MODERN DANCE CLUB

The Modern Dance Club's program consists of weekly meetings in which the members have an opportunity to study and practice dance techniques and do original interpretations to music. The highlight of the second term's activities is the group's participation in the annual May Day Program. The officers for the year 1950-51 were President, Teel Dunn; Secretary-Treasurer, Margaret Seavy; Publicity Chairman, Janice Thompson.

W.A.A. HOCKEY

The W.A.A. Hockey, managed by Janet Vansant, was a successful class tournament. The class managers, Jeanne VonUffel for the Seniors, Sue Brown for the Juniors, Joan Greenfield for the Sophomores and Jean Sloman for the Freshmen, organized their teams and even the weather man cooperated.

When the tournament ended at Thanksgiving, the powerful Sophomore team was winning with the spirited Juniors and Freshmen tying for a close second. Oranges served at half-time gave the players added energy and proved to be a worthwhile experiment.

TENNIS

As an experiment this year, tennis was added to the list of fall sports as well as keeping its regular place in the spring. Ann Colona, the tennis manager, ran a ladder tournament for each class, which ran for two weeks. The first and second place players of each class were put in an elimination tournament to determine the final winners. It

was a great success due to the clear, warm weather and the many cooperative players. Betty Boyce, an active Junior on campus, was the runner-up of this tournament. Beverly Sharpless, a Freshman and holder of several tennis titles, took first-place honors.

Students welcome the new President, John A. Perkins. The students are: (left to right) Fred Hartmann, Review Editor; Francis Hammond, IFC President; Joan McCain, Recording Secretary, SGA; Samuel Talucci, President, SGA; Dick Wells, President, ODK; and Lois Deiss, Vice President, SGA.
