STUDENT CONTEST PLANNED BY LEGION UNIT

School Essay Contest To Be Sponsored By Legion Women

Plans for an essay contest to be conducted at the local school by the J. A. O'Daniel Unit No. 10, American Legion Auxiliary, were discussed at a meeting of the group this week at the home of Mrs. Lee Lewis. In charge of the contest is Mrs. Robert Davis, American Legion Chairman.

A Poppy Poster contest, under the direction of Mrs. John R. Fader, will also be sponsored by the unit at the Newark School.

Donations to the Visiting Nurse Association and to the Newark Ambulance Fund were also approved at the meeting.

The local unit's part in the recent nation-wide program conducted by the Legion Auxiliary to assist the destitute children of St. Die, France, which was pillaged and burned by the Germans in 1914, was reported completed.

The National Auxiliary agreed to assist over 1500 children of this town, a quota of 12 being assigned to Delaware. The Newark unit's project was Jeanne Paille, aged 9. An eleven pound package, individually wrapped and addressed to the child, and containing warm clothing, powdered milk, vitamin preparations, etc., was sent. This procedure was followed by Legion units throughout the nation.

TOWN TO ESTABLISH PARKING LOT

Council Orders Town Engineer To Begin Work

Plans for opening a parking lot behind the old Main Street school building, coupled with new one-hour parking restrictions on Main St. and portions of Academy St. which will go into effect "at a future date", probably after the opening of the parking lot, were approved by the Town Council at its Monday night's meeting. Work on the parking lot, which will have a 96 car capacity, will begin as soon as conditions of the ground permit, said Town Engineer Price. Details call for lights to be installed and a gravel bed laid over the area, which will have two entrances on Delaware Avenue. Trucks over three quarter ton will not be permitted to use the area. Estimated cost of the project is \$2000.

The one-hour parking restrictions, which will probably go into effect after opening of the lot, will include both sides of Main Street from Chapel to the B & O railroad between the hours of eight and six and on both sides of Academy Street between Main and Delaware Avenue also between eight and six. Parking restrictions are also planned for Delaware Avenue in the area before the college between eight and four.

Plans for the installation of parking meters on Main Street were also discussed by the Council, but action was postponed until a later date.

PLAY AT ASSEMBLY

Sullivan Play Leads

The 9A homeroom of the local high school presented a comedy, "Herby and the Mumps" yesterday under the direction of Esther Fouracre in the school auditorium. Charles Sullivan played "Herby".

Other members of the cast are: Douglas Rankin, Arthur Mayer, Joy Murray, Virginia Craig, and Virginia Wells.

The properties committee included John Pack, June Pack, John Pickett, Clifford Moore, Andrew Evans and Edward Bell. The make-up committee included: Marjorie Dain and Lorraine Robinson. Alleen Ritchie was chairman for the assembly, and Richard Wolfe played a violin solo. John Pack and Jane Trivitsa played a duet on the clarinet.

Parents and Teachers Join In Workshop Discussion Here

Parents joined the teachers last Thursday evening in a meeting of the workshop, which is being conducted in the local high school by Dean Earl Armstrong of Delaware University. The group discussed the advantages and disadvantages of various methods of grading the progress of children. Mr. Ross L. Neagley, superintendent of Mount Pleasant Schools, was guest speaker.

Parents present showed very definite ideas about this problem and stressed the importance of placing citizenship rating on an equal level with scholastic rating. After a very lively and heated exchange, it was generally agreed that a written review of accomplishments should be published two or three times a year instead of the issuance of letter-grade reports.

\$68,000 IN BUILDING PERMITS APPROVED

Council Hears Monthly Reports By Treasurer & Town Engineer

Four building permits totaling \$68,000 were approved at the Town Council meeting Monday night in the council offices. Largest was for a \$30,000 apartment house on New Street granted to R. Y. Taggart.

Permit for a \$20,000 store on Main St. was granted the Newark Farm and Home Supply and for a \$12,000 apartment house on S. College Avenue to Robert Wollaston. Oley Marshall was granted a permit for a \$6000 frame bungalow on Elkton Road.

Town Engineer Cleaver Price's report for February listed installation of a three-phase transformer at the Newark Lumber Company and another for the S & S Engineering Company on Cleveland Avenue.

One leak in service was reported repaired and another renewed.

During February, 15,745,400 gallons of water were pumped for a daily average of 562,443 gallons, an increase of 15,879 gallons daily over January and an increase of 1,419,900 gallons over February, 1945.

Town treasurer Vernon Steele's report for February totaling \$96,221.01, less disbursements of 14,478.76, and total cash on hand of \$81,742.25.

Electric light receipts for the month were \$753.95, electric power \$459.25, while water rents totaled \$7166.46.

UNIVERSITY SPECIALIST AT ROTARY

Pathologist Gives Talk On Insecticides

Dr. J. W. Heuberger, specialist in plant pathology at the University of Delaware, discussed plant insecticides at the weekly meeting of the Newark Rotary Club Monday evening, with president Sam Handloff, presiding. Program chairman was Dr. Thomas F. Manns.

Dr. Heuberger's talk, accompanied by movies and slides, covered various experiments and tests given a wide range of commercial insecticides by university specialists. Samples of the insecticides are submitted to the pathology department. It was said, by commercial organizations, which also sponsor fellowships at the university to carry on the work.

Visitors of the evening were: Richard L. Cooch, Doctor Davis, of the U. of D., and John Speicher.

Nominations for club officers will be held at next week's session which will also include a regular business meeting.

Representative Of Council Of Churches To Speak Here Sun.

Wilbert Smith, Executive Secretary of the Wilmington Council of Churches, will be the speaker at Men and Missions Night at the First Presbyterian Church this Sunday evening at 7:30.

Rev. H. Everett Hallman has issued an invitation to the general public to hear what promises to be an interesting address.

Special music will be provided by a male quartet at the church.

PLAY PLAN FOR NEWARK IS GAINING SUPPORTERS

Jaycees Plan Meeting To Form Association For Directing Program

Formation of an association to sponsor a recreational program for Newark will take place at a meeting planned by the Newark Junior Chamber of Commerce and open to the public at 8:00 p. m. Tuesday, March 19, at the Newark New Century Club.

Members of town and civic organizations have been invited to attend by the Jaycees, who are also urging all persons interested in this important community project to be present.

It is planned that the proposed association will, for the present, be empowered to administer a program during the summer months. Long-range goals call for the project to be turned eventually into a year around program.

George Sargisson, Executive Director of Recreation Promotion and Service, Inc., of Wilmington, will be on hand with expert advice on organizing various types of programs adaptable to facilities available here.

Officials expressed the hope that the association to be formed will be composed of members from all town organizations and interested individuals.

H. S. HEAD HONORED BY ARMY

Kutz Awarded Army Ribbon Of Commendation

The Army Commendation Ribbon has been awarded Frederick B. Kutz, principal of the Newark High School, for his interest, initiative, and devotion to duty shown while serving with the Ground Forces during the war. Mr. Kutz received notice of the honor recently in a letter from Maj.-Gen. D. A. Stroth, at Army Ground Forces Headquarters.

Mr. Kutz returned last fall to his duties at the high school following his discharge.

Text of the letter follows:

"You are commended for meritorious service from 30 September 1944 to 4 September 1945 with the 3rd R. Regiment, Army Ground Forces. The interest, initiative, devotion to duty, and efforts to achieve efficiency which you demonstrated in your assignment were exemplary of the best traditions of a non-commissioned officer and were a compliment to the high standard of service required by the United States armed forces.

"In accordance with the provisions of the war department you are hereby authorized the Army Commendation Ribbon by direction of the Secretary of War. A copy of this commendation will be placed in your permanent military record."

FARM GROUPS MEET TODAY

Poultrymen Meet Mar. 7-11

Two important poultry meetings will be held in New Castle County on March 7 and 11. Due to the unsettled condition in the poultry business, the Delaware Poultry Improvement Association in cooperation with the University of Delaware Extension Service is sponsoring meetings at State Road Chapel (near State Highway Garage at intersection of Dover and Baltimore highways) on Thursday, March 7, and at Recitation Hall (county Agent's Office), Newark, on Monday, March 11 at 8 p. m.

A program featuring the current problems and future plans of Delaware poultrymen, has been prepared.

1. Discussion of Delaware Poultry Improvement Association by J. Frank Gordy, State President.

2. Remarks on the "The Feed, Egg, and Broiler Situation", by W. C. Skoglund, Extension Poultry Specialist.

3. Looking ahead in Poultry by Prof. A. E. Tomhave, Head of the Poultry Dept., University of Delaware.

WELFARE HEAD TALKS AT CENTURY CLUB HERE

Family Welfare Society Leader Describes Work To Clubwomen

Miss Ethelred B. Mullin, head of the Family Welfare Society of Wilmington, described the methods and work of that organization to members of the Newark New Century Club at their regular meeting Monday afternoon.

Tracing the similarities and differences in public and private agencies, Miss Mullin further described the great load both are carrying at the moment due to the influx of discharged veterans temporarily at a loss in civilian life. The difficulties such individuals and their families are facing due to increased cost of living and domestic dislocations resulting were also touched upon by the speaker. Mrs. Walter Hultihen was program chairman.

Edward McCully, representing the Newark Junior Chamber of Commerce, was present to urge Century Club members to support the move now underway for reestablishing a recreational program in Newark. The group agreed to send representatives to the March 19 meeting sponsored by the Jaycees at which an association to direct the program will be formed.

Mrs. Richard Snyder presided at the business session at which the club pledged \$25.00 to the Red Cross.

Mrs. R. W. Heim was tea hostess, assisted by Mrs. Harvey Steele, Mrs. W. C. Skoglund, Mrs. M. D. McMullen, Mrs. Rollo Taylor and Mrs. Edward Richards. Mrs. Victor Patterson and Mrs. Arthur Jackson presided at the tea table which had as a centerpiece a low chrysal bowl of bright spring flowers.

WILDER'S PRIZE PLAY TO BE NEXT E 52 DRAMA

Reservations For 'Skin Of Our Teeth' On Sale March 11

The production of Thornton Wilder's "THE SKIN OF OUR TEETH" by the E 52 Players at the University of Delaware on March 21 and 22 promises to be one of the most exciting theatrical events of the season in Delaware. Although the Box Office will not be open for the making of reservations until Monday, March 11, the public is already showing much interest in this unique theatrical offering which dropped like a dramatic bombshell on the New York stage in the Fall of 1942 and later that season won for its author his second Pulitzer Prize. "OUR TOWN" gave Thornton Wilder his first Pulitzer award. It was enthusiastically received by Delaware audiences when it was produced in 1939 by the E 52 Players.

"THE SKIN OF OUR TEETH" is the history of man and his ability to exist by the skin of his teeth. Thornton Wilder has abolished space and expanded Main Street into the Universe. Mr. and Mrs. Antrobus are the eternal Mr. and Mrs. Their maid-of-all-work Sabina who becomes Miss Atlantic City 1946, is the eternal Dorothy. Henry, their son, is the eternal Dead-End Kid.

In Act I Mr. Antrobus, having invented the wheel and fixed up the alphabet, returns to his home in Excelsior, New Jersey to find that the Ice Age has arrived. In Act II we find him in Atlantic City for the 600,000th annual convention of the Ancient and Honorable Order of Mammals, Subdivision Humans. Elected President, he swaggers about backslapping his lodge brothers and falling for a bathing beauty. Then the flood comes. In Act III, at the end of the war, or wars, he returns to his home in Excelsior, New Jersey, exhausted but eager to build a new world.

Reservations for "THE SKIN OF OUR TEETH" may be made through the Box Office in Mitchell Hall which will be open daily from 3 to 5 and from 7 to 8 p. m., except Saturday and Sunday, beginning March 11. For telephone reservations call Newark 511 and ask for Mitchell Hall. The evening telephone number is Newark 8001. Telephone reservations will be held for 48 hours only.

FIVE NAMED TO WORK ON ZONING LAW FOR NEWARK

Commission Appointed At Council Meet Monday Nite

F. A. Wheelless has been appointed chairman of a commission of five to work with outside experts in drawing up a Zoning Law for Newark. The appointment was made by town council members at their monthly meeting in the council offices Monday night.

Others named to the group, which will serve without compensation, are: H. L. Bonham, Harry C. Boden, Harry Dawson and W. B. Swan. All previously signified their willingness to undertake the job in letters to the Council.

The group will work in cooperation with experts of the Institute of Local and State Government, University of Pennsylvania, who have been called in by the Town Council to assist in drawing up a zoning plan and regulations governing the improvement of undeveloped property for the town.

Once a complete zoning law has been drafted and placed in operation by the Council, the group will probably become a full-fledged Zoning Commission.

The Institute's specialists are also working on a draft for a new town charter which, it is planned, will be completed by December 1, 1946 in time to be presented at the next session of the General Assembly.

Problems arising from the possible future disposal of George Read Village were also considered at the meeting. In the event of the sale of the project to private owners when responsibility for maintenance of streets and utilities might pass to the town, it was moved by Council that, if any improvements should be found necessary to bring such utilities, including light and water, or in the streets now installed or to be installed, up to the standards and specifications required by the town, such improvements be handled at the expense of the owners or developers of the property before the town will assume responsibility for their upkeep.

FILM TO BE SPONSORED

Sunday At State Theatre

Through the courtesy of the Ursuline Nuns in charge of Sunday School at St. John's R. C. Church and with the cooperation of the State Theatre management, the "Song of Bernadette" will be shown at the theatre following 10 o'clock mass this Sunday.

While primarily for the benefit of the Sunday School children, the film is open to adults and other children whether or not members of the congregation, it was said.

It was also announced that the daily mass throughout Lent will be said at 8 o'clock.

Committees are hard at work on arrangements for the Annual St. Patrick's Day Frolic and Dance to be held at the New Century Club the evening of March 18th. A diversified program will be offered, including bingo. The feature of the evening will be the awarding of six pairs of nylon hose.

AGRONOMY RESEARCH CHIEF IS APPOINTED

C. E. Phillips Succeeds E. C. Dunkle At University

Dean G. L. Schuster of the School of Agriculture of the University of Delaware has announced the promotion of C. E. Phillips, Associate Research Professor in Agronomy and Agricultural Engineering, replacing Professor E. C. Dunkle, who has resigned and will return to farming in Pennsylvania.

Mr. Phillips is a graduate of the University of Delaware, receiving his Bachelor's Degree in 1921 and his Master's Degree in 1923. Mr. Phillips has completed 21 years of service in the Agronomy Department of the University. From 1921 to 1923 he taught farm crops as a member of the Rehabilitation Division. Since 1927 he has been engaged in research in field crops and fertilizers for the Delaware Agricultural Experiment Station. The intervening years were spent in farming and the seed business in Delaware and Maryland.

Mr. Phillips, born and reared on a Sussex County farm, is particularly well known to the farmers of Delaware for his work in pasture management, hybrid corn and grasses and for his work as a specialist in the Extension Service for the last 4 years. He is responsible for the Seed Certification Program in Delaware and is now serving as Secretary of the Delaware Crop Improvement Association.

Mr. Phillips is known outside Delaware having represented the interests of the state in the wartime fertilizer problems. He also is serving at the present time as a member of important committees of the Northeastern Corn Improver's Conference and the National Fertilizer Committee of Fertilizer Application.

Mr. Phillips will take over the duties of the Department on March 15.

SIX FIRES REPORTED THIS WEEK

Five Are Field Fires; Little Loss

Six calls, five of which were for field fires, were handled by the Aetna, Hook and Ladder Company the past week.

On Wednesday morning, a large grass and woods fire, which eventually burned an area covering between five and six hundred acres, broke out in the section near Roseville Park and Polly Drummond Hill. The fire company was called once around 10 o'clock and again at noon. The blaze lasted about two and one-half hours. The flames were started, it was said, by burning rubbish.

Early Sunday morning, fire broke out among old papers stored in the rear of the Newark Newsstand. The flames were extinguished with an estimated loss of \$25.

Mid-afternoon on Sunday, a blaze was started on the William Wollaston estate on Poppermill Road. There was no damage, it was said. At 4 o'clock Sunday, a call was received for a grass fire near the Ogletown school house and the John Kennelly property.

On Monday, a grass fire burned out a large area on the Beagle Club and Essmer Wilson properties at Milford Cross Roads. The Christians and Hockessin companies were called in addition to the Aetna.

STUDENT IS CITED

Verdell C. Short, University of Delaware student, formerly of the 104th (Timberwolf) Infantry Division, received the Silver Star last week.

The presentation was made in the Sigma Nu fraternity house by Maj. recruiting officer. The former technical sergeant was cited for heroism in voluntarily leading a patrol to eliminate two German machine-gun companies which were hampering the rescue of wounded men. The incident took place on Nov. 20, 1944, near the German lines.

Ambulance Fund Drive Is Reported Successful

While last minute contributions to Newark's ambulance fund drive, which ended last weekend, were still coming in, fire company officials said yesterday that returns tabulated thus far indicated the campaign would be highly

successful.

Thanks for the fine cooperation of canvassers and solicitors and for the generous donations from the public were extended by those in charge.

The order for the new ambulance has already been placed, it was said, but there is no indication as yet when it will be delivered.

MORE TELEPHONE SERVICE FOR FARMERS

and the kind of service farmers want

Rural telephone service is more highly developed in this country than in any other country in the world.

But we aren't in the business of resting on laurels won, and one of the main objectives of our \$5,500,000 expansion program is to give more and more farm families finer and finer rural telephone service.

A big program for extending service to farm families was interrupted by the war. BUT NOW A BIGGER PROGRAM IS UNDER WAY.

Right now some 37 percent of the farms in our territory have telephone service. Since 1935, the number of rural telephones has increased nearly 120 percent.

New facilities, new methods, and new ideas have been developed to give them and the world a new concept of just how fine rural service can be.

A new, high-strength steel wire, for example, will enable us to allow longer distances between poles, thus extending lines into isolated areas not previously covered.

But all this won't grow like crops. It's one of the most complicated jobs on our program. Its completion will take materials, manpower, and time.

We're at it today... and we'll keep at it until it's done.

We are determined to give farmers in the rural areas we serve all the telephone service they want and the quality of telephone service they naturally expect us to give.

Here are
THE THREE OBJECTIVES
of our
\$5,500,000*
EXPANSION PROGRAM

1. To end all waiting lists for telephone service.
2. To provide the people of this State—city people and farmers—with finer and finer telephone service.
3. To make available the many new developments in communication, pioneered by the Bell Telephone Laboratories.

*Part of the Bell System's two billion dollar Expansion Program.

USDA CHIEF ECONOMIST TO SPEAK AT RURAL MEET

Dr. Miller To Discuss Parent And Son Relations

Dr. Leonard F. Miller, Senior Extension Economist of the U. S. Dept. of Agriculture, will be guest speaker at the March meeting of the New Castle County Older Rural Youth Group. At this meeting, to be held March 11, at 8 p. m., at the Middletown High School, Dr. Miller will discuss parent and son relationships as they effect families in rural life. A period will be set aside for questions and discussion with Dr. Miller.

The Older Rural Youth Organization welcomes rural young people of New Castle County who are interested in the educational and recreational programs that the group has to offer. Any person interested in joining the group is invited to attend a regular monthly meeting and contact one of the following people for further information concerning the organization: Norman Collins, Middletown, President; Miss Hannah Mitchell, Hockessin, Secretary; or Maurice B. Field, 4-H Club Agent, Newark, Delaware.

Future plans for the group include an educational tour of the experimental farm at Beltsville, Md., sometime in March; and a Square Dance, in March or April. Announcement will be made when these events are scheduled.

Regular Services At Bible Presbyterian Church

The regular services of the Bible Presbyterian Church will be held on Sunday, March 10th.

Sunday school under the direction of Mr. H. Lloyd Yarnall will begin at 10 a. m. At this time there will be classes for all ages, studying the International S. S. lesson, National Disaster and Deliverance. The morning worship service begins at 11 o'clock with the pastor Rev. Thomas Cross speaking on "Christ in Third John". The Young Peoples Fellowship will meet at six in the evening with Mr. G. Howell Gerow leading. The evening service will conclude the day at which time the pastor will use as his theme "God's Faithfulness in The Hour of Temptation."

On Wednesday at 3:30 Children for Christ will meet and at eight o'clock in the evening the mid week prayer service will be held.

Waiting List at Vets' Hospitals Grow 40 Pct.

The waiting list at Veterans Administration hospitals increased nearly 40 per cent — from 12,220 to 17,015 — in January, the agency reported recently.

At the same time, the number already being cared for reached a new high of 80,756 in hospitals and 11,326 in administration homes. Only about four per cent of those seeking hospitalization had ailments connected with military service, the agency's statement said.

James Dugan left the service of Delaware Coach Company to enter the Army in February, 1942. After basic training in a large Southern military center, he received advanced training in the Western desert, and was shipped overseas in August, 1944. A member of the Transportation Corps, his duty took him to Germany, France, Holland, Belgium and Luxembourg. His decorations include the Good Conduct and European Theatre of Operations Ribbons with two Battle Stars.

A VETERAN SPEAKS . . .

"Among the things I missed when I was away from Wilmington was the convenience of our buses and coaches. In the cities near where I was stationed during training, it was easy to notice the difference between their service and ours."

Following his honorable discharge from the Army, James Dugan returned to work with us

in October, 1945, as a driver on the South Harrison Street Line. Like the other veterans now back with us, he's glad to serve you, our passengers . . . to provide convenient, comfortable and dependable transportation for you. We're glad to have Dugan back, and we look forward to the return of other employees who are still in the service of their country.

NEW STATE GUARD PLANS CONSIDERED

Officers Join At Meeting Here In Country Club

Former commissioned officers of the pre-war national guard began organization of the new Delaware National Guard this week at a meeting in the Newark Country Club.

Registration of the former officers for service was begun when more than 30 Delaware officers, including some with full World War II service, signed with the new national guard.

Plans for the organization which include use of a portion of the New Castle Army Air Base, were outlined by Brig.-Gen. Paul R. Rhoad, the Adjutant General, Delaware and Col. John B. Grier, U. S. property and disbursing officer for Delaware.

The tentative organization table provides for a total of 2,694 officers and men, of whom 181 will be commissioned officers; 14 warrant officers and 2,499 enlisted men.

First step was securing applications for service from officers of the former Delaware National Guard, officers commissioned in World War II, and enlisted men.

Plans provide for obtaining officers and men first for the state staff and headquarters company, then efforts will be made to obtain 25 per cent of the number of officers and 10 per cent of the enlisted men for the proposed military units.

STUDENTS ELECTED BY STATE GROUP

3 High School Girls Officers Of Homemakers Grp.

Three girls from the local high school were elected state officers of the Future Homemakers of America at a state meeting held Saturday at Dover High School, Dover.

Helen Jezyk, was elected vice-president; Jean Pennington, secretary; and Dorothy Ford, reporter.

The Future Homemakers of America is a national organization formed last year, with Newark High School a charter member. The local club was organized in the fall of 1945 and was affiliated with the national group in January 1946.

Delaware's 4-Fs To Be Reclassified March 14

By March 14 the Selective Service Headquarters, Eighth and Wollaston streets, expects to have reclassified Delaware's entire 4-F population, was announced recently by Col. Albert W. Foreman, director. This is in accordance with the directive issued February 14 by General Lewis B. Hershey, director of the national Selective Service.

Until that is done, he said, it is impossible to calculate in advance how many 4-Fs are in the State.

In the meantime individual medical examinations are being given to the local 4-Fs and their physical requirements being reduced to that of men in limited service.

Afternoon Services At Head Of Christians

Services will be held in the afternoon at the Head of Christians Presbyterian Church on Sunday. Sunday School will begin at 1:30 and the church service will follow at 2:30.

Frank H. Butterworth, superintendent, will be in charge of the Sunday School. The lesson topic will be "A People in Confusion".

The pastor, Rev. Evan W. Renne, will deliver the sermon at the church service on the subject "Temptation and The Tempter", another in the series of messages on the Lord's Prayer. The choir will present special music.

The next quarterly communion service will be held Sunday, March 31 at 11:00 a. m.

DELAWARE FARM FRONT THIS WEEK

A plea for increased production of cotton textiles, to permit American cotton to compete for the large existing markets, was made by Secretary of Agriculture Anderson (Feb. 20) in a meeting with representatives of the cotton textile mill industry and Government agencies. At the peak in 1942, he said, we were consuming at the rate of 12 million bales a year; at the current rate, we will no more than use the amount we produced last year — a relatively small crop of 9 million bales.

Price increases have been general in all lines of clothing but they have varied for the different types. Some outstanding examples of increases between June 1939 and June 1945 are shown by the Bureau of Labor Statistics index, as follows: Women's percale house-dresses, 135 percent; Men's shorts, 110 percent; Men's cotton pajamas, 106 percent; Women's cotton nightgowns, 89 percent; Women's cotton street dresses, 75 percent; Men's cotton work shirts, 71 percent; Men's overalls, 60 percent; cotton percale yard goods, 63 percent.

Peru, which has been supplying the United States with a large part of its supply of rotenone during the war years, is planning to increase future production, according to the Office of Foreign Agricultural Relations. Indications point to an annual production of more than 7,000,000 pounds of barbasco roots, from which rotenone will be obtained. This would more than double Peru's output prior to Pearl Harbor, when the United States was importing half its rotenone from the Far East.

Since 1942, Peru and Brazil have supplied the United States with nearly all of the rotenone that is now being used as an insecticide in agriculture. Last year Peru supplied 5,919,067 pounds of crude and partially ground roots, and Brazil furnished 598,831 pounds.

The Peruvian rotenone industry is centered in the Upper Amazon area. Shipping through the port of Iquitos has increased rapidly. The increase in demand has occurred largely within the last 15 years, when demands of the United States for rotenone as an insecticide provided an increasingly big market. A 4-yr. agreement between the United States and Peru, signed in 1942 and providing sufficiently attractive prices, stimulated expansion of the industry to help supply the United States market.

RED CROSS HOPES TO TOP QUOTA BY SUNDAY

Over 100 Canvassers Cover Town This Week

With over a hundred volunteer solicitors canvassing all residents and business establishments in Newark and surrounding areas this week, Red Cross officials, headed by Dr. John R. Downes, general chairman for the area No. 1 drive, announced their intention of attempting to reach their \$7500 goal by this Sunday, which will mean that Newark, as it was last year, will again be one of the first communities in the state to go over the top.

The drive opened here last Thursday evening when 65 committee members, captains and workers attended a subscription dinner at the Methodist church.

Mr. J. K. Johnston, chairman of the Special Gifts Committee, introduced the speaker, Hudson D. Dravo, former captain in the USNR and now a member of the Board of Directors and Committee on Home Service. Captain Dravo stressed the importance of support for the Red Cross so that their good work of rehabilitating returned veterans can be continued. During his service in the Navy, Captain Dravo encountered many instances of the aid the Red Cross workers gave to our men abroad and at home. He also stated that assistance is still vitally necessary for other countries.

Mrs. R. Blair Myers, Executive Director of the Delaware Chapter, attended the dinner and also stressed the importance of the campaign. Miss Priscilla Mathews and Miss Claire Watson, Volunteer Motor Corps, and Mr. Samuel Ballaloff, assistant, presented a Red Cross News film which showed some of the current work of the Red Cross.

Captains and workers, in addition to those already announced, are:
Zone 1-B — Mrs. A. E. Wyatt, and Gordon Cleaves, Mrs. Ellsworth Carr, Mrs. J. McNeal, Mrs. Douglas Mylrea, Mrs. C. T. Brasher, Mrs. John Miller, Mrs. Charles Zittle, Mrs. Fred Kutz, Mrs. Glifton Knotts, and Mrs. Jay Steiner.

Zone 3-A — Mrs. Wilmer Shue, Mrs. A. Ayers, and Mr. J. Handloff.

Zone 6 — Mrs. Manns and Mrs. Gregson.

Zone 13 — Mrs. Pearl Williams.

Zone 17-A — Mrs. J. M. Garner, Mrs. W. S. Martin, Mrs. A. E. Tomhave, Mrs. Irene Reed, Mrs. Leon Potts, Mrs. Harvey Robertson, and Mrs. Edward Usinger.

Zone 18 — Mr. Walter Walstrom and Mr. Sewell Jamison.

Zone 19-B — Mrs. Kathryn Stevens.

Zone 21 — Miss Nell Wilson, Mr. John S. Hopkins, Jr.

Zone 25-B — Mrs. J. W. Westwater.

Zone 29 — Miss Evelyn Knotts, Miss Helen Majcher, Miss Bernita Short, Miss Elizabeth Kaiser, Miss Frances Commins, and Miss Jane Platt.

Zone 30 — Mr. Arch Robinson, Mr. Richard Aydelotte, and Mr. Harold English.

Dr. J. R. Downes, chairman of the general drive, requests that captains turn in funds at the County Health Office, 132 West Main Street, Sunday evening, March 10th, between 7:00 and 9:00 P. M. It is hoped that the people of Newark will support this drive with their usual generosity so that the splendid work of the Red Cross can be continued at home and abroad.

SEA SCOUTS' ACTIVITIES

Attend Sports Show In Phila.

Monday evening the Sea Scouts of the good ship Growler, Newark Troop 56 Boy Scouts, attended the Motorboat and Sportsman Show held at the Commercial Museum in Philadelphia.

Those in the party were Skipper John Cronin and Scouts Jack Fossett, Joseph McCormick, Ronald Ewing, Donald Boyden, Clifford Moore.

Sea scouting is relatively new in Newark but the boys have made a fine start under the able leadership of Mr. Cronin and have many interesting activities planned.

Newark Officer Released From Army Air Forces

First Lieut. Leroy C. Hill, Jr., of Newark, who was commissioned in the Army Air Forces in November, 1942, has been released from the service at Fort Dix. After serving in England, he returned to this country and for a time was an instructor at the Dover Army Air Field. He formerly was employed in the purchasing department of the Continental-Diamond Fibre Company.

Former editor Charles H. Rutledge contributes the fact that Mr. and Mrs. Charles W. Snyder, formerly of Deerpark, are newcomers to Newark, having purchased a residence at 100 East Park Place. Mrs. Snyder is the daughter of the Warren Chew Woods, of Germantown. Mr. Snyder is well known in banking and fraternal circles of Delaware and Pennsylvania and is auditor of the Wilmington Trust Company.

Modest Mike Gillespie, a student at Merceburg Academy writes in to advise us that an item published last week crediting him with being appointed a member of the Board of the Karux, Merceburg yearbook, was in error. The honor rightly belongs to another Merceburg student named George Gillespie. . . . academy officials had the names confused when submitting the item for publication last week. Thanks, Mike.

Items of comment, other than actual facts, published in this column are strictly personal opinions of the writer and, as such, quite often do not coincide with views of all our readers. . . . nor are they meant to.

The purpose of this weekly effort is to provide readers with a few moments of relaxation, and possibly enjoyment, from the monotony of their daily routine. Merely because we think and say a picture, play, book or happenstance is good, bad, or indifferent doesn't make it so. We like and welcome differences of opinions and replies to comments made herewith. If everybody thought and reacted alike, 't would be a dull world indeed.

Hence, we are gratified, this week, to receive the following rather caustic comment of one W. D. Geoghegan, of Christiansburg.

"In the issue of Thursday, February 21, of the Newark Post in the Wareabouts column the following statement is made: 'If you want to spend a dull evening, try wading through 'Brideshead Revisited'.' Recommended reading: 'Arch of Triumph'." . . .

"I do not call this to your attention merely because my opinion happens to be totally different from yours. Merely because I threw Remarque's latest effort into the fireplace after trying several times to read it. Or merely because I read Waugh's work at a single sitting, and loaned it to friends for their enjoyment.

"What I am interested in is this: What are your principles with respect to literary criticism? And, how does one find out about them? It is obvious that, in a column devoted to the most part to local chit-chat, and inconsequential trivia, that one does not expect a full-blown book review.

"But the result of a critical process of one sort or another does appear, and a reader has every right to know just how it was arrived at. If you would care to enlighten me on this subject I should appreciate it very much."

Well, Mr. Geoghegan, you were never more right in your life than when you said this is a "column devoted to the most part to local chit-chat and inconsequential trivia" . . . that is definitely and emphatically what we attempt to do. That you find it so, is encouraging for obviously if one of your intellect finds it at least worth reading the rank and file of our subscribers must also read it.

That this column is approved, enjoyed or agreed with we care not one whit. That it is read at all is a compliment and an accomplishment of purpose.

But, about "Brideshead Revisited". Since it rates high on the approved list of several recognized critics, the book must have something. As for ourselves, we attempted to read it and gave up in disgust after two hours of concentration unrewarded by even a glimmer of interest, to us.

We arrive at a conclusion, or opinion, by the simple process of our mental reaction. If a work fails to interest, enlighten or intrigue us, we think it not worthy of recommendation. Our statement about "Brideshead Revisited" quite obviously was not a literary criticism in any sense of the word as we definitely did not comment on the book or its author other than by inference. On the other hand we found Remarque's "Arch of Triumph" exceedingly interesting. . . . maybe it's because we have such common taste and that we read merely for relaxation and the pleasure of reading human, commonplace trivia, trash or whatever-you-call-it.

However, as regards the public opinion and acceptance of the two works in question, they are both current best sellers. That Remarque's "Arch of Triumph" is being made into a movie is in itself sufficient proof that it is popular and has sufficient public interest to assure box-office appeal.

In answer to your first question, "What are your principles with respect to literary criticism?" Let's just say that we don't have any principles in this respect. What we enjoy, we like. What seems dull to us, we dislike.

The Chester (S. C.) Reporter ran a story about an angry reader beating up the local newspaper editor with this headline: LET'S NOT HAVE ANYTHING LIKE THIS IN CHESTER. . . . ditto Newark.

Roger Babson's 1946 Almanac predicts that President Truman will lose control of Congress and that the November election will show marked Republican gains. . . . looks like the first part of this forecast is coming true without much delay.

16-GAME BASEBALL CARD ANNOUNCED FOR BLUE HENS; PRACTICE OPENED MONDAY

Coach "Shack" Martin Returns From Service To Take Over Baseball Nine At University; Season Opens With U. Of Conn. Game Here On April Second

With Collegiate post-war athletics moving into high-gear, baseball already began to take over the sport's limelight on the University of Delaware's campus last week as W. D. Murray, Director of Health, Physical Education and Athletics announced a 16-game baseball schedule for this spring.

Diamond practice began Monday in preparation for the season's opener against the University of Connecticut, here on April 2.

Another back-to-normal sign was the return of W. S. "Shack" Martin, released from active duty with the Navy only last month, who has taken over tutelage of the Hen nine. He formerly handled baseball here in 1942.

The Blue and Gold nine will be playing in the Middle Atlantic States Athletic Conference and fourteen of its games will be with league opponents. The only two non-conference contests carded are with the University of Connecticut on April 2 and Temple University on May 25.

Unlike the Middle Atlantic Basketball Conference there will not be two separate divisions for baseball. Members of the Conference will not meet every other member on the diamond, but in order to be considered for the Conference championship, a member team must have met at least four different league opponents and must have played at least eight conference engagements.

Of the thirty-four candidates now expected to turn out for the baseball squad, only four are former lettermen. They are: Gerald ("Young Doc") Doherty, an outfielder, Phil Doherty, third baseman; Luke Selby, first baseman; and Charlie Griffith, another outfielder.

Eighteen of the candidates are ex-servicemen including all four of the lettermen.

Baseball Schedule — 1946

April 2, University of Connecticut, home; April 17, Drexel, Phila. Pa.; April 20, Lehigh, home; April 24 Washington, College, Chestertown, Md.; and April 27, Johns Hopkins Baltimore, Md.

May 1, Haverford, home; May 4, Swarthmore, Swarthmore, Pa.; May 8, Haverford, Haverford, Pa.; May 11, Drexel, home; May 15, Washington College, home; May 18, Johns Hopkins, home; May 22, Franklin and Marshall, home; May 25, Temple, Phila. Pa.; May 29, Pennsylvania Military College, Chester, Pa.

June 1, Franklin and Marshall, Lancaster, Pa.; and June 4, Ursinus, home.

STOLEN CAR RECOVERED

Found Here By Local Officer

Town officer Norval R. Robinson recovered an automobile Sunday afternoon that had been stolen last Friday evening from in front of the home of Mrs. Elizabeth Mitchell of West Grove, Pa. The car had been reported stolen to the Pennsylvania police and Officer Robinson investigated the machine which had been parked on New London Avenue since the same night.

He found the keys in the car and gasoline ration books in the name of Elizabeth Mitchell, West Grove, Pa. Upon contacting the West Grove police he was told that the car had been stolen. Pusey Sharp of the West Grove police department came to Newark and took the car back.

Local police believe that the person who brought this car to Newark are the same thieves who stole a car owned by Mrs. Thomas Milliken the same night.

Daylight Saving Time Effective Here April 28

Newark will again go on daylight saving time this year, it was decided by town council members at their Monday night meeting here. Date set for the change-over is April 28.

The move is timed to bring Newark in line with Wilmington and other communities in the area.

light epidemic of thievery with a couple of cars reported stolen within the past few days. Burglars also forced entrance into the Newark Electric Light Company building last Friday night and got away with a radio and an electric iron. . . . both of which were recovered in pawn-shops in Wilmington.

A classified advertisement appearing recently in the Lamar (Mo.) Democrat read: "Wanted: someone to stay with my wife, mostly at night. Good Wages". Now that really sounds democratic all right, doesn't it?

JACKETS CLOSE WITH WIN OVER OXFORD

Newark Winds Up '46 Court Season With 56-38 Victory

Newark High's Yellow Jackets rounded out their '46 basketball season Tuesday night in the same manner in which they opened a victory over Oxford High. This time the count was 56-38, with the local lads grabbing a sizable lead in the opening quarter and holding it throughout the game.

Captain Eugene Schaen and Bob Gregg were the top point producers for the Jackets, Gregg flipping in 9 action goals and three penalty tries for 21 counters, while Schaen tucked away eight action shots for 16 points.

In the prelim, Oxford's JayVees downed Newark JayVees 32-29. In two previous tilts this week, Newark topped Middletown last Thursday and fell once again before P. S. duPont by another hair-breadth score 48-47. For a while in the latter fracas, it looked as if the Jackets might gain sweet revenge. The locals led by five points as the final quarter opened, but the Dynamiters pulled themselves together and broke forth in a scoring flurry which gave them a four-point lead with one minute to go. Again Newark threw a scare into the Wilmington lads, when Cossetti and Schaen tossed in fowls.

Cossetti and Schaen were the scoring big-guns in the Newark attack, Cossetti knocking 20 points with 9 action shots and two fouls.

FRANCIS COCHRAN'S LITTLE CREEK DOTTIE TAKES FIRST HONORS IN BEAGLE TRIALS

Two Events Run Over Eastern Beagle Club's Course At Milford Over Week-End; Derby Day Trials On Saturday Followed By Monthly Runs On Sunday

Outfooting and outsmarting four sets of braccimates, Little Creek Dottie, owned by Francis Cochran of Newark came up as winner at the monthly A. K. C. sanctioned, Class B field trials Sunday by the Eastern Beagle Club over its course on the estate, S. Hallock duPont at Milford Cross Roads.

Little Creek Dottie is out of Concord Connie and is sired by Field Champion Champney's Mack.

Second place in the 13-inch class was taken by another local hound — Oakdale, owned by Edgar Lawson, Newark.

Harvest Son of Shantagonie, owned by J. Wallace B. Pollitt, Salisbury, Md., was the winner of the 15-inch class.

13-inch class — third, Oakwood, owned by Clyde Robinson, Newark; fourth, Duchess of Nut Hill, owned by Donald West Grove, Pa.; reserve hound, W. lawn Hope, owned by Gus Mayer, Wilmington.

15-inch class — Second, Chesapeake, owned by Raymond V. Buckham, Newark; third, Becker's Hi Star, owned by J. Pollitt, Salisbury, Md.; fourth, Fort McArthur, owned by J. W. Jitt, Salisbury, Md.; reserve hound, North Wood Bonner, owned by A. Hudson, Selbyville, Del.

Clearview Patsy Ann, owned by Mullins of Boxwood, was judged a winner of the 15-inch derby of Beagle Clubs over the course Saturday.

Both the Atlantic Association of Beagle Clubs, with 13 member clubs, and the Eastern Federation of Beagle Clubs, with 17 member clubs, held their annual spring derby trials yesterday with an entry list of hounds.

Local hound placing in the was Oakwood Tiny Amy, owned by Raymond V. Buckingham, Newark, who placed second in the 13-inch derby of the Eastern Federation.

TWO VETS ATTENDING HIGH SCHOOL

Both Plan To Enter College

Two veterans, Marvin E. Atkinson and Richard Hoffecker, have recently taken their places in the ranks of the high school students and, contrary to reports from veterans attending other high schools, have found the Newark High School stimulating and are in the presentation of its course.

Marvin Atkinson, who expects to enter Delaware University in the near future, is now reviewing courses in English and mathematics.

Richard Hoffecker asserted that he had the majority of his subjects, mathematics, English, and civics, to be from juvenile. If matters proceed satisfactorily, Mr. Hoffecker may also attend college.

Both boys are formerly of Newark and both have seen action.

Though in different outfits they saw action either daily while in the Society Islands and New Hebrides. From the New Hebrides Hoffecker went on to the Solomon Islands, and Atkinson was sent to Europe to join occupation forces in the Saar Valley. From the Saar, Atkinson was shipped home, but Hoffecker was transferred to the Philippines and later, home.

Hoffecker served for five years and six months; Atkinson, five years and six months.

OPA Acts To Increase Men's Suit Supplies

Seeking to increase supplies of men's suits, OPA recently revised its maximum average price regulation covering worsted fabrics.

OPA said it could not estimate by how much production of worsted fabrics for suits might be increased under the revised program.

The purpose of the order, an OPA spokesman said, "is simply to remove any production impediment that might have been caused by Map." This will be accomplished, he added, by freeing fabric producers of the requirement that the average price of their total production be no greater than it was in the base period.

Building In February Sets Five-Year Record

The office of Building Inspector M. J. Fidance experienced the largest volume of February business in five years in the month just ended. The cost valuation of 71 permits issued amounted to \$309,743, which compares with the amount of less than \$40,000 last year.

For the first two months of 1946 the cost values of permits aggregated \$567,628, also the best comparable figure for five years. Figures for the past four years covering the first two months are as follows: 1945, \$65,455; 1944, \$170,079; 1943, 178,199 and 1942, \$311,799.

Total \$3,040.00

The resolution so adopted provided that an amount not exceeding that part of the capital of the corporation represented by the shares so retired may be charged against the capital of the corporation in respect to such shares.

3. That the Certificate of Incorporation prohibits the reissue of said Preferred and Common Shares so retired, and pursuant to the provisions of Section 28 of the General Corporation Law of the State of Delaware, upon the filing and recording of this Certificate as therein provided, the Certificate of Incorporation of said corporation shall be amended so as to effect a reduction in the authorized Preferred Stock of the corporation to the extent of 400 shares, being the number of such shares without par value so retired, and also to effect a reduction in the authorized Common Stock of the corporation to the extent of Forty Dollars (\$40.00) being the aggregate par value of 400 shares of such stock so retired.

4. That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said PENN INVESTMENT COMPANY has caused this Certificate to be signed by its Vice-President and its corporate seal to be affixed, duly attested, the 26 day of February, A. D. 1946.

CERTIFICATE OF REDUCTION OF CAPITAL

by proceedings under Section 28 of the General Corporation Law of the State of Delaware.

HAJOCA CORPORATION, a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

(1) That at a meeting of its Board of Directors duly held and convened, a resolution was adopted setting forth a proposed reduction of the capital of said corporation in the manner and to the extent hereinafter set forth and calling a meeting of the stockholders having voting powers for the consideration thereof.

(2) That thereafter at the meeting of the stockholders of the above named corporation so called, upon at least twelve days' notice given in accordance with the by-laws thereof, for the purpose of voting upon the question of reducing its capital, a resolution was duly adopted by the holders of record of a majority of the outstanding shares of stock of the corporation, having voting powers, to reduce the capital of the corporation by the amount of One Million forty thousand Dollars (\$1,040,000.) in the following manner:

By the surrender and cancellation of Certificate for Ten thousand four hundred (10,400) shares of the Preferred Stock of the corporation, having a par value of One Million forty thousand Dollars (\$1,040,000.) and thus retiring the outstanding shares of Preferred Stock accordingly.

The resolution so adopted provided that an amount not exceeding that part of the capital of the corporation represented by the shares so retired may be charged against the capital of the corporation in respect to such shares.

(3) That the Certificate of Incorporation prohibits the reissue of said preferred shares so retired, and pursuant to the provisions of Section 28 of the General Corporation Law of the State of Delaware, upon the filing and recording of this Certificate as therein provided, the Certificate of Incorporation of said corporation shall be amended so as to effect a reduction in the authorized preferred stock of the corporation to the extent of One Million forty thousand Dollars (\$1,040,000.) being the aggregate par value of 10,400 shares of preferred stock so retired.

(4) That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said HAJCOA CORPORATION has caused this Certificate to be signed by its President, Wm. A. Brecht, its Secretary, Benjamin Cadbury, its Secretary, this 15th day of February, A. D. 1946.

CERTIFICATE OF REDUCTION OF CAPITAL

by proceedings under Section 28 of the General Corporation Law of the State of Delaware.

HAJOCA CORPORATION, a corporation organized and existing under the General Corporation Law of the State of Delaware, DOES HEREBY CERTIFY as follows:

(1) That at a meeting of its Board of Directors duly held and convened, a resolution was adopted setting forth a proposed reduction of the capital of said corporation in the manner and to the extent hereinafter set forth and calling a meeting of the stockholders having voting powers for the consideration thereof.

(2) That thereafter at the meeting of the stockholders of the above named corporation so called, upon at least twelve days' notice given in accordance with the by-laws thereof, for the purpose of voting upon the question of reducing its capital, a resolution was duly adopted by the holders of record of a majority of the outstanding shares of stock of the corporation, having voting powers, to reduce the capital of the corporation by the amount of One Million forty thousand Dollars (\$1,040,000.) in the following manner:

By the surrender and cancellation of Certificate for Ten thousand four hundred (10,400) shares of the Preferred Stock of the corporation, having a par value of One Million forty thousand Dollars (\$1,040,000.) and thus retiring the outstanding shares of Preferred Stock accordingly.

The resolution so adopted provided that an amount not exceeding that part of the capital of the corporation represented by the shares so retired may be charged against the capital of the corporation in respect to such shares.

(3) That the Certificate of Incorporation prohibits the reissue of said preferred shares so retired, and pursuant to the provisions of Section 28 of the General Corporation Law of the State of Delaware, upon the filing and recording of this Certificate as therein provided, the Certificate of Incorporation of said corporation shall be amended so as to effect a reduction in the authorized preferred stock of the corporation to the extent of One Million forty thousand Dollars (\$1,040,000.) being the aggregate par value of 10,400 shares of preferred stock so retired.

(4) That the assets of the corporation remaining after such reduction are sufficient to pay any debts, the payment of which has not been otherwise provided for.

IN WITNESS WHEREOF, said HAJCOA CORPORATION has caused this Certificate to be signed by its President, Wm. A. Brecht, its Secretary, Benjamin Cadbury, its Secretary, this 15th day of February, A. D. 1946.
