Local Ground Observer Corps To Take Part In Test Program

Complete Record Of All Flights Over Area Will
Be Transmitted To Filter Center In
Mock Alert Program

Newark's ground observation posts at Milford Cross Roads and Glasgow will participate in a test program on Saturday between the hours of 8 a.m. and 3 p.m. when, in cooperation with all ground observer posts in New Castle County, all plane flights through the area will be charted and reported to the filter center.

Dr. Carl J. Rees, who has recently been named chief supervisor of the ground observer corps in New Castle County, and Col. Farragut Hall, field representative of the department of civil defense, will carry out an inspection of the observer posts in the county during the exercises on Saturday.

The entire program is sponsored by the Army Air Force in an effort to check on the efficiency of the civilian observers and will keep a record of the flights over the area in order to ascertain the percentage of flights observed and identified.

At a recent instruction meeting at the Newark High School, Maj. Parachute Ballis, ground corps coordinator assigned by the Eastern Air Defense Force, explained the great importance of the civilian observers in the defense structure. He pointed out that there are not enough radars in operation to cover every avenue of approach of attacking planes and that due to this inability of radar to do a complete job, it is extremely necessary that enough citizens of each community volunteer to take part in this important operation.

Training courses will be held in the near future in each area to instruct the supervisors, chief observers, and members of the observation posts in the duties and responsibilities involved. Following the meeting at Newark High School, sixteen members of the senior class volunteered to take part in the program and have been assigned to the station located at Milford Cross Roads for the exercises on Saturday.

Homer Dehority, chief observer at the post, stated that although many people in that area are taking part in the ground observation program at this time, there is a need for more if the post is to be kept in operation on a 24-hour basis.

Those members of the Newark High School who have volunteered to take part in the program are: Frank Beers, Richard Beldyk, Howard Burk, David Darnick, Paul Fair, Sam Gray, Jack Harvey, Allen Huebner, Albert Jerzyk, Ferris Lee, David Mackay, Norris Smith, Glen Skinner, Frank Stewart, William Wetzel, and Henry Willis.

Proposed Extension Of Delaware Avenue Off Until Summer

City Supervisor Suggests
Temporary Paving Of
Cleveland Ave.

According to the latest word from Francis Neide, city supervisor, the bumper to bumper tie-up of traffic occurring these days on Main Street during the morning and evening rush hours will probably continue well into next summer.

Although the State Highway Department has approved plans for the extension of Delaware Avenue to Capitol Trail, city officials have been notified that work probably won't start until the next construction period.

Mr. Neide has suggested that by laying down gravel on the present dirt extension of Cleveland Avenue, now meeting with Capital Trail, a temporary relief may be given to the crowded conditions along Main Street.

Even though the plans for the improvement of the Cleveland Avenue extension were submitted to the State Highway Department at the same time as those pertaining to Delaware Avenue, they have not been approved. Mr. Neide stated that the state may be willing to help in carrying out the proposed to lay stone or gravel on the unpaved portions of Cleveland Avenue.

Funeral Services Held For William Little, Mill Creek

William Little, 91, lifelong resident of Mill Creek Hundred, died last week at the Maple Crest Nursing Home.

Mr. Little, who had been an invalid for nearly 30 years, was a retired carpenter and butcher in Mill Creek Hundred. His wife, Mrs. Ida Little, died in 1929. Since her death he had made his home with a daughter, Miss Laura H. Little, in Mill Creek.

Also surviving are another daughter, Mrs. J. H. Mitchell, Stanton; two sons, T. Harold Little of Newark, and J. Herman Little of Walnut Creek, Calif.; five grandchildren and six great-grandchildren.

Funeral services were held Monday at 12 p.m. at the R. T. Jones Funeral Home, Newark, with interment in the White Clay Creek Cemetery.

Levy Court, Du Pont Legal Dispute Will Be Argued In Court

Payment of Building And
Plumbing Permits Is
Point Of Issue

The legal dispute between the Levy Court and the DuPont Company over the company's efforts to require building and plumbing permits for the new \$3,500,000 Louviers Building at Milford Crossroads will come up December 19 in the Court of Chancery.

At that time, the Levy Court will ask dismissal of the company's case. The Levy Court first attempted to issue stop orders forcing a hold-up in the work on the DuPont building. The company filed a court motion asking a restraining order against the action of the Levy Court. The restraining order was signed by Vice-Chancellor Howard W. Brannan and permitted work on the office building to continue. The company also asked for an injunction permanently barring the Levy Court from requiring that building and plumbing permits be obtained and from interfering in any way with the progress of construction.

The Levy Court has asked that the company's entire case be dismissed. Du Pont claims that the Louviers Building is legally exempt from the statute requiring building and plumbing permits because the building will be used in an industrial capacity.

The company says the building's office workers will contribute materially and indispensably to the manufacture of Du Pont products.

The Levy Court insists the building is purely an office building and, therefore, comes within the statute.

The company's entire case be dismissed. Du Pont claims that the Louviers Building is legally exempt from the statute requiring building and plumbing permits because the building will be used in an industrial capacity.

Rev. Baker Advises AAUW On Housing

Discusses Housing Problems
In Community

In a speech at a meeting of the Newark branch, American Association of University Women, held in Warner Hall at the university this week, the Rev. F. Raymond Baker, chairman of the Wilmington Housing Authority, suggested that the people of Newark organize a group similar to the Citizens Housing Association which is functioning in the Wilmington area.

Discussing housing problems in a growing community such as Newark, Mr. Baker outlined the activities of the housing association and also explained the program of the housing authority.

Newark should have a housing authority created if it wishes to obtain public housing for low-income families, he said, pointing out that private industry has been unable to provide housing for the low-income group which is served by the public housing program.

Mr. Baker also stated that in the general effort to improve sub-standard housing, it is important to have a sanitary code and a health department willing to enforce the code. He also outlined the slum clearance and urban redevelopment program for which Delaware has enabling legislation.

Mrs. Ivan Parsons, social studies chairman, introduced the speaker while other guests at the meeting included Mrs. Wilmot Jones, chairman of the Citizens Housing Association; Samuel Homsey, chairman of New Castle County Zoning Commission, and L. A. Grettum, a member of the newly created Newark Planning Commission.

Gov. Carvel Will Be Guest Of Honor At Transportation Conference Here

Conference Speaker

Dr. Walter H. Blucher

Dr. Walter H. Blucher, executive director of the American Society of Planning Officials and the Association of State Planning and Development Agencies, will deliver the luncheon address at the conference on Delaware transportation at the University of Delaware Saturday.

Lions Club Guest

Robert E. Baynum

Public Invited To Youth Conference Here On December 8

Gov. Carvel Among Number
Of Eminent Delegates
At Luncheon

Governor Elbert N. Carvel will head a list of distinguished delegates to the Delaware Conference on Children and Youth which will be held at the University of Delaware on Saturday, December 8, 1951. The conference will be sponsored by the Delaware Commission on Children and Youth of which Mr. Thomas M. Mulrooney is chairman, in cooperation with the Institute of Human Relations of the University of Delaware. Dr. John Withall, Secretary of the Institute and Associate Professor of the School of Education, is serving as Co-Chairman for the conference on December 8, with Mr. Mulrooney.

This Conference is planned to provide an opportunity to follow up on the activities of the Midcentury White House Conference on Children and Youth and to evaluate what Delaware is doing for its young people in the development of healthy personalities and responsible citizenship.

The findings and recommendations of the Delaware White House Conference will be reviewed to discover what has been accomplished and what remains to be done. Priority items then will be forwarded to the Delaware Commission on Children and Youth for the guidance of its future program.

The public is cordially invited to attend. Luncheon will be served at the university at the cost of \$1.50 per person.

Edward F. Matthews To Speak To Bankers

Edward F. Matthews, treasurer of the Newark Trust Company, will be the guest speaker at a special meeting of the Banking Club of the University of Pennsylvania to be held in Houston Hall, Philadelphia, Pa., on Thursday evening, December 13.

Mr. Matthews is a graduate of the Wharton School of the University of Pennsylvania, and a past-president of the Banking Club. He is also a past president of the Philadelphia Chapter, American Institute of Banking. For many years he was active in the debate section of the Philadelphia Chapter and the Evening School of the university.

The topic of Mr. Matthews' address will be "The Dilemma of the United States Treasury and The Federal Reserve System."

Newark Lions Club Celebrates On Its 23rd Charter Night

District Governor Baynum
Congratulates Club On
Fine Work

A capacity crowd was on hand Tuesday night at the Newark Country Club to help the Newark Lions Club celebrate its 23rd anniversary at the club's annual Charter Night banquet.

In addition to more than sixty local members and their wives, several honored guests from nearby Lions Clubs were present including Robert E. Baynum, district governor of District 22-D, Lions International. Mr. Baynum, a member of the Milford Lions Club, is an alumnus of the University of Delaware, where he was a member of Kappa Alpha fraternity.

Introduced by Lion Hardy, who acted as toastmaster, Mr. Baynum congratulated the Newark club on its continued growth and good work and wished them many more happy anniversaries.

He also presented an award to Lion Wayne Brewer for the outstanding achievement of having a perfect attendance throughout the past 23 years as a member of the Newark Lions Club. He also presented membership certificates to new lions, George Stover and Jim Manning.

One of the highlights of the program was the calling to the speaker's table by Toastmaster Hardy of eleven past presidents of the organization who were present. They were: John Fader, Frank Fader, Alex Cobb, Wayne Brewer, Arthur Tomhave, Paul Lovett, Fred Evans, Dan Stoll, T. D. Smith, Bill White, and William Marra.

The celebration was concluded with a session of group singing led by Charles Southwell, and a variety entertainment featuring a young acrobat, a magician, and a strip tease by a wooden marionette.

Soroptimist Club Entertains Rotary At Dinner Meeting

Mrs. Pluma Batten Speaks
On Aims And Interests
Of Soroptimists

The Soroptimist Club of Newark entertained the Rotary Club at dinner at their regular meeting in the College Inn on Tuesday evening. Mrs. Anne Himmelberger Longenbach, president of the Soroptimist Club, presided. Mrs. R. S. Lindsey, accompanied by Mrs. E. J. Frutchey, sang two solos. Wilma Owen, president of the Salem County Soroptimist Club, was a special guest bringing greetings from her club to the Newark one.

Miss Edna Campbell, chairman of the service committee, presented as speaker of the evening, Mrs. Pluma Batten, second vice president of the American Federation of Soroptimist Clubs. In addition to her office in Soroptimist Clubs, Mrs. Batten is supervising principal of the Burroughs and Township Schools of Woodstown, New Jersey.

The theme of her talk was why the Soroptimists, a group of business women, have as their main objective, service to the community in which they live. She pointed out that because of the inventions of man, the function of woman as the major-domo of the home has been changed. So, to compensate for the loss of the many duties that filled the life of the woman of the years gone by, she has found occupations outside the four walls of her former domain. Her home has now become the community, and she is interested in making that community a better place in which to live. Hence her club and its service program.

The next regular meeting of the Soroptimist Club will be held on Thursday evening, December 6 at the College Inn at 6:30. The announcement of the Christmas meeting will be made later.

Lack Of Wiring Is Delaying Building

New Building At Newark High
Needs Little Work

The need of a few hundred feet of electric wire is holding up the completion of the new shop-agriculture building on the Newark High School grounds, according to Wilmer E. Shue, district superintendent.

Until this wire is received the oil furnace cannot be operated, and until the oil furnace is operating the wood flooring cannot be laid, and until the floor is laid, naturally the building cannot be completed.

Federal priorities on the material have been obtained by the school officials and now the only question is when the material can be delivered. The building, which was begun last summer, was scheduled for completion early this fall, but due to these material shortages, one delay after another has followed. Mr. Shue estimates that only about two weeks more work remains to be finished once the critical materials are delivered.

Mayor Johnson, Dr. Perkins In Agreement On Parking Problem

Mayor Announces That New Ordinance Prohibiting
Parking On W. Delaware, Amstel Ave. And
Kent Way To Be Read

Newark Post Office Will Be Open On Sunday, Dec. 16 To Handle Christmas Mail

In anticipation of the pre-Christmas rush on mailing facilities, Postmaster F. Allyn Cooch, Jr., has announced that the Newark Post Office will be open for the convenience of the public on Sunday, December 16, between the hours of 1:30 p.m. and 5 p.m.

In his statement Mr. Cooch states that parcel post as well as letters and cards will be accepted, and the parcel post and stamp windows will be open during these hours.

Although there are no definite plans at this time, Mr. Cooch said that if the situation requires it, the Post Office will also be open on Sunday, December 23.

Mayor's Committee Will Aid Newark's Needy At Christmas

Saturday, Dec. 15, Boy Scouts
Will Start Collecting
Food For Drive

"No Forgotten Families" is the motto of the Newark Mayor's Community Christmas Committee under the chairmanship of Mrs. J. Harvey Dickey.

Mrs. Dickey, general chairman of the drive, who has directed the distribution of Christmas baskets to the needy families of Newark for more than twenty years, reports that generous contributions have already been promised by several of the local organizations.

Saturday, December 15, has been designated as the date for the door-to-door collection of food by the Boy Scouts of America with which to stock the baskets.

Mrs. Henry Wolfe is in charge of the committee, arranging for the collection of toys to be used in the baskets. She reports that the Girl Scouts and Cub Scouts are cooperating with her committee in collecting and making toys in an effort to see that every needy child in the community will have at least one toy at Christmas time.

Assisting Mrs. Dickey and Mrs. Wolfe is a group of volunteers under the direction of Mrs. Alan Colburn and Mrs. Robert Lewis.

Names of families needing help in this way are submitted to the Mayor's Committee by the local doctors, Miss Alice Leck, Newark's visiting nurse; Mrs. Martha Coverdale, school nurse; and the New Castle County Health office.

The American Legion has offered the use of their building as a headquarters to be used in sorting and packing the baskets and the City Council will again provide transportation for distributing the baskets.

School Officials Plan 'Open House'

Redecorated Main Street
Bldg. Open Dec. 5

Newark school officials have announced that plans have been completed for the "Open House" to be held at the old Main Street grammar school building on Wednesday, December 5, between the hours of 3:30 to 4:30 in the afternoon and 7 to 8 p.m.

The building which has been occupied recently by six fourth grade groups from the Elementary School building was completely redecorated on the inside and school officials are anxious to have all members of the community see the excellent results. They are particularly anxious to have those "old timers" who attended the school in the past see the modern version.

The building was first used as a grammar school back in 1884 and has not been used for classrooms, except for shop courses, since about 1927. Due to crowded conditions the fourth grade students were recently moved into the building and Miss Margaret Morrison has been named principal.

The parking lot in the rear of the building has been taken over by the school authorities to be used as a playground. Parking will be allowed in the lot after school hours and on weekends. A fence and gate will be installed along the part of the lot bordering on Delaware Avenue to protect the children while at play.

BIRD CLUB MEETS

The Newark Bird Club will meet on Wednesday evening, December 5, at 8 o'clock at the home of Mrs. E. W. Steedle in Delaware City.

Mr. Henry Cofer of the U. S. Wildlife Service will speak to the members and their guests. Anyone who needs transportation is asked to call Newark 2-6305 this weekend and arrangements will be made.

In acknowledgment of Mayor Wallace Johnson's commendation and support of the university's current effort to meet the parking problem, Dr. John A. Perkins, president, said this week, "We are all appreciative of Mayor Johnson's support and encouragement of our concerted effort to correct parking abuses on university property and throughout the community area adjacent to the university. More automobiles mean more thoughtfulness and consideration of our neighbor's safety and comfort by all of us who drive them. Certainly this parking problem at the university and throughout the Newark community must be met and controlled. The members of the university family welcome the cooperation of our Newark neighbors in our effort to do this job."

Dr. Perkins was referring to a statement made earlier this week in which Mayor Johnson said, "I congratulate the University of Delaware on its definite action in meeting this parking problem. As mayor, I am very pleased to see some action along these lines."

The parking regulations put into effect recently are aimed at preventing parking in certain restricted areas, both on campus and off, and any violators, including students and faculty, have been summoned before school authorities and fined.

In the time since these regulations have been in effect more than 100 persons have been given parking tickets. Many have refused to pay the fines and Dr. Francis H. Squire, dean of the University of Delaware and chairman of the Committee on Student Personnel Problems, has declared that the new parking regulations will be enforced and fines assessed until such time as there is an improvement in the parking situation at the university.

In commenting on the appeals made by the students and faculty of the fines levied against them, Dr. Squire said that, "The committee will take"

Silver Brook Homes Inspected By More Than 1000 Persons

Some Of Eight Homes Now
Under Way Will Be
Ready Soon

More than 1000 persons have inspected the sample house in the Silver Brook Development on South College Avenue since it was first opened to the public less than two weeks ago, according to Hugh F. Gallagher, Jr., president of the development organization.

The Silver Brook section of Newark was laid out to provide for the erection of 52 brick ranch-type homes, it has been announced previously.

In addition to the completed sample house, eight other homes on the site are in various stages of construction, with some of them to be ready for occupancy in December, Mr. Gallagher stated.

"The public's response to our offering of these modern, moderately-priced homes in Silver Brook has been little short of amazing," said Mr. Gallagher.

"The fact that several of the houses under construction have already been purchased and a number of choice building sites sold, is a substantiation of the fact that fine, new homes within the price range of most people are needed in Newark. It also confirms my belief that home-seekers recognize the real value offered in the Silver Brook Development," Mr. Gallagher added.

His only present concern, Mr. Gallagher said, was that shortages of critical materials and possible new restrictions on home building might later require the use of substitute materials. "Copper piping and other desired construction materials of top grade can be obtained now," he said, "for all houses under construction and on order. For those who unduly delay their purchase of a home in Silver Brook we may have to provide substitute materials."

Patriotic Program Presented By Legion

A talk by W. Floyd Jackson on the subject "The Threat of Communism in World Government" highlighted a joint "Americanism" program held this week at the American Legion home on Delaware Circle.

The meeting, a joint affair sponsored by the Legion and the Legion Auxiliary, was under the direction of Robert Plinick, Legion commander, and Mrs. Conrad Lewis, Sr., Auxiliary president.

Paul D. Lovett, chairman of the Americanism Committee, introduced Mr. Jackson and Charles Southworth led the group in singing accompanied by Mrs. Jackson at the piano.

The meeting was concluded with the serving of refreshments under the capable direction of John E. Fisher,

YELLOWJACKET HIGHLIGHTS

By the Journalism Class
Editor, Arthur Boulden

Student of the Week—David Hurn
David Hurn came to Newark during the summer of 1951 and is known throughout the school for his ability to cut up in class and get away with it. Dave was born on October 27, 1935, in Altoona, Pennsylvania. Now a junior in high school, he takes his scientific course and says that "after school" is his favorite subject. Before coming to Newark, David attended Glen-Nor High School at Norwood, Pennsylvania. Upon graduating he plans to go to college. His ambition is to make a lot of money and participate in sports. At present, Dave is defensive right half-back on the football team, plays center in basketball, and first base in baseball. Of these, he is most interested in football. Photography is his hobby and he acts as photographer for the Yellow Jacket Buzz. Dave stands six foot one and a quarter inches, weighs one hundred sixty-nine and a half pounds, has blue eyes, and blonde hair. When asked what he thinks of going steady, Dave replied, "I don't think about it." His pet peeve is wind sprints. Although Dave claims he has no spare time he can usually be found with "Babe" Townsend and other members of the "Clan."

Trio To Entertain High School Pupils Tomorrow
Jascha Fastofsky, concert violinist, Vera Fastofsky, teen-age pianist, and William Eder, cellist, all combine to make up the Fastofsky Concert Trio. The trio is coming to the Newark High School on Friday, November 30th at 11:15 a.m. to present a special assembly, sponsored by the Antrim Lyceum Bureau, to the students of the Newark High School.

Dr. Everett Hallman Speaks At Thanksgiving Assembly
Newark High School's Student Council presented the annual traditional Thanksgiving assembly on Wednesday, November 21, in the school auditorium. Richard Dayton, President of the Council, presided and introduced the guest-speaker, Dr. H. Everett Hallman, the school service pastor for the year. Dr. Hallman spoke of our blessings which so many take for granted. He mentioned our privileges such as our opportunity to attend school, make our own choices, and join in giving thanks.

After the usual opening exercises Richard Dayton read President Truman's 1951 Thanksgiving proclamation. This was followed by David George's reading of Governor Carvel's Proclamation for the State of Delaware. The mixed chorus led by Mr. Ernest Wilder sang several appropriate selections including "Faith of Our Fathers," "America the Beautiful," "God Bless America," "This Is My Country" and "Come Ye, Thankful People, Come."

Class Of 1954 To Hold Class Party On December 7
David Dianich, President of the Sophomore Class at Newark High, called a special meeting of the group last Monday at 10:25 in the new cafeteria to discuss plans for a class party. Date, time and program were discussed at the meeting. December 7 was the date decided upon for the annual party. Since the freshman and sophomore classes are very large this year, the group decided to hold their party alone. Suggestions were made for entertainment at the party and the class voted to charge each sophomore who attends a \$25 fee. David Dianich announced that committees would soon be named to plan details of the party.

Other business to come before the special meeting was the matter of class dues. Due to the uncertainty of future senior trips, the students were reluctant to tax themselves with high dues at this time. A motion was made and passed that the discussion of amount of dues be continued in the five sophomore homerooms at a later date.

The President called upon Mr. Gilmore Ott, a homeroom sponsor, to present a project to the class. Mr. Ott reviewed plans initiated last spring concerning the overall plan for landscaping the area around the high school building, the New Agriculture and Arts Building, and the athletic field. Mr. Ott asked the Class of 1954 if it might be willing to present the school with a tree to be placed on the field as a special gift in the name of the class. The class voted unanimously to sponsor the gift of a tree, leaving the choice of the type of the tree to the committee of biology students already working on details of the landscaping.

Plastic Club Draws Large Group
Mr. John Leland, our new shop teacher, has introduced something new this year in school. It is a Plastic Club. This club is in full swing and meets every Tuesday and Thursday during activity period. This club is making a wide variety of useful things such as key chains, earrings, brackets, letter openers, name pins, and other useful articles out of a variety of colored plastic materials.

The dues for this club are a dollar a semester which will be collected by the treasurer. The dues are needed to help furnish the proper machines. Most of the machines consist of many different tools like jigsaws, highspeed drills, and polishing buffers which are owned by Mr. Leland.

The club is overcrowded but the members are making the best they can

with their equipment until they move into the new shop building. Mr. Leland said that the boys and girls are very co-operative and are taking a big interest in the club. He is very proud of this club because the boys and girls who are restless in other classes can't wait until class time to work on their projects.

Mr. Leland earned his way through college as a plastic router doing his work in his workshop at home. His interest is in promoting the creative ability of the individual student.

Student of the Week—Verna Godwin
Verna Godwin, a senior at Newark High, stands five feet, three inches tall, weighs 120 pounds, has brown hair and brown eyes. Born in Newark, Delaware, on September 26, 1934, she has attended the Newark schools all of her life. Verna's favorite sport is football which she follows avidly every fall. Her particular activity each year is the band and her hobby, dancing. Verna is taking the general course and says that her favorite subject is shorthand. At present her plan is to work as a secretary after completing her senior year in June 1952.

She suggests sport clothes for most occasions. Verna indicated to me that her pet peeve is boys who drink alcohol. Going steady suits her alright but she believes you must find the right one first.

Helen Samendinger To Discuss Trip At Annual 4-H Banquet
Achievement Winners Will Be Honored At Affair In Middletown

The annual New Castle County 4-H Recognition Banquet will be held at 7:00 p.m., Tuesday, December 11, in Middletown High School. It was announced today by Maurice B. Field, New Castle 4-H Club Agent. The 4-H Junior Council and the County Chapter of 4-H Links are the co-sponsors. Roast turkey dinner will be served by the Home-ec. class of the school. Tickets are available through the club leaders. Members, parents and friends are invited.

Mr. Harry Cloud, State 4-H Link president, will be toast-master. Helen Samendinger, Newark, Delaware's International Farm Youth Exchange Delegate, will tell of her experiences in Germany this summer and show slides to illustrate her trip. The leaders and achievement winners in the county will be honored for their year's work.

Entertainment will be furnished by Elmer Adams, a popular folk singer and guitarist, and club member Irvin Klair and his father, Mr. Marvin Klair. Forest Oak Club leader, will present selections on the xylophone. The Links will present each leader attending with a flower. They also will conduct their traditional candle-lighting ceremony at the close of the evening's program.

The program committee is composed of Vaughn Fox as chairman and Helen Jane Leasure, Louise Goff, Dorothy Pierson, and Delores Lloyd as members. The decoration committee consists of William Redding, chairman, Judith Lane, Wilma Kleimann, Irving Thorpe, Sam Smith, and Peggy Woerner.

Robin Hood Players At Playhouse With Kaufman-Hart Play

"George Washington Slept Here" Will Open On November 27

The Robin Hood Theatre Company goes into the fourth and final week of its November season at The Playhouse in Wilmington on Tuesday, the 27th, when they open in "George Washington Slept Here." The rollicking Kaufman and Hart comedy hit follows to The Playhouse stage the current production of "Detective Story," the top-flight dramatic hit which closed only recently on Broadway. Both are being presented at popular prices by Director Windsor Lewis.

Any man who can't seem to do anything right in the eyes of his wife will be able to sympathize with Newton Fuller of "George Washington Slept Here." He buys a stone farmhouse in Bucks County as a surprise for his wife because it is rumored that the first president once stayed overnight there. However, his wife is not pleased, but only because it proves to be Benedict Arnold rather than Washington who had slept at the farm, but also because there's a large hole in the roof, only one wall in the kitchen, and no plumbing, heat or water. So Newton Fuller runs into debt; mistakenly drills for water on an unfriendly neighbor's property; has to contend with a miserly visiting uncle and an obnoxious teen-age nephew, and goes properly to pieces when his daughter decides to run away with an actor from a nearby summer theatre company. There is a happy ending, which would seem impossible, but not before further hilarity reigns in the Fuller house of nightmares.

John Drew Devereaux and Cynthia Rogers will be appearing as the Fullers, with Jacqueline Holt as their daughter and Robert Ludlum as her fiancé. Howard Morton, Alan Furlan, and Mary Diveny will play troublesome neighbors; John Dorman, the tight-fisted uncle, and Laura McClure, the theatre company's leading lady. "Detective Story" is being staged nightly at 8:30 through Saturday, the 24th, and in matinee Saturday at 2:30. "George Washington Slept Here" opens its week's run Tuesday, the 27th, with the final curtain falling on the play and the season on Saturday, December 1st.

Department Store Sales In October Exceed Last Year

Department store sales in October exceeded those of a year earlier for the first time since May, according to the Federal Reserve Bank of Philadelphia. However, seasonally adjusted sales for the district showed a drop of 4 percent from the preceding month. Last year, a decline of 10 percent occurred from September to October. Business for the first ten months of this year showed an increase of 4 percent over the comparable 1950 period.

Preliminary figures on departmental sales indicate that most major divisions shared in the gain over 1950. Activity in small wares and home furnishings failed to increase, but managed to equal that of last year. Inventories held by department stores were reduced substantially during October. By the end of the month, for the first time since March 1950, stocks were below year-ago levels.

Monterey Legacy, Daughter Of Langwater Stardust, Set Milk Record For Guernseys

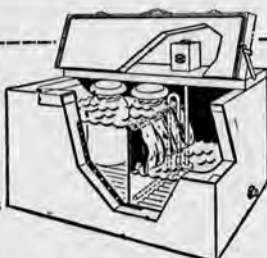

A registered Guernsey cow, Monterey Legacy, owned by Howard J. White, Middletown, Delaware, has completed an official Advanced Registry record of 10,574 pounds of milk and 535 pounds of butterfat on three times daily milking for a ten-month period starting her record as a junior 2 year-old.

"Legacy" is the daughter of the outstanding Guernsey sire, Langwater Stardust, that has 10 daughters in the Performance Register of The American Guernsey Cattle Club.

This record was supervised by the University of Delaware and was reported to The American Guernsey Cattle Club for approval and publication.

The Fourth Estate is a term which refers to members of the Press.

Alice Mary Dennison, youngest daughter of Mr. and Mrs. Samuel S. Dennison of Yorklyn Road, is in Chicago this week at the National 4-H Convention. She won this award by capturing the first prize in the state dress revue. Ever since she became a member of the Y's Owl group, sewing has been her project. She has won several previous prizes but this is her first time to Chicago. In 1952, she will serve her club as secretary.

Mr. and Mrs. Horace F. Dennison were among the guests at the 50th wedding anniversary celebration of Mr. and Mrs. Joseph Good of Oxford, Pa., on Thanksgiving Day.

Pleasant Hill

On Thanksgiving Day dinner was enjoyed at the home of Mrs. Edith Patterson by the following: Miss Edna Chambers, Mr. Oliver Appleby, Mr. and Mrs. Albert Stephenson, Mr. and Mrs. Norman T. Dempsey and sons, Tommy and Rodney, Mrs. Louise H. Dempsey, Gene Dempsey, Miss Ann Johnson, Cadet Marvin Patterson, Miss Rebecca Wollaston, Mr. and Mrs. Walter Patterson and sons.

Ebenezer Methodist Church

The MYAF meeting, planned for last Sunday evening was postponed until this Sunday at 8 p.m. at the home of Mrs. Charles Nelson.

The worship service with Dr. George Seidel as guest speaker has been shifted from Dec. 2 to Dec. 9. The Ebenezer Fellowship will have charge of the women's Society of Christian Service. The WSCS will hold a meeting tonight following the weekly prayer service. The devotional period will be conducted by this society. All WSCS reports are to be given before being sent to the district headquarters.

Parents, teachers, and friends are invited to the first church-school get-together which will be held Saturday at 8 p.m. There will be music, movies, and fun for all. This program is planned to acquaint parents with the working of the church school and more closely relate the home and the church. There will be three films shown including "The Twig Is Bent."

The Ebenezer Fellowship will hold a turkey dinner next Wednesday at 5:30 p.m. at the home of Mr. and Mrs. Joseph Brown to precede the December social meeting. Plans for the Christmas party at Gov. Bacon Health Center will be perfected.

Harmony School

The students started this week to prepare for their annual Christmas program which will be given Dec. 19 at the regular meeting of the Parent-Teacher Association.

The following Thanksgiving program was given prior to the two day holiday: President Truman's proclamation by Maryann Springer; telling of the first Thanksgiving by Warren McCall of 2nd grade and Robert Hahn of 1st grade. There were readings and singing by Barbara Cannon, 3rd grade; Nancy Barlow, 4th grade; Joyce Cannon, 5th grade.

The school won the attendance banner for October which makes the second month the school has claimed this honor. There was 100 percent attendance for the month.

Mermaid

Harmony Juvenile Grange will hold another square dance for the youth of the community on Dec. 8 at the grange hall. Election of officers will be conducted on Dec. 14. The young grangers will provide the Christmas entertainment for the senior unit on Dec. 17. The members drew names and will exchange gifts at this meeting. For the program, Billy Naudain read jokes, Betty Woodward, a poem, Sallie Evans played a piano solo as did Sandra Naudain, and Joanne Nowland read.

The Adult Grange at its meeting last week heard a talk and viewed pictures on the games in social conservation given by Clayton Hoff, of the Brandywine Valley Association. Appointment of the 1952 community service committee was made as follows: Mrs. Sara P. Evans, chairman, Mrs. Carence Aiken, and Robert M. Walker. The stuffed animal toys are to be completed by Dec. 3 according to Mrs. John Dennison, chairman. The grange will elect officers on Dec. 3 and Dec. 10 will be an extra business session. Worthy Master and Mrs. Edward A. Naudain will represent Harmony at the State Grange sessions Dec. 4-5 at Midland Grange in Georgetown, Mr. and Mrs. W. H. Naudain as state officers, will also attend the state meetings.

Mr. and Mrs. J. W. Pennington, William and Emilie Pennington were guests on Thanksgiving Day of W. W. Benard, near Eastburn Heights. William B. Pennington is spending this week in Morrisville, Pa., as the guest of his aunt, Miss Helen M. Pennington.

Red Clay Creek Presbyterian Church The Westminster Fellowship Groups went to West Nottingham Church Sunday night so that they might enjoy the sacred concert given by Princeton Seminary choir.

The basketball team has had a busy week. Monday night they played West Church team and Tuesday the Calvary Episcopal team. Both games were played in Wilmington.

The choir has begun practicing for a special Christmas music which will be given jointly with Greenhill choir on Dec. 19 at Greenville Church on Kennett Pike.

Advent Sunday will be observed on Sunday at the 11 o'clock services. The pastor, the Rev. T. Jamieson, will speak on "Preparing the Way." This evening the youth council will meet and plan for its Christmas activities.

Another community men's night program is being arranged for Dec. 6 at 8 p.m.

STOP THE KILLER

Five hundred thousand Americans now have tuberculosis and one person dies every thirteen minutes from the disease. You can help prevent tuberculosis by buying and using Christmas Seals. They support the year-round campaign of the tuberculosis associations to prevent and control TB.

Buy and Use Christmas Seals

The Women's Bible Class is preparing to spend Christmas cheer at the holiday season. Already a box of candy and personal gifts has been sent to the de Han family in Holland. This family has been a class project for two years. A yule party is to be taken to the patients at the Layton Home for Colored in Wilmington in charge of Miss Sarah Dennison. Assistance for two needy families was discussed and Mrs. Henry Gass, chairman of welfare committee, was chosen to investigate each group's needs. The annual class party will be held Dec. 12 at the church parlor. Mrs. Eileen Darrah will arrange the party. Each member will bring a gift for the exchange.

Corner Ketch

Mr. and Mrs. Ferris Dempsey of near Harrisburg, Pa., were guests last Saturday of Mr. Dempsey's mother, Mrs. Louise H. Dempsey.

Limestone Road

Mrs. Abner Woodward entertained guests from Audubon, N.J., on Thanksgiving Day.

Capitol Trail News

Marjorie M. Bishop, Correspondent

The many friends of Jacob C. Maclary, Capitol Trail, were shocked and grieved over the news of his tragic death on the highway near his home last Monday, November 19th.

Mr. Maclary, still active at 88 years of age, was a well-known farmer in the Marshallton area for many years, having retired in 1946. He was a member of the Stanton Methodist Church. The funeral was held on Friday, November 23rd with interment in White Clay Cemetery.

Mr. and Mrs. John Winter and children of Staten Island, New York, were Thanksgiving guests of Mr. and Mrs. Peter Furness, Capitol Trail.

Peter Furness, Jr. accompanied his father on a weekend trip to New York last week. Mrs. Della Othoson and sister, Mrs. Jane Chambers, near Stanton, enjoyed a trip to Lancaster, Pa., recently.

Thanksgiving dinner was enjoyed by a family gathering at the home of Mr. and Mrs. Amos Cattell, Polly Drummond Road. Those present were as follows: Mr. and Mrs. C. Gree-way and children, Patty and Nancy, of Philadelphia, Mr. and Mrs. J. O. Leonard and children Patty and Mike, of Metuchen, New Jersey, Mr. and Mrs. Harry E. Maxwell, Polly Drummond Road, Mr. and Mrs. Harry E. Maxwell, Jr. and daughter, Susan, Polly Drummond Road, and Mr. and Mrs. Harry Bickler of Collingswood, New Jersey.

Mrs. William H. Dean, Jr. and daughter, Donna, of Toms River, New Jersey, were guests of Mr. and Mrs. Raymond Benson, Capitol Trail, last Saturday and Sunday.

Mr. and Mrs. Raymond Benson and daughter, Romaine, spent Thanksgiving in Newark with Mrs. Benson's mother, Mrs. William Dean.

White Clay Creek Presbyterian Church Members of White Clay Church are proud of the service being rendered by the Youth Choir, under the leadership of Mrs. Paul Peach, Director. The anthem, "Come With Songs of Gladness" was sung last Sunday.

Rehearsals will be held each Monday at 6:30 p.m. from now until Christmas, in preparation for the Christmas music to be sung on Sunday, December 23rd.

The Adult Choir will rehearse on Monday at 7:30 p.m.

Miss Janet Allen, Moderator of the Youth Fellowship, reports a large attendance at last Sunday night's meeting, with new members welcomed. Guests from the Youth Fellowship of the Head of Christiana Presbyterian Church were also welcomed. All were challenged to greater loyalty to the church by "The Call" to Christian Service as presented by Robert Thayer, President of the Wilmington Youth Council.

Mr. Willard Johnston, Superintendent of the Sunday School, appointed the following committee to make recommendations to the session for the officers and teachers of the school for 1952: Mrs. Howard Bradley, Mrs. Nathaniel Richards, Mrs. Pusey McCormick, Mrs. James Bishop, Mr. Talbert Chalmers. The committee meets tonight (Thursday) at the home of Mrs. Bradley.

Mrs. Alice Hammell, chairman of the Ways and Means Committee of the Improvement Society, reports that a fund of more than \$80 was realized as a result of last week's food sale.

The December meeting of the Young Adult Fellowship will be held at the church, preceded by a turkey, covered-dish dinner, on Tuesday, December 4th, at 6:00 p.m. John Murray will lead the devotions. The program which includes the exchange of inexpensive gifts, is in charge of Henrietta Brown and Florence Maxwell.

The Refreshment Committee consists of Alice Hummel, Ralph Larson, Mrs. Bishop and Paul Beach.

Next Sunday, the First Sunday in Advent, marks the beginning of the Christmas season. The Sunday School meets at 10:00 a.m., church service at 11:00 a.m., with the pastoral message on "The Christ of Common Folks."

Delaware—Still they come!

NEW RATE REDUCTIONS IN AUTOMOBILE INSURANCE

just announced by State Farm Mutual!

Costs are slashed for the 4th time in 4 years because one company dared to be different!

Once more there's good news for Delaware car owners from State Farm Mutual Automobile Insurance Company. In spite of rising prices, State Farm Mutual again lowers auto insurance costs! Across the nation, these reductions have amounted to \$21,000,000 in the past 4 years!

Yes, the driving record of members in this different company justifies substantial rate reductions in many areas throughout Delaware. These rate reductions apply to old and new members of State Farm Mutual alike!

Nearly 2,000,000 automobiles are now insured by State Farm Mutual. And because this one company dared to be different, motorists save money over the cost of ordinary insurance. Four operating practices pioneered by State Farm Mutual make low payments possible. 1. Members pay a local agent's sales commission, once, and only once—not every time they renew their insurance, as is the case with ordinary insurance. 2. Semi-annual payments. 3. The fact that State Farm is a mutual company—all members share in savings. 4. State Farm aims to insure only careful drivers—who have fewer accidents and help keep your costs down.

State Farm offers careful drivers many advantages in addition to low cost. Contact your State Farm agent today! Simply look up "State Farm" in your telephone book!

For Delaware drivers—
rates reduced 18% on the popular 80/20
collision insurance!

Here are the rate reductions for private passenger cars of State Farm Mutual members—old and new—in the state of Delaware. Reduced rates effective November 19th!

First—an 18% reduction on the cost of 80/20 collision insurance. This popular coverage was originated by State Farm Mutual. Policyholder pays 20% of each claim up to \$250, and only \$50 on a larger claim. Member can't pay more than \$50, no matter how large the claim!

Other types of coverage also reduced!

\$25 deductible collision—reduced 18%
\$50 deductible collision—reduced 12%
\$100 deductible collision—reduced 14%
Comprehensive insurance—reduced 15%
Emergency road service—reduced 20%

On commercial trucks, 80/20 collision insurance reduced 14%; \$50 deductible collision reduced 14%; \$100 deductible collision reduced 14%; comprehensive insurance reduced 15%.

See your State Farm agent about these savings today!

Chrysler Sets Wage, Salary Schedule At Newark Tank Plant

Vacation Allowance, Overtime Pay, Insurance Benefits Approved By WSB

The new Chrysler Corporation plant at Newark, Delaware, to be used in the manufacture of military tanks for the armed forces, received approval from the Philadelphia Regional Wage Stabilization Board to establish wage and salary schedules, it was announced by Dr. Perry Horlacher, Chairman.

The decision retroactive to October 1, 1951, and eventually affecting some 350 employees, allows the company to set up a wage structure for 90 hourly-rated job classifications and 75 salaried classifications.

The board also approved certain fringe benefits covering vacations, holidays, overtime pay, shift differentials, insurance and pension plans, as well as provisions for merit, promotional and automatic increases. Approval was based on the extension of the new plant of existing company-wide practices.

Forwarded to the National Board in Washington were requests for cost-of-living escalator clause and annual wage and salary increases to reflect increases in productivity, matters outside regional board jurisdiction.

The supplementary compensation provisions contained in the petition approved by the board will allow the company to grant hourly-rated employees 40 hours vacation pay for 1-3 years service, 60 hours for 3-5 years, 80 hours for 5-15 years and 120 hours for 15 or more years of service.

Salaried employees will receive a one week vacation for one year of service, two weeks for 1-15 years and three weeks for 15 or more years of service.

Wage rates of time and one-half were approved for all employees working excess of eight hours per-day or 40 hours per-week, and for the sixth consecutive day worked in one week, and double time for Sundays and holidays, with some exceptions.

Varied percentage increases were allowed for shift differentials and company financed insurance and pension plans for hourly-rated employees, with salaried workers contributing in part to these plans, were authorized.

Newark Postmaster Warns Public About Delay In Mailing

Post Office Officials Here Expect Record Holiday Mail Load

Postmaster F. Allyn Cooch, Jr. opened the Yuletide season officially today. He issued his annual appeal for early mailing of Christmas greeting cards and gift packages.

"It's later than you think!" the Postmaster warned. "Most people wait until December rolls around before they give the increasingly heavy Christmas mails a second thought."

The postmaster expects the greatest flood of Yuletide mail in local history. He predicted it would exceed "by a considerable margin" the record-breaking 1950 holiday season, when a half million pieces of mail were cancelled.

"This year's deluge of Christmas mail will strain post office facilities severely," he stated. "But we'll get everything delivered by Christmas, if the public cooperates wholeheartedly."

Christmas packages for distant states should be mailed by December 5th, he declared. All Yuletide parcel post should be on its way by December 10th.

Christmas cards to friends and loved ones in other states should be deposited by December 15th. Greetings for local delivery should be mailed at least a week before Christmas.

Preparations to handle this Yuletide rush have already begun. The post office is training extra mail clerks and carriers, setting up new sorting tables, hauling out reserve mail sacks, and overhauling delivery trucks. Thousands of bright new postage stamps are on hand, and the post office pens are all getting new points.

To keep Christmas mail on schedule, the Postmaster asks that you—

1. Stop at the post office next week to purchase the extra stamps you're going to need, thus avoiding last-minute crowds. When buying stamps for Christmas cards, bear in mind the desirability of sending the cards by first-class mail. The rate for unsealed cards is 2c and cards mailed in this way do not rate forwarding or return services.

2. Check and revise your Christmas card address list this weekend. Purchase your Christmas cards early and address and stamp them at once. Then put them in a convenient place for mailing at the proper time.

3. Lay in adequate supplies of heavy cardboard, sturdy outer paper, strong cord, and printed fourth class labels for wrapping parcel post. Packages are limited to 70 pounds in weight, and must not measure more than 100 inches in length and girth combined. Repeat the address inside the outer wrappings, in case they are damaged in transit.

"Above all," the postmaster said, "please address plainly and completely. Give the full name, house number, street, name of city, zone, and state. And don't forget to write your return address on Christmas card envelopes. Authorities on etiquette say it's perfectly proper, because it helps people bring their address book up-to-date. But a return address is frequently even more helpful to us!"

It costs the United States about 32 million dollars a year to run the Coast Guard.

Researchers in the U. S. Department of Agriculture have developed a glossy, hard lacquer made from starch. It is more resistant to heat and solvents than the best-quality spar varnishes. It is less expensive, and is expected to use starch available from surplus corn and potato crops.

Two-Truck Collision On Main Street Causes \$275 Damage

A collision this week between two trucks at the corner of Main and Academy Streets resulted in a total damage of approximately \$275, according to the report of local police.

One of the trucks operated by Francis Dianti, 126 W. Market Street, West Chester, Pa., rammed that of John E. Pierson, R.D. No. 3, Elkton, while the latter was waiting for the traffic light to change.

Dianti was arrested for failure to drive with due care and fined \$20.

Know Your Schools

By A. J. Thoroughgood

Constantly we are hearing that young folks as well as adults think only of themselves. We know that, if true, such rumors must be of concern to all teachers and parents as well because a world of selfish people can produce little that is good. As I made my rounds this week on the trail of news, I looked sharply to see just what our "citizens" are "doing for others." Perhaps you may be interested in a few of my observations.

I dropped by the home economics department to talk with Miss Doris Dean about her work in homemaking, a course planned for ten senior girls. We discussed the need for teaching students to consider others in their daily experience. Miss Dean's face lit up; she opened her plan book and pointed to UNIT 10. I read:

Often we are told that we should do things to help our community. But just what can we do to help? Miss Dean explained that quite recently her girls had seized a real opportunity to put the very words of their unit into practice. They had assumed the responsibility of washing and polishing seven bushels of apples picked by the FFA (Future Farmers of America) boys at the University Farm and later used as a part of the refreshments for the Halloween Mardi Gras. These girls as well as the FFA boys had helped to answer their own questions by "doing for others."

The desire to assist others is evident on all age level, I have discovered. Upon receiving a request from a ten-year-old English boy for an American pen pal, I visited a grade five class to offer my little British friend as their pen pal. The class was not satisfied merely with the English youngster's name and address. The members asked many questions: Does he wear clothes like ours? What does his school look like? Does he see television? Finally, the questions tended to point toward a genuine interest on their part in doing something for their new friend. They asked: Could we send him comic books? Does he collect stamps? Would he like some old American ones? Would he be able to use American money if we could send him some? Can we send him some of our story books? Not one child in the group asked what the English boy could send him. Their thoughts seemed to indicate a genuine desire to help someone else.

friend as their pen pal. The class was not satisfied merely with the English youngster's name and address. The members asked many questions: Does he wear clothes like ours? Can we send him some of our story books? Not one child in the group asked what the English boy could send him. Their thoughts seemed to indicate a genuine desire to help someone else.

I saw this same interest in others appear again in club activities as well as in the classes as I moved from room to room. Each issue of the school newspaper Yellow Jacket Buzz brings a request from a staff member to send a free copy to one of our former students or graduates now in "foreign ports." The answer is always "yes"; we never worry about the cost because we consider the price well paid in the fine spirit demonstrated by the thoughtfulness of our staff members.

A call for help was issued recently when moving day for all students of grade four from the Elementary Building into the newly renovated Main Street Building arrived. A group of high school boys offered their much needed assistance without pay. Here again our "citizens" have demonstrated the important principle plainly called "doing for others."

Yellowjackets Defeat Conrad To Win County Championship

Blaney Closes Out Brilliant High School Career On Gridiron With Four Touchdowns And Three Extra Points

A brilliant high school football career came to a close last week on the Conrad High School field when Blaney Blaney raced over and around the Redskin defenders for four touchdowns to lead the Yellowjackets to their tenth victory in fifteen meetings with the losers in a series which began back in 1937.

In addition to his four touchdowns, Blaney kicked three extra points for a total of 27 points to take down county scoring honors for the second successive year.

For the charges of Coach Fred Spato it was the close of another highly successful season, and although not as good as last season's record of eight wins and no losses, it was good enough to retain the mythical county championship won by the Newarkers last year.

In the overall record for the season of seven wins and one loss, were included six wins and one loss to other teams in the county. Wilmington High School had the same won and lost record in county competition but the fact that the Yellowjackets defeated the Red Devils in an early season contest, balanced the scales in their favor.

Blaney made his last game with the Yellowjackets a typical one. The Newark backfield ace included runs of 40 and 65 yards in his scoring jaunts. Dave George, Newark captain, tallied the fifth touchdown for the winners with a short plunge in the fourth quarter.

With Blaney, George, and Lawson doing the heavy carrying, Newark scored in each of the first three periods and twice in the fourth, while the Newark line held the Redskin attack under control throughout the contest.

Temple Places Four Men On Delaware's All-Opponent Team

Brad Myers, Burt Talmadge, Great Bucknell Backs In Backfield

The Hens picked their 1951 all-opponent team today and it was dominated by Temple, which placed four men, and undefeated and untied Bucknell, which placed three, Connecticut, the only other club to defeat Delaware, landed two berths, and Lehigh and PMC one each.

Brad Myers and Burt Talmadge, Bucknell's brilliant halfbacks, were the only unanimous choices on the first team. Marty McKibbin, end of the other Bucknell player selected.

The four positions landed by Temple all went to linemen—Ed Bigos, end; Joe Tyrrell and Lou De Vacaris, tackles; and Bob Daley, center.

Picked from Connecticut were Irv Panciera, back, and Bonaventure Amendola, guard. Herb Weiss, Lehigh quarterback, and Al Sylvester, PMC guard, round out the team.

Second Team

The squad also chose a second team, which consisted of three men from Lehigh, two each from Bucknell, West Chester and Temple and one each from Muhlenberg and Lafayette.

The second team backfield comprises Tommy Dean of Bucknell, Fred Prender of West Chester, Jack Ramsey of Temple and Frank Dubar of Lafayette.

The line is made up of Roger White, Temple, and John Bergman, Lehigh, end; Dean Bohn, Muhlenberg, and Dick Convery, Lafayette, tackles; Bill Brodhaug, West Chester, and John Chironna, Bucknell, guards; and Dick Tradotto, Lehigh, center.

No other country maintains an organization or service in any way like the Coast Guard.

Blaney Wins State, County Titles In 1951 Scoring Race

Newark Ace With 141 Total Leads Closest Rival By 43 Points

Scoring 27 points against Conrad in the final game of the season last week, Newark's wing-footed halfback, Blaney Blaney, brought his total points scored for the year to 141 and took down county and state scoring laurels.

It marks the second straight season that the Newark speedster has led the county scorers, but his first time as state leader. Final figures for the campaign show he scored 20 touchdowns and added 21 extra point conversions to amass his total of 141.

The Newark speedster won the county race in a convincing fashion leading the closest rival by a margin of 49 points as Howard's Johnny Oates finished second with a total of 92.

Blaney's margin over the runner-up in the state race was almost as large as he finished in front of Dover's Bill Voshell by a 43-point edge. Voshell was the Kent-Sussex leader, amassing a total of 98 points on 15 touchdowns and 8 extra points.

Newark's Yellowjackets finished second in the county and state to Howard High School by a slim 2-point margin. The Wilmington school ran up a total of 222, while Newark finished with 220.

Blue Hen Captain And Coach

Shown here discussing plans for letters in basketball and football, the opening game with Billy Utt, Emmerson was named to the North Carolina all-state eleven at both the center and the tackle positions. In addition to this honor, Emmerson was elected by a poll of newspapers to the Wake Forest all time all-star team.

Coach Emmerson took his present position as head coach in basketball in September 1949. During his first two years at the University of Delaware he also was the end coach for the Fightin' Blue Hens football teams. While at Fort Scott High School, in Fort Scott, Kansas, Emmerson played center on a state championship team in basketball, and also played the same position on an undefeated football team. Fred remembers that the basketball team was entered in the 1922 national high school tournament in Chicago, Illinois.

After graduation from high school he entered Kansas State Teachers College at Pittsburg, Kansas. Although Fred stayed at KSTC only one year, he was elected captain of the football team. The next year he transferred to Wake Forest College of North Carolina. While at Wake Forest Fred won areas, or are proficient in music or other lines, and was borrowed from the qualifications used in choosing Rhodes scholars.

Coach Nelson said the Friends Foundation, which he described as a philanthropic organization comparable to the Ford Foundation, "makes grants of scholarship funds directly to the university. These scholarships are not given exclusively to athletes, and are administered in the same way as the Sears-Roebuck and Harter scholarships, and other scholarships. A number of athletes are employed as waiters and dishwashers on campus, but they receive only their meals. Others are parking lot attendants, but there are no jobs manufactured just for athletes. The waitership, for example, is given only to students with a C average."

"We are attempting to carry out a program of athletics which is in keeping with the size of the school, and have made no effort to overemphasize one sport or another," said Nelson.

Pointing out that the university has a policy of forbidding its teams from participating in post-season games, Coach Nelson added, "Our football schedule, with only eight games, is evidence that there is only proper emphasis on athletics, since most schools play nine games, and many play more. We will continue to play only eight games, against schools in our own class. We have dropped Temple University, the only school on this year's schedule which is much larger than Delaware, and replaced them with Gettysburg College."

In response to Judge Streit's statement that many college athletes are brought into colleges and given special "snap" courses in order to qualify them scholastically, Nelson said, "Athletes are subject to the same rules that other students are, and must make normal progress toward graduation. There just is no special curriculum for athletes, and no special system of grading them here at Delaware."

With regard to the question of financial aid to athletes, Nelson said, "There is no outside help given to athletes that I know of. The only help that a boy can receive here is given him directly by the University under a scholarship plan which conforms to the regulations of the NCAA and the ECAC. These awards are all based on need, so that no one is eligible unless he can demonstrate that it would be impossible for him to enroll in the university without it."

"State scholarships of \$500 a year are available to athletes who show that they need such help, give academic promise, that is, demonstrate that they will remain enrolled students and will successfully work toward graduation, possess qualities of leadership, and possess physical ability, vigor and vitality."

"The last qualification is no more discriminatory than others which limit aid to students who are from rural

Blue Hen Basketball Team To Open Season Saturday Night

McBride, Crawford Crack Lineup As Washington College Furnishes Opposition In Field House At 8 O'clock

Two sophomores, Jack McBride, 6'4" forward from Fort Wayne, Indiana, and Ray Crawford, 6'2" guard from Woodbury, New Jersey, will probably be in the starting lineup Saturday night when the University of Delaware basketball team opens the season against Washington College of Chestertown, Md., in Carpenter Field House.

Both of these boys were members of last year's brilliant freshman team which dropped only one contest during the season. McBride, who has shown promise of becoming one of the best basketball players in the school history, was high scorer on the freshman team last year.

Two Freshmen Lead Delaware Gridders In Season Offense

Don Miller, Quarterback, Is Leader In Total With 779 Yards Gained

The final statistics have been compiled and two freshmen from Prospect Park, Pa., Don Miller, quarterback, and Bob Hagerty, halfback, ended the 1951 season as the leading yardage gainers.

Miller gave the Blue Hen its wings with his passing yardage. Miller threw 123 passes during the season, completed for a gain of 724 yards. Only nine of Miller's pitches were intercepted. The 17-year-old field general had one of his better days against Bucknell in the final game of the season. He completed 17 out of 30 for a total gain of 220 yards. Miller also collected a total of 55 yards rushing for a total of 779.

Bob Hagerty, speedy halfback, was the leading ground gainer. Hagerty finished the season with a total of 425 yards gained in 82 carries. Hagerty scored four touchdowns and threw one touchdown pass. He also picked up four yards passing.

Don Carmichael was the leading scorer with a total of 30 points. He tallied five times in the last three games. Hagerty and Joe Lank each compiled 24 points.

Frank Serpico, end, was the leading pass receiver for Delaware with 20 catches. He gained a total of 242 yards. Joe Lank was runner-up with 15 catches for a total of 162 yards.

The Delaware offense rolled up a total of 2,579 yards in a total of 512 plays, one of the highest offenses in the history of the school. The Hens gained an average of 32.3 yards per game.

NEWARK TWENTY-FIVE YEARS AGO

Taken from issue of Post, December 1, 1926

Newark High School Granted Charter
Professor Ora Brinser, Superintendent of Schools, has just announced that the Newark High School has had a constitution approved and a charter granted for forming a National Honor Society. This is the third charter to be granted in Delaware, one other is held by the Wilmington High School and one by the Lewes High School. Professor Brinser was responsible for the charter that was installed at Lewes.

Jaquette Improving
Paul Jaquette, the Newark High School player who was thought to be seriously injured in the Thanksgiving Day game, is improving rapidly and is able to walk.

Jaquette was carried from the field with what was thought to be a broken hip. Dr. Downs, who was present at the game, had him taken to the Milford Hospital, where X-rays were taken and showed no fracture. J. R. Fulton and Horace Null drove the ambulance to Milford and Jaquette was removed to the Flower Hospital, Newark. Dr. Downs and Professor Brinser were with him on the home journey.

Frank Fader Undergoes Operation
Frank Fader, popular businessman of this town, underwent an operation yesterday at the Union Memorial Hospital in Baltimore, for the removal of gallstones. This morning Mr. Fader was reported to be resting as well as could be expected.

On Thanksgiving Day, in the morning six men in two automobiles, drove down the road which leads past the farm of Jewel Spry, between Newark and Oletown. Mr. Spry heard shots and thought the men were gunning for rabbits along the edge of the wood, but when the cars with their occupants soon sped away, and the turkeys began making excited calls, he hurried to the spot. Three of the birds had been carried away, and a fourth had been left to die from shots.

This is the second report of the theft of turkeys in this vicinity. Eight were recently stolen from the farm of Ellwood Dean.

Ladd-Buttles Wedding
Miss Frances Buttles, daughter of Mrs. Ida M. Buttles, of this town, was married at six-thirty on the evening of Thanksgiving Day, to Harold O. Ladd, son of Mr. and Mrs. W. O. Ladd, of Wilmington. The ceremony was performed at the home of the bride's uncle and aunt, Dr. and Mrs. T. F. Manns, on Park Place, by Rev. Frank Herson, pastor of the Methodist Episcopal Church of the town.

Club and Social News
Betty and Anne Tarr celebrated their birthdays which occurred last week, by a party on Saturday afternoon at the home of their parents, Mr. and Mrs. Lester Tarr. The invited guests were: Mary Lee Schuster, Margaret Myers, Jacqueline Ernest, Dorothy Holton, Jane Roberts, Jean Barnes, Genevieve Johnston, Dorothy Murray, Mary Jane Wilson, Patricia Wilson, Margaret Dawson, and Adeka Dawson.

Mr. and Mrs. W. D. Collins and family, Dora Gibb, Alice Williamson, and Frank Layman attended the Newark-Laurel football game on Thanksgiving Day, then went to Middletown for dinner.

Miss Rosalie Steele spent last weekend at the home of Mrs. W. U. Reynolds at Delaware City.

Mr. and Mrs. W. E. Holton and daughter, Dorothy, were guests of Mrs. Holton's father, Calvin Cabbage, in Philadelphia, last weekend.

John Heavellow, of Necheminy Falls, Pa., and Jake Klang, of Phila., spent Thanksgiving Day here with the former's parents, Mr. and Mrs. William Heavellow.

Mr. and Mrs. Ralph Edmanson and son, Billy, and Misses Margaret and Elizabeth Richards, attended the Newark-Laurel game at Milford last Thursday.

Dr. W. O. Sypherd spent the Thanksgiving holidays at Atlantic City.

Mrs. Guy Hancock, Mary Alice and Billy Hancock, spent the Thanksgiving holidays with Mrs. W. A. MacFarlane and her daughter, Mrs. Longworth, at Blue Field, Virginia.

Misses Eva Gregg, Edna Crowe, Dorothy and Anna Barrow spent the week visiting Mrs. C. W. Sylvester of Phila.

Mr. and Mrs. William Gregg and son, Ray, spent Thanksgiving Day with her brother, Harry Scarborough, of Providence, Maryland.

Mr. and Mrs. Ed. William entertained at cards last Saturday evening at their home on Kells Avenue. The guests were: Mr. and Mrs. A. E. Tomhave, Mr. and Mrs. G. L. Baker, Professor and Mrs. George L. Schuster, Professor and Mrs. L. B. Detjen, Miss Ada William and Wallace Cook.

Peter Zeidler Wins Second Place Award In County Contest

Other Local Farmers Win Ratings At Meeting In Dover

The New Castle County Greener Pastures Program was climaxed at a meeting held at Dover on November 20th with Governor Elbert N. Carvel presenting a trophy to the state pasture winner, in New Castle County, Arthur C. Davis, Townsend, was first place winner in the New Castle Greener Pastures Program. Mr. Davis has a herd of 24 purebred Holstein Dairy cows and is a member of the New Castle County Dairy Herd Improvement Association. He was presented with a silver pitcher as first place winner in the 1951 program. Mr. Peter Zeidler of Glasgow with a herd of 250 dairy cows received a silver tray as second place winner and Mr. C. D. Buck, Buena Vista Farm, State Road, with a herd of 30 registered Guernsey dairy cows was third place winner, receiving a silver cake plate.

There was a total of 43 farmers enrolled in the 1951 program. All of these farmers received a certificate for participation in the program. As many of these farmers had outstanding practices in the production of pasture and forage on their farms they received in addition a seal placed on their certificate of good, very good, and excellent, based upon various management practices carried out on their farms.

Following is the list of local farmers enrolled in the program and the certificate and seal that they received in the State Awards Banquet in Dover on November 20th:

1st, Arthur C. Davis, Townsend, Delaware; 2nd, Peter Zeidler, R. D. 1, Newark; 3rd, C. Douglass Buck, Buena Vista, Wilmington.

Excellent: Steven Barczewski, R. D. 1, Newark; John F. Maloney, Bear; Lloyd Dasher, Bear.

Very Good: Fred Samendinger, R. D. 3, Newark; Daniel E. Harris, R. D. 3, Newark; Philip Pearson, Hockessin; Elwood Fox, Jr., Hockessin.

Good: Ed Wilson, R. D. 2, Newark; Ralph Vannoy, Newark; John Redding, R. D. 3, Newark; William Carter, R. D. 1, Newark; Edwin Pierson, Hockessin; Mitchell Brothers, Hockessin; George R. Moore, Bear; William David, Bear.

Certificate: Vincent Mayer, R. D. 2, Newark; John B. McVaugh, Newark; Henry Mitchell, Hockessin.

Also, at the Awards Banquet there were 28 farmers in New Castle County to receive a 100-bushel per acre corn

yield certificate. The state corn production king was Mr. Wallace Cook of near Glasgow. Mr. Cook produced 153 bushels of corn per acre. Following are local farmers who received the 100-bushel yield certificates presented by County Agricultural Agent, Edward H. Schabinger: George Moore, Bear; Charles B. Moore, Bear; Henry Mitchell & Son, Hockessin; William David, Bear; Fred Annand, Hockessin; Wilson Pearson, Hockessin; Raymond Lam-Newark; Phillip Pearson, Hockessin; born, Newark; J. Oliver Koellig, Jr., Lee Hofferker, Jr., Bear; Daniel Harris, Newark; Frank Dennison, Hockessin.

Newark's Newest Dentist, Dr. Stanley Goleburn, Now Open

Newark's fast-growing population includes a new dentist, Dr. Stanley Goleburn, who has occupied his office at 66 E. Main Street.

Dr. Goleburn is no stranger to the city of Newark, having attended the University of Delaware for three years prior to his graduation from Temple University Dental School.

In addition to serving his internship at the Jersey City Medical Center and Delaware State Hospital, he was a member of the Army Dental Corps. Prior to his opening in Newark, Dr. Goleburn was associated with Dr. Eisenman in Wilmington.

Chamber of Commerce Makes Plans For Santa's Stay Here

City officials have announced that beginning today a mail box will be placed in front of City Hall for the collection of all children's letters to Santa Claus. This new arrangement is being sponsored by the Newark Chamber of Commerce.

On Tuesday evening, December 4, the board of directors of the Chamber of Commerce will meet at the home of William J. Warwick to make final arrangements for the annual visit of Santa Claus to the City of Newark.

It has been announced that the Christmas lights along Main Street will probably be turned on this weekend.

Newark Girl Scout Officials To Hold Neighborhood Meet

Newark Girl Scout leaders, members of troop committees and council members will hold a neighborhood meeting at the New Century Club on Tuesday afternoon, December 4, at 12:30.

'Special guests at the event will include Mrs. Donald Schlerf, public relations chairman of the Wilmington area, and Miss Elizabeth Crook of the music department at the University of Delaware.

Parking

(Continued From Page 1)

up those appeals as soon as possible and judge each case on its merits. If a fine has been levied unjustly, in the eyes of the committee, the person in question will be relieved of payment.

Dean Squire said that no provision has been made so far for those who have refused to pay the fine. He said that the committee will probably come to some decision when it meets.

In answer to those who have questioned the university's right legally to collect the fines, Dean Squire said, "The prerogative of the university to collect fines for the safety of personnel and protection of state property seems apparent to members of the student body, faculty and staff members. We levy fines in the library to protect the state property which it houses. The fines for parking violations are levied in this same spirit."

With regard to the question of what use would be made of the money collected in fines, Dean Squire pointed out that, "Any money collected in fines will be used to relieve the university of incidental expenses necessitated by the enforcement program." At the present time six or seven students are patrolling the parking area in addition to members of the maintenance staff. It is supposed that Dean Squire had these salaries in mind, plus the expense of printing the stickers and tickets, when he spoke of expenses necessitated by the enforcement procedure.

In his statement this week Mayor Johnson declared, "The City of Newark is interested in the parking problem. We feel sure that the university, by the issuance of the regulations, has indicated its cooperation in solving this problem."

He said the parking regulations being contemplated by City Council include banning parking on Amstel Avenue, West Delaware Avenue, and Kent Way between 8:30 a.m. and 4:30 p.m. The streets are used frequently by students, faculty and staff members of the university as parking areas.

The Mayor stated that the first reading of the proposed new law will come up before City Council during the December 4 meeting of the group. He said the action is being taken first to enable traffic on those streets to have more space, particularly emergency vehicles, and secondly, because of the numerous complaints received from residents of those streets against persons parking their cars in front of their property.
