Dear Jimmy - Thanks for your note of July 18 and the enclosure - Elvira's remarks. It must be hard going at over 1000 without servants. We live in a new world - so many strange things happen.

I think I'm beginning to feel better - one day free - the next rotten. That at least is progress! Colitis and nervousness are a vicious circle that is hard to break. We just had a good week end in Cuernavaca - and yesterday was our 43rd wedding anniversary! Now time passes. I would like to write you a long letter but for the present am content with a scribble and I simply can't write a long letter by hand. I hope to get

set again shortly. Tell your father I will
write him as soon as I can get a re-
sult again - which I hope will be soon.

I hope you will have a good trip
with her mother. Marvin joins in much
love to you both & the family. Oppor-
tunity your letters -

always faithfully

Henry
