## ALISON ASSOCIATES

The Alison Associates is the organization on campus of Presbyterian students. The purpose is to study Presbyterian beliefs and doctrines and to strengthen the student's contact with the church.

This year, the club, which meets every other Tuesday night, brought in a series of guest

speakers. Other meetings consisted of religious movies, discussions on pertinent topics, and missionary meetings.

The social activities have included Hallowe'en, Christmas, and other parties; skating get-togethers, square dances; and the annual spring picnic.

## CANTERBURY CLUB

The Canterbury Club is an organization of Episcopal students. This year has been one of steady growth both in purpose and membership.

The programs have been interesting and diversified. Visiting clergy as well as faculty members have participated in many meetings. Students

were invited to attend the School of Religion for the Diocese of Delaware. Communion was held every Wednesday morning and the corporate communions and breakfasts were very well attended. In November the second annual banquet was held in Old College.

### WESLEY CLUB

The Wesley Club is the organization for Methodist students and their friends. It seeks to provide the student with a program designed to increase his understanding of Christian faith, develop worshipful attitudes, provide a fellowship of like-minded persons, offer creative recreation, and lead students to commitment of the whole life to a Christ-like way.

Some of the Club's programs and activities include an annual Christmas play and party, a spring banquet, and several seasonal parties. Weekly programs include guest speakers, religious movies, and discussions of problems especially important to Christian students.

### HILLEL COUNSELORSHIP

The Hillel Counselorship represents the Jewish community within the college community. Its program, which is under professional direction for the guidance of Jewish students, is rounded out to provide cultural and social as well as educational and academic development. Its aim is to prepare

Jewish youth for participation in Jewish life.

Hillel, as the Jewish college community, is, therefore, a volunteer organization open to all—for the benefit of the college community, the American community, and Judaism as a whole.

## UNIVERSITY RELIGIOUS COUNCIL

Pictured above is the University Religious Council. The purpose of this Council is to facilitate cooperation among its member groups where such cooperation will promote the maximum effectiveness of each group and the interests of the University as a whole. John Halloran, Earl Tull, Sarah Bluestone, and Mr. Herbert Finch are the officers of the Council.

Chairman	Donald Vansant
Vice-Chairman	Richard Mattis
Secy.-Treas.	Ruth Anne Webb

The Friends Fellowship, pictured below, is a comparatively new organization on campus. The members are University Friends and other interested persons who meet together every other Tuesday to increase their understanding of testimonies and practices of Friends. Through an exchange of ideas, the group met under the guidance of Dr. Mary Russell and occasionally Wilmington Friends joined in. Activities have included a group supper, Freshman Party, vespers, and attendance at Wilmington Meeting.

## INTER-VARSITY CHRISTIAN FELLOWSHIP

The Delaware Inter-Varsity Christian Fellowship is an inter-denominational international organization of Christian college students. It is one of the many chapters of the international organization

whose student movement is located on campuses of colleges in fifteen different nations.

The emphasis of the Inter-Varsity Christian Fellowship is aimed to help the student spiritually.

## NEWMAN CLUB

The mantle of the illustrious Cardinal Newman reaches the University of Delaware campus through the religious club for Catholic students which bears his name. The purpose is threefold: religious, intellectual, and social. The club is under the direction of the officers, the executive committee, and a faculty advisor, Mr. Edward Olowinski.

In addition to regular weekly meetings, which

alternate between religious discussion and combined business and social gatherings, the club sponsors the Harvest Hop, two Communion breakfasts, a mission, two picnics, and was represented in intramural sports in both girls' and boys' basketball. The club's Christmas and St. Patrick's Day gatherings are campus events.

## THE MUSIC DEPARTMENT

Music classes, the A Cappella Choir, the University Band, the newly formed Men's Chorus, the Brass Sextet and the Music Club are all activities sponsored by the Music Department which has been extremely active this season.

One of the highlights of the year was the Second Annual Contemporary Music Festival on December 2 which featured distinguished guest composers. The Delaware Philharmonic Symphony Orchestra under the direction of Jay Blackton, and the A Cap-

pella Choir, directed by Mr. Marvin Fennema, performed the works of these composers.

For the annual Christmas presentation, the Christmas portion of Handel's "Messiah" was performed by the A Cappella Choir and the Wilmington Symphonette. In addition to these activities, the concerts of the band, A Cappella Choir, and Men's Chorus both on campus and on tour throughout the state have brought music not only to the University campus but also to the people of Delaware.

## MUSIC CLUB

The Music Club was organized in November, 1949, with the twofold purpose of providing an opportunity for those interested in music to meet together and of promoting more musical activities on the campus. Highlights for 1950-51 included:

Atsuko Fennema, soprano; Woodwin Quintet from West Chester State Teachers' College; and an "Open House" for high school students interested in music.

The University band offers all students who play band instruments an excellent opportunity to play and perform the finest in band music, and during football season to learn the intricacies of marching band formations.

In 1950 the band experienced its best marching season since its organization five years ago, and is looking forward to a concert season as successful as that in the winter and spring of 1950 in spite of being limited to two to three 50 minute rehearsals a week.

Under the direction of Professor J. Robert King, the organization has grown from a membership of about 25 in 1946 to its present strength of 60. All students of the University are eligible to join, and at the present time band members are majoring in fields ranging from engineering to home economics as well as music.

The band appears at many functions. During the football season it performs for all the football games, including all of the "away" games, which included trips to Lehigh, Muhlenberg, and Temple this year. In addition the band plays for many of the pep fests, participates in several parades in the town of Newark, and plays at several of the basketball games.

As a concert band, the group presents several concerts "on campus"—highlighted by the two outdoor concerts on the Library steps on Sunday afternoons in May. Each year the group also makes an all-day concert tour of Delaware presenting three concerts at various high schools in the state. In its last appearance of the school year, the band provides the music for the Commencement Exercises in June.

At various times during the year, brass and woodwind ensembles composed of band members present concerts in Mitchell Hall or in Brown Hall Lounge.

In recognition of service in the band, a special service award is presented to all band members who have served at least three years with the band. Approximately 40 will have received this award by June, 1951.

Membership in the A Cappella choir is on a very competitive basis again this year. The result is a group of sixty undergraduate students capable of performing some of the finest in choral music—both sacred and secular.

The choir participated in the "Messiah," the Contemporary Music Festival, and several other music department activities as well as giving numerous shorter concerts and two full-length concerts at the University and at nearby schools and institutions.

The event of the year, as eagerly anticipated by the choir members as by the audiences of the state who hear them, is the annual three-day concert tour of the choir to schools throughout Delaware in the spring.

The choir, along with all the other organizations of the music department is having one of its finest seasons and is looking forward to an even more expanded schedule and program in the future.

### ACTIVE YOUNG REPUBLICAN CLUB

In the past two years, this group of approximately a hundred men and women students has participated actively in the State Republican organization. There have been university A.Y.R. delegates at every meeting of the Board of Directors of the State Federation of Active Young Republican Clubs.

The states of New York, New Jersey, and Delaware, which comprise the Eastern Regional Section of the National A.Y.R. Federation, held a regional convention in New York last December. The Uni-

versity of Delaware A.Y.R. had an active part in this important convention.

The University A.Y.R. played a very active role in the Republican State Campaign of 1950.

This political organization is authorized under the University's Committee on Organizations. Herbert H. Finch, the faculty advisor, holds a prominent position in the state organization; he is the first Vice-President of the State Federation of Active Young Republican Clubs.

### THE YOUNG DEMOCRAT CLUB

The Young Democrat Club consists of students on campus who are interested in the state Democratic organization. They have participated in con-

ventions, and have had an active part in the Democratic State Campaign of 1950.
