Public Invited To Hear Symphonette Play On November 8

J. Robert King Will Lead
Group In Program Of
Chamber Music

The Delaware Symphonette, composed of professionals in and around the Wilmington area, and conducted by Mr. J. Robert King, Assistant Professor of Music at the University of Delaware, will present a program of Chamber Orchestra Music on Thursday evening, Nov. 8. The concert will begin at 8 p.m. and will be held in the Brown Hall Lounge at the university. There will be no charge.

Three works will be performed: Serenade for Strings in C Major, by Tchaikovsky; Suite for Strings in F Major, by Arthur Foote; and Divertissement, by Jacques Ibert. The Tchaikovsky Serenade is a four movement work which has already achieved a great deal of popularity with concert goers.

Arthur Foote represents the first American-born, American-trained composer. He is associated with the 19th Century New England composers which include Edward MacDowell, George Chadwick, and Horatio Parker. A three-movement work, the suite represents much of the color of late 19th century music.

The Divertissement of Ibert is a musical joke. Ibert represents one of a group of French composers who rebelled against the lushness of the 19th century. In this work, Ibert makes fun of the 19th century composers by purposely overwriting the 19th century style. He particularly pokes fun at Richard Wagner and the two Strauss composers, Johann and Richard. This work has the unusual scoring of three violins and one each of all of the other instruments.

The Delaware Symphonette is a group of 23 instrumentalists who have appeared on the university campus exclusively in the last four years since their organization. They present two or three concerts throughout the regular school term and two during the summer. The Symphonette specializes in music rarely played or heard by the public.

Miss Kathy Schultz Reads Her Winning Essay At Meeting

Miss Mary Elizabeth Webber
Presides At Meeting
Of D.A.C.

Miss Mary Elizabeth Webber of Christiansa, State Regent, presided at the fall meeting of the Delaware State Society, Daughters of American Colonists, which was held on Saturday afternoon, October 27, at the home of Mrs. W. Frank Wilson, West Park Place.

Miss Kathy Schultz, winner of the contest on essays on "Care and Use of the Flag of the United States of America," was present and read her piece winning essay for which she received the first award of \$5.00. This contest was sponsored by the State Society and all students of Delaware of the seventh and eighth grades were eligible. Miss Schultz is the daughter of Mr. and Mrs. James A. Schultz of Hockessin. Miss A. Katharine Richards of Greenwood was State Chairman of the committee.

Mr. Leon DeValinger, Jr., State Archivist of Dover, was also present and spoke on the Colonial Life of the colonies prior to the Revolutionary War.

Plans were also made for the State Assembly which will be held in March in the DuBarry Room, Hotel duPont, Wilmington.

Miss Elsie Webber, State Registrar, announced one new member, Mrs. Fred Whitehead of Wilmington and that several papers are pending.

Tea was served with Mrs. R. Carr Trumbull as assisting hostess and Miss A. Louise Matthews of Wilmington and Miss Mary Elizabeth Webber.

Foreign Boy Visits Henry C. Mitchell

Helen Samendinger Returns
Home After Visit To
Germany

Leonard Picot, 20, from the Isle of Jersey, off the French coast, is now a guest of Mr. and Mrs. Henry C. Mitchell, Woodside Farms, Hockessin.

Leonard, one of the delegates under the International Farm Youth Exchange program, will be in Delaware for three weeks. He stayed in Kentucky before coming to Delaware.

Leonard lives on a 25 acre dairy farm on the Isle of Jersey, famed home of Jersey cattle. This is considered a large farm for the island, which has 40,000 acres, and is only five miles long and six miles wide. Land is extremely expensive, costing about 500 pounds, or \$1300 in our money. Bicycles are the main mode of transportation, says Leonard.

He has been a member of the Jersey Cattle Association for five years. He and Mrs. Mitchell, and Joe, will have much in common, for the Mitchells have a herd of 40 registered Jerseys. Leonard's farm has 23 head. Besides their dairy, the Picots raise ten acres of potatoes, the stable food, each season.

Leonard left Hockessin for New York City temporarily, the first part of this week, to be part of the welcoming party for the United States 56 returning farm youth delegates. Among these 56 will be Helen Samendinger, of Foxden Farms, Newark, who has been in Germany. The returning delegates will spend several days in New York at conferences, comparing experiences and making reports, before returning to their home states.

Christmas Club Checks Will Amount To \$166,000

Some 2000 Newark and vicinity citizens will start receiving Christmas club checks shortly after November 15, according to an announcement by local bank officials.

These checks will represent a total of approximately \$166,000 which has been put away during the year to take care of Christmas bills.

Initial payments in next year's club will also start November 15.

Dr. Lewis Acquitted Of Concealing Red Party Connections

Former University Faculty
Member Did Not List
Organization

Dr. Richard N. Lewis, 39 Choate Street, was acquitted last week by a jury of five women and seven men after a three-day trial in the U. S. District Court of the charge that he concealed membership in the Communist Party.

Lewis, a former assistant chemistry professor at the University of Delaware, was indicted by a federal grand jury in Albany, Feb. 21. He pleaded innocent to a charge of fraudulently concealing membership in the Communist Party from 1938 to 1942, when he filled out a personal security form for the Atomic Energy Commission in 1948.

The former Newark resident said he had not been associated with the party since he left California in 1942. He told the court he enrolled in the Republican Party in 1943, and in the Democratic Party a number of times after 1943.

Lewis said he had not listed membership in any political party on the AEC questionnaire on which he was asked to list all organizations to which he had belonged in the past 15 years. He stated, "I thought I had the right not to list the Communist Party."

Lewis was granted a leave of absence from the university last February pending the outcome of the charges against him. His contract with the university expired on Aug. 31, and was not renewed.

11,000 Lbs. Of Scrap Collected In Drive

\$135 Proceeds Is Donated
To Worthy Projects
At School

Newark's recent scrap drive under joint sponsorship of the Chamber of Commerce and public schools in cooperation with all local civic organizations was a success according to the final announcement made this week by Mr. T. A. Foster, industrial section chairman.

According to Mr. Foster, more than 11,000 pounds of scrap metal was collected and sold for approximately \$135.00. This money will be used in connection with worthy school projects. The students will decide what the proceeds are to be used for. Several possibilities are: lights for the football field, playground equipment, or books for the school library.

Mr. Foster expressed his appreciation to Mr. Raymond Noznesky, Kennett Square scrap dealer, who sent two trucks with drivers here to pick up the scrap at no charge. He also pointed out the good work done by several students who served on the trucks. They were: Dave George, Bill Doyle, Dave Hurm, and Stewart Carswell.

Colored movie films were taken of the proceeds as a matter of record and the film turned over to the high school.

Church Women Meet At Ebenezer Church

Newark Council of Church Women will sponsor a World Community Day program Friday, November 2, at Ebenezer Methodist Church, starting at 2 p.m.

Featuring the theme "Live Thy Faith," the program will include speeches by two German women, Mrs. Anna Lehmann, and Mrs. Hedwig Walter.

A group of ushers will be made up of one woman from each church. All attending are urged to bring a clean, used, lightweight blanket, plus eight cents per pound postage for shipment to Korea.

The ladies of Ebenezer Church will be hostesses during the social hour following the meeting.

New Aerial Ladder Received By Local Firemen

Newark's Aetna Hose, Hook and Ladder Company is now the proud owner of a brand new 75-ft. steel aerial ladder truck.

Purchased back in April from the American-LaFrance Corporation, the new engine was delivered to the local fire house on Monday.

Several members of the local fire company, including Elmer J. Ellison, chief, went to the Pennsylvania freight yards in Chester to escort the new truck to the fire house.

Costing \$29,823, the huge ladder is hydraulically operated, and equipped with a 750 gallon-per-minute pump, 1000 ft. hose body, and 150 gallon booster tank.

It brings to six the number of pieces of major equipment in possession of the local volunteer company. The other equipment being three engines, one tank wagon, and the ambulance.

Charles M. Eisner, president of the company, pointed out the value of such a fine piece of modern fire-fighting equipment to the city of Newark, and emphasized the fact that even though the engine is delivered it is not fully paid for yet. Any contribution by

New Assistant To Dean

Dr. William G. Fletcher

Dr. Fletcher Made Assistant To Dean Squire At U. of D.

Replaces Dr. John Munroe
Now On Year Leave
Of Absence

Dr. William G. Fletcher, chairman of the department of ancient languages and literature at the University of Delaware, has been appointed assistant to the dean of the school of arts and sciences at the university, it was announced today.

He replaces Dr. John A. Munroe, who is on a one-year leave of absence for research for a Ford Fellowship.

Dr. Fletcher, who lives at 130 E. Park Place, will continue as languages chairman. His new assignment includes counseling students and helping coordinate their courses.

Dr. Fletcher joined the university faculty in 1938. From 1942 to 1946, he served with the Royal Canadian Navy as a lieutenant commander. He was promoted to associate professor in 1947.

He is a member of a number of university committees, the American Philological Association, and the Classical Association of the United States, and is president of the Delaware College Faculty Club.

He was graduated from McMaster University at Hamilton, Ont., on 1934; received his M. A. degree from the University of Toronto in 1935, and his Ph. D. degree from Johns Hopkins in 1938.

K. T. Keller Visits Local Tank Plant

Chrysler Official Voices
Approval Of Progress
Being Made

On Wednesday, K. T. Keller, chairman of the board, Chrysler Corporation, Detroit, Mich., paid an unexpected visit to the Chrysler Tank Plant at Newark.

He was taken on a complete tour of the plant by R. T. Keller, general manager, and Joseph F. Kerigan, works manager.

Upon completion of the inspection tour, Mr. Keller stated he was very pleased with the excellent progress made by the construction crews and extended his congratulations to the contractors on their achievement.

Mr. Keller also added that even greater progress on this important defense project could be made if government authorities would grant higher priorities on the machines and materials which are still needed to complete the tank plant.

In addition to his position with Chrysler Corporation, Mr. Keller is also Director of the Office of Guided Missiles in the office of Secretary of Defense.

Annual Hallowe'en Mardi Gras Provides Fun For Large Crowd

Street Dancing, Free Refreshments, Many Cash
Prizes Included In Program Designed
For Young And Old

Under threatening skies which earlier in the evening had come close to committing the worst act of vandalism of all, Newark's annual Hallowe'en Mardi Gras went off in good style Tuesday night.

Some 500 masqueraders actually took part in the parade which highlighted the affair while crowds lined the streets along the line of march.

Following the parade, refreshments in the form of cider, ginger snaps, and popcorn were doled out to the children, while the judges went about their duty of trying to pick the winners in the various categories.

In an effort to include the participation of children of all ages, those taking part in the parade were divided into three groups comprised of those (1) under 10 years of age, (2) 10 to 14 years of age, and (3) those 14 years and over.

Cash prizes of \$5 for first, \$3 for second, and \$1 for third, were awarded in each of these groups for the most comical costume, and the best dressed.

Those winning prizes in the various groups were: group 1, best dressed individual—first, Phil Hopkins; second, Cheryl Lynn Hampson; third, Sandra Jones. Most comical individual—first, Chris Donohoe; second, Frazier Jones; third, Freddy Williams. Best dressed group—first, Little Bo Peep, impersonated by Jim Healy, Edwin Guthrie, Karen Caddell, Karen Shephard, Kent Groff, Jerry Kunkle, Scott Lamborn, Alice Conner, Donnie Keener, and Jean Stearns; second, Wollaston sisters, Lora Lee, Judy Ann and Donna Lyn; third, the MacFarlins. Most comical group—first, the Fosters; second, Douglass and Stimmel; third, Frank and Sandy Scott.

Group 2, best dressed group—first, Linda Boone, S. College Ave., and Edith DeLong, Sunset Rd., dressed as Chinaman and Fairy Godmother; second, Mary Ellen Foster and Jimmy Foster, 317 E. Main St., dressed as angel and devil; third, Joann Gove, Welsh Tract Rd., and Suzanne Cabell, Chesnut Hill Rd., dressed as Lili Abner and Daisy Mae. Most comical group—first, Danny and Margaret Lanning, Dallah Rd., dressed as Popeye and Olive Oyl; second, Ralph Buckingham and Donald Armstrong, W. Main St., dressed as magazine and magazine salesman; third, Glen and Edwin Jewell, R. D. No. 1, dressed as bear and trainer. Most comical individual—first, Hal Talley, Kells Ave., scarecrow; second, Richard McCann, Capitol Trail, bag of groceries. (Continued on Page 8)

Worriwlow Announces Newark Red Feather Campaign Is Success

Mrs. Jerome Weinberg Accepts
Award On Behalf Of
Local Workers

Newark's 1951 Red Feather Campaign exceeded its goal of \$4000 by about 10%, according to an announcement by Mr. George M. Worriwlow, general chairman.

"I want to express my sincere appreciation," said Mr. Worriwlow, "to all of our citizens who took part in this highly successful effort, and especially to the following members of our local committee: Mr. Jack McDowell, co-chairman; Mrs. Jerome Weinberg, chairman, residential district; William J. Warlick, business district; E. F. Matthews, chairman, special gifts; and C. Emerson Johnson, treasurer."

It was pointed out by the general chairman that this year's total contributions exceeded the total raised last year by about 100%.

Last week at the last progress report luncheon, held in the Hotel duPont for representatives of the Northern Delaware Area, Mrs. Weinberg accepted on behalf of the local captains and volunteer workers, an "Oscar" in recognition of a job well done by the local committee.

Newark's total contribution is due to be swelled still further by additional industrial and corporate gifts.

Mrs. Lloyd M. White Speaks Here Nov. 8 On Achievement Day

Talk Will Highlight The
Home Demonstration
Day Program

Mrs. Lloyd M. White, well-known lecturer, will be the featured speaker at the annual Achievement Day program to be held on Thursday, November 8, at the Newark Methodist Church, Newark.

Mrs. White's talk, "Philosophy Through Your Hat," will highlight the afternoon program. Mrs. White is known as a lecturer, humorist, and book reviewer. As she models her collection of hats, she interweaves her philosophy of life and human relations.

Luncheon reservations will be accepted until November 1, by Miss M. Katharine Jones, Home Demonstration Agent, County Extension Office, Newark, Delaware.

Churches, Parents To Assist Schools In Education Week

Miss Rebecca Kirk Heads
Committee Planning
Program

Plans are underway for a busy week in the Newark Schools during the nationwide observation of American Education Week, November 11-17, according to a recent report of Miss Rebecca Kirk, chairman of the AEW Committee in the public schools.

Open house will be held on Tuesday, November 13, in the Primary School with an assembly at 1:30 p.m. and a social hour following. On November 15, the Elementary School classes will present their assembly at 2:00 p.m. followed by a social hour in charge of the homeroom mothers.

Student Council representatives will act as members of the reception committee for the high school open house to be held on November 15. The assembly which is being planned by Mrs. Mildred Cleaves, Miss Anne Galaher, and Mr. Ernest Wilder will be held at the usual hour, 8:45 a.m.

The New London Avenue School will observe American Education Week with an assembly on November 15 at 2:00 p.m., followed by an informal social hour.

All phases of the planning for this year's observation in Newark have been keyed to the working out of a closer relationship between our community of friends and parents and our schools. Some weeks ago letters were written to all Newark ministers asking them to co-operate with the schools in celebrating this important week and suggesting that the ministers might call upon members of their congregations who are in school work to assist with the services in some way during the week.

All types of materials including posters, stencils and a movie trailer have been secured from the office of the National Education Association. The posters have been distributed for special displays throughout the school and in stores in the community. The movie entitled "When Freedom Begins" will be shown at the State Theater during the entire week of November 11-17.

All parents will be notified of the detailed plans for the week by means of special notices to be circulated on November 8. Mrs. Catherine Bonney is in charge of the preparation of these announcements which will be sent home by all students.

Students Help Collect 11,320 Pounds Of Scrap

Newark's Chamber of Commerce sponsored an Iron and Steel Drive for the students at the Newark School on October 25, 26 and 27, to help raise money for playground equipment and lights for the football field.

The State Department of Public Instruction urged the drive to collect scrap for the reprocessing of these vital materials in co-operation with the National Production Board.

Thomas Foster was in charge of the Chamber's plans for the two day collection period and the final pick-up on Saturday. High school students plan to use the money raised to buy lights for the athletic field while the young group hopes to add to the fund needed to purchase play equipment.

Scrap was collected at the following spots: Paper Mill Road, Cleveland Avenue, Milford Cross Roads, Glasgow, Christiana, Harmony, Ogletown, and in town at Delaware and Haines Streets, Academy and Delaware, North College and Cleveland, and Tyre and Delaware Circle.

The latest report indicates a collection of 11,320 pounds of usable scrap metal.

Varied Program of Fun and Seriousness Presented by 10-A Homeroom

Miss Rebecca Kirk's homeroom presented the weekly program on October 21 in the school auditorium.

The assembly plan was in two parts. First there was a pantomime, a play without words, in which the characters act their parts as another person reads the play. This was called "Folly or the Trolley." The characters were as follows: Grace De Prisco, school marm; Richard Beldy, dashing young man; David Dinalco, Ethelbert Steve alias the hero; Betty Abrams, lady with the parasol; Ruth Burris, the cute trick; Marcel Bernier, Senior Plotter; Mary Brown, Heroine; Nancy Custer and Harry Carswell, Lady and little boy; John Cunane, conductor; Jackie Chichey, reader of the skit.

At the close of this section of the program, Elmer Adams played several selections on his guitar. In addition he sang "Bonaparte's Retreat," "Always Late," "Let's Live a Little," and "Rattle Snakin' Daddy." Elmer appears regularly on radio station WASA in Havre de Grace Maryland, and also with Alex Campbell and the New River Boys.

The second skit was entitled "Difficulties of the Grown-ups in Learning English." Participants in this play, written by Vladimir Bodhan, were Marcel Bernier, David Dinalco, Barbara Bellance, and John Cunane.

Diane Chalmers and Joan Christmas spoke on the purposes of the United Nations as a final part of the assembly. The audience joined in the singing of several patriotic songs as the concluding phase of the 10-B presentation.

Parent Conference On Reading To Be Held November 3rd

Six Sectional Meetings Unique Feature Of Year's Program

The Second Annual Parent Conference on Reading will be held on Saturday, November 3, 1951 at the University of Delaware. It will be an all day conference starting at 9:15 a.m. and continuing through the afternoon.

The theme of this year's conference is "How Children Learn To Read." This topic will be discussed by Dr. Roma Gans, Professor of Education, Columbia University, and Dr. A. Stierl Arley, Professor of Education and Director of the Child Study Clinic, University of Missouri.

A unique feature of this year's program is the planning of six sectional meetings. These meetings are arranged for parents with children at different school levels: primary, intermediate, and secondary. The purpose of the sectional meetings is to give parents an opportunity to ask questions. There will not be any speeches but consultants will be present to discuss the questions asked. Parents are invited to attend any one of the sectional meetings.

In addition, Dr. Russell G. Stauffer, Director of the Delaware University Reading Clinic, will demonstrate how a pupil's independent, instructional, and frustration levels in reading can be determined. Each one of these reading levels needs to be known by a teacher so that instruction can be differentiated effectively.

All people interested in promoting the fullest development of children are invited to attend: Parents, teachers, educators. "If the welfare of our children is to receive first consideration all the people who touch their lives need to contribute," says Dean William O. Penrose of the University of Delaware.

Newark District Girl Scout Council will hold its bi-monthly meeting at the Newark New Century Club at 1:30 p.m. on Tuesday, Nov. 6. The chairman, Mrs. G. T. Borchardt will preside.

Delaware Farmers Urged To Handle Autos With Care

Motor vehicles may kill 6,000 farmers and injure an additional 200,000 in 1951, H. E. Curry, vice-president and actuary of the State Farm Mutual Automobile Insurance Co. of this city, said today.

The company insures nearly 2,000,000 automobiles, about two-thirds of which are in rural areas.

Motor vehicle deaths in Delaware totaled 106 last year. Two of them were farmers. Total farm motor vehicle deaths in 1950 were 6,300, a drop of only three percent, Curry said, from 1949.

"Driving a car is the most dangerous thing a farmer does," he said.

"Deaths from this cause overshadow the record of 4,300 farmers killed in occupational accidents, and the 3,900 who lost their lives in home accidents."

Here's why Fordomatic puts them all in the past!

For the past 10 months, automotive writers and engineers have been raving about a new kind of automatic driving... and here's why you get it only in Ford Cars:

All the power you need when you need it is yours with Fordomatic. You'll find it the most thrilling experience you ever had. You'll discover the advantages of having... the smooth going that automatic drives employing torque converters can give you... plus the zip, control, and savings that cars with automatic gears can give you. For Fordomatic combines the finer features of all other automatic drives!

IT GIVES YOU INSTANT "GO!"

Because Fordomatic gives you a combination of the best features of all other automatic drives, it delivers instant "go" for exceptionally easy, exceptionally smooth starting, passing, and hill climbing. Its extra Intermediate Gear gives you a push of extra power any time you want it... extra braking power, too, that's outstandingly smooth.

IT PRACTICALLY DRIVES ITSELF!

Fordomatic drives your car for you better than you could ever drive it yourself. It brings you a completely new thrill in no-dutch-pedal driving, because its development began where all other automatic drives left off!

Yes, Fordomatic has a torque converter plus automatic gears. It brings you only the advantages of both drives and eliminates the disadvantages. Unlike cars with only a torque converter (which start and cruise all in one drive gear), Fordomatic starts fast and smooth in Intermediate Gear then shifts itself into Drive Gear.

A GAS-SAVING POWERHOUSE!

Fordomatic's numerically lower rear axle ratio gives the lowest engine revolutions per mile of any car in its field. Fordomatic's automatic intermediate gear provides smooth, fast economical "getaway" without wasteful engine roding.

Permanent Drive optional on V-8 models of extra cost. Equip. must, accessories and price subject to change without notice.

The White Oak 4-H Club had a busy session last Thursday night when members in Hallowe'en attire gathered at Joanne McVaugh's home for their October meeting. Officers for 1951 were elected as follows: Herman Samendinger, president; Dilworth Pierson, vice president; Jane Walton, secretary; James L. Derickson, Jr., treasurer; Doris Woodward, reporter; Raymond Lamborn, recreation leader; Janet Pierson, song leader; Stephen Vansant, council member at-large; Emilie Pennington, safety chairman. Parents' night was planned for Nov. 9 which will be held in the Hockessin Friends Meeting House. Appointed to complete the arrangements were Janet Pierson, Janet Walton, and Stephen Vansant, the program; Raymond Lamborn, Jimmy Derickson, Emilie Pennington, hospitality; Jimmy Brackin, Barbara Whitman, Katherine Schmitz, John Williams, Louise Samendinger, refreshments; Doris Woodward, Charlotte Klair, Ronald Woodward, decorations. Leonard Picot, an international farm youth exchange student from the Island of Jersey, who is spending a month at Woodside Farms, the home of Joseph Mitchell IV, spoke before the club. The youth had been in Kentucky since coming to this country last July 27. He will be a guest of the Junior Farmers in Ontario, Canada, before returning home. The club's member, Miss Helen Samendinger, who has been in Germany for four months returned Sunday, coming home by air. The club had a letter read by Barbara Whitman seeking more funds for the exchange plan in 1952.

Forest Oak 4-H Club sponsored a square dance at Harmony Grange's new hall Saturday night which attracted a large crowd of 4-H'ers in the county. The Hockessin branch of the Needlework Guild held its annual meeting and gathering of garments last Thursday. This year's quota of 1,292 surpassed that of any year in its history. Mrs. J. W. Pennington of Limestone Road was elected president succeeding Mrs. Joseph Mitchell who has completed eight years of service; Mrs. J. Paul Woodard is first vice-president; Mrs. Sam P. Evans, second vice-president; Mrs. John H. Dennison, secretary; Mr. A. Carl Nelson, Sr., treasurer. The guild had Mrs. James Mecum of Salem, N.J., as its guest speaker. She stressed extension work through new branches and new members. Mrs. Mecum is national extension chairman. This year, Hockessin included the Gov. Bacon Health Center in its list of organizations to receive contributions of clothing.

Harmony School

Miss Mary Frances Docken, recently of the state of Maine, now speech correctionist for the State Department of Public Instruction, was a recent visitor at the school.

Mrs. Elsie W. Stradley, teacher, was the delegate to the representative assembly of the Delaware State Education Association from Group II, Western New Castle County, on Oct. 24 at Harlan School in Wilmington. School was closed Thursday and Friday due to the annual convention of DSEA in Wilmington.

The school observed Navy Day, FN Day and Theodore Roosevelt's birthday anniversary with a special program on Oct. 24. An original play "Learning to Live With Each Other" was enacted by Joyce Cannon, Maryann Springer, and Sallie Evans. Linda Hahn tap danced to "Anchors Away" while Faye Trimble twirled her baton. Mary Ranson and Nancy Barlow had readings.

The Parent-Teacher Association is busy securing prizes and planning for its annual card party to be held next Tuesday night in Harmony Grange Hall on Limestone Road. Mrs. Robert Hahn is chairman assisted by Mrs. Rollin Farmer and Mrs. John Trimble. Bridge and canasta will be played as well as "300."

Ebenezer Methodist Church

The M.Y.A.F. will hold a scavenger hunt on Saturday evening. Members will meet at the church at 7:30 and conclude the hunt with refreshments arranged by Paul Ayars, Melvin Dempsey, Miss Cartharine Dempsey, and Mrs. Charles Nelson. The group has announced the selection of "Here Comes Charlie" as the three act play by Jay Tobias, to be presented later. Each year, a 3 act performance is given. Tryouts will be held as soon as the play books arrive.

The M.Y.F. group held its annual Hallowe'en frolic last Saturday night at the social hall. Miss Betty Ayars claimed the award for the most original. Nancy Davis for the prettiest, Jack Maguire and Albert Jezyk tied for the funniest.

Mrs. Roy Walton will be hostess for the refreshments served to the Newark Council of Church Women meeting here tomorrow with the local WSCS as host.

The Rev. E. J. Horney, pastor, will speak Sunday at 2:30 p.m. at the homecoming services at the Methodist Church at Little Creek, the Rev. Wilbert MacGinnis, pastor.

There will be a worship service here Sunday evening at 7:45 o'clock. Mrs. W. Floyd Jackson was able this week to resume her duties as choir director at this church. The choir began its weekly rehearsals Tuesday night from 7:30 to 9:30 when Thanksgiving and Christmas music was studied.

The official board will be represented by Mrs. A. Carl Nelson, Sr., and Mrs. Catherine Nelson at the district conference at Elkton, Md., on Nov. 14.

Corner Ketch

Harmony Grange will have a 4-H night program on Nov. 7, the date of its next meeting. The annual supper is planned for Nov. 10.

Wa Wa Tribe No. 45, IORM had the honor of its member, Ralph Buckingham being chosen great sachem of Delaware.

Union 4-H Club met Saturday night with Bobby Dempsey, the president.

Mermaid

Harmony Grange will observe "Ladies' Night" next Monday night with a competitive program given by the women. Mrs. Walter Marshall is chairman. Another talent money card party is scheduled for Nov. 13.

Miss May Foulke and Mrs. Albert Foulke of Wilmington were visitors last week of Mrs. L. H. Pennington. The Polyd Stowe's of Upper Sandusky, Ohio, left Saturday for Florida after a week's visit with Mrs. Harvey Ball.

Red Clay Creek Presbyterian Church A fine group of young people attended the fall rally of the New Castle Youth Presbytery last Saturday at this church. The Rev. Hendrick Van Dyke of Glenarm, Md., was the guest speaker. There were discussion groups with Janet Clay, Billie DeCorms, and Joyce Lloyd as leaders. The theme was "What On Earth Are You As Young People Doing?" Edwin Trimble of Red Clay is the moderator.

A turkey supper will be served here tonight starting at 5 p.m. for the building fund. Mrs. Robert M. Walker is

general chairman and Mrs. Herbert W. Pierson is dining room hostess.

Next Sunday morning at 9 o'clock the church choir will sing at the worship service at the Veterans' Hospital.

The pastor, the Rev. G. T. Jamieson, will have as his sermon theme at the 11 o'clock services here, "Unthinking Christians."

A film "A Wonderful Life" will be shown Nov. 18 at 8 p.m. for all wishing to attend.

NEW

EDGE MOOR POWER STATION

now in full operation!

Edge Moor Power Station is a symbol of our faith and confidence in the continuing growth of the Delmarva Peninsula. Now in regular operation, it assures an adequate and dependable supply of electricity to meet the future needs of our farms, homes, and industries.

Located along the Delaware River on a site generally known as Cherry Island Marsh, actual construction was started on this, the largest single item in our 60 million dollar construction program in April, 1949.

Even before the completion of this original installation consisting of two (2) 70,000 KW turbo-generating units, orders were placed for an additional unit of larger capacity. Engineering and drafting work on this third unit is now in progress.

The importance of electric power to our communities, our defense industries and our nation's welfare, makes it necessary for us, at the present time, to maintain strict security regulations. While, we regret, that such regulations prevent our opening this plant to the general public, we hope later to arrange inspection tours for interested groups so that everyone may eventually have an opportunity to visit this latest addition to our expanding electric system.

Edge Moor Power Station typifies our American Free Enterprise System, under which thousands of individuals have invested their savings in the securities of this company to make the station possible.

There was a reception for Reverend George Gardner and his bride, the Rev. Vivian Pitt, of Oxford, at the New London Presbyterian Church, October 29, at eight o'clock. Members of the congregation took this occasion to offer their heartfelt congratulations and best wishes to their pastor and his wife.

The Fred Klauke, daughter Wendy, and her Karl, recently spent a pleasant vacation week in New York State. The Taylor children had a recent visit of "German" measles.

Karen and Bobbie Kalb have had a case of the "flu" this past week. Judy Nichol has had a cold—but little Johnnie Nichol went her one better, he joined the "measles party" last Saturday.

The New London Grange bowling team have resumed their Friday night bowling schedule at Newark. Everyone seems to have such a good time. The league seems to be an indispensable part of the game!

On November 2, the Friday night bowling will be suspended to enable twenty members of the New London team to go to West Chester to take the sixth degree in the Grange, in preparation for the seventh degree which they all plan to take at the National Convention to be held in Atlantic City on November 15, 16 and 17.

James and George Kalb, and Doris Nichol report a most enjoyable talk by Windsor Lewis, (Director of the Robin Hood Theater at Arden), at the Drama Group meeting in Newark, October 28.

The pounding of hammers and all that sort of thing on the new house going up next to LaRue Van Sant's home indicate that LaRue has yet another iron in the fire. He plans to finish the house himself, with the help of his sons, and we understand the resting angle is no problem at all—it would seem that there are immediate inquiries as to the possibility of renting once the first evidence of building is accomplished. LaRue thinks the finishing date will be about April, such ambition!

Richard Van Sant has been having a rather difficult time of it lately with something called "corn poisoning." The dry season has made the corn so "dusty" that a few sensitive individuals have developed very bad skin conditions, internal and external, when they worked with it in the harvesting. Dick is better now, but ready to testify that "corn dust" can be worse than "corn dew" in its effects on the sensitive!

The Franklin-Kemblesville PTA had a Halloween party for the school children at Kemblesville Hall October 26, and we understand all those in attendance had a really fine time. Little Frances Siple won the prize for the prettiest, while we are told that Libby Siff, dressed as a witch, took the prize for the homeliest, and also for the best impersonation. The funniest award was won by Burton Jackson, who came as an old-fashioned southern "Mammy." Naturally the refreshments were not scorned by the young crowd—and their elders had kind words for the success of the evening.

Pack 30, the West Grove Cubs, met in that town Friday night, October 26. Dens 4 and 5 from this area were in attendance. Reverend Montgomery, of West Grove, who is cubmaster, gave out a number of badges. From Den 5, Harry Hendrickson, John Kraus, and Richard Cramer were awarded the Wolf Badge, while Marvin Cramer and Thomas Filippi received the Bobcat rating. It was a proud moment for Clifford Losee when he was officially recognized as having achieved the "Webelos" rank, which is the highest in cubbing. Cliff is now a tenderfoot in Troop 24, Boy Scouts of America, in Kennett Square. Den Mother Charlotte Losee is continuing her work with the cubs, as is Den Mother Anne Hinn.

The London-Britain Home and School League made \$58 at the bake sale held in West Grove recently. Good work, contributors, and committee members!

Don't forget that there will be the regular Home and School League meeting on the second Tuesday of November—which will be a voting date, also. The league will meet at Southbank.

We understand that a place for the election has not yet been settled upon. Too bad we can't have a Town Hall. The Kemblesville WSCS is meeting with Gertrude Richards this Thursday at the regular hour of 2 p.m. Mrs. Clement McMullen will be hostess to the Kemblesville Sewing Circle at her home in Kemblesville on November the eighth at two o'clock.

We know a lot of excited children who can't wait for the Halloween party held annually by the Home and School League at Landenberg Hall. It is to be on Halloween night, this year.

The former Hayden home near Southbank has been sold to the Clinton Connells who are at present living in it with their four children. Anne, five, Roger, three, out two, and Diane, three weeks. Mr. Connell is the son of the Edmund Connells of this area, and

Mrs. Connell was a Corner Ketch girl. The Connells are erecting a house back of the present structure, which they plan to remove once the larger home is completed. Mr. Connell is a busy man these days, what with his railroad work, and his big project of building their home himself.

Guess who is all of three weeks old? Why, little Timmie Paxson, who has come to be a brother of young Jimmie! Timmie made his debut at Chester County Hospital, and when he gets big enough to understand, he will be most grateful to that miracle-working modern science which has learned how to cope with little fellows who are innocent bystanders in "R" factor" cases. As a result of this modern medicine, little Tim faces the world with nary a complication to cloud the horizon—a fine seven-pound-plus of energy at the James Paxson home!

"Your Social Security" Film Now Available To Public

"Your Social Security," a new film that graphically explains how the old age and survivors system works is now available for public showings without charge.

Roger M. Minker, manager of the Wilmington Social Security office explained that the 16 mm. sound motion picture produced for the Federal Security by Warner News, Inc., runs 19 minutes.

The background for the film is a Social Security field office showing how the office personnel can be of assistance to you. They are shown on the job, telling people their rights, making sure they understand social security—seeing to it that each person promptly gets the money to which he is entitled when it is due.

A field office representative could be present at the showing, to answer any questions raised by the film, Mr. Minker stated.

Any school, church, PTA, labor, civic, social, agricultural, women's or other groups that would like additional information about the film, and a speaker, should consult the Social Security office, Room 201, Custom House, 6th and King Streets, Wilmington, Delaware. The telephone number is 4-7776.

\$2,800 Allotted To Newark Teachers For Substitutes

A transfer of funds to be allocated to the districts for the payment of substitute teachers has been approved by the Permanent Budget Commission, according to Dr. George R. Miller, Jr., State Superintendent of Public Instruction.

He stated that the funds would be made available from the emergency appropriation passed by the General Assembly providing monies for costs of public education for which adequate provisions had not been made in other appropriation acts.

Dr. Miller stated that a total of \$20,000 has been approved for this purpose. These funds for substitute teachers will provide approximately \$35.00 per regular teacher on the basis of the current number of teachers in the school districts of the state. The \$35.00 per teacher amount which has been allocated was calculated on the basis of past experience of teacher absence due to illness in the State Board Unit districts of the state. Barring an unusual siege of illness in a district, these funds are expected to be adequate to meet the substitute teacher need for the current fiscal year. Newark Special School District was allotted \$2,800.00.

Dr. Miller emphasized that the substitute teacher allocation can be used only for the payment of substitutes for teachers who are absent because of illness. The State Board of Education will require statements from the districts showing how the money was expended.

Arrested Man Granted One Last Drink Dies Of Poison

Marcel Viens, 38, pleaded for "one last drink" when he was arrested at his home on suspicion of a fraud because "it probably will be a long time before I can have another one."

Det.-Sgt. L. P. Jasmin gave his permission and Viens went to the kitchen to mix the drink. Then he followed Jasmin to police headquarters.

As he was being booked, Viens slumped over in his chair and died. His "one last drink" had been poison.

Price Of Potatoes Jumps This Month

Decrease In Acreage Is Called Main Cause Of Hike

Biggest news in food price-wise, according to OPS regional director Joseph J. McBryan, is the rapid advance in the price of potatoes, a commodity not subject to price controls at the present time.

Prices on potatoes have moved up as much as seventy cents a bushel at the wholesale level within the month. Retail prices have moved at least fifteen cents for a ten-pound bag.

Pennsylvania potatoes which a year ago sold for \$1.00 a hundred pounds at wholesale, this week brought from \$3.20 to \$3.60, McBryan said. A month ago, the price was in the neighborhood of \$2.20 a hundredweight, he said.

Principal reason for the higher prices, according to agriculture experts, is the sharp decrease in acreage, 20 percent below a year ago, and the smallest since 1933, according to McBryan.

Blight and weather conditions were other contributing factors, he added. As a group, potato farmers were restive under price supports, McBryan explained, then severely reduced acreage once these supports were removed in order to be assured an adequate profit.

The nation's potato yield is estimated at 337 million bushels this year, the smallest since 1939, and 25 percent under a year ago.

Meanwhile, McBryan said, the demand for meat of all kinds with the single exception of pork, continues far below the normal level for this time of the year.

With the passing of fresh vegetables and the coming of cool fall days, housewives usually buy more meat for the family table, he explained. This year, however, this demand has not yet developed.

As an evidence of this lessened demand, McBryan reported that the lower grades of meat are actually going begging, despite sharp breaks in prices at the wholesale level. The corner butcher and super market operator refuse to buy this meat, because they have no market for it once they get it to their stores, McBryan said.

Egg Prices Apt To Drop This Winter

A look into the market egg picture in 1952 shows that egg prices are apt to drop more than the normal seasonal decrease this winter, and may be low next spring.

Even if this does happen, W. T. McAllister, marketing specialist at the University of Delaware, says that it should not discourage good poultrymen from starting as many chicks as last year.

McAllister advises starting chicks early in 1952. With prospects of unfavorable prices at the time chick orders are usually placed, some poultrymen will hold back, he says. This will give poultrymen with early flocks a definite advantage next summer.

A discouraging, but expected, forecast is for rising costs of production. Feed supplies will be ample, but feed prices will be higher. To offset that factor, McAllister advises poultrymen to: (1) Raise the best stock they can get, (2) Mechanize as much as possible, (3) Produce good quality eggs.

"You'll have to be efficient in 1952 to be in the business in 1953. It may sound like an old story, but it is still the one that pays off," McAllister added.

13 Local Masons Assist

Crippled Vets To Service

In connection with the Masonic Service Association, thirteen members of Elmer Lodge 25, A.F. and A.M., visited the Veterans Administration Hospital at Elmore, last Sunday, to assist litter and wheelchair patients to chapel for morning worship.

This was the first time the local lodge had been able to perform this much appreciated service, but it is hoped that arrangements can soon be made to have this a regular occasion.

Those members taking part were: Wm. J. Warwick, Roy Pleasanton, Chas. D. Long, Leroy Hill, Millard Ritchie, John K. Cornell, Ellsworth Carr, Frank Frechey, Edward Piersen, Mike DiAngelo, Conrad Lewis, Jr., Robert Harrington, and John Mitchell.

Delaware Gridders Relax With No Game Scheduled This Week

Blue Hens Travel To Easton Next Saturday To Meet Lafayette Eleven In Contest Rated As Tossup

With eight weeks of daily football drills behind them, four victories and two defeats on the ledger, and two tough games coming up in the future, Delaware's Fighting Blue Hens are relaxing all over the place this week due to no game being scheduled this Saturday.

Quite a few of the Hens will probably make their first visits home since the start of the current school year to see the folks, eat a home-cooked meal, and watch the hometown football team do its act.

Coach Nelson and the rest of the staff will probably run over and over again, memories of the Delaware games to date in order to pick out any flaws that can be corrected in next week's practice sessions before the Hens take on off-beaten, but dangerous Lafayette at Easton, Nov. 10.

Knowing that many fine football players have won honors of all kinds on the playing field only to lose all important contests with the textbooks, Coach Nelson is no doubt hoping his men will use some of the free time this week catching up with studies which have more than likely been given a back seat during the past few weeks. Examinations are just over the horizon and many great linemen have been moustressed by them, and many high stepping backs have been thrown for losses that they never got the chance to atone for.

Clipper Smith's Lafayette Leopards also have the advantage of an off day this Saturday and you can bet your boots it will not be wasted up Easton way either. Scouting reports will be studied thoroughly in an effort to ferret out any Delaware weakness and to reinforce against Blue Hen strength.

Wins against Delaware and Lehigh, the two remaining opponents on the Leopard schedule, could do much to save the five previous defeats suffered so far. A 14-7 win over Muhlenberg represents the only success Lafayette has had in six games this year. The Leopards have lost to such good teams as Albright, Rutgers, Syracuse, Princeton, and Bucknell. Two of Lafayette's conquerors have also beaten everyone else they have played this year. They are Princeton and Bucknell. Tom Triplett, Muhlenberg coach, rates these two clubs as among the best in the East.

Using the Muhlenberg club as a measuring stick, Delaware and Lafayette are about even. The Leopards downed the Mules 14-7, while the Hens topped them 21-7. Since Lafayette will be playing at home, the one touchdown difference can be forgotten.

Dave Nelson summed up the feelings of most Delaware followers after the game last week when he said, "We were lucky we were playing a team that hadn't been able to win a game." The fact that the team was hitting on only about half its cylinders, plus some penalties at most inopportune times, kept the score down to what it was. On the other hand Muhlenberg was really out to win one and in the words of Coach Tom Triplett, "played their best game of the season since the opener."

Unless they take the long rides north in the two remaining games, Delaware followers have seen the last of some ten of the present Blue Hen brood. They are: Capt. Johnny DeGasperis, Bill Butler, Ducky Carmichael, Bucky Walter, Ray Wright, Marv McWilliams, Joe Lank, Milt Keene, Cy Kaplowitz, Bill Craver, Al Broadhag, and Milt Adams.

Capt. DeGasperis has been on the injured list most of the season and has had little chance to do his part on the field, but in his role as team captain he has been a great inspiration to the team and he will be sorely missed next year. The same is true of Cy Kaplowitz, great lineman. A broken wrist received in spring practice has limited his playing, but even sitting on the sideline he was the lead man of the Delaware defense.

Ducky Carmichael was truly a thorn in Muhlenberg's side Saturday night. The former P. E. duPont star scored two legitimate touchdowns and raced some 70 yards through the whole Mule team for another only to have it called back. When he wasn't running for yardage, or catching Don Miller's accurate passes, he was in threatening position out on the wing causing Muhlenberg backs to neglect other duties while keeping a tight rein on him.

Blaney Increases His Scoring Lead

Newark Backfield Ace Leads Oates Of Howard High By 31 Points

Bunny Blaney, Newark High School backfield ace, vaulted into a commanding lead over other New Castle County scorers this week by reason of four touchdowns and three extra points scored in last weekend's contest with Claymont.

Blaney ran his season total to 93, to take a 31 point edge over Johnny Oates, Howard High School star, who has tallied 10 touchdowns and kicked two extra points for a total of 62 points.

Dave George, Newark's other representative among the county leaders, dropped two notches in the standings over the weekend as Peden, of St. Peter's, and Hyde, of Tower Hill, took over the ninth and tenth slots in the standings. George is in eleventh place with a total of 25 points scored.

Permanent License Applicants Advised

Application Should Be In Before End Of Year; Fee \$5

Persons desiring permanent operator's or chauffeur's licenses, who are eligible for them, are being urged to make application before the end of the present year by Motor Vehicle Commissioner Harold H. Keller.

The reason for this, Mr. Keller states, is the fact that the new two-year operator's and chauffeur's license law will become effective on Jan. 1, and after that time some applicants may have to renew their present license before they can make application for a permanent one.

Among the requirements for permanent licenses are: a good driving record, and all applicants must have had an annual license for three consecutive years preceding the date of application.

The fee for a permanent license is \$5 and it is good for the life of the holder providing it is not revoked for violation of the laws.

Application for a permanent license must be made in person by the applicant at one of the branch offices of the Motor Vehicle Department, which are located at Eighth Street and Bancroft Parkway, Wilmington; South State Street, Dover; and near the railroad station in Georgetown.

Student Draft Exemption Tests To Be Held Dec. 13

Application Closed Nov. 5

Douglas W. Troll, state draft director, has reminded all university students that Nov. 5 is the deadline for all applications to take the second series of tests given by the Selective Service Office to determine qualifications for draft postponement.

These tests will be given on Dec. 13 at the following places: University of Delaware, Delaware State College, Dover; P. S. duPont High School, Wilmington; and Kings College, Delaware City.

Applicants who intend to request occupational deferment as a student, must be pursuing a full-time college course leading toward a degree, and must not previously have taken the tests.

The examinations will be repeated April 24, 1952.

Bob Hagerty Leads Blue Hen Scoring

Freshman Halfback Also Top Ground Gainer Among Hen Backs

Prior to last Saturday's game with Muhlenberg, freshman halfback Bob Hagerty was the number one ground gainer on the University of Delaware team.

In the first five games of the season, the hard running first-year man from Prospect Park, Pa., gained 228 yards in 45 carries for an average of 6.4 each trip.

In addition to leading the ground gainers, Hagerty is also the leading Blue Hen scorer with four touchdowns for 24 points.

Hagerty was helped into the ground gaining leadership by a stroke of bad luck to little Joe Scarcia, his running mate at the other halfback post. "Lil Joe" had run up a total of 258 yards prior to the temple game. However, Scarcia had carried 61 times for an average of only 4.5 yards each trip.

Rocky Carzo, second-string fullback, had the highest average per carry on the team. The Chester lad had carried only eleven times with a net gain of 129 yards, or 11.7 per trip.

In the passing department, freshman quarterback Don Miller led the parade with 24 completions in 39 attempts for an average of 47.6. He has had 8 of his losses short-circuited by the opposition, while 7 of his completions have gone for touchdowns.

Keeping up his tradition of being in on everything, Hagerty has the most unique passing record, having thrown only one pass all year and completed it for a touchdown.

Bill Reybold Sets Record As Hens Win

Former Newark Athlete Runs Country Club Course In 20:17

Billy Reybold, former Newark High School athlete, set a new course record of 20:17 as he led the University of Delaware cross-country team to its third straight triumph last Friday over the Johns Hopkins harriers of Baltimore, 19-43.

In addition to Reybold, two other contestants shattered the record for the Newark Country Club 3 1/2 mile course set by Ray Harrington of Swarthmore last year. They were Don Manger, Johns Hopkins, who finished second in 20:26, and Stan Hughes, Delaware captain, who finished third in 20:48.

Others in the order of finish were: Ralph Foreacre, Delaware, 21:47; Frank Ewing, Delaware, 21:41; Jim Glick, Delaware, 22:10; Irv Carly, Delaware, 22:25; Bill McGinnis, Johns Hopkins, 22:26; Bill Bolton, Delaware, 22:35; and Andy Johns, Johns Hopkins, 23:05.

Ten Commandments Of Gunning Safety

It's hunting season, and with it come many accidents that come from carelessness or inexperience. The Delaware Agricultural Extension Service lists ten commandments for safety when handling guns.

1. Treat every gun with the respect due an explosive charge. This is the cardinal rule of gun safety.
2. Carry only empty guns, taken down with the action open, in the car, camp, or home.
3. Always be sure that the barrel and action are clear of obstructions.
4. Always carry your gun so that you can control the direction of the muzzle in a hurry, even if you stumble. Keep the safety on until you're ready to shoot.
5. Be sure of your target before you pull the trigger. Be sure it's a rabbit, not some other hunter's dog, or a farm animal, for instance.
6. Never point a gun, in fun, at anything you do not want to shoot.
7. Never leave your gun unattended unless you unload it first.
8. Never climb a tree or fence with a loaded gun in hand.
9. Never shoot at a flat, hard surface or the surface of water. Bullets can ricochet and hit other objects, perhaps your hunting companion.
10. Never mix gunpowder and alcohol.

Blaney Scores 27 Points As Newark Downs Claymont 34-7

Tallies On Touchdown Runs Of 60, 65, And 75 Yards And Boots Three Extra Points To Run Total To 93 For Season

With an open date on the schedule this weekend, Newark's Yellowjackets will take it easy before getting down to serious business in preparation for the encounter with A. I. duPont on the home field Saturday, Nov. 10.

Bunny Blaney, acting the part of a one-man-gang last weekend scored four touchdowns and kicked three extra points to run his scoring total for the year to 93 points as the Jackets rolled over impotent Claymont, 34-7.

It was the fifth victory in six starts for Newark, that single loss being a questionable one point encounter dropped to undefeated Salesianum. On the other hand it was the fourth defeat of the season for the Claymonters who have won only a single contest.

There was nothing cheap about three of the scores hung up by the wing-footed Blaney. He sprinted 65 yards for the first one in the opening quarter, rested up for one period, and went to town in the third with scoring jaunts of 60 and 75 yards. In the opening minutes of the final period Blaney climaxed a 50-yard drive by the Yellowjackets with a scoring plunge from the two.

Claymont tallied midway through the fourth quarter when Johnny Newton grabbed an errant Newark pass and raced 40 yards for the score.

Dan Palmer, Newark fullback, accounted for the other touchdown with a 70-yard scamper.

It has been only in the last two games that Blaney has not been handicapped with strained ligaments in his leg suffered early in the season, and in these two contests the free-wheeling Yellowjacket has racked up nine touchdowns and kicked seven extra points to amass the amazing total of 61 points.

Although the amount of scoring the Newark star does is impressive in itself, the manner in which he does it has to be seen to be believed. The biggest majority of his scores come on runs of 40 yards or longer, and are the direct result of his blinding speed and tricky change of pace. Once he gets past the line of scrimmage he is almost impossible to catch. While he is in the game as safety man on defense it is very unlikely any opposing back is going to get away for any appreciable yardage before Blaney catches him.

COUNTY FIREMEN TO MEET
The New Castle County Volunteer Firemen's Association will meet at 8 p.m., November 8, at the Holloway Terrace Fire Hall.
J. Sutton, Denton, Goodwill Fire Company, New Castle, newly elected president, will preside and other officers assume their duties.

The boys and girls of Mrs. Alvord's class, 3-21, are planning a Halloween party.

Mrs. John Horner, Mrs. Norman Horner and Mrs. James Newton are preparing to get refreshments ready. Mrs. Kaplan's class visited Christine Miller last week to see the construction of houses.

Mrs. Ebel Crowe, Mrs. Lillian Ely, Mrs. Joan Woodruff, Mrs. Nancy Ashcraft, Mrs. Mary McFarlin and Mrs. Loretta Schultze drove cars. The arrangement for drivers was made by the homeroom mother.

Mrs. Betty Wood, "Red Skelton" Club, Mrs. Kippis group, will have a Halloween party this week. Mrs. Doris Moore and Mrs. Loretta Schultze and Mrs. Betty Stewart planned refreshments.

Mrs. Bowman's room visited Christine Miller on October 23 to see the building project.

Mrs. Anne Fader, home room mother, made the arrangements for transportation. The following mothers provided cars, Mrs. Hanna Felsing, Mrs. Frances Peel, Mrs. Barbara Reed, Mrs. Alice Furness, and Mrs. Ann Fader.

Cecile Steele, a student in Miss Bayard's class, is in the hospital with rheumatic fever. The class is sending letters and cards. The boys and girls hope she will be back in school soon.

Mrs. Morrison's class has elected the following students for homeroom officers: Nancy Duford, President; Kay Logan, Vice-President; Jim Pukins, Secretary, and Bruce Jackson, Treasurer.

Mr. Krippl's class is having a contest between the boys and girls to see which team can bring in the most money during the week of magazine sales.

The girls team is ahead with \$80.60. The boys team has \$55.00. The losing team will furnish the Halloween party on Wednesday afternoon.

Mrs. Durand Kinloch and Mrs. Michael D'Angelo, homeroom mothers, will assist the losers in planning the party. Several pupils from Mrs. Cassell's room took some interesting trips last weekend.

Shirley McMullen took a trip over the Delaware River Memorial Bridge. Ruth Ann McCormick visited at Harrington, Delaware. Thomas Ferguson took a trip up through Pennsylvania. Judith Vansant went to Hack's Point. Edwin Crookshank and Willis Dömlinger visited on the western shore of Maryland.

Mrs. Cassell spent last Thursday and Friday at a teachers' convention held in Wilmington, Delaware. She brought back some books and pictures which she bought at the Commercial Exhibit.

Know Your School

by A. J. Thoroughgood

Last Thursday and Friday the doors of all Newark public schools were closed while all of our teachers attended the annual meeting of the Delaware Education Association held in Wilmington. To many students, this means only a fine holiday; to many parents, it meant perhaps only an annual occurrence. There are, however, some of you, who we feel, are interested to know just what took place during the annual two-day holiday. As parents and friends of our schools, we believe that you are entitled to know something about our meetings, and perhaps to have at least a partial report on the events in which some of our teachers participated.

All faculty members of all Newark schools attended the two-day sessions on Thursday and Friday; on Wednesday, delegates chosen by our entire faculty, represented our schools in the Delegates' Assembly held in the P. S. duPont High School. Mr. Elwood Bittender headed our delegation which was composed of the Faculty Steering Committee, a policy committee in the Newark schools.

A number of our teachers participated in the sectional meetings as well as in other activities. Mr. H. Lewis Miller was the leader of the special Science Section held on Friday morning. Mrs. Mildred Cleaves attended a luncheon and discussion meeting of the Library Section while Miss Ann Stauter took part in the luncheon meeting in the Wedgewood Room for the Dramatic Teachers and Coaches of the Delaware Schools. Dr. Robert Kase of the University of Delaware spoke briefly at this meeting. Miss Gertrude Baynard, Miss Betty Gordy, and Mrs. Martha Wilson were members of the teachers' chorus which presented a fine group of spirituals and interesting songs at the final session on Friday.

Prominent speakers at the numerous sectional and general meetings including Dr. Paul H. Mort of Columbia University and Dr. Jay Elmer Morgan, editor of the NEA Journal, stressed the important educating job which the teachers and schools must do because they are the ones who have the "know-how" to do that job.

The final session afforded an opportunity to all teachers of Delaware to hear an address entitled "America Is More Than A Country," presented by Salom Rizk, a world traveler.

A very important meeting held during the two days was a gathering of the members of the Delaware Congress of Parents and Teachers. This might serve well as a closing note for my report. At this meeting, parents, teachers, and administrators had an opportunity to talk over problems of school financing and support, school curricula, and most of all, school responsibility for the moral and ethical code of our young people. The gathering offered all who attended a real challenge to work toward an even stronger and more vital PTA organization than we now have in Newark or other Delaware towns.

Dr. Downes and Dr. Johnson Take Day Off

Dr. Downes and Dr. Johnson are going to take a whole day off on Saturday of this week. They will not be at their respective offices all day. Instead, they will motor to Baltimore to attend the Navy-Michigan game. They will leave Newark as friends, but we know not how they may return, for Dr. Downes has a son in the Navy, and Michigan is Dr. Johnson's home state. The sporting gentlemen will be accompanied on the trip by Mrs. Downes, Mrs. Johnson, Dr. Muselman, Dr. and Mrs. George Rhodes and Miss Margaret Vinsinger.

Airplane Ride

On Thursday of last week Thomas Spragall and Waldo Lovett took the trip on the P. R. T. airliner from Philadelphia to Washington and return.

It took just 85 minutes to make the south-bound trip. The plane maintained a speed of from 90 to 100 miles per hour. At one time it reached an altitude of 4000 feet. At their request, the pilot brought the plane right over Newark and on their return trip brought the ship down to 500 feet so they could throw off postcards.

Personals

Mr. and Mrs. Ellwood Rowens and Goodwin Mathews, of Easton, Maryland, were weekend guests at the home of Dr. and Mrs. R. R. Mathews.

Mrs. Walter Geist, Jack Geist, Mrs. John L. Holloway and Wm. Holloway spent Saturday at the Sequi.

Mrs. George Ferguson, Miss Harriett Ferguson, Mrs. Clarence Grant and children, and Donald Hill were Sequi visitors Saturday.

Mr. Gilligan, recently appointed assistant to Mr. Philip Myers, with his wife and young son, has moved from Amherst, Mass., to a house on Lovett Avenue.

Drama Group Rehearsing

Play "On Borrowed Time"

Rehearsals are progressing for the play "On Borrowed Time," to be given by the University Drama Group in Mitchell Hall on November 15, 16 and 17. Directed by Virginia Mahanna, the cast includes two guest artists, Ned Barvinger from the Wilmington Drama League, and Roby Roberson from the Newark Public Schools. Others in the cast are Arlyn Osborne, Dick Evans, Evelyn Blow, Leah Otley, Peter Mahanna, Bill Folwell, Bill Murray, Taggart Evans, and Curley Mahanna.

The play is based on the successful effort of an old man to make time stand still until his grandson will be able to have all the privileges a typical American boy should have.

Tickets for this production will be on sale at the Mitchell Hall Box Office on November 8.

Some Delaware Merchants

Pay Disputed Maryland Tax

Some Delaware merchants are paying the disputed two percent retail sales-tax which Maryland authorities are demanding they collect from Maryland residents who buy in Delaware. A survey also shows, however, that some other Delaware firms are ignoring the tax whenever possible and claim it is "unfair."

In Newark, where merchants make frequent sales to nearby Marylanders, the reaction is generally unfavorable to the "Free State's" efforts. Comments range from "unfair," "crazy" and "impossible to collect."

One Newark businessman admits he is paying the tax but only because Maryland authorities have threatened to seize his truck if it is caught making untaxed deliveries in Maryland.

Fine Handwork For Sale At

Methodist Church Bazaar

Fine handwork will be displayed for sale at the Newark Methodist Church Bazaar on November 30 according to Mrs. Rodney Dann, who is in charge of that booth.

Mrs. Dann reports that the women of the church have been working many long months on aprons and children's clothing in an effort to make this booth one of the outstanding ones of the bazaar. Groups have met from time to time for all day sewing meetings. In addition there will be hand-made rugs and many attractive gifts for all the family.

The Christmas Bazaar will be held at the Methodist Church on Friday, November 30 from 11 a.m. to 9:30 p.m.

Delaware Schools Attend Conference On Dramatics Here

Prize Awarded To School With Largest Group Of Delegates

All Delaware schools will compete this Friday in their efforts to win the Attendance Cup at the Twelfth Delaware Dramatic Conference held at the University of Delaware. The cup is given annually to that school which sends the largest delegation to the conference, considering the size of the school and the distance travelled to attend. Last year's cup was won by Newark High School with more than 100 delegates.

The Delaware Dramatic Conference has scheduled meetings throughout the day on Friday, beginning at 9 a.m. and will offer much practical value to the school and community theatre delegates in that field.

At the first session (9:30) Mr. Herman Middleton, Technical Director of the University Theatre will discuss basic principles of stage lighting and will demonstrate these principles using the new Zenor Electronic Switchboard. Mr. Middleton took a special course in stage lighting last summer at Northwestern University under Theodore Fuchs, one of the leading authorities in that field.

Central staging, basically a method of producing plays without a stage, will be the subject of a discussion at 11:30 which will be led by Miss Phyllis Shaw of the H. C. Conrad School. This same technique was used very successfully last year in a performance of Shakespeare at the Conrad High School. Central staging may be the answer for the harassed high school director who can never get the use of a stage for rehearsals. This discussion will also be accompanied by a demonstration of the method as applied to a scene from "Life With Father," which incidentally the delegates will have a chance to see conventionally staged during the evening session of the conference.

A third important feature of practical value will be the films on Theatre Production prepared by the famous Goodman Theatre of Chicago. These films will demonstrate principles and practice in the areas of play directing, set designing and makeup. Three of the films will be in color and all will use sound. Several showings will be given during the conference.

The Delaware Dramatic Conference is arranged by the University Dramatic Center in cooperation with the Delaware Dramatic Association. Eligible to attend will be students and directors of high school dramatic organizations, officers, directors, and members of community theatres, and students and directors of college theatres. The conferences have been held annually since 1937, except for the period of the war.

'Unite For Freedom' Theme Of Education Week In November

Local Schools Participate In Nationwide Program November 11-17

Members of the Newark Schools' American Education Committee headed by Miss Rebecca Kiek are arranging for the annual observance during the week of November 11-17.

"Unite for Freedom" is the theme which will be the basis for all activities in connection with the nationwide programs in schools. The local committee has sent for materials from the National Education Association. In addition they have completed preliminary plans for the "Open House" to be held during the week in November.

A further step has been taken by the committee to secure the interest of the community in the important theme. Letters have been written by the committee to all local clergymen requesting that they consider using the theme as the subject for a sermon during American Education Week. They are also suggesting that a teacher from the community be asked to participate in the church service built on the theme "Unite For Freedom."

Members of the committee in addition to Miss Kirk are Mrs. Catherine Bonney, Miss Irma Jaquette, Miss Dorothy Markert, Miss Margaret Morrison, Mr. Neil Osborn, Mrs. Josephine Williams, Miss Hazel Johnston, Mr. Frederick Kutz, and Mrs. Cora Saunders.

David J. Stroup Elected President Of Local NMAA

David J. Stroup, 317 Wyoming Road, was recently elected president of the Penn-Del Chapter of The National Machine Accountants Association, according to an announcement made by Mr. C. W. Reed, publicity chairman.

Other members representing Newark organizations include: William H. Bohning, Registrar, University of Delaware; Howard Cosgrove, Chrysler Tank Plant; Richard C. Hopkins, Chrysler Corporation, Parts Division; Hubert L. Melrath, Continental Diamond Fibre Co.; and Zeph Shepherd, Chrysler Tank Plant.

Delaware Dairymen Advised Of Tests

Delaware dairymen, and out-of-state dairymen who employ a Delaware veterinarian can now have their cattle tested for mastitis simply by calling Newark 2-7791 or the Dover office of the State Board of Agriculture.

According to E. S. Biddle, bacteriologist in charge of diagnostic service, this will enable dairymen to get faster and more accurate service in mastitis testing. However, Biddle warns, no dairymen should ask for this service unless they are serious in their intentions in controlling the disease.

The tests used in testing milk for bacteria of mastitis significance are time consuming and expensive. At the present time, 25 cents per cow is charged for this service. The actual cost is approximately \$2.00 per animal.
