1801 Capitol Trail

Now we know that spring is on its way. We just saw and heard our first Robin—the last day of February.

Seems like a weight off our shoulders when we tear that February page off the calendar. The old spring fever gets in our bones and we become impatient to get out and work in the garden again.

A word of praise for service rendered by our State Police last Sunday evening. They came in prompt response to a call to correct a dangerous hazard on Capitol Trail near the Medill School, caused by unlit flares at three points on the shoulder of the highway.

"Mickey" McMullen, surprised his parents, Mr. and Mrs. Manlove McMullen, of Capitol Trail, when he flew home from South Carolina with his small son, Gary, for a brief visit last Monday.

Mr. and Mrs. Peter Furness, of Pekin Park Drive, spent this past weekend at their cottage.

Debbie Meredith, daughter of Mr. and Mrs. Morris Meredith, Lumbrook, celebrated her fifth birthday on Feb. 23 with a party.

Mill Creek Friends Meeting which resumed regular worship last May after being inactive since 1925, was granted permission by the Society of Friends to become an organized monthly meeting. Last Sunday morning, Mrs. Esther Alderman was chosen as clerk and a nominating committee was set up to select other officers and committees.

Members of that committee include Oliver W. Eastburn III, Louis Larson, Joseph Mitchell IV, and Mrs. Edward Worrall. Named for the hundred, the meeting house is near Corner Ketch.

The engagement of Miss Joan White Watson, daughter of Mr. and Mrs. Thomas Watson of Yorklyn, and Norman Hutcheson of Olafhe, Kan., has been announced by her parents. Miss Watson is a senior at Geneva College, Beaver Falls, Pa. Mr. Hutcheson is the son of Mr. and Mrs. Chester Tipton Hutcheson, and teacher in the Boys' School at the American Mission in Latakia, Syria. He is a graduate of Olafhe High School and Geneva College, class of 1954 with a degree in industrial engineering. He is serving in the U.S. Army stationed at Fort Monmouth, N.J.

The "Club Leo," variety home talent show given by the Hockessin Yorklyn Lions Club was very successful. The show was well rendered and the guest talent including the Chanticleers, a male quartet, Richard Chambers, tenor, and Shirley V. Basher, contralto, was splendid. The proceeds will go to finance community welfare projects.

Y's Owl 4-H Club
Miss Tuula Vaisanen of Finland, will speak to this club tonight at its monthly meeting with Miss Marie Edler as hostess.

Russell Brackton of Brackenton Road and William B. Pennington of Mermaid, have returned from a motor trip to Florida.

Harmony Grange
A schedule of coming activities and an attendance contest occupied the attention of this group at its regular meeting. Next Monday, Delaware Grange will make a visitation and provide the program. On Mar. 21, there will be a conservation program on the Red Clay Valley project.

The attendance contest is bringing out many of the inactive members. R. B. Walker, Jr., and Mrs. W. H. Narvel are the captains of the two teams, and the contest will continue for three months.

Harmony Juvenile Grange will meet tomorrow at 7 p.m.

The Delaware Guernsey Breeders Association will hold its annual meeting Saturday in Harmony Grange Hall. Grange women will serve the dinner.

Red Clay Creek Presbyterian Church
The Boy Scouts and Sea Scouts will conduct a scrap paper drive this Saturday.

All church school teachers, officers, and assistants will hold their quarterly meeting tonight. Miss Jane Frederick has assumed her duties as a junior class teacher succeeding Mrs. Walter Hopkins, resigned. A new class for the young adults will be started next Sunday at 10 a.m. All between ages of 23 and 35 years are eligible. Marvin A. Shakespeare will be the teacher.

Next Sunday morning, the Girl Scouts of Intermediate Troops 208 and 218 will attend church service in a body. Scouts Joan Shakespeare and Joyce Crossland will be hostesses.

Next Tuesday night, Troop 218 will entertain their parents at a

dinner and Scouts of Troop 206 will be guests.

The Women's Fellowship will meet next Wednesday at 8 p.m. with Mrs. Arthur Eastman, Jr. of Limestone, Acres. A representative of the Goodwill Industries of Wilmington, will speak.

The special Lenten services began last Sunday night and will continue for the remainder of the Lenten season.

Harmony School
Mrs. Felicia Beverly, county art supervisor, spent last Thursday morning at the school.

Mrs. Elsie W. Stradley, teacher, will attend the reading clinics tomorrow and Saturday at the University of Delaware.

A Washington's Birthday program was presented by the students. The minstrel was danced by Shirley Davidson, Sophia Stanley and Tony Springer. Linda Farmer read the story "The Little Cook," and Betty Springer, Barbara Carroll, Kay Washam, Linda Farmer, Barbara Cannon, Shirley Barlow, Faye Cannon, Raymond Naudain, Carl Springer, Ronald Barlow, Tony Donovan, Kenny Dempsey.

Corner Ketch
Union 4-H Club will have a window display for National 4-H Week in the show window at Hockessin Supply Company. Peggy Harris, Irmingard Voss, Marcia Harmon, and Harriet Reese are the committee.

The February meeting was held last Saturday night at the home of the president, Cynthia Harmon.

As an extra feature each month, the members plan to visit various industries.

Marcia Harmon showed slides on poultry.

Ebenezer Methodist Church
Family Sunday will be observed this week at the 11 a.m. services in cooperation with the attendance crusade. Neighbor Sunday will follow on Mar. 13 and organization Sunday, Mar. 21.

The Methodist Youth Fellowship will hold its monthly meeting next Sunday at 7:45 p.m. at the home of Miss Ethel Wilson near Milford Cross Roads.

Mar. 13, a visitation team of Christian Witness Mission workers from the Wilmington district will be at this church at 2 p.m.

The Women's Society of Christian Service had a meeting last Thursday evening. Miss Catharine Dempsey, Mrs. Daniel Harris, and Mrs. Louise Dempsey were chosen as a nominating committee for the election in May.

Mrs. Kinsey Whitman, Mrs. Joseph Brown, and Mrs. Gray Lomax represented the society at the district meeting Tuesday at Newport.

The society gave \$67 to missions and \$70 to the MYAF towards the cost of a new tape recorder for the church. This group also assisted with the expense of repairs to the sunporch at the parsonage.

All secretary reports must be placed with the president by Mar. 20 prior to the quarterly conference on Mar. 22.

The MYAF had a discussion on "How to Read the Bible" at the monthly meeting Sunday night. A covered dish preceded the session.

The members planned a cleanup day for the church grounds on Mar. 19 and work will then be completed on the recreation hall.

The cast of the play "Maid of Money" gave sketches as entertainment.

Mr. and Mrs. Darrell Neidigh will be the hosts in March.

Questions and Answers
Q—Is it possible for two veterans to take Korean GI Bill farm training on the same farm? Or must each veteran-trainee have his own farm?

A—Generally, each farm trainee is expected to train on a farm he owns or manages. However, two veterans may train on a single farm if conditions are favorable enough to assure successful training and eventual self-employment for each.

Q—I am entitled to 36 months of training under the Korean GI Bill. Does that mean my GI on-the-farm training course can last for 36 months?

A—Not necessarily. The length of your farm training program will depend on how long it will take you to reach your objective. Your program is tailor-made to fit your own needs and experience; it may be shortened to take advantage of the farming you already know.

Q—May I take on-the-farm training on a part-time basis under the Korean GI Bill?

A—No. Under the law, GI farm training must be taken on a full-time basis.

Q—I am taking Korean GI farm training. My school has just informed me that it has extended the length of the course beyond that which has been approved by VA. Will I get GI allowance payments for the extension?

A—No. GI allowances, under the law, may not be authorized for extensions beyond the period required to complete your approved training program.

Teacher Shortage Problem Outlined For PTA Council

Penrose Predicts Perils Ahead With Teacher Crop From Scarce Age Groups

The teacher shortage will become more acute in the next few years because many well-qualified teachers must come from the relatively scarce age group born in the depression while the pupils they teach will come from the high birthrate of the 1950s.

This problem was outlined to the Council of Parent-Teacher Associations of Newark Special School District last week by Dean William O. Penrose of the University of Delaware, one of the speakers at a session on legislative aims of the PTA's.

State Rep. Henry H. Wolf (R-Newark) explained various facets of school laws and legislative procedures. In discussion with Martin Gauger of the Newark Board of Education he brought out that the Senate Bill is a supplementary appropriation of \$350,000 for this fiscal year—is not passed soon, many schools may have to close around the end of March because their salary funds will have run out.

This, it was explained, because the appropriation for this school year, made two years ago, did not allow for quite as much increase in enrollment as actually took place. Enough teachers had to be hired for the bigger enrollment, and their salaries have depleted their intended to pay for fewer teachers.

State Rep. James Snowden (R-Wilmington) gave PTA members this advice: It is not enough to contact your legislators and ask them to pass a bill, you must also express your willingness to pay extra taxes.

As for teacher salaries, the group was told that although Delaware ranks high in average teachers' pay the state has an unusually high percentage of teachers who have taught long enough to earn the maximum pay scale. The "mean" salary, or half-way point between minimum and maximum scales, was called relatively low.

Delaware Food Market Report

Meats and Poultry

The most economical meats this week, in terms of the cost per serving, include beef liver, ground beef, frankfurters, and cut pork chops, pork shoulder, breast of lamb and lamb shoulder roasts. At moderate prices (per serving) are pork loin roasts, shank ends of ham, frying chickens, beef chuck steaks and roasts, turkey, leg of lamb, and beef flank steak. Among the relatively expensive meats, on a per serving basis, are veal loin chops, stewing chickens, lamb chops, center cut pork chops, round steak and calves liver.

Seafood

Fish, with its high protein content, is an excellent substitute for red meats during Lent. Fresh frozen and canned fish all have similar nutritional values.

Select fresh fish with firm elastic flesh, bright eyes and tight, shiny scales. You may obtain fresh fish whole, with only the entrails removed, or completely dressed. It may be prepared in cross section slices, called fish steaks. If the dressed fish is large, solid slices cut lengthwise away from the backbone provide the fillets and are usefully boneless. Uniform pieces cut from the fillets can be breaded and cooked for serving as "fish sticks."

Among the most economical fresh fish are shad, bass, haddock, mackerel, cod, smelts, pollock, and whiting. Thriftily frozen fish include ocean perch, haddock, cod, pollock and halibut steaks. Pink salmon and tuna provide the least costly servings from the canned fish available. Keep in mind the servings per pound yielded by these different

forms of fish: whole fish—one; drawn fish—two; and fish fillets—three.

Fresh Fruits and Vegetables

Although citrus is slightly higher this week, it is the least expensive fruit. Winter pears, Emperor grapes and apples are available at moderate prices.

There are fewer low priced vegetables available this week as a result of adverse weather and lighter shipments from the south and west. Onion prices are lower, but quality is poorer than in recent weeks. Carrots, potatoes, cabbage, turnips, mushrooms, rutabagas and southern greens offer the best values.

Newport Man, Deputy
For CD Explosives Group

Howard E. Howell of Newport has been appointed field deputy chief of the state Civil Defense Explosive Ordnance Reconnaissance Division. Dr. William Lockwood,

division chief, announced today. In an emergency, the EOR division will be responsible for following up reports of unexploded bombs, determining their degree of danger and taking necessary safety precautions, including traffic diversion and neighborhood evacuation, until Army disposal team arrived.

Spring Cleanup Week
Announced By Worrlow

Spring Cleanup Week in rural Delaware, a statewide observance keynoted by the Agricultural Extension Service, is scheduled for the week of March 21.

"If every farm family will conduct a cleanup campaign around the farm and home, it will help to eliminate fire and accident hazards," says George M. Worrlow, director of the extension service. "Such a cleanup will make home a safer and more attractive place to live

and will result in happier and more productive work," he adds. Each year farm fires take the lives of 3,000 persons and destroy 130 million dollars worth of property in the United States.

Baltimore TV Station Aids
Families Of Lost Firemen

Baltimore television station WAAM has taken the lead in a community effort to provide a cash fund for the widows and orphans of

firemen killed in a Feb. 17 blaze which trapped six Baltimore firefighters.

Even before the last of the bodies had been pulled from the wreckage of the clothing store on East Baltimore Street, WAAM General Manager Ken Carter had contacted Bal-

timore's Mayor D'Alesandro offering to cancel regularly scheduled programs and announcements to make a direct appeal to the people of Baltimore.

The secret of success is constancy to purpose.

NATIONAL EDITORIAL ASSOCIATION

Newark, Delaware, Thursday, March 3, 1955

PROGRESS

Red Barber, and now Ronald Regan have made many televisioners aware of the slogan "Progress is our most important product."

Progress is an important product in Newark today—a product of increased population and community growth—and this product has its disadvantages, too.

A major one is that this product probably will increase your living costs in the immediate future.

With a big hole in the bankroll, the City of Newark must obtain more money if it is to remain a going concern. And despite some popular belief to the contrary, people have money. The bulk of the money needed for municipal services must come from the people—the people of Newark.

Don't blame the city manager for that one. Nor the mayor and your councilmen. It's progress.

NEWARK IN REVIEW

Twenty-five Years Ago

Fire At Main & Chapel

Local firemen controlled a fire last Thursday night that threatened to destroy Fraternal Hall on Main Street at Chapel.

The blaze broke out on the third floor of the building formerly known as Grange Hall, one of the oldest structures in Newark. Damage was estimated at \$1,200 and although origin of the fire has not been determined, it is believed to have been started by defective electric wiring.

Amulance At Ease

The Newark ambulance received no calls during the past week, one of the very few that the Aetna ambulance has remained idle since this volunteer service was established in Newark.

Concerts

The third concert by students of the Curtis Institute of Music will be given in Wolf Hall on Thursday, with arrangements in charge of Dr. R. E. Price, president of the Newark Music Society; and the Women's College Glee Club will present its annual recital in Wolf Hall the following evening. Miss Gillespie is director of the Glee Club, and Miss Eleanor Edge is accompanist.

Another Fire

Fire broke out shortly after noon on Thursday, damaging the roof of Sheffer's paint store on Main Street.

The origin of the fire is undetermined, but prompt action by members of the Aetna Hose, Hook and Ladder Company extinguished the blaze with damages estimated at not more than \$50.

Lack of Funds

Lack of funds makes it necessary for the Brandywine Sanitarium to discharge many tubercular patients before they are fully cured, Dr. R. E. Ellerood, president of the hospital board has announced.

Dr. Ellegood declared that such a situation is a disgrace to the relatively wealthy state of Delaware.

Sports

New Castle's boy and girl cagers defeated both Newark teams last Friday night as the New Castle boys' varsity nipped Newark 20-19 and the New Castle girls' wallopped the local lasses 28-15.

The Newark boys' line-up: Pie, Whitteman, forwards; Rittenhouse, center; Smith, McDowell, and Mayer, guards.

The local girls: Malcolm and Fulton, forwards; Fletcher and Dean, centers; Riley, White, Richards, guards.

The University of Delaware swimmers defeated Catholic University for their fourth out of five dual meet victories this season as Delaware took firsts in the 200-yard relay with the team of Lindstrand, Brown, Murray and Taylor; Hartmann and Sortman, one-two in diving; Brown in the 150-yard backstroke; Taylor in the 440-free style; and Lindstrand in the 100.

Swarthmore stopped the Blue and Gold covers, away, by a score of 36-26. Hill led the Delaware scorers with three field goals and a successful foul shot. Other Hens in the line-up were Roman at forward; Roberts and Benson, centers; Barton, Orth, Lecarpentier and Taylor, guards.

High School Coaching Clinic To Be Held Here March 25-26

Initiated Last Year At Suggestion Of Scotty Duncan,
2-Day Program At U. of D. Will Feature Presentation
Of "Coach Of The Year" Trophy, Organizational Plans

The second annual Delaware High School Football Coaching Clinic, emphasizing football defense, will be held at the University of Delaware on March 25 and 26, Scotty Duncan, Newark High School football coach announced today. Initiated last spring, this year's meeting will serve as an organizational session as well as a football conference.

In addition to the football lectures and demonstrations, plans are being made to formally organize the Delaware high school coaches as the Delaware Interscholastic Football Association.

Clinic proceedings will begin with the registration at 6:45 p.m. Friday, March 25. Following this will be a dinner at Old College Hall. After dinner items include a welcome address by a university official, a message by Delaware head football coach Dave Nelson and the presentation of the "Coach of the Year" trophy.

The proposed coaches organization, if accepted by the group, will have as its primary purpose the presentation of an annual two-day football clinic at the University of Delaware. The organization will be entirely independent of all other state groups.

Saturday's activities include talks in Carpenter Field House, movies of the 1954 highlights of the Blue Hen gridgers, and demonstrations by members of the Delaware team, including Don Miller, first team Little All American centerback.

Nelson and his aides will each conduct meetings on phases of football. Millard Naylor, Howard High School football coach, will be featured in a portion of the clinic.

Although interest from outside the state has been shown in the new group, Duncan states, plans are to restrict the group to Delaware coaches.

Duncan Named Chairman
At the clinic last spring a statewide committee of coaches was chosen, with Scotty Duncan as chairman. Committee members include George Schollenberger, Laurel; Filmore Clifton, Bridgeville; John Bramer, Caesar Rodney; Ed Schwarz, Dover; Joe Bradshaw, Brown Vocational; Rev. Robert Shoben, Archmere; Billy Cole, William Penn; and Chester Bann, St. Andrews.

The 1954 football clinic, attended by 68 coaches representing all Delaware high schools except two, was an outgrowth of a suggestion by Coach Duncan.

MAC Title Test Wrestling Bouts To Start Tomorrow

Eight Schools Scheduled
To Participate In Title
Events On U. of D. Campus

The 1955 Middle Atlantic Wrestling Championships will be held at the University of Delaware tomorrow and Saturday and Alden H. Burnham, meet manager and Delaware wrestling coach stated.

"This will be one of the most significant sports events of the year at Delaware."

The championship event, pitting the best wrestlers from Bucknell, Delaware, Gettysburg, Haverford, Lafayette, Muhlenberg, Swarthmore and Ursinus, will be held at Delaware for the second time in the history of the "University." The 16-year-old wrestling association first held a meet at Delaware in 1950.

The preliminary rounds will be held in Carpenter Field House tomorrow, at 8 p.m. The eight entries in each of the weight classes will be paired in a seeding meeting of coaches and school officials scheduled tomorrow afternoon.

Winners of the three-round Friday preliminaries will then be pitted in the semi-finals at 2 p.m. Saturday after the consolation events at 7 p.m. Saturday the finals for the eight Middle Atlantic Collegiate Wrestling titles will begin at 8 o'clock in Carpenter Field House.

Dave Nelson, Delaware director of athletics and head football coach, is the meet director. Assistants include Robert F. Siemen, James V. Sullivan, Harold R. Raymond, Glenn Dill and Elbert Chance.

Wrestlers from the seven visiting schools will be weighed in at 3 p.m. Friday, with no allowance for weight over the maximum limit of the specified classes. A second weigh-in, scheduled for 9 a.m. on Saturday, permits a one-pound weight allowance.

Each of the eight member colleges must enter a full team of wrestlers in the eight different weight divisions. Failure to enter a man in any weight class will result in a five-point penalty for the team.

The directors, coaches and wrestling officials will be guests of the University of Delaware at a luncheon at 1 p.m. tomorrow. The annual meeting of the association will be held at 10 a.m., Saturday.

FAVORED INDIANS

For the first time since 1947, when the Red Sox were defending the American League pennant, the New York Yankees will not be the pre-season favorites this year. The Sporting News says that the boys who are making the price in the books are quoting Cleveland as the choice, at 8 to 5.

Newark Jayvees Defeat duPonts In Two Contests

Junior Varsity Cagers
Stop Tigers, Dynahs By
33-33, 29-26 Margins

While the varsity Yellowjackets were splitting a pair with the A. I. duPont High Schools, Newark Jayvees, surprising the visitors' junior squads in preliminary contests last Friday and Tuesday nights.

The Newark Jayvees tripped the junior Tigers, 33-33, and shocked the Dynahs, 29-26.

Ted Boutin and John Heitzenroder paced the Newark scoring against A. I. duPont with eight point performances, while Bob Conway rang up a high 12-point total against the P. S. squad.

Both teams were close, with the Newark Jayvees holding a 13-12 first period edge over the Tigers, and trailing the Dynahs, 8-3 at the end of the first quarter.

Against A. I. Newark's Jayvees lengthened their advantage in the second and third quarters, and were only outscored in the final quarter. Trailing the Dynahs by five points at the end of the opening session, Brayman's boys rallied with an 11-7 scoring edge in the second stanza, topped the visitors 5-2 in a slim, scoring third quarter, and added another point for good measure with a 10-9 supremacy as the game ran out.

Neils Ludlow and Conway contributed seven points; Fred Gainer, six; and Dick Gray, two for the scoring total in the A. I. duPont test, while Boutin, with seven; and Heitzenroder, Lou Scarborough and Gainer, with four, three, and two, added to the victory total in the Dynahs' disaster.

What's the reason for the general lack of contract trouble this year? According to The Sporting News, there are several reasons. On the whole, present-day players are inclined to be more reasonable.

Reasonable

What's the reason for the general lack of contract trouble this year? According to The Sporting News, there are several reasons. On the whole, present-day players are inclined to be more reasonable.

Improved Relations

While there have been holdouts in past years, they haven't been anywhere as serious as those in an earlier era. It has been a long time since a player sat out an entire season, something that was done by Mike Donlin, Johnny Kling, Frank Baker, Ed Roush and a few others. Those players didn't make any money like the money present-day players make, but when they thought they had a real case, they could be mighty stubborn.

Too Long

Holdouts and prolonged salary disagreements have actually ended great baseball careers. Mike Donlin, one of the most colorful of players, was the toast of New York after the Giants' spectacular season of 1908. He went into vaudeville with his actress wife. When he couldn't get what he wanted in a salary increase for 1909, he stuck to vaudeville, and again in 1910. When he finally returned in 1911, his skill was pretty well gone.

Honus Wagner in 1908 held out

Honus Wagner in 1908 held out for \$10,000 a tremendous salary in those days. It was five days after the season opened before Barney Dreyfuss, still yelling bloody murder, gave in to him. The same spring, young Ty Cobb was just as determined a holdout as Wagner. He demanded \$5,000 and finally settled for \$4,500. It wasn't until 1913, after his sixth straight batting championship, that Cobb got into the \$10,000 class.

Of course, there was the famous holdout of Babe Ruth in 1930, when he demanded \$100,000. He had been paid \$70,000 for each of the past three seasons. After squabbling that made headlines from midwinter until spring training, he came to terms with Yal. Zerk for \$80,000 for 1930 and 1931.

will lend half the encouragement indicated from Godsey's account, we're going to do a lot of carp fishing from here on out.

Herman Klahr was wistfully soaking up the sunshine and spring-in-the-air atmosphere that graced Newark on Tuesday afternoon, when our greeting rudely snatched his pleasant thoughts back from Silver Lake to Main Street.

TV Menace

"Ah, a grand day to be out fishing somewhere," Herman said wistfully. "That television! Like a snake—it casts a spell on me and I sit around on Sundays—the only time I have to do any fishing—and get dizzy, watching, when I should be fishing."

With naturalist Rip Smith, Herman recently toured the banks of Pike Creek and observed the 20th century Thoreau in action with his willow wand, bright bare hook, and several inches of line.

"We'd come to a pool," Mr. Klahr reminisced, "and Rip would point out the fish. There's a fallfish and four suckers down there, and one of those suckers will go a pound and a half. Rip would say, 'That's the one. Rip would take, gently hooking him under the lower jaw, and then putting the fish back, unharmed,' Herman related.

"He was wrong just once—when he pulled out a 14-inch fallfish that proved to be a rainbow trout," Mr. Klahr confessed.

Thought For The Week

Without changing the subject from fish—because it happened on Friday and it is real food for thought—we were deeply impressed with Andy Wagner's volunteer performance within the sanctuary of St. John's Church when we stopped in last week.

Assisting Father Francis P. Corneely at Lenten mass, Delaware's halfback-fullback will never turn in a better performance, anywhere.

Hen Wrestlers Even Slate With Victory Over Bisons

The Blue Hen matmen of Coach Whitely Burnham balanced the book last Saturday with a 4-4-1 record for the season by stopping the grappling Bisons of Bucknell in Lewisburg, Pa., 14-12.

It was a near thing, and Tom Oves saved the day for Delaware with a win in the final event as the Hens trailed 12-11.

Bill Bauer, Tom Baker, Jack Werner and Oves defeated their Bison opponents in the 130, 157, 167, and heavyweight classes; while Delaware's Jim Horn, Captain Dale Boyd, Steve Voorhees, and Herb Nickel lost decisions in the 123, 137, 147 and 177-lb. events.

Vets, Guardsmen To Meet Monday In Playoff Finals

The Vets and National Guard cagers gained the playoff finals of the Newark Adult Basketball Recreation League last Monday night as the undefeated, league-leading Vets passed the Main Street squad, 43-37, and the Guardsmen edged the Shamrocks, 36-35, in the second round of the two-out-of-three semi-finals.

Halfen, with 10 points; and Moore and Witkowski with nine each, paced the Vets scoring, while Main Street's Gray rang up 13 for the losers.

Patterson and Donohoe led the Guardsmen with nine apiece, and Bueche was high man for the Shamrocks with 12.

The Shamrocks meet Main Street in a consolation series next Monday at the Newark Armory at 7 p.m., and the Vets and Guardsmen tangle in the first round finals at 9 o'clock.

The same schedule will be resumed Wednesday night, and any necessary third games will be arranged by Director Ray Ciesinski announced yesterday.

Those sensational holdout stories

are missing these days. But news that the boys fall into line with little or no fuss is good reading, too.

In Lakeland

When Manager Bucky Harris surveyed his contingent of "rookies" at the Tigers' Lakeland, Fla., training camp this week, he found the face of at least one of the players familiar.

The Bengal boss recognized Handyman Jack Phillips, up from Hollywood in the Coast League, as a fellow who played 16 games at first base for Bucky's world champion Yankees eight years ago.

As frisky as the 33-year-old Phillips may feel, he cannot, naturally, qualify for Rookie of the Year honors. He is ineligible because he has been on a major league roster for more than 45 days during previous seasons.

But regardless of that technicality, Phillips and a large number of fellow rookie retirees are being counted on as important personages in the rebuilding plans of several big league clubs.

Redlegs' Vets

Probably the team counting most heavily on the seasoned recruits in Cincinnati. Up to their ears in sluggers, the Redlegs are looking hopefully toward such as Jim Pearce, Jerry Lane and Bill Werle to bolster their pitching staff.

Pearce and Lane, 29-year-old right-handers, have each had three trials with Washington and been found wanting. After the two completed 17-9 and 13-9 records at Chattanooga (Southern), the Redlegs decided to take a chance on them and paid a reported \$50,000 to the Senators.

Dallas Green Sets 23-Point Scoring Pace As Hens Lose

PMC Cagers Hand Hens
Season's 13th Defeat
In 62-54 Saturday Test

Stopped for the 13th time in 19 outings this season, the University of Delaware varsity cagers lost a 62-54 decision to the visiting PMC Cadets last Saturday despite Dallas Green's 23-point scoring spree with seven field goals and nine foul shots.

Delaware trailed 32-26 at the half, and lost a bit more ground in the final periods as the PMC Cadets, paced by their high-scoring Jody Ambrossino's 20-point performance, remained a game behind the Middle Atlantic Conference leading Drexel Dragons.

Drexel, meanwhile, was giving last place Ursinus a bad time of it as they crushed the Bruins, 108-77, for a 9-1 record.

Clyde Louth, with eight points, and Jack Waddington, with seven, were runners-up in the Hen scoring department against PMC.

With a 3-6 conference record, Delaware ended league play last night at home with Swarthmore.

Preliminary to the varsity game last night in Philadelphia against Temple, Coach Wisniewski's varsity Hens close the season with Muhlenberg at home next Wednesday night with game time called for 8:30.

The Delaware freshmen lost a 75-63 contest to the Cadet fresh in a preliminary to the varsity game last Saturday in Carpenter Field House.

Wagner, Apostolico

Star In Season's First Swim Win

With Captain Bob Wagner and free-style artist Marty Apostolico coping a pair of individual finals, Coach Harry Rawstrom's Delaware swimming team won their first meet of the season last Saturday, defeating Swarthmore 55-28, away.

Delaware won the opening medley relay with Bruce Stewart, Jack McDaniel and Bob Brubaker in a time of 3:25.5, and Wagner, Apostolico, and Tom Duff won the next three events with their performances in the 220 and 50-yd. free-style races, and the 150-yd. individual medley.

Jim Szymanski took a second in diving for Delaware, and Apostolico and Brubaker finished one, two in the 100-yd. free-style.

Stewart won the backstroke 200 for the Hens; Wagner and Duff finished first and second over the 200-yd. breaststroke course, and Walker placed in the free-style 440.

The free-style relay team of Apostolico, Duff, Wagner and Brubaker won the final 400-yd. relay in a time of 4:09.2.

DODGER KEY MAN

A sound Roy Campanella this year will make a big difference to the Brooklyn Dodgers. It remains to be seen whether his left hand is strong again, after last October's operation. Campanella has been swiping a bat during the winter in the basement of his Harlem lower store. He says the hand feels good.

Yellowjackets Defeat Tigers Lose to Dynahs for 2nd Time

Newark Wins First Of Final Home Stand Series
64-56 Rump Over A. I. duPont; Jackets Stop Dynahs, 68-57; Bob Downes Top Scorer In Both

After dropping a pair of home stands, the Newark Yellowjackets rallied last Friday night to trounce the A. I. duPont High School, 64-56, on the Newark campus another squad of invading duPonts—the P.S. contingent walloped the Jackets at home in Newark on Tuesday by a 68-57 count.

Bob Downes, Yellowjacket forward, paced the offensive in both tests, racking up 15 points against the Tigers, and scoring 14 against the Dynahs.

In Friday's fray, the Jackets jolted the visiting A. I. duPont varsity with a 22-point, first period onslaught for a six point lead, and Coach Harry Squatrito's squad held the scoring edge in the next two quarters, 16-13, and 12-7. In the final period, the Tigers retrieved something for their evening efforts by registering a 20-14 advantage, too little, too late.

Seven of Eleven
Jim Martin, Newark guard, scored with seven out of 11 chances from the foul line, and with a trio of field goals, boosted the winning total by a large 13 points.

Ed Chase came through with nine more—converting three out of five from the line—and Wright Poffenberger rang up six points with three field goals.

Joe Lehman, Larry Biasotto, and Ray Klapsky scored four points apiece; Burt Chase contributed three more; and Mark Hurn, Bob Gore, and Lee Schaffer each scored a pair in the final total.

Bob Connell Wins Beagle Club First Field Trial Prize

The Eastern Beagle Club, Newark, held its monthly field trials Saturday on the S. Hallock duPont estate at Milford Cross Roads, with 33 hounds entered in two stakes.

Winners of the 13-inch class were: First, Connell's Princess, owned by Robert Connell, Newark; second, Keenan's Jolly, William Sisher, Jr., Wilmington; third, Cherry Place, Lucille Robert Tribbitt, Wilmington; fourth, Point Breeze Patience, John Eckrich, Mt. Cuba, and reserve, Gilliland's Chopper, William Betts, Hilmington.

Fifteen-inch class: First, Lane's Victor, owned by Oscar Lane, New Castle; second, Silvestor Star, Ector Scott, Newport; third, Hillside Mac, Frank McDermott, Wilmington; fourth, Sam, Jr., Norman Taylor, Bear and reserve, Grayson Hollow Rebel, also owned by Taylor.

Philadelphia Firm Plans Construction Outlet Near Bear

Giles & Ransome To Build
15,000 sq. ft. Structure
For Local Distributorship

The Philadelphia firm of Giles & Ransome, distributors of heavy construction equipment, plans to start construction of a local branch on a 15-acre tract about two miles north of Bear on U.S. Route 40, next month.

A 15,000 square foot building projected for this site will house a showroom, parts department, and service shop. It will be the first heavy construction equipment distributorship established in Delaware by the firm, which has been operating for nearly 40 years. Estimated cost of the structure is \$150,000.

P. A. Ransome, president, said that rapid growth of this area prompted the decision to open the new branch here.

He explained that with facilities near Wilmington the company will be able to serve better its many contractor and industrial customers in the Delaware and southern New Jersey areas.

City Council (Continued from Page 1)

Annual Audit

The firm of Haggerty and Haggerty was appointed to audit the city's 1954-55 accounts at a cost of \$1,100 with the provision that the auditors will review council minutes and trace financial authorizations to the books of accounts.

Council agreed, on the basis of a recommendation by the sewer committee, to repay Hugh P. Gallagher, Jr. the \$2,500.00 construction cost for 140-ft. of collector line from the city pumping station to the Silverbrook Development property to be developed by Mr. Gallagher's request for immediate city response for installation of the collector was refused because of the lack of available funds.

City Solicitor John Sinclair is to obtain an opinion from Newark's New York bond attorney, concerning the legality for agreed payment from a proposed bond issue, and will prepare an agreement between the city and Silverbrook Development, Inc., for payment of \$2,500.

The City of Newark for construction of the sewer collection line when the proposed new bond issue is approved, or within six months after completion of the 19th home in Silverbrook.

Revised Billings

Possible revised sewer charges for the Continental Diamond Fibre Co. and others equipped with multiple meters for recording water discharged to the sewer, were deferred pending further study and the compilation of additional data. Billings on the basis of the individual meters, rather than charges made on the combined total indicated from multiple metering, had been proposed as an additional source of city revenue.

Mr. Over presented a cost estimate of \$11,000.00 for providing water line, street paving, curb and gutter for Beverly Road residents. With no money available, decision was deferred pending consideration and approval of the annual budget, with the recommendation that some temporary relief be provided in graveling the roadway to permit passage of vehicles.

At Dover

Representative Henry Wolf (Newark, Rep.) reported that a bill had been introduced at the Dover General Assembly, providing state aid to municipalities for streets from proceeds derived from the state motor fuel tax—two cents a gallon return to the city for all gasoline sold within the city limits.

Council authorized the employment of a stenographer to assist the city manager and city engineer; and approved a one-bank account for the City of Newark with the general fund to be carried with the Newark Trust Company during the current fiscal year. Banking will be conducted alternately, annually, with the two local banks.

Treasurer's Report

A revised treasurer's report form was approved, including the reporting in simplified forms of the financial status of the City of Newark each month, and a subscription to Management Information Service of the International City Managers' Association was approved at a cost of \$75 per year.

A new order of business proposed by Mr. Over for the conduct of council meeting activities was approved, providing an early public hearing for members of the audience.

Reporting for the water committee, Mr. Maclary agreed to provide the solicitor with a description of the five acres of Continental Diamond Fibre Co. property for option by the City of Newark in the drilling of test wells for an additional city water supply. Mr. Sinclair is to proceed with negotiations for this property from Continental.

Councilman Samuel Diehl reported that Carl Rankin, chairman of the mayor's committee appointed to weigh the proposed bond issue, will call a committee meeting in the near future, inviting all councilmen to attend.

City Departmental Reports

City Manager Over presented oral reports on the activities of the various city departments, stating that in the future such reports would be presented monthly, in writing.

Included in recent activities by the street departments were the spreading of cinders on unpaved roadways, the cleaning of streets, collection of trash and ashes, and assistance rendered at the sewage disposal plant.

The electric department is replacing primary 2160 volt lines with 4140 equipment in strategic areas for eventual conversion, Mr. Over announced, and the engineering department has designed the box culvert at the Sunset Road entrance.

The engineering department is also working on the storm sewer for the West Park Place School, and is conducting a preliminary survey of all city streets with a view toward a complete paving program and water and sewer installations for all areas, to develop a cost picture of what is to be done.

No Permits

Councilman John R. Downes reported that water line extensions with three taps paid for by the developers, had been made in the Brookside area without permits from the local board of health, and Mr. Over advised that in the future, permits would be obtained before such work is undertaken.

Delaware Avenue Extension

The city manager reported that the State Highway Department had completed their survey of the proposed Delaware Avenue extension and that bids would be advertised early in April with construction scheduled to begin in May. Three of six rights-of-way have been obtained in connection with proposed construction of the new traffic artery.

A three-way agreement for a \$200 right-of-way and maintenance of a proposed roadway from the Pomeroy Realty's Newark Shopping Center onto North Chapel Street was referred to the solicitor for drafting, with the Pennsylvania Railroad holding the City of Newark responsible for a roadway, requiring similar responsibility from the Pomeroy firm.

High School Group Witnesses Senate "Dilly-Dallying"

Rollins Scores Senatorial Session Opening Delay On Newark Student Visitation

More than 75 Newark High School students saw what Lt. Gov. John W. Rollins termed, a "disgraceful" display of senatorial dilly-dallying at Dover last week in Wednesday's Senate session.

The students showed up promptly at 1 p.m. for the scheduled opening of the Senate session.

Mr. Rollins was there and so were two Republican senators, but no other members of the upper chamber were on hand.

Some Senate attaches were present but others, including the Senate secretary, were also among the missing.

Mr. Rollins was informed that the Democrats were still eating lunch. "Am I to understand," he asked, "that some one is giving a luncheon?" I want to say that we are happy to have these students from Newark High School with us—those of us who are here.

"I want to say that this isn't representative at all of how we operate. Normally we convene promptly at 1. But today we don't have a quorum. I don't know why we don't have a quorum but we are going to have to recess for lack of it."

"It's very hard for me to understand why there are so few of us here. It's awfully nice that you have come here to watch the Senate and I want to tell you we'll get down to business if and when we can get everybody rounded up."

The only senators present were Wilmer F. Williams (R-Roselle) and Robert E. Wilgus (R-Roxana).
