I am sending you herewith a copy of a letter which I have written to Wilmers, which is self-explanatory. I need not tell you how much I look forward to seeing you.

I know you must have been a bit disappointed that the baby is a girl, and frankly, I am a bit too; but Jimmy and June are happy, and she and the baby are getting on well, and that is the most important. I think Jimmy hoped it would be a boy, largely because he knew you hoped it would be a boy; but so far as myself is concerned, he is a proud father, and I do not think it concerns him too much whether it turned out to be a girl. I think he is planning to come back this week-end.

I have had a hectic time since my return from New York, and while I am ~~falling~~ fit, I am, really, quite tired. I feel however, that we are making progress so far as Mex-light matters are concerned.

Very good wishes to Nat Samuels and to Ivonne and her family.

Cordially and faithfully yours,

George S. Messersmith
Chairman of the Board.
