evening, May 11th, the Married Women's Class of the Stanton Methodist Church will entertain at dinner the men of the community who donated their services to make alterations and do remodeling to the Church Dining Room and Kitchen. Their wives will also be guests at the dinner.

Mr. and Mrs. C. M. Newcomb and daughter Martha Lee Newcomb have returned home after a ten day visit with their son, Private Jerry Newcomb in Florida.

Mrs. Lora Little had as her guests on Thursday Sgt. and Mrs. Charles W. Nelson of Waycross, Ga., who are spending a leave with relatives and friends in this area.

Mrs. H. Vernon Lynam is confined to her home suffering from a broken ankle, after a fall in the Railroad Station in Wilmington.

Considerable work and remodeling is underway at the Stanton Methodist Church. A new roof has been placed on the building at a cost of \$800. The bell tower has been removed from the building. New spouting and moulding will also be installed on the building.

The Women's Society of Christian Service of the Stanton Methodist Church met Thursday evening at the home of Mrs. Grace Hale. Plans were made for the serving of a Banquet on May 14th, to the Married Women's Class.

Reduction in ceiling prices for synthetic tires for passenger cars and motorcycles became effective May 1. The price reductions range from 45 cents to \$2.20. Ceiling prices on the larger sized truck tires and bus tires were cut about 71-2 per cent.

Charles W. Hardesty, Delaware district OPA director, said the retail ceiling prices on the most widely used size of passenger car tire, 6x16, four-ply, is \$15.20, reduced from \$18.05, earlier priced at \$17.11.

V-E Day Not To Increase Civilian Shoe Supply

V-E Day will not bring any increase in leather shoes for civilians for at least six months, Maj.-Gen. C. L. Corbin, director of procurement in the office of the quartermaster general, said last week.

General Corbin said: "Production schedules for the six-month period which began April 1 call for marked increase of both combat boots and service shoes."

7th War Loan

(Continued from Page 1)

A complete list of captains and zones their territory includes will be published next week.

The State Theatre will hold a Seventy War Loan Premiere with the date and name of the attraction also to be announced next week. Captains will report results of their respective zones weekly, at the Civilian Defense headquarters, Elliott Building, Main Street at a time to be designated.

The overall quota established for Newark is \$55,000 with \$430,000 to be raised by purchases of industrial plants, banks, institutions, etc., of the community. Greater concern, however, is directed to the house-to-house canvass where it is essential that the \$125,000 be subscribed promptly to completely assure the success of the Seventh in Newark.

V-E Day

(Continued from Page 1)

Newark School closed at about one o'clock with brief V-E Day exercises. Wolf Hall closed at noon while Dr. W. O. Sypherd, acting president of the U. of D., issued instructions that any students so desiring should be free to attend whatever services they wished.

Appropriate evening services were conducted at St. John's R. C. Church, St. Thomas Episcopal Church, the Newark Methodist Church and the First Presbyterian Church.

Local groceries closed during the afternoon, drug stores were closed from 2 until 5 o'clock with both local banks and the postoffice open during regular hours. Large signs on several establishments proclaimed they were "Closed in celebration of V-E Day." The Victory Sport Shop had the most original and animated window display in town with a profusion of newspaper front pages screaming with such headlines as "Peace", "War is Won", "V-E Day", etc., interspersed with small American flag drums and significant symbols.

The declaration of V-E Day culminated five years and eight months of bloody conflict throughout the continent of Europe. With it came an automatic suspension of the brown-out with the result that on Tuesday night the State Theatre marquee once more blazed forth its scintillating message in multi-colored lights. Merchants' windows, long dimmed, were again profusely lighted as were outside electric and neon signs.

Although the lifting of the midnight curfew and race ban had not been announced when this was written, they were both expected momentarily.

Girls Chorus

(Continued from Page 1)

Blue Gown, from Irene, soprano; Alice Lindell, Marjorie Bigelow, second soprano; Ruth Lewis, Betty Jane Bennett, alto; Delena Amoroso, Jeanne Weaver.

III — Chorus — Three of Fred Waring's arrangements. (1) When Johnny Comes Marching Home, (2) The Time is Now, (3) This Is My Country. The Star Spangled Banner.

Members of the Chorus are: soprano — Joan Pickett, Rose Mary Hinkle, Betty Lindell, Elizabeth Ann Tweed, Edna Zimmer, Edna Lindell, Vernie McAllister, Janet Eastburn, Betty Jo Rector, Bonnie Cullen, Doris Meeds, Helen Walker, Ann Cataldi, Marjorie Bigelow, Esther Fletcher.

Second soprano — Mary Bonnie George, Evelyn Lockhart, Joan Brown, Sally Golder, Betty Jane Burnett, Ruth Lewis, Helen Morgan, Altos — Esther Fouracre, Dot Keeley, Helen Pugh, Jeanne Weaver, Louise Marousek, Evelyn Stanley, Delena Amoroso, Mary Lou Wetzel.

OPA To License Local Slaughtering After May 14

The order providing for licensing by the OPA of local slaughterers, effective last week, will become operative May 14 when the new licenses are issued.

Charles W. Hardesty, Delaware district OPA director, said all existing War Food Administration licenses and permits which have controlled slaughterers' activities are revoked.

Slaughterers are expected to operate as usual until the OPA issued its licenses.

The OPA will license Class 2 Slaughterers, those selling non-federally inspected meat. Larger meat markets, which slaughter their own meats, are in Class 2. Farmers who are in Class 3, will be given permits by local ration boards.

Increased shortage of locally produced meat is expected as a result of the new OPA licensing orders, but the spread of meat in the area and throughout the country will be more even.
