Mr. George S. Messersmith,
Sierra Paracaima 1285
Mexico 10, D.F.

Dear George:

Yvonne showed me an article published in the Reader's Digest, October 1958, which you will like to read. Dr. Sara Jordan must be a great human being as well as a great medical doctor. In her profession she uses the name of her first husband, probably because she received her medical titles when she was Mrs. Jordan. Does anyone address her as Mrs. Mower ?

Ever yours,

Enc.
